ORIGIN OF THE NAME MULLINS

Surnames were unknown before the tenth Century. People were known by their occupation, traits, places of abode, etc. Disagreements exist among historians as to the origin of surnames. It is not known how our people selected the name Mullins. The fact that Ireland was one of the first countries to adopt a system of surnames cannot be disputed. The "Mac" and "O" prefix showing descendancy and indicating "son of" (Mac) and "grandson of" (O). The names employing these prefixes indicated that it had been derived from the name of the father or grandfather, or in some cases to an earlier ancestor.

In Ireland Mullins means "the grandson of Maolin" and Maol means "bald." So it would mean "grandson of Maol who was bald". Some explain it Mullin means "miller" and Mull means "hill", so sometimes in the past our people may have been "grinders of grain on a hill".

Many with Irish origins spell their name Mullin, while others use the spelling Mullen. The surname Mullins or Mullens, with its variant spellings, sometimes appear in the same court records. Family tradition is that our Mullins ancestors came to America from Ireland. Others insist that France is the family's origin.

The inability of many to read and write also played a big part in the way many families spell their names today. With the inability to read or write the person had to accept the spelling of the census taker, the military clerk, or the land recorder. And in each the spelling might be different.

THE EARLIEST MULLINS IN AMERICA

Mullins family records begin with the arrival of the Mayflower at Plymouth in 1620. One of its passengers was a William Mullins, his wife, son Joseph, all of whom died that first winter, and his daughter Priscilla who survived and married John Alden. (Ref. "Hotten's Immigrants to America")
Some Mullins came under headrights - which means that the person that paid his transportation got 50 acres of land and he had to work for him for a period of time. Among those who came to America this way were:

1652 John Mullins came under headrights to Thomas Chandler
1663 James Mullins came under headrights to Cornelius Debany
1664 Thomas Mullins came under headrights to John Sharp
1666 John Mullins came under headrights to William Penlow

1704 William Mullins came to Middlesex County, Virginia.
1727 Patrick Mullen, who came from Ireland, had a land grant of 300 acres in Goochland County, Va.

In September, 1734 the WILL of William Mullins, of St. Martin's Parish, Hanover Co., Va., was probated. It listed his wife Katherine; children: Joshua, William, James, John (Youngest) and daughters Mary and Agnes. (Ref. Vol. 21, page 57 William & Mary Quarterly)

In 1767 Tithables in Pittsylvania County, Virginia lists William Mullins and William Mullins, Jr.

In 1776 John Mullins and Ambrose Mullins are listed in James Potest's Company in Henry County, Virginia. (Ref. "Va. Mag.;" Vol. 17, page 192.)

31 October, 1777 John, Ambrose and William Mullings took the oath of allegiance and fidelity in Henry County, Virginia, as directed by the General Assembly. (Ref. "Va. Magazine" Vol. 9, page 14.)

And John Mullins "on Caveats ent'd. by Richard Ward agent for and Richard Randolph, for 496 acres on Appamattox, after hearing of the parties, it is ordered that the said caveats be discharged and that the said John Mullins have a patent for this land." (Ref. Va. Mag." V.15,p.129.

In the first Census of the United States taken in 1790 we find the Mullins distributed as follows:

Family tradition is that our Mullins Family came to America from Ireland, living first in Virginia, thence to North Carolina - then Tennessee - then Eastern Kentucky and Southwest Virginia.
I. REVOLUTIONARY JOHN MULLINS, SR. born between 1750 - 1760 was the progenitor of our Mullin's family. He lived in 1790 on the northern Big Toe River, in Morgan District of Burke County, North Carolina. The first United States Census of 1790 lists him with Males: 1, over 16, and 3 under 16; and females: 3, under 16. In 1796 we find John Mullins on the "Early Tennessee Tax Lists" by Mary Barnett Curtis, with 1 white poll in Carter County, Tennessee, and in 1799 Tax List he is listed in Grainger County, Tennessee.  

(When families were migrating they often stopped over for a year or more and raised a crop before moving on in their search for land.)

John Wesley Mullins, the Revolutionary Soldier and progenitor of our Mullin's family, lived on the North Big Toe River in Burke County, North Carolina, in that part which later became Yancey County in 1833 and then Mitchell County in 1861 long after he had left North Carolina. He lived at a place called Henline Hill, which is just outside of Spruce Pine as you go toward Avery County, North Carolina.  

Family tradition is that his home was on the route that Col. William Campbell and his "Over the Mountain Men" took as they went in search of Col. Ferguson of the British Army, who with his men were coming to destroy the homes of the mountaineers. John Mullins took down his gun from the wall and joined Col. Campbell and his men as they passed his home on their way to King's Mountain where they fought a victorious battle against the British. NOTE: Although his is not listed among the King's Mountain soldiers he is listed as receiving three different pay vouchers for his services.)

Land Grant # 1310 - to JOHN MULLINS, for 200 acres of land, dated 1784, in SULLIVAN COUNTY, Tennessee (later Grainger County) - land joining Thomas Titsworth's line, was evidently a Military Land Grant given him for his services in the Revolutionary War. (Ref: "North Carolina Land Grants Now in Tennessee" (1778-1791) by Gardner & Cartright).  

On December 4th, 1801 JOHN MULLINS, Sr. had a State Grant for 50 a. of land in Burke County, No. Carolina, on the North side of the Toe River......near his old line........ But being a hunter and expert Woodsman, he probed and explored the unsettled areas of Tennessee and the Appalachian Mountain region of Kentucky with his sons SOLOMON, JAMES, SPENCER, and JOHN, Jr.

JOHN MULLINS, Sr. settled on Shelby Creek in Pike County, Kentucky by 1810, along with his son Solomon. He lived there until 1833 when his name first appears, along with that of his youngest son, John, Jr., on the "Personal Property Tax List of Russell County, Virginia. He lived near the home of his youngest son, John, Jr. on Holly Creek, which has since become Dickenson County, Virginia in 1880.
On the 1840 Census of Russell County, Virginia we find:

JOHN MULLINS, Sr. -- males: 1, bet. age 80-90 (b, bet. 1750-1760)  
Females: 1, bet. age 70-80 (b. bet. 1760-1770)

NOTE: James (son of John, Sr.) settles at the Pound, Va. before 1810 (His oldest son was born there in 1810); Spencer settled in Rockcastle County, Ky. while John, Jr. became dissatisfied and went back to his home in North Carolina where he stayed until 1829 or 1830.

John Mullins, Sr. died in Clintwood, Virginia in 1849, at which time he was living in the home of his son, John Mullins, Jr., b. 1784. It is not known when his wife died, but it would be sometime after the 1840 Census of Russell County, Virginia.

NOTE: MOLLIE BRANDON is listed as the wife of JOHN WESLEY MULLINS on the records of the Mormon Church in Salt Lake City, Utah. These records were filed by Harmon Mullins, son of Jefferson & Didema (Sowards) Mullins, who were married in Pike County, Ky. on October 20, 1859. Jefferson was a son of Alexander & Peggy (Fleming) Mullins. This information was sent to him by Thomas Jefferson Mullins, of Stanford, Kentucky, formerly of Logan County, West Virginia.

So it is probable that our John Mullins, Sr., was married twice. This seems probable since many Brandons lived in the same area of North Carolina as our Mullins family.

Frances Sowards lists John Wesley Mullins' wife as Jennie Bailey. Her source of information is her family records. And there seems to be several children and grandchildren by the name of "Jennie." Miss Sowards lives at Etty, Kentucky. She is descended from Jefferson & Didema Sowards Mullins. And also...

John Mullins, the Revolutionary soldier, became a legend in his lifetime. Thrilling stories are told of their attempt to settle in Eastern Kentucky and in Tennessee. He told and retold stories to his children and grandchildren of the Battle of King's Mountain and of his adventures in the wilderness of North Carolina. He was called "Great Grandsire" by his descendants.

He was known as "Buttin John" Mullins because when fighting he would butt his opponent in the stomach.

After the death of his wife he came to live with his youngest son, John, Jr., who married in North Carolina Ollie Cox. It is not known exactly when his wife died, but it would have been sometime in the 1840's since she was listed along with her husband John Mullins', Sr. on the 1840 Census of Russell County, Virginia. She was probably buried near their old home at Clintwood, Virginia, which was then Russell County. (Pike County since 1880).

Tradition is that her husband, John Wesley Mullins, Sr., was buried in a hollowed out poplar log. At that time coffins were not available and neither the materials out of which to make them.
Known children of John Mullins, Sr. and/or Mollie Brandon and/or Jennie Bailey:

4. James Mullins, b. 1778, in Burke Co., N. Car.; mar/1 Nancy Mullins m/2 Polly Mullins, (dau. of Ambrose)

5. John Mullins, Jr. b. 1784, in Burke Co., N.C.; mar. Ollie Cox, d. 1796

6. Nancy Mullins, b. ca 1797, in N. Car.; mar. Thomas Kelly

Probably sons or nephews of John Wesley Mullins were:

William Mullins, b. (Lived on Beefhide Cr. of Shelby - but not "Bandy Bill" Ref. see deed Bk. B, pages 9 & 11.)

Booker Mullins, b. in No. Car.; mar.

Ambrose Mullins, b. 1775, in No. Car.

1810 CENSUS OF FLOYD COUNTY, KENTUCKY (PIKE county wasn’t formed until 1822 from a part of Floyd County, Ky.

JOHN MULLINS - Males: 1, over 45 and Females: 1, over 45

Solomon Mullins - Males: 3, under 10 Females: 1, 26-45

From the PIKE County, Ky. Court Order Book No. I, page 67 - Feb. Court 1823

"Ordered that Isham Mullins be appointed surveyor of the road from WILLIAM MULLINS to JOHN MULLINS, SR. and that he call on JOHN MULLINS, ISAAC ROBERTS, JOHN COLLINS, and WILLIAM COLLINS, JOSHUA MULLINS, JAMES LITTLE, WILLIAM MULLINS, CHUNKY and Son, SOLOMON MULLINS and EALLI (ELI?) MULLINS to assist him to keep the same in repair.........etc." (On Shelby Creek written in the margin of book.).

2. SOLOMON MULLINS, b. bet. 1765-1784, (ca 1772), son of John Wesley

Mullins and probably Hollie Brandon, was born in Burke County, No. Car. He was living in Pike County, Ky. when the 1810 Census was taken - next door to his father, John Mullins, Sr. He lived on Shelby Creek where he received a Land Grant for 50 acres of land on the Fork of Shelby Creek, on 29 August, 1825. (Ref., See Book W, page 1.) His brother William also received a grant for 50 acres on Beefhide Creek of Shelby on 17 September, 1825 Book U, page 278). And Spencer received a grant for 50 acres in Rockcastle County, Kentucky, land on the Fork of Rockcastle River, on 25 April, 1822. (Book W, page 243).

Solomon lived in Pike County, Ky. until November 7, 1837, when we find him selling three tracts of land on Shelby Creek, which deeds state "of Russell County, Virginia."

Then on the 13th August, 1844, in Deed Book B., page 406, in Pike Co., Ky. we find another deed where Solomon is selling another tract of land.
on the Trace Fork of Shelby to John Mullins. In this deed he states that he is now a resident "of Logan County, West Virginia".

On August 15th, 1846 and August 17th, 1847 SOLOMON bought land from Edward Chapman in Logan County, W, Va. Both Solomon's and Sarah's names are listed in the deed. (Ref. Deed Bk. c., pages 73 & 74.)

Solomon MULLINS married in North Carolina to SARAH GREENFIELD CATHEY, Nothing much is known about her except her name, which she signed along with her husband to deeds. The Samuel Cathey, born bet. 1765 and 1784, who is listed on the 1810 Census of Floyd County, Kentucky, and is in the same age bracket as Sarah and Solomon, was probably her brother. She is probably a descendant of ALEXANDER CATHEY, born about 1715-1718 (son of the John Cathey who died in Lancaster County, Pa. 1731-32.

NOTE: Alexander Cathey above was also the nephew of James Cathey who lived first in Augusta County, Virginia - thence to Rowan County, North Carolina. James Cathey and his sons: George, Andrew, William and John, lived on Cathey's Creek, a branch of Second Creek while his nephew Alexander Cathey (son of John, d. 1743) lived at the intersection of Grant's Creek in 1738.

ALEXANDER CATHEY'S will, dated 1766, Bk. A. pg. 39 Rowan County, N. C. lists his wife: Elizabeth and the following children: James, Richard, John, William and Margaret.

SARAH (CATHEY) Mullins, wife of SOLOMON MULLINS died in Logan County, W, Va. and was buried probably on the Trace Fork of Big Hart's Creek, where her husband SOLOMON MULLINS was buried. Solomon's grave is marked by a sandstone—no dates and probably Sarah too. We know she was living when they moved to Logan County, W, Va. because both she and Solomon were named in the deed when they bought land there.

Known children of SOLOMON & SARAH (CATHEY) MULLINS were:

9. PETER MULLINS, b. ca 1804-1006; died before 1889 - (Ref. Deed) m. JANE MULLINS, b. 1812, dau. of John Mullins, Jr. and Ollie(Cox) Mullins. Lived on Brush Creek near Clintwood, Va. thence to Logan Co, West Virginia.

10. ELI MULLINS, b. mar. first ELIZABETH SHORT, dau. of William; and second to BETTY ROSE (Betty later married Bryant).

11. ALEXANDER MULLINS, b. 4 October, 1810, in N. C. ; mar. MARGARET (or PEGGY FLEMING, dau. of Robert Fleming & Elizabeth Stumbo.

12. JENNIE (or Jence) MULLINS, b.18 ; mar. HARTWELL NEWSOME (HART) IN Pike County, Ky., on 5 May, 1825.

13. MARGARET MULLINS, b. m. Thompson

14. DICIE MULLINS, b. m. Joseph ADAMS (Joe), on 15 Sept.1832, in Perry County, Ky.

15. MATILDA MULLINS, b. m. WILLIAM JOHNSON, b. 1811, in Pike Co., Ky. on 13 May, 1830.

16. WILLIAM MULLINS, b. ca 1804, in N. C. d. ca 1864-65 (killed in Civil War; in the fight at Cranes Nest).
17. John Mullins, b.  
m. Lydia Eveline Adkins, b. 1824 in Logan County, West Virginia

18. Spencer A. Mullins, b. 1820 m. Lydia Eveline Adkins, b. 1824 in Logan County, West Virginia

9. PETER MULLINS, b. 1804-6; d. bef. 1889 (See deed) son of Solomon & Sarah married his first cousin JANE MULLINS, b. 1812, the dau. of "Holly Creek" John Mullins and Ollie (Cox) Mullins. Peter and Jane lived on Brush Creek, near Clintwood, Va, and later moved to Logan County, W, Va, to be near his father. Peter and Jane were married in Pike County, Kentucky on Nov. 7, 1837. Deed Book B, page 21, Peter sells land on Shelby Creek in Pike County, Ky. and states in this deed "of Russell County, Virginia". Thus we would conclude that he went to Russell County at the same time as his father, Solomon went.

The above land was surveyed and patented to John Graham, of Floyd County, Ky, and conveyed to JOHN MULLINS, SENR. OF PIKE County, Ky. (Deed Book A, pg. 114, dated 17 July, 1824.)

He was living in Logan Co., W, Va, on November 23, 1860 when he and his wife made a deed to John P. Chase for Jane's one-twelfth (1/12) part of her father's real estate. Both were deceased when their heirs made another deed for the same interest to Mr. Chase.

Known children of Peter and Jane were:
1. Huldah Mullins b. 1832, in Kentucky
2. Wellington Mullins b. 1836
3. Almeda Mullins b. 1838
4. Van Buren Mullins b. 1841
5. Andrew J. Mullins b. 1843
6. Oliver Mullins b. 1845
7. John Mullins b. 1846/7
8. Sarah Mullins b. 1849 (dec'd. before 1860)
9. Pricey Mullins b. 18
10. James B. Mullins b. 18
11. Solomon Mullins b. 18
12. Barnett C. Mullins b. 18

10. ELI MULLINS (son of Solomon and Sarah G. [Cathey] Mullins), was one of the older sons, was married in Pike County, Ky. to ELIZABETH SHORT, daughter of William Short, on December 3, 1824. He lived and died near the Breaks of Sandy. (Mar. Bond in Pike Co., Ky. - file #81)

Known children are:
2. Wesley Mullins d. 9 Nov., 1864
3. James Mullins b. m. Potter
4. Simpson Mullins b. m. Mahala Reed
5. Sarah or Babbage Mullins b. m. Moses Workman
6. Cynthia Mullins b. m. Henry Potter, in Pike
7. Spencer (Haje) Mullins b. m. Sarah Waltrip 1855.
ELI MULLINS married, second, BETTY ROSE. They had no children.

NOTE: WILLIAM SHORTb, 1769; died in Virginia at the age of 82 years, on July 4, 1851. He married Polly and had the following children, one of which was Elizabeth who married Eli Mullins in Pike County, Ky, on December 3rd, 1824. The others were:

1. Jane (or Jenny) Short m. David Mullins, in Floyd Co, on 10th February, 1820
2. Charles Short m. Anne Mullins, dau. of Booker, on 5th April, 1819, in Floyd Co., Ky.
3. Joseph Short, 12...1877 m. Cont. in Pike Co.
4. Alexander Short m.
5. James Tipton Short m.
6. Daniel Short m.

William Granville Short m. Elizabeth Davis (who was the mother of Mary Jane Short, who married James Taylor Adams, of Big Laurel, Va.)

William Short came from Burke County, North Carolina to Pike County, Ky, and thence to Wise County, Virginia about 1820. He had a brother John who settled in East Tennessee.

William and his wife, Polly (who may have been a Birchfield) are buried side by side in the Bolling Graveyard in Wise County, Virginia. Polly was born in Buncombe County, North Carolina in 1785.

11. ALEXANDER MULLINS (son of Solomon and Sarah G. (Cathey) was born in Burke County, North Carolina on 4th October, 1810. He married in Pike Co, Kentucky on 15 April, 1827 MARGARET (or PEGGY) FLEMING, daughter of ROBERT and ELIZABETH (STUMBO (STANBAUGH?) FLEMING.

Since his father, SOLOMON MULLINS, was listed on the 1810 Census of Pike County (then Floyd), he had probably left his family in North Carolina while he was preparing a place for them to live in Kentucky. Hence Alexander was born in North Carolina.

(For proof of Parentage of both Alexander and Peggy see file #164 of the Marriage Bonds of Pike County, Ky. License issued 14 April, 1827 for marriage of Alexander Mullins to Peggy Fleming. The Clerk certified that "fathers of said Alexander and Peggy came forward and give their oral consent," Bond was signed by Solomon Mullins and Robert Fleming - dated 14 April, 1827 - married by William Tackett on 15 April, 1827).

ALEXANDER MULLINS was probably named for Alexander Cathey, since the name Alexander is not a Mullins' name.

Peggy Fleming was born in 1812, in Virginia. Her father Robert Fleming was born in Ireland, while her mother's place of birth is given as Pennsylvania. She and Alexander lived and died in Pike County, Ky. He died at age 97 while Peggy lived to be more than 100 years of age. Some descendants say she lived to be 117 years of age.
Known children of Alexander and Peggy were:

1. Solomon Mullins, b. 1829... m. Nancy Wilcox, on February 27, 1848
   (She was a dau. of Isaiah Wilcox)
2. Robert Mullins, b. 1831... m. Elizabeth Howell, on January 28, 1855

Jane and Peter lived awhile near Clintwood on the head of Brushy Creek, then moved to Logan County, W. Va. (See 1850 & 1860 Census of Logan County, W. Va.). In 1860 they made a deed for Jane's one-twelfth interest in her father's estate. Both were deceased by 1889 when their heirs made another deed for the same land to John P. Chase.

Known children of Peter and Jane were:

- John...
- Sarah M...
- James B...
- Solomon...

From the 1850 and 1860 Census records of Logan County, W. Va., we find that the first five of Jane's and Peter's children were born in Kentucky. But on Nov. 7, 1837 we find Peter and Jane making a deed to John Branham, of Pike County, Ky., Bk. B, Pg. 21, in which they state "of Russell County, Va." In Pike County, Ky., on January 26, 1836 we find John Mullis (Mullins?) making a deed for this same land to Peter Mullins, "of Pike County, Ky." So we would conclude that Peter and Jane lived in Pike County, Ky., before going to Russell County, Va. in 1837.

This page is included to help you to understand my numbering system for the Hamilton Family. It may seem complicated to you at first, but is very simple.

It begins with the oldest known Hamilton ancestor, or No. 1 (unknown) and then takes up his known sons numbering them:

1-2 representing "Old" Thomas Hamilton
1-3 representing Benjamin Hamilton
1-4 representing "Old" Samuel Hamilton

Next the book takes up the children of each son:

"Old" Thomas Hamilton's children - 1st child is 1-2-1
   2nd child is 1-2-2
   3rd child is 1-2-3, etc

Benjamin Hamilton's children - 1st child is 1-3-1
   2nd child is 1-3-2
   3rd child is 1-3-3, etc.

"Old" Samuel Hamilton's children - 1st child is 1-4-1
   2nd child is 1-4-2
   3rd child is 1-4-3, etc.

Then the children of the children, or grandchildren of "Old" Samuel would be:

1st grand child of the 1st child is - 1-4-1-1
2nd grand child of the 1st child is - 1-4-1-2
3rd grand child of the 1st child is - 1-4-1-3, etc
1st grand child of the 2nd child is - 1-4-2-1
2nd grand child of the 2nd child is - 1-4-2-2
2nd grand child of the 2nd child is - 1-4-2-3, etc.

Continuing to add another number at the end for each child added to the list,

FAMILY LINE OF VERLE HAMILTON PARRISH IS:

1- "Old" Samuel Hamilton's father (name unknown)
1-4 "Old" Samuel Hamilton, Sr., b. ca 1765 (My gr.gr. Grandfather)
1-4-2 Jesse Hamilton, b. 1799 (My great Grandfather)
1-4-2-7 Hogan Hamilton, b. 1845 (My grandfather)
1-4-2-7-10 John N. Hamilton, b. 1884 (My father)
1-4-2-7-10-3 Verle Hamilton Parrish

EXAMPLE: 1 represents my unknown ancestor - 4 represents "Old" Samuel Hamilton - 2 represents Jesse (son of "Old" Samuel) - 7 represents Hogan (son of Jesse) - 10 represents John N. Hamilton (son of Hogan, and the 3 is Verle Hamilton Parrish.)
The names of the parents of these children are not known - possibly Thomas and Esther. Both Thomas and Benjamin, in their application for Revolutionary War pensions, say they enlisted in Bedford County, Va. The first records we can positively find of them is the 1796-97 "Early Tennessee Tax Lists" and Thomas Hamilton married there, for the second time Ann Martin in 1795.

According to family tradition three brothers came into Eastern Kentucky in the early 1800's. Benjamin Hamilton and his eldest son John, were on the 1810 Census of Floyd County, Ky. And Samuel Hamilton was on the 1810 Knox County Census (probably stopped in Knox County long enough to raise a crop - or to look around for unclaimed land.)

No. 1-2 THOMAS HAMILTON, b. 1757, in Johnson County, Kentucky; m/l Elizabeth Wright, on 2 May, 1783, in Bedford County, Va. Elizabeth was the daughter of John and Elizabeth Wright (John the son of Thomas Wright whose will was proved in Bedford Co., Va. 22 Nov. 1763 naming wife Mary.)

On 16 July, 1795 Thomas Hamilton married, second, Ann Martin in Sullivan county, Tennessee. And the next time we find them in Floyd County, Kentucky where Thomas and David buy land on Middle Creek in 1816 from John Graham. And in that same year (1816) we find David, Thomas and Stephen sending Alexander Dunbar and John McConnell to Sullivan county, Tennessee "to get any part due them of the estate of David Wright, deceased. (Their mother's brother?) (See Deed Book A, pg. 381 Floyd Co., Ky.)

Children of Thomas Hamilton, b. 1757 and Elizabeth Wright:

No. 1-4 SAMUEL HAMILTON, b.ca 1765 - name of wife is unknown. (It may have been Elizabeth).

Samuel Hamilton/Hambleton lived in that part of Floyd County, Ky. that became Pike County in 1822. First records we find of him is a Land Grant of 50 acres in 1816 - also one for Peter Leadingham. In 1817 he signed the marriage bond for his daughter Mary (Polly) to marry John Mullins. (10th November, 1917 - file #92)

According to Census and marriage records of his children he was born in Hawkins County, Tennessee. In 1796 and 1797 he is on the tax list of Sullivan County, Tennessee. (Hawkins county was formed in 1786 from Sullivan County). We find also the names of David Wright, Benjamin Hamilton, Samuel Hamilton, Thomas Hamilton, another Thomas Hamilton, Abram Hamilton, Joshua Hamilton and John Hamilton.

In 1810 we find the name of Samuel Hamilton listed on the Knox county, Ky. Census - his age bet. 26-45 (1784-1765)- wife age bet. 26-45 (1765-1784) - 2 males under 10, 1 male 10/16 - daus.: 1 under 10, 2 10/16 and 1 16/26.

On the 1820 Census of Floyd County, Ky. Samuel was 45 & up (b. bef. 1775) - wife bet. 26/45 (b. 1775-1794) - 1 male under 10, 1 bet. 10/16, 1 bet. 16/18, 1 bet. 18/26, 1 26-45 - and daughters: 1 f. 10/16 and 1 26/45.
Samuel Hamilton was living in that part of Floyd County, Ky. that became Pike County in 1822 - so in 1830 Census he is listed in Pike County, Ky., his age bet. 60-70 (or born bet.1760-1770) - 1 male 15/20 and 1 male 20/30. No daughters are listed. There are two females living in his home with 1 bet. 60/70 (b. bet. 1760-1770) and the other bet. 80-90 (b. bet.1740-50).

Deeds in Pike County, Ky. show him to be living on the Long Fork of Shelby Creek next to Peter Leadingham. In 1816 both Samuel Hamilton and Peter Leadingham were given Land Grants for 50 acres each.

19th April, 1833 - Deed Book Al, pg. 285 - Pike County, Ky. Samuel Hamilton, of Pike County, Ky. bought land from William Johnson - a 25 acre tract on the Long Fork of Shelby Creek "about a quarter of a mile above Samiltons."

20 April, 1839 - Deed Book B, pg. 88 - Pike County, Ky. - Samuel Hamilton, of county of Pike - sold 32½ acres to Booker Mullins - tract on Long Fork of Shelby Creek - also an additional Survey made in the name of Samuel Hamilton and Peter Leadingham.

26 December, 1843 - Deed Book B, pg. 360 - Samuel Hamilton, "of County of Laurel, State of Kentucky," sold to Jarvey Hall, a tract of land on the head of Robinson Creek -"near the Gap of Mud Creek."

(NOTE: I believe this tract of land was that of Samuel Hamilton, Jr's., since records show him to have been in Laurel County, Ky. at the time of the birth of his son, Stephen, who married Mary Hamilton, daughter of Jesse and "Pheny" (Hall) Hamilton.

6 April, 1844 - Deed Book B, pg. 376 - Samuel Hamilton, of county of Floyd, sold to Bailey Johnson, a tract of land 12 acres on the Long Fork of Shelby Creek - "a quarter of a mile above Samuel Hamilton's old house - thence running down the creek . . . . . . . . the conditional line between Samuel Hamilton and Peter Leadingham . . . . . . . . Also an additional Survey of land containing 30 acres "beginning in a white oak at the upper end of Isaac Bun . . . . . . . . a conditional line between Samuel Hamilton and Peter Leadingham, etc.

Tax Lists for Pike County, Ky. show in 1831 through 1835 both Samuel's owning land in Pike County. Samuel, Jr. is on Robinson Creek and Samuel, Sr. is listed on the Long Fork of Shelby Creek - BUT Samuel Hamilton, Sr. is not listed as living on his land.

1835 Floyd County Tax List Samuel Hamilton is listed next to Jesse Hamilton - land in Pike County - on Shelby Creek - but not living on it.

In Court Order Book A, pg. 297, of Pike County, Ky., March Term 1830 we find this "On motion of William Tackett it is ordered that Samuel Hamilton is and he is exempted from paying county levies forever."

These are the last records we find of Samuel Hamilton, Sr.

Peter Leadingham and his wife, Sally (Hamilton) were among the first settlers of Licking Station, near present Salyersville, Ky. (now Magoffin County) - We know from deeds that he lived next to Samuel Hamilton, Sr. in Pike County - but the 1840 Census of Carter County, Ky. lists him there with 1 female 5/10 and wife is 40/50 (or b. bet. 1790-1800) and males 1 bet. 10/15, 1 15/20, and Peter between 40-50 (b. bet. 1790-1800) They lived near Willard, Carter County, Ky.

The first Census of the United States 1790 listed 186 heads of families with their names spelled in various ways. In Pennsylvania there were 66 heads of families of the name Fleming and there were 21 families listed in Virginia.

WILLIAM FLEMING and his wife, JENNIE BUCHANAN, who lived in Ireland are the parents of ROBERT FLEMING who married ELIZABETH STUMBO, probably in Pennsylvania. At this time it is not known whether there were other children.

I. ROBERT FLEMING, b. 1773, in Ireland. Came to America about 1740. He married ELIZABETH STUMBO/STAMBAUGH who was probably related to the Stambaughs who settled in Johnson County, Kentucky. Elizabeth was of Dutch descent.

Robert Fleming served in the War of 1812, along with Solomon Mullins. They enlisted on the same date and served in the same company. He was living in Powell's Valley, near Big Stone Gap, Va, where at least two of his children were born Margaret who married Alexander Mullins and John Jackson who married Mary Mullins, daughter of Holly Creek John Mullins and wife, Ollie Cox.

On the 4th March, 1825 Robert Fleming received a Kentucky Land Warrant for 100 acres of land on Beaver Creek in Floyd County. (Bk. T, pg. 47) Since he and his family are listed on the 1820 Census of Floyd County, Ky it would mean that they were in Floyd County before 1825. On page 135 of Floyd County Court Order Book No. 2- February Court, 1816 "Robert Fleming is appointed surveyor of the road from the widow Elkins to the picture of the turtle on the right hand Fork of Beaver Creek and it is ordered that the hands on Beaver and Widow Elkins do assist him to keep the same in repair, according to law."
