DESCENDANTS OF MICHAEL SIEGRIST OF MASON COUNTY, VIRGINIA

The numbering system used in this genealogy listing provides that each individual be assigned one digit for each generation the person is removed from Michael Siegrist. The value of each digit indicates the birth rank of the person and his or her descendants in the direct line between the person and Michael. We used the prefix WM for each genealogical numbering code.

Thus, the first child of Michael is given the number WM1, the second child the number WM2, etc. The number WM45 is given to Jefferson Siegrist, the fifth child of Philip Siegrist (WM4), who was Michael’s fourth child. Because of the number of children Jefferson Siegrist had, WM45A represents Jefferson’s tenth child, WM45B represents his eleventh child, WM45C represents his twelfth child, and WM45H represents his eighteenth child.

"S", "T", "U", etc. at the end of a code means that the person is a first spouse, second spouse, third spouse, etc., respectfully. "SF" refers to the spouse’s father and "SM" to the spouse’s mother. For adopted children, their digit is replaced by "J", "K", "L", etc. In the index, we have used "#2" at the end of a code when a second name is used for a person.

The following have been among the sources for this family listing: John Siegrist’s (WM2) family Bible; Mason County, West Virginia, birth, death, marriage, and cemetery records; Meigs County, Ohio, birth, death, and marriage records; History of the Roush Family; unpublished typescript "Siegrist Genealogy" by Ora Siegrist (WM4514); and census rolls. Additionally, many family members assisted with the preparation of this document and I have given them credit within the text.

Mason County, Virginia, where Michael Siegrist’s farm was located, became part of West Virginia when the latter state was formed during the Civil War.

There are bound to be errors and there are bound to be disagreements on the accuracy of the information, but we have attempted to maintain genealogical standards. Therefore, we would appreciate any corrections or additional information that the reader could provide.

MICHAEL SIEGRIST OF NEW HAVEN, MASON COUNTY, WEST VIRGINIA

WM MICHAEL SIEGRIST
Born 8-MAR-1773
Died 13-AUG-1848
Residence NEAR NEW HAVEN, GRAHAM DISTRICT, MASON CO, VIRGINIA

The first granting of land in today's Mason County came in 1772. That summer George Washington, on behalf of the King of England, organized a party of about thirty to survey lands in the west, including what became Mason County. Starting at the mouth of the Kanawha River, the party surveyed grants for eight members of the group as shown in map #1 on page 5. Besides serving in Washington's survey party, John Polson was a soldier in Washington's regiment, serving in the French and Indian War and at Braddock's defeat. Several years later - perhaps in the 1790s - while in Richmond, Polson sold his grant to Reverend William Graham, a Presbyterian minister. Circa 1797 - 1798, Reverend Graham with several families went to his grant to found a settlement. Supposedly, they landed at Graham Station, erected a fort and cleared some land. Upon returning to Richmond for business in 1799, Graham contracted a fever and died. Without their leader, the colonists abandoned their settlement and returned east. See map #2 on page 6.

The Founding and Development of New Haven, West Virginia on page 2 reported, "His land was sold at auction by his heirs. Mr. Graham had already sold 150 acres to Michael Siegrist, a German immigrant from the Shenandoah Valley. John Roush made the highest bid of $5,020 for the remaining 5850 acres. Five of John's brothers shared the land with him."

The Roushes became involved in a lawsuit associated with the title. Unable to defray the legal expenses, the Roushes proposed to Michael Siegrist that he pay the expenses and, if Roushes were able to establish their title claim, then they would deed four hundred acres of this land to Michael Siegrist. Siegrist furnished the money and obtained the land in the northeast corner of the Polson Grant along the Ohio River, moving there circa 1800.

Today, Graham District, Mason County, West Virginia, includes the original Polson and John West grants and the eastern most portions of the Waggener, Muse, and Hogg grants.

Michael's landholdings were extensive in the Polson Land Grant, going from the Ohio River to the hills south of today's US 33. At his death he had at least nine slaves to support the farming. The eastern portion of today's New Haven is constructed on the land which was known as the "Siegrist Flats". Additionally, according to page 27 of the Early Ohio Settlers, on 19 February 1825 Michael purchased land in Section 26, Township 3, Range 12 - today's Meigs County, directly across the Ohio River from Mason County.

The Siegrist red, brick home was set back from the north side of the road that became the original U.S. 33 highway east of New Haven. In 1989 the home was still standing just northeast of the intersection of Layne Street (old U.S. 33) and Midway Drive. See map #2 on page 6.
This is a listing of descendants of
MICHAEL SIEGRIST OF NEW HAVEN, MASON COUNTY, WEST VIRGINIA

Probably, this home was not the original homestead and may have been built by Michael’s sons John (WM2) or Joseph (WM5). The slaves’ home has been moved west of the homestead to a site on the north side of Layne Street just east of Hazelwood Drive. In 1991, it was being used as a residence with an address of 114 Layne Street.

We speculate that Michael arrived in Shenandoah County, Virginia, circa 1790 from the Rhineland-Palatinate. There was a Michael Sigrist, son of Jacobi Sigrist and Sarah Wagnerin, who was christened 8 December 1777 at Katholisch, Horbach, Pfalz, Bayern, Germany, but we do not know if this Michael was the progenitor of our family. Horbach is near the U.S. Ramstun Air Force Base. Incidentally, the 3 June 1880 Graham District census reported that both of John Siegrist’s (WM2) parents were born in Virginia.

Michael was not listed in the 1782-87 "Virginia taxpayers" census. The History of the Roush Family, Book I reported the following from Reverend Paul Henkel’s Journal: Reverend Henkel traveled going to Mason County, and Gallia County, Ohio. This was circa 4 or 5 August 1806. Following visits to various Roush family farms, on 6 August he went to the home of Michael Sechrist, which was just east of what is now New Haven. He (Michael) had married the widow of Paul Henkel’s deceased brother Benjamin.

According to Donald Siegrist, Jr. (WM451431), he found in the "Henckel Genealogy" book at the West Virginia University library that Michael married Mary Catherine (Long) Henkel in 1797 at Bridgewater, Rockingham County, Virginia. With John Roush and Joseph Wolfe, they were among the first settlers of New Haven.

Mason County was formed in 1804 from Kanawha County. In the 1810 Mason County, Virginia, -- now West Virginia -- census, Michael’s household was listed with four males under ten (Michael’s four boys), one male between 16 and 26, one male (Michael) between 16 and 26, one female between 10 and 16 (Polly WM1), and one female between 26 and 45 (Michael’s wife Mary). In the 1820 census, he was in agriculture and in a household with two males between 10 and 15 (Philip and Joseph), one male 16 to 18 (James), two males 16 to 25 (John), and one male over 45 (Michael) and one female 26 to 45 (Michael’s wife Mary). Then, in the 1830 census, his household had one male 5 to 10 (Joseph) and three males 20 to 30 (John and Philip), one male 40 to 50 (Michael), and one female 50 to 60 (Michael’s wife). The extra male in these three censuses may have been Michael’s wife’s son Gideon from her first marriage.

Michael died at 75 years 5 months 5 days. In his will written 13 April 1846 and entered into court and recorded in Mason County Will Book 1A, page 54, on 4 September 1848, Michael named his descendants and detailed the date of purchase and granter of each parcel as he distributed his holdings.

* To his son John M. (WM2) he gave:
This is a listing of descendants of
MICHAEL SIEGRIST OF NEW HAVEN, MASON COUNTY, WEST VIRGINIA

- Land on the Ohio River where John lived had already been conveyed.

- 200 acres on the Ohio River which Michael purchased from Sam Sellers on 5 November 1838.

- 138 acres in the Polson Survey which Michael purchased from John Roush on 6 April 1814.

- Negro slave Frederick and wife Julian.

* To son Philip (WM4) he gave:

- Land on the Ohio River where Philip lived had already been conveyed.

- 200 acres on the Ohio River which Michael purchased from John Ruffner, dated 20 May 1840.

* To son Joseph (WM5) he gave:

- 200 acres on the Ohio River where Michael lived.

- 150 acres decreed to Michael by a Court of Chancery in a suit brought against the heirs of Reverend William Graham.

- 50 acres adjacent to a previous 150 acres conveyed by John Roush on 23 February 1813.

- 7 slaves, farm animals and implements, and kitchen furniture.

* To daughter Polly's -- "late wife of Reverend Charles Hinkle" -- heirs "David and Elizabeth (now John M. Strider's wife)" $300 each.

* Gave Philip $600 because he did not receive slaves and divided the remainder among the three sons.

Sons John M. and Joseph were executors and William Sterrett, John Fry, and Lewis Roush were witnesses.

MICHAEL married to
WMS MARY CATHERINE LONG
Born VIRGINIA 11-AUG-1766
Died 28-MAR-1846
Parents: PHILIP LONG and __________
Quite likely, Mary was born on the 1005-acre Long property in Shenandoah County, Virginia. The family home and accompanying old vaulted cellar - called a "fort" - today remains in excellent condition on the C. D. Price farm in Page County, near Alma, south of Stanley, on county road 616.

Those interested in the Long family might want to refer to "The Family of Philip Long and Collateral Lines" by George West Diehl. According to page 10 of this transcript, Mary’s father, Philip Long, was born 18 December 1742, died 5 February 1826, and married Elizabeth Arey circa 1772. Thus, we do not know if there is an error in dates or if Philip Long married first someone else who was Mary’s mother. Philip received a ten thousand acre tract for his participation in the Revolutionary War and gave the land to four of his sons: Philip, Adam, Jonas, and Nathan. Philip Long and Elizabeth Arey had six sons.

In 1785 Mary married Reverend Benjamin Henkel, a Lutheran minister, and they had one son, Gideon, who also moved to Mason County. According to page 8 of "Shenandoah County Marriages 1772-1850", a John Roush served as bondsman for Mary’s and Benjamin’s wedding. Circa 1791, her husband Benjamin passed away and, according to the "Rockingham County Virginia Minute Book No. 2" by Constance Levinson, the appraisement of his estate was completed between 23 April and 25 June, 1792.

According to page 247 of the "Henkel Genealogy", Reverend Henckel and Mary had three sons before he died: Gideon born in 1788, Emmanuel born in 1790, and Moses born in 1792. Gideon was raised by Captain John and Dorothy Roush who were childless and lived in Point Pleasant, Mason County. Gideon was named executor in John Roush’s will and was left five hundred acres of the original Poison Tract. Both of Gideon’s brothers were killed accidentally in separate accidents in 1806 - Emmanuel by a wagon and Moses by a tree. They both died in Point Pleasant, thus possibly John Roush was also raising them.

Also, Mary has been referred to as "Polly".

Mary died at 79 years 7 months 16 days. Mary’s and Michael’s birth and death dates are from their son John Siegrist’s (WM2) 1822 family Bible, which was in Edwin Jewell’s (WM42113) possession in the 1980s.

WM2 JOHN M. SIEGRIST
Born VIRIGNIA 28-AUG-1799
Died 11-JUN-1885
Buried SIEGRIST-FRY CEM, NEW HAVEN, MASON CO, WEST VIRGINIA
Residence NEAR NEW HAVEN, GRAHAM DISTRICT, MASON CO, WEST VIRGINIA

According to Donald Siegrist, Jr. (WM451431) John was born 30 September 1799, his middle name was Michael, and he married Elizabeth 19 August 1819. His and Elizabeth’s birthplaces are from the 1850 census.

In the 1830 Mason County, Virginia, census, the John M. Siegrist household had one male between 30 and 40, one male between 5 and 10, one female between 20 and 30, one female between 10 and 15, and one female under 5. John is in the Mason County 1840 census. In the 1850 Mason County census his name is spelled "Seegrist". In the 1860 census, he was a farmer, his name was spelled "Seigrist", and a twenty-three year-old Mary M. Nease lived with them. In the 3 June 1880 Graham District, Mason County, census, his name was spelled "Siegrist".

John’s and his wife’s birth and death data are from pages 677 - 680 "Family Record" of his The Holy Bible, dated 1822. The front cover page reads, "John M. Siegrist his book. Price $5.00." In 1989, John’s great grandson Edwin Jewell (WM42113) had this Bible and allowed me to copy the contents of the "Family Record". John died at 85 years 9 months 11 days. According to 1972 Mason County Cemetery Inscriptions Volume 1, his name is spelled "Seigrist" on his grave marker and this book confirms his and Elizabeth’s death data from the family Bible.

According to Katherine Jewell (WM42114S), John built the Lutheran Church in New Haven, a replica of which is in the Point Pleasant, Mason County, museum.

In his will, written 24 January 1876 and entered 23 June 1885 in Mason County Book 2, pages 159 - 165, John made distributions as follows:

* Gave all real and personal estate to his wife Elizabeth.

* Gave twenty-five acres, the front part of his farm, to Harrison Taylor Fry, son of John Fry, Jr.

* Gave sixty-four acres, the back part of his farm, to John W. Miller.

* Reserved up to three square rods as a family graveyard, gave $1500 to enclose the graveyard with stone fence and for monuments for him and his wife. (Today, this is called the Siegrist-Fry Cemetery.)

* Gave Elizabeth Strider (WM11), wife of John Strider, $200 at John Siegrist’s wife’s death.

* Gave David Henkel (WM12), $200 at John Siegrist’s wife’s death.
This is a listing of descendants of
MICHAEL SIEGRIST OF NEW HAVEN, MASON COUNTY, WEST VIRGINIA

* Gave the Home Missionary Society of the Evangelical Lutheran Church $1000 principal after death of his nieces Christina Nease & Sarah Fry, with interest in the meantime to support the two.

His wife was executrix and John W. Miller was executor of the will.
His name was spelled "Seigrist" on his will.

In a 3 March 1876 cordial to his will, John gave his Sutton Township, Meigs County, Ohio, real estate to a W. H. H. Gabbert with the understanding a Mrs. Hannah Lallauce, widow of Frank Lallauce, could remain on the property until her death. Also, he gave $200 to W. H. H. Gabbert and to Mrs. Emily Gabbert if they would take care of John or his wife Elizabeth, depending on who died first.

In a second cordial dated 18 December 1878, he directed that his Sutton Township, Meigs County, Ohio, property be sold at Lallauce’s death. Also, he gave the right to Sarah Fry, widow of John Fry, Jr., M. W. Miller’s wife, and Harrison F. Fry to be buried in his graveyard, which he described as 7 1/4 rds in length begin at centerline of Turnpike Road, extend back 7 1/4 rds, and 4 1/2 rds in width begin at division line between Philip Siegrist and himself.

The Siegrist-Fry Cemetery is located on the south side of Layne Street — old US 33, now secondary route 19 — half a block west of Hazelwood Drive and just a couple blocks west of the Siegrist homestead. This cemetery is surrounded by a six foot high hand-hewed stone fence. In the summer of 1989, it was so overgrown with trees and brush that it was impenetrable, precluding the reading of any of the grave markers.

JOHN married MASON CO, VIRGINIA (Book 1 page 5) 31-OCT-1822 to
WM2S ELIZABETH FRY
Born VIRGINIA 7-JUN-1800
Died 9-OCT-1890
Buried: SIEGRIST-FRY CEM, NEW HAVEN, MASON CO, WEST VIRGINIA
Parents: JOHN FRY and
Charles Henkel married them.

Elizabeth died at 90 years, 4 months, 2 days. Mason County Recorded Deaths, 1880-1903 District I, gave her death as 1 October 1890 at 90 years of age, with John and Elizabeth Fry and a friend Marion Fry giving the information. Donald Siegrist, Jr. (WM451431) states she died 11 June 1885.

Elizabeth’s will written 18 December 1878 and two successor cordials, entered 21 October 1890, were extensive with thirty-five bequeaths describing distributions of money and personal property. Among those receiving distributions were: her brother John Fry, Sr. and his wife Catherine; Sarah Fry, daughter of brother John Fry, Sr.; Christina, wife of Lewis Nease, Sr. and daughter of John Fry, Jr.; Elizabeth Mumaw, wife of Samuel Mumaw; Sarah Fry, widow of John Fry, Jr.; and minister of the Evangelical Lutheran Church. She also designated $100 to maintain the family graveyard.

WM4 PHILIP L. SIEGRIST
Born VIRGINIA 21-SEP-1804
Died 10-DEC-1885
Buried PHILIP SIEGRIST CEM, NEW HAVEN, GRAHAM DIST, MASON CO, WV
Residence EAST OF NEW HAVEN, GRAHAM DISTRICT, MASON CO, WV
Philip’s birth data is from his brother John’s 1822 family bible.
Page 457 of the 1928 History of Roush Family, Volume 1 gave 15 October 1804 as his birth date and spelled his name "Seigrist". His name is spelled "Seegrist" in the 1850 census. In the 26 August 1870 census, he was a farmer with $35,000 of real estate, his name was spelled "Seigrist", and his daughter "Laurie" (WM48) was keeping house. In the 1880 Mason County census, Phillip was listed with his daughter Caroline (WM49) and his name was spelled "Siegrist".

Philip’s home was located in the "Siegrist Flats" south of the present day intersection of Lynn Drive and Allendale Court in eastern New Haven. Situated between the railroad tracks and Broad Run Creek, in 1991 it was abandoned and delapidated.

Philip’s will, written 4 May 1876 and proven 18 November 1890 (Mason County Will Book 2, page 298), provided, after payment of debts and burial expenses, that his grandson Taylor Segrist (sic) was to receive Philips’ tract in Lawrence Tract, Meigs County, Ohio, where Hannah Larance now resides (See John Siegrist’s (WM2) will and cordials.) and which was the only Meigs’ County land Philip owns; was to receive all personal property; gave Taylor interest on money until Taylor was 21 years old, at which time he was to receive money; and if Taylor died before Philip, then money and property were to be divided equally among his daughters Sarah Elliot, Laura Ann Rollins, and Caroline A. Capehart. P. G. Layne was executor, A. W. Capehart (WM49S), Otis B Smith, L. F. Roush were witnesses. In an interesting sidelight, A. W. Capehart (WM49S), in a 24 December 1890 disposition in Phillipsburg, Phillips County, Kansas, stated he knew Philip twenty-eight years and attested to the will.

In the Mason County will records, Philip’s last name is spelled "Siegrist", his will has "Segrist", but the book Mason County Cemetery Inscriptions has "Seigrist" for his entire family.

Philip’s death date is from Mason County Cemetery Inscriptions, Volume 1, which states he died at 81 years, 2 months, 25 days. The Philip Siegrist Cemetery is located on the north side of Fifth Street (US 33) in east New Haven on Mr. Grimm’s lawn that was located on the east bank of Broad Run Creek. In October 1970, the monuments were down, but in good condition. In the summer of 1989, Edwin Jewell (WM42113) reported the monuments were still stacked on Grimm’s lawn.

The 1928 History of Roush Family, Volume 1, gave her name as Katherine. In the June 1900 census, Catherine's son Washington said she was born in Ohio. Her name in the Mason County marriage book was "Catherine Raush" and her name was "Catherine" in the 1850 census. John M. Siegrist's (WM2) 1822 family Bible confirms this marriage date and reported her name as "Catherine".

Born VIRGINIA 15-JAN-1836
Died 10-JUN-1909
Buried HOFFMAN CEM, GRAHAM DISTRICT, MASON CO, WEST VIRGINIA
Residence GRAHAM DISTRICT, MASON CO, WEST VIRGINIA

Probably, Washington was born in Mason County of today's West Virginia.

On 24 July 1874 Washington purchased for $1000 from his father two parcels: fifty-two plus acres of Ohio River bottom land and fifty-seven acres of hill land. Their names are spelled "Segrist" on this deed. According to family tradition, Washington was a carpenter who, with his uncle Joseph (WM5), built, circa 1868, the Bachtel United Brethren Church on Layne Street east of New Haven, Graham District, Mason County. Today, this church is the United Methodist Church.

In the 11 June 1880 Graham District census, he was a forty-four year-old old farmer. In the June 1900 Graham District census, he owned his farm free of mortgage, but he could not read nor write.

In his will, written 30 October 1897 and entered 17 July 1909 in Mason County Will Book 4, pages 72-73, Washington gave his wife Catherine all real and personal estate providing the following distribution after her death:

* Gave his son James M. the house and lot where James lived.
* Gave his son Samuel P. the house and lot where Samuel lived.
* Gave his son Riley C. "the homestead the mansion home".
* Gave his daughter Serena the house and lot where Serena lived.

* Divided the remaining among the four children. His sons James and Riley were executors.

Hoffman Cemetery is located on a hill approximately one mile from Upper White Church, Broad Run Community, near the southern boundary of Graham District.

According to the 1880 and 1910 census, Charley’s father was born in Germany and in 1880 was a fifty-two year-old farmer in Mason County.

Serena’s and Charley’s marriage is recorded on page 92 of Marriage Book 12. Minister J. L. Hensley married them.

In the 21 April 1910 Precinct 3 & 4, Graham District census, Charley was a farmer who owned his farm. Family tradition says that Charles and Serena purchased her father’s farm.

The Ihle family owned a large farm east of the Siegrist Flats, near Graham Station Post Office. We do not know if Charley farmed this land, too. In 1990 most of this property was occupied by a large electrical, coal-fired power plant, the 1301 plant, on the Ohio River.

His date of death date from page 12, the 1972 Mason County Cemetery Inscriptions, Volume 1.

(Note: The Mason County Cemetery Inscriptions incorrectly refers to the Graham Cemetery as the Graham Baptist Church Cemetery.)

Sheridan taught school for twenty years, including at the Crossroads and Frog Pond country schools in Phillips County, Kansas. He and his uncle Abney W. Capehart (WM495) built the Crossroads school southwest of Logan, Phillips County.

Sheridan homesteaded a farm in Gove County, Kansas, and, while living there, his son Jimmie (WM4545) was bitten by a rattlesnake while herding cattle and died. In the 1910 census, Sherd and his family were listed in Gove County. Later, they moved back to Logan, where Sheridan operated a creamery for several years.

In 1925, he and his family moved to Ventura, California, where he was a manager of a cement and putty warehouse and lived the rest of his life. In later years, he spent most of his time in the Ventura library. According to family tradition, Sheridan wrote about the Siegrist family from Virginia to Kansas and other points and, possibly wrote a book on the family, but nobody knows what happen to his writings.

   Born NEW HAVEN, GRAHAM DIST, MASON CO, WEST VIRGINIA 8-MAR-1873
   Died 7-SEP-1941

   If the birthplace of their first two children is a valid indicator,
   Floyd and Jessie lived in Graham County, Kansas, until at least 1898.
   Floyd was a farmer who moved to Simpson, Kansas, in 1913 where he
   operated a Livery Barn and Dray Service. Simpson is on the Mitchell
   County and Cloud County line, but he was reported in Mitchell County in
   the 1910 census. Then, he farmed until his 1939 retirement.

Died CALIFORNIA 6-FEB-1961

In the 1910 Kansas census, Clyde and his family were listed in Graham County.

Clyde graduated from the Palmer School of Chiropractic in Davenport, Iowa. After graduation, he practiced in Kansas at Downs, Osborne County; Hill City, Graham County; and Plainville, Rooks County. Because his children had moved away from Kansas, Clyde quit his Plainville, Kansas, practice and moved to California, living in Redondo Beach and Monterey Park to be near his son Clair. At the time of Clyde’s death, he was living with his daughter Erma.

Clyde was musically talented, playing the violin, musical saw, and dulcimer. He made his first dulcimer as a child by using a board from a hog pen. In the 1930s, he made his own dulcimer with six strings and eleven pedals, which he called the Siegrist Dulcimer Harp, receiving a patent on it on 15 January 1935. Taking this dulcimer harp to a national inventors convention, Earl received a blue ribbon for first prize.

Buried GRAHAM CEM, GRAHAM DIST, MASON CO, WEST VIRGINIA
Residence NEW HAVEN, GRAHAM DIST, MASON CO, WEST VIRGINIA in 1910

The History of the Roush Family spelled her name as "Lura". In the 26 August 1870 Mason County, West Virginia, census, she was keeping house for her father. Her name on her cemetery inscription, in the 11 June 1880 Graham District census, in her father's will, and in the 1910 census was "Laura".

Laura's marriage record states she was twenty-one at her 1871 marriage. The 21 April 1910 New Haven census stated she had four children, all alive. Graham Cemetery is near Graham Station Post Office, Graham District.

LAURA married MASON CO (Book 7, page 97), WV 25-JUN-1871 to
WM48S BENJAMIN F. "BEN" ROLLINS
Born JACKSON CO, VIRGINIA 1851
Parents: JOBES ROLLINS and MARGARITE
Residence NEW HAVEN, GRAHAM DIST, MASON CO, WEST VIRGINIA in 1910

His date of birth is from the gravestone, but there is no record of him being interred there. In the 1870 Hartford City, Mason County census, Ben and his sixteen year-old brother William were listed with the William Umph family for whom they did farm work.

Ben was a farmer according to his marriage records, to his daughter's 1872 birth records, and to the 1880 Mason County census. In the 11 June 1880 Graham District census he was twenty-seven year-old farmer; and in the 21 April 1910 New Haven census, he was fifty-eight years old, owned his home free of mortgage, and had been a steamboat pilot for eight years.

In his will, which was written 27 October 1931 and entered 11 February 1939 (Mason County, West Virginia, Book 6, page 79), Ben directed the following: his household goods be sold with the proceeds given to Anna Rollins (WM483S); $100 each be given to Mrs. Ruth Batey, Mrs. Ora Shawver, and Anna Rollins (WM483S); and divide equally the residue among Warner Z. Rollins (WM483), Taylor Hogg, Lavina C. Lewis (WM481), and heirs of March Rollins, deceased.

WM481 LAVINA CATHERINE ROLLINS
Born MASON CO, WEST VIRGINIA 25-APR-1872

Her Mason County birth record states her name as "Lavin Catherine". The 1880 Mason County census and page 460 of the History of the Roush Family, Volume 1, 1928, give her name as "Lovina", but her marriage records and her father's will give "Lavina". The Roush book also stated that one of her sons drowned in the Ohio River near New Haven, Mason County, but we do not know which one it was unless he was March mentioned in her father's will.

In the 1870 Mason County census, he was a twenty-one year-old laborer listed as "Abna". In the 3 June 1880 Mason County census, he was a thirty year-old carpenter. As a carpenter, he built the Hicks Schoolhouse southeast of Logan, Phillips County, Kansas, and he and Sheridan Siegrist (WM45S) built the Crossroads Schoolhouse southwest of Logan. In April 1855 a severe sickness must have afflicted members of the family resulting in the death of the following three children. Regardless of what happened, information about them is conflicting. They were all interred in the Phillip Siegrist Cemetery located on the north side of Fifth Street (U.S. 33) on the east bank of Broad Run Creek in east New Haven. In 1989, this cemetery was desecrated with monuments stacked against a tree.

WM4A MARGARET J. SIEGRIST
Born 23-JAN-1850
Died 12-APR-1855
Buried PHILIP SIEGRIST CEM, NEW HAVEN, MASON CO, WEST VIRGINIA

Her death data is according to page 20 of Mason County Cemetery Inscriptions, Volume I, that state she died at five years, two months, and nineteen days of age. Page 460, the History of the Roush Family, Volume I, 1928, gave 14 April 1855 as her date of death. In the 1850 census she was 6/12 months old.

According to page 20 of Mason County Cemetery Inscriptions, Volume I, there are records that show an Asabell Siegrist, who supposedly died 5 April 1855 at five years of age, as one of Phillip Siegrist's daughters. We did not find these records in Mason County. Probably, Asabell was Margaret's middle name.

WM4B JOHN SIEGRIST
Born 15-NOV-1851

Buried PHILIP SIEGRIST CEM, NEW HAVEN, MASON CO, WEST VIRGINIA

According to page 460 of the History of the Roush Family, Volume I, 1928, she died 14 August 1855.

According to page 20 of Mason County Cemetery Inscriptions, Volume I, records give an Emily Siegrist, who supposedly died 8 April 1855 at one year eight days, as one of Philip Siegrist's children. We did not find those records in Mason County. Probably, Emily was Marinda's middle name.

WM5 JOSEPH "JOE" SIEGRIST
Born VIRGINIA 15-DEC-1806
Died 27-APR-1869
Residence EAST OF NEW HAVEN, MASON CO, WEST VIRGINIA

Joseph’s dates of birth and death are from his brother John’s (WM2) family Bible, which stated he died at 62 years, 4 months, 12 days.

In the 1850 Mason County, West Virginia, census, Joseph lived in the 38th District. In the 1860 Mason County census, he was a fifty-four year-old farmer and the following were listed with his wife and him: Hamilton (19 years old) and Lidia (16 years old) Weaver and Noah Rous (21 years old).

He and his nephew Washington (WM42) assisted the carpenters who completed the church in 1868. Today the church is named the Bachtel United Methodist Church. Joe’s funeral was at the Bachtel Church.

The Mason County Deaths 1853-1879 (Book District 1) states he died 27 April 1869 of heart disease, according to information provided the county by his wife.

In his will, written 16 August 1861 and entered in Mason County (Book 1A, page 207) 18 June 1869, Joe bequeath the following:

* Gave his wife Margaret one/half of the Ohio River real estate including his home, furniture, and library.

* Gave $1000 to the "Home, Frontier and Foreign Missionary Society" of the Church of the United Brethren in Christ to which he belonged.

* Gave $500 to a John Henson.

* Gave the other one/half of his property to be equally divided to Nicholas Weaver’s children.

* Gave his "colored girl Rebecca" her freedom at 21 years of age and $100 to be invested for her.

* Gave to his wife 1/3 from the disposition of his personal property.

* Gave to his niece Caroline Siegrist (WM49) 2/3 from the disposition of his personal property plus $500.

* Gave to his wife anything left after paying his debts and funeral expenses.
