ARNETT ANCESTORS

A HISTORY OF
DANIEL ARNETT
AND HIS DESCENDANTS

Compiled by

Dear ARNETT Family History Enthusiasts,

Here is your copy of ARNETT ANCESTORS. I hope you find it interesting.

Considerable effort has been taken to ensure the accuracy of the manuscript with many proof readings, by me and others, at various stages of compilation. However, mistakes are likely to be found, but hopefully, they will be minimal. Remember, this is a product of an amateur.

Not all data that was submitted could be verified by other supporting evidence and conjecture was sometime necessary to reach the conclusions presented. Interpretation or lack of proof for these unsupported conclusions are usually identified in the manuscript, if known to the compiler. Please advise of any mistakes or errors found in the manuscript and someone someday will surely compile a better and more complete ARNETT Family History including information from other researchers. Naturally, additional information on any ARNETT family is encouraged and it doesn’t even have to tie in with the lines thus far identified. Interesting family anecdotes, family pictures, reference material or reference sources are also welcomed. All responses will be available for the next ARNETT researcher.

If there is sufficient response, a supplemental report may be worthwhile to correct significant errors and identify other ARNETT family lines or individuals. If they presently cannot be identified as a member or members of the currently known ARNETT families, they could be included in a section identified as "Can you place these ARNETTs?" Such a supplemental report would be sent to all receiving a copy of ARNETT ANCESTORS and someone somewhere may be able to identify them.

A sincere thank you is again expressed to all those ARNETT relatives and serious ARNETT researchers who submitted information that helped make ARNETT ANCESTORS a reality.

Hope you find yourself, your relatives or your ancestors in within the manuscript. Good luck.

The compiler is indebted to the many people who have contributed information to make this family history possible. They were numerous and spread across the country and many of them are several generations removed from their ARNETT heritage, as is the compiler.

Several people were especially helpful by sharing their extensive ARNETT research. A special thank you is extended to Mr. JACK HOCKETT of St. David’s, PA for his early ARNETT information; Mrs. JOYE BOARDMAN of Plymouth, MN for her comprehensive research on Daniel Arnett’s oldest daughter, Alcey, who married John H. Colley; and Mrs. ELSIE B. GALLIHER of Saltville, VA for her information on several lines including Aistrop, Grady and Henderson. In addition to supplying information for this history, they also provided constructive commentary, corrections and additions on several drafts of ARNETT ANCESTORS. All their efforts are greatly appreciated.

There are obviously many family lines that need updating and certain other areas that require additional research not readily available to the current researchers. Readers are encouraged to advise the compiler/researchers of any additional information they may have. An updated ARNETT ANCESTORS will be considered after receipt of such information.

The intent has been to make ARNETT ANCESTORS as accurate and reliable as possible, however, in any complex family history errors may inadvertently occur. Source material cannot always be verified and references are not always reliable. Sometime information is misinterpreted, then there is always the possibility of typing errors. The compiler apologizes for any errors and welcomes correspondence correcting any errors found.

Additional ARNETT information is contained in two other family histories by the compiler. These are McNEW MEMORABILIA (Daniel Arnett married Elizabeth McNew Mar 18, 1802) and HOCKETT HISTORY (Eliza Arnett married Isaac Hockett c1835).

SURNAME INDEX 113
The purpose of this manuscript is to record the information that is presently available on the ARNETT family as it pertains to the life of DANIEL ARNETT and his descendants. The search for further information on him and his ancestors has proven to date to be very illusive.

DANIEL ARNETT was born about 1780, married ELIZABETH McNEW on March 18, 1802 in Washington County, Virginia and had seven children before his death in 1818 when he was about 38 years old.

The author is a great great grandson of DANIEL ARNETT by the following line of descent:

1) DANIEL ARNETT, born c1780. Married ELIZABETH McNEW. (See SECTION 1).

2) Daughter ELIZA ARNETT, born May 27, 1815. Married ISAAC HOCKETT c1835. (See SECTION 2 and HOCKETT HISTORY by Joseph C. Carroll for a more detailed discussion).

4) Great granddaughter EFFIE IOLA HOCKETT, born Jan 22, 1889. Married RORY MURCHISON CARROLL Oct 20, 1915

5) Great great grandson JOSEPH CARLOS CARROLL, born Mar 11, 1929. Married DORIS DARLENE CARROLL Mar 10, 1956

ARNETT is well recognized to be of English origin. It is not known when our particular branch immigrated to America. In GENEALOGICAL AND PERSONAL HISTORY OF THE UPPER MONONGAHELA VALLEY, WEST VIRGINIA, Vol II (originally published in 1912), reprint published in 1978 edited by Bernard L. Butcher, pp 1187-1190, it is stated that a James Arnett was the first person of that name in Virginia. There is an Arnettsville in Monongalia Co, WV (county seat Morgantown), a part of Virginia until 1861. From the above reference, it is stated that James Arnett, his wife, Mary, and some mature children come from England and settled in what is now Monongalia County prior to the American Revolution where Mr. Arnett purchased about four hundred acres of land. The names of his children were: Andrew (b 1760), John, James, Jonathan, Daniel, Mary, Catherine and one whose name is not known. John and Andrew purchased two hundred acres in 1795 on Indian Creek where Arnettsville is now located, but later John sold his interest and moved about eight miles south to Fairmont.
Considerable information on the descendants of Andrew Arnett is available in the above reference. It is possible that the above Daniel Arnett is the same DANIEL ARNETT who is the subject of this history, however, until further proof is available, it is only a possibility. Surely, given the replication of names, there is some relationship between the Arnetts of Monongalia Co, WV and the ARNETTs of Washington Co, VA.

Louisa Co, VA appears to be another possible site of origin of the ARNETTs of Washington Co, VA. A large amount of information appears in the Louisa County court records from 1768 to his death in 1781 for a James Arnett, who married Susannah McGhee. Some of his children are identified and appear in the court records through the 1790s, many times appearing in records associated with a Bibb family. In the Oct 13, 1794 settlement of the estate of Benjamin Bibb, reference is made to "...expenses to King William [County] office for copy of Arnett's will." This suggest that the Louisa Co, VA ARNETTs came there from King William Co, VA whose earliest records have unfortunately been destroyed by fire.

Any relationship at this time between the ARNETTs of Monongalia Co, WV, Louisa Co, VA or King William Co, VA to the subject DANIEL ARNETT of Washington Co, VA is pure speculation. However, further research may establish a connection.

For more information on the family of ELIZABETH McNEW, wife of DANIEL ARNETT, see McNEW MEMORABILIA by Joseph C. Carroll based largely on the research of Thomas Jack Hockett and Janice M. Snead.
GUIDE FOR USING THIS HISTORY

Since it is easy to become confused in listing the genealogy of any family, a decimal numbering system has been used to help provide some organization -- however, it is still difficult to follow. The children of the oldest known ancestors, DANIEL ARNETT and ELIZABETH McNEW, have been numbered in the order of their births. Likewise, their children have been numbered decimally in order of their births following their parents numbers. Multiple marriages have been given a letter designation following the subject individual. Thus, 2.3B.1 is the second child of the oldest known ancestor (that's what the 2 designates), then the second marriage of his/her third child (2.3B) and their first child (2.3B.1) -- or three generations removed from the oldest known ancestor.

In trying to understand the system, remember the same number sequence but one decimal longer will be children of the individual. Likewise, the same number sequence but one decimal shorter will be the individual’s parents. The same number sequence but two numbers difference will be grandchildren/grandparents. Three decimals difference will be great grandchildren/great grandparents, etc.

The numbering system can become lengthy and confusing when several generations of a family are known. As a suggestion for readers making a detailed review, it may be helpful to number a "scale" on a strip of paper to coincide with the decimals used herein. The "scale" could look something like this:

1.2.3.4.5.6.7.8.9

This "scale" can be used as a ruler to identify parents, children or siblings of a particular individual. The siblings of an individual would have the same decimal length and would increase or decrease numerically in order of their birth. His/her parents would be one decimal number shorter, and likewise, his/her children would be one decimal number longer.

Each direct ancestor will be discussed individually in a separate section, which means each generation will be treated separately. CHAPTER 1 is a discussion of DANIEL ARNETT, his wife ELIZABETH McNEW, and their descendants. CHAPTER 2 relates to their youngest daughter, ELIZA ARNETT, her husband, ISAAC HOCKETT, and their descendants. For a more detailed discussion of ELIZA ARNETT and ISAAC HOCKETT, see HOCKETT HISTORY by Joseph C. Carroll.

CHAPTER 1

DANIEL ARNETT and his wife, ELIZABETH McNEW, are the oldest known ARNETT ancestors to be identified so this family history is begun with them. Little discussion is offered here on the family and background of ELIZABETH McNEW since a separate family history has been prepared of the several generations of McNEWs prior to the birth of ELIZABETH. See McNEW MEMORABILIA by Joseph C. Carroll based largely on the research of Mr. Thomas Jack Hockett and Ms. Janice M. Snead.

Beginning with the oldest known ARNETT ancestors, they are:

DANIEL ARNETT:
- Born: Circa 1780
- Married: ELIZABETH McNEW on Mar 18, 1802 in Washington County, VA
- Died: 1818 (estate appraisal recorded May 18, 1819)
- Buried: Washington County, Virginia

ELIZABETH McNEW (first wife):
- Born: Mar 12, 1782 in Washington County, Virginia
- Died: Circa 1816 probably in Washington County, VA
- Buried: Unknown but probably in Washington County, VA

HANNAH McDONALD (second wife):
- Born: Unknown but likely c1780-1790
- Married: Circa 1816
- Died: Post-1820
- Buried: Unknown

After ELIZABETH McNEW ARNETT's death c1816 at age 34, DANIEL ARNETT soon married HANNAH McDONALD. DANIEL and ELIZABETH had seven children, but since there are no known children of DANIEL and HANNAH, the "A" and "B" designations for the two marriages, as described in the preceding "GUIDE", will not be used.

Although the parents of DANIEL ARNETT are unknown, he is believed to have had brothers, Andrew, Benjamin and William Arnett, all of whom are mentioned in the records of Washington Co, VA. It is probable that the ARNETTs came to Washington County from Louisa Co, VA. There was a substantial migration from the Louisa-Fluvannia-Buckingham Counties area about 1800.

In 1803 Andrew Arnett served as a militiaman in Captain Talbert's Co, 2nd Battalion, 70th Regiment. On Nov 15, 1808, Andrew Arnett was recommended as ensign of a new company, 2nd
ARNETT ANCESTORS

Battalion. Records show he was commissioned as Lieutenant on July 17, 1829 as confirmed by Col. James Edmondson, Jr on June 21, 1835. [Ref: THE MILITIA OF WASHINGTON COUNTY, VIRGINIA: OFFICERS 1777 - 1835; MILITIA MEN 1798 - 1835, by Gerald H. Clark, 1979]. Andrew Arnett is not listed in INDEX TO THE 1810 VIRGINIA CENSUS, compiled by Madeline W. Crickard, 1971, for Washington County, however, his military record suggest him to be there about that time. The only Arnett listed in the 1820 Washington County census index is HANNAH ARNETT, widow of DANIEL ARNETT.

Benjamin Arnett, likely brother to DANIEL, married Elizabeth Campbell on Oct 18, 1805 in Washington County. Although the couple has not been found in the 1810 or 1820 censuses, the 1830 census of Christian Co, KY does show a Benjamin Arnett. It is unproven whether this is the brother of DANIEL, it is a possible guide for future research. The census lists Benjamin Arnett: one male, age 10-15 (b 1815-1820); one male, 15-20 (b 1810-1815); one male (Benjamin), 50-60 (b 1770-1780); one female, 5-10 (b 1820-1825); one female, 15-20 (b 1810-1815); one female (Elizabeth ?), 40-50 (b 1780-1790). The timeframe certainly fits, but there is no supporting evidence of this being DANIEL's brother. Listed on the same census page are other Arnetts:

James Arnett: 1 male, under 5y; 1 male, 20-30; 1 female, 15-20.
Edward Arnett: 1 male, 20-30; a female, under 5y; 1 female, 15-20.

Another area for future research is further identification of an Edward Campbell and James Campbell in Washington Co, VA in 1810 who could be relatives of Elizabeth.

William Arnett is believed to have been born about 1785 and c1805 married Rebecca (surname unknown; born c1785). This is based on the Washington County Death Records [on microfilm at Virginia State Archives, Richmond] that show Laura Arnett, a daughter of William and Rebecca, age 62, died Apr 4, 1871 in Rich Valley. This places her birth in 1809. William Arnett appears on the 1810 Washington County census (as William Arnest) as 1 male 16-26 (William, age 25 = b 1785); 1 female 16-26 (Rebecca, age 25 = b 1785); and 2 females under 10 (one of whom is Laura age 1 year). They were living near William McNew (s/o Edward and Nancy McNew and first cousin to ELIZABETH McNEW, first wife of DANIEL ARNETT), Michael Huffacre and Thomas Hargas (or Hargis).

It is believed that DANIEL ARNETT was born about 1780, probably in Virginia. He and ELIZABETH McNEW were married on May 18, 1802 in Washington Co, VA. They had two daughters and five
ARNETT ANCESTORS

sons. Both ELIZABETH and DANIEL died young. ELIZABETH died in Washington Co, VA c1816 when about 34 years old leaving seven children ranging in age from about one to twelve years old. DANIEL soon remarried HANNAH McDONALD, daughter of CHARLES McDONALD, which was likely a marriage of convenience for DANIEL so HANNAH could help care for his young children. But less than two years later in 1818 DANIEL died when he was only 38.

The marriage of DANIEL ARNETT and HANNAH McDONALD is documented in WASHINGTON COUNTY, VIRGINIA DEED BOOK NO. 6, 1814-1818, p 458, in an indenture of Feb 15, 1818 between Bartholomew McDonald, DANIEL ARNETT, and HANNAH, his wife, "now of the County of Washington, State of Virginia...on one part and Michael Fleenor, on the other part...for $574...for 1/2 and 2/5ths of the other half of money of a certain tract..." of 170 acres in Rich Valley and adjacent lands of said Michael Fleenor and other lands of Thompson, Molley, John Woodward and others, being the same tract or parcel of land on which Charles McDonald, father of Bartholomew and HANNAH, lived and died and by will bequeathed to said Bartholomew McDonald and John McDonald, another son who died interstate and without issue. The document was signed by Bartholomew McDonald, DANIEL ARNETT and HANNAH ARNETT and acknowledged and recorded at court on Feb 14, 1818.

Although not much is known about HANNAH McDONALD, she was the daughter of Charles McDonald and had siblings: Bartholomew Jude McDonald, John McDonald (who died without issue), Azubah McDonald (who married Caleb Simms), Anna McDonald and James McDonald. Some of HANNAH's relatives went to Ohio as evidenced by Washington Co, VA court records. "Caleb Simms and Azuba[h], his wife of the County of Muskingum, State of Ohio...appoint Bartholomew Jude McDonald of Ohio County their lawful attorney...interest in plantation of Charles McDonald...given at Zanesville, Ohio, Sept 6, 1817". [Ref: WASHINGTON COUNTY, VIRGINIA DEED BOOK NO. 6, 1814-1818, p 507]. Another court entry identifies other siblings. An indenture of June 22, 1818 between "James McDonald, Anna McDonald of Ohio County, VA [probably should be State of Ohio], one part and Michael Fleenor, other part...James McDonald, son of Charles McDonald [who] departed this life many years since...James McDonald and Anna McDonald, brother and sister of Bartholomew McDonald and John McDonald...". The document was recorded July 18, 1818. [Ref: IBID, pp 505-506].

No relationship has been established between HANNAH McDONALD and MARY McDONALD, grandmother of CATHERINE McNEW who was a first cousin of ELIZABETH McNEW, but some relationship is suspected. This is an area for future research.

DANIEL ARNETT appears on the 1810 Washington Co, VA census as 1 male 26-45 (DANIEL, age c30); 1 female 26-45 (wife, DANIEL ARNETT 11 CHAPTER 1
ARNETT ANCESTORS

ELIZABETH, age 28); 4 males under 10 (James, John, Andrew and unknown); and 1 female under 10 (Alcey). The unknown male is possibly Thomas Arnett but he is believed to have been born in 1812. They were living near James Henderson and Andrew Lazwell who later had kin that married into the ARNETT family.

DANIEL ARNETT was a witness to the will of Stephen Cawood on Nov 6, 1810 in Washington County [ref: EARLY SETTLERS OF LEE COUNTY VIRGINIA AND ADJACENT COUNTIES, Vol II, by Hattie Muncy Bales, 1977, pp 1023-1024]. DANIEL was also a witness to an indenture of Feb 2, 1815 between Thomas Athey and John Sturgeon for $330 for "...5/9ths of 100 acre tract on Waters of North Fork of Holston River adjacent lands of Michael Haffaker, Cawood and others...". The contract was signed by Thomas Athey and Sally Athey and witnessed by DANIEL ARNETT, William Scott and Samuel Sturgeon. The indenture was filed Jan 29, 1816 on oaths of the witnesses DANIEL ARNETT, William Scott and Samuel Sturgeon. [Ref: WASHINGTON COUNTY, VIRGINIA DEED BOOK NO. 6, 1814-1818, p 202]. Two months later on Mar 4, 1816 DANIEL ARNETT witnessed an indenture between Walter Hill, Sr and Benjamin Cawood on one part and Henry Huffaker on the other part, all of Washington County, for "...$80...for land on the South Side of Walker’s Mt. on Waters North Fork Holston River,..." for 340 acres from the corner of Samuel Strugeon’s land to the West side of Saltworks Road...joining Robert Johnston’s land, thence with Allison’s line. The document was signed by Walter Hill; Maryan Hill, Exsioled(?) and Benjamin Cawood. Witnesses were James Denniston, John Chance and DANIEL ARNETT, acknowledged Mar 19, 1816. [Ref: IBID, pp 220-221].

By 1815 or before in Washington County, DANIEL ARNETT had acquired "one tract, 50 acres on the south side of the North Fork of Holston, joining Charles Terman, valued at $150" [ref: SOUTHWEST VIRGINIA TAX ASSESSMENTS, 1815, compiled by Mary B. Kegley, 1991, p 94]. The following year DANIEL ARNETT purchased 150 acres of land in Washington Co, VA from the estate of Lucy Cawood on July 3, 1816 according to Washington County Will Book 4, p 198 [Ibid, p 1026].

An appraisement of the estate of DANIEL ARNETT was filed in Washington Co, VA on May 18, 1819. The "Prase Bill" was directed by the court on Dec 9, 1818. It listed over three dozen items or groups of items having a total value of $60.07. Among the more costly items were 21 geese at $8.75; a sow at $5.00; a kettle at $6.00; a bed, quilt and sheets at $5.00; a rose blanket at $2.00; a Morgen Bible at $2.50 and two bunches of colored cotton yarn at $2.50. Also, a washing tub at $0.32, a shovel plow at $1.00, a horse collar at $1.50 and flax wheel at $1.75. GEORGE McNEW, father of ELIZABETH, was administrator of the estate with Thomas Colley (in 1791 married Sarah Lazwell of aforementioned family), DANIEL ARNETT 12  CHAPTER 1
William Davis and Joseph Moore participating in the appraisal. Thomas Colley was the father of John H. Colley who married the oldest daughter of DANIEL and ELIZABETH, Alcey Arnett. [Ref: Washington Co, VA Will Bk 4, 1819].

All of DANIEL and ELIZABETH's children were likely born in Washington Co, VA. It is not known who might have cared for the children after their parents died. The children ranged in age from 1 to 12 years old when their mother died and 3 to 14 when their father died. Mrs. Joyce Boardman of Plymouth, MN is credited with much of the information on the oldest daughter of DANIEL ARNETT and ELIZABETH McNEW, Alcey Arnett Colley.

The 1820 Virginia census of Mongahelia Co, VA lists a Daniel Arnett (the subject DANIEL ARNETT died in 1818), Andrew Arnett and James Arnett. In 1820 Mongahelia Co, VA was a large area, the central part of which is now Kanawaha Co, WV with Charleston as the county seat. The similarity of names of the above Mongahelia County Arnetts suggest they were close relatives of the Washington County Arnetts.

The only Arnett listed in the 1820 Washington Co, VA census index is a HANNAH ARNETT, age 26-45, with two males, ages less than 10. These two young males could be DANIEL and ELIZABETH's sons Thomas (age cB in 1820) and Samuel (age c6 in 1820) but this leaves a bigger question unanswered and that is what happened to their other five children. Alcey, the oldest, would have been 16 years old and did not marry for another three years. ELIZA, the youngest, was only five years old.

The seven children of DANIEL ARNETT and ELIZABETH McNEW, numbered in order of their births, are as follows:

1. Alcey (or Ailsey Arnett, born Apr 14, 1804)
2. James F. Arnett, Sr, born c1805
3. John Arnett, born c1807
4. Andrew Arnett, born c1810
5. Thomas Arnett, born c1812
6. Samuel Arnett, born c1813/1814
7. ELIZA ARNETT, born May 27, 1915

Each child will be discussed individually with their descendants. Many descendants have been identified for the first child, thus a lengthy discussion before the other children are reviewed in more detail.

adjoined property owned by the Fullen family [ref: map of Washington Co, VA published in 1870]. Alcey and John are shown on the 1830 Washington County census. They had ten children with the first two daughters identified as under five years old on the 1840 census. Ms Joye Boardman, mentioned above, has written a comprehensive history on the descendants of Thomas Colley. Both Alcey and John Colley were living in the Saltville District at the time of the 1880 Washington Co, VA census. Household 91 lists John Colly (sic), age 84, and Alice (sic), age 75. Alcey is probably buried around Saltville, Washington Co, VA, however, the exact location is not known.

The ten children of Alcey and John H. Colley are as follows (each will be discussed individually with their descendants):

1.1 Mary Wert Colley, born Oct 26, 1827
1.2 Daughter Colley, born 1829
1.3 John Calvin Colley, born July 22, 1832
1.4 Sarah Colley, born 1834
1.5 Ailsey (or Ailcy) Colley, born Mar 1, 1837
1.6 Louise Colley, born 1839
1.7 Samuel Colley, born 1842
1.8 Margaret Colley, born 1844
1.9 Susan Colley, born 1847
1.10 Daniel W. Colley, born Oct 1849

1.1 Mary Wert Colley, born Oct 26, 1827. About 1849 married Whitley Fullen Henderson (b Feb 24, 1826 in Russell Co, VA; s/o Thomas Henderson and Helen Ley). Whitley Fullen Henderson was named after Whitley Fullen (s/o James Fullen and Sarah Whitley) who was the richest man in northeast Washington County during his day, the fifth largest slaveholder and the second largest landowner of Washington County in 1860. An unverified popular story says that Whitley Fullen was the father of the four youngest Henderson children including Whitley Fullen Henderson and Malinda T. (or H), William Campbell and Hiram Fullen Henderson. Many of the "old timers" of northeast Washington County believe the story, however, no actual proof exists and official records suggest otherwise. Whitley, Malinda and William C. Henderson listed their father as Thomas Henderson multiple times in official records.

The marriage date of Mary Wert Colley and Whitley Fullen Henderson has not been found in either Washington or Russell Counties and was likely destroyed during the Civil War. They were married at the time of the 1850 Washington County census but had no children so were likely newly
married. They eventually had nine children and lived in Poore Valley, VA most of their lives.

Whitley was a farmer and inherited vast lands from his namesake, Whitley Fullen. The land was from Tumbling Creek down into Poore Valley. He gave land for a church and cemetery at Tumbling Creek, VA which is still in use today. On May 10, 1888 at age 62 Whitley Fullen Henderson, Sr gave his children Deeds of Gift dividing his 1500 acres of land on the south side of Clinch Mountain and north side of Little Mountain, Washington Co, VA. One-third of the proceeds were to be paid to Whitley during his lifetime and after his death, a yearly sum of ten dollars to be paid to his widow during her lifetime [ref: Washington County Deed Book 31, p 144; recorded Apr 30, 1888].

Whitley died July 1889 and is buried in the Henderson/Akers Cem, now on the Akers farm and likely the original Henderson homestead.

Mary was living with her daughter, Frances, during the 1910 census so she died post-1910. She is buried in the Akers/Henderson Cem, Washington Co, VA beside her husband, however, her gravestone was not readable on a 1988 visit by Joye Boardman. By 1991 the cemetery was hardly recognizable as such with broken fences and its shade trees popular with the cows.

The nine children of Mary Wert and Whitley Fullen Henderson are as follows (each will be discussed individually with their descendants):

1.1.1 William James Henderson, born Aug 24, 1850
1.1.2 John C. Jack" Henderson, born Dec 1853.
1.1.3 Sarah Elizabeth Henderson, born Jan 23, 1855
1.1.4 Hiram Fullen Henderson, born May 4, 1857
1.1.5 Thomas Dunn Henderson, born Aug 12, 1859
1.1.6 Samuel Arnett Henderson, born Dec 24, 1861
1.1.7 Mary Frances Henderson, born c1864
1.1.8 Whitley Fullen Henderson, born Sept 1867
1.1.9 Alcey Ellen Henderson, born Feb 5, 1969

1.1.1 William James Henderson, born Aug 24, 1850. On Nov 5, 1874 in Washington Co, VA married Sarah Jane Blackwell (b July 7, 1859; d Mar 23, 1951; d/o Matthew R. Blackwell and Elizabeth Worsham). [Ref: Records of Rev Alex Little, published by Donald W. Price]. They had fourteen children. William died in Apr 1925 and is buried in the Cedar Branch Cem. The 1900 Washington County census states Sarah Jane had been married 25 years, had twelve
children with nine living (she must not have counted two children who died young). [Ref: Joye Boardman, 200 Inland Lane, Plymouth, MN 55447 is credited with much of the research on the descendants of William James Henderson].

The fourteen children of William James and Sarah Jane Henderson are as follows (each will be discussed individually with their descendants):

1.1.1.1 Mary Frances Henderson, born Nov 23, 1875
1.1.1.2 Whitley Fullen Henderson, born Sept 14, 1877
1.1.1.3 Matthew Fern Henderson, born Sept 1, 1880
1.1.1.4 Daniel Charles Henderson, born May 21, 1882
1.1.1.5 Augusta Henry Henderson, born July 1, 1884
1.1.1.6 Eugene L. Henderson, born Oct 22, 1886
1.1.1.7 David Ryburn Henderson, born Jan 16, 1889
1.1.1.8 Ethel Lee Henderson, born Feb 21, 1891

Thomas Arnett, born c1812. On May 22, 1835 he was elected 2nd Lieutenant, Company of Light Infantry, 70th Regiment. Interestingly, there is a Thomas "Arnit" listed in the 1900 Glade Spring District census, born Nov 1848 in TN, widower, living with daughter, Florence, born Oct 1878. Their relationship, if any, to subject Thomas Arnett is not known.

His estate was appraised on Sept 7, 1860 [ref: Washington County Will Book 15, p 243 and Book 19, p 311 where seven children of DANIEL and ELIZA ARNETT are named].

ELIZA ARNETT, born May 27, 1815 in Washington Co, VA. Circa 1835 married ISAAC HOCKETT, her second cousin (their great grandfather was WILLIAM McNEW). See 3.4.2.4.1 in SECTION 6 of McNEW MEMORABILIA. They had eleven children which are identified in SECTION 2 of that history. ELIZA died July 11, 1885 near Meadowview, Washington Co, VA and is buried in the Hockett Cem, Washington Co, VA. The cemetery is identified as Tate Cemetery on HDWH because Berry Hill Tate later owned the property. Berry married Bessie Mae Farris, granddaughter of ISAAC HOCKETT, the earlier property owner. See HOCKETT HISTORY for additional information on their life and children.
ELIZA ARNETT is a direct ancestor and will be presented individually, however, the discussion here has been abbreviated since she and her marriage to ISAAC HOCKETT are covered in greater detail in HOCKETT HISTORY. She was identified in the preceding CHAPTER 1 as the seventh child of DANIEL ARNETT and ELIZABETH McNEW.

7. ELIZA ARNETT:
   Born: May 27, 1815 in Washington Co, VA
   Married: ISAAC HOCKETT circa 1835
   Died: July 11, 1885 in Meadowview, Washington Co, VA
   Buried: Isaac Hockett (or Tate) Cemetery, Washington Co, VA

ISAAC HOCKETT:
   Born: Dec 10, 1812 at Meadowview, Washington Co, VA
   Died: June 7, 1882 at Meadowview, Washington Co, VA
   Buried: Isaac Hockett (or Tate) Cemetery, Washington Co, VA

ELIZA ARNETT was born May 27, 1815 in Washington Co, VA the last of seven children of DANIEL ARNETT and his wife, ELIZABETH McNEW. Her mother died c1816 when ELIZA was about a year old and her father died in late 1818 when she was three years old. She had one sister, Alcey, who was 14 when her father died and five brothers that, at the time, ranged in age from 13 to about 4 years old. It is not known who might have cared for the children after their parents died.

Although no marriage record has been found, ELIZA ARNETT and ISAAC HOCKETT were married circa 1835, likely in Washington Co, VA. The marriage records for Washington County from 1820 to 1853 are very incomplete.

ISAAC and ELIZA became Washington County farmers on 275 acres in the Meadowview area which is located about eight miles northeast of Abingdon, the county seat of Washington County. All eleven of their children, four daughters and seven sons, were born on this Meadowview farm. Ten of these children grew into adulthood; their last son, Milton Hockett, died as an infant.

On Apr 27, 1880 ISAAC HOCKETT made his last will and testament, leaving all his land and personal property to his wife, ELIZA ARNETT HOCKETT, and after her death to their son, Thomas M. Hockett, and daughter, Sarah Jane Hockett. He gave to

each of his eight other children (which he named, including JOHN HOCKETT) a $60 debt due him from JOHN HOCKETT, his son. ISAAC died June 7, 1882. He is buried on his farm in the Hockett Cemetery (also known now as the Tate Cemetery because Berry Hill Tate, husband of Bessie Mae Farris, granddaughter of ISAAC HOCKETT owned the farm from about 1915 until 1970). The cemetery is located north of Meadowview. ISAAC's will was filed for record on June 28, 1882 and is recorded in Will Book 21, pages 130-132. ELIZA ARNETT HOCKETT died July 11, 1885 and is buried near her husband in the Hockett Cemetery. She was 70 years old.

ELIZA ARNETT and ISAAC HOCKETT had the following eleven children, all of whom were born near Meadowview, Washington County, VA.

According to information given during the 1900 census, Elizabeth and Golden Crosswhite had eleven children with seven living at the time. Many descendants are still living in Washington County today. Ten of their children have been identified and discussed individually with their known descendants in HOCKETT HISTORY, CHAPTER 2. The children are listed here as a convenient reference. over within the year, his enlistment was extended. Then on Dec 28, 1862 he married Ann Eliza Fudge (b Nov 28, 1839; d Mar 7, 1883 in Hunt Co, TX; d/o Conrad Fudge and Louisa Jane Thompson). Their first child was born while JOHN was still in the Army. He remained in the Confederate Army until the war ended. He returned home and likely helped with his parents on the family farm. JOHN and Ann Eliza had eight children, all born near Meadowview, Washington Co, VA. These children and their descendants are discussed in detail in HOCKETT HISTORY, CHAPTER 3 (referenced here only). Sometime around 1879 they left Virginia and went to Collin Co, TX to the black-land farming area near McKinney. Ann Eliza died on Mar 7, 1883 at the age of 43.
