THE KING FAMILY
DESCENDANTS OF RICHARD KING
1705 to 1991
Richard King and His Brothers

1. Richard King and Andrew King

"The following family record, compiled from various sources by Thomas E. N. King on the 25th day of June 1852. Thomas E. N. King is the son of Andrew King. Andrew King was the son of James King, and James King was the son of Richard King.

"Richard King - great-great-great-great-great-great-great-grandfather of Thomas E. N. King was born near the city of Dublin in the Kingdom of Ireland about the year 1700. He immigrated to the United States of America, then Colonies of Great Britain, probably about the year 1725. He was accompanied by his brother Andrew King who was Collector of the Port of New York, under the King of England, and there killed in a duel. Richard King then moved to and was located in the City of Philadelphia - then a small village - in the year 1725. There his first wife died.

"On the 7th day of April 1735 Richard King married Margaret Barclay, a lady of Dutch descent, of the family of Kerrs, above New Brunswick on the Hartran in the state of New Jersey - and by her had seven sons and four daughters.

"Richard King's children

Robert King born January 29th 1739
James King born January 9th 1737
Elizabeth King born April 17th 1739 - Married Hynthe
Richard King born November 3rd 1740. He was murdered by the Cherokee Indians on Tisheros Creek in Iredell County, North Carolina.
John King born March 11th 1743.
Margaret King born April 7th 1745. Married Thomas Hall.
Mary King born in 1747 - died in infancy.
Andrew King born October 2nd 1748. He lived in the state of New York. Was a Presbyterian minister - died Nov. 10th 1795.
Thomas King born September 25th 1750. Died October 5th 1812.
Samuel King born August 13th 1752. Died October 6th 1777.
Mary King born August 18th 1755. Married John Barr.

"Richard King's Removal

"Richard King, the father of the above named, removed from the State of New Jersey - where his children were all born, to Rowan County, in the State of North Carolina about the year 1755. There he embraced religion under the preaching of the celebrated George Whitefield. He died May 3rd 1782. Margaret King, the wife of Richard King died July 7th 1783."

The above notes, together with many other family records, were copied from the old family Bible, then in the possession of Major Stumpke Hall King, residing near Poplar Grove, Phillips County, Arkansas, by William Boardman King (son of Thomas E. N. King), on the 11th and 12th days of January, 1900. (Probably on the occasion of Mr. B. King moving to Algiers, La. to live with his son, Dr. Alfred C. King.) The small composition book in which
they were copied as still in my possession, although the Bible seems to be lost. This is the only record I have been able to find of the existence of Richard King's brother Andrew. However, much information is available about Richard King and his descendants. Other records place his birth at between 1716 and 1719.

Richard King's first wife was named Mary Ann, although we do not know her last name. She died in Philadelphia about 1723, having given birth to a daughter. Ann King, about 1728. Ann King married Thomas Lansden and apparently also moved to Rowan County, NC, where Thomas died about 1732. Her daughter Margaret Lansden is mentioned in Richard King's will.

WILL (Recorded in Rowan Co. Will Book E, Pg. 12)

"In the name of God Amen. The seventh day of May, 1778, I Richard King of Rowan County and State of North Carolina, being very weak in body, but of perfect mind and memory, thanks be given unto God: Therefore calling to mind the Mortality of my Body, and knowing that it is appointed for all mens once to die, Do make and ordain this my Last Will and Testament. That is to say principally and first of all I give and recommend my Soul into the hands of Almighty God that gave it, and my Body I recommend to the Earth, to be buried in decent Christian burial, at the discretion of my Executors: Nothing doubting but at the General Resurrection I shall receive the same again, by the mighty power of God. And as touching such worldly Estate as it hath pleased God to bless me with in this life, I give, devise and dispose of the same in the following manner and form:

"First I give and bequeath to Margaret, my dearly beloved wife, my Negro man named Mariah, waggons, plows, harrows and other materials, together with household goods and moveable effects, likewise the privilege of the land I live upon, to clear and cut wood at pleasure during life. I order my moveable effects as horses, cows etc., to be sold at public vendition, her riding horse excepted, likewise a cow and calf which I bequeath to my granddaughter Margaret Lansley, (Lansden vi) the money of said effects to be put to interest for the use of my wife, who is to discharge all my debts.

"Likewise I give and bequeath to my son Thomas King all my lands in consideration that he pay to my grandson, Richard Vytte, the sum of forty pounds in two years after my decease.

"I bequeath to my sons Robert, James, Andrew and John King and my daughters Ann, Elizabeth, Margaret and Mary, to each of them, I say, I bequeath five shillings sterling.

"And I do hereby utterly, absolutely, revoke and disannul all, and every other former testaments, wills, legacies, and bequests and executors (my sons Robert & James, I now appoint my sole executors) ratifying and confirming this, and no other, to be my last will and testament, in witness hereof I have hereunto set my hand and seal the day and year above written."
"Signed, Sealed, published, pronounced and declared by the said Richard King as his last will and testament, in the presence of us the subscribers.

Richard and Margaret King are buried in the Thyatira Presbyterian Church Cemetery, near Salisbury, NC. In August, 1963 a memorial headstone, replacing the original, was placed at his grave.

Richard King was originally a clothier. He is said to have been short and thick, in temper and manner quick, sociable, religious and affectionate to tenderness.

He was apparently a man of considerable property. In 1754 he took up a grant of 574 acres from Earl Granville, one of the Lords Proprietors, near Third Creek, but subsequently moved to the Thyatira area to land owned by a long time friend, Samuel McCorkle. Eventually this land was purchased from McCorkle. A number of his descendants still live in and about Rowan and Iredell Counties, some on land that has been in the family for over two centuries.

As was the custom of the times, most of Richard King's children had large families:

Ann King and Thomas Lansden had two children (He died relatively young)

Robert King and Mary Morrison had eleven children

James King and Sarah Hall had eleven children

Elizabeth King and James Hylthe had eleven children

Richard King was unmarried - killed by Indians at age 20

John King and Rachel Young had 12 children

Margaret King and Thomas Hall had 10 children

Mary King - died an infant

Andrew King and Jane Trumble had 6 children, and he and
Ruth Lott had 2.

Thomas King and Mary Hall (daughter of James Hall) had 8 children

Samuel King - unmarried - died of fever, age 25

Mary King and John Barr had 5 children.

By this count, Richard King had at least 76 grandchildren, a large family, indeed. Think of the number of first cousins!
II - Robert King

Robert King, presumably the eldest brother, emigrated to America from Ireland about 1729. He settled in Lancaster County, PA about 1735, where he was collector of taxes in Little Britain township in 1742. He raised a large family. One of his daughters married and moved farther west, and was killed when Indians raided the community in which she lived.

III - John King

John King was born in 1711, near Dublin, Ireland. He was married first in New Jersey, and had one daughter, Isabella, before his wife died. He went to Lancaster County, PA, and patented 150 acres in 1740, and married Margaret McDowell in 1741. They settled in Augusta County, VA in 1741, and raised seven children (in addition to Isabella). He was a farmer and miller. He died in 1795 in Augusta Co., VA.

A son, also named John King, born in 1754, served in the Virginia Militia in the Revolution. Later went to Rowan County, NC, where he married Eleanor Kerr, daughter of David and Jean Kerr, of Loddie Creek Community on May 17, 1792. They went to Pendleton, SC, and then to Jackson County, GA, where they raised eight children. He died in 1840. One of his sons was James J. King.

IV - William King

William King was born near Dublin (date unknown). He accompanied his brother John to Lancaster Co., PA, and to Augusta Co., VA. No record of his having been married. He died in Augusta Co., VA.

Copied from an old family Bible
by Wms. B. King, at Phillips Co.,
Ark, Jan. 11 & 12, 1900:
"Richard King----immigrated
to the United States of America,
than colonies of Great Britian,
probably about the year 1725. He
was accompanied by his brother,
Andrew King, who was collector of
The Port of New York under the
King of England, and there killed
in a duel. Richard King then
removed to and was located in the
City of Philadelphia-then a small
Village-in the year 1725. There
his first wife died.----"

The small notebook into which
the above and other family data
were copied is now held by
William P. King.

Elihu Spencer King was named for an older brother who died young, and both were probably named for Rev. Elihu Spencer, D. D., who was for a short period pastor of Fourth Creek Presbyterian Church and later president of Princeton University. He was christened by Rev. James Hall, D. D., his mother's brother. He was reared in the Presbyterian faith and may have transferred to the Clio Presbyterian Church, which was nearer his home, or affiliated with the Snow Creek Methodist Church where he and his wife, mother and father and a number of his children are buried. His brother Richard Hugg King was active in the organization of Snow Creek Methodist Church and Elihu with his family may have joined at that time.

The original tract of King land covered an area of over 1,000 acres and extended from the South Yadkin River to Snow Creek in Sharpsburg Township. It was part of a survey granted by Lord Earl Granville to William Morrison, August 27, 1762. William Morrison conveyed it to Patrick Sirriwa. on May 8, 1770, who in turn conveyed it to James King on September 17, 1779. James King willed the property to his son Andrew King on September 17, 1814. When Andrew King moved to Mississippi he sold the property to his brother Elihu Spencer King on December 13, 1834. Elihu willed the property to his son James Sidney King on September 14, 1840.

Elihu Spencer King was a well-to-do farmer, a prominent citizen of Iredell and gave his children the advantages of the best education available. Records show that he filled many positions of trust.

King left a Will recorded in Iredell County probate records, Will Book 2, Page 220:
