SOME INTERESTING FACTS ABOUT THE EARLY SPITZER FAMILY

Johann Heinrich Spitzer was born in the Wachau Region of lower Austria, along the Danube River, a few miles west of Vienna. Spitzer was originally a family of noble knights dating back to Baron Hadmar Von Spitzer 1322. Johann brought with him from Germany a small hand-made loom, used in making lace and insertion for ladies bonnets. Mrs. Weldon Myers of Virginia still has the loom.

Phillip Spitzer, son of Johann Spitzer, married Eva Holsinger of Virginia, whose father Michael Holsinger, purchased land in the Shenandoah Valley, in 1773. Michael Holsinger had little knowledge of agriculture, and paid very little attention to farming, and allow the land to fall into a very rude state. His residence for a long time was a miserable cabin, and there were no other buildings of value. When he chose to labor it was in basket making and flax breaking. The only property he owned was the land and two indifferent horses, two cows, two heifers, and a few sheep and hogs. His few farming utensils were of a wretched description and his household furniture scanty and miserable. There is not a chair, cupboard or chest in the house, and the plates and dishes were of earthen and pewter.

On the 7th of March, 1800, Michael Holsinger made an arrangement with such of his sons that had attained full age, by which he would be relieved from the cultivation and management of the land, and at the same time provisions would be made for the maintenance of himself and wife during his life, and for her maintenance after his death. The three older sons would have title to the land and they in turn would pay the remaining brothers and sisters 50 pounds each.

The Holsinger house (log) had a secret cellar and secret underground passage to a spring escape hatch if penned in by Indians. The wall was very thick with small windows.

Several springs, the ones that supply Michael M. Barber with water, still flow profusely with cool bubbling water. Now by means of tank trucks, water from the springs is supplied to numerous homes in the valley by Robert Holsinger, son of Carlson and Vada, and the seventh generation to live on this place.

Michael Holsinger served in the Revolutionary War, from Augusta County 1776-1778, under Capt. Ruben Harrison. Then Rockingham County was formed in 1778, and he served under Joseph Harrison. Three stars appear after his name on the muster roll in 1778. The meaning of the stars is not known.

"Spitzer Chair"

William or "Uncle Billiy" as he was called by friends and neighbors, was the originator of the "Spitzer Chair". His son, Cosmus and his grandson, Berlin, carried on the trade. The whole chair was made and put together without pins or pegs or nails. Hickory was used for the whole chair, rungs and all. The wood was cut allowed to dry a certain length of time and then holes were bored and rungs put into them. When they dried, you could not pull them apart and today after 100 years, old chairs will not come apart. They were single splint bottom chairs and some of the original chairs are still in use.

Eli Spitzer II  
(1837-1920)  

"In the spring of 1858 Eli moved to Ray County Missouri and settled three miles north of Morton. At the breaking out of the civil war he joined the militia at Richmond, then enlisted in the regular service of the Fourth Missouri, and participated in a number of the most important engagements of the four year struggle. At the close of the war he returned to his Ray County home and in the fall was married to Harriett Rader. Mr. Spitzer is numbered among the country's most industrious and successful farmers and his friends are legion. In politics he is a Republican. Mr. Spitzer has owned several farms in Ray County.

Later in life Eli and Harriett moved to Colorado. This was probably after or during the same time that his sons Sylvester and Luther filed on a homestead West of Wiley, Colorado."

He married **Anna Maria Catharina Haussrrath** 12 Sep 1741 in Zuzenhausen, Neckargemund, Germany. She was born 1718 in Zuzenhausen, Germany, and died Aft. 1787.

Notes for Johann Heinrich "John Henry" Spitzer I:
Passenger List: 26 Sep 1764 in Britannia, Capt T. Arnot. from Rotterdam. Immigration: 26 Sep 1764 in Philadelphia, PA w/wife, & 7 children. On April 11, 1764 Zuzenhausen, Reignfaltz, Germany. Johann Heinrich Spitzer bought himself free from servitude, has paid his emigration fee to America and disposed of his possession. He and his family are leaving for the new world. One German historian told us that Germany was made up at that time of several principalities and that the Mayor of Burgemaster, whichever the head of the principality was called was paid a fee (tax) and that this was what Henry appears to have paid along with his emigration fee before he and his family left for America (Source: State Archives at Karlsruhe, West Germany). This source also indicated Henry's father was also Henrich, deceased? September 26, 1764. Johann Heinrich Spitzer and his family arrived at Philadelphia, PA from Rotterdam, Holland, on the "Brittania." Johann Heinrich and Johann Andreas Spitzer were listed on the passenger list arriving in Philadelphia 26 Sep 1764. There were 260 passengers on the Britannia and 112 males signed the Oath of Allegiance, leaving 148 of these passengers to be women and children. They settled in Lancaster County, PA. Some of the family later migrated to Shenandoah County and Rockingham County, VA. Records of the 1st Reformed Church in Lancaster, PA indicated Henry Spitzer died there on 21 Apr 1793, aged 79 yrs, 11 mo. 7 days which made him born 14 May 1713/14 in Germany. No one disputes the fact that Henry was born in Germany, although one source states he was born on the lower Danube a few miles west of Vienna and that his ancestors were Jewish Ostrogoths. Heinrich and Catherine Spitzer were sponsors to the children of John George Schoeppe and wife, Susanna Maria. Cathrine's name was Catherine Maria and part of the time she is shown as grandmother which leads one to believe that Susannah Maria Schoeppe was a Spitzer. There was also a Nicholas Gerlock and wife Anna Sophia who's children Henry and Maria Catherine Spitzer were sponsors for as grandparents.

Notes for Peter Cook:
George,
That would be so wonderful to burn a CD for me. Here is our connection to the SPITZER line:

Peter COOK
b. between 1777-1795 in Rockingham County VA
d. after 1870
married on June 25, 1849 in Rockingham County VA
Martha Elizabeth SPITZER
b. June 5, 1813 in Rockingham County VA
d. April 17, 1877
Peter had a child William b. between 1825-1831 who was probably from his first marriage to Sarah Sally GOOD on March 3, 1818 in Rockingham County VA
I have no other information on Sarah GOOD

I also have Catherine SPITZER b. Nov. 3, 1830, marrying John James TAMKIN. TAMKIN's married into the COOK line also.

The other person I am in contact with belongs with the DEAVER/HIGGS line that married into my COOK line.

The farthest back I can get my COOK line is: Peter COOK unknown birth, death or marriage dates, who married Polly MAY and their only child I know of is Peter COOK who married Martha Elizabeth SPITZER. If you have any information on the COOK's farther back, I would love to have it.

My address:

Jean,
Could you remind me (if you haven't already), where you fit into the
Spitzer Cook connection.
Probably the easiest way for me to share my Spitzer information with you
would be to burn it to a CD and snail mail it to you or to try and attach it
as a file to an email. I have it in Family Tree Maker, but can save it in a
"ged.com" file format. Let me know, what would work best.

The Bowman family records have them moving to Missouri immediately after their marriage in 1828. But according to the 1850 Census the family is still living in Rockingham, Virginia with five children. According to notes of Tally Myers, Joel & Magdalena lived in Rockingham County, VA until June 18, 1849, when they sold their land to Abram Hoover and then move to Ray County, MO the following year would be 1850. They settled 3 miles north of Morton, MO. --Harry Spitzer book on Spitzer

"Migrations to Missouri"
"Our records show that the Joel Spitzer family, members of the Van Trump family, William C. Rader, and Harvey Showalter also were listed in the 1860 Ray County census. These families clearly arrived in the same time period as the above-mentioned families, perhaps even earlier. Joel Spitzer and John C. Van Trump were in Crooked River TWP, William C. Rader, Josiah Van Trump, and Harvey Showalter (living with David Bowman) were in Grape Grove TWP. We note that Harvey Showalter, age 21 in the 1860 census, was the nephew of Ann Showalter, wife of David B. Bowman. Also, William C. Rader was age 25, and we have evidence that his old brother John H. Rader was in Ray County in 1863. They may have arrived together. This pattern of migration

Thanks to a cousin of mine, I have been checking out your website. Ida Francis Spitzer, daughter of George and Margaret Estep Spitzer, was my step-grandmother. According to your info, her birthday was I believe in Feb. I have her death certificate that says her birthday is June 1885 and she died 17 May 1955 in Los Angeles, CA. I'm wondering if you would have any clue as to how she ended up in CA. She was born in Hawkins Co. TN and when she married my grandfather they moved to Elizabethtown,TN. Notes for William Henry Spitzer:

**SPITZER CHAIR**

William or "Uncle Billy" as he was called by friends and neighbors, was the originator of the "Spitzer Chair". His son, Cosmus and his grandson, Berlin, carried on the trade. The whole chair was made and put together without pins or pegs or nails. Hickory was used for the whole chair, rungs and all. The wood was cut and allowed to dry a certain length of time and then holes were bored and rungs put into them. When they dried, you could not pull them apart and today after 100 years, old chairs will not come apart. They were single splint bottom chairs and some of the original chairs are still in use.

Hello George

My name is Floyd Coppersmith and I was searching for family members and came across your page. You do good work. Dorothy Dolly Spitzer and Thomas Moore were my Great, Great Grandparents. Their son, Isaac Moore, was my grandmothers father. Her name was Elizabeth Lee Moore. She married Daniel J. Fink. Would you happen to have any info you would care to share.

This is a photo of Sarah Robinson Moore and Issac Moore I thought you like to have for your records.

(Picture attached: see "Scrapbook of Sarah Robinson Moore and Issac Moore")

As you can see they were of the Brethren Faith.

Must close for now, Thanks in advance.

Floyd

Notes for Eli Spitzer II:
The following excerpt was taken form the Richmond, Missouri, Thursday, February 12, 1903, Number 40, "In the spiring of 1858 Eli moved to Ray county, Missouri, and settled three miles north of Morton. At the breaking out of the civil war he joined the militia at Richmond, then enlisted in the regular service of the Fourth Missouri, and participated in a number of the most important engagements of the four year's struggle. At the close of the war he returned to his Ray county home and in the fall was married to Harriet Rader. Mr. Spitzer is numbered among the county's most industrious and successful farmers and his friends are legion. In politics he is a Republican. Mr. Spitzer has owned several farms in Ray county."

Later in life Eli and Harriet moved to Colorado. This was probably after or during the same time that his sons Sylvester and Luther filed on a homestead West of Wiley, Co.

Notes for Harriet Jefferson Rader:
"I was born September 10, 1840; and lived near here until I was four years old. I am the daughter of David and Agnes Rader."
"The day before election (Ray Co., MO., 1844) father loaded up his farm wagon and was bound for Texas. He stopped at the precinct to vote... Now they generally say going to the 'polls' to vote... My curiosity was
aroused; I wanted to know what sort of a "pole" that was. Father was provoked over me being so inquisitive over the pole. That night, before we took our final start for Texas, some bad fellows got some black paint and put in great big letters on the wagon sheet... the full length of it. "Pok Salice Hel and Texas". I saw the letters but did not know what they meant; and when we passed by the houses, the people would come to their doors and begin to read; and they would have the biggest grin any one ever saw.

"We were joined by two other families and started on the route to Texas. In our travels we had to cross some mountains--and we got out to walk; and Father got into the wagon to get something to eat... the horses started off; and gather grabbed the liens and pulled on the wrong line; and down the mountain they went; and his horses were crippled so badly they had to get a yoke of oxen to finish our journey... We lived there for then years.

"Then Father went to California, to the gold mines and was there for a while and took sick and died. Then mother, and her brother, Ben Titus (Sites) went to Old Virginia, their native land, in 1845 (1855). We traveled by water, and our first boat was called the "Teasconsia"; and the next, was the Packet; and the other was "Cleanonia". We traveled to Wheeling, Virginia; then by rail until Mother got to her Parents, where she died in 1865.

"My brother and I came to Missouri in 1866, where I was married to Eli Spitzer, Dec 13, 1866. Brother (Cortes L. Rader) went back to Texas and got married.

"This ends my travels--and let me tell you, friends, that they were impressed on my mind so that I never forgot it."

Hatcher's Run, Va., Feb. 5-7, 1865.

2nd, 5th, 6th and 9th Army Corps, and 2nd Cavalry Division,
Army of the Potomac.

Gen. U. S. Grant, commanding the Federal forces about
Petersburg, learned that the Confederates were receiving
supplies by means of wagon trains from Hicksford on the Weldon
railroad, via of Dinwiddie Court House over the Boydton plank
road, and decided to break up this line of supply.
Brig.-Gen. J. J. Gregg, commanding the and cavalry division, was ordered to move with his command at 3 a.m. on the 5th and endeavor to intercept the trains. Maj.-Gen. G. K. Warren was directed to cross Hatcher's run with the 5th corps and take position on the Vaughan road about half-way between the run and Dinwiddie Court House, where he was to support Gregg. Maj.-Gen. A. A. Humphreys, commanding the and corps, was ordered to seize and hold the crossings of Hatcher's run on the Vaughan road and at Armstrong's mill, about a mile and a half farther west.

Mott's division took possession of the Vaughan road after a slight skirmish, and Smyth's took position at Armstrong's. Lee had gained information of the movement against his right and had sent part of Hill's and Gordon's corps to protect the Boydton road. These forces had thrown up a line of works near the Thompson house, and Smyth's center was directly opposite these new works, which were only about half a mile distant.

Communication was opened with Warren and Humphrey brought up Ramsey's brigade of Miles' division to fill the gap between Smyth and Mott's advance brigade (McAllister's), in order to be prepared for an attack should one be made. The enemy had a battery in position to enfilade the road leading to Armstrong's mill, and about 4 p.m. it opened fire, but receiving no reply the firing soon ceased.

A little after 5 o'clock a heavy column of infantry advanced under cover of a heavy artillery fire against Smyth's right, and at the same time another column emerged from the woods near the Thompson house, evidently with a view of attacking Smyth in flank and rear. This column was promptly met by McAllister and Ramsey and driven back to the intrenchments. This timely action enabled Smyth to repulse the attack in his front, though the enemy's artillery kept up the fire until about 7 o'clock, but without doing any serious damage.

In the meantime Gregg had captured a few wagons and prisoners, but had discovered that the Boydton road was used but little in the transportation of supplies. He was therefore ordered to the Vaughan road crossing, and Warren was also directed to move his command to the same point. Gen. Meade, upon learning that the enemy was in force along Hatcher's run, ordered Hartranft's division of the 9th corps and Wheaton's of the 6th to report to Humphreys.

Both divisions arrived during the night of the 5th and were placed on the right of the 2nd corps. About 1 p.m. on the 6th Warren sent Crawford's division on a reconnaissance on the Dabney Mill road, his left supported by Ayres' division and Gregg's cavalry. Gregg was furiously attacked by part of Pegram's division, but Griffin, who had been held in reserve, came to the assistance of the cavalry and the enemy was driven back.

Crawford encountered the remainder of Pegram's command and
forced it back to Dabney's mill, where the enemy was reinforced by part of Gordon's corps, which threatened to turn Crawford's left. Ayres hurried two of his brigades to Crawford's support, but the Confederates were further reinforced by Mahone's division and their whole line advanced, forcing Warren back rapidly and in some confusion but with small loss.

As the line fell back it came upon Wheaton's division of the 6th corps, advancing in line of battle, the retreat was checked, the line reformed and the enemy forced to retire to his works. About 10 a.m. on the 7th Crawford moved out from the right of the 5th corps near Armstrong's mill and attacked the enemy, Baxter's brigade driving the pickets from the intrenched line where they had been found the preceding day.

Two brigades of Wheaton's division were then sent forward to protect Crawford's flanks and at 6 p.m. he again attacked, drove the Confederates back to their line near Dabney's mill, and regained a good portion of the field from which the Union troops had been driven the day before, after which the Federal intrenchments were extended to the crossing of the Vaughan road over Hatcher's run.

The Union loss in the several actions was 171 killed, 1,181 wounded and 187 missing. Exact figures of the enemy's losses are hard to obtain, but it was estimated about the same, Gen. Pegram being among the killed.

Notes for Garland Oliver:
Hi, I saw your site (Chathams-Spitizers-Hudsons-Wisners and related families). You didn't know what Oliver Annie was married to. His name was Claude W. Oliver. You mentioned their children as Woodrow OLIVER, Constance OLIVER, and Courtney OLIVER. I just wanted to let you know that there was another child named Garland Oliver. There might even be more children. I will have to get back to on that. Also, I believe that Claude Oliver and his wife Annie Spitzer were the God parents of Judge Harry Carrico. He is a retired judge of the appellate court in Richmond, VA. I am currently helping some with their Oliver Spitzer family history. I believe that she is the granddaughter of Garland Oliver, and as I mentioned above, Garland is a son of Claude Oliver and wife Annie Spitzer. I gave her your site address, so you might be hearing from her. Also, Claude and Annie are buried at the Ivy Hill Cemetery in Alexandria, VA. They are buried near Claude's parents Nathan Oliver and Luanda Holder. Garland is also buried at this cemetery. If I can be of any help, please let me know. Thank You! Bye, Robin Pine

THE WILY CHURCH OF THE BRETHREN:

The Dunkard Brethren in the Wiley-McClave area started about the year 1903 in the Star school house, 6 miles southwest of Wiley. For some reason, the congregation felt the need to split but they couldn't decide on the dividing line and whore to put the new church. After several years of discussion, they decided to make the dividing line the Graveyard stream. The Wiley church was build on C.A. Hanks lots in Wiley. A letter from S.F. Spitzer in 1938 best describes the erection of the new church. The following is a direct quote from his letter.

"Jno. Sarah had put in the foundation and was finishing the rostrum when I began work. Ed Pierson was "Boss" on the brickwork and hired a young man by the name of Ladd from off "the dry land." Pierson had no contract nor did Ladd. They received $5.00 per day for their labor. Martindale was "Boss" over all. "Mudmixer" was Amos Smith from Lamar, myself hod carrier or brick man.

"It was a cold hard winter, one morning so cold that I told Will Hildabidle I was going out home that I knew something was wrong--I got as far as the hay mill where he caught up with me and made me go back, good thing he did or I would have froze. Next day a neighbor came in town--I sent groceries and coal home, when he got there they were just ready to burn the chairs and bedstead to keep warm, and the house and fence could not be seen for the storm.

"It was so cold we could not work much, had to use salt and sacks to keep mortar from freezing, stacked all brick facing and backs together--and I had to separate it. When the weather was better work started again. Everyone who worked donated $10 cash besides a lot of labor.

"Brother Ladd put some pennies above the front entrance--four bricks up and north, he said he did this so the church would never be "broke" and he offered a little prayer that the Lord would bless it. I can yet see myself carrying those bricks with a prayer as we laid them one by one and with a song in our ears "For Christ and the Church Let Our Choices Ring."

"Before we got the roof on, I scooped the snow out three times, and in places it was ten feet deep! But we kept on until we finished in the spring. As I remember it, Brother W.Q. S. Ellenberger donated the three lots and $1000 to start with and $300 more at dedication. Brother William E. Hildabidle was the carpenter and he made the stand (pulpit) on the rostrum as a gift to the church." S. F. Spitzer

Dedication services for the new church were held on June 9, 1912. They started the day with Sunday School at ten o'clock a.m. The dedication service followed the Sunday School service at eleven o'clock a.m. After the dedication, lunch was served in the basement and a good fellowship was enjoyed. The cost of the new church was $12,000.00 besides the donated labor, material and lots.

"At one time, this church was called "one of the most aggressive churches in the Brotherhood." The organ was dedicated April 3, 1955, a gift donated by the Ulom family in memory of their parents, Elder Home and Laura Ulom, the parsonage was built after the organ was dedicated.

Fisherman's Prayer: (Poem printed in Funeral Folder)
I pray that I may live to fish
until my dying day
and when it comes to my last cast
I, then most humbly pray
when in the Lord's great landing net
and peacefully asleep
That in His mercy
I be judged
Big Enough to keep.

Notes for Mary Marie Spitzer:
**OBITUARY OF MARY MARIE CHATHAM** written by George Chatham

Mary Marie Chatham was born May 14, 1925 to Eli Spitzer and Eva Colburn in McClave, Colorado. She passed away August 18, 2001 in the South East Colorado Long-term Care Center after a short battle with brain cancer.

She grew up in the McClave and Wiley, Colorado area going to school in McClave where she graduated from high school. Mary's mother, Eva Spitzer, died when Mary was 16 years old. Because Mary was the oldest daughter of the family, many of the household duties and helping raise her younger brothers and sisters, fell on her shoulders. After High School Mary worked as a Nurse's aid in the Lamar Sacred Heart Hospital, where she met Vernon through some behind the scenes maneuvering of Vernon's brother and sisters. Vernon was just back from the war and they married January 5, 1947. They were married in Lamar, Colorado. To that union were born three children.

Mary spent most of her early married life raising her children and being a farm wife. She always raised a large garden, canning hundred of quarts of garden produce every year, along with milking several cows and helping watch and care for the livestock. After the children were in high school and away from home, Mary worked as a nurse's aid in the Springfield hospital.

Mary was raised in the Brethren Church in Wiley. Soon after Vernon and Mary's marriage, they began attending the Springfield Church of God, where, through the years, Mary has served in many different offices and responsibilities, particularly with the Women of the Church of God.

Mary and Vernon were actively involved in 4-H with the children. In 1997 Mary in memory of her and Vernon's
work in the 4-H, received the "Honorary 4-H Members" of the year. Mary was also a Member of the Big Rock S & C Club and the Springfield Pans & Needles Extension Homemaker's Club. In her later years she volunteered many hours reading and helping in the nursing home.

Mary was preceded in death by her husband, Vernon; her parents, Eli and Eva (Colebourn) Spitzer; two brothers, Lloyd and Robert. She is survived by two sons, George (Laura) of Fort Wayne, In., Paul (Liz) of Springfield, and one daughter, Ilene (Louis) Anderson of Brighton, Co. She is also survived by 8 brothers and sisters: Harold (Ruth) of Richmond, IN, Edwin, of Lamar. Thelma Schibblehurst or Lamar, Lola McElroy of McClave, Clyde (Pat) of Wiley, Richard of Oregon, Harry (Flossie) of Wiley and Norma of Farmington, NM; plus nine grandchildren: Benjamin, Sarah, Luella, Derek, Stephanie, Linda, Ivan, LaDonna, Isaac; and three great-grand children: Kartryne, Gwyneth, and Bridig.

Notes for Vernon Ira Chatham:
VERNON CHATHAM FAMILY HISTORY:
"I have always been a part of Baca County. I was born June 13, 1921, on my Dad's homestead, eight miles north and 2 1/2 miles west of Springfield.

"When I was almost three years old, my parents, Fred and Ethal, moved their family to Uncle Elmer Chatham's homestead, 1 1/2 miles southeast. I lived there until Uncle Sam called me to serve in the army in September, 1942.

"I went all eight grades to the North Liberty School. Some of my teachers were Mary Burton, Allie Gold, Dorothy Decker, Mrs. Mitchell and Funice Newland. My brothers and sisters and I walked or rode horseback the 1 1/2 miles to school.

"After graduating (8th grade), my brothers and I drove the school bus for North Liberty School. The school bus was either Dad's car or my brother's car. During the summer, I worked for Mr. Skinner. Newt Arbuthnot and other neighbors.

"After serving the army in South Africa, Italy and Germany, I came back to Baca County in September, 1945. I went into farming and raising registered Polled Herefords with my dad. I also helped my brother, Ray, in Chatham's Garage & Welding. After Ray's death, I took over management of the garage along with farming.

"My wife, Mary, grew up in the Wiley and McClave, Colorado, areas. Her parents were Eli and Eva (Coleburn) Spitzer. Mary was working at the hospital in Lamar with my sisters at the time we met.

"We were married nine months later and moved in with my brother, Ray, on Dad's homestead. Two years later, Mary and I and our small son moved back to Uncle Elmer's homestead, the place we now own. The sod house that Uncle Elmer laid up as his second home is still standing. Our children knew it as their home. We have since moved into a mobile home.

"We have three wonderful children, George Marion, Ilene Fay and Paul Wayne. George and his wife, along with Ilene and her husband have entered the ministry in the Church of God. Paul and his wife have decided to stay on the farm and follow my footsteps by farming, raising cattle and doing mechanic and welding work. We have five (they have 9 grand children as of 1994 -- GMC) beautiful grandchildren who we dearly love to spoil.

"After raising our children, I continue to farm and do odd jobs while Mary went back to nursing for a time, the work she loves. She now pursues her hobbies of gardening, crocheting and quilting.

"Mary and I attend the Church of God where we have learned to love the Lord and his people.

--Vernon Chatham

(History Written for the Baca County History book, I believe it to have been written sometime after 1978. It was written before they moved from Elmer Chatham's homestead to a 3 or 4 acre place about 1 mile NE of Elmer's homestead. The place is located 5 or 6 hundred yards south of the "8 mile road" on the right hand side of the 2 mile road going west.] GMC
"Daddy said to tell you that in the Dust Bowl days, He and his brothers kept a tractor running night and day listing, to try and control blowing dirt. A lot of land that they listed was land that had been deserted by Tenants and landowners. They could get $5.50 an acre if you turned it in to the Agriculture Conservation Service. During the Dust Bowl days, a lot of people lost their ground because they couldn't pay taxes or couldn't make payments on land." --Mary Spitzer Chatham in a letter (no date) but believed to have been written in 1990-91 when Ben or Sarah Chatham were doing a family history in Middle school at Grand Rapids, MN. Eulogy for Vernon Chatham

by
George Chatham, His Oldest Son

Although our Dad worked hard all his life as a Rancher and Farmer and that is a very rich part of our heritage that we are all proud of, Dad was more than a Rancher and Farmer. Livestock, buildings, and ultimately the land will pass away, put hopefully what my Dad produced in us his Children and Grand Children, will not pass away. The real lasting heritage of my Dad was his character and the character he and Mom help to reproduce in us his children. In this day and age in which character and integrity is so often lost, my Dad was the most honest and real person I have ever known. He was never two faced with anyone. What you saw was what you got. If he gave you his word, he kept his word.

The most important person in the world was Jesus Christ to my Dad. His favorite verse in the Bible was Matthew 6:33 “But seek first his kingdom and his righteousness, and all these things will be given to you as well.” My Dad didn’t just claim those words, he lived out those words in his priorities of life. Thus, Church was more important that finishing the field on Wednesday evening or getting the harvest in on Sunday. As a result the lasting legacy of my Dad, will not be the few humble material things he left behind, but the eternal kingdom he

invested all his life in. Although we all will miss him terribly, this day is not a day of hopelessness, but a day of celebration. We now have someone up in heaven, cheering us on to that great day when we all can be together again.

GOLDS:
Roy Gold moved to Lamar, CO in the early 1950s where he took up residency on South 2nd Street after selling off his property in Baca Co. At that time he was single and had an extensive collection of rocks and Indian artifacts. He, my mother and a number of other people would go arrowhead hunting in Prowers and Baca Co. In addition to his brother Bob (who lived next to us there in Lamar) he also had a sister, Susie Pruitt (husband Ira) who lived in Springfield and another sister Ella Gold, who lived in Canyon City, CO. I know both Susie and Ella are deceased. I don't recall him ever mentioning any children although he loved kids. He had a number of swings in his backyard where kids could always be found. He died in the late 1960s and is buried at Fairmount Cemetery there in Lamar. Hope this helps. --Dick McCloughan

BIG ROCK 4-H NEWS: --Plainsman Herald (Thu. Sept 19, 1957)

The Big Rock 4-H club meeting was called to order Sept. 12 by the vice president, Bobby Wilson.

Norman Barker gave an interesting report on his crop projects and ribbons he won at the county fair. Sharon Bamber told about her home furnishings project. She also go a blue ribbon at the fair for her waste paper basket.

Anita Van Campen reported on her trip to Fort Collins. Her report was very interesting.

Two new members, George Chatham and Ralph Bamber, joined out group and there are four or five more prospective members in our neighborhood. We hope to have a larger club this year than ever before.

We voted to finish our sign and get it up in the near future. We elected officers and Dick Baliou is our new president.

Married in Clearwater County, Orofino Idaho in the First Church of God by Rev. Oliver Bittleston, June 14, 1970. George Marion Chatham of Springfield Baca County Colorado was 22 years old. Laura Mae Hudson of Lewiston Nez Perce Idaho was 20 years old. Her birth place is listed as Orofino, Idaho. Both were white and single when married. Cleota Rae Skaggs & Dave Odgen were witnesses. Marriage License recorded in Nez Perce County, Lewiston, Idaho. County File No. 344475 --Marriage License

Laura and George met at Warner Pacific College in Portland, Oregon, where they both were attending college. George was a Junior in college when Laura came. They dated for about 1 1/2 years, and were married a week following George's graduation from college. They lived a year in Portland after George's graduation from college in a little house behind the "Powell Villa" (which no longer exists)

Laura & George moved in 1971 to Anderson, Indiana for George to attend seminary at The School of Theology of Anderson University. They worked as house parents in the Anderson Girls home. After a year there they moved briefly into an apartment on High Street and then to a house belonging to the North Anderson Church of God on Broadway next to Art's Pizza. They worked as Janitors at the North Anderson Church of God.

George graduated from Seminary in June, 1974 and Laura (now pregnant) & George took their first pastorate in Trenton, Nebraska that same month. Trenton, Nebraska is located in NW Nebraska and was a small town of 420 people. The church had about 50 people. The area was made up of farming and ranching. The family stayed in Trenton, Nebraska until April, 1979. Both Ben (born January 12, 1975) and Sarah (born December 26, 1977) were born in McCook, Nebraska in Red Willow County.

The family moved to Bertha, Minnesota in April, 1978 where George took his second pastorate at the First Church of God in Bertha. Bertha was a dairy farming community. The Church was about 100 people. Both Ben and Sarah started school in Bertha. We stayed in Bertha until the end of December, 1986.

During the Christmas vacation, January, 1987, the family moved to LaJunta, Colorado located on the Arkansas River in SE Colorado. Here George took a small state supported Church to try and get it re-started. Ben attended the Middle school in LaJunta and Sarah attended the Columbia elementary school. While there Ben broke his leg snow tubing January 10, 1988. He spent 6 weeks in traction in the hospital; another 6 weeks in a body cast at home; and another 6 weeks on crutches recuperating. The Church situation was not good and George resigned the end of September, 1988. Without another church to go to and with kids in school; George continue to drive school bus and found a job as a counselor at the Colorado Boy's Ranch, and Laura worked as LPN at the Arkansas Valley Medical Center.

A call came from the Grand Rapids First Church of God in Minnesota to see if we might be willing to come and Pastor the church there. After candidataing in November, the family moved in January, 1989. George continued to Pastor the Church there. Laura worked as a clinic nurse at the Itasca Clinic. Both Ben and Sarah graduated from High School in Grand Rapids. George & Laura continued to live in Grand Rapids, Minnesota for 10 years until June, 1999 when George resigned the Church.

The first Sunday in July, 1999 George took the Pastorate of the Tillman Road Church of God in Fort Wayne, Indiana. They bought a home in the Trier Ridge addition on the south Side of Fort Wayne a couple blocks from the Church. --GMC 4/2000

ABOUT LINDA
In the early part of June, Mom and I were taking a walk. While on our walk, my mom asked me if I would be willing to e-mail a young man that my Uncle Jacob and Aunt Jenn knew. I was indeed shocked that a guy of any sort would want to e-mail me, but I decided to do it. I wondered what would happen, but I knew that God was in control of the matter. This guy would have to write me first though.

After waiting until July, I felt that this guy was not going to write. It had been long. Not until I returned from my week of cooking at church camp did I receive an e-mail from Sam Marlowe. It was short and to the point, but it was also friendly. Not wanting to seem over anxious, I waited a few days until I returned Sam's e-mail.

ABOUT SAM
In March of 2000, Sam Marlowe went to North Carolina to visit some good friends, Jacob and Jenn Barkman, for Spring Break. It was his senior year at Moody Aviation, and there was not a girl in sight in his life.

While he was at the Barkman's home, Jenn asked Sam about his "love life." He replied that it was nonexistent. Jenn began talking to him about one of her nieces. Linda had grown up in Colorado and was going to school in Iowa. Jenn also mentioned that Linda had red hair. This pleased Sam very much because he loved red hair. After some discussion, Sam asked if it would be okay if Linda, and he could write back and forth maybe.

Jenn and Jacob prayed about the possibility of Sam and Linda e-mailing each other. After praying about it for about three months, they made their decision. They e-mailed Linda's parents to see if it would be possible.

HOW WE MET
After that first e-mail, we continued to write each other. Most of the time, it was short "I'm praying for you" letters. Through time, our friendship grew and then came love all bathed in prayers by many.

We had been writing for almost ten months before they met. It just so happened to be a special occasion at my (Linda's) school. It was Spring Banquet. It was a very wonderful time for us because that weekend, we defined our relationship. It was decided that we would take the next step in our relationship and begin dating.
We continued writing and looked forward to each time we could see each other again. In August when Sam came to Springfield to meet my family, Sam also asked Dad if he could have permission to marry him. Dad granted this, but gave him a hard time too.

WHEN WE GOT ENGAGED
November 22, 2001

HOW IT HAPPENED
I (Linda) flew to TN for Thanksgiving. I was really excited because it had been since August since Sam and I had seen each other.

Oh Thanksgiving Day morning, we took a walk to the river that was near Sam's apartment. It was a very pleasant walk, and the weather was beautiful. There was a path, and we walked and talked about different things all the while enjoying each other's company.

At one certain spot by the river, there was a rock. Sam suggested that we sit and have our devotions there. I agreed because it was a beautiful spot. Sam opened his Bible. While doing so, he said that he was not going to be reading from Proverbs like we had been doing individually for quite some time. Instead, he was going to read something else. He started reading from Ephesians 5:22-33. While Sam was reading, I began to get very nervous. I thought I knew what was coming next because this was a passage talking about husband and wife.

After completing the passage, Sam prayed. Then we sat there by the river for a bit. Sam reached below and in front of the rock and pulled out a poster tube. I was very puzzled by this, but Sam opened the lid and pulled out two roses. One was read and the other was yellow tied with a gold ribbon. He knelt down by the rock and asked in a quivery voice, "Linda, will you marry me and be my wife?" Very pleasantly shocked, I finally got the word "Yes!" out of my mouth. Sam placed the engagement ring on my finger, and there on the rock, our first kiss was shared.
