Doughty Family
Virginia to Ohio & Beyond

I first wrote a small outline of this Doughty family back in 1997. Since then many new discoveries have been documented, along with even more unanswered questions. This is about 3 fold as to what I had listed before. Hours and hours of research has gone into this project with other people supplying their input and information. Without the support of these people, this Doughty family would have continued to fade away as it has for so many years. People that have contributed to this family project including the following:

Verita Simpson, Eva Mae Miller, Dorothy Scott, Katie Snyder, Smith Doughty, Fred Doughty, Lillian Densley, Jerri Padley, Ron Cook, Glen Bingham, Becky White, Sue Simpson, LaDoris Doughty Weber, Nancy Hetherington, Eva Kessinger, Lola Allen, and soooo many others that I can't begin to name everyone and apologize if I don't have your name listed above.

Most of the people that I have met along the way were in the process of researching Daniel and Martha's son, Daniel (II). He was quite a mystery and the majority descend from him. I have a lot of notes contained herein about him that I hope clear a few questions up. Something I missed was the fact he served in the war of 1812 and was mustered out in 1815 in the state of Michigan. A book this size could probably be written alone on Daniel and his son, Joseph Doughty.

Son Thomas Doughty, was the heir to Daniel and Martha's home place near Winchester Virginia. The Civil War pretty much destroyed many of the records including cemetery records. I have no hope of ever finding documents for Daniel and Martha there. Son Joseph, remains truly the biggest mystery. I have yet to find any information or anyone even associated with any of his family. Same goes for the two daughters Anna & Elizabeth.

This project will never be 100% complete. I continue to work on this little by little. If you find any incorrect or incomplete information, I would appreciate knowing about it. For those of you that are not listed, I hope the information can apply to start your own family tree and carry on.

Feel free to contact me at any time.

Descendants of Daniel Doughty

Generation No. 1

1. DANIEL¹ DOUGHTY was born 1747 in Pennsylvania, and died July 01, 1794 in Frederick Cty VA. He married MARTHA LANNEY/LANING December 19, 1766 in Bucks County, PA. She was born 1750 in Bucks County, PA, and died Aft 1810.

Children of DANIEL DOUGHTY and MARTHA LANNEY/LANING are:

2. i. JOHN² DOUGHTY, b. September 07, 1767. New Jersey; d. August 13, 1842. Centerville, IN
3. ii. DANIEL DOUGHTY II, b 1772. Frederick Cty VA; d. February 11, 1835. Tippecanoe County, Indiana.
4. iii. RICHARD DOUGHTY, b Abt 1776, Virginia; d. August 1812, Muskingum Cty, Ohio.
5. iv. THOMAS DOUGHTY, d Bef 1850. Clarke, Virginia

Notes for JOSEPH DOUGHTY:
In a book of Shenandoah County VA marriages, I found a Joseph Doughty married a Mary Earhart (Daughter of Polly) on Feb 27, 1807. Not sure if this is our Joseph, but the time and area fit into it.

vi. ANNA DOUGHTY, b Abt 1780; m BARNABAS MCCAULEY. October 02, 1800. Frederick Cty VA
vii. ELIZABETH DOUGHTY, b Abt 1782; m WILLIAM CONRAD. April 09, 1802. Frederick Cty VA

Generation No. 2

2. JOHN² DOUGHTY (DANIEL¹) was born September 07, 1767 in New Jersey, and died August 13, 1842 in Centerville, IN. He married MARGARET MARKS February 01, 1790 in Shenandoah County, VA, daughter of WILLIAM MARKS and MARY. She was born March 22, 1769 in Shenandoah Cty, VA, and died August 15, 1844 in Indianapolis, IN.

Notes for JOHN DOUGHTY:
John was also a Captain in the 51st Regiment, 16th Brigade, and 3rd Division of the Militia of the Commonwealth of Frederick County, VA. Certificate dated December 12, 1804. Witness John Page for the Governor of Richmond VA.

John's son Ezra, had notes listed that he moved to Ohio in 1825. John's daughter Amanda also had notes that they moved to Ohio in 1826. This is time period we find that John left Frederick Cty, VA.

I have a land record from Frederick County VA dated November 3, 1792, that states John Doughty of Frederick County, VA, wife Margaret and son Daniel, purchased Lot of Land #25 of the Manor of Leeds. This is the same lot that Daniel Doughty refers to in his will. It is also
witnessed by Daniel Doughty.

John Doughty's grave stone is no longer standing in Crown Hill Cemetery. But two eye witnesses, Katie Snyder of North Carolina and Inezetta Stivison who is the sexton for the cemetery (Who is 82 years old in 1998) both claim they had personally seen the grave stone about 1923, and the stone did state, that John was born in New Jersey.

According to their youngest daughter's (Amanda) obituary, John & Margaret had 12 children. Of the 12, Eight have been identified. A possible 9th child could be a Col. Doughty of Indianapolis IN

More About JOHN DOUGHTY:
Fact 1 Buried Crown Hill Cem-Centerville IN

Notes for MARGARET MARKS:
Margaret was visiting her son Col. Doughty in Indianapolis Ind when she passed away. Therefore she was buried in Indianapolis.

I have a copy of Margaret's Funeral Notice. It says "Yourself and family are respectfully requested to attend the funeral of Mrs. Margaret Doughty, at 10 o'clock, today, from the residence of her son, Col. Doughty, On Washington Street, opposite the Court House, Indianapolis, la August 15, 1844. (Indianapolis is misspelled the way I have it above.)

More About MARGARET MARKS:
Fact 1 Buried Crown Hill Cem-Centerville IN

Children of JOHN DOUGHTY and MARGARET MARKS are:

1. DANIEL DOUGHTY, b 1791

Notes for DANIEL DOUGHTY:
I found a marriage record of a Daniel Doughty that married Elizabeth Anderson on Sept. 20, 1834. In Wayne County, Indiana. I'm not sure if this is the same Daniel but I feel this may have been his second wife and he died in late 1834 or early 1835 when his possible two children Milton & Augustus was appointed wards to John P. Doughty.

2. WILLIAM M. DOUGHTY, b April 20, 1792, VA., d November 20, 1878, Knightstown, Henry County, IN, m ELIZABETH GAY, December 03, 1818, Wayne County, IN, b December 01, 1802, Rockbridge Cty, VA, d October 20, 1885, Shelbyville, IN.

Notes for WILLIAM M. DOUGHTY:
William served with Peter Hays' Virginia Militia

Notes for ELIZABETH GAY:
Lived with her granddaughter Mrs. Z.B. Waller until her death in Shelbyville.

6. THOMAS LANNON DOUGHTY, b March 29, 1796, Frederick Cty, VA, d December 13, 1865, Belmont, Warren, ILLinois.

7. EZRA M. DOUGHTY, b 1800, Frederick Cty, VA, d September 20, 1849, Hagerstown, Wayne Cty, IN.
8. v. MOSES CRUME DOUGHTY, b. 1804, VA; d. June 21, 1841, Eaton, Ohio.

3. DANIEL² DOUGHTY II (DANIEL¹) was born 1772 in Frederick Cty VA, and died February 11, 1835 in Tippecanoe County, Indiana. He married ANNA MCAULEY April 26, 1802 in Frederick Cty VA, daughter of JOHN MCAULEY. She was born Abt 1774 in Maryland, and died Abt 1867 in Jasper County, MO.

Notes for DANIEL DOUGHTY II:
Daniel fought in the war of 1812-1815, served in Capt. Herron's Co., 19th Regiment, US infantry. Anna his wife applied for his bounty of 160 acres under warrant # 76189 of Missouri on May 27, 1857.

The earliest record of a Doughty being in Pike County Ohio is on 12-2-1818 when Daniel & Anna Doughty purchased land from Stephen & Margaret Cissna. E 1/2 of lot 64 in Piketon, Ohio (Volume A, p295-296). Daniel & Ann sold this piece of property to Samuel McCaleb & Henry Brumble on June 29, 1822 (Volume B, p156-157).

On October 10, 1821 Daniel Doughty is sued in Pike County court by Charles Cissna (Book A p 420) for trespassing. Daniel was struck by Mr. Cissna with an Iron Skillet on the head and was badly bruised. The court eventually found Daniel NOT guilty (March Term 1822, p 379).

The last piece of evidence I find for Daniel is the most important. The 1826 tax record for Pike County shows that Daniel Doughty and ELIAS DOUGHTY paid taxes on their personal property (chattel), BOTH located at Pike County, Seal Township # 16. I feel this proves that Daniel was still in Pike County in 1826, and lived or beside his SON Elias. In checking the 1827 & 1828 Tax Records, no sign of Daniel appears. Court records later found showed that Elias owned his own home in which he ran a tavern out of which was Lot #66 in Piketon Ohio!

The last record of Daniel I find in Pike County, Ohio is where Daniel is back in court being sued by Samuel Darlington for a debt of $30.00 (Book B, p 384). This is dated May 27, 1827. His daughter Harriet, marries William Tucker on 8-2-1827. Apparently this is about the time Daniel and his family (other than Elias) left Ohio. As they do not appear on the 1830 census.
I personally looked at every Doughty marriage record that was recorded. In every case, the last name was spelled DOUGHTY. Even though indexes have shown various spellings, every record (Land, marriages, census, & Court) was spelled the same, DOUGHTY. I can also attest that the same person, (Wm Talbot) be it a judge, clerk, or minister, signed all of the Doughty's marriage certificates. There were no other Doughty's in the county during the period of 1818 to 1840. Found quite a bit of Tavern License fee that Elias paid to run his tavern out of his house in Piketon. His name was spelled correctly every time. No names such as Doty, Dowdy, Daughty, etc were even in the area! SO I feel this has to also prove that Daniel Doughty's family was the only ones there, so these had to be his children. I had no luck in finding any McCauley's, Seal's, or Tuckers other than the marriage records. I did find this one interesting name though, Will of Joel Matthews (Will book 1, page 64, Oct 8th, 1834.) Will actually dated 11-16-1832, leaves everything to his wife Jane! Is this the same Jane Matthews living in Missouri with the rest of the family???

I also went to Jackson County Ohio and searched the Court and Land records for Doughty during the same time period and came up empty!

Have not been able to locate a 1830 census record for this Daniel. There is a Daniel Doughty in Tippecanoe County IN in 1830, but I do NOT believe it is THIS Daniel. That Daniel and his wife was between 40-50 years of age, with another male in the household between age 15-20. Our Daniel & Anna would have been about 54 years old in 1830.

Notes for ANNA MCAULEY:
Anna (age 76) is living with her son Joseph in Jasper County MO according to the 1850 census.

Notes for SETH SHOEMAKER:
Seth Shoemaker and family information including Asenath Doughty were furnished by Lillian Densley. She obtained some of her information from other people that I have a list of also. Lillian Densley 42393 N Cedar St. Baker, OR 97814 (4-6-99)

Notes for SETH SHOEMAKER:
1. "History of Jasper County, Missouri." states that "Seth Shoemaker was born in Virginia in 1790. was a Quartermaster in the War of 1812; he was one of the Pioneers of Ohio, where he moved at an early date and settled in Adams Co."
2. Although, "History of Jasper Co. MO." states Seth Shoemaker was born in 1790, a study of the 1820 & 1830 Adams Co. Oh census and 1850 & 1860 Jasper Co. MO census indicates that Seth Shoemaker was probably born in 1792
3. Seth Shoemaker's will lists. Edwin Shoemaker, Wilson Shoemaker, Elizabeth Gresham and Amelia Gresham as his children and heirs. Also listed is Asenath as his wife (2)
4. Maria and Melinda are listed on the 1850 Jasper Co. MO census in the Seth Shoemaker household but there is no mention of them there after

4. RICHARD2 DOUGHTY (DANIEL1) was born Abt 1776 in Virginia, and died August 1812 in Muskingum Cty. Ohio. He married ELIZABETH ALLENSWORTH March 23, 1805 in Frederick Cty VA. She was born 1782 in Virginia, and died May 03, 1860 in Zanesville Ohio.

Notes for RICHARD DOUGHTY
Daniel and Richard both came to Ohio together. I found a John & Mary Doughty living in Muskingum County, Ohio in the early 1800's. Have not been able to find out how they (if they do) relate! John was born in 1803 in VA. Mary Elizabeth Ellis was born in 1810 in Ohio. They were married 8-13-1829 in Muskingum Cty.

Dan married Anna McAuley on 4-26-1802. In the deed-records at Muskingum County courthouse, you will find land that was sold by Daniel & Ann Doughty.

Even though a grave has not been found for Richard I have estate papers that show Elizabeth appointed two executors to settle his estate in August 1812. I also have receipts showing the digging of his grave for $2.50. A town crier announcing his name through the streets @ $2.00, and a receipt for the cost of putting his estate in the local newspaper. Richard left no will. Apparently Richard's brother Daniel was in Muskingum County at or near the time of his death.
Daniel's son Joseph was born in Muskingum County in 1812 also. Richard's wife Elizabeth was able to keep all the property that they owned as the tax records show. This was unusual back in these days!

5. THOMAS3 DOUGHTY (DANIEL2) died Bef 1850 in Clarke, Virginia. He married ELIZABETH KEMP January 10, 1800 in Frederick Cty VA, daughter of JOHN KEMP and NANCY NORTH. She was born July 14, 1776 in Virginia, and died December 08, 1851 in Winchester, VA.

Notes for ELIZABETH KEMP:
Information concerning Elizabeth Kemp and her family came from a bible of John Kemp (Owner: Miss Lucy Kurtz, Winchester VA). Also from VIRGINIA BIBLE RECORDS by Jeanette H Austin.

Elizabeth Kemp-Doughty is found on the 1850 census of VA. Living in Winchester with her Daughter Mary Ann Thomas Kemp. She is 73 years of age. Living next to her is her daughter Eliza Legg. Eliza is buried in the Mt Hebron Cemetery in Winchester VA. Mt Hebron has informed me that burial records up to 1876 were lost or destroyed, and they have no way of knowing if Elizabeth or Thomas is buried there.

I believe that Elizabeth is still living at the Doughty home place in 1850. Even though Mary Ann & James Kemp are shown. James is only 40 years old and the value of real estate is $17,000. Quite a bit for a 40 year old.

Email from Lisa Deason (mdeason@enol.com) indicate the following:

Elizabeth KEMP was born in 1776 in Virginia. She was recorded on the census in 1850 in Winchester, Frederick, Virginia. She is living with the James and Mary Kemp family, perhaps a nephew. She was listed as 73 years old. She died on 8 Dec 1851. The entry in her daughter's Bible reads, "Elizabeth Doughty Departed this Life Dec 8th 1851 Aged in her 76 year Wife of Thos Doughty".

Notes for AMANDA MALVINA DOUGHTY:
Amanda's obituary states the following: Moved to Ohio with parents at the age of twelve. This would have been 1826 opposed to 1825 when brother Ezra said they moved. Lived with the family of JG McGuffin or McGullin for 15 years in Aledo after her husband's death. She was the Youngest of Twelve children (all who have passed away). Has one daughter still living.
Mrs C. A. Kent of Watertown Mass.

Her obituary shows only her name as A.M. Macy. Indiana marriage record and 1860 census shows us her name as Amanda. An LDS marriage record I found has all the correct names and dates for Simeon and her, but shows her name as Malvina Doughty. So this leads me to believe her name is Amanda Malvina.

13. ELIAS3 DOUGHTY (DANIEL2, DANIEL1) was born Abt 1804, and died Bet January - March 1844 in Pike County, Ohio. He married (1) MARY ANN SMITH February 06, 1827 in Pike County, Ohio. She was born Abt 1804. He married (2) SARAH "SALLY" HENDERSON November 29, 1832 in Pike County, Ohio. She was born Abt 1820 in Ohio, and died Unknown.
Notes for ELIAS DOUGHTY:
I first find Elias Doughty married Mary Ann Smith, Feb. 6th, 1827. No record of Mary Ann shows up again. I do however find that on 1-17-1839, Elias Doughty put up bond for an Elizabeth Smith who was appointed guardian of a Joseph Smith age 12 (Case #1973). Apparently some relation to Mary Ann.

Elias remarries a Sally Henderson on Nov. 29th 1832. Sally Henderson is AKA Sarah. In the deeds of Pike County, I found where Elias bought and sold over a dozen pieces of property. One such property (dated 3-21-1840) shows that Elias and wife Sally purchased a piece of property. It is signed at the end of the land record, Elias and SARAH Doughy. Now in (Book 7, p. 209) I find Elias still being alive, is when he sells a property in Pike County and it is dated January 17, 1844. (In Book "8" p. 400,) Sarah Doughty, widow of Elias Doughty sells a piece of property to Peter Spurck on 1-18-1845. So this shows that Elias died after Jan. 17th 1844. Also have a court appearance document dated March 23rd, 1844 that shows Elias Doughty et al., so he apparently died between 1-17-1844 and 3-23-1844. Elias & Sarah had a daughter by the name of Ellen Ann, she died April 13, 1837, aged 2y 2m 24 days, and is buried in the Old Piketon-Rittenour Cemetery. Sarah Doughty remarries on April 22, 1847 to William Avery. They have a child by the name of George. George died April 23, 1849, aged 7m 11 days and is buried in the same cemetery as Ellen Ann. Chances are that Elias is buried in the same cemetery, but his stone is probably washed away or destroyed by vandals. There are no sexton or records to check.

OTHER PIKE COUNTY OHIO INFORMATION FOUND ON
ELIAS DOUGHTY

Elias Doughty appears on Personal Property Tax records, 1826 thru 1828. (Only ones searched!)

Elias Doughty is elected Sheriff of Pike County on October 8th, 1833. Holds office through 1839.

Sept 1840, Elias applies to keep his tavern license in force that he runs out of home. The fee is $10.00.

Elias appears on the 1840 Census, (but not on the index) Seal Twp, Pike County, Ohio p B. It shows (male 15-20) <1>, (male 20-30) <2>, (male 40-50) <1>, Female (under 5) <1>, (female 20-30) <3>

March 23rd, 1844 Elias Doughty et al., VS Richard Roe

Pike County Clerk of Courts Records Vol F Page 711, May Term 1847. The estate of Elias Doughty is being sued by James B. Turner. Elias borrowed over Twenty Two Hundred Dollars and Mortgaged his property which was LOT 66, Piketon Ohio (Daniel Doughty's property was LOT 64) The suit actually began in 1840, in which Elias appeared for failure to repay the loan. Continuing the case, the suit shows the defendants as Sarah Doughty, widow, and children Milton and Harriett Mary Doughty. The records also show that a person by the name of Oscar T. Moor dated June 17th 1845, was made guardian of Milton & Harriett Doughty. The 1850
census shows Harriett age 12, living with Sarah & William Avery in Pike County, OH. Oscar T. Moor was living in Portsmouth Ohio, but no sign of Milton Doughty anywhere!

The last piece of Information I found on Elias was from the local newspaper "The Hickory Sprout" Piketon Ohio, dated August 29th, 1844. It shows a Sheriff's sale of the Heirs of Elias Doughty for the sale of Lot 66 in Piketon, Ohio. It was dated July 29th, 1844.

The Hickory Sprout Newspaper is the only one that survives today for Piketon County that dates back to 1844. I checked the Portsmouth (Scioto County) and Scioto Gazette (out of Chillicothe) but nothing shows up about Elias.

Now another Doughty trait begins. There is no record of Elias's Estate, Will, or Death! He is not shown in any Cemetery, nor can I find any info about his tavern that he ran out of his house in Piketon for a few years, and he was the sheriff from 1833-1839, but no record of him can be found! (Just like his father!)

In the 1840 U.S. Census for Wayne Twp, Tippecanoe Co., IN, James Seal's age is listed as between 40 & 50 years old. So, he was b. 1790-1800 in either VA, PA, or OH. These places of birth were gleaned from the 1880 census entries for his children Thomas Seal, William Seal & Eliza Jane (Seal). Bishop give VA as their father's place of birth. Then, Joseph Doughty Seal says James was born in PA. Finally, James Casswell Seal and Sarah Frances (Seal) Beeler list Ohio as his birth place.

Wm Beeler killed by Lightning

Wm. H. BEELER, for many years a resident of Kaw township, this county, was struck and instantly killed by lightning Sunday, July 14, 1901, at San Ignacio, a health resort situated in the heart of the mountains 20 miles from Las Vegas, N.M., where he had gone in hope of benefiting his broken health caused by a complication of throat and lung troubles. He, with a son and daughter, left home July 10, 1900. They spent some time in Denver, Col., and in November last he decided to try the climate at Las Vegas. They spent several months there, and were joined at the last named place by his wife May 12. At times he seemed to be improving and was able to be out and breathe the open air the greater part of the time. July 6 he went to San Ignacio where he enjoyed the beautiful scenery and at times rested in comparative comfort, but a loving and all-wise heavenly Father saw fit to instantly end his sufferings, there, surrounded by his own handiwork.

Information about Emma has not been found. According to the Roseville Clerk for Roseville Cemetery, no mention of any Doughty is found on their current books. The only records they have, are for the ones marked with a marker or
On 7-15-99 I personally walked the entire Roseville Cemetery. This is the one located in the middle of town NOT "Rosehill Cem". The only thing I could find remotely close was a headstone for Frank & Martha Ross. Beside them was 2 burial lots without and markings or headstones. If these people were Emma's parents, it's possible that they both may be buried beside them.

Betty Ann married Willy 7-13-1949 in Ashland KY She lied about her age by 2 years, stated she was 21, but was in fact only 19 years old. Filed for divorce 5-16-1960. Was granted divorce on 10-13-60. On 3-31-62 she married George Baker. On July 9th of 1963. George adopted Steve, Melody, & Jeff. This was part of a deal made by Betty Ann & Willy's Willy wanted custody of Craig. Betty Ann wanted George to adopt all the children. Willy also owed back child support and Betty had him put in jail for failure to pay. So a deal was made that Betty Ann would forget the back support and future
support if Willy would agree to let George Baker adopt the three children and Craig could remain with him. At that time Craig went to live with Willy. On 7-12-63, Betty Ann regained custody of Craig through the courts. Craig had run away from the Smith's and returned to the farm with Betty Ann. On 2-19-65, Willy regained custody of Craig through the courts and he returned to live with him. Some of this info was found at the Fairfield County Recorder's office in Lancaster, OH. It was found in the divorce decree book # 69 dated for 1960.

On 11-20-69 divorce papers were filed by George first, then by her. She left the farm on 11-12-69. It was final on 5-25-70.

Daniel Doughty's will is dated May 2nd, 1794. His inventory to settle his estate is dated April 8, 1795, so we know he died between 5-2-1794 & 4-8-1795. I do not know a whole lot about Daniel and his wife Martha Lanney at this point. It is strictly a guess that he may descend from Thomas Doughty and Elizabeth Ismond originally of Long Island New York. Thomas & Elizabeth had 8 sons. I later find two of the sons, Jacob & Thomas enlisted in Bucks County PA where Daniel & Elizabeth are married in 1766. In a book titled "Virginians in the Revolution" page 233: it list Daniel Doughty, 2CL, (2nd VA regiment, Continental line) and a John Doughty, PVT. WD (War Dept.) DAR records indicate that he served in the American Revolutionary War in 1777, 2nd Virginia Regiment, as a foot soldier under Col. Alex Sportwood. He was discharged March 15, 1778. I have a copy of Daniel's will which includes Richard, from whom I descend. Daniel appears to be a wealthy educated man that had sense enough to leave a will. He apparently was a large land owner from the fact he leaves quite a bit of land to his children. He also points out that Richard, Joseph, and Thomas are under the age of 21. So from this point, we know that Richard was born after 1773. Richard's wife, Elizabeth was born in 1782. So I can only assume Richard was born about 1776. According to tax records, we find that Richard and Daniel Jr. are no longer in Frederick County Virginia in 1806. We do however find Richard and Daniel Jr. in Muskingum County Ohio in 1806-1807. So it's safe to bet that they left Virginia and settled in Ohio in 1806. An interesting point is the fact that Daniel's will is witnessed by Phillip Allensworth and Butler Allensworth. Richard Doughty married, Elizabeth Allensworth.

Richard and Daniel are found on the Muskingum County Ohio's, tax list in 1807. It shows Richard owning 1 house, valued at $100.00, along with 2 town lots, and 1 cow. From the land records I have found, Richard purchased 160 acres in Madison Twp, Muskingum County. This is located between Adamsville and Dresden Ohio. In his father's will, Richard was left 100 acres of land. He probably sold this to his brother Thomas. This would indicate how Richard had the money to buy the properties he did at this time. Richard married his wife Elizabeth Allensworth on March 23, 1805 in
Frederick County Virginia. His first born was Allen in 1808. Next was Eliza in 1810, then Richard Jr. in 1812.

Richard died in Muskingum County, Ohio in 1812. The exact date is not known but I found his estate record. The estate does not indicate any date. What I did find was a date of August, 1812 in which Elizabeth appointed two administrators for his estate. Also found was a receipt for three dollars for a man crying the death of Richard Doughty along with a receipt for two dollars and fifty cents for the digging of his grave. Their was also a receipt for inserting his notice of administration in the local paper dated October 1812, but I have yet to find the newspaper back that far. I do not know where Richard is buried. He his not buried with his wife or other family members.

Elizabeth is left alone to raise her three young children. Apparently she sells some real estate but still keeps the home farm place. I find her listed on the 1825 tax list still owning the 160 acres in Madison Twp. From the census information, we find that Allen has moved in and taken over the farm and caring for his mother at the same time. In 1832 Elizabeth apparently turns everything over to Allen. We find that Allen has bought out his brother and sisters share in the family farm. Eliza gets married and moves on as well as brother Richard. Elizabeth dies May 3, 1860 and is buried in Bethesda Cemetery. On the old maps enclosed, George Wheelen's property is located next to the Doughty property. George probably settled there before Richard. The first church in the area was a methodist church that George Wheelen helped get started. I feel this is where Richard & Elizabeth probably attended. Later on Bethesda Methodist church was formed from people out of the Wheelen church. I have written to the Methodist conferences hoping to get baptismal information but have been unsuccessful. I have seen the 160 acres that Richard & Elizabeth owned. Today the area is being converted over to a nature preserve.

### ALLEN DOUGHTY 1808 TO 1889

Allen Doughty continued to take care of his mother until her death. He was a respected and well known man in Muskingum County. He was known for having fine livestock and employing advanced implements and machinery in the farming community. Allen was also an elected official. I have seen his names many times signed on documents at the courthouse. I do not know how long he held his position as a clerk or trustee. Allen married his first wife, Lucinda Honnold in 1834 and she bore him 12 children. In 1876 Lucinda passed away and Allen remarried in 1877 to Martha Jane Shirer Ferrell. Allen was 68 years old at the time and Martha was only 33. Allen had three more children by Martha. His grandchildren are still alive today! I have talked to a person that personally knew the Shirer and Doughty family from the early 1900's and relayed to me the fine upstanding family they were, and still are. Enclosed you will find Brister's History description written about Allen Doughty. Allen is buried beside his mother and first wife Lucinda at the Bethesda Cemetery near Dresden Ohio.
ELIZA DOUGHTY
1810 TO 1882

Eliza Doughty continued to stay with her mother and brother until she married late in life at the age of 30. She married Jonathan Burch who lived in Muskingum County also. In 1859 they sold their farm and moved to Hebron Ohio which is in Licking County. Eliza bore Jonathan seven children. Her fourth son she named Richard Watson Burch. It's not known if her father's middle name was Watson, but we know for sure her brother Richard's middle name was. So he was named after her father or brother. She also had another son named Hamlin D. Burch. He was a famous colonel in the civil war. I've enclosed a Centennial History of Hamlin Burch. Eliza and Jonathan are both buried in Hebron Ohio.

REV. RICHARD WATSON DOUGHTY SR.
1812 TO 1877

Richard was born in March of 1812. The same year his father died. I don't know where he got his calling for the Lord, but I do know he started to preach at a very young age. His conversion and union with the Methodist Church started when he was 13 years old. He obtained his license to preach June 23, 1833. He was married to Juliann Morrison July 23, 1832. Juliann bore him one daughter. Nine months after his daughter's birth, Juliann died. I do not know where she died or is buried. On May 29, 1838 he remarried Anna Maria Hare. Anna Marie bore him 8 children. Tracking the children down was quite a chore. He traveled all around southeast Ohio and parts of Virginia taking his family as he went. It seems every one was born in a different town. Information from the Methodist Conference gave me a lot of information on where he preached, how many parsonages he built, and getting other people started in ministry, but hardly any information on him or his family. His first born daughter Julia, married Samuel Honnold a cousin to Lucinda Honnold, Allen Doughty's first wife. His first born son Richard Watson Doughty Jr, is whom I descend from. Some interesting notes include the information that the Methodist Conference stated. I first saw that he died in Zaleski, Ohio. Being unable to obtain a death certificate I traveled their and searched the graveyards and came up with nothing. I later found him buried in Nelsonville, Ohio beside his son Adam, who was killed in an accident while working on the railroad. I searched all over for his wife Anna Maria and came up empty. While tracing his daughter Margaret, I found that he and Anna Maria were in Athens County for quite some time. I eventually found the burial place of Margaret and her husband also in Nelsonville Ohio, but no mention of Anna Maria. I continued my search of all the other children, found everyone of them, but never found Anna Maria. I later found that Anna Maria had remarried Christopher S. Kimmey in 1881. I researched Mr. Kimmey's family cemetery and once again came up empty handed. One day while doing research on daughter Margaret, I ran across a lady that had the graveyard record of the cemetery that Margaret was buried in and she informed me that Anna Maria was buried there in
an unmarked grave. I later purchased a headstone for her and laid it at her grave. I wonder today, why would her children leave her in an unmarked grave, within a few miles of where her husband and son are buried.

**RICHARD WATSON DOUGHTY JR.**
**1839 TO 1908**

Richard Jr. was the first born of Richard & Anna Maria. Being born in Virginia my guess is that the Rev. Richard was probably preaching in Virginia at the time of his birth. He was the first of eight children. He married Elizabeth Ann Roderick in Thornville, Ohio on February 16, 1862. He served in the civil war according to the History of Franklin & Pickaway County 1880, page 135, he was a private in Company B, 114th Regiment Ohio Volunteer Infantry and was recruited on 8-11-1862 at Circleville Ohio where he was assigned to Sherman's army in December at Vicksburg. It states that he mustered out in July of 1863. Richard Jr. was a shoemaker by trade. He lived near Thornville Ohio in a small village called Jacksonville. All of his children were born in either Jacksonville or Thornville with the exception of William Benson. He was born in Vinton County Ohio. Richard Jr. was a quiet, well respected man. His wife Elizabeth also came from a well respected family. Her parents were Phillip and Sarah Roderick. Richard and Elizabeth had six children, one female and five males. Richard apparently saw the future and wanted his sons to prosper. All five of them became railroad telegraph operators. One thing I'm sure he did not intend to happen, is out of the five sons, only two grandson's were later born into the family. My grandfather, and one other male. Richard was picking fruit out of tree in his later years when he had a terrible fall. This was surely a downfall to his ailing health as he died as a result of falling out of that tree. Elizabeth continued to sew and live in the family home in Millersport Ohio. In 1908 she sold the property in Millersport, and purchased a house in Baltimore Ohio where she continued to live with her son William "Ben" and her grandson Denver Benson. Denver lived with her as a result of his father dying at an early age and his mother not being able to take care of him. As her health began to fail, Ben hired a live in housekeeper to take care of Elizabeth and Denver. Elizabeth passed on and left the home to her son, Ben.

**REV. RICHARD'S FAMILY**

This is what I know about the other brother's & sisters.

**Laura Julia Doughty** was the first and only one born to the Reverend by Julia Ann Morrison. Laura Julia went by her middle name in which she was named after her mother. She married Samuel Honnold who was a cousin to Laura Honnold who later married Allen Doughty. Laura and Samuel moved to Kansas where they spent the rest of their lives. Samuel had family that lived there and he moved to be with them. They are buried together in Oloathe, Kansas.
John Wesley Doughty was the second son born to Anna Maria. He married Mary Ellen Lenhart in Muskingum County. It appears that John may have lived with or near Allen Doughty on his grandparents farm. John & Mary had seven children. The youngest, Clark C. Doughty was an agent in Columbus Ohio for the Liquor Department. Two of his other sons, Harry and Ernest were barbers. John & Mary later moved to Columbus Ohio and are both buried in Greenlawn Cemetery. Attached is a family picture.

Joseph Benson Doughty being the third son has quite an interesting history. I first find Joseph taking care of himself at age 10, working in coal mines and clerking in stores for a few years. He joined the Union during the civil war enlisting in Company H, 85th Ohio infantry. He helped chase Morgan through Kentucky in 1863. He was later discharged but re-enlisted in Company F, 135th Ohio Infantry May 2, 1864. He was captured at North Mountain and spent time in prison there and also time in the Andersonville Prison. He returned to Hocking County Ohio in 1868. In 1871, he marries Catherine (Kate) Schrader and helps build the Straitsville Branch of the Hocking Valley Railroad. In 1875 he is one of the first registered pharmacists in Ohio with his own drugstore in Moxahala, Ohio which is in Perry County. Joseph & Catherine later move to Milton Center Ohio where they spend the rest of their lives running a drug store and owning their own farm. They had five children. Four daughters and one son, Richard D. Doughty, became a doctor following his grandfather's footsteps on his mother's side. Richard died at age 90 and never married. Joseph & Catherine are both buried in Milton Center Ohio.

Adam Clark Doughty Lived only to the age of 24. Never married. He died as a result of a railroad accident while working on the railroad in Nelsonville, Ohio in 1873. He is buried beside his father at the Fort Street Cemetery in Nelsonville.

Mary Hare Doughty Was named after and lived with her mother in Athens County. I found Mary's marriage certificate in Vinton County 5-30-1877 to a Gardner M. Wilson. I no longer find Mary until the early 1900's living in Columbus Ohio with her only daughter. She is a widow. I cannot find any record of Gardner Wilson, her husband, anywhere. He is not buried with her, and I know Mary was a widow in 1908. So when and where Gardner died or is buried is still a mystery today.

Lizzie Doughty Has been my biggest challenge in the search for the Doughty family members. I have the census showing Lizzie living with her mother in Athens county at age 23. The next time I find Lizzie's name is in her brother's (RW Doughty Jr) obituary, living in Pittsburg, Pennsylvania. I had the state of Pennsylvania check death records from 1908 to 1928 and found no sign of Lizzie. In Mary's obituary there is no mention of Lizzie. So I figured she probably died before 1921, I just don't know where. Joseph was the last to die in 1936, and there is no mention of her in his obituary either. I am still searching today.
Martha N. Doughty is listed on the census in Athens county with her mother also in 1880. Martha marries Abraham Butterworth from Nelsonville Ohio and remains there with him until their death. She is buried in Greenlawn Cemetery. The same one as Maria. She died 20 years after her mother, but no marker was ever found on Martha's grave.

Margaret J. Doughty the last and the youngest, was the second one in the family to die. A little over a year after Adam's death. She married William Stanton in 1872 and lived in Berlin Ohio. She died of a paralytic stroke shortly after giving birth to her daughter. Eleven days later, her daughter died also. I found her obituary glued inside Richard Jr’s & Elizabeth’s bible dated 1868, along with other news.

This was a short history of the family of Rev. Richard Watson Doughty Sr

Richard Watson Doughty Jr.  
Family Notes

Elmer Emmitt Doughty was born in Thornville Ohio in 1862. He married Josephine Shetrone who was a local girl. They only had one daughter, Hazel. I don't know a lot about Elmer's early life. Elmer was a railroad telegrapher for thirty-eight years, employed by the T. & O.C. Railroad. He lived at 232 Oak St. (Basil Ohio) which is now Baltimore, Ohio. Elmer’s first wife Josephine died in 1917. Elmer remarried a lady that was also previously married by the name of Flora Howard Paxton in 1921. Elmer is buried in the Millersport Cemetery with his first wife and daughter. Flora is buried in Thurston Ohio along with her first husband. Hazel his daughter married a Joseph Taylor in 1905. She had twins that died at birth, along with two sons that survived, Howard & Henry. She divorced Joseph, January 15, 1915, and later married John D. Wilson in 1917. John had a son Frank and a daughter Ilene. Hazel died in 1948 and was found by a neighbor in her home in Lancaster, Ohio. She had been dead for about 36 hours before being found.

William Benson Doughty who was known as "Uncle Ben" was born in Vinton County, Ohio. I still haven’t figured out why he was born so far away. Apparently his parents were visiting relatives when he unexpectedly came along. Ben grew up in Millersport Ohio. Ben had been renting a place in Baltimore Ohio while working for the New York Central Railroad at Baltimore as a
telegrapher. In 1908 when Ben’s father passed away, his mother purchased a house in Baltimore at 209 N. Park St. for three hundred dollars. Ben moved in with her and his nephew Denver. Ben sold the home place in Millersport which is located at 2433 Friend St. for six hundred dollars, in 1908. As his mother’s health became worse, Ben hired a housemaid to take care of his mother and Denver. The housemaid, Josephine Borgmann, later became Ben’s wife. Ben was 59 years old when he married Josephine who was only 29 years old in 1925. They never had any children of their own, but considered Denver as their child. Ben worked for the railroad in Baltimore for 50 years. Josephine did sewing and took care of the house. Josephine lived until 1988 at the age of 92. I have fond memories of talking with "Aunt Jo" and am thankful for the memories and pictures that was passed along to me. They were both wonderful people.

**Ura Eugene Doughty** was the only daughter born to Richard & Elizabeth. She was know as "Aunt Yuri" to everyone. Ura stayed in the immediate area and married Benton Duplet from Perry County where she lived the rest of her life on their farm. She had five children, one daughter and four sons. I have a picture of Ura and Benton celebrating their 50th wedding year anniversary. I have talked to Ura’s granddaughter but don’t really know too much about her.

**Ora Clark Doughty** died at an early age of 29 from pneumonia. Like his brothers he worked as a telegrapher for the railroad. His job and home were located in Columbus, Ohio. He married Myrtle Belle Donavan, May 30th 1894. She bore him three children. (2 daughters & one son) Ura Marie, Denver Benson, & Ora Grace. When Ora died in 1901 Myrtle could not take care of all three children. Ura Marie went to live with her mother’s sister & husband (aunt) Ora & Baz McCurdy. Denver Benson went to live with his grandmother Doughty, and Ora Grace stayed with her mother. Myrtle Belle eventually remarried a fellow by the name of Samuel Miller and had three more children by him. After he died she then married his brother or nephew, William Miller. She is buried beside her parents. The three Doughty children remained separated.

**Richard Stanton Doughty** is the fourth Richard in the line of our Doughty's. Richard moved around Ohio quite a bit. He ended up settling in Glenmont Ohio, a telegrapher for the railroad like his brothers. He was known as "Stant" Doughty in his younger days. He married a catholic woman by the name of Maud Brewster in July 1899. Together they had 5 children. (4 girls and one son) His only son Paul, married but never had any children. His daughters Helen & Rosalind, never married. The other daughters, Mary and Beatrice did marry and raise their own families. Daughter Rosalind died of cancer in Tucson Arizona where Richard did visit with her. In talking with other family members, it appeared that Richard’s wife Maud kept her distance from the other Doughty family members. Richard himself would visit his brothers by himself. Rumor has it that she was upset with Dora Doughty because he named his daughter Beatrice before her daughter Beatrice was born, along with the fact she wanted her family
to grow up with other Catholic families and kept them away. When I spoke to Dora's daughter Beatrice in 1996, it was sad to learn that she knew nothing of Richard or his family. She stated that they never met or talked to or about them.

**Dora Denver Doughty** followed his brothers as a railroad telegrapher for the Pennsylvania Railroad. The 1880 census of Fairfield County, Ohio has him listed as a female! So much for correct census info. Dora lived in and was one of the incorporators of the village of Walbridge Ohio. Being well known and respected, he owned and operated his own hardware store, along with being the postmaster there for twenty five years. Dora was known in the area as "Dan Doughty" and married Anna Pearl Crowl. They had two daughters, Doris & Beatrice. In 1996 when I spoke with Beatrice who is still alive and very sharp minded, she gave me a little background on her father & mother. I was telling her that I had two telegrams dated in 1934 that Ben and Denver had sent to each other. She informed me that was nothing, she still had the telegraph machine in her garage! Beatrice worked for her father in the hardware store and continues to take care of her rental properties today. One thing that I was thankful for, was the fact that Beatrice had the Doughty family bible in which she passed along to me. It is dated 1865 and contains valuable family information. Dora Denver and William Benson Doughty were close and kept in contact with each other quite frequently even though they lived so far apart.

This completes a small history of the Richard Watson Doughty Jr. family.

**Denver Benson Doughty**  
and His Sisters

**Ura Marie** went to live with her aunt as I stated earlier. Living with them until she was 15 years old, her first job was working in a millinery shop. Then she began nurses training but later found this was not her calling. She then went to work for the telephone company as a long distance operator. While working in Pomeroy Ohio she met her husband, Arthur Kaspar. She was married in 1923 and had two children. Marie passed away in 1966 of breast cancer.

**Ora Grace** the youngest child, continued to live with her mother after her father passed away. Stories were told that she was not treated very good by her mother. Denver tried to help his sister when he could. After ignoring his advise not to marry Andrew Fisher, he washed his hands of her. Stories that my grandfather told later in life were not good of Grace. Her husband apparently had a drinking and abuse problem and the children seemed to be in quite a bit of trouble with
the law. With her brother and sister both disowning her, not much record of her
is found.

Denver was known to many people as "Ben". He lived with his grandmother
Doughty until she passed away and stayed on with his Uncle Ben and Josephine
in Baltimore Ohio. He worked on area farms grooming and training horses while
getting his high school education. In 1915, Denver graduated from Baltimore
High School. On August 15, 1918 he served in the national army which was
WWI, for a very short period of time. His training was at the Aeronautical
General Supply Department & Concentration Camp at Garden City, Long Island,
New York. He then went to Handley Page Air Service training department for the
American Expeditionary Forces. Left on a ship October 26, 1918 and returned
home due to the Armistice, on December 4th, 1918. He was honorably
discharged as a private, on December 24th, 1918. (I can remember as a child
how he used to tell me he taught Eddie Rickenbacker how to fly!)

After the army, he moved to Lancaster Ohio and started to sell automobiles. In
1923 he married Freeda Riley. They had a son in 1925 but died soon after birth.
In 1926 Denver went to school in Columbus Ohio and obtained his license to sell
real estate. At this point he started his own real estate agency in Lancaster. This
was a very successful career move and many people became to know Ben
Doughty as an honorable and well respected business man. He helped many
people buy and sell houses and even loaned them money. He was in the business
to help people, and wasn’t concerned about making a big profit as people today
do. He founded the Lancaster Board of Realtors in 1944, and was the first
president of that board which still exists today. In 1929 he was blessed with a
daughter, Betty Ann. She was the only child of Denver & Freeda. In 1935 he
built his first house on Fair Ave. across from Mount Pleasant. Denver/Ben loved
horses and made a point to go to Florida every winter and attend the horse
races. Another thing he loved was cigars. Just about any picture you find him in,
you’ll find a cigar in his mouth or hand. There are too many good memories to
list here for this very generous man. In June of 1968 while attending his Masonic
meeting to obtain his 50 year service pin, he had a heart attack and died the
following morning. His wife Freeda and daughter Betty Ann closed down the real
sold the home place in 1981 and this ended the existence of the last male
Doughty of this generation.

Betty Ann Doughty

Born in 1929, Betty Ann grew up without many worries as Denver and Freeda saw
to all her needs. After graduating from high school she obtained
her real estate license and helped her father in the business. In 1949 she met and
married Willys H. Smith. This union produced four children, Steven Benson, Winston Craig, Melody Chantelle, and Willys Jeffrey. In 1960 Betty Ann divorced Willys. In 1962 she remarried George Baker. George adopted Steven, Melody, and W. Jeffrey. This was part of a deal made by Betty Ann and Willys. Willys owed back child support and was to serve additional jail time. Willys made an agreement with Betty Ann to let George Baker adopt three of the four children. Winston Craig would remain with him, and all child support (back and future) would be suspended. In 1969 Betty Ann divorced George Baker. Betty Ann is currently living in Lancaster Ohio with her husband Clarence E. Williams.
THE DOUGHTY FAMILY

Descendants of John Doughty

These are listed notes that were researched by Smith Doughty of Indiana during his research. Smitty is a descendant of John Doughty, oldest son of Daniel Doughty.

Notes for JOHN DOUGHTY:

Tax records show that John purchased 65 acres in Leeds Manor from Denny Fairfax dated 5-18-1793. It was also found that in the 1818 tax records that John is in Frederick County Va with 3 people over the age of 16 along with one black over age 16 and 1 black 12-16 yrs old. He also owned 7 horses at that time. On January 18, 1819, John sold a wagon and horses. Found in Poems and Sketches at Indianapolis State Library, the Genealogical department (1977 201 W 359c Cop. 3) that John Doughty Sr. was buried in the Centerville Cemetery and that he died in 1842 at the age of 75 yrs.

Notes for MARGARET MARKS: (Wife of John Doughty)

Margaret Doughty died in Indianapolis, in 1844, while visiting A Col Doughty, supposedly a son of hers. I found a John Marion Doughty in the 1840 Census. The Census listed those living in John’s household as follows:

<table>
<thead>
<tr>
<th>Age Group</th>
<th>Males</th>
<th>Females</th>

There was a John M. Doughty born in 1861, son of David Doughty (Moses’ child), who lived in Marion County but the dates do not match. He was born in 1861.

Notes for WILLIAM M. DOUGHTY. (Son of John & Margaret Doughty)

William M., married Elizabeth Gay in Richmond, IN on December 2, 1818. William was found in New Paris Township, Preble County Ohio. In 1830, he was located in Wayne County Indiana. In 1840, he moved to Sangamon County, Illinois, eight miles from Springfield. Based upon the following letter that was found in the microfilm records at the Preble County Courthouse, he was a tavern owner and owned a tavern in Illinois. In 1848 settled in Wayne Township, Henry County, at Knightstown.
Following is the letter located in Moses Crume Doughty's Will papers, found by me, in the Preble County Courthouse in Eaton, Ohio. It was written to William Crume, Administrator of Moses' Will. Words in parentheses are unintelligible and I have written my translation as well as I could decipher.

"Rochester, Sangamon, County, Illinois
April 8, 1842

Dear Sir,

I received a letter some time since from brother Thomas L. Doughty informing me that you had administered on my brother Moses C. Doughty's Estate, and also that he had filed two notes in my favor against said Estate, which I had left with him for collection, with which I wish you to secure to me so far as possible as they are of long standing and justly due. I wish you to inform me by letter what you think will be my dividend and also when you think you can forward me a part or the whole as at this time I could make it very advantageous to myself as there is but little money in our country and what there is in very bad dispute. I am at my old business of tavern keeping eight miles from Springfield on the (Five Haute) road in the most delightful situation I have seen in the State. My house is large and convenient built expressly for a tavern, stabling, and carriage house all new never (occupied) until I moved in January last. Business is bad at present but I hope to make it profitable. The situation of our State bank you are aware of at this time is very precarious. Its paper is paying at home at 7.25 percent discount. What will be the final result is doubtful it is the opinion of many it will (resuscitate) which I hope will be the case. The winter fever has been very fatal here and in the whole surrounding county confined mostly to the males and has made hundreds of widows in this country. My wife's health is very delicate and has been for the last year but is improving moderately. She often speaks that if she could have Dr. Crumes prescription she would soon get well. She tried so many physicians that she is discouraged - we are alone - Margaret you know is moved and John some 30 miles from home at the house (saintly). The stage is coming and I must close write to me soon. I almost forgot to tell you I have become a Washingtonian Scholar in the strictest sense of the word - in less than four months in the city of Springfield they become near eight hundred strong - god speed the work is the humble prayer of your friend and relative.

On April 21, 1836, a Centerville Fire Department was organized and T. L. Doughty, J. P. Doughty, and William Doughty Jr., were members of the Department. (Per History of Wayne County)
Per the "History of Wayne county", in 1844 Henry Clay was entertained in Heaton's "Annex" on the Northeast corner of Main and Madison Streets. William Doughty owned a tavern (New Castle, Indiana). In a "List of Old Men of County" The editor of the New Castle Courier on Sept. 6, 1866, published a list of "old men" of Henry County. The list contained names and ages of those men 70 years and over. William M. Doughty was listed as 74.

In the book on the History of Henry County Indiana, Wayne Township, W. M. doughty was listed as a retired hotel keeper, Knightstown. Born in VA 1792, settled in Henry County in 1848. Rep Presbyterian.

In the record of "War of 1812 Pensioners" this information was found: "Doughty, William, Elizabeth (Gay) WC25352, SO-4662, m 3 Dec 1818 Wayne Cty, sd 20 Nov 1878 Knightstown IN, wd prior to Dec. 31, 1885. srv Peter Hays" VA Mil, lived Henry Cty IN

Notes for THOMAS L. DOUGHTY: (Son of John & Margaret Doughty)

At the age of 17, Thomas L. enlisted in the Calvary and went to Richmond Va. and was mustered out at the close of the War of 1812. He then became an apprentice of the saddler trade.

1822 - Married Cavey B. Templeman of Stafford County VA. They had one son, James W. On June 27, 1827 Cavey Died. In the fall of that year he moved to Wayne County, Indiana and continued in the saddler trade both in Richmond, IN and Centerville, IN. In 1829 he married Mary Jane Kibbey of Richmond, IN and they had eleven (11) children, five of whom were: Mary D., Thomas H., A. Josie, Lucien B., and Emma C.

On September 20, 1834 he was a Justice of Peace in Richmond, IN and married Daniel E. Doughty and Elizabeth Anderson. In 1836. He was in the saddler business with John P. Doughty. On April 21st 1836, was also found as a part of the Wayne County fire Department with John P. and William Doughty, Jr. While in Wayne county he was licensed as a local Preacher in the Methodist Episcopal Church.

In the fall of 1842, he moved by wagon to Mercer Co. IL on what was known as the James Thompson Farm. In the following spring he moved to New Boston and opened a saddle and harness shop. In the spring of 1850, his second wife, Mary Jane (Kibbey) died. In October of 1851, he married Rachel Salvin of Warren County, IL. He moved to his wife's farm after his home burned. Rachel's farm was located in the Northwest corner of Warren Co. IL and the Northeast corner of Henderson Co., IL. Adjoining the Mercer County line.

Thomas died in the winter of 1865. He was first buried in Belmont but in 1872 his remains were moved to the New Boston cemetery. Rachel, his third wife died in 1872.

In the History of Centerville Thomas L. Doughty and J. P. Doughty conducted a Saddler in 1835.

Notes for MOSES CRUME DOUGHTY: (Son of John & Margaret Doughty)
Moses was a surveyor in Preble County, Ohio, in 1841. He was married to Ann Cheesman in Cincinnati, Ohio. He was named after Moses Crume who was his uncle (Moses Crume married his mother's sister). Moses' brothers all migrated to Centerville, IN, in the early 1800s.

I have found very little about Moses Doughty. I first found him in the 1940 Ohio census under Moses Daury. It showed him with 2 male children under 5 yrs., 1 male between 5 and 10 yrs., 1 male 30-40 yrs., 1 female 15 to 20 yrs., and one female 20 to 30 yrs. I also found his will and the administration of his estate at the Preble Count Ohio Courthouse in the Archives. I have a land Platt showing the location of the two lots he owned in Eaton Ohio and have copies of the deeds and bill of sale. The land was sold as a result of a suit filed against the estate by his creditors to pay off his debts upon his death.

Home at Death: Eaton, Ohio
Occupation: Surveyor
Religion: Methodist

Notes for THOMAS H. DOUGHTY

T. H. Doughty was a police magistrate and bookkeeper, per the history of New Boston Township, Mercer County, Illinois. In 1842 he immigrated to New Boston with his parents. He was a pupil of Simeon Smith and under his tuition obtained a useful education. When a boy he learned the Saddlers trade in his fathers shop. When grown he became a bookkeeper. He was active in promoting temperance work and the
interests of the Republican organization. He was a member of the Independent Order of Mutual Aid and held several offices. He was the first mayor of New Boston and was town clerk and police magistrate.

Notes for LUCIEN B. DOUGHTY: (Son of Thomas, Grandson of John & Margaret)

Lucien B. Doughty, son of Rev. Thomas L. and Mary J. Doughty was born March 28, 1841 in Knightstown, Henry County, Indiana. The life of Mr. Doughty has been one of activity and large experience. He lacked six years of having attained his manhood when with his Father consent he started out into the world, to battle with its hardships single handed, not only to make a living for himself but to assist his father, which he did by turning over to him his small wages. The family had moved to New Boston in 1843, when Lucien was two years old, and here he received such education as the schools and his limited time afforded. He improved his time then and since, as is evidenced by some very acceptable articles contributed to this work. In the Fall of 1851, the family moved to the northwest corner of Warren County, and in 1856 Lucien began active life as intimated above on a farm. A year later he entered the "Record" office at Aledo to learn the Printer's trade, in which business he has constantly engaged with exception of a few important years, as hereafter noted. In 1859 he was working on the Geneseo "Republic," and next year went to Des Moines, Iowa (1860), and worked on the Iowa State "register," part of the time on local work. The alarm of war had scarcely been sounded when Mr. Doughty entered the ranks as a soldier for the purpose of assisting in rebuking rebellion, and enlisted in Co. E, 4th Iowa Infantry, Capt. H. H. Griffith, Col. G. M. Dodge. He had nearly served out his term of three years when he re-enlisted as a veteran in January 1864 at Woodville, Alabama. He was finally discharged July 28, 1865 having served his country and braved dangers and hardships incident to war over four years. His experience as a soldier can be gathered from a brief mention of the marches and engagements of the Regiment to which he belonged. From St. Louis, their starting point, they went to Rolla, Missouri; then to Pea Ridge and Helena, Arkansas; then with Sherman at Walnut Hills, Arkansas Post, and back to Vicksburg, with Grant to Jackson, Mississippi; in the siege of Vicksburg; back to Jackson, with Sherman under John Logan, from Iuka to Chattanooga, with Hooker in the fight above the clouds, at Lookout Mountain, Mission Ridge and Ringgold. Thirty days at home in the Spring of 1864 on veterans Furlough, again with Sherman at Chattanooga, Atlanta, and the march to the sea, thence through the Carolinas and finally to Washington to participate in the grand review, May 23, 1865. To look at the little man it seems a wonder that he could go through so much. In all he was in forty three engagements and escaped without a wound. After the war, for a time he was in Richmond, Indiana, and in Dayton Ohio. From May 1866 to May 1867, he published the "Democrat" at Eaton Ohio, and in the Fall of 1867 moved to Des Moines, Iowa, and then next year to Rolla, Missouri, where he remained.

Notes for JOHN RICHARD DOUGHTY (Son of Moses, Grandson of John & Margaret)

John R. Doughty is buried at Westlawn Cemetery, Hagerstown, Indiana next to Mary Harper (Fleming) in the Cheesman Plot. In checking with the city of Hagerstown, who owns and maintains the cemetery, I found his lot consisted of 8 graves of which all were empty except for his. The county clerk changed the ownership to myself since no known relative had inquired about the lot in the past 100 years.

The 1860 census showed John and Laura lived in Dalton Twp, Wayne Cty (P151, 294) with an Estate valued as $400. In 1865, John R. farmed the Richard Cheesman farm in Dalton Township. Richard Cheesman was his great grandfather. Moses' wife, Ann Cheesman, Doughty, Lennington, father. In the 1870 census, John was listed as a farmer in Dalton Twp with a personal estate valued at $1000. His wife was listed a Laura.
In a book located in the Indiana state Library. "Memoirs of Wayne County" I found information on John R. and Laura. It stated "David Fleming came from Pennsylvania to Indiana in 1836. He was a miller by trade and operated a Mill on West river for many years. His daughter was Laura "married John Doughty. a farmer of Wayne county. and they had 5 children - Charley. Anna. Josephine. Frank (My grandfather). and Sallie

Notes for PLINY CRUME DOUGHTY: (Son of Moses, Grandson of John & Margaret)

Very little is known about Pliny Doughty. I did find that he was listed as a School Director in 1869 in District 6 of Delaware county (History of Delaware County, Indiana. Indiana State Library). The 1870 census found him living near the town of Burlington, Delaware Cty., Monroe Twp. He was farming and had real estate valued at $2250 with personal property of $545.

NOTE: GRAY NUMBERED LINES INDICATE THE MUSKINGUM COUNTY HOUSE NUMBERING SYSTEM

1996 - map
Allen Doughty, deceased, was well known in Muskingum county as a man worthy the respect and confidence of his fellow citizens. He was one of the native sons of Zanesville, having been born in that city in 1808. When he was but four years of age he was taken to Adams township and from that time forward was identified with agricultural interests, choosing as a life work the occupation to which he was reared. As time advanced he kept in touch with improvements along agricultural lines, replacing the old crude farm machinery by the new agricultural implements that were found upon the market and employing advanced ideas concerning the best methods of cultivating the soil. He was practical in all his work and his perseverance and energy were strong elements in his career. He became the owner of one hundred and sixty acres of fine land in Madison township and also owned an attractive residence in the town.

Mr. Doughty was twice married. He first wedded Lucinda Honnold and this marriage was blessed with ten children, of whom six are now living. Following the death of his first wife he was married again in 1877, his second union being with Mrs. Martha J. Ferrell, who was born in Adamsville, in 1843, and is a daughter of George W. and Sarah A. Shirer. Her father was a native of Muskingum county, born in 1815, and by trade was a carpenter, he and his brother being closely associated with the building interests of Adamsville so that the town practically stands as a monument to their enterprise and labor. Mr. Shirer afterward removed from the town to a farm and later retired from business, spending his remaining days in Adamsville in the enjoyment of a well earned rest. He died in October, 1901, while his wife passed away November 22, 1900. Their daughter, Mrs. Doughty, was educated in the schools of Adamsville and was first married to Chris W. Ferrell, by whom she had two children: E. S. Ferrell, who is occupying a position in the post office of Zanesville; and C. W. Ferrell, who is employed in the Adamsville mill. Mr. Ferrell was a soldier of the Union army in the Civil war and died in 1871. By the second marriage of Mr. and Mrs. Doughty there are three children: Olive M., Bruce C. and Allen M., all of whom are living with their mother.

It was in 1889 that Mr. Doughty was called to his final rest. He voted with the democracy and was a consistent and faithful member of the Methodist Episcopal church, his entire life being in harmony with his professions so that he left to his family an untarnished name as well as a comfortable competence. He was devoted to the public welfare and also to the interests of his family and in his career he displayed many exemplary traits of character. Mrs. Doughty and her children now reside in Adamsville, where she is widely and favorably known, the hospitality of the best homes of the city being gladly accorded her.
Colonel Hamlin D. Burch is numbered among those who have made the history and molded the destiny of Licking county. Concentrating his energies largely upon business interests in Hebron, he has figured as a general merchant here since 1869 and has served almost continuously as postmaster since 1870. Moreover he is entitled to distinctive mention in this volume from the fact that he is an honored veteran of two wars, having responded to the country’s call for troops at the time of the Civil war and again in the recent conflict with Spain.

Colonel Burch was born in Muskingum county near Dresden, Ohio, September 21, 1846, a son of Jonathan and Elizabeth (Doughty) Burch, both of whom were natives of Muskingum county and spent their last days in Hebron. The father followed farming throughout his entire life and was a quiet, industrious man, whose rules of life commended him to the good will and trust of all with whom he brought in contact. Both he and his wife held membership in the Methodist Episcopal church. Their family numbered seven children. Leonidas F., who enlisted for service in the Union army as a member of Company H, Thirty-first Ohio Volunteer Infantry, was captured at the battle of Chickamauga and died in Andersonville prison. Homer C., who enlisted in the same company and regiment, was wounded in the battle of Resaca and died in Hebron, in 1882, from the effects of the injuries which he had sustained in war. Hamlin D. is the next of the family. Richard Watson, the fourth in order of birth, is deceased. David P., a retired merchant, lives in Hebron. Joseph is a resident of Newark; and Mrs. Mary E. Chinn has passed away.

Colonel Burch was thirteen years of age when he accompanied his parents on their removal from the old home farm in Muskingum county to Hebron, where he has since lived. He was but fifteen years of age when in October, 1862, he offered his services to the government and became a member of Company A, Tenth Ohio Volunteer Cavalry. He served as a private under Captain William Thayer, took part in all of the engagements of his command, was in Sherman’s march to the sea and was honorably discharged in August, 1865. When the country no longer needed his aid he returned home and worked on the farm with his father until 1868 but, thinking to find commercial pursuits more congenial, he accepted a clerkship in the store of I. E. Kelsey, of Hebron. In 1869 he established his present general mercantile business and has conducted it continuously since or for a period of forty years, during which time his labors have been a feature in the growth and progress of the town. In 1870 he was commissioned postmaster of Hebron and has continuously served in this capacity save for the period of President Cleveland’s administrations.

It was in April, 1869, that Colonel Burch was united in marriage to Miss Candace Ruick, a native of Licking county and a daughter of Thomas Ruick. She died in 1899, leaving five children: Otto E., who is now a merchant of Leal, Ohio; Frank C., who follows merchandising in Coshocton; Rose Lee, who is with her brother in Coshocton; Bertie T., railroad agent, postmaster and mayor of Butler Creek, Wyoming; and Charles H., who is clerking for his brother in Coshocton. Having lost his first wife, Colonel Burch wedded Alice S. Seymour, a native of this county and a daughter of Bruce and Elizabeth Seymour, February 13, 1895.

In politics Colonel Burch has been a life-long republican, never faltering in his allegiance to the party. For about twenty years he served as a member of the board of education and the public schools found him in a helpful and efficient friend. For two terms he has been a member of the town council and in all offices he has discharged his duties with promptness and fidelity. Always interested in military affairs, in 1888 he joined the Ohio National Guard as first lieutenant and served until the guard was called out at the time of the Spanish-American war. He had been previously promoted to the rank of lieutenant colonel and in April, 1898, with that rank, he enlisted as a member of the Seventh Ohio Volunteer Infantry. The command was sent to Virginia and to Pennsylvania and was not called to the seat of action. Colonel Burch is a member of Williams Lodge No. 382, I. O. O. F., of Hebron, also of Hebron Lodge, No. 116, A. F. & A. M., Eugene Chapter, No. 123, O. E. S., and Lennert Post, G. A. R., of Newark. Since 1866 he has been a devoted member of the Methodist Episcopal church, has always been interested in the church work, has acted as trustee and steward and for

"DOUGHTY FAMILY-VIRGINIA TO OHIO" I make reference to a John Doughty that married Mary Ellis. I first felt as though John may be a son of Daniel Doughty instead of Richard. After further research here are some additional findings.

According to research done by Ione Supplee of Zanesville Ohio, she indicates that John & Mary were married 8-13-1829 in Muskingum County. Their first born is George D. Doughty, born in 1832 and died in 1846. Second born was another son, Frances M. Doughty born 1840 and died 1841, buried at the Wheelen Cemetery in Madison Twp. Muskingum County, Ohio.

November 29, 1869 recorded at the Muskingum County Recorders office in Zanesville Ohio, is a land record where John & Mary sold land. (Book 56 p.144) Sec 21-Twp3-range 7. At the time of this sale, they are living in Pickaway County, Ohio. The 1860 Census shows John & Mary in Pickaway County along with their children, Richard (25) Caroline (20) Henry (18) Millie (16) Mary (12) and William age (9). They are not listed on the 1870 census for Pickaway County.

In 1863 Richard dies at Milken's Bend, La. during the civil war and leaves a widow Adeline (Davis) whom he married on 5-29-1861 in Pickaway County, along with a son, James born about 1862.

On Sept. 5th 1878, Henry dies in Pickaway County as a result of consumption. (Tuberculosis). He left his wife Sophia (married 5-9-1867 in Pickaway County) and three children, George Sell Doughty, Georgia Doughty, and Willis Doughty. I also found that they had a son Edwin M. that died 5-19-1878 age 2. In the local paper, Henry's obituary was written, but not a mention was made about any of his family members.

The 1880 census shows no sign of John, Mary, Caroline or any other family member. At this point I do not know where John and the rest of his family moved to or why. Local tax records in Pickaway County show that John was a carpenter and owned no chatties or land.

According to the Adamsville records at the Zanesville historic society, the cemetery book listing reads, "At the Bethesda Methodist Cemetery in Adams Twp, Muskingum County, Ohio (The same cemetery that Elizabeth Doughty, wife of Richard is buried) is a gravestone that reads: Sarah J. Doughty, Died 8-11-1881. 80y -10m - 26d Wife of G.H. Doughty." This would make her birth date Sept 15th 1800. According to Ione Supplee's records, she indicated that Sarah was born in 1791. Either way, she is too young to have had John as a son, as he was born in 1803.

I would bet that Sarah's husband G.H. Doughty is about the same age as John. Which means they could have been brothers. Now the new question is; What relation was John & G.H. Doughty to Richard, Daniel, Thomas, & John, son of Daniel?????

G.H. is George H.

REV. RICHARD DOUGHTY
Was born in Muskingum County, O., March 23, 1812, and died at Zaleski, O., March 12, 1877. His religious impressions began when he was but six years old, resulting in his conversion and union with the Church at thirteen. Under a long-continued sense of duty, he accepted license to exhort at the age of twenty from Rev. H. S. Fernandes, was licensed to preach June 22, 1833, and the next year joined the Ohio Conference, and remained a member of it forty-three years. The following is a list of his appointments: Richmond Circuit, Ohio; Wyandot, Virginia; Tarleton, Ohio; Jackson; Richmond, again; Piketon, Granville, Irville, Adelphia, Asbury, Groveport, Johnstown, Baltimore, Ravenna, Dublin, Grove City, Worthington, Mt. Sterling; Adelphia, again; Waverly, Nelsonville, Berlin, M'Arthur, Zaleski.

He was married, July 23, 1832, to Miss Julia Morrison. His wife having died nine months after the birth of his only child, he was married, a second time, May 29, 1838, to Miss Anna Maria Har. By this marriage he had eight children, six of whom are still living to comfort the bereaved wife and mother. Brother Doughty had no characteristics that were very prominent; but, perhaps, that want of prominence in any one particular was caused by a fullness in all others. He was a sound, complete man, rather than a great man. As a preacher, he was neither profound nor sensational; but rather, sound, steady, and safe. He aimed, as he said, to do the ordinary work of a Methodist preacher, as the average man should do it; and he succeeded. He was on the lookout for young men who had convictions about preaching, and was successful in leading many into the ministry.

In matters pertaining to church and parsonage buildings, he had a deep interest, and excellent judgment, and sufficient decision to carry out his wishes. He succeeded in buying or building sixteen parsonages, and many churches; and their prosperity in after years proved his judgment good.

Soon after receiving his last appointment, his health began to fail, and continued gradually to decline up to the time of his death. On the account of the disease of the stomach which prevented his system appropriating nourishment, he was worn to a skeleton; but he was sweetly patient, and went down into the valley of death without a fear or a murmur. His faith was victory. A few days before he died, he said to his family, "You ought not to sorrow, I shall go like one in a sweet dream; I am ready to go at any time." At the last he raised his hands and waved them, smiled brightly, and passed away in triumph.

Obituary.

Richard Watson Doughty, Jr. was born March 10th., 1839 and departed this life at his home in Millersport, O., Wednesday, Feb 21st., 1908, at 1:40 p.m., aged 68 years, 11 months and 9 days.

He was a son of the Rev. R. W. Doughty, Sen., who at one time was pastor of the Baltimore charge, M. E. church. He was one of a family of 9 children, 4 boys and 5 girls, all of whom have died, save 2 brothers, and 4 sisters: J. W. of Columbus, O., and J. B. of Millington Center, O.; and Mrs. Julia Honnal of Olathe, Kan.; Mrs. Mary Wilson, of Columbus, O.; Mrs. Martha Butterworth, of Nelsonville, O.; and Miss Lizzie Doughty, of Pittsburg, Pa.

On Feb. 16th. 1862, he was united in marriage with Elizabeth A. Roderick, at Thornville, O. Their union was blessed with 6 children, Elmer E. of Basil, O., William B. of Baltimore, O., Mrs. Una E. Dupper of New Readington, O., and Ora C. who died April 12, 1901, Richard S. of Moxahala, O., and Dora D. of Toledo, O.

In parting with us he leaves behind him a widow, 5 children, 13 grandchildren, 1 great-grandson, 2 brothers, 4 sisters and a host of loving friends.

On his illness which was of 4 years duration, caused by falling from a tree while picking fruit, he never once complained but bore up with patience and cheerfulness in his affliction, and altho he suffered at times and knew the end was near, he made no complaint lest he should grieve those who were dear to him, this being his disposition until the end.

He united with the M. E. church at Jacksontown, O., years ago and when he came to Millersport, O., joined the M. E. church at that place by card, together with his wife. During the last few weeks of his suffering he told his family and others that he was prepared to die and meet his God. It is hard to give up those that are dear to us and we bow in the deepest and heartfelt sorrow at the loss of our dear husband and father, yet, we will submit to Him who does all things well, and will endeavor to so live that when we come down to the shadow of death that we may be prepared to meet and share with him who has gone before us, the eternal blessings in that haven above.

The funeral services were held in the M. E. church, Millersport, O., Saturday Feb 22nd., at 10:00 o'clock a.m., conducted by the Rev. N. C. Patterson and were largely attended. There were a number of beautiful floral offerings given by relatives and friends. Interment in the Millersport cemetery.

Card of Thanks.

To our neighbors and friends we extend our heartfelt thanks and appreciation for their many acts of kindness and sympathy during the sickness and death of our dear husband and father. May Heaven bless and reward you all.

Mrs. R. W. Doughty and Family.

MEMOIR.

Mrs. Margaret J. Stanton.

Margaret J., wife of Wm. Stanton, of Berlin, Ohio, and youngest daughter of Rev. Richard and Maria Doughty, of the Ohio Conference, was born in Rossville, Muskingum co., November 12, 1856, and died in Berlin, Jackson co., Ohio, July 22, 1874. She was attacked with something like a paralytic stroke, August 21st., and recovered in about an hour so as to be able to speak, but soon had a second attack, and never spoke again. All that physicians and kind friends could do was done; but it was the will of the Lord that she should go to her heavenly home. A little daughter, eleven days old, followed its mother, August 4th. She was a kind-hearted, affectionate wife, daughter, and sister; and was dearly loved by all who knew her. She was married September 1, 1872; blessed with a kind husband, a good home, and every comfort of life, she took great interest in home duties. She was deeply grieved at the sudden death of her youngest brother, Adam Clarke Doughty, who was killed on the railroad, at Nelsonville, Athens co., O., May 23, 1873, aged twenty three years. Like his sister, he was greatly beloved by all who knew him. She loved the Sabbath school and prayer-meeting, and was a good singer. She united with the Methodist Episcopal Church in Berlin, Ohio, three years and six months before her death. She led a number into the Church then and afterward, and remained the same till death released her from earth's cares. She leaves many deeply sorrowing friends; but she has gained a home in heaven.
