MUSTER ROLLS

OF THE

Pennsylvania Navy.

1776-1779.

1—VOL. XXIII—3rd Ser.
When Volume One of the Second Series of Pennsylvania Archives was printed, it was supposed that it included all the records of the Pennsylvania Navy. Recently some muster rolls have been found which, although in part duplicating what was contained in the volume referred to, comprise such valuable additional material, relating to that branch of the Continental Service in which Pennsylvania took such a prominent part, that it has been deemed advisable to print all the rolls.

LIST OF SOLDIERS

WHO SERVED AS

Rangers on the Frontiers.

1778-1783.
PREFATORY NOTE.

The list of Revolutionary Soldiers which follows is copied from a volume recently discovered of payments made to the individuals noted for services chiefly on the Frontiers as Rangers, between the years 1778 and 1783. As the majority of the names appear more than once upon the list, this is owing to the fact that they were paid for different tours of duty. It is to be regretted that the Company designation is not attached to each individual, for had that been the case the men might have been arranged into companies. No year is given for the specified service.
