VOL. V.

London:

Issued to the Subscribers by Phillimore & Co.,

124, Chancery Lane,

1903
In this fifth volume of the series the Marriage Registers down to 1812 of eight more Hampshire parishes appear in print, and the information they contain is thus preserved from all risk of being lost or improperly tampered with.

The preceding four volumes contained, in addition to the Register of Winchester Cathedral, the Marriage Registers of the following thirty-seven parishes:—

**Volume I.**

Penton Mewsey
Knight's Enham
Monxton
Hurstbourne Tarrant
St. Mary Bourne
Hurstbourne Priors
Bullington

Tufton
Bramley
Dummer
Steventon
Deane
Wootton St. Lawrence
Cliddesden

**Volume II.**

Faccombe
Tangle
Coombe
Vernham
Yateley

Overton
Winslade
Aldershot
Up-Nately
Amport

**Volume III.**

Sherborne St. John
Eversley
North Waltham
Church Oakley
Winchfield
Elvetham

Basing
Dogmersfield
Farnborough
Hartley Wintney
Long Sutton

**Volume IV.**

Winchester Cathedral
St. Swithun, Winchester

Crondall

This volume, like its predecessors, is issued without an index. The Editors hope that it will be feasible hereafter to issue a general index for the whole county, and thus avoid
that great evil—an undue multiplicity of indexes. Moreover, the postponement of index-making expedites the printing of the Registers themselves, a matter of no small moment in view of the serious risks of fire, theft and forgery as well as those of natural decay and accidental loss, to which these valuable records are continually exposed.

The following abbreviations are again made use of:

- w.=widower or widow
- b.=bachelor
- s.=spinster or son of
- d.=daughter of
- p.=of the parish of
- dioc.=in the diocese of
- co.=in the county of
- lic.=marriage licence

Of the Registers in the present volume that of St Michael's, Winchester, was transcribed by Miss A. C. Moberly and Mr. Herbert Chitty. Miss Clark copied that of St. Lawrence, Winchester; and Mr. Andrews, of Basingstoke, is responsible for the others. The Editors also desire to acknowledge the valuable help in collating the Registers of St. Michael and St. Lawrence, which has been rendered by the Rev. F. T. Madge and the Rev. H. E. Moberly. Thanks for permission to print the Registers are due to the Clergy, whose names are mentioned under the respective parishes.

It may be well here to remind the reader that these printed abstracts of the Registers are not legal "evidence." For certificates application must be made to the local clergy.

Volume VI is in the printer's hand and will be issued at an early date. It only remains to add that the Editors will gladly welcome further help in the way of transcribing marriages. Such voluntary help alone renders it possible to issue this series of the Parish Registers of Hampshire.

July, 1903.

Hampshire Parish Registers.

Marriages at Long Sutton,
1561 to 1812.

Note.—The oldest Register is a small quarto volume on vellum, in which Baptisms, Marriages and Deaths are entered indiscriminately. It is in good condition and well cared for. It dates from 1561 to 1653.

The next Register is an octavo volume and is not in such good condition. Much of the writing has perished through damp. It also is on vellum, and dates from 1654 to 1721. The entries are mixed.

Volume III extends from 1733 to 1788 and overlaps Volume IV, which contains the period 1754 to 1812. Some entries are in one volume, some in the other, and some in both.

These entries have been extracted by leave of the late Rev. W. Standen, Vicar of Long Sutton, and the proof has been collated with the Register by the Rev. C. D. Stooks.

Stratfieldsaye Marriages,
1539 to 1812.

Note.—The old Register is beautifully written out on parchment by John Howseman, who became Rector in 1585. The Registers date from 1539. There are, however, lacunae in Mary's reign and after the Great Rebellion.

All the Registers have been arranged in alphabetical order in three divisions by the present Rector, the Rev. Horace G. Monro. The first division ends with 1670; the second, 1772; the third, 1878.

The present extracts have been made by the Rev. H. G. Monro and are printed under the supervision of the Rev. C. D. Stooks.

Marriages at St. Michael-in-the-Soke, Winchester, 1632 to 1812.

Note.—By permission of the Rev. Henry Edward Moberly, M.A., Rector of St. Michael, the entries in Volume I. of the Parish Registers were extracted by Mr. Chitty, and the entries in Volumes II., III., and IV. by Miss A. C. Moberly. The proofs have been collated with the original registers by the Rector, in conjunction with the Rev. F. T. Madge, M.A., Rector of St. Swithun-upon-Kingsgate, Winchester.

Volume I., the earliest extant register of the parish, is a vellum-bound book, containing (besides a few paper leaves at each end) about 40 leaves of parchment, of which 25 are devoted to baptisms and burials, 2 to marriages, and the rest (so far as not blank) to parish accounts and memoranda. A leaf measures 5½ inches along the top, and 14½ inches down the side. The title, written on the outside of the cover, is "The Church book for records, christninges, burials, marriages: June the 7th, 1632: cost 5s: Samuel Turner, William Harison, Churchwardens."

Particulars as to the other volumes are given hereafter.

Marriages at St. Lawrence, Winchester,
1754 to 1812.

Note.—The Register which contains the entries here reproduced, has long been the earliest of the Marriage Registers for this parish in the possession of the Rector. In a Register for Baptisms, the first entry in which is dated the 30th April, 1754, the fly-leaf has a note stating that "At the removal of Mr. Cotton's goods in 1760, a desk was broke open, at which there were lost fifty-two sermons, the Register Book of St. Lawrence, and many other papers."

The entries given below were extracted by Miss Clark, with the permission of the Rev. W. M. Clark, M.A., Rector of St. Lawrence, and the proofs have been collated with the original Register by the Rev. F. T. Madge, M.A., Rector of St. Swithun-upon-Kingsgate, Winchester.

Marriages at Baughurst,

1678 to 1812.

Note—The Weddings at Baughurst before 1812 are recorded in two volumes, but, unfortunately, the registers before 1678 are missing. Volume I is a parchment book of 43 leaves, measuring 14 in. by 6½ in. It has been roughly sewn into a parchment cover not previously used. The contents are as follows:

- Baptisms, 1678-1791 and 1791-1805.
- Marriages, 1678-1754.
- Burials, 1678-1798.

Volume II is the usual paper volume, bound in calf, of printed forms used in pursuance of Lord Hardwicke’s Act. These Weddings have been extracted by Mr. S. Andrews, of Basingstoke, and are now printed by leave of the Rev. H. E. Crowley, Rector of Baughurst.

Marriages at Eastrop,

1759 to 1807.

Note.—The register of the little parish of Eastrop (now part of Basingstoke borough), is but a fragment, for the earlier registers appear to have been lost and those that remain comprise only twenty-nine marriages. These were copied by Mr. S. Andrews, of Basingstoke, by permission of the late Rector, Rev. Rich. J. Shields, and are now printed under his supervision.

Marriages at Worting,
1604 to 1812.

Note.—This is an exceptionally poor register for this part of Hampshire. Vol. I is a paper book bound in vellum, containing about 23 pages, a recent copy of entries from an older book which has been much mutilated, and originally had its entries made irregularly, often by small family batches, and with probable lapses. The original sheets are still kept in this book. Contents: Births, Marriages and Burials, 1604-1733.

Vol. II has Marriages from 1754-1812 in the printed form.

Worting is a village of which three-fourths of the houses are in Basingstoke parish, although two miles from the town hall.

The transcripts have been made by Mr. S. Andrews, of Basingstoke and are now printed by permission of the Rector, the Rev. A. H. Gay.

Note at end of Vol. I.
May 7, 1812. The old Register being much mutilated, I have thought it expedient to copy as faithfully as possible into this book, all the articles that yet remain legible.

CHARLES BLACKSTONE, Rector.

We, the undersigned, being parish officers, have examined this copy of the old Register and find it as correct as possible.
