THE
Commissariot Record of Orkney and Shetland.

REGISTER OF TESTAMENTS

Part I.—ORKNEY, 1611-1684.
Part II.—SHETLAND, 1611-1649.

EDITED BY
FRANCIS J. GRANT, W.S.,
ROTHESAY HERALD AND LYON CLERK.

EDINBURGH:
PRINTED FOR THE SOCIETY BY JAMES SKINNER & COMPANY.
1904.
PREFACE.

The Commissariat of Orkney and Shetland comprised the counties of the same. The Record, of which the greater part is now amissing, probably in the hands of private individuals, commences in 1661 and ends, in so far as Shetland is concerned, in 1649, and as regards Orkney in 1684. The Testaments of the different islands are recorded in groups, according as the Commissary perambulated the same, holding his courts throughout the different parishes. For the sake of convenience, those of Shetland have been arranged in a separate Index from Orkney. The lists show in a marked manner how, by the seventeenth century, names in Orkney had departed from the Norwegian system of patronymics in favour of those of places, while in Shetland the practice, which can hardly even yet be said to be extinct, of calling the son from his father's christian name, was in full force, thus the son of William Magnusson of Buness becomes Henry Williamson of Buness, and in his turn his son is Magnus Henryson or Henderson.

The Register of Testaments is contained in eleven volumes, and covers the following periods:

1. 1611 to 12th March 1612 and 30th December 1618 to 26th February 1628.
2. 21st August 1612 to 4th October 1615.
3. 7th March 1628 to 7th July 1638.
4. 20th July 1638 to 22nd August 1662.
5. 7th May 1648 to 28th August 1649.
6. 28th June 1656 to 20th August 1659.
7. 2nd December 1663 to 20th November 1666 and 2nd December 1663 to 18th December 1666.
8. 20th November 1666 to 22nd June 1671.
9. 11th January 1681 to 6th August 1684.
10. 15th April 1663 to 2nd December 1663.
11. 1679 1683.

Volume ten, which was transmitted to the Register House in 1886, by the representatives of the late Peter Sinclair Heddell, writer, Kirkwall, contains, besides Testaments, seventeen pages of notarial instruments 1657-1659, and a disposition by Lady Halcro, dated May 1667.

Volume eleven transmitted in 1902, by Mr. George Traill of Holland, contains only an abstract of the Inventory.

In addition to the above Register, there is a fragment containing Decrets, 29th March 1648 to 24th November 1659, and 25th November 1663 to 29th July 1668.
