INTRODUCTION

The following genealogy of the Wall-Walls families of Casey and Lincoln Cos., Kentucky and their descendants throughout the United States is a culmination of more than 45 years of research and correspondence. This task began as early as a short history of my own immediate Wall family in 1962 based upon the reminiscences of my mother Eula (Wade) Brenneman. By 1966, I sent mimeographed copies of an updated version which included original research to my cousins. Between that time and 1974, I had accumulated enough material for a larger family history. It contained as much as I knew then about the descendants of Jacob Wall Sr. of Culpeper Co., Va. and Casey Co., Ky.

In 1984, I retyped this compilation with materials from Barbara Rutledge, Flossie Oakes and others titled The Wall Family History Notebook. This was a very loose informal compilation in that I typed other material to supplement it and never attempted anything more coherent. By 2000, I had retyped Jacob Wall Sr., his children and grandchildren and all that I had at that time on the descendants of Jacob Wall Jr. which I gathered for a cumulation of Walls and other early families of Casey Co. that I am related to.

I have tried to supplement previous research on Wall origins since the parentage of Jacob Wall Sr. is still unknown and other families and individuals in that area.

The opening section of this book deals specifically with Wall emigrants to the Northern Neck and Henrico Cos., Virginia. Except for entries in Cavaliers and Pioneers, very little information has been located on these individuals.

The remainder concerns individuals who appear in land and other records of the Northern Neck specifically Westmoreland, Northumberland, Richmond and Lancaster Cos., Va. specifically in the 17th and early 18th centuries. Apparently, very few owned land and did not leave wills or administrations, so it is extremely difficult to trace connections with the few individuals and fragmentary information that have been located.

For what it is worth, there were at least two earlier men with the name Isaac Wall; the name appeared later in Culpeper Co. records. The Jacob Wall who died ca. 1736 appeared only in the 1720s by virtue of a land grant, and it appears that this land was sold before his death so that heirs, if there were any, cannot be traced using records of land sales or court records.

The earliest groups in Culpeper that were there before Zachariah and his brother Jonathan appeared in transit from Maryland to North Carolina specifically were: Isaac, Francis, William and Jacob Sr. The name was also found under the spelling Walle. The exact relationships between these men are not given, but the names reappeared in the family of Jacob Wall Sr. who moved to Kentucky in 1791. I have in the main tried to limit the family of Jacob Wall Sr. to those who were given as children evidenced in marriage bonds in Kentucky or other records. I have added Winneford Wall who m. Joseph Back whom many identify as a Wall. One of the bondsmen to her marriage to Joseph Back in Kentucky was Robert Wall, a son of Jacob Sr. so this is circumstantial evidence that she may have been a daughter of Jacob Wall Sr. Then again, her identification as a Wall may be only the fact that Robert Wall was a bondman to this marriage. However a daughter was Delilah, a name used in the Reuben Wall family of Culpeper Co. who migrated to Fleming Co., Ky. Reuben Wall was also found in Culpeper Co. He was born in 1758, so was too old to be a son of Jacob Sr., and does not fit in the migration pattern of Jacob Sr.'s children who migrated first to Mercer Co., and then to Lincoln and Casey Cos., Kentucky. Nor does the William who appears early on in Culpeper Co. before migrating on to
Giles and Cabell Cos., Va. appear to be a son of Jacob Sr. He named a son Jacob which shows at least a familial relationship to the others above. The other major problem in the family of Jacob Wall Sr. is the two Patseys, one who married Thomas Shewmaker in 1797 of which Gabriel Jones, a Wall son-in-law was a bondsman, and the other one who married David Sluder in 1803 and who died in Casey Co. After 1860.

What material has been found on Walls in Culpeper and the Northern Neck does need to be revisited, and the context of the neighbors such as the Roberts and other families needs to be taken into consideration in constructing a more probable pedigree. I have included brief notes on these families mentioned as neighbors to the Wall families in Culpeper Co. and vicinity.

The intriguing question in this regard is that if Jacob Wall of Spotsylvania had any children; certainly there is nothing recorded of them in published Spotsylvania court records, or any material in Orange Co. Is it just circumstantial that there was a Jacob Wall born between say 1737 and 1743 and an older man of the same name who died in 1736? I now believe that Isaacs, Francis and Jacob Sr. were brothers, although at one time I thought that Isaac and his wife Elizabeth Waters might be the parents of Jacob Sr. Isaac and Jacob Sr. appeared about the same time; Isaac’s earliest known mention is in 1754 and Jacob Sr. appeared in French and Indian War rolls in 1758. The publications both those searched and ones published since must be scoured again for references to all Walls, and all spellings or errors in transcription must be considered. There was a Nalle family in Culpeper, but their names differ from Wall(e) names, so there appears not to be transcription or indexing errors with this name.

The next section is an account of Jacob Wall Sr., along with his known or possible children.

I have done considerable thinking concerning some early Walls which were difficult to place. William S. or F. Wall who m. Louisa Martin was one of these men. I originally had thought he might be a son of Isaac S. Wall except he was probably too old. I then placed him in the family of Jacob Jr., but Francis M. Wall was administrator of Jacob’s estate in 1840 and seemed clearly to have been the eldest son in that family. This left only a small window in the family of Francis Wall Sr. to which he probably belonged. Jacob Wall Sr.’s sons Francis Sr. and Gabriel seem to have been ancestral to most Wall descendants of Jacob Sr. in the United States at the present day. Jacob Jr.’s descendants were mainly in Missouri and Texas. The descendants of Isaac S. Wall(s) are unclear at this juncture of the long and on-going research into this group.

In this edition, I have identified many of the mysteries using census digitalized on the Internet, and then other sources and secondary materials. Some of these include Benjamin P. Wall, brother of my great-grandfather William H. Wall, and their first cousin Jeremiah J. Wall, and some descendants of both my great-grandfather and Francis M. Wall, another brother who came to Andrew Co., Mo. earlier that had not been investigated before. Such are the benefits of internet census searches as well as obituaries found on-line for second or third cousins, or other bits of information.

Thanks are due to the many individuals who contributed much information through the years, namely Barbara Rutledge (of whose 1960s compilation, I used some, although not all in this endeavor), Bill and Margaret Walls whose 1980s correspondence I drew heavily upon, the late Flossie Oakes, already mentioned, as well as Marilyn Wall, Ina Jean Gillam, Jane Moore and others, as well as more research, and to those who put questions as well as answers on various Internet forum postings and sites. I have disagreed with some and many have just repeated mistakes as the oft-repeated idea that Jacob Sr. was another son of Robert and Jane Wall of
Maryland, parents of Zachariah and Jonathan Wall. The source for the other mistake that Ann, wife of Jacob Wall Sr. was a Spilman is unknown and likewise unproven; it is probably due to the fact that Ann Wall purchased items at a sale of the estate of a Robert Spilman in Culpeper Co.

This is the last edition that I plan to disseminate. Even with the vast resources of Internet searches and census resources, there are many families both of daughters and sons that have not been further investigated. I think probably a volume three or four times the size might be in order. I plan to concentrate on Wall origins, and any other identifications that come my way, and both of these can be added to any genealogical miscellanies volumes that possibly will add additions and corrections to other cumulations that I have done.

EARLY WALL EMIGRANTS TO VIRGINIA: A SURVEY

GEORGE WALL was assigned 1200 acres in Westmoreland Co. on the south side of the Petomeck (Potomac) River on 18 May 1655 for transporting 14 persons. He was perhaps born in the late 1620s or early 1630s. C&P 1:311.

RICHARD WALL was born probably in England about 1610-1615. His name appears in Henrico Co. on 11 July 1636 and 11 July 1637. A different individual apparently was living in Northumberland Co. in 1649. The first Richard Wall was transported by Thomas Markham of Henrico Co. on 11 July 1636, and a Richard Wall (probably a different individual) was transported by Ralph Horsly on 16 Oct. 1649 to Northumberland Co. C&P 1: 45 and 60. It is likely that they are separate individuals. Yet another Richard Wall was transported by Mr. Peter Knight on 9 Oct. 1656 to Westmoreland Co. on the Potomac River C&P 1:45, 60, 185, 340.

WILLIAM WALL was transported by William Baker and was in Henrico Co. by 26 Nov. 1635. A second William Wall was transported by Edmond Scarborough (Scarborough) by 29 Sept. 1663. C&P 1:35, 425.

JOHN WALL was transported by William Clarke before 6 May 1638. A John or Jon. Wall received 300 acres of land in Charles City Co. on 20 Sept. 1639 for transport of six persons. He owned land there on 6 June 1649, and received further land later. This John may perhaps be the John known to be ancestral to the Wall family of Surry co., Va. C&P 1:50, 115, 144, 183, 232, 286, 328.

Very little is known about any of these, and outside of this John, any of the Henrico, Charles City or Westmoreland emigrants which could have been ancestral to some, if not all of the Northern Neck Wall families.

I have since located a discussion of this John Wall of Charles City Co. and the Southside and some of his descendants on-line, but this does not have any information on the Northern Neck families.

LATER WALLS OF THE NORTHERN NECK

BENJAMIN WALL was b. ca. 1630 d. ca. 1686/7 w.d. 16 Feb. 1686/7, Northumberland Co. He left children Joseph and John, and Elizabeth. He m. Ruth __, who survived him.

John Wall, son of Benjamin was b. 1680 and d. bef. 17 May 1711 (5:722) and his widow (not named) m. 2) Daniel Dunaway. Stafford Co. Overwharton parish records stated her name was Jane Wall. They had three sons Laton, Eaton and Isaac. Daniel Dunaway died on 2 Oct.
1751; Jane died on 28 Oct. 1750. Daniel Dunaway was a son of John Dunaway and Katherine Eves. Daniel had a brother Isaac Dunaway, so the name Isaac occurred already in the Dunaway family.

ISAAC WALL was b. ca. 1635 and lived in Lancaster Co., Va. He m. Jane (__) Clapham, widow of William Clapham between 11 Nov. 1672 and 10 May 1676 in Lancaster Co. Isaac Wall was chosen as guardian for Elizabeth and Jane Clapham, orphans of William Clapham, deceased on on 8 May 1678 (Virginia Colonial Abstracts 2:51, 81, 84, 162). Isaac Wall was listed in 1676, 1678 and 1679 in Lancaster Co., Va. It is not certain which William Clapham is referenced; the earlier one was m. to Jane Flower who is stated to have m. 2) Thomas Powell. William Clapham Jr. who d. 16 June 1660 in Lancaster Co. m. Elizabeth Madestard, widow of Epaphoditus Lawson, who later m. a Scotsman; Alexander Fleming. The WorldConnect site of Michael (last name not provided) on Rootsweb has much information from VCA on these Clapham families.

ISAAC WALL was listed as deceased by 19 Nov. 1690 in Northumberland Co., when Frances, widow of Isaac Wall, deceased was granted administration of her husband’s estate; by 18 Feb. 1690/1, she had remarried to John Wheeler VCA 7:521, Northumberland Co. 1678-1713. These last two men of the same name were likely to be two different individuals in differ

ISAAC WALL was listed in the Quit Rents for Northumberland Co. in 1704. He was probably identical to Isaac Wall, neighbor of Thomas Taylor who had a land grant from his father John Taylor, deceased of 200 acres in 1704 in Northumberland Co. on a branch of the Corotoman River.

JACOB WALL was born ca. 1650 and married Rebecca ____. They were of Blissland parish, New Kent Co., Va. and a known son was John Wall whose will was dated 19 Nov. 1730 and probated 26 May 1731 in Colleton Co., South Carolina. John Wall lived in St. Paul's parish there and his wife was Mary ____. JACOB WALL was born perhaps about 1675-85. Not much is known about this individual. He was granted 760 acres in Spotsylvania Co. in the fork of the Rappahannock River by the line of Robert Beverly to the patent line of William Skrien crossing Flatt Run to the land of Isaac Norman on 5 Nov. 1726. His name does not appear in previous records (Cavaliers and Pioneers 3:317). This land was sold to Robert Green of St. George Parish on 2 May 1727. Jacob Wall was in a lawsuit on 7 June 1727 in which Peirce Codey attended to give evidence for Wall and Jonathan Hood, according to Spotsylvania court records. He was listed as a planter in 1723, according to James R. Mansfield (1977) A History of Early Spotsylvania (p. 230).

Jacob Wall is mentioned in St. Mark’s parish records as late as 1736 as receiving 30 shillings from Rev. John Becket in connection with a bastard child of William Payton's housekeeper, Frances Wright. This Frances Wright was Frances Michael, widow of Thomas Wright, deceased, and daughter of Francis and Mary (__) Wright of Orange or Spotsylvania Cos. The full context of the order does not indicate whose bastard it was except it appears to be that of William Payton, churchwarden. It was unlikely to be Wall's, because he was paid, not fined the amount.
His wife was Blanche _, who was the administrator of his estate on 20 July 1736 in newly formed Orange Co. His land seems to have been in Orange Co. after its formation, according to Orange Co. land records (1:6), his land was conveyed in 1747/48 and the description was given as near Isaac Norman, an administrator of his estate. Francis Kirtley was the other administrator of his estate and the inventory was taken by James Turner, Isaac Norman and John Roberts on 6 Oct. 1736; no land was mentioned in the inventory. Note the mention of John Roberts; this family was closely associated with the Wall family in Culpeper Co. later. Francis Kirtley was the son-in-law of John Roberts, and James Turner was the son-in-law of Isaac Norman.

He had an attachment of the estate of William Watters, deceased about 1725, but the case was dismissed when he did not appear.

Blanche Wall was a witness to the will of Isaac Walters in St. George parish, Spotsylvania Co., will dated 11 June, proved 6 Dec. 1726. After Jacob’s death in 1736, she was ill and John Roberts paid for her doctor’s care, and well as caring for her with tobacco received from her according to St. Mark’s parish records.

Augustine Smith (son-in-law of Isaac Walters); Francis Kirtley, Richard Sharp, John Dinwiddie and Robert Spotswood are all mentioned briefly in connection with Jacob Wall of Spotsylvania. Jeremiah Bronaugh and Rose his wife were administrators of the estate of John Dinwiddie and Jacob Wall had debt against his estate, but this suit was dismissed.

John Cooper was deceased by 2 Dec. 1730; Katherine his widow was his administratrix. Christopher Waters was his administrator and the latter’s wife Elizabeth is a probable daughter of John Cooper. In Culpeper Co. In 1782, Abraham Cooper and Elizabeth his wife were near neighbors of Isaac Wall, Elizabeth Waters and James Murphy.

Other Watters references were William Watters d. before 25 Apr. 1726 (Spotsylvania C.O. 1:71). He was allowed one day attendance at court 2 Nov. 1725. His wife was named Elizabeth as given on 9 Mar. 1724. This and the Christopher Waters reference might be relevant to the Mrs. Elizabeth Waters who was granted land from the Fairfaxes in the 1740s in Culpeper Co.

There was no mention of any children for this couple, but court orders for both Spotsylvania and Orange Cos. need to be researched in depth.

References:
Susanna Walters, dau. of Isaac Walters is said by some to have m. Augustine Smith. Some researchers have speculated that Blanche was another daughter of Isaac Walters; this is really a speculation since she was not a legatee in Walters’ will.

WILLIAM WALLS was elderly and the court stated that he was exempted from paying the parish levy in 1757 and afterwards. No other mention of him can be found. This was in St. Mark’s parish records.

WILLIAM WALL was a witness to a deed dated 8 May 1702 between Robert Halsey of Farnham Parish Essex Co., Va., tanner and Thomas Johnson, planter. Fleet 1:110. (perhaps he was a relative or father of the following James Wall).

JAMES WALL had wife Mary, and lived in Essex Co. William Roberts Jr. of King and Queen Co. was bound out to them according to the will of William Roberts Sr. in Essex Co.
probated 17 Dec. 1728. James Wall was an executor of the will of William Roberts Sr. No further trace of these individuals has been found. However, given the association in Culpeper Co. of members of the Roberts and Wall families, this is probably very relevant. James Walls, perhaps this individual,

Relevant also to this is the mention of James Wall, as a "loving friend" of John Bates Jr. of Essex Co. whose will was dated on 30 Dec. 1733 and probated 19 Feb. 1733/34. James Wall was given 225 acres in Spotsylvania Co., Va. Other legatees of Bates were Henry Nance Motley, son of Bates' sister Mary Motley who was given 373 acres, also in Spotsylvania Co., and William Motley, son of Bates' other sister Elizabeth who was given 375 acres, also in the same county. Further research has not been done in Spotsylvania on this Motley land. The only Wall at this time in Spotsylvania Co. was Jacob Wall.

There was a will for another James Wall in the 1760s also in Essex Co. and also a will for his wife Dorothy, but nothing further is known on this couple or if they were in any way related to the previously mentioned James Wall.

She was deceased before 28 July 1785 when he m. 2) Anna Bohannon Smith in Culpeper Co. Research needs to be done in Orange and Culpeper Co. for this couple. She probably was a sister of one or all of the following in Culpeper Co. He was stated to have d. in October 1799. However there is a will for a William Hawkins in Orange Co., Parish of St. Thomas dated 20 Jan. 1776. He had a wife Elizabeth who was executrix and sons John, William and Benjamin. This appears to be a different William from the children below, but may be his father.

PART II
WALL FAMILIES OF CULPEPER CO., VA.

FIRST GENERATION (identified)

FRANCIS WALL(E) was born about 1720-25. His wife was Margaret , who I have theorized might be a daughter of John and Margaret (Humphrey) Roberts. On 17 Mar. 1768, William Roberts and Jean his wife deeded 500 acres to Francis Walle. On 17 Nov. 1772, Frances and Margaret deeded 150 acres in Culpeper Co. to their eldest son James Wall in Brumfield Parish on the little fork of the Rappahannock River on Battle Run; the deed was witnessed by Samuel Graves and Walter Stullard (F-567). On the same date, they also deeded 150 acres in the same area as above to their second son Jacob Wall (F-594). This was witnessed by William and John Roberts. Francis (J) Wall was a witness to the will of William Johnston Jr. Dated 9 Sept. 1765 and probated 17 Oct. 1765 (Culpeper W.B. A-409-411, Dorman edition).

On 12 Sept. 1774, Francis and his wife deeded 187 acres to William Roberts of the same county. This land was also in Brumfield Parish on the little fork of the Rappahannock River on Battle Run. It was witnessed by John Jett, William Duncan Jr. and Thomas Washburn. The 300 acres deeded to their sons, and the 187 acres deeded to Roberts accounts for almost all the land deeded by Roberts to Wall in 1768. This is the last notice of Francis and Margaret found in Culpeper Co.; there was a Francis Wall in Wilkes Co., N.C. in the 1790 census. They were not listed in the 1787 tax lists for Culpeper.

Children of Francis and Margaret Wall (partial):

i James b. ca. 1745 m. Mary . On 26 Mar. 1773, he and his wife deeded the aforementioned 150 acres to John Lawler witnessed by James Graves, John Minor and Charles Duncan (G-11-140).

ii Jacob b. 1749, served in the Revolution, to Surry co., N.C. On 6 Apr. 1775, (H-182) and then of Surry Co., N.C.; he deeded this land to Daniel Bradford of Fauquier Co. The deed

ISAAC WALL(E) was born perhaps about 1725. He may be a brother of Francis Wall of Culpeper Co., whose wife was Margaret ____, and who left sons Jacob, the Revolutionary soldier, and James who were deeded land in Culpeper Co. in 1772 and 1773. Because the names Isaac, Francis and Jacob occur in the family of Jacob Wall Sr. of Culpeper Co. in the next generation, there seems to be a close link between these men, but how exactly is not presently known.

Francis Wall purchased land from William Roberts in 1768; this was the same property Francis conveyed to his two sons, above. William Roberts was a grandson of John Roberts Sr. of St. George’s parish, Spotsylvania in 1724. The John Roberts connected with the Jacob Wall who d. 1736 seems to have been a brother or uncle of this William Roberts.

One of the earlier references to Isaac Wall was as a witness to the will of Antony Scott on 7 Jan. 1754 in Culpeper Co. He was an assignee in 1778 of James Murphy (his brother-in-law) for which it was surveyed 20 Dec. 1758-21 May 1760. This was 110 acres on Gourdvine Fork on top of Giant’s Castle adjoining land of Richard Nalle and Elizabeth Waters. Giant’s Castle and Gourdvine River are located near the Rappahannock-Culpeper Co. line 12 miles north of Culpeper. The Giant’s Castle is located between the fork of the Gourdvine River.

He deeded 100 acres on 20 Aug. 1770 to William Roberts on the Gourdvine Fork of the Rappahannock River. This land was part of a 280 acre tract which was granted to his mother-in-law Elizabeth (__) Waters on 3 Dec. 1751 by Thomas, Lord Fairfax, and then granted by Elizabeth Waters to her daughter Elizabeth, wife of Isaac Wall (Culpeper Deeds F-129). The original warrant was surveyed 7 Mar. 1747-1 Apr. 1748, then in Orange Co. adjoining Francis Cooper. Elizabeth Waters deeded land to Elizabeth Wall, wife of Isaac on 3 Aug. 1759 (C-204); witnesses were William Roberts, Richard Burk and Samuel Scott.

Isaac Wall was a witness to a deed for 50 acres in Brumfield parish, Culpeper Co. (B-286-288 in March 1760 in which Francis Browning deeded to William Roberts and William Johnston.

Isaac Wall (mistranscribed as Nall/Nalle) was a witness to the will of Anthony Scott 7 Jan. 1754, probated 17 May 1764 (Culpeper W.B. A).

Isaac Walle presented a claim for L20 worth of wheat on 7 Nov. 1780 in Culpeper Co.. This reference is found in Virginia Publick Claims.

Isaac and Elizabeth also deeded 110 acres on the Little Fork of the Rappahannock to John Golden (Deeds M-380-381 recorded 16 May 1785). This deed was witnesses by Francis Kendle, Jesse Humphrey and William Shingleton. They were of Brumfield parish at that time. Note the connection again to the aforesaid William Roberts. Isaac Wall was listed in the Fairfax rent rolls for 1764 (NGSQ 39:115). There are references to Isaac in Culpeper Co. records as late as 1800 and in 1810 he was listed as born bef. 1765, 45 and up with 3 females 26-45.

The name of Isaac Wall’s Waters’ father-in-law has never been found, either in Culpeper Co. records or in the Northern Neck grants abstracted by Peggy Joyner.

There seems to be a clear link between the Roberts family in the various land transactions with Isaac and Francis Wall, and members of this family were also associated earlier with Jacob and Blanche Wall, and that these men all belonged to the same family, but exact proof is still lacking. There is also a William Roberts Sr. and Jr. in Essex Co. (supra) who were connected to a
James Wall and wife Mary, also of Essex Co. in the 1720s. The William Roberts group in Essex Co. has not been connected with the Culpeper Co. Group.

SECOND GENERATION (identified)

James Wall was b. ca. 1745, the eldest son of Francis and Margaret Wall (q.v.), he also moved to North Carolina and may be the James Wall who appeared on the 1775 Surry Co. tax list. James was living in the area that later became Wilkes Co. James Wall also entered 100 acres on both sides of the New River (now Ashe Co.) in August 1778, but this claim was sold to Thomas Holeman before the grant was issued. This North Carolina data may or may not refer to this James Wall, but it is possible because Jacob Wall was also in Surry Co. at about the same time. This James Wall m. Mary.

Jacob Wall was b. 1749 and served in the Revolution, and migrated to Surry Co., N.C. He was the younger son of Francis and Margaret Wall (q.v.) He entered 100 acres on Adam's creek of Reddies River “at the upper end of the bottom” on Surry Co., N.C. This land was transferred to James Hayes before a grant was issued. He is stated to have died in 1840, although it may be that his name was listed in the 1840 Census of Revolutionary pensioners. His wife’s name is not known. His son was Joseph Wall below, and it is not known whether he had any other children.

THIRD GENERATION (identified)

Joseph Walls was said to have been born on 24 Oct. 1772 in England. However, other information identifies him as a son of Jacob Wall of Culpeper Co. and North Carolina. He bought 275 acres of land from Samuel Carter, and five acres from a Mr. Reid and built a home. He m. Mollie/Mary Parks (b. 23 Aug. 1773). She died on 1 July 1851 and he died on 28 July 1852.

OTHER WALLS IN CULPEPER,
AS YET UNCONNECTED

REUBEN WALLE/WALL was b. in Virginia ca. 1757. The IGI states that he was b. 8 Nov. 1756 in Elkton, Cecil Co., Maryland, but this is unproven. He served as a private during the Revolution from Culpeper Co. from Oct. 1775 to Oct. 1778 in Capt. William McClanahan’s Co. in Col. John Greene’s regiment. He m. Anna __, b. prob. about 1758. Further specific information is given on him in the IGI which states that he married in Bromfield Parish, Culpeper Co., Va. on 16 Feb. 1775; Ann Utterbach b. 16 May 1756. He was listed in the tax lists for 1787 in Culpeper Co. In Culpeper Co., he was a witness to the will (D-407) of Leander Delaney 12 Sept. 1802. No evidence exists to connect Reuben with Jacob Wall Sr., William or the Zachariah and Jonathan Wall(s) families, although Reuben and William might be brothers.

This family migrated to Fleming Co., Ky. before 1806 when his name was found in tax lists there. He was last listed in Fleming Co. in 1815. By 1820, the family was in Bath co. and finally moved to Nicholas Co. where he died between 1848 and 1850. He was listed as 77 years old in 1830 and 86 years old in 1840 in the census of Revolutionary pensioners. He died on 6 May 1843.

IGI references for full dates if birth and death from Bromfield parish records (apparently) for some of children. The IGI states that he was a son of William Armstead Zackary Walls and Mary Olmstead; this reflects an Armstead or Armistead Wall in Culpeper 1810 Census and an earlier William Wall in various Culpeper records not yet connected. If he was born in Maryland as the IGI claims, he may have been related to Zachariah and Jonathan Wall. Correspondence wth Mr. & Mrs. William Walls 1984-86, and their treatment of this family in Handwriting on the Walls 6:53-54 (July 1992) p. 54 also has material from Fleming Co. records from Marcia Brumfield, used here. I have added these probable children from Fleming Co. marriages. I have unable to find any further information either way on this family on the Internet. The name Delilah used in this family shows perhaps a connection with the Jacob Wall Sr. family if Winneford Wall was his daughter, and she had a dau. Delilah Back.
Bath Co. Marriages

The following individual and his family need more research and work since it has been confused with a German Wall family.
WILLIAM WALL was born in Sept. 1758 (Rev. War pension application) or on 11 Jan. 1758 (DAR Patriot Index) in Culpeper Co., Va. He served in the Revolutionary War from Culpeper Co. under Col. Francis Taylor, Virginia line and Capt. John Roberts. According to DAR records he m. 1) Betsy Houtersheldt and 2) Nancy Elkins. However, researchers posting on the Internet show his wife as Mary Trollinger. I now believe that the marriage to Nancy Elkins refers to William Wall Jr. This latter marriage was on 11 May 1818 in Cabell Co., WV. I also believe that the Mary Trollinger reference to the name of his wife refers to another William Wall, or a Wall from the German Walls who settled in this area. I have been unable to find record of a marriage to Elizabeth or Betsy Houtersheldt, under any spelling.

He may be the William Wall who was a witness to the will of Mordecai Baughan who d. 19 June 1792, probated 17 Sept. 1792 in Culpeper Co. A William Wall was mentioned in an account of the sales of the estate of George Calvert on 18 Nov. 1783, also in Culpeper Co. Other individuals who purchased items from this estate were Isaac Settle and William Grigsbie.

He lived in Tazewell and Giles Cos., Va. and also Logan Co., Va. and applied for his pension from Madison Co., Indiana. He was said to have been buried in Old Falls cemetery there. His death date was variously given as Nov. 1835 (DAR) and 25 Oct. 1833 (pension papers). He was administrator of a James Wall deceased, probably the one whose will was dated 2 Sept. 1800. Whether James Wall was his father or a brother is not indicated in the probate material.

It is not known exactly how William was related to the other Culpeper Co. Wall(s) families. The name Jacob used in his family tends to support the theory that he was a close relative, brother perhaps, or cousin of Jacob Wall Sr. of Culpeper Co.

A William Wall was a witness to the will of Mordecai Baughan 19 June 1792, probated 17 Sept. 1794 (Culpeper W.B. B, Wulfeck edition p. 51). A William Wall perhaps the same was a purchaser in the sale of the estate of George Calvert recorded 18 Nov. 1783; included also in this list was an Isaac Settle.

Rootsweb WorldConnect, several sites, all give Mary Trollinger as wife of this William.
An Internet site "Descendants of Hans Georg Wall" has this Mary Trollinger as wife of Adam Wall II. This might be correct because both were German families. Mary was dau. of Henry and Barbara Trollinger. The child #3 in this
family was named William. Adam II was b. ca. 1750. In this family a John Wall who m. Martha Cole had son Jacob Walls and the data is identical to the Jacob Walls, son of William who m. in Giles Co., Va. 1810, above. There appears to be some problem with this research. There are problems with the above William and his marriages and the Trollinger marriage may not belong to him. More research is necessary.

UNPLACED CULPEPER CO. INDIVIDUALS AND MARRIAGES

THOMAS WALL was b. in the 1730s or somewhat later. He and his wife Mary deeded 987 acres in Culpeper on 4 Aug. 1779 to John Erhardt Oehslagel, clothier for L100. The land was devised by the Proprietors on 5 Mar. 1753 to Joseph Hotzclaw and to Mary, wife of Daniel Bennit by John Holtzclaw, deceased. The original deed was issued in the names of Henry, Joseph and Mary Holtzclaw, sons and daughters of John Holtzclaw. One researcher thinks that Mary, wife of Thomas Wall might be the same Mary Holtzclaw, wife of Daniel Bennett, but this is as yet unproven. It will be noted that no land description as given. Also it will be noted that the names in this deed were German, so Thomas may perhaps be one of the German Walls.

The following Culpeper Co. marriages have not been placed in any of the families discussed as yet.

ANOTHER WALL GROUP: MARYLAND TO CULPEPER CO., VA.

One other family group in Culpeper Co. remains to be added here. This is the family of Zachariah (also called Zacharias) Wall, and his brother Jonathan Wall, both of which lived in Culpeper Co., but were originally from Prince Georges Co., Maryland.

ROBERT WALL was born about 1720 in Prince Georges Co., Maryland, a son of Thomas Wall. He m. Jane , and was a soldier in 1748-49 under the command of Capt. James Wilson, Prince Georges Co. militia. He left 192½ acres to his children. He was not the father of Jacob Wall Sr. of Culpeper Co. and Casey Co. despite claims made to the contrary in on-line family groups.

He wrote his will on 23 July 1773, probated in 1780.

ZACHARIAH WALL was born on 29 May 1741 on the eastern shore of Maryland, a son of Robert and Jane Wall. He married Annie Everett on 3 Mar. 1760 (b. 6 June 1737 in Maryland), dau. of Richard and Elizabeth Everett. His wife inherited property from her father, and had been, according to family tradition, a servant in the household of Robert Wall.

On 3 Sept. 1774, John Amburgy and Margaret his wife of Culpeper deeded 300 acres to Zacharias Wall of Maryland in Brumfield Parish on the fork of the Rappahannock River bordering Bloodworth’s patent, John Hawkins to Norman’s Mountain. The witnesses were James Graves, Joel Wilhite, John Hawkins, John Reynolds and John Rigsby. The area described may be in the same area as the other Wall family which may provide clues to their origins.

In 1797, this family migrated to Rockingham Co., N.C where he died on 24 Apr. 1816. His widow died there on 26 Nov. 1819.

PART III
DESCENDANTS OF JACOB WALL SR.

JACOB WALL SR. was the progenitor of the Wall/Walls families of Casey and Lincoln Cos., Kentucky and surrounding counties, Indiana and elsewhere. He was born probably as early as 1735-1740 in Virginia. An earlier date is postulated because he was mentioned as a neighbor of James Finnie on the north fork of the Rapidan River on 16 Jan. 1755 (Joyner, Peggy, Abstracts of Virginia Northern Neck Grants 1710-1780 3:55 and in Gray, Gertrude, Northern Neck Grants H-611 (1:83). He was also listed among the soldiers who were owed pay and persons who did work or provided supplies in September 1758 during the French and Indian War; he was assigned to William Eastham, foot soldier for 95 days of service. A birth date estimated ca. 1737 is reasonable considering the 1755 and 1758 references, if this is the same individual.

His parentage is not known, but is discussed at length in a compilation of all references to Wall(e) individuals and families in the Northern Neck and Culpeper Co. from the beginning to 1800, which also includes problems in identifying Jacob Sr.’s children. There was another Jacob Wall who served in the Revolution, who applied for a pension. This Jacob was b. in 1749 and appears to be the Jacob, son of Francis and Margaret Wall of Culpeper Co. who was deeded land by his parents, and who later moved to North Carolina. Our Jacob was several years older than this individual, and was probably closely related, perhaps even a first cousin. The problem of his parentage has been given much thought, and the conclusion can only be reached that these other Wall families were very closely related, but exact proof has not yet been found.

He m. before 1763; Ann/Nanny ___ b. ca. 1742. Because of the paucity of records, her surname has not been discovered, although several suggestions have been made. The name Isaac Suttle Wall, a probable son brings to mind the surname Suttle, although there are no Wall listings in an earlier published Suttle genealogy. Several researchers have brought forward the name Ann/Nancy Spilman on the Internet, but no documentary reference has been offered for this suggestion. It has also been noted that Francis Sr. born 1767 was the eldest known child, and if they were married in 1763, there is the possibility of additional children for this couple. Winneford is questionable and she was born in 1766, if indeed, she was a Wall.

His name was mentioned in a continuance of a suit versus Samuel and Eleanor Kersy in the county court order book 1763-1764; his wife Ann or Nanny has been found in other references there.

In Culpeper Co., a Jacob Wall raised a child Fanny Clay from 19 Dec. 1763 to 5 Feb. 1785. St. Mark’s Vestry Book & Levies 1730-1785 for Spotsylvania, Orange and Culpeper Cos. This was probably Jacob Wall Sr. Was Fanny Clay a relative of either Jacob or Ann? Note that the name Clay was used as a middle name later in the 19th century, but this probably was derived from the statesman Henry Clay.

Jacob and his wife were witnesses to the will of William Tapp of Culpeper Co. dated 27 June 1780, and Ann Wall was a purchaser in the estate of Robert Spilman, the receipt dated 16 Oct. 1786. This may have prompted researchers to link her with the Spilman family. In the 1787 tax lists for Culpeper Co., Jacob Wall was found in List B., and Reuben, Isaac and William Walle in List A. Reuben Wall might be Jacob’s brother (or cousin); he was a Revolutionary soldier and later settled in Nicholas Co., Ky. William Wall or Walls is probably the one who went to Giles Co., Va. A William Wall, probably an older individual, was listed in the French and Indian War references. The Giles Co., Va. William also had a son named Jacob. Our Jacob
and his family remained in the Culpeper area for a few more years since his son Francis Wall m. Sally Grigsby on 18 Aug. 1789; this bond is found both in Rockingham and Shenandoah Co. marriages.

The delinquent tax lists for Culpeper Co. for 1791 listed him as gone to Kentucky. He was in Kentucky by 26 Sept. 1791, since his daughter Ann m. Gabriel Jones in Mercer Co. on that date. His name, along with Jacob Jr., Robert, Gabriel, Francis and William Wall, appear on the tax lists for Mercer Co. beginning in 1795. This William Wall has not been further identified; there is a reference to a William Wall in Shelby Co. who might be this individual, but further research is advisable. Jacob appeared in the Garrard Co. tax lists, then Lincoln Co., and finally Casey Co. which was formed from Lincoln Co. in 1807, and he last appeared as Jacob Wall Sr. in Casey Co. in 1823.

Jacob Wall Sr. probably died about 1823, since he was not listed in the tax lists after that date.

There are several problems in constructing a list of the children of Jacob Sr., since there was a Patsy who m. David Sluder in Lincoln Co. in 1803 that was associated with the family in Casey Co.; there was also the 1797 marriage of a Patsy Wall to Thomas Shewmaker in Mercer Co. who later went to Indiana. Gabriel Jones was a bondsman to this latter marriage. Either one of the women named Patsy could originally have been a Martha, and the other one a Patience, and both were daughters of Jacob Sr., or one is a daughter of an older son, by then deceased, and the other a daughter of Jacob Sr. To date, this problem has not been resolved with the use of circumstantial or primary source evidence.

Note: two unknown daughters, one who m. a Singleton, and one who m. a Granthouse/Greathouse, were listed in The Advance Hustler newspaper (Lebanon, Ind. 28 Sept. 1916) in an account of Robert Wall family descendants reunion written by George A. Wall of Chicago which gave some, though not all of the other siblings above. These unnamed daughters have been omitted because there is no evidence for them; these names need further investigation because they may refer to other relatives by marriage or an unknown relationship entirely. Bill and Margaret Walls suggested Sarah, wife of Robert Singleton, surname not known as a possible candidate as one of these nameless daughters. It is not certain whether the James who m. Susanna Henderson was identical with the James who m. Lavinia/Leerina Padgett. Jacob Wall was the bondsman of the marriage to Susanna Henderson; I think he was James’ father listed on this bond. Thomas Padgett was the bondsman of the 1818 marriage.

SECOND GENERATION

WINNEFORD WALL may be a daughter of Jacob Wall Sr., but has not been positively identified through primary records or use of family names. She was b. 16 Nov. 1766 in Va. She m. Joseph Back b. 9 Apr. 1756 in Va. on 19 Jan. 1786. He was a son of Harmon Bach/Back. They moved to Mercer Co., Ky. about 1789/90 (about the same time or with Jacob Wall Sr.’s family). They moved to Garrard Co. where he died in 1834, and willed his property to his wife and stipulated that daughter Sally and son-in-law Johnson Lane would care for her until her death. She was still living at the age of 94 with them in 1860. The marriage bond papers of Robert Wall to Lydia Brown included a note from William Brown giving permission for Robert to marry his daughter, and it was witnessed by Joseph Back. This is one of the reasons I think that she might be an older daughter of Jacob Wall Sr. However, this may have been the reasoning behind the identification of Winneford as a Wall, so this bit of ingenuous reasoning must be noted here just in case this argument is not valid.

FRANCIS WALL SR. was born in 1767 according to the age given in the 1850 census, or 1768, according to his age at death. He was born in Culpeper Co., Va. He m. 18 Aug. 1789, Sally Grigsby, dau. of Benjamin Grigsby and Mary Price in Shenandoah Co., Va. He was first listed in Mercer Co., Ky. by 1799, and in Lincoln Co. where he paid taxes on 19 July 1803.
A complete list of his children is not available, and the list below is tentative. Some are known to be his children from marriage bonds and death record information. In 1810, his family consisted of 3 males under 10; 2 males 10 and under 16; 2 males 16 and under 26 and also two females 10 and under 16. Using both the 1810 and 1820 census readings, the family would appear to have had 7 males and 2 females. One male born between 1790-94, and one born between 1804 and 1810, and one male b. bet. 1800-1810 are not identified, as well as a female born between 1794-1804. The Mary T. Wall who m. Coleman Durham cannot be proven one way or another as a daughter of Francis Sr., so has not been included in this calculation.

He was the bondsman of his sister Mary Wall to William Falconberry on 9 Sept. 1805. He died on 28 Feb. 1854 in Casey Co.; his wife having died before 1850. His death record stated that his father’s name was Jacob Wall.

The Gabriel Wall Jr. in the Casey tax lists for 1811 and 1813 may be a son of Francis b. ca. 1792/93 and Gabriel Sr. would be the brother below as Gabriel E./S. as not born until 1817. This Gabriel Jr. may have died soon thereafter. Mr. & Mrs. William Walls give an initial “Z” for Nathaniel; if correct it might stand for Zachariah.
“Descendants of John Price”; found through using name Francis Wall. Benjamin Grigsby m. Mary Price b. ca. 1755-57; she was a dau. of John and Sarah Price of Shenandoah Co., Va. Mary (Price) Grigsby had a brother Jesse Price, so Jesse Wall b. 1806 may belong in this Francis Wall family as many researchers believe.

ROBERT WALL was born about 1765-1770 in Culpeper Co., Va. He was listed in the Mercer Co., Ky. tax lists for 1795, 1797, 1799 and 1800. He married 23 Feb. 1796 to Lydia Brown, dau. of William and (prob.) Tabitha (Menefee) Brown in Mercer Co. He has been placed in this family group because the name Robert reappears in the family of Francis Wall and in subsequent generations. According to Watkins’ History of Casey Co., Ky. (1939), Robert Wall was an early settler of Walltown in eastern Casey Co. He was listed as follows in the Lincoln Co. 1810 Census: 3 males 5 and under 10; 2 males 10 and under 16; 1 male 45 and up; 1 female 5 and under 10; 1 female 45 and up. This shows that he was born before 1765 and may quite probably have been the eldest of these Wall men. He was also listed in Lincoln Co. in 1820 with 2 males born after 1810; 2 males 10-15; 1 male 16-18; 2 males 16 and under 26; 1 male 45 and older; 2 females under 10; 1 female 16 and under 26; 1 female 26 and under 45. He died in 1822 in Washington Co., Ind. and his widow died in 1860 near Jamestown, Boone Co., Ind.

 gleaned.
Tabitha Menefee was reported to be a dau. of James Strother Menefee of Culpeper Co., Va. and this is the origin of
the name Strother in this Wall family.

ANN/NANCY WALL was born about 1772 in Culpeper Co., Va. She m. 26 Sept. 1791
in Mercer Co., Ky. to Gabriel Jones. He died there about 1799, and she m. 2) Jacob
Misner/Mizener on 20 July 1800 there, a son of Conrad Misner. A Jacob Misner was living in
Jessamine Co., Ky. in 1810, but has not been further researched. No children have been located
for her second marriage.

GABRIEL WALL was born probably in Culpeper Co., Va. about 1774. Int he 1810
Census of Casey Co., Ky., he was listed as aged 26-45. He married 19 Jan. 1794 in Mercer
Co., Ky.; Barbara Cesar, dau. of David and Mary (Henderson) Cesar. His father’s name was not
given, but was very probably Jacob Wall Sr.
He was first mentioned in Mercer Co., Ky. tax lists as paying taxes on 16 May 1795, and
was also there in 1796. He was listed on the tax books of Garrard Co. in 1797, 1799, 1800,
1801, 1802 and 1803, and in Casey Co. from 1808 through 1835.
A Gabriel Wall Sr. and Jr. were listed in 1811 in Casey Co. tax lists, and Gabriel Sr. only in 1813. Only one Gabriel Wall was listed before and after this date, and this warrants further investigation, since one of them might be a relative living out-of-county who paid taxes on land located there. It might also be a clerical mistake for one of the Jacob Walls in Casey Co. It is known that the Gabriel Wall who died in 1836 was the same individual who m. Barbara Cesar since both Gabriel and Barbara were mentioned in an 1830 deed where they granted land in Casey Co. to their son William H. Wall.

Gabriel Wall was deceased by December 1836, as he was stated to have been dead over thirty days at the meeting of the Circuit Court that term. The inventory of his estate was taken on 6 Jan. 1837, and the sale bill was dated 17 Jan. 1837. William H. Walls and John Sims were named administrators of his estate. The list of his children is based on circuit court orders (3:242, Dec. 1836), and quit claims to deeds by one group of heirs to or from the remainder of his family (Casey Co. Deeds 4:285, 287, 302, 6:342). Book 3:302 dated 17 Feb. 1847 mentioned a Peter Wall along with some of the other heirs, although it may be this compiler’s misreading of Reuben. Circuit Court Orders 5:367 dated 8 Nov. 1843 gives out-of-state heirs (probably other children) i.e. Julius, Jefferson, Jane, wife of Joshua Linthicum and Sally, wife of Granville Mason. None of these have been located yet in the 1850 Census.

Gabriel S. (or E.) has been included here as a son of Gabriel, although some researchers have written that he was a son of Francis Sr. Proof that Gabriel b. 1817 who m. Sallie Rigney was a son of Gabriel Wall (d. 1836) is found in Casey Co. records. A Gabriel Walls was listed with the other heirs of Gabriel on 18 Oct. 1847 (Casey Co. Court Orders 4:287) selling their share to John Hogue (Deeds 6:342 also stated that Gabriel was an heir of Gabriel Sr.

In the 1830 Census, there is a female b. 1740-50 in the family of Gabriel Wall; this might possibly be Ann, widow of Jacob, unless it was Barbara Cesar’s mother; Mary (Henderson) Cesar. There are eleven children in the 1810-20 Census compilation; 6 males and 5 females, there is only one female missing in the list of known children.

JACOB WALL JR. was born about 1778, and married 24 Jan. 1794; Elizabeth Cassady, dau. of ?William and Elizabeth (__) Cassady in Mercer Co., Ky. He served in 1793 in the campaigns of General Anthony Wayne against the Indians and British in the Ohio country known as “Wayne’s War.” He was in Capt. Barbee’s Co. He moved later to Garrard Co. and in 1803 to Lincoln Co. where he was granted lands, some under the name of his brother-in-law Jacob Misner. This land was on Knoblick Creek, a tributary of the Green River which was after 1806, part of Casey Co.

The gravestone for this Jacob Wall in Middleburg cemetery states that he was 62 years old. This may be incorrect, as if so, he would only have been 15 years old at time of service in Wayne’s War, and not of age at the time of marriage in 1794. Since the date of death is also in question, he may have been a few years older.

He served in the War of 1812 as a private in the 2nd regiment (Jennings) of Kentucky Volunteers commanded by Capt. Henry James. He enlisted for several months beginning 10 Sept. 1812 and discharged 18 Jan. 1813.

After the war he continued living and perhaps farming on Knoblick Creek. He died on 27 Apr. 1840 (gravestone states July 1840) but the exact date comes from the bounty land application of his widow. This appears to be the more correct date, since Francis M. Wall was granted administration of his estate on 8 June 1840. His widow was still living as of 28 Apr. 1855 when she applied for bounty land for his Wayne’s War and 1812 service 9#55-160 83788). Her gravestone in Middleburg Cemetery gives the year of death as 1855, but the bounty land papers have dates of 1858, so someone must have kept the case open. No death record has been located for her.

In 1850, Elizabeth was living with William J. and Martha (Haggard) Wall, but William J. was a grandson of Francis Wall Sr. William and Margaret Walls theorized that perhaps Martha was Elizabeth’s granddaughter by an unknown Wall daughter who m. George Haggard, but this speculation needs to be further researched.

The following list of children is tentative since he left no will and has been supplemented by census materials. Francis M. Wall was the administrator of his estate.

Children of Jacob Wall Jr. and Elizabeth Cassady

i ??Sarah/Sallie b. 11 Sept. 1795 d. 10 Oct. 1870 m. Rev. Benjamin Polson (a dau. b. 1794-95 is given in the census)

Please see my account on the Cassadys of Mercer Co., Ky. and descendants. I have noted there a possibility that Elizabeth Cassady may not have been a sister of Andrew Cassady who m. in Mercer Co. in 1800. If so, only her mother Elizabeth is known, and a daughter Mary/Polly who m. Aaron Crouch in Mercer Co. In 1808. There is no source documentation for the link to Andrew’s family; both myself and Cassady descendant Wayne C. Smith made the connection during the 1960s and did not think of other possibilities.

PATSY /7MARTHA WALL was born ca. 1780 in Culpeper Co., Va. was born ca. 1780 in Culpeper Co., Va. (1850 census states that she was b. Ky., but Va. more likely). She m. 17 Sept. 1802 in Lincoln Co., Ky. to David Sluder who was b. in N.C. in 1774, and who may have been married previously. They lived in Casey Co. and were still alive in 1850. She died before 1860, since he was still living at that time. This family were neighbors to other Walls in Casey Co. in 1850 as well as to the Falconberrys. He died in Casey Co. ISAAC SUTTLE WALL "JR." was born between 1766-1784 (1810 Census reading), or 1775-1794 (1820 Census reading) probably in Culpeper Co. Va. more likely around 1782. He was called variously in the tax lists Suttle, Isaac S., Suttle I. Wall and Isaac S. Wall Jr., the latter in Lincoln Co. tax lists for 1806. Because of this last designation "Jr.,” it is not entirely certain whether he was a son of Jacob Wall Sr. or not, or a grandson, and that the father had died young and his name never appeared in any records in Culpeper Co. or elsewhere, or possibly a nephew.

Many researchers, including myself, misread the “S” as “L’ making his name as Luttle Wall, especially in my earlier research.

An Isaac Wall, along with a Jacob Wall (probably Jacob Jr.) were involved in various and apparently separate imbroglios which evidently led to brawls and fistfights with William Anderson in 1800 and 1808 respectively which led to suits in the county circuit court. This may or may not have been Isaac S. Wall. These Mercer Co. Circuit Court judgments need to be revisited in order to clarify dates and the events mentioned there.

The name of his wife has not been preserved, although one correspondent reported it as Nancy, and it is entirely unclear who his children were. The following list is entirely tentative and arbitrary; some of these have been given as children of Francis Sr. or others by other researchers or compilers.

He was last listed in the 1830 Census, and was also listed as a witness to a marriage in Mercer Co., Ky. in 1833. He was last listed in the Lincoln Co. Tax list for 1834, so may have died or even moved away by that date.

Janet Cochran of Stanford, Ky., a correspondent of Bill & Margaret Wall thought Isaac’s wife was Nancy ___. Benjamin R. Walls named a dau. Ann Riley, so this may have been the wife of Isaac S. Janet theorized that the
Caroline Walls who m. Robert Gilmore in Mercer Co. 21 Aug. 1836, and Dorinda who m. William Trusty there 23 Dec. 1837 might be children of Isaac. This might link with Benjamin Riley Walls b. ca. 1809/10 who m. Ermina Ellen Trusty. See further ideas under Eliza Dorn.

MARY WALL was b. in 1784 in Culpeper Co., Va. She m. William Falconberry/Falconbury/Fortenberry on 9 Sept. 1805 in Lincoln Co., Ky. He was born in North Carolina in 1778, according to some researchers, a son of Jacob and Charity (?Routsaw) Falconbury. Francis Wall Sr. was the bondsman to this marriage, and identifies Mary as his sister. A list of their children is far from complete. They were still living in 1860 in Casey Co. but died before 1870. There is nothing concerning either of them in the recorded deaths for Casey Co. in the early 1860s. Mary is likewise enumerated as being born in North Carolina in both the 1850 and 1860 references.

iii William R. b. ca. 1815 n.f.r. (in Dr. Ragle’s pamphlet, but not in 1850 Census).

iv Malinda b. 1819, listed in 1850 Census.

1850 and 1860 Census, Casey Co., Ky. has twins Dorinda and Florinda b. May 1844, apparently grandchildren of William and Mary. Dr. Ragle stated that Dorinda was killed by lightning. Florinda Falconberry m. Rodham Luttrell in Casey Co. on 24 Dec. 1861. Florinda Luttrell died on 20 May 1918 in Walltown, Casey Co. Her death certificate states that her father was John Hamilton and her mother Falconbury (not named). John Hamilton was married to Emily Jane Wall, daughter of Jacob Wall and Nancy Falconbury. Dorinda and Florinda may have been twins, and likely illegitimate children of a Falconbury daughter and John Hamilton, but more research is necessary.

Eldred W. Melton identified Lucinda as a dau. of William and Mary (Handwriting on the Walls 6:65).

Further information on WorldConnect and also the Falconbury website including a revised group by Richard Ender which uses the compilation Jacob Falconbury 1757-1844 by Lyman F. Reynolds. Jacob Baker Falconbury who d. in Marshall Co., Ind. In 1860 was a son of Henry B. Falconbury, another son of Jacob and Charity (?Routsaw) Falconbury. However, he was listed with William and Mary in both the 1850 and 1860 Census.

JAMES WALL was born ca. 1786. He m. 1) on 27 Oct. 1808 in Lincoln Co., Ky.; Susanna (Harris) Henderson, widow of Christopher Henderson. She died before 27 July 1818, the date he married 2) Lavinia Padgett b. 17 Oct. 1796, daughter of Ephraim Padgett and Frances Thacker. This James Wall died about 1825 and she m. 2) 29 July 1826; Richard A. Butt in Lincoln Co. A complete list of James’ children are not known, although some may be confused with those of James Walls, son of Gabriel Wall and Barbara Cesar in Pulaski Co. Lavinia died in Pulaski Co. on 24 Nov. 1849. Some researchers have a date of 22 Jan. 1850 for the death date for this James, but it refers to the son of Gabriel Wall, since she married twice.

These Wall families in Pulaski Co. need to be sorted out, perhaps from land and tax records. I still believe that there are two James Walls involved, only one of which refers to James, son of Jacob.

IDENTIFICATION PROBLEM “THE OTHER PATSEY WALL”

PATSEY WALL was b. ca. 1777 probably in Culpeper Co., Va. She m. 3 Nov. 1797 in Mercer Co., Ky. to Thomas Shewmaker or Shoemaker, a son of William and Elizabeth Shoemaker. Gabriel Jones who m. Ann Wall, dau. of Jacob Wall Sr. was a bondsman to this marriage. This makes it likely that this Patsey also was a daughter. What is difficult to ascertain is the existence of the Patsy who m. David Sluder in 1802 in Lincoln Co. and later resided in Casey Co. One Patsy is quite probably a nickname for Martha (likely the Patsy Wall Sluder) and the other one for Patience, or some other name not known, possibly Matilda, unless of course one daughter was named Martha, and the other one Patsy as a separate first name. This family moved to Harrison Co. Ind. where he died in 1822 and she survived.

WILLIAM F. (1880 Census, clearly reads F, or S.) WALL was born in 1794 (1850 Census) or 1797 (1880 census), or 1798 (second marriage record). He was more likely born in 1799/1800. His parentage is still questionable; he was too old to be a son of Isaac S. as originally conjectured, so this leaves either Francis Sr. or Jacob Jr. I am now placing him in Francis Sr.’s family after having placed him in the family of Jacob Jr. for a considerable time. This is because Francis M. Wall was the administrator of Jacob Jr.’s estate as the eldest son. There is not a complete list of children by his first wife. He married 1) 18 July 1818 in Casey co.; Louisa Martin who was born in 1800 and died 3 Aug. 1858 in Casey Co. He m. 2) 20 June 1859; Nancy Whitaker, but has not been not located in the 1860 Census for Casey or Lincoln counties or surrounding areas. He was still living in 1880, and gave his birth place as Kentucky with both parents born in Virginia. His son William A. Wall conveyed 58 acres to Richard N. Hatter on 1 Mar. 1881 for the maintenance of William A. (i.e. S. or F.) and Nancy Wall (Casey _Deeds 17:344). This deed was not recorded until 2 Sept. 1890, so it is presumed that he died sometime immediately preceding this latter date. There was also a deed dated probably 1837 from Stokes to William S. Walls, land on Knoblick Creek.

Martha (___) Wall b. 1838 n.f.r., but she could be a daughter-in-law and the 3 following as grandchildren of William F. listed in the 1870 and 1880 censuses:
i Enoch b. 1858/1859 d. after 1 June 1880 m. Martha B. Hatter 12 Sept. 1878, Casey Co. This couple had one child Florence b. Aug. 1879, listed in 1880 Census. His widow remarried after Enoch’s early death.

Mary J. and William are listed in this family in 1880 Census; it is not proven that they are the children of William S/F. Sr. especially since the name William was used again. More study is necessary. William F./S. is more likely a son of Francis Sr. since Francis M. was administrator of the estate of Jacob Wall Jr. And therefore clearly his eldest son. More research is necessary.

ROBERT WALL was born in Mercer Co., Ky. in 1793 or 1794. He married 25 Sept. 1817 in Lincoln Co.; Mary Falconberry. He was a son of Francis Wall Sr. which is proven by the
marriage bond. His wife died soon after the birth of their youngest daughter, and before 1850, when she was missing from the census. The mortality schedule for 1850 for her has not been checked. Robert sold 50 acres to William Wall who may have been a son, or one of the early Williams, as yet not identified, was born ca. 1818-19 (Casey Co. Deeds 6:98). His estate was administered 28 Dec. 1863, and inventory taken 1 Jan. 1864, so he died before the former date.

WHITFIELD S. WALLS was born in 1797 or 1799 in Mercer Co., Ky. He married 1 June 1821 in Casey Co. to Mary Laura Martin who was born in 1801 and still living in 1870. He was
still living in 1880 with his son Elias G. Wall. He was living in Casey Co. in 1830 and in Lincoln Co. in 1850. From the census listings, this couple had seven or eight sons and no daughters.

On 15 Dec. 1849, Whitfield Wall deeded his farm and furniture to Zachariah Wall to maintain Whitfield and his wife Polly Wall as long as they should live, and also children of Whitfield until they were 21 years of age (Lincoln Deeds U-366). Zach Wall and wife sold this land 958 acres) on 26 Jan. 1887, so it is presumed that Whitfield was deceased by that time (Lincoln Co. Deeds 19:252).

JESSE WALL(S) was born about 1804 (1850 census) or 1806 (1860 Census) or 1810 (1870 Census). He married 7 Nov. 1828 in Lincoln Co.; Lavinia Rogers. She was born about 1805 in Virginia, stated to have been a daughter of John Rogers and Nancy Dugens. While identification is still not firm, I have placed him currently as a son of Francis Wall Sr. according to research by other descendants. I had placed him as a son of Isaac S. Wall, although there is no definite proof in either case. He died in Lincoln Co. in April 1873 and his widow died aged 84 about 1889.

WALL was born in 1804, according to the 1850 Census; 1811 according to the 1860 and 1870 censuses and 1810 according to the age given on the 1880 census; more likely his date of birth was 1810/1811. He was living with his nephew who was his son-in-law Harvey Wall in 1880, who had married his daughter Malinda. This proves his brother was Elias Wall. He married 26 May 1836; Lucinda Falconberry who was born about 1818. She was a daughter of William and Mary (Wall) Falconberry, and therefore his first cousin, if William Falconberry, the bondsman was her father. She died 14 Dec. 1875, aged 58; her death record stated only her parents Falconberry were born in North Carolina. He died after 1880.

WILLIAM H. WALL(S) was born in 1809 in Lincoln Co., Ky. The birth dates of his children fit well with the probability that he was the individual who m. Nancy Singleton on 15 Mar. 1830 in Lincoln Co. Some have stated that she was Nancy Linthicum, but this was probably an old transcript of the marriage records. Gabriel and Barbara Wall deeded land to him in 1830 or 1831 in Casey Co. His wife died between 1848 and 1850. There was a legal suit about 1865 between him and his son Jefferson Wall. He died on 19 May 1875 in Lincoln Co. as “William A. Wall.”

SARAH/SALLIE WALL was born on 11 Sept. 1795. According to the 1850 census of Randolph Co., Mo., she was b. in Virginia, and according to a Randolph Co. history, in Rockingham Co., N.C. The latter states that she was related to the Wall family of Johnson and Henry Cos., Mo., although no traces can be found of her in compiled materials on that family (Zachariah Wall of Culpeper Co., Va.) She married 6 Feb. 1813; Rev. Benjamin Franklin Polson, a Baptist minister, probably in Casey Co., Ky., although there is no record preserved there or in surrounding counties for this marriage. He was born in Albemarle Co., Va., a son of Thomas Polson and his first wife Nelly Ellis; his stepmother was Judith Coleman. They moved to Randolph Co., Mo. about 1837-1838, since they sold land in Casey Co. on 15 Oct. 1837 (Casey Deeds 4:83); two adjoining tracts of 434 acres on Knoblick Creek which was part of the Polson tract. Francis M. Wall was connected with this sale, so she may have been his sister, although her parentage has not yet been conclusively proven. Certainly, given the time frame, she could also be a daughter of Francis Wall Sr. The childrens’ names may offer onomastic clues i.e.; Jacob and Reuben, the latter a son of Gabriel; Jacob for Jacob Sr. and Jr. She died on 10 Oct. 1870 in Randolph Co., Mo. and he died on 8 May 1873 and both were buried in the Old McAnne cemetery near Jacksonville, Mo.

FRANCIS MARION WALL was born in 1801, probably in Garrard Co., Ky. His name was listed in the Casey Co., tax lists from 1822. He married in Lincoln Co., Ky. on 1 Apr. 1826; Polly M. Wells, daughter of Elijah and Elizabeth (Ragsdale) Wells. The original bond was missing from the LDS filming, although it was available to Annie W. Burns in the 1930s; the marriage index listed him erroneously as Thomas Wells. He was appointed justice of the peace for Casey Co. in 1840.

On 13 Mar. 1837, Francis M. and John M. Wall deeded 150 acres to Enoch Burdett on Knoblick Creek (Casey Deeds 3:172-173). Part of this land was in Lincoln Co. and was a
portion of land granted in 1801 to Jacob Misner, his uncle by marriage. On 15 Oct. 1837, Benjamin Polson and Sarah his wife of Lincoln Co. deeded 434 acres on Knoblick Creek, bordering the corner of the Polson survey to Francis M. Wall. This is another reason for believing that Sarah was a sister of Francis M. Wall.

Francis M. Wall died between 26 July and 12 August 1850, and since his widow was not mentioned subsequently, or in court cases or deeds, as also Sally, Mary G. and Martha Ann, it is assumed that they died about the same time, perhaps during an epidemic. Polly M. (Wells) was still living as was Francis on 1 June 1850, the date the census was taken.

An 1854 decision of the Casey Circuit Court decided that the land mentioned above could be sold from the heirs of Francis M. being John M. (his brother), William H., Madison Wall and Elizabeth his wife v. Catherine Wall and Francis M. Wall Jr. This deed was recorded on 5 Dec. 1866. Benjamin P. Wall, the other son had deferred his share of the estate to his uncle and siblings on 4 Nov. 1851.

In his will (Casey Wills 3:227), he provided for a stone to be erected over the graves of his father and mother, deceased children and himself. This may account for the
different in Jacob Jr.’s death date on one of the stones in that lot, and the date reported in bounty

Pension application papers of Benjamin R. Wall Jr. which make interesting reading. After the war, he was in and out of asylums and lived with or was married to and divorced or left three women (names above). The name Riley in this family may reflect the maiden name of the mother perhaps the wife of Isaac Suttle Wall, esp. the granddaughter Ann Riley Wall.

ELIZA M. WALL is said to have m. 1) first to a Wall and 2) Augustus Dorn (the Dutchman). She was born in 1811/1813 in Kentucky. He was stated to have been a son of a soldier Dorn or van Dorn who fought and died at the Battle of Waterloo on 18 June 1815. In 1870, his age was given as 71, born Prussia, but born Europe, aged 57 in 1860. However, her name was given as Nancy, aged 69 in the 1870 Census of Casey Co. Bill and Margaret Wall thought that she was perhaps the widow of another Jacob Wall who seems to have died in 1841. If so, he was unidentified, unless he may have been a son of Isaac S. The Casey Co. tax list for 1842 stated that she had one child 7 to 17 years of age and 1843 with two children 5 to 16 years of age. She m. Augustus Dorn on 29 Nov. 1844 in Lincoln Co. who was first listed in the 1830 Census. Whitfield Wall was the bondsman for this marriage. Family lore states that Jacob A. Wall or Dorn was born before their marriage. She was not listed after being referred to as Nancy in 1870, so probably died some time before 1880. This Nancy reference was perhaps a clerical error, unless her full name was Eliza or Elizabeth Ann Walls.

The Poppa information states that Augustus Dorn’s first wife was Ruth Flecher; that he married at Harrisburg, Ky. About 1828 and had a son Nicodemus Andrew Jackson Dorn b. 1829 d. 1903, and died in May 1876 in Casey Co.

BENJAMIN G. WALLS was born about 1821 (1860 Census age) or 1824 in Lincoln Co., Ky. He married on 28 Jan. 1844 in Casey Co.; Nancy Catherine Bastin b. 1828, daughter of Thomas and Judith (Hodge) Bastin. Benjamin G. owned various acreages in Lincoln Co. and these show up in the deed books. He was deeded land by C. C. Montgomery on 22 Aug. 1850 (Deeds W-433). On 20 Aug. 1859, Benjamin G. Walls and wife deeded 49 acres to John Walls (Deeds 2:104), but Ellis G. Walls retained some land on the south fork of Green River. On 29 Feb. 1860, Benjamin G. Walls and wife deeded land to Elias G. Walls and Pleasant De on the Little South Fork, Green River. Elias G. Walls (probably the same) held a lien on the land (Deeds 2:403). This Elias or Elias Walls and John Walls were probably the sons of Jesse Walls, although the Green Walls was listed as deceased in a John Walls deed (2:410), so is not the same as Ellis G., son of Jesse; and may be the Elias G., son of Whitfield. Benjamin G. died after this deed some time around the time of the Civil War As to his parentage it is unknown. I think (as do
others) that he was a son of Whitfield, and possibly a twin of Zachariah (if indeed they were born the same year).

The problem still remains and none of the present-day family or descendants seems to know who he was, and there seems to be some mystery concerning him, according to Mrs. Flossie Oakes, a descendant who provided much of this information. Benjamin Riley Wall b. In 1810 appears to have been a son of Isaac Suttle Wall; he had a son Ben R. Jr. who was well-documented. The other Ben Wall was Benjamin P. Wall, a son of Francis M. Wall. There are strong connections with the Jesse Wall family.

L., but this is an error of the census taker, since the children, wife and ages correspond. They were living in Hustonville precinct, Lincoln Co. in 1880.

He enrolled 23 Nov. 1861 Co. K, 19th regiment, Kentucky volunteers, and was discharged 16 Jan. 1865. He was described as a 5 ft. 10” fair complexion, gray eyes. His company in the Civil War was Capt. BENJAMIN P. WALL (perhaps Benjamin Polson Wall) was born about 1829. He was probably married to Martha b. In Ky. in 1832, and this family lived in Narrows Twp., Macon Co., Mo. in 1860 and 1870. He may be the one who m. 2) in Casey Co. 11 Nov. 1873; Lucy J. Frederick, dau. of Stephen and Easter J. (Estes) Frederick. She was b. in 1844/1845. He was probably the father of the following child listed as nephew of William H. Wall in 1880. If so, he probably went to Missouri where he disappeared from view. Mollie (Wall) Wade is said to have mentioned an Uncle Ben without any other information to her daughter Eula (Wade) Brenneman. A Lucy J. Wall was listed in the 1880 Census with a daughter. This must refer to this couple, as I have been unable to connect her to any other male Wall. However, the 1860 and 1870 Census gives much more material including a son Grand in 1870, obviously the Grant Wall.

JEREMIAH JAMES WALL was born in Ky. in 1831/1834 and was living in 1880 in Marion Twp., Polk Co., Mo. He married Nancy Spears b. Ky. Sept. 1836. He is probably the son of John M. Wall who was b. 1831. This family lived in Jackson Twp., Randolph Co., Mo. in 1870. He lived in 1895 in Neosho Co., Kansas. He has been located in 1900 in Ottawa Nation, Indian Territory, Twp. 28N Range 23E, and Nancy was living there in 1910, so he must have died between 1900 and 1910.

JACOB WALL was born 11 Apr. 1854 near Middleburg, Casey Co., Ky., and was educated there in the common schools. He came to Andrew Co., Mo. in 1876 where he was employed as a farmhand for four years. He then rented a small property for two years, then bought 65 acres in the northern part of the county which he improved and subsequently traded for 80 acres in Rochester Twp. which was the nucleus of his prosperous 221 acre dairy farm; the Elm Grove Dairy Farm named after a grove of white elms there. While still working as a farmhand, he was living at the home of his uncle Francis M. Wall near Whitesville, he met and later married Eliza Jane Reece, an orphan and servant girl at his uncle's. They were married at the Frank Wall home on 25 Dec. 1879. She was born in North Carolina, 26 Feb. 1862 and came to Mo. in 1867 with her parents: Joel and Mary M. (Fleming) Reece. He never married.

FRANCIS MARION WALL was born on 11 Apr. 1858 near Middleburg, Ky. He moved in 1881 with his parents to Andrew Co., Mo. where he married Mary Elizabeth McGeorge, dau.

He farmed all his life and lived at various locations in Andrew and DeKalb Cos., Mo. This family lived as neighbors to his brother Randolph in Ragan, Harlan Co., Neb. in 1910. He died on 17 June 1925 near Union Star, and his widow died 4 Nov. 1942.

And Polly (Wells) Wall b. 1836 whose presence is not known after 1850, and was not mentioned in the division of property in deed and court records in Casey Co. It had been thought that the daughters died of cholera that probably lead to the deaths of Francis M. and Polly Wall about that time.

ROBERTS OF SPOTSYLVANIA & CULPEPER COS., VA.

JOHN ROBERTS was born about 1650 in Va.; the county is not known. There was a William Roberts of King & Queen Co. whose will was probated 17 Dec. 1728 in Essex Co. He had a son William Roberts Jr. who was bound out to James and Mary Wall of Essex Co. Relationship of this Roberts group and Wall group to those in Culpeper Co. are not known. He m. Eleanor or Elizabeth Duvall according to the published Roberts genealogy cited below. According to some Rootsweb databases his wife was Elizabeth Trammell, daughter of John and Mary Trammell. He lived in St. George’s parish, Spotsylvania Co., will dated 1724 and probated there in 1726.

He granted 90 acres of land to Malcolm McKenzie on 10 May 1735 in Spotsylvania Co. He appears to be the John Roberts who received tobacco to provide for doctor’s care for the widow Blanche Wall in Orange Co., St. Mark’s parish in 1737; no further reference to Blanche was found in these parish records. He later lived in Culpeper Co. where he left a will dated 10 May 1752. There seems to be confusion between him and his son John III, as some secondary references has this individual m. 1) to Elizabeth Russell and 2) Margaret Humphrey.

WATERS FAMILY

ELIZABETH (___) WATERS was the widow of a Mr. Waters, who has never been even named by name, or identified in Culpeper Co. records so far examined. She was born perhaps about 1710. She was granted 280 acres on the Gourdvine Fork (originally in Orange Co. on 7 Mar. 1747-1 Apr. 1748) described as being on top of a landmark called “Giant’s Castle.” This land was adjacent Francis Cooper, Richard Nalle, and John Cooper, and was surveyed by George Hume. Gourdvine fork or River is said to be northwest of Culpeper, the county seat near the current Culpeper-Rappahannock Co. line.

By 1768, this land was in Culpeper Co. when she deeded 110 acres to her son-in-law James Murphy. This land was surveyed 20 Dec. 1758-21 May 1760. The surveyor was Richard Young and pilot James Murphy. The neighbors then were Alexander McQueen, Isaac Wall and Richard Nalle. On 3 Aug. 1759, Elizabeth Waters deeded 100 acres to her dau. Elizabeth, wife of Isaac Wall of Brumfield parish. This was stated to be part of 280 acres granted to Elizabeth Waters by Thomas, Lord Fairfax on 2 Dec. 1751. The neighbors were Richard Burk, Samuel Scott. John Cooper above, was also a neighbor of Francis Walle in the deed to William Roberts in 1769. Samuel Scott was a son of Anthony and Jane (Hawe) Scott and his sister Frances m. Abraham Cooper (supra).

Children of Waters and Elizabeth ___

ii Elizabeth b. ca. 1735 m. Isaac Wall(e)

In Spotsylvania Court Orders, there was referenced a William Watters with wife Elizabeth on 9 Mar. 1724. In 1730, there was a Christopher Watters and Elizabeth, his wife who may have been a daughter of John Cooper, deceased. The Coopers, Duncans and Wat(t)ers need serious research. According to Spotsylvania court records, Jacob Wall (whose wife was Blanche) had an attachment of the estate of William Watters about 1725, but did not appear in court, so that the case was dismissed. So this is another connection with one of the earlier Walls with the Wat(t)ers families.

WALTERS FAMILY

ISAAC WALTERS was born about 1660 and left a will in Spotsylvania in 1724, probated on 6 Dec. 1726. There is some connection between the Walters and Waters family, as yet not researched. The will was proven by the oaths of Abraham Field, Susannah Brown and Blanch Wall. Isaac Walters was known to have one daughter Susannah who may have married Augustine Smith whose two sons Augustine Jr. and Thomas were legatees of his will. There may
also have been daughters Dorcas, Katherine and Elizabeth, but these appear to be children of another Walters family cited in a 1719 will.

John Bush in Walters genforum posting 11/9/02. Thomas Faulconer Descendants with Related Families pp. 152-153 is cited as having more Walters information. Bush states Walters’ wife may have been a Ball or Young.

Other families that need to be treated are the following: Norman, Duncan, and of Culpeper Co. Further information on these are to be found on the Internet and in print.
