SOME IMPORTATIONS FROM LUNENBURG ORDER BOOKS.
by L.H. Hart

The following importations are to be found in the first two order books of Lunenburg County. The claimant listed his previous place of residence, the length of his residence in the Virginia Colony, and swore that this was the first time that he had claimed land for his importation. It is not often in Virginia that one finds a date and place of removal for immigrants in the eighteenth century.

The transcription format gives the citation, date, name of the claimant, previous residence, and length of residence here.

GREENSVILLE COUNTY POWERS OF ATTORNEY.

BY L.H. HART

An important source for documenting migration is the power of attorney, recorded in county deed books. This instrument usually shows where a person has moved and gives some clue to his connection with the county in which the power of attorney is recorded. Often, two or three generations are mentioned within one instrument.

The Index to Deeds for Greensville County has been examined, and those powers of attorney which contain genealogical information or evidence of migration have been abstracted.

Standard abbreviations are used as well as the following:

The above transcription is of a list of children's births taken from the Minute Book. Such registers are found infrequently and the age of this one makes it of particular interest, especially as there is no extant contemporary Anglican Parish Register for Southampton County.

The format follows that of the original, listing the child's name, those of his parents, and the date of his birth.

This is printed with the kind permission of the Black Creek Baptist Church.

FROM THE EDITORS

The editors would like to express their thanks for the letters of congratulations and encouragement which were received on the first issue of *The Southside Virginian*. We sincerely hope that the following issues will be of equal help to those doing Southside research.

Upon careful consideration we have changed our policy on the number of genealogical queries which will be published per issue. We will publish 25 queries per issue. In order to be fair to all subscribers we may limit the number to one query per individual per issue.

We would like to encourage our subscribers to submit transcriptions of Southside Bible records. We are most interested in material prior to 1853. If known, the date the Bible was published should be submitted with the transcription.

We would like to reemphasize that we are always happy to receive comments and suggestions from our subscribers.

THE WATKINS FAMILY

By John Hale Stutesman

The Genealogy of the Watkins Family descending from the parent Stock of John Watkins, who lived and died in the County of Prince Edward some 80 or 90 years ago. He married Miss Ann Ray. They had six sons and three daughters to witness: (1) Micajah, (2) John, (3) James, (4) William, (5) Thomas, (6) Abner, (7) Sarah, (8) Edith, and (9) Polly.

This material was transcribed from the original in the George Brown Goode papers at the Virginia State Library and is printed with their kind permission.

"Micajah was settled by his father in the County of Halifax on a very valuable tract of land lying on the waters of (blank) Creek and perhaps extending to Dan River North side some 15 miles above the C. H.

"He married Miss Sally Williams. He died before the birth of their first child a daughter, who was named Mourning Micajah. She grew up to Womanhood and married one of the Kings at the Virginia Salt Works. Whether she had any children or how many if any I am uninformed."

"The widow of Micajah after his death married a Mr. James Chalmers a Merchant of Halifax."

"John married Miss Lucy Tucker and settled in Prince Edward County south of Jamestown. Both dead. Left no children."

"James' first wife was Ann Miller of Halifax. They settled in that County South of Dan River near Miller's now News ferry. They had two Sons and four daughters viz: John, Micajah, Sally, Elizabeth, Polly and Ann.

"John, their son, emigrated when young to Kentucky and married as we have been informed a widow Mrs. Jones, which is all I can say of his family.

"Micajah migrated to Tennessee and married as we have been informed a Miss Nancy Smith. Whether they had children or not I am not informed.

"Sally married John Atkinson, a very worthy citizen, and settled south of Dan River not far from Black Walnut Meeting House. They had sundry sons and daughters. I only remember the name of one of them, whose name was James W. Watkins. The Atkinsons I am told long since removed to Kentucky, but where settled I do not know.

"Elizabeth married a Mr. Wiley James, a worthy and pious man. They settled in Halifax; had two sons and two daughters viz: John, Joshua, Mary, James W., and Anny. The latter married William K. Rowe of Yanceyville N.C. and subsequently the rest of the family removed from
Halifax and settled in the neighborhood of Yanceyville. John Joshua became a Baptist Minister and now (1860) resides in Raleigh, N.C.

"Polly married Booker Bowman of Halifax, had no children that I have ever heard of.

"Ann or Anney married Thomas B Fontaine of Pittsylvania County. Whether they had children or not I am uninformed.

"James Watkins' second wife was a Miss Ann Nuckels, I think of Louisa County Virginia. By this marriage he had two daughters: Martha and Nancy.

"Martha married Moses Hubbard of Pittsylvania County. Whether they had children or not I am uninformed.

"Nancy married John W. Thomas of Henry County Virginia. They had five children, to wit: Martha A., Christopher Y., Adeline E., Julia C., and Matilda.

REMOVALS FROM INSOLVENT LISTS OF AMELIA COUNTY
By J. C. Kolbe

The sheriff, when collecting taxes, compiled a list of insolvents. Often, these were for individuals who had removed from the county, and if the sheriff could ascertain where the individual had relocated, he would include this information in the delinquent lists.

It should be noted that for delinquent land taxes the taxpayer was sometimes a resident of another county. This rather than a removal is indicated by the different locality in the insolvent list.

In either case, these lists are a valuable source indicating migration from or some connection with Amelia County.

The original lists are to be found among the Amelia County records on microfilm at the Virginia State Library.

NOTTOWAY COUNTY POWERS OF ATTORNEY
By L. H. Hart

An important source for documenting migration is the power of attorney, recorded in county deed books. This instrument usually shows where a person has moved and gives some clue to his connection with the county in which the power of attorney is recorded. Often, two or three generations are mentioned within one instrument.

The Index to Deeds for Nottoway County has been examined, and those powers of attorney which contain genealogical information or evidence of migration have been abstracted.

Standard state abbreviations are used as well as the following: DB-Deed Book; P-Page; Nott.-Nottoway County; Co.-County; Bro.-Brother; Sis.-Sister; Gr-Grand; PoA-Power of Attorney; Att.-Attested at (location).

FROM THE EDITORS

The editors would like to express their thanks to those who contributed articles for this issue. We continue to encourage our subscribers to submit articles, especially pre 1853 Bible records from the Southside.

If you have not received an issue or have an issue with missing pages please notify the editors immediately in order that they might more quickly correct any problems. Again we emphasize that we are always happy to receive suggestions from our subscribers.

In case you did not notice, the map on the cover of the last issue was upside down. We apologize for this, and it has been corrected for future issues.

Any delay in our third issue was occasioned by the need to find a new printer at short notice. For any inconvenience this delay may have caused, we are very sorry.

We wish to make our subscribers aware of two recent genealogical books edited by Mr. Brent Holcomb: Marriages of Wake Co., N.C. 1770-1868 ($25.) and Marriages of Wilkes Co., N.C., 1778-1868 ($20). Both books may be ordered from Genealogical Publishing Co., Inc., 111 Water Street, Baltimore, Maryland 21202.
The guardian bond was designed to protect the inheritance of orphans. The guardian and his security were required to put up a bond of sufficient value to cover the estate due an orphan upon his reaching majority.

This instrument is of genealogical significance as it usually gives the name of the orphan's father. In some instances a father was required to put up a bond for his children; this usually indicates that the children are the recipients of a legacy.

The format for these guardian bonds is as follows: the names of the bondsmen; value of the bond; date of the bond; name of guardian; name of orphan(s); parent of orphan. The following abbreviations are used: £ for pounds; orph. for orphan; ch. for child.

BRIERY PRESBYTERIAN CHURCH SESSION BOOK
by J.C. Kolbe

Briery Presbyterian Church in Prince Edward County, Virginia was organized between 1755 and 1760. In the Session Book 1760-1840 for Briery Church is a baptismal register for the 1789-1840. Recorded in the register are the name of the individual baptized, name of the parents, date of birth of the baptized individual, date of baptism, and occasionally the age of or remarks concerning the baptized individual. In some instances only the name of the baptized individual and date of baptism are recorded. The baptism of slaves are recorded and in these cases the parents name is often replaced with the owner's name.

In the following transcription the date of baptism has been deleted unless there was no date of birth. Abbreviations used are: b. for born; bapt. for baptized; ch. for child; and d. for died.

HENRY COUNTY POWERS OF ATTORNEY
DEED BOOKS 7-9 (1806 - 1823)
by J.C.Kolbe

An important source for documenting migration is the power of attorney, recorded in county deed books. This instrument usually shows where a person has moved and gives some clue to his connection with the county in which the power of attorney is recorded. Often, two or three generations are mentioned within one instrument.

The Index to Deeds for Henry County has been examined, and those powers of attorney which contain genealogical information or evidence of migration have been abstracted.

Standard state abbreviations are used as well as the following:
DB-Deed Book; P-Page; Co.-County; p.a.-Power of Attorney.

DB 9, p. 250. William Birchett and Anne his wife of Mecklenburg Co.,
Va. to John G. Baptist p.a. of county and state aforesaid to sell
a tract of land belonging to the estate of Charles Royster decd.
now in possession of his widow Elizabeth lying in Henry Co., Va.

THE RIDEOUT FAMILY
by Norman J. Flythe

In 1660 the court appointed Andrew Ridout of York County Va. executor of the estate of Wm. Whitehead: (unfortunately many York records are missing).

In Brunswick county Virginia Order Book IV page 434 "upon the petition of Anthony Haynes, Frederick Jones and John Eppes, securities for the administration of the estate of Giles Rideout by Frances his widow and Relict, who hath since intermarried with Joseph Kennon, for counter security, It is ordered that the said Joseph Kennon and Frances his wife be summoned to appear at the next court to give such security and deliver up the estate of the said decedent to them for their indemnity." This was at February Court in 1753 (copy of this can be obtained from clerk of Brunswick Court at Lawrenceville, Va.)

Deed Book 6 Page 409 Brunswick county March 1759 Joseph Cannon to Fredrick Jones 160 acres where I live belonging to the orphans of Giles Rideout. In 1760 Fredrick Jones of Prince George County and Joseph Cannon of Dinwiddie sold the same 160 acres to Wm. Rideout of Dinwiddie Co. Va.

Order Book IV of Brunswick has an index in the front in a separate small book as several of the other order Books have. However someone perhaps one of the clerks has written in pencil on the front this is not the index to Order Book IV nor is it the index of the other order books which I tried. I wanted to find the names of the orphans of Giles Rideout. I have been unsuccessful so far.

159
I looked at a good bit of Order Book IV but did not find them. However I did find a reference to a Mary Rideout but I have lost the exact location of the reference but I think it was in Order Book 5. I think the orphans of Giles were William, John, and Mary.

William married Mary Gordon as proved by the wills of her mother and brother. John Gordon made will 23 Feb. 1769 Probated 27 Nov. 1769. Wife Elizabeth, son Charles, daughter Molly's children after her death 2 negroes Phillis and Isaac. Charles Gordon will 14 Sept. 1769 Probate 20 Nov. 1769 sons James, John, Charles. If children die without issue to sister's children. Both wills on page 541 of Brunswick Will Book 2. Elizabeth Gordon made will 12 July 1783: Daughter Mary Rideout: grandchildren James, John, and Charles Gordon children of son Charles deceased. James Gordon was executor. Caty Rideout was one of the witnesses.

William's children as proved by a suit against Thomas Rideout administrator of Catherine Rideout are as follows: Giles, Catherine, Elizabeth, Gordon, Jincy, Susan, William, Charles, John Jr.

Catherine is probably the oldest since she was witness to her grandmother's will. B. perhaps 1761 or 1762. Giles and John Jr. are between 16 and 21 in 1783 personal property tax list with William and also in 1787. In 1788 Wm. has one not named plus himself over 21 and Giles is 16-21. Hence I believe that John Jr. was b. 1767 or 1766 depending on time of year of his birthday. Giles is about 1 yr. younger. John did not marry or if so lost wife and children before 1815 when he made his will since he left everything to his mother and some of his brothers and sisters.

Giles married in 1793 Elizabeth Fort ward of Isham Smith. In 1793 he paid taxes on 520 acres of land which he had purchased in 1792. He appears in 1793 personal property tax list for the first time by himself. (1792 personal property tax list is missing). 1810 census shows Giles b. before 1765 wife b. 1765-1784, female 1794-1804, 2 males 1800-1810, 2 females 1800-1810.
1820 Census shows Giles b. before 1775 wife same, 2 males 1775-94, 2 males 1794-02, 1 male 1804-10, 1 female 1775-94, 3 females 1794-04, 2 females 1804-10, 1 female 1810-20.

The only child of Giles that I am positive of is Thomas to whom Giles and Elizabeth gave 100 acres of land although not calling him their son. Thomas went to Rutherford Co. Tenn. as did his Uncle Wm. He married Elizabeth A. Butts 12/11 1822 sister of Martha Butts who married his uncle Wm. 13 Dec. 1814. Wm. was administrator of Jesse Butts father of Elizabeth and Martha. Information from Rutherford Co. says Thomas born Nov. 25, 1795 died 1875 went to Rutherford Tenn. in 1827 had 10 children but article mentioned only three: Jessie B. Rideout, Mary who married T.B. Henry and Ann Raven C. Blackborn.

The 100 acres which Thomas paid $1 to Giles and Elizabeth was sold in 1827 by Wm. Lewis Rideout (son of Gordon Rideout) by power of Attorney from Thomas and Elizabeth to Thomas R. Vaughan. Thomas R. Vaughan was first cousin of Thomas and Wm. Lewis Rideout since his mother was Susan Rideout daughter of Wm. and Mary.

Giles and Elizabeth sold the last of their property in 1828 and seem to disappear. I cannot find them in 1830 census anywhere. I will present a theory about what happened to them and concerning their children after examining the other Rideouts.

Gordon Rideout appears in the personal property tax list in 1798 thru 1801. He married Feb. 6, 1802 Sally Griggs. B. 1784 daughter of Lewis Griggs in Mecklenberg County, Va. They had a son Wm. Lewis Rideout born 1805 in Virginia who married Mariah Louisa Scales of Nashville, Tenn. She was born 1815 in Tenn. Gordon died after 1850 and before 1860. Wm. Lewis Rideout was a Methodist minister. Lived in Rutherford Co., Tenn. in 1830, Talladega Co., Al. in 1840 and 1850, Caldwell Co., Tx. in 1851. He had a large family. No mention of Wm. Lewis Rideout having brothers or sisters.
Jincy (nickname for Jane) m. 3 Jan. 1799 John Chambless. Marriage record says she is daughter of William. She had children before 1812 as her father leaves some property to them but does not name them.

Susan (nickname Sukey) m. 26 June 1797 Stephen Vaughan. Giles makes affidavit as to her age. She died before 1826 leaving Mary who married ___Butts, Elizabeth who married Edmunds Butts and Thomas R. Vaughan.

Elizabeth Rideout sold interest in father's estate in 1826 and was in Rutherford Co., Tenn.

Charles Rideout m. Mrs. Rebecca J. Robinson who had Mary C. Robinson m. ___ Wilkinson and John Henry Robinson. Their only Rideout child to survive Charles is Edward C. Rideout who was a minor in 1826 when Charles died.

William Rideout Jr. (he has been confused with Wm. son of John who seems to have been older than he and in 1810 was called Wm. Jr. in the census records and I think called Wm. Sr. in 1820 and this Wm. called Wm. Jr.) In Personal Property Tax 1810 we have Wm. Sr.; Wm. Jr. and Wm.; 1811 we have Wm. Sr., Wm. and Wm. son of John; in 1812 we have Wm. Sr. decd., Wm. son of John and Wm. son of Wm.

He married 13 Dec. 1814 Martha Butts dau. of Jesse. He was administrator of the estate of Jesse Butts. He died before 1826 and left 4 daughters: Mary Ann G. (probably Gordon) Rideout, Susan J.P. Rideout, Anne Catherine Rideout and Sarah E. Rideout all minors under guardianship of Martha Rideout their mother. He had no other heirs since they are not listed in the suit against Thomas for distribution of William's share of his sister Catherine's estate.

Hence any other Rideouts are not descendents of William Sr. unless they are descendents of Giles, William Lewis Rideout son of Gordon (unless Gordon had other children and descendents of Wm. Lewis
do not think so) or Edward C. Rideout son of Charles.

Now let us look at John Sr. He bought 150 acres in 1772 DB 11 page 35. He was of Dinwiddie Co. John and wife Mabel sold 50 acres in 1779 to Joseph Cannon of Dinwiddie (This is the man who married Giles Rideout's widow Frances. His name is sometimes spelled Kennon but I think Cannon is correct.) Mr. Joseph Cannon was an ordinary keeper. In 1824 John's land which passed to his son Wm. in 1819 was near Smokey Ordinary which is on Brunswick County maps today. Giles and Thomas had land near the camp meeting house while Wm. son of Wm. had land at Rideout's mill and Charles had land on Reedy Creek. All this in 1824.

Wm. is the only child of John that can be positively identified as his son. However these other Rideouts belong to somebody and John seems to be the only choice. John's son William m. Sarah Harvell Oct. 19, 1796. In 1810 Census he is William Jr. b. 1765-1784 with wife same age range, 1 female 1784-94, 1 female 1794-1800, 2 females 1800-1810, 3 males 1800-1810.

Wm. Sr. in 1810 b. before 1765, wife same, 3 sons 1784-94, dau. 1765-84, dau. 1784-1794. I would judge these to be Charles, Wm. and John Jr. (although he is older), Catherine and Elizabeth.

John (does not say Sr. but it must be he) b. before 1765, wife same, 3 males 1794 - 1800, 2 males 1800 - 1810.

EDITOR'S NOTE. Please add the following: p.162, paragraph 2.

Mary Vaughan married 1)Benjamin C. Butts 2)___ Blankenship.
She had known issue: Ann, Stephen Butts. (The latter moved to Tenn.)
Elizabeth B. Vaughan married Edmund L. Butts and had a daughter Susan.
