Dodd Docket
Again special thanks to all of you subscribers for your support of the newsletter through the second year of its publication and for your continuing support as witnessed by the wealth of renewals received. Your extra contributions to the "postage fund" and the SASEs are very much appreciated. Everyone truly appreciates your contributions to the contents of the newsletter. Please keep up the good work. Several subscribers have written that they were able to extend their Dodd lines a generation or more from the published material. If you are in a courthouse this summer won't you copy the marriages and wills, etc., to share with all of us? How about some cemeteries? How about any Dodd from your area census?

This issue will close the "contest" for a logo. All entries, not previously shown, will be included in this issue. PLEASE let me have your vote for the winner who will receive a year's free subscription to the newsletter. Your choice shall be name of the publication.

Vacation time is approaching as this is being written. Do not expect an answer to your letter from mid June until about 1 August. Hopefully the time will be well spent on Dodd research that will enhance information in coming issues. So, press time is early. Have a good summer. By all means share your findings. Maybe we shall meet in a courthouse?

HELPFUL HINT: When filling out ancestor charts or family group sheets ALWAYS use counties and states. Do not, repeat DO NOT, use only the name of the town or city unless it is not part of a county. Few records can be found in cities. You must always search in county records. It is nice to have a record of the city but do designate in which county and state.

Sorry folks. The typewriter just couldn't stop at the normal eight pages. Thanks to those who so graciously shared their Dodd research material. Again thanks to those who have sent along a little extra for postage or whatever. Their generosity made it possible for the extra pages.

Transcription has begun of the 1910 Census Soundex/Microcode. KS, MO, OK and TX are completed, leaving 19 states to be done. This is on DODD only since Dodds are of a different code. These are very poorly done. Beware! Families are missed and spelling is very poor.

New material received recently has netted in several BIG discoveries concerning families. Won't you check your courthouse for births, deaths, marriages, wills, etc? 1860, 1870 and 1880 census are always needed; holdings are sparse in those areas anywhere. Clues turn up in the strangest places. None of the "big discoveries" were found in logical areas.

This will be the last newsletter before the Christmas holiday season. Best wishes to you and your family during this time and all good wishes for the coming year. May 1983 be even better.

Let us welcome The Library of Congress as a subscriber to the Dodd Newsletter. All back issues are on file there, along with the current subscription.

Do you have Dodd information to share? Have you checked your courthouse for wills, deaths, marriages, births, naturalizations, etc.?
Copyng continues on the 1910 Soundex. States completed thus far are AR, CA, FL, IL, KS, KY, MO, OK, TN in progress, TX, VA in progress, and WV. If you have access to Soundex won't you copy a state and share with the clearinghouse? Have you checked your courthouse for Dodd marriages, wills, divorces, deeds, etc.? Obituaries, biographies, school census, draft registration, naturalizations, 1860 and 1870 census, to name only a few, are always appreciated. Why not declare a "Share a Dodd Day"?

In 1850 Bounty Land was enacted for the War of 1812 veterans or their widows. Acreage was
granted according to rank; a private received 40 acres of land which was usually sold to land
speculators. In 1855 another act granted additional acreage and at that time minor children
were added as recipients. The regular claim has some genealogical information but the widow's
claim has much more. When there were minor children, especially with a guardian, all children
are listed and their birth date given. The pension for 1812 veterans was not enacted until 1871.
The pensions are indexed and are on film at the National Archives (a copy of the
film is on hand here at the clearinghouse). The Bounty Land records are not indexed, nor
have they been filmed as of this date.

Thank you for the contributions to this newsletter and that which remains for future issues. Remember new material is always needed and appreciated. Why not make it a new year's resolution to check your courthouse or library for material on DODD? Sometimes it only takes one small shred of evidence to make the difference.

28
This completes the third volume of the Dodd newsletter. A big THANKS to you for your continued support and contributions. Again thanks to those who contributed a little extra to the postage fund and for the SASEs. This is all appreciated very much. A little change this time—you will find, enclosed, a renewal slip, as a reminder, so that you will not miss an issue. If you have sent your renewal, please disregard the notice or pass it on to another Dodd searcher.

It is becoming increasingly difficult to keep up with the correspondence. In the past I have tried to notify researchers whenever anything new was found that pertained to their families, but for the future you should not depend on this, rather look to find it in the newsletter. It has, usually, been a practice to put a letter of thanks in the mail for any information received, again, don’t expect this. I will try to include a thanks along with the newsletter. This does not mean there is any less appreciation; it means it just takes a little less postage. There will be other changes, hopefully for the better, so watch for them. Please do not forget to send along new material to include in the newsletter. Don’t you have some Dodd data to snare?

"I'd like to hear from anyone whose ancestors lived in Jackson, Cass, Bates or Vernon counties in Missouri during the Civil War years and were removed from their homes by Order No. 11 given by Brig. Gen. Ewing," writes Mrs. Eleanor Edwards, 5939 Harco, Long Beach, Calif. 90808. "The people living in those counties who were Southern sympathizers were moved to Carroll County for about two years. This is not in history books, but maybe someone is in possession of letters or diaries."

1782—"Abraham Jones, assignee of Peter Saunders, 400 acres...; 100 acres lying between Wm. Dodd's and Great Fox Creek to begin on sd. Dodd's Mill Road." [This is in present Grayson Co., VA] [Abraham Jones and Peter Saunders were from Franklin Co., VA] p. 37. "Moses Greer (Mar. 20, 1782) 600 acres on state warrant, enters 150 acres on Middle Fox Creek, opposite Wm. Dodd's and up and down each side to secure land William Dodd now lives on; also 100 acres on the head of Little Fox Creek;" [Moses Greer was also from Franklin Co., VA, and he or his father, apparently, adjoined William Dodd's land in Franklin Co. after this date.]

A list of the Dodd deaths in the state of Oregon from 1903 through 1970 has been contributed by Leah Feldman. Those deaths listed through 1930 are listed here. Some, after 1930, show the name of the spouse. They will read name, county and date of death.
