Fourth Generation
After the death of his mother, Margaret Agnes Knox Parker, James Gilbreath Parker and his three brothers moved to Indiana, where they all purchased farms and established homes. Rev. Elisha Parker and James were single and they purchased a farm jointly.

James was soon married to Permelia Paris, of Highland Co., Ohio and they began housekeeping on the farm they recently purchased. After the birth of John Wesley and Nancy Jane, James and Rev. Elisha sold their farm and Elisha moved back to Ohio to live with his sister, Nancy Parker Haws, and continue his work as a minister. James and his family set out in a covered wagon to go to their new home in Olmsted Co., Minnesota where he bought another farm.

They lived in Minnesota for 10 years and in 1865 they moved to Taylor Co., Iowa. After six weeks of travel in two prairie schooner type covered wagons they arrived and James G. bought 80 acres on Brushy Creek and another 20 acres of woodland. He was a resident of Taylor Co., for 14 years.

James and his family were all Methodists.

Cemetery plot and headstone reading Graceland Cemetery, Taylor Co., Iowa.
The headstone reads

James G. Parker
died Apr 12, 1879
ae 63 y 10m 11d

The headstone for James G. had sunk below the surface since the readings were done in 1990. I contacted a local mortuary about this problem. They went to Graceland Cemetery and checked it out. They were able to clear away the overgrowth but felt it was too delicate to be raised and reset. I checked with three Monument Companies. They all concurred, so I hired a Clarinda firm to install a new headstone. It is made of Berkeley Blue Grey Granite. It is 16 by 8 by 6 inches high. It is placed directly behind the original headstone. See picture.

Isaac William, third child of James G. and Permelia Parker was born in Olmsted Co., Minnesota, in a log cabin on his father's farm near Winona, Minnesota.

In 1865 when he was nine, his father sold their home and set out in two covered wagons for southwest Iowa where he bought another farm in Taylor Co.

When he was about twenty he purchased a 250 acre farm, two and a half miles northwest of his fathers farm. His sister Susan kept house for him. His father died three years after and when his mother sold the farm and moved to Clarinda, Iowa, he soon sold his farm and moved to Clarinda also, and made his home with his mother and youngest brother and sister. In 1890 he purchased a livery and feed stable in Clarinda and later engaged in buying and shipping horses.

About 1892 he purchased a home in Clarinda, where he brought his bride in 1893. In Feb. 1900 he sold his interests in Clarinda and moved to Boise, Idaho. Although Aunt Druce's book states that he bought a prune orchard and engaged in
the real estate business until 1905 and then moved to Twin Falls and built and ran a hotel until 1908. My research shows him in the 1902-1903 Boise City Directory as being in the livestock business and the 1904 Directory shows him in Real Estate. The 1906-1907 Directory just lists him with a home address. Research done by the Bonneville County Historical Society reports that he was not listed on the 1908 or later Directories. The family moved to Portland, Oregon, although they are not listed on any city directory, and then in 1910 they moved to Lindsay, California where he bought a 40 acre orange grove and other property. In 1916 he sold the orange grove and moved to Long Beach and purchased land in the Imperial Valley.

He died at the home of his mother-in-law while on a visit to Iowa.

160 Clifford Aldace PARKER, b. on 4 Dec 1896 at Clarinda, Page, Iowa; d. on 10 May 1940 at Los Angeles, Los Angeles, California; bur. at Forest Lawn Cem., Glendale, Los Angeles, California.

Clifford Aldace Parker served in the Navy during World War I. He graduated from the University of California at Berkeley with a degree in Pharmacy. He was accepted into the Free and Accepted Masons, Long Beach Lodge No. 327 on November 6, 1919. He was also a member of Scios, a Masonic Order in Long Beach. He was a member of the Glendale Kiwanis Club and Glendale Chamber of Commerce.

Before Cliff joined the work force he and his brother Howard traveled the United States in a Model T touring car. Jack and I each have a picture album of that journey.

Cliff owned two pharmacies in Glendale. One was located at the corner of Brand and Los Feliz Blvds. and was called Busy Corner Pharmacy. The other pharmacy was at Brand Blvd. and Chevy Chase Dr.

Cliff was a friendly and compassionate man. I remember him arriving at our door to inform us that due to the flooding we couldn’t go to the Rose Parade the morning of January 1, 1934. We could see no damage from the front of our house but when we looked out the back we could see terrible damage and boulders as high as the homes and old car bodies that had all washed down from the mountains. During another great flood, in 1938, he stripped his pharmacy of first aid equipment, medicines, etc., and personally delivered the supplies to those areas that were in need.

Two different sources were used in this compilation, the original records themselves and a copy titled "1737-1856 Record of Deaths, Marriages and Baptisms of the Lewes Presbyterian Church, Lewes, Delaware. Copied by The Works Progress Administration (WPA) from the Records of Rev. Joseph Brown Turner for the Public Archives Commission, Dover, Del. 1938." There were a significant number of entries in the latter source not found in the original collection, suggesting that one or two pages were missing from the original but had been copied by the WPA. Similarly there were a few pages missing from the WPA copy. In addition, the WPA copy omits many of the annotations found in the original. Abbreviations used: L. - Lewes; I.R. - Indian River; R. - Rehoboth; C.S. - Coolspring.
