EXPLANATION:

The figure in the first column indicates the number of generations in America, that in the second the order of birth in the individual family. To ascertain the lineage of anyone listed in this genealogy, first locate the name desired by use of the index and note the number in the first column, then find the next lower number immediately preceding it in the first column (which will be the generation number of his parent), then the next lower number in like manner, and so on until number 1. 1. is reached.

For example: Richard Roberts (8. 2., page 46) is the son of Teal Roberts (7. 3., page 46), who is the son of William Kosseuth Roberts (6. 5., page 45), who is the son of Joseph Triplett Roberts (5. 4., page 45), who is the son of William Roberts (4. 5., page 33), who is the son of Benjamin Roberts (3. 5., page 30), who is the son of George Roberts (2. 2., page 23), who is the son of John Roberts (1. 1., page 1).
A Roberts Family in Virginia and Kentucky

Probably the majority of the families of this name in America are of Welch descent and, according to tradition, are descended from Calwyri ap Tagno, Lord of Efionydd and Founder of the Fifth Noble Tribe of North Wales.

The derivation of the name itself is the same as that of Robert, i.e., rod, counsel, and bright or famous - famous in counsel.

The common ancestor of the branch of which this account deals was

1. 1.

John Roberts of Overwharton Parish, Stafford County, and St. George's Parish, Spotsylvania County, Virginia. There is a family tradition that he was one of three brothers who came from Wales, another of whom was William, but it is not definitely known if he was an emigrant or if he was born in Virginia. His name first appears, April 5, 1705, on the following deed:

The aforementioned land he deeded to his son-in-law,
William Payton, after 1709 (the deed is now lost but was
probably recorded in Book H which was stolen or destroyed
in the Civil War), and which Payton subsequently sold to
Thomas Botts, July 13, 1726. (Stafford County Book I,
pages 289-91).

It is unfortunate that so many of the records of Sta-
ford County were stolen or wantonly destroyed by Union
troops during the Civil War, as they may well have contained
an earlier record of John Roberts. He was definitely a re-
sident of Stafford County when he made the 1705 purchase
of John Trammill.

On July 12, 1718, while still a resident of Overwharton
Parish, he was granted the two following patents (both in
then Essex, later in Spotsylvania and Culpeper Counties):

His two older sons, John and George, were born prior to 1703 as they had reached their majority when his will was probated in 1724; his son Benjamin probably about 1707. He died in St. George's Parish, Spotsylvania County, in the fall of 1724. His will, dated September 10, 1724, and proved November 3rd. of the same year, follows:

John Roberts. Born probably in Stafford County, Virginia, prior to 1703: married 1st., Elizabeth Russell, before 1730. 2nd., Mrs. Margaret Humphreys, in 1768; died in Culpeper County, Virginia, after 1792.

On June 13, 1726, while a resident of St. George's Parish, Spotsylvania County, he was granted a patent of 400 acres on the lower side of Flat Run, which, on September 1, 1749, he sold to the Rev. John Thompson, minister of St. Mark's Parish (Culpeper Deed Book A, pages 55-8).

On July 6, 1730, he and Francis Kirtley, his brother-in-law, leased the land that his father had given to Kirtley in 1722 (he had apparently acquired an interest in it in some way), as witness the following:

At a Court held for Spotsylvania County on Tuesday July ye Seventh Anno Dom 1730 —
John Roberts and Francis Kirtley acknowledged this their Deed of Lease for Land unto Roger Oxford at whose motion the Same was admitted to Record
Elizabeth Roberts and Margaret Kirtley acknowledged their right of dower, etc.

On June 18, 1748, he was granted a patent for 589 acres of land in then Orange County in the little fork of Rappahannock River beginning on the north side of Little Battle Run, of which he sold 300 acres on July 11, 1749, to Richard Young, and the remaining 289 acres to James Slown on August 10, 1750 (Northern Neck Grants G, page 69; Culpeper County Deed Books A, pages 59-64, and B, pages 360-64).

On May 10, 1752, he purchased from his son William for "Two young negro Men named Charles and Tom, and the sum of ten pounds Currant Money of Virginia" 400 acres in the little fork of Rappahannock and on Battle Run, which land William and his brother John (then deceased) had inherited from Malcolm McKenzie. On March 20, 1757, he deeded this land to his son Benjamin "for and in consideration of the natural love Good Will and Affection which I have and do bear towards my loving son" (Culpeper County Deed Books A, pages 413-15, and E, pages 222-3; Orange County Will Book I, page 172).

He received two other patents: one on October 27, 1754, for 510 acres on the Gourd Vine Fork, which he sold to Daniel and Alexander Campbell, November 2, 1755, and the other on October 22, 1757, for 500 acres, also on the Gourd Vine Fork, which he sold to Moses Coppidge, August
His last recorded transaction occurred on September 17, 1792, when he sold 236 acres of land on the west side of Little Battle Mountain to James Duncan Jr. (Culpeper County Deed Book R, pages 104-6).

In most of the above deeds he gives his residence as Bromfield Parish, Culpeper County. Bromfield Parish included most of present Madison and Rappahannock Counties together with only a small part of Culpeper County of today, and it is probable that he lived in what is now Rappahannock County.

His first wife, Elizabeth Russell, was the sister of Colonel William Russell, Sheriff of Orange County, and daughter of Sarah Russell. She is mentioned in her mother's will, probated October 20, 1757, as follows: "I give to my three daughters, Sarah Reed, Elizabeth Roberts and Mary Wright my wearing Apparel to be equally divided among them" (Culpeper Will Book A, page 165). She died prior to 1768, as witness the following marriage contract between her husband and Mrs. Margaret Humphrey:

Articles of agreement Mutually entered into between John Roberts of the Parish of Bromfield in the County of Culpeper and Colony of Virginia on the one part and Margaret Humphreys "widow of the same County and Colony vizt that the said John Roberts for himself his heirs Executors Admors or any Person or Persons whatsoever Claiming or to Claim under him by Virtue of a marriage to be solemnized between him the said John Roberts and the said Margaret Humphreys after signing & Sealing these presents Does hereby Relinquish quit and forever disclaim any Right or title to any part of the Estate Real or Personal that the said Margaret Humphreys is now Possessed of before Solemnizing to the intended Marriage and the said Margaret Humphreys for herself also and in behalf of her heirs Claiming or to Claim under her doth hereby Relinquish and forever quit all Right and title to any Part or Parts of the said John Roberts his Estate or personal nor shall she for herself her heirs claim and thing by Right of Dower Each of the parties Consenting and agreeing that no advantage whatsoever is to be taken eacj of the others heirs do for want of formality in this Present Instrument But each to the other hereby to all Intents & purposes are not Intitled to any Part of the others Estates But that in Case of the death of the said John Roberts before the said Margaret Humphreys that she the Margaret is to be in the same Estate and Condition she now is in at the signing and sealing of these presents IN WITNESS thereof the Contracting Parties the said John Roberts & Margaret Humphreys have hereunto set their hands & seals this 234th day of January in the year of our Lord God 1768

(Culpeper County Deed Book E, pages 541-2)

He certainly had four sons, John, William, Benjamin and Francis. Malcolm McKenzie, in his will dated May 1, 1741, gives and bequeaths to "Jno & Wm Roberts the two sons of Jno & Eliza Roberts of the County and all my lands and plantation in the sd County of Orange to be equally divided between them the sd Jno & Wm Roberts and to their Heirs provided I should die without Heirs lawfully begotten." In the deed of gift mentioned above John Roberts gives to his son Benjamin land, one of whose boundaries is recorded as "Running thence with a Dividing Line of marked trees between my son Benjamin aforesaid and his brother Francis Roberts" (Culpeper County Deed Book E, pages 222-3). He probably had a daughter Mary and possibly several other children.

He evidently lived to be a very old man, as he could not have been under ninety when he was grantor in the 1792 deed, and he probably was still alive close to 1800 as the special agent of the United States investigating British mercantile claims states in his 1802 report that John Roberts was one of the oldest men in Culpeper County (see the Virginia Genealogist, Volume 7, number 1, page 17). He apparently left no will.

Children: John, William, Francis, Benjamin and Mary (?).

3. 1.
John Roberts. Born probably in Orange County, Virginia, probably about 1733; died before May 10, 1752, as his brother William on that date sold to his father land that they had jointly inherited from Malcolm McKenzie and in the deed states that his brother John was "Lately Deceased" (Culpeper County Deed Book A, pages 413-15). It is probable that he never married.

3. 2.
William Roberts. Born probably in Orange County, Virginia, prior to 1738; married Jean (or Jane), daughter of William Johnston, before 1758; died in Culpeper County about 1811.
His name appears on many Culpeper County deeds from 1752 to the time of his death. He was an Ensign in the Culpeper Militia in 1756.
Children: John, probably others.

4. 1.
John Roberts. Born in Culpeper County, Virginia, in 1758; married 1st., ---- ----, 2nd. Lucy Ann Flair,
daughter of Robert Pollard of Richmond, April 27, 1809; died in Rappahannock County, November 30, 1843. Lucy Ann Pollard Roberts was born in 1782 and died in Culpeper County, October 6, 1863.

In the Revolutionary War he served as Captain and, after March, 1779, as Major of infantry; Major to the Convention Guards under orders of Colonel James Wood until September 1, 1781. He was granted a pension February 22, 1831. He served 13 years in the Virginia Legislature.

William H. Roberts. Resided in Rappahannock County, Virginia.

John A. Roberts.

Robert P. Roberts.

Howell L. Roberts.

Elizabeth R. Roberts. Married James French Strother.

Isabella V. Roberts. Married James Jett Jr.

Francis Roberts. Born in Orange County, Virginia, after 1841.

Except in the aforementioned deed of gift from his father to his brother Benjamin, his name occurs only once in the Culpeper County deeds when he mortgaged his household furniture, his negro slave Sarah, two cows and calves, a bay mare and ten hogs to James Robison, merchant of Falmouth, agent of William Cunningham and Company of Glasgow, Scotland, for fifty three pounds, eight shillings and eight pence. May 22, 1774 (Culpeper Deed Book G, pages 328-30). He may have been the Francis Roberts who later lived in Nelson County, Kentucky.

Benjamin Roberts. Born in Orange County, Virginia, after 1741; married Anne, daughter of William Duncan of Culpeper County; died, probably in Henry County, Kentucky, after 1810 and before 1820.

Circumstantial evidence almost certainly indicate that he was the Benjamin Roberts Sr. who served as sergeant in
Captain Merk Thomas' Company in General George Rogers Clark's Illinois Regiment, from November 12, 1779 to November 3, 1781, and in Captain Charles Folk's Company, from October 12, 1782 to November 25 of the same year, during the Revolutionary War (Illinois Papers. Documents 18 and 93, Virginia State Library).

He was a resident of Culpeper County until 1779, where, on November 15th, of that year, he and his brother William sold land of Hazel River to William Ward (Culpeper Deed Book K, pages 27-9). He settled in Nelson County, Kentucky, about 1780, where, on February 22, 1786, he made the following power of attorney:

At a Court held for Nelson County on Tuesday 28th of February 1786 the following power of Attorney from Benjamin Roberts to Joseph Calvitt was Acknowledged and ordered to be recorded -

Know all men by these presents that I Benjamin Roberts of Nelson County and District of Kentucky do Constitute and Appoint Joseph Calvitt my attorney in fact and do empower him for me and in my stead to recover and receive any legacies or sums of money that is left or bequeathed to any of my Children to wit: Betsey Roberts, William Roberts, James Roberts, George Roberts, Nancy Roberts, Benjamin Roberts, and Henry Roberts, by William Duncan their Grandfather by his last Will and Testament. I further authorize the said Joseph Calvitt to give bond with such security as may be deemed necessary to refund any part of the said legacies that may be just and lawful provided the estate of the decedent should not be otherwise sufficient to discharge all just debts and any other security Requested by Law and I do hereby ratifie and confirm all acts and deeds that may be done by the said Calvitt in pursuance of this Authority. (William Duncan in his will, dated February 24, 1781, after specific bequests, divided the rest of his estate among his sons and "my daughter Anne Roberts, but my will and desire is that the dividend or part intended or allotted for my daughter Anne Roberts to be equally divided amongst all my said daughter Anna's Children both sons and daughters" (Culpeper Will Book B, page 450).

He moved to Henry County, Kentucky, from Nelson County before March 22, 1802, on which date as a resident of Henry County he made the following deed of gift to four of his children:

This indenture made this 22nd day of March 1802 between Benjamin Roberts of County of Henry of one part and George, Nancy, Benjamin and Henry Roberts, sons and daughter of said Benjamin of the other part. Witnesseth: that the said Benjamin for and in consideration of the natural love and affection which he hath and beareth unto the said George, Nancy, Benjamin and Henry, his children and also for and in consideration of the sum of five shillings by them to him paid the

He moved to Henry County, Kentucky, in 1802. His name appears on several deeds in that county in 1818 and 1819. He was in Hurricane, Illinois, as early as November, 1819, on which date his name appears on the minutes of a church founded there in 1818, but apparently did not leave Henry County until later, as his name is included in the census of 1820 and he did not sell the Henry County farm on which he was living until September 20, 1829 (Henry County Deed Book 9, page 185). On September 22, 1829, he was
appointed the first postmaster of Hurricane, Illinois, and also served as Justice of the Peace, County Road Surveyor, Montgomery County Treasurer-Assessor and Deputy Marshall to enumerate the 1830 census. He held a permit to operate a tavern in his home, which probably also served as the post office, where Van Burenburg would be platted in 1836.

On February 17, 1770, he, as the "Son and heir at Law of George Roberts, dec'd.", patented 360 acres of land in Culpeper County, Virginia, at the foot of Green and Morris Mountain (Northern Neck Grants Q, 1775-8, pages 265-66).

He, together with his mother, served as executor of his father's will.

His name appears as grantor on five Culpeper County deeds from between 1798 and 1803, although he was a resident of Shelby County, Kentucky, as early as 1800 (Culpeper Deed Books O, page 159, T, page 182, U, page 499, W, page 45, and Y, page 8; see also Clift's "Second Census" of Kentucky, 1800).

He is known to have had two sons and three daughters and there is some indication that he may have had a son George who died childless before 1810.

His will, dated June 25, 1810 and proved at the August Court session of that year in Shelby County, Kentucky, is as follows:

He apparently never claimed all the land bounty due him for his military service, as after his death his heirs
were granted 2666 2/3 acres of land for his service as Ensign for three years.

He moved from Culpeper County to Jefferson, later Shelby County, Kentucky, before 1790.

3. 5.

Benjamin Roberts. Born in Culpeper County, Virginia, in April, 1750; married Anna Field prior to February, 1791; died in Shelby County, Kentucky, March 17, 1837.

In the fall of 1779, while a resident of Culpeper County, Virginia, he was commissioned a Captain of Slaughter's Battalion of Colonel Joseph Crockett's Regiment of the Virginia State Line and was sent on to the Falls of the Ohio, now Louisville, and served under the command of General George Rogers Clark in the Illinois Regiment from the month of March, 1780, until the close of the war. His name appears on a payroll of officers of the Illinois Regiment, which shows that he was paid, from December 32, 1779, to December 21, 1781, the sum of 268 pounds, 14 shillings and 5 pence for the balance of pay as Captain. The payroll of his company is now lost. For his military service he was granted land bounty of 4000 acres; July 23, 1800, warrant number 6746 (Journal of the House of Delegates, 1803-04, Document 32, page 10). In the Journal of the Virginia House of Delegates, January 15, 1829, appears the following entry: "The committee of Claims, have, according to order, had under consideration several petitions to them referred, and have come to the following resolutions thereupon: That the petition of Benjamin Roberts of the State of Kentucky, praying to be allowed the commutation of five years full pay, in lieu of half pay for life as a Captain of infantry during the Revolutionary war, be rejected. The said resolutions were, on questions severally put thereupon, agreed to by the House" (Journal of the House of Delegates, 1803-04, December, page 110). On November 5, 1829, he was granted a pension by the United States at the rate of 3460 per annum, #1260, Act of June 7, 1828. For two years service in the Revolution (Book D, Volume 9, page 59).

He came first to Kentucky in 1779 with the expedition of Captain James Harrod and, after the war, settled in that part of Jefferson County which became Shelby County, Kentucky, in 1792.

He was married as early as 1791 and his wife had accompanied him to the Falls of the Ohio while he was still a Captain in the Illinois Regiment, as witness the excerpt from the following letter sent from Captain Robert George to Colonel George Slaughter, commanding at the Falls of Ohio: "under the care of Major Harlan, for the use of Mr. Slaughter & Mrs. Roberts one hundred wt. of sugar, 12 lbs soap and fifty wt. of Coffee Pcs." (Calendar of Virginia State Papers, Volume 1, page 501). Colonel George Slaughter was his brother-in-law, husband of his wife Anna's sister Mary Field.

He was a Justice of the Court of Quarter Sessions of Shelby County from 1792 to 1795 and a Justice of the Peace from September, 1795, to February, 1796 (see Kentucky Historical Register, Volume 30, page 134). He sor-
ved as a member of the Kentucky Legislature from Jefferson County in 1792 and from Shelby County in 1794. He was one of the trustees who founded the city of Frankfort, Kentucky.

Anna Field Roberts was the daughter of Colonel John and Anna Field, and granddaughter of Abraham and Elizabeth ("Withers") Field. In her father's will, probated in Culpeper County, May 15, 1775, she is mentioned as follows: "I give and bequeath to my daughter Anna Field and her heirs and assigns forever five negroes viz.: Lucy, Rachael, Milly, and Adam and Nell" (Culpeper County Will Book B, page 145). In her mother's will, proven in March, 1804, in Bourbon County, Kentucky, appears the following: "Item I give to my daughter, Anna Roberts, three negroes, towit, Clowe, Kitty, & Simon to her during her lifetime & at her death them and their increase to be equally divided among her living children" (Bourbon County Will Book B, page 224). Both John and Abraham Field were residents of St. Mark's Parish, Culpeper County, Virginia. John served in the French and Indian War and was present at Braddock's defeat, and, as a Colonel of Virginia Militia, was killed by Cornstalk's Shawnees at the Battle of Point Pleasant, October 13, 1774. He was a member of the House of Burgesses for Culpeper County at eleven sessions from March, 1761, to March, 1782.

Benjamin Roberts apparently died intestate as no will has been found in any of the counties where he resided. His obituary appeared in the Louisville Public Advertiser, April 8, 1837. It reads:

Communicated
Died:
At his residence in Shelby County on the 16th. Ult. (March), Captain Benjamin Roberts, aged 87.

Captain Benjamin Roberts was one of the Pioneers of the West. He left his home in Culpeper County, Virginia and reached this place in the spring of 1773, in company with Captain James Harrod, John Cowan, the Rev. Mr. Henderson, and others, and after exploring the country returned to Virginia.

He embarked early in the Revolution, and was in many of the engagements during the war. In 1780 he returned to Kentucky with his family, and settled in this neighborhood; and afterwards removed in Shelby County, where he resided for near to 50 years.

He was a kind hearted benevolent man, and very useful in our Indian wars as a valiant officer.

On the 16th. day of May 1849 the following Will was probated and ordered recorded and is recorded in Will Book 4 at page 157 and is as follows:

Signed, Sealed & acknowledged by the testator by us at his request & in presence of each

Chs M. Thruston

Wm. R. Vance
State of Kentucky
At a Court held for Jefferson County at the Court House in the city of Louisville on the 16th. day of May 1849 -

The foregoing instrument of writing purporting to be the last will and testament of George Roberts Dec'd late of this County was produced in Court and proved by the oath of Charles M. Thruston 2 William R. Vance the subscribing witnesses thereto - whereupon the same was established by the Court to be the last will and testament of the said George Roberts dec'd 2 ordered to be recorded and is recorded in my office as Clerk of said Court.

Atteste Curran Pope CLK

There are three errors in the foregoing will, i. e., he lived in Warsaw, Kentucky, not Louisville: his executor lived in Owenton, not Owington: and Mary Slaughter was his aunt rather than his great aunt: the probable reason being that the will was written at his dictation and he was too ill to check for errors. He had come to Louisville from Warsaw on business and had contracted cholera. He died the day after the will was made.

On a payroll of Captain Todd's Company dated October 21, 1781, the following statement is entered under remarks: "Lieut. Roberts sent a Recruiting August 11th. 1779 & never returned (Illinois Paper, Document 15, Virginia State Library). In the Journal of the Virginia House of Delegates, October 1775, page 38, appears the following entry: "Also a petition of John Roberts; setting forth, that in December, 1778, he was appointed a Lieutenant in the Illinois Regiment, in which he continued till the month of March, 1780; that he laid pretensions of himself and company to a bounty of land, before the commissioners appointed to examine them, which were wholly refused by the said commissioners, without just cause; and praying relief. Ordered, that the said petitions be referred to the committee of Claims; that they do examine the matter thereof, and report the same, with their opinion thereupon, to the House.

In an affidavit dated January 26, 1835, Captain Benjamin Roberts testifies that "his brother John Roberts was Lieutenant in Capt. James Shelbys Company in the same regiment commanded by Clark of the Virginia State line. that said Lieutenant John Roberts enlisted his quota of said company in the year 1778 and his brother served until said Regt. was discharged - he further states that the claim now pending at the War Department made by the heirs of John Roberts for compensation under the laws of Congress for Military services of their said Ancestor is for the identical Lieutenant John Roberts aforesaid - he further states that the said John Roberts died in this, Shelby, County about the year 1819, and he left his children and Heirs, viz; Augustin Roberts, Willis Roberts, John Roberts, Elizabeth now Elizabeth Gregory, and Sally, now Sally McMeekin, late Sally Hughes, in all five. And all of whom are now living, and the only heirs of said John Roberts Dec'd." (John Roberts, rejected claim, Virginia State Library).

On March 15, 1844, Mrs. Elizabeth Gregory, Mrs. Sally McMeekin and John Roberts, heirs of Lieutenant John Roberts, addressed the following memorial to the Executive of the State of Virginia:

Your memorialist will respectfully represent: That while they are too young to have personal knowledge of the Services of their Father John Roberts in the
Army of the Revolution, they are advised and believe that he was a Lieutenant in the Illinois Regiment of the State line of Virginia in the Army of the Revolution, and Served in Actual Service until the final close of the War. That he set out from the State of Virginia as a volunteer to come to what is now called the State of Kentucky in the year Seventeen Hundred and Seventy Eight - And here remained under the command of Colonel Clark until the spring of the year Seventeen Hundred and Seventy Nine, when he went as Lieutenant with the troops to Kaskaskia Illinois - and in the fall thereafter, in the month of October, he was together with several other officers ordered in the State of Virginia on the recruiting service. After his arrival in Virginia he performed the duties incumbent upon him and returned in the spring of the year 1780 with his men in company with other officers of whom were his two brothers Captain Benjamin Roberts & Ensign William Roberts. That their said Father after his arrival at the Falls of Ohio in the Spring of the year 1780 Continued as said Lieutenant in the said Illinois Regiment, in actual Service - protecting and defending the western frontier until the final disbanding of the troops of said Regiment. That after the close of the war he returned back to his Native Commonwealth and remained some few years - and then removed to the County of Montgomery State of Kentucky where he continued to reside until he moved to the County of Shelby State of Kentucky where he departed this life.

Your memorialist will remark that their delay in making application for the Land Bounty to which their deceased Father became entitled on account of his long and arduous service in the Revolution, has been produced through negligence on their part - As they have from time to time ever since his death intended to apply for the same. Your memorialist will further State that Captain Benjamin Roberts a Brother of the Father of your memorialist has since their said Father's death and prior to his own, been granted Land Bounty by the Commonwealth of Virginia for his services in the Illinois Regiment - And also the heirs of Ensign or Lieutenant William Roberts an uncle of your memorialist, for his services in said Regiment. The services of the deceased Father of your memorialist they verily believe was of a character as arduous and as important as that which was performed by any officer of the Revolution. He was one of those who volunteered to enter the North-Western Territory - to encounter all the horrors of combined British and Indian warfare - And to carry into execution the object of taking the British Posts - thereby depriving them of their strongholds, which had afforded a safe retreat for their merciless Indian. And after succeeding under their bold and dauntless Commander in reducing the British Posts - In order to protect and defend the Western Frontiers, the deceased Father of your memorialist; "Joined the said Regiment for the
War" - and continued in actual service in the said Regiment Commanding as said Lieutenant in the strict performance of his duties until the final disbanding of the troops of said Regiment. Your memorialist to support by proof the alleged service of their deceased Father in the aforesaid Regiment, have the pleasure herewith to file the depositions of those soldiers of the Illinois Regiment who were present - and eye witnesses to the performance of the same - and they are persons as respectable as any in the State of Kentucky. Your memorialist for additional evidence - if such be required, will refer to the Army Register of Virginia believing they fully sustain the Claim of Land Bounty due your memorialist on account of the services of their said Father in the said State line of Virginia. Now your memorialist believing it to be their right, as well as their duty - to apply for that which was so honourably earned by their said Father they respectfully ask that an allowance may be granted them for the Land Bounty provided by the Commonwealth of Virginia to all those officers of the said Line of the rank of their said Father - and this they will ever pray.

Most Respectfully
Your Obt Servts
Sally McMeekin
Elizabeth Gregory

(John Roberts, rejected claim, Virginia State Library).

In other affidavits made about the same time and in proof of the foregoing: Major Bland Ballard states that he "saw in the spring of 1780 the said Lieutenant John Roberts and William Roberts when they arrived from Virginia to Kentucky and that the deponent served a tour in the summer of 1780 under the said Lieutenant William Roberts and that said Campaign was called the Pievy Campaign, and that said Lieutenant William Roberts and John Roberts both continued in actual service without neglect of duty until the troops of the Illinois Regiment were regularly disbanded"; Henry Foster, a soldier in Captain Benjamin Roberts' Company, testifies "That at the arrival of Captain Benjamin Roberts' Company at the falls of Ohio in the Spring of the year Seventeen Hundred and Eighty, there were other troops then at the falls and deponent knows well that John Roberts a Brother of Captain Benjamin Roberts was a Lieutenant in Command then, in the Said Illinois Regiment and continued in Actual Service until the Troops of the Illinois Regiment were discharrged which was the last days of December 1781"; Stephen Chelton, also a private in Captain Benjamin Roberts' Company, states that at their arrival at the falls of the Ohio about the first of June, 1780 "John Roberts a Brother of Captain Benjamin Roberts was a Lieutenant in Command in the Said Illinois Regiment in actual service, and from the arrival of Captain Benjamin Roberts' Company at the falls of Ohio down to the time deponent was taken prisoner, deponent knows that Said John Roberts was a Lieutenant in Command in actual service in Said Illinois Regiment"; and James White-
cotton, a soldier of the Illinois Regiment, testifies that he "Knew at the falls of Ohio Captain Benjamin Roberts Captain Abraham Chaplin Lieutenant Anthony Crockett Lieutenant John Roberts Ensign William Roberts and other officers of the Illinois Regiment under the Command of General George Rogers Clark and that he knows that said John Roberts was a Lieutenant in Command in the said Regiment at the same time of the aforesaid Officers, and continued in the service until the Illinois Regiment was disbanded. That said Lieutenant John Roberts was a brother of Captain Benjamin Roberts and William Roberts and did continue in actual service as said Lieutenant as long as did Captain Benjamin Roberts or any other officer or officers of the said Regiment. That deponent knew the said John Roberts, Benjamin Roberts & William Roberts in the State of Virginia before he came to this country and that he knows the said John Roberts and his said brothers were officers in Command at the date of the disbanding of the troops which was the last of 1781 and knows said Lieutenant John Roberts had been in the service as long as any officer of the whole Regiment." (John Roberts, rejected claim, Virginia State Library).

Marcus Brumbaugh in his abstracts from pension applications and half pay claims of Virginia and other states in the Adjutant General's Office, U. S. War Dept., states that John Roberts was commissioned a Lieutenant in Captain Robert Todd's Company and later entered the Illinois Regiment in the spring of 1780 in Kentucky and served to December 31, 1781, when the Regiment was disbanded (Revolutionary War Records, Volume I, page 562).

From the foregoing it would appear that possibly John Roberts served under Captain Robert Todd from his enlistment in December, 1778, to August 11, 1779, and, being sent to Virginia on recruiting service, recruited his quota of men in the fall of 1779, returned to Kentucky in March, 1780, and served under Captain James Shelby until December, 1781.

The payroll of Captain James Shelby is now lost but records show that he commanded a company under Colonel Clark from October, 1777, to January, 1778. Other records also show that he was a Captain of Troops at the garrison of Fort Patrick Henry, November 26, 1779. His name appears on a record dated Fort Patrick Henry, February 3, 1780, which shows that the State of Virginia was indebted to him for cloth, flannels, buttons and thread issued January 28, 1780, for soldiers belonging to his company. Also that, in the course of giving instructions to Lieutenant Thomas Wilson at Fort Patrick Henry regarding the procurement of supplies, Captain Shelby wrote: "If you should make any contracts for necessaries useful for the support of the Garrison, you will give them good certificates and directions to Colonel Clark or Colonel Montgomery for the bill upon the Treasury for the sum."

John Roberts returned to Culpeper County, Virginia, after the War. On September 13, 1783, he sold his portion of two tracts of land which he had jointly inherited with his brother Joseph from their father George Roberts containing a total of 521 acres in the great forks of the
Rappahannock River (Culpeper County Deed Book M, pages 261-2). On April 19, 1784, he sold to Joseph Roberts 471 acres of land lying on the Mountain Run (Culpeper County Deed Book M, pages 264-6). He returned to Kentucky, first to Montgomery County, and, before 1789, to that part of Jefferson County, Virginia, which became Shelby County, Kentucky, in 1792.

On December 4, 1788, he, with James Patton and Benjamin Pope, was granted the following patent:

Beverly Randolph Esquire, Governor of the Commonwealth of VIRGINIA, TO ALL TO WHOM these presents shall come, Greetings: KNOW YE, that by virtue and in consideration of a Land Office Treasury Warrant Number --- two Thousand Two hundred and Twenty four, issued the thirteenth day of September one thousand Seven hundred and eighty two --- there is granted by the Commonwealth unto John Roberts in his own right for one Moity and note James Patton and Benjamin Pope afsns of said Roberts for the other Moity of a certain Tract or Parcel of land, containing Ten Thousand Acres by survey bearing date the Second day of October one Thousand Seven hundred and eighty Six - lying and being in the County of Jefferson between little Kentucky and Ohio and bounded as followeth to-wit Beginning at a sugar tree and two white ashes the North West corner to James Patton's Eight thousand four hundred Acre survey, thence North fourteen degrees Nineteen hundred and twenty poles crossing several Branches of the Ohio to a white walnut, poplar and Small Buckeye, thence North Seventy six degrees, East Eight hundred and thirty four poles crossing a Creek to two large poplars a white ash thence South fourteen Degrees East Nineteen hundred and seventy poles to a white ash — --- of Ash Beech and Sy (? trees thence South Seventy Six degrees West Eight hundred and thirty four poles crossing Several Small Branches to the Beginning — — with its Appurtenances: TO HAVE AND TO HOLD the said Tract of Land with its Appurtenances, to the said John Roberts, James Patton and Benjamin Pope — — — and his Heirs forever. On March 5, 1819, he made the following conveyance of all his interest in the above patent to his four sons:
