I dedicate this book to my father and mother who endowed me with the ability to learn. In particular, my mother exerted much effort to insure that both my brother and I had the necessities of life and an education. She was a constant source of love and inspiration. My memory of a wonderful mother will endure forever.

James P. Harvey
In 1975, Marshall Brown published a book "Genealogy of the Harvey Family of Garrett County Maryland". His book, a scholarly work, traces the Harvey family from the George Washington era to the date of publication.

Brown employed a good, easy to follow, numbering system throughout his text. It allows the reader to trace family members as well as distinguishes one generation from another. I have chosen to follow his scheme so that my writing, from a numbering viewpoint, can be considered a supplement to his book. However, my numbers will be preceded by an H. For example, (H6195) is the number used for my aunt Elizabeth Ann Harvey and (H6196) is the number used for my father James William Fletcher Harvey.

Some of the sons of (305) Rezin Harvey, before the Civil War, left Hampshire County Virginia and Allegany County Maryland and went to Barbour County Virginia, now West Virginia. (410) James Quincy Harvey and (417) Jeremiah Harvey went from Hampshire County to Barbour County before 1850. (409) William E. and his son (566) Jonathan left Allegany County Maryland and went to Barbour County after 1850. (409) William E. did not stay in Barbour County permanently, he left Barbour County and went to Garrett County Maryland just before the Civil War.

One of William E. Harvey's sons, (569) William Jr., did not leave Barbour County with his father but instead went to the adjoining Taylor County and married Nancy Cassidy DeMoss in 1860. These are my grandparents. The full name of (569) William Jr. is William Fletcher Locke Harvey. (569) William Jr. is only mentioned in Brown's book as being a Civil War casualty. None of his descendants are mentioned.

This writing is intended to enumerate most of the descendants to date of (569) William Jr. (William Fletcher Locke Harvey). It will contribute a vital linkage from about the time of the Civil War to my generation.

The last chapter of this book is devoted to the Ordway family - my mother's family. The Ordways lived in the western part of Kentucky and originally came there from New Hampshire. The numbers assigned to the Ordways is preceded by an O. For example, (O101) is number assigned to Daniel Ordway.
In order to keep this genealogy record current and to disseminate information, the persons enumerated in this book should pass information to my granddaughter. This information should cover deaths, marriages and births. Be sure to include the date and place. Include also middle names.

My granddaughter is Ms. Kim Marie Harvey, 8303 Alabama Drive, Austin, Texas 78745 - Phone (512) 282-5927.

ACKNOWLEDGEMENTS

In early 1985, Gene Wesley, who lived in California contacted me regarding my knowledge of Harvey genealogy. In the process of answering her questions, my curiosity was aroused. Gene Wesley is my niece, the daughter of my half-brother Joseph Franklin Harvey.

Following the contact with Gene, her brother, Paul Michael Harvey, from Akron, Ohio, and I spent a few days together. We visited Barbour, Taylor, Tucker and Preston Counties in West Virginia and Garrett County in Maryland.

We visited the "Old Current Graveyard" about a mile north of Blueville (Grafton) (intersection of US Rt. 50 and US Rt. 119). It is located along the east side of Rt. 119. There my grandmother, Nancy Cassidy Wotring, is buried along with several of her relatives.

At Fellowsville in Preston County, we visited the "Harvey" store and was referred to Madeline Wolfe who in turn referred us to Russell Harvey of Garrett County.

After a few weeks had lapsed, I contacted Russell Harvey by phone and arranged to visit him. There I found out about the Harvey-Wilson reunion (first Sunday in August at White Church in Garrett County). I also obtained a copy of "Genealogy of the Harvey Family of Garrett County Maryland" by Marshall Brown. This book was a real inspiration for me to document more information about Harveys who were not covered in Brown's genealogy.

To that end I obtained information from the following people:

Doris Elizabeth Boylan  
Dale Irving Braley  
Margaret Ann Braley  
Catherine Agatha Drake  
Ethel Ruth Forest  
Eleanore May Grandon  
Agatha Harvey  
Glenwood Harvey  
Glenwood Harvey, Jr.  
Catherine Gene Wesley

James Richard Harvey, Jr.  
John Joseph Harvey  
Lester Warfield Harvey  
Shirley Jean Harvey  
James Arthur (Bud) Hoffman  
Robert Glenn Hoffman  
Louise Florence Payne  
Raymond Harvey Twigg  
James T. Trowbridge
Three of my cousins helped me assemble information about the Ordway family - my mother's maiden name:

Mrs. Wilford B. (Sis) Baker
Clifton Ordway Dorr
Virgil Ordway Lamb

After much encouragement from my wife, Helen, I obtained a computer for this work. To me, with vision limitations, the large letters on the screen were a blessing. Editing is made ever so simple. Also, she has spent many lonely hours as a "computer-widow" while I assembled information. She has accompanied me on several trips to libraries, archives, etc. and assisted greatly in searching records.

Don't expect all of the contained information and data to be completely accurate. For example, several dates are conflicting.

CHAPTER I

The Early Harveys -- pre-Civil War

I am deeply indebted to (7360) Russell Wilson Harvey who made available to me a copy of a book written by (7538) Marshall G. Brown, "Genealogy of the Harvey Family of Garrett County Maryland". Copies of Mr. Brown's research notes and papers are available in the Ruth Enlow Library in Oakland, Maryland. A copy of Mr. Brown's book is also available on microfilm in the Salt Lake City Library which is maintained by the Mormons.

I have partially reproduced a table (C-2) from Mr. Brown's book beginning with (101) William Harvey Sr. My table only gives descendants to the fourth generation whereas Mr. Brown's table extends to the fifth generation. However, this abbreviated table does give in capsule form the early ancestors.

Most of the following pre-Civil War information about the Harveys has been abstracted from the Marshall Brown's manuscript.

(101) William Harvey Sr. was an English immigrant and settled initially in Price George's County Maryland. He was born sometime before 1724. His wife was named Statia, however, we do not know her last name. They had only one son (201) William Harvey, Jr., born in 1744 at Piscataway, Maryland.

Sometime between 1744 and 1764, William, Sr. and his family moved to what is now Montgomery County Maryland near the town of Damascus. There both William Sr. and William Jr. bought land. On March 26, 1794, William Sr. sold his land to William Jr. Sometime after 1794, William, Sr. died.

(201) William Harvey, Jr. married Margaret Bell in 1770. They reared six sons who were born between 1770 and 1779. About 1798, William Jr. and his family moved to Emoryville, near Elk Garden located in what is now Mineral County West Virginia. William, Jr. died sometime after 1827.

Of the six sons of William, Jr., (305) Rezin Harvey is of particular interest, since the people covered in this writing are descended from him.

(305) Rezin Harvey was born June 19, 1778 and died in 1875, at the age of ninety-seven. Rezin married Elizabeth Queen about 1801. He purchased one hundred forty acres of land in what is now Mineral County West Virginia about three miles
north of Elk Garden and extending north to the Potomac River. Rezin and Elizabeth reared a family of eleven children, nine boys and two girls.

Nearby and across the river lived Thomas and Susan Bowman Wilson with a family of nine girls and four boys. Four of Rezin's boys and two of (302) Elizah Harvey's (Rezin's brother) boys married daughters of Thomas and Susan Bowman Wilson family. Quite a series of intermarriages, indeed!

On January 23, 1851, Rezin sold his farm in Virginia (West Virginia became a state in 1863) and on August 30, 1851 purchased one hundred acres in what is now Garrett County Maryland near the present White Church. White Church is the place where the Harvey-Wilson reunion is held on the first Sunday in August each year. In 1855, Rezin sold his farm in Maryland to his son (413) Nathaniel Bell Harvey.

The following is a listing of Rezin's children, all born between 1802 and 1821:

408 Samuel  
409 William E.  
410 James Quincy  
411 Elisha  
412 Noah  
413 Nathaniel Bell  
414 John W.  
415 Dock  
416 Mariah  
417 Jeremiah  
418 Susan
CHAPTER II
Some of My Special Acquaintances

I am acquainted with a few of the contemporary Harveys, all of whom are descendants of Rezin Harvey.

For example, I met (6266) Marshall G. Brown at the Harvey-Wilson reunion in August 1986 prior to his death in 1987. He is the great grandson of (412) Noah Harvey.

Another of my acquaintances is (7137) Wilson Ward Harvey, a retired Methodist Minister living in Keyser, West Virginia. He is the great grandson of (413) Nathaniel Bell Harvey.

(7360) Russell Wilson Harvey, I have visited his home about three miles east of Red House, Maryland. He is a great grandson of (409) William E. Harvey.

(7350) Madeline Wolfe lives near Fellowsville, West Virginia. I refer to her near the beginning of this book. She is a great granddaughter of (409) William E. Harvey.

As a young boy, my mother and I visited (6189) Lillie Maud Harvey who lived in Fellowsville, West Virginia. She is the great granddaughter of (409) William E. Harvey.

My father's only sister, Elizabeth Ann Harvey Hoffman, (Aunt Lizzie) reared her family in Tunnelton, WV. I used to visit her on a frequent basis during my childhood. At that time she was married to Jessie Danser and lived in sight of my home.

And there was my father who is not listed in Marshall Brown's book. My father, James William Fletcher Harvey, (1862-1925) is the grandson of (409) William E. Harvey. My grandfather, (569) William Fletcher Locke Harvey and his descendants form the subject of this writing. I was only past six years old when my father died.

The above listing gives some idea of the scope of my knowledge of the Harveys.

With much sadness, after this manuscript was prepared, it was learned that (7360) Russell Wilson Harvey died at Sacred Heart Hospital in Cumberlend, MD on 5 Mar. 1990. He is buried in Oak Grove Cemetery near White Church in Garrett County, MD.
CHAPTER III

Westward Ho!

Rezin Harvey married Elizabeth Queen in 1801. They had a family of eleven children born between 1802 and 1821. Of the eleven children, nine were boys. Until 1851, Rezin and his wife lived in Hampshire County (now Mineral County WV) Virginia. A listing of the eleven children is found at the end of Chapter I.

Four of Rezin's sons left their home county and moved further west in Virginia (now WV). They were (409) William E., (410) James Quincy, (414) John W. and (417) Jeremiah.

(414) John W. married and moved to Upshur County.

Three other sons: (409) William E., (410) James Quincy and (417) Jeremiah all went to Barbour County Virginia.

(410) James Quincy married Ester Beans. He and his family moved to Barbour County sometime before 1850. In the 1850, Barbour County census (see appendix D-2), seven children are listed:

All born in Virginia.

(417) Jeremiah Harvey, another of Rezin's sons, married Nancy Irons Nov. 11, 1840. Both he and wife were born about 1820. Jeremiah and his wife Nancy are listed in the Barbour County census for 1850, 1860, 1870, and 1880. (see appendix D-2, 3, & 5).

The following children are listed in the 1870 Barbour County census in Jeremiah's family:

<table>
<thead>
<tr>

<td>15</td>

</tr>
<tr>
<td>5125</td>
<td>Eliza</td>
<td>13</td>

</tr>
</tbody>
</table>
There is some disagreement between the census listing and that included in Marshall Brown's book.

Judging from the 1880 Barbour County census (D-2) some of Jeremiah's children remained in Barbour County and became farmers.

Particular attention has been given to Jeremiah Harvey since he lived in Cove Township, the north-eastern part of Barbour County near to Taylor County, Jeremiah will be mentioned in a later chapter, since he was a guardian for the son and daughter of his nephew, William Fletcher Locke Harvey.

(409) William E. Harvey was born in Hampshire County Virginia (now Mineral County WV) in 1805 and died near Deer Park in Garrett County Maryland in 1884. After he married Elizabeth Wilson in 1823, he moved to Ryan's Glade in Garrett County Maryland. Most of his children were born there. Soon after 1850 he and his family moved to Barbour County Virginia (now WV). Soon after 1860 he returned to Garrett County, Md.

Marshall Brown lists the following children of (409) William E. and Elizabeth Wilson Harvey:

566 Jonathan
567 Norman
568 Benjamin Franklin
569 William Jr.
570 Charles Crampton
571 Emily Tower
572 Elizabeth Susan
573 Sarah
574 Thomas Ephriam

All except Sarah, Thomas Ephriam, Norman and Jonathan are listed in the 1860 Barbour County census in the William Harvey family. Benjamin Franklin returned to Garrett County and he also served in the Union Army during the Civil War. He is the grandfather of (7360) Russell Wilson Harvey, previously mentioned. Norman continued to live in Garrett County, Md.
(566) Jonathan, the oldest son of William E. married Annamelia Paugh in 1849 and lived for some time in Garrett County, Md. Not long after 1850 he moved to Barbour County Virginia (now WV). Recall that his father moved to Barbour County in 1850. Many of Jonathan's descendants located in southern Preston County, particularly around Evansville and Fellowsville. I have previously mentioned (6189) Lillie Maud Harvey and (7350) Madeline Wolfe, both lived at Fellowsville.

Another of William E. Harvey's sons, (569) William Fletcher Locke Harvey was born in 1840 in Garrett County, Md. and accompanied his family when they moved to Barbour County. He is listed as William J. L., a 20 year old farm laborer in the 1860 Barbour County census. (see appendix D-3).

More about (569) William Fletcher Locke Harvey in the next Chapter.
CHAPTER IV

William Fletcher Locke Harvey and Nancy Cassidy DeMoss

(569) William Fletcher Locke Harvey was born May 7, 1840, no doubt while his parents (409) William E. and Elizabeth Wilson lived at Ryan's Glade in Allegheny County (now Garrett) Maryland. Ryan's Glade is located a few miles north of Gorman, Maryland near the White Church.

As part of his family, William F. L. Harvey moved with his family to Barbour County Virginia (now WV) in 1850. He is listed in the 1860 Barbour County Virginia census as being 20 years of age and his occupation as a farm laborer.

In the adjoining Taylor County, lived Nancy Cassidy DeMoss. She was born March 16, 1840, the daughter of James A. and Mary DeMoss. The family of James A. and Mary DeMoss is listed under the 1870 census for Taylor County, WV. (see appendix D-16).

In a "Widow's Claim for Pension", dated 10 January 1865, Nancy states that she and William F. L. were married in Union Township (Taylor County WV) on 9 October 1860. As near as I can determine Union Township must have been located in the extreme eastern part of Taylor County. In a newspaper article (Clarksburg Exponent-Telegram Feb. 1934) "Joseph H. Hulderman of Taylor County Descended from Noble Swiss Family" the DeMoss home is described as being 320 acres located on Big Sandy Creek two and one half miles east of Thornton along US Rt50. They were married at the home of her father James A. DeMoss by Rev. A. Bowers. She further states that she and her two children were residents of Union Township in 1865.

William F. L. and Nancy's first child, (H6195) Elizabeth Ann Harvey, was born 25 October 1861, presumably in Union Township in Taylor County Virginia (now WV).

Almost a year later, William F. L. Harvey joined the Union Army. He was mustered in as Corporal on 27 August 1862 at Wheeling, Virginia (now WV). He was born in Allegheny County Maryland. He was 24 years of age, 5' 9" tall, dark complexion, blue eyes and dark hair. His occupation was farmer. This personal information is derived from his Army enlistment papers, obtained from the National Archives. He joined Company H of the 12th Regiment of WV. This company
was originally organized in Grafton, Taylor County Virginia (now WV). The Commander of H company was Capt. J. H. Bristor and the term of the enlistment was three years.

Not long after William F. L. enlisted, a second child, his only son, was born, (H6196) James William Fletcher Harvey, on 26 November 1862. In fact Nancy was pregnant at the time of William F. L.'s enlistment.

To get some idea of William F. L.'s service record, the following is a tabulation of his muster roll from his record obtained from the National Archives:

I have terminated the listing of action of the 12th Regiment of WV because it was on the 3 Sept. 1864 at Berryville that Corporal William Fletcher Locke Harvey received a gunshot wound to the body. He died the following day 4 Sept. 1864 in a Field Hospital at Sandy Hook Hospital (near Harper's Ferry, WV.)

An engaging and detailed account of the activities of the 12th Regiment of WV "History of the Twelfth West Virginia Volunteer Infantry, The Part it took in the War of the Rebellion 1861-1865" was written by William Hewitt. This
book was published by the Twelfth West Virginia Infantry Association, 20 June 1892. First Lieut. William Hewitt was a member of the 12th.

I have obtained a copy of one letter that Cpl. Harvey wrote to his wife Nancy on 16 Nov. 1863. This letter is in the possession of Lance Hoffman. His brother Ralph Hoffman took pictures of this letter and I made a typed copy which is reproduced as follows:

My Nancy C Harvey

Still one other keep-sake, William Fletcher Locke Harvey's personal diary. This diary will be in the possession of Kim Marie Harvey.
Records show that the personal possessions of Cpl. Harvey were turned over to his father William E. Harvey at Sandy Hook Hospital on 19 Sept. 1864.

William F. L. Harvey was originally interned at Weverton, Md. which is just a short distance from Sandy Hook where he died. A National Cemetery was created at Antietam, Md. in 1865. During the years of 1866 and 1867, bodies from the surrounding area were moved to Antietam. Cpl. William Fletcher Locke Harvey is in Grave No. 2600 of the WV section of the Antietam National Cemetery.

About four months after her husband lost his life, Nancy filed a "Widow's Claim for Pension", on 10 Jan. 1865. She is listed as 24 years of age and her residence is shown as Union Township, Taylor County, WV. This claim was filed in accord with the law "An Act to grant Pensions" adopted by Congress on 14 July 1862. Her claim also states what is already known, that she and her deceased husband, William Fletcher Locke Harvey, had two children, Elizabeth Ann Harvey and James William Fletcher Harvey. This claim was filed by attorney Jacob Fream. According to my reading of this law, Nancy and each of the children would be granted a pension of eight dollars ($8.00) per month and the lawyer was allowed $1.50 for completing the application.

During the time William Fletcher Harvey was in the army, another soldier, William J. Wotring, was also in Co H, 12th Regiment of the WV Volunteers. Recall that Co H was made up of men from Taylor County. William J. Wotring survived the war and was discharged 16 June 1865 at Richmond Va. He too was a resident of Taylor County having been born at Knottsville about a mile and a half southeast of Thornton on 15 Dec. 1843. His address at time of enlistment, 27 August 1862, was Thornton and he is the son of Abraham and Ruth Wotring. He is described as 5' 9 1/2" tall, fair complexion, dark hair and dark eyes.

Three years after William J. Wotring was discharged, he married Nancy C. DeMoss Harvey. On 17 May 1868 they were married at the home of home of Nancy's father, James A. DeMoss. by Rev. E. S. Wilson. Both William J. and Nancy were residents of Taylor County. He was single and she was a widow with two children.

In the 1870 Taylor County census (See appendix D-16) we find that William J. Wotring, Nancy C. Wotring, Elizabeth Ann
Harvey, James William Fletcher Harvey and G. Hood Wotring (born 1869) are all listed as living at the home of Abraham Wotring, William J. Wotring's father.

On 29 Feb. 1870, Samuel G. Wotring, a brother of William J. Wotring, was appointed guardian of Elizabeth Ann Harvey and James William Fletcher Harvey. A "Guardian of Minor Children for Pension" was filed. This application was filed by Attorney Jacob Fream according to "An Act increasing the Pensions of Widows and Orphans, and for other Purposes", adopted by Congress on 25 July 1866. This act increased the pension for Nancy and each of the children by two dollars per month. Samuel Wotring lived in Haymond Township, Taylor County and Thornton was his post office. Jacob Fream's address was Racoon, Preston County WV.

About late 1871 or early 1872, Samuel G. Wotring left WV and went to Michigan.

On 28 June 1872, an "Application of Guardian of Minor Children, in order to obtain Army Pension" was prepared by Attorney Fream. This time the application was filed under the act adopted by Congress in 1862 not the act adopted in 1866. The reason is not apparent. This time, Jeremiah Harvey of Cove Township, Barbour County, WV was appointed guardian. Cove Township is located in the northeastern part of Barbour County. Jeremiah Harvey is a younger brother of William E. Harvey and an uncle of William F. L. Harvey. The certificate, No. 184,237, issued to Samuel G. Wotring was lost and another, No. 142,455 was issued to Jeremiah Harvey. Both Elizabeth Ann Harvey and James William Fletcher Harvey were covered. Jeremiah lists his post office as Evansville, Preston County, WV.

On 25 Aug. 1874, William J. Wotring, the step-father of Elizabeth Ann Harvey and James William Fletcher Harvey was appointed guardian under the certificate No. 142,455. It is claimed that Jeremiah Harvey had lost the certificate. Once more Fream was the attorney. This application claims that the original certificate, No. 142,455, was issued 27 April 1870, however, the foregoing information sheds some doubt on this issue date.

On 25 March 1878, the U. S. Pension Agency issued a notice of dropping the children of William F. L. Harvey from the pension rolls because of 'child of age'. Sixteen years is considered 'child of age',
To the marriage of William J. Wotring and Nancy C. DeMoss Harvey were born four children: (See Family Group Record in Appendix A-55)

- G. Hood Wotring  born 1869 died 1909
- T. W. Wotring  1871 1893
- Roscoe Russell Wotring  1873 1952
- Estelle Maud Wotring  1875 1912

This information was supplied by William J. Wotring to the Department of Interior, Bureau of Pensions on 25 Mar. 1915. It was also stated that all the children were dead except R. Russell Wotring. William J. Wotring lists his address at that time as Blissfield, Michigan. About 1935, I met R. Russell Wotring while he was visiting Tunnelton, WV., his home was also Michigan.

The 1880 Taylor County census (D-17) cannot be easily explained. Present in the Abraham and Ruth Wotring household was William J. Wotring, his wife Nancy and James William Fletcher Harvey, William J.'s stepson. Of the four children listed above, only Hood is listed in this census. Elizabeth Ann Harvey had married 1 Jan. 1880 and the census was taken later in the year.

In a "1890 West Virginia Veteran Census Index" Nancy C. Harvey is listed as receiving a pension from the death of her first husband, William Fletcher Locke Harvey. Her address is listed as Kingwood, Preston County, WV.

On 15 May 1890, William J. Wotring again applied for a disability war related pension. And in July 1890 additional evidence was supplied supporting his claim. At this time his address was listed as Kingwood, Preston, WV. The 1890 census for Preston County was destroyed by fire.

Nancy C. Wotring died in Cumberland, Maryland on 6 Aug. 1900. She is buried in what I call the "Old Current Cemetery" located about one mile north of the intersection of US119 and US50 in Grafton (Blueville). This cemetery is on the east side of US119. She shares a common monument with her sister Mary DeMoss and her name is shown as Nancy C. Wotring.

Pension records show that on 15 June 1903, William J. Wotring married Jennie Peters. She was living in/or near Thornton, WV and had two children. William J. and Jennie
had marital problems and he left her home on 25 July 1906. Jennie filed for 1/2 wife's pension on 13 July 1909. Then William J. Wotring filed a deed of trust against Jennie Wotring's property on 26 Aug. 1909. They finally divorced 8 May 1912.

On 9 May 1913, William J. Wotring again filed for a Veterans Pension. At that time he lists his address as 241 S. Jeff St. Dayton, Ohio. He was 69 years of age and living in a National Military Home.

CHAPTER V

Elizabeth Ann Harvey

and

James Asbury Hoffman

(H6195) Elizabeth Ann Harvey was born 26 Oct. 1861 in Taylor County Va. (now WV), the daughter of (569) William Fletcher Locke Harvey and Nancy Cassidy DeMoss. Elizabeth Ann's parents were married in 1860 and lived presumably at Nancy Cassidy DeMoss's home in Union Township in Taylor County at the time of her birth. One obituary account of her death lists Maple Run as being her birth place. Maple Run originates in Preston County and enters Little Sandy Creek about one-half mile inside the Preston County-Taylor County line along US50.

Just prior to the birth of her brother (H6196) James William Fletcher Harvey, her father joined the Union forces in the Civil War and was killed in 1864. This left Nancy C. Harvey with two very young children, Elizabeth three years and James William two years old.

In March 1868, after the war was ended, Nancy C. Harvey married William J. Wotring, another Taylor County soldier in the same unit with her deceased husband (569) William Fletcher Locke Harvey. They were married at Nancy's parents home. (see Appendix A for "family group records" and Appendix D for "census" records).

In the 1870 census (D-16) of Taylor County of WV, we find that Nancy C., her husband William J., the two Harvey children, Elizabeth and James William and a new born son, Hood Wotring living with William J.'s father Abraham Wotring.

By the 1880 census (D-17), only Elizabeth's brother James William and Hood Wotring, her half-brother and parents were shown to be at the home of Abraham S. Wotring. In the meantime, three other children were born to William J. and Nancy C. Wotring.

Torbert W. Wotring 1871-1893
Estella Maud Wotring 1875-1912
Roscoe Russell Wotring 1878-1967

No reason can be given why these three children were not included in the 1880 census.

On New Year's Day, 1 Jan. 1880, (H6195) Elizabeth Ann Harvey married James Asbury Hoffman in Deer Park, Garrett County
Maryland. James Asbury was considerably older than Elizabeth, he was 45 and she was 19.

James Asbury was the son of David Martin Hoffman and Margaret Ann Rebecca Castle. James Asbury and Elizabeth Ann lived in Tunnelton most of their married life about two miles up the No. 4 road. James Asbury was a wagon-maker, a repairman and blacksmith. The first of their children was born in Grafton but the rest were born in Tunnelton. CHAPTER VI

James William Fletcher Harvey
and
Catherine Ellen Murray

H6196 James William Fletcher Harvey was born near Thornton in Taylor County, Union Township, WV. James William was the second child of (569) William Fletcher Locke Harvey and Nancy Cassidy DeMoss. (See Appendix A-16 for Family Group Records and Chapter IV for details about Union Township)

James William's father (569) William Fletcher Locke Harvey joined the Union army 27 Aug. 1862 and (H6196) James William Fletcher was born 26 Nov. 1862. His father and mother were married 9 Oct. 1860 and his only sister (H6195) Elizabeth Ann was born 25 Oct. 1861.

On 4 Sept. 1864, (569) William Fletcher Locke Harvey died of a gunshot wound received 3 Sept. 1864 at Berryville, Va. He is now buried at the Antietam National Cemetery, not far from Hagerstown, Md.

Nancy C., James William's mother, his sister, Elizabeth Ann, and James William, himself continued to live in Union Township, Taylor County until 1868. On 17 May 1868, Nancy C. Harvey married William J. Wotring. They were married at the home of James A DeMoss, Nancy's father. (See Chapter 4 for more details about the marriage).

The next account I could find about James William was the Taylor County census for 1870. Living at the home of Abraham Wotring, William J.'s father were: (See Appendix D-16)

William J. Wotring
Nancy C. Harvey Wotring
Elizabeth Ann Harvey
James William Fletcher Harvey
G. Hood Wotring -- 1 month old -- half-brother to the two Harvey children.

In the 1880 Taylor County census, the following were found at Abraham Wotring's home: (See Appendix D-17)

William J. Wotring --- age 36
Nancy C. Harvey Wotring --- age 38
James William Fletcher Harvey -- age 17 years
G. Hood Wotring -- age 11 years

Not listed were:

Elizabeth Ann Harvey -- married 1 Jan 1880
Tolbert. W. Wotring ------born 1871
Roscoe Russell Wotring------born 1873
Estelle Maud Wotring-------born 1875

No explanation is offered for the absence of the later three children.

In Newburg, Preston, WV. on 6 Apr. 1864, Catherine Ellen Murray was born. Her parents were Micheal Murray and Catherine Follen, both Irish. Newburg is only about nine miles west of Thornton, WV which is near where Abraham Wotring's home was located. (See Appendix D-12)

James William Fletcher Harvey and Catherine Ellen Murray were married at the Catholic Church in Newburg on 3 Nov. 1886. They must have started housekeeping at Independence, Preston County, WV because their first child (H7773) Terrance Vance Harvey was born there 2 Sept. 1888. Independence is only about two miles west of Newburg.

The next three children were born at Newburg, Preston County, WV. Note the birth dates!

H7774 Patrick Dare Harvey -- born 13 Sept. 1891
H7775 Bridget Gladys Harvey -- born 13 Sept. 1891
H7776 William Fletcher Harvey -- born 1 June 1894

The final three children were born at Tunnelton, Preston County, WV, again note the birth dates. Address was High Street.

H7777 Mary Veronica Harvey -- born 6 Nov. 1899
H7778 Joseph Franklin Harvey -- born 12 June 1901
H7779 Catherine Ellen Harvey -- born 19 Apr. 1903

The 1900 census of Preston County lists the expected family members of James William Fletcher Harvey, except that Patrick Dare is omitted. (See Appendix D-13)

In 1903, W. Scott Garner published a book, "Industrial -- Commercial Growth of Tunnelton, West Virginia - a Coal Center" Mr. Garner was a local publisher in Tunnelton, WV. He gave an autographed copy to my Mother, Leto Harvey.
Shaver. A copy of this book will be in the possession of my granddaughter Kim Marie Harvey. On page 37, the following biography of James William Fletcher Harvey is given:

WILLIAM F. HARVEY, now superintendent of the Irondale Valley Coal Co., at Victoria is still a citizen of Tunnelton, where he served one term as mayor, and was general mine foreman for Merchants Coal Co. up to May 1, 1901. James William Fletcher Harvey
and
Leto Ordway

My mother, 0304 Leto Ordway, was the second wife of (H6196) James William Fletcher Harvey. Leto was a native of Kentucky, having been born 18 May 1880 in Fredonia. This is a small town in western Kentucky, about midway between Princeton and Marion. Her parents were Howsan Floyd and Rebecca Ann Ordway.

James William Harvey and Leto Ordway were married at Evansville, Indiana on 21 May 1913 at the St. John's Church. According to a copy of the Marriage license, her younger sister Stella Ordway Lamb was one of their witnesses. My father listed his address as Nortonville, Kentucky at the time of their marriage. Records also show that he was working in Kentucky much earlier than the time of their marriage. He was issued a 'Mine Foreman Certificate' by the State of Kentucky in 1908. It should be mentioned that his first wife Catherine Ellen Harvey died at Terra Alta, WV in 1910.

James William Fletcher Harvey and Leto Ordway had a family of four boys, two of which died at infancy:

H7780 Thomas Y. 1918-1918
H7781 James Preston 1919-
H7782 Albert D. 1921-1921
H7783 Glenwood 1923-

After having lived in various coal-mine towns in West Virginia, my family lived one summer in Arkansas on a cotton farm and finally ended up on a farm at Farmers, Kentucky. It was there on 30 Dec. 1925 that my father died. The cause of death was pneumonia fever. He was initially buried at the "Old Current Cemetery" in Grafton, WV. This is the same cemetery where his mother Nancy H. Wotring is buried. It is located about three miles north of the intersection of US 50 and US 119 on the east side of US 119. His body was accompanied from Farmers, KY to Grafton, WV by his oldest son Patrick Dare Harvey.

Two published accounts of his death are presented herein:

In the Grafton, WV paper, the following article appeared:
