FOREWORD

A Census of Cemeteries, Center District, Gilmer County, West Virginia was begun in the summer of 1985 when we and Dr. James Woofter began researching Gilmer County Cemeteries. He was gathering information for The Chronology of the Descendants of John and Elizabeth Richards Beall which was published posthumously in 2000.

The original intent was to share the information gathered with others searching for family roots in Gilmer County. Information continued to be collected. This is the fourth and last district. The Glenville District Census includes both Glenville and Glenville Independent Districts. A Census of Cemeteries, DeKalb District, Gilmer County, West Virginia was first published in November 2001 with an update in May 2003 and can be purchased for $18. A Census of Cemeteries, Glenville District, Gilmer County, West Virginia was published in November 2003 and is available for $35. A Census of Cemeteries, Troy District, Gilmer County, West Virginia published in February 2005 and is available for $12.

Cemeteries are in alphabetical order and the listing of those interred and those with preset monuments are listed in alphabetical order within each cemetery. The footer on each page gives a brief description of the location. An index is included. Occasionally the surnames of children will not be spelled the same as the parents.

Many people have shared information and directed us or accompanied us to remote burial sites for which we are appreciative. A special thanks to Roy and Jane Radabaugh for proofreading and suggestions.

Genealogical information was obtained by searching records in courthouses, visiting cemeteries (some several times), census records, reading obituaries, and conversations with relatives and friends of the deceased.

Perhaps this information will encourage others to search for their family roots. Copies of all the districts are available and may be purchased by sending a check made payable to Doris Radabaugh to 2816 Spider Ridge Road, Parkersburg, WV 26104. The cost of the Center District Cemetery Census is $28 which includes shipping and handling.
