Page B-96 3) James M/A. Blankenship
Although this James M/A.'s marriage to Rachel Shannon said "s/o E. G. & Sarah," he is probably the James b. 1834, s/o Andrew Jackson & Sarah Blankenship (page 87). Luracay Garrison "aunt" (b. 1813), lived with James and Rachel in 1880. Andrew J.'s brother, William Harrison Blankenship, married Louisa Garrison. Evidence from Walter D. Blankenship of Spotsylvania, VA placed James, s/o Edmond G. as:

Page M-302 E) Tully Moseley. Pr. Anne DB 3:571 contained the 1723/4 court ordered “inventory of Tully Moseley’s part of the Estate that was given him by his grandfather Tully Emperor.” The inventory was returned by Henry Whitehurst, third husband of Mary Emperor (mother of Tully). Although the inventory did not say “Tully dec’d,” it has been interpreted as such. Julia Moseley Combs, in her book Moseley Origins and Insights (Hampstead, NC, Privately Printed, 1990), expanded what was known of Tully and concluded there was only one Tully. Henry Whitehurst, as Tully’s Gdn. (OB 3:191), sold estate articles in 1723 and held the proceeds until his death in 1726. Tully, by then age 14, chose Amos Moseley, his father’s half brother who was married to Elizabeth Emperor. (OB 3, Feb 1726)
