DEDICATION

When this project was started in 1958, it was just that a project. Now some twenty years later it has grown into a rather large book. One which I'm very proud. And have enjoyed a great deal. A manuscript was written in 1976 for the Bicentennial. But since that time we have collected more information from the living descendants of James & Thankful (Shippee) Tenney. And now I wish to again print the genealogy of the Tenney family in a more current form.

Needless to say there will probably be mistakes found within these covers, but we are hoping that they will be minimal.

This book is dedicated to my beautiful mother Mrs. Myrtle Florence (Miller) Webb, who was born in Buckhannon, W.Va. She has lived here in Oklahoma City since she was 8 years old. In 1907 the family came here on the train from West Virginia. She has told me many interesting things which happened to the family back in Buckhannon, West Virginia, and can remember her grandmother well, and has related many old tales that were told to her as a child. Her grandmother Mrs. Theresa "Thursday" Cutright Tenney used to set and spin tales by the hour, and although my mother was only a small child she remembers her well. And their customs and beliefs. Even the old ghost stories which were popular at that time. This is one of the things that got me interested in our genealogy as a child myself.

Mrs. Virginia Vera Miller Curry, passed away in 1974. It was with her help that this book was started many years ago. Without her help it would likely never been written. So when I say "We find", it means just that. She was a sister of my mother.

To all of the Tenneys who have gone to the Great Beyond, and those whom we hope to be reunited with someday.

To my wonderful husband; and children, who were so patient with me while they were growing up. And to my beautiful grandchildren I affectionately dedicate this work.

Table of Contents

Part I: A Genealogy of the first Tenney family in America. Their beginnings from England to America. Taken from "The Tenney Family" by M. J. Tenney, published in 1890 by American Printing and Engraving Co., Boston, Massachusetts. And various records on New England, found in The Genealogical Society Library, Salt Lake City, Utah, and family group sheets found in the Archives Dept there. Vital Records to 1850 of the towns of Massachusetts where the Tenney family is found living prior to that time.

Part II: A Genealogy of James Tenney and his wife Thankful Shippee. Who were married in Charlemont, Hampshire, Massachusetts, and came to what is now the location around Sago and Tallmansville, Upshur County, West Virginia in or around the year of 1813/14. The location was on the Middle Fork of the Buckhannon River. And at that time was known as Randolph county, Virginia. Records which have been contributed by living descendants of James & Thankful (Shippee) Tenney Which have been collected by Patty Webb Eubanks, and by Arnold D. Tenney.

Part III: The progenators of Mrs. Thankful (Shippee) Tenney The Shippee family.

We have tried several years to connect part I with part II, with very little success. However it is the belief of this writer that they are one and the same family. There are the same names passed down in our family which would indicate that James Tenney is a descendant of Thomas Tenney. Since James Tenney named his father as Josiah Tenney when he served in the Revolutionary War, we have feel sure that the Josiah Tenney mentioned belongs to the Moses Tenney family mentioned in part I of this book.
A NOTE ABOUT THE AUTHOR OF THIS BOOK

Mrs. Patty Lou (Webb) Eubanks, b. 16 Nov 1928, is the daughter of George Henry & Myrtle Florence (Miller) Webb, was born in the home at the address 1204 N.W. 53rd St., Oklahoma City, Oklahoma. She went to Horace Mann Grade School, Harding Jr. High, and graduated from Classen High School in May 1946. On July 8, 1946 she married a long time friend Randall George Eubanks. He had just returned for serving in the China Burma area. He returned to college at Oklahoma A. & M. where they lived for 4 years. He again joined the service in 1952 and they lived in Lawton, Okla., Germany and Baltimore, Maryland. Randall then went to Korea and returned in December 1958.

They are the parents of 3 children; Shirley Ann (Eubanks) McLeod, Barbara Ellen (Eubanks) Cabral, and Gary George Eubanks. They have 5 grandchildren; Anthony David Plato, Heather Ann McLeod, Jenna Cabral, & William "Billy" A. J. Cabral, Byron George Eubanks.

Patty Webb Eubanks started genealogical researching when she became a member of The Church Of Jesus Christ Of Latter Day Saints "Mormon" in 1956. Since that time she has taught genealogy to her church members, in a Catholic Church in El Reno, Oklahoma (cont. education.) And at Oscar Rose Junior College for 3½ years. She has also worked in food service and as a key-puncher for 3 years, but her first love is genealogy.

She takes much pride in being a wife a mother and a grandmother. Her travels doing genealogy on the Tenney family have not been many, but her research in libraries have amounted to several thousands hours.
TENNEY COAT OF ARMS

Tenney, Salisbury per Chevron, Sable, and Argent, three Griffins' heads erased and countercharged.

Being translated signifies: Chevron means slanting from the middle each way. Sable means black. Argent means white. Griffin, a fabled animal, a mixture of Lion and Eagle, denotes power. The head, talons, wings, and claws were those of the Eagle; neck, body, legs, and tail, of the Lion.

Erased means torn off. Counterchanged means white heads on black ground, and black heads on white ground.

Crest, Griffin's head, couped gules.

Couped means cut off as by one stroke of the sword. Gules means red; the crest must be red.
Marriage records of long ago;
Interesting? I find them so.
Young people these in a nation new,
Who lived and loved and married, too.
Much more to me these records state,
Than name of bride, of groom, and wedding date;
Young builders these of the pioneer home,
Where the principles of freedom were rooted and grown;
A nation young but growing fast,
Ask much of its youth. So great its task
They met the challenge; well the part they played.
Our nation rest on the foundation they laid.
Our fullness of life, our freedoms, we know
In a country new were not always so.
Our traditions, our heritage, life the American way
Had their beginnings with the youth of that day.
They met the challenge in the spirit of their time.
Can we do as much? It's yours now and mine.
The spirit of our time? America's task?
The answer was given before the question was asked.
Turn to the records of long, long ago;
The blood of their veins is the same, you know,
That flows through ours, but, oh, let us pray
For the faith of our Father; How we need it today.

Notes: Thomas TENNEY #1 here married his first cousin Sarah TENNEY, dau. of Thomas TENNEY Jr. & & Margaret Hidden his wife.
1. John Tenney seems to have been the first known Tenney progenator of the Tenney family. He was b. abt. 1538, according to the usual way of figuring. He was a "Yeoman" (farmer) by trade, and was found as living in the Parish of Brigham, Yorkshire, England. Little else is known about him, except that he married a woman by the name of Jane (last name unknown), 2 Feb 1564. His will was passed 9 July 1613 in Brigham, Yorkshire, England.

2. i. Francis, b. ca. 1564, Brigham, Yorkshire, England; d. 10 Mar 1625, m. Jane ______?

3. Francis Tenney, b. abt. 1564, Brigham, Yorkshire, England is mentioned in his father's will in Brigham, York, Eng. He was buried 10 March 1626, Brigham, Yorkshire, England. Married Jane ________ around 1589.

Issue:
2. Isabel, b. 18 Mar 1594, buried 17 Oct 1609.
3. Francis Jr., christened 15 July 1593, d. 10 Nov 1626.
6. Isabel, b. 21 Oct 1609, nothing else known.
7. Thomas, b. abt. 1614.

3. Thomas Tenney, (Francis 2, John 1) was b. about 1614, Friendthorp, Yorkshire, England, d. ca. 1699/1700 in Howley, Essex, Massachusetts; m. (1) Ann Mighill (who was possibly the sister of Deacon Thomas Mighill, parents unknown), 1627. He gave a deposition in 1680 giving his age as sixty six years of age. This would have made him twenty four years of age when he came from England to Massachusetts. Records say that he was married when he came, 1638. However, we have not found their marriage record.

Reference: "Early Settlers of Rowley, Mass."

Issue:
1. John, b. 14 Dec 1640, Rowley, Essex, Massachusetts, m. (1) Mercy Parret, dau. of Francis & Elizabeth Parret, m. took place in Merrimack Village (now Bradford, Mass.), 2 Dec 1668; m. (2) Susanna Woodbury, dau. of Humphrey & Elizabeth ________? Woodbury of Beverly, Massachusetts.

iv. Thomas, b. 16 July 1648.

vi. Sarah, b. 15 Apr 1652, d. 10 Apr 1653.

4. Thomas TENNEY, (Thomas3, Francis2, John1), was b. Rowley, Essex, Mass., 16 July 1648. He was the son of the immigrant, Thomas Tenney. (I will here give more information on the immigrant.) Thomas Tenney Sr. was a member of the Rev. Ezekiel Rogers' company from Yorkshire, England, arriving at Salem, Mass., in December, 1638, and settling at Rowley, Massachusetts in April 1630. (Gage's History of Rowley, Mass.) In a deposition taken at Ipswich, Mass., 4 May 1680, Mr. Thomas Tenney testifies in relation to an ox pasture in Rowley, age 66 yrs. of age then. (Ipswich Deeds, Book 4, p. 329.) His wife Ann is mentioned in the will of Deacon Thomas Mighill, as sister "Ann Tenney".

Mrs. Ann (Mighill?) Tenney was buried 26 Sept 1657. And Thomas Tenney Sr., d. after her death, (2) Elizabeth, a widow of Francis Parrat of Rowley.

It does not appear that they had children. Mrs. Elizabeth Tenney received by bequest of Rev. Ezekiel Rogers L10 in 1660-1 (Essex Deeds, Ipswich, 168). In the will of Robert Hunter, viz., "to Thomas Tenney I give 10' dated 5, 6 mo., 1647: proved 28,7,1647 (Ipswich Record, Vol 1, leaf 25), Thomas Tenney, a witness to the will of John Smith of Rowley, 13 July 1661; on file No. 22590, used only one e in Tenny."

A survey of the town of Rowley was ordered the 10 of the 11th month, A.D. 1643; a committee of four freemen were appointed. Freemen were members of the church, taxpayers, voters, could hold office, and they only until 1664, when the law was abolished by the General Court. Town records dated 4 Feb 1661 states the following:-

To Thomas Tenney as to an acre and half a lot and one gate given by the town, two and half a gate... 2 half a gate purchased of francis parrat (sic), one gate... 1 gate purchased of the town, one half a gate... 1 half a gate.

To Elizabeth Tenney alias Parrat, as belonging to francis parrat's two Acre lot, seven gates unsold... 7 gates purchased of William hobson Sixe gates... 6 gates.

(Copied as it reads in "The Tenney Family" by M. J. Tenney.)
In 1667, by division of the Island marshes, he received land. (Gage's History, 150-1.) In 1670, by division of Merimack land, he received land. (Gage, 247-8.) In a division of 1673-4 he received land. (Gage, 138.) There was no settlement on the lot northwest of Simon's Brook until after the day Thomas Tenney, Senior. (Blodgette.) This lot is one half mile east of Long Hill.

The town in Oct. 22, 1677, records style him ensign, marshal in 1653-66; warner of town meetings, 1650-53-60-61-66; overseer of plains, 1656-64-71; selectman, 1660-61-70; viewer of fences, highways, and chimneys, 1669; constable, 1665-66; tithing man, 1680. In 1660, on committee to see about the preservation of fire wood. (Gage, p. 76). In 1667, appointed to see that the Sabbath be duly observed. (Gage, p. 151). In 1680 appointed inspector of ten families. (Gage, p. 152). Several records of intervening years are lost, and there are no records of admission to the church for a period of twenty-six years. The church record may have been lost in the conflagration of Rev. Mr. Roger's house. Thomas Tenney is in the list of church members under date of 1669, and may have been long a member. The last years of his life were passed in Bradford, Mass., as seen by deed, viz: "Thomas Tenney of Bradford (a gift) to Eldest son John Tenney of Bradford, sixty acres of land in Bradford, three acres of meadow at Crane Pond in Rowley, also six acres .... also one and one fourth acre .... also six acres and 2 cow-gates." Dated 15 June, 1694. He is buried in the Old Cemetery in Bradford.

Note: James Tenney who was born in the year of 1766 would fit as a child for Josiah & Mary Shirar (or Shearer) Tenney. However we have never found a birth date for him. We can only presume that they were his parents. But it has never been proven (as of 1978.)

Note for Part II.

Because of the volume of information which has fallen into the hands of Patty Webb Eubanks between the years of first book printed in 1976, and this new book printed in 1978, we are changing our system. And since we have not as yet connected our Josiah Tenney to the family of Moses & Mary Shirar Tenney, as hoped, we cannot continue the link from Part I. So we will treat Part II as a separate book and will start the numbering system over again. Josiah Tenney, who is proven to be the father of our James Tenney will appear as #1, and our James Tenney who m. Thankful Shippee will be #2. Thus continuing down the lineage.

"THE TENNEY REUNION"
By Juanita Tenney
1 September 1975.

At Mt. Carmel Church
We all gathered;
To meet the Tenney clan,
On Labor Day week-end,
We were told,
Of how our fore-fathers
Lived and died;

We sang the songs of Zion,
And thanked the Lord above;
For keeping us all,
Safe from all harm;
And taking us-
All safely back home;

We all talked of our
Courageous forefathers,
Of how they fought,
And of how they died;
To keep our children safe,
To - worship, laugh, or cry;

The TENNEY's would never
Do n-o-t-h-i-n-g,
To dishonor, or belittle
That beautiful name;
For we are truthful,
And h-o-n-e-s-t,
And we believe in our
Great l-i-b-e-r-t-y;

We are, a young
Generation,
We believe as, our
Forefathers did;
To fight and die,
If we have to,
To keep this great
Country f-r-e-e;

Some TENNEY's are-
Teachers and writers;
Some TENNEY's have-
Stations or Stores;
No matter how poor,
Or wealthy - we get,
The TENNEY's stick
Together for all;
This is why we have,  
"TENNEY REUNION's"  
To remenisce, and-  
talk over olden times;  
And talk of our loved ones,  
The TENNEYs;  
And share all of our,  
Joys and tears;  

When our labors and,  
Toils here are over;  
May we meet on-  
That beautiful Shore;  
And have a "TENNEY REUNION",  
That will last forever more!
CHAPTER I

DESCENDANTS OF JAMES & THANKFUL SHIPPEE TENNEY

TENNEYS TRACE ANCESTRY BACK TO REVOLUTIONARY WAR SOLDIER

The winter of 1780-81 was one of unusual severity and unusual cold weather settled on the Hudson Valley two weeks earlier than ordinarily. The fort depended on great quantities of firewood to keep the soldiers "huts" warm in winter. During the several years of war's duration, the nearby areas were denuded of wood.

Wood was being cut for the fort several miles upriver from West Point to be transported by boat to its destination. The early freeze up of the Hudson prevented the delivery of firewood in time and resulted in great suffering among the troops. The records show that orders were issued against the practice of some of the soldiers of tearing off the outer layer of the walls of the "huts" which they used for fuel to keep from freezing.

The outer works of the fort were equipped with spears with wooden shafts, evidently for use in the event that during an attack the defenders ran out of powder and shot, or in case there were just not enough guns to go around. These wooden spear shafts, too, were sometimes burned during this shortage of firewood. The daybook of the officer of the day reports that orders were issued to have all the damaged spears brought in to be fitted with new shafts and any future use that might damage them was strictly prohibited, including their use "to prop up the chimneys of the stoves in the redoubts."

Another very archaic weapon which was used in the Revolutionary Army at the time was the "Espontoon," a short-handled lance which was required to be carried by all non-commissioned officers and all commissioned officers up to and including the rank of captain.

In James Tenney's letter in the Archives, he described an expedition on which he was sent down the Hudson during a spring breakup of the ice when the rafts and towers in the river supporting the huge chain which the Americans had suspended across the stream to block the ships of the British Navy from sailing up the Hudson, were upset by an ice jam.

Their assignment was to right the rafts and replace the chain. This must have been a formidable undertaking while the water had ice floating on its surface.

He was sent on another expedition to Philadelphia after the end of the war to stop the rioting by American Veterans, who, angered by not receiving their pay, had broken into and looted the treasury.

In the military records of James Tenney located in the National Archives, Washington D.C., are found letters written by him regarding his application for a pension, his honorable discharge, signed by General Knox, the commander of West Point, pay vouchers from the First Massachusetts Regiment to which he belonged and letters from persons who knew of his service in the Revolution,
and wrote to affirm the fact of his service in the Continental Army.

One of those persons was Rev. Asa Brooks of French Creek, one of the well
known Brooks family of that community. Rev. Brooks lived in New Hampshire.
(the part of the state that was incorporated in the state of Vermont). His
home was near the town of Charlemont, Massachusetts, where James Tenney lived
until the time of his enlistment in the 1st Massachusetts Regiment and was
well acquainted with James at that time.

The letter, James wrote enclosing his military discharge to the secretary
of war, Lewis Cass, in 1833, in support of his pension claim is in the file
of his pension records in the National Archives. It is literate, and to the
point.

Clarksburg, Va.
January 2, 1833

Sir:

Your favor of the 15th November last advises me that it is necessary to
transmit to the War Department my original discharge, and that it will be
sufficient evidence of my services.

The original discharge is here-with enclosed. You will please direct to
me as heretofore, to the care of P. Chapin, Clarksburg, Va.

Respectfully your obedient
Servant,    James Tenney

Honorable Lewis Clark
Secretary at War

Included also is a letter written on June 7, 1832, by a person I assume
to have been the county clerk of Randolph County concerning details of James’
services in the Revolution, apparently for submission to the War Department
in support of his pension claim:

Declaration in order to obtain the benefit of the Act of Congress of the
7th of June 1832.

State of Virginia
Randolph County

On this 27th day of August, in the year of our Lord, 1832, personally
appeared in open court, before the Worshipful the County Court of said county
and state aforesaid James Tenney, aged nearly 66 years, who being first duly
sworn according to law doth on his oath make the following Declaration in
order to obtain the benefit of the Act of Congress passed June 7, 1832.

That he was born on the 21st December, 1766, and not having any documents
to assist his memory which has become somewhat frail he is unable to specify
dates with perfect accuracy; but says that he enlisted in the Town of Shelburn
where he then resided, in the State of Massachusetts under Lieutenant Shepherd in the year 1780, in the month of December, he thinks, and marched to Springfield in the same state where his company was enrolled and drilled by Lieutenant Shepherd until the soldiers there were ordered to West Point.

At West Point he was placed in the 1st Regiment of Massachusetts, commanded by Colonel Joseph Vose or Voss. The field officers were: Colonel Joseph Vose, and his brother Elijah Vose, lieutenant colonel; and Major Pettingill and adjutant Bowie and he, this applicant, was placed under the immediate command of Captain Green.

During the time he, this applicant, was in the service he was detached from headquarters which were at West Point on several occasions, but cannot specify the dates. He was marched to Verplanta's and thence to Croton and back to West Point.

At another time he was placed on board of a gunboat in the Hudson River below West Point and opposite Fort Montgomery, at the point of Anthony's Nose, where the Old Chain had been stretched across, and thence he was ordered back to West Point. At another time he was sent down the Hudson on one of the spyboats under Lieutenant Shaler (he cannot remember the Captain's name) to Sing Sing, opposite Gerry Town, and after remaining there sometime was ordered (amongst those who never had had the smallpox) to the York huts to be inoculated, and passed through West Point again on the way to the York huts where he was inoculated and remained the Winter, and thence was marched back to the Flats above and near to West Point where he was stationed for sometime.

He, this applicant, is not certain that these services were performed in the order they are stated but the last winter of his service he was stationed at Snake Hill (west of New Windsor and about five miles, he thinks, from West Point.)

He, this applicant had enlisted for three years and, as his term had not expired when peace was proclaimed, he was detained until the 28th day of October 1773, and before he was discharged the brigade to which he was attached was ordered to march to Philadelphia, under Colonel Vose aforesaid, and Captain Kilham was the Captain of his (applicant's) company.

His brigade was marched to Philadelphia for the purpose of quelling a mutiny or insurrection, which had broken open the treasury.

From Philadelphia the 1st Regiment of Massachusetts Regulars, to which this applicant was attached, was marched back to West Point and there (at West Point) he received his discharge from General Knox which is dated on the 28th day of October, 1783.

This applicant was a substitute, he believes, for his father; but he is not certain whether his class was drafter or volunteered or either. He says, that his father, Josiah, took from him his bounty money but allowed him to keep his wages or pay.
He (this applicant) was not (by a few days) 15 years old at the time he enlisted and he served nearly three years; but was discharged several weeks before the expiration of his term. He received an honorable discharge. He hereby relinquishes every claim whatever to a pension or annuity, except the present, and he declares that his name is not on the Pension roll of any agency in any State in 1814, this applicant removed to Randolph County aforesaid and now continues to reside there ever since. He, the applicant, knows of no person whose testimony he can procure who can testify to his service.

Sworn to and subscribed this day and year aforesaid—James Tenney

The following are affidavits made by the Rev. Asa Brooks, of French Creek, and Brown Jenks.

I, Asa Brooks, a clergyman who resides in Harrison County, Virginia, and who does sometimes preach at Noah Saxton's in the County of Randolph in said state (not far from the residence of the applicant and nearer than the residence of any minister of the Gospel, known to me, to his residence) hereby certify that I am well acquainted with the within named James Tenney, and was partially so before I left Massachusetts on the line between which state and the State of Vermont, about five miles from Mr. Tenney's home, where I formerly lived, and believe him to be as old as he states himself to be, and I have always heard him reputed to be a Revolutionary soldier and I concur in that opinion.

Sworn to and subscribed before, the subscribe, a Justice of the Peace within and for Harrison County, Virginia—John Davis, J. P.

I, Brown Jenks, residing in the neighborhood of James Tenney, the within applicant, and in the same county, certify that I am well acquainted with him; that I believe him to be near 60 years of age; that he is reputed and believed in the neighborhood where he resides to have been a Revolutionary soldier, and that I concur in the opinion.

Sworn to and subscribed the day and year aforesaid. Brown Jenks

And the said Court do declare their opinion to be, after the investigation of the matter, and after putting the interrogatories prescribed by the War Department, that the above named applicant was a Revolutionary soldier and served as he states. And the Court further certifies that it appears to them that Asa Brooks, who has subscribed one of the preceding certificates, is a clergyman residing in the adjoining County of Harrison; and that Brown Jenks, who has also signed one of the preceding certificates, is a resident in the neighborhood of the within named James Tenney, in this County, and is a credible person; and that their statement is entitled to credit.

Booth, Presiding Justice
I, Archibald Earle, Clerk of the County Court of Randolph County, do hereby certify that the foregoing contains the original proceedings of the said Court in the matter of the application of James Tenney for a Pension.

In testimony whereof I have hereunto set my hand and affixes the seal of the Court, at Beverly, this 27th day of August, A.D. 1832.

Archibald Earle
Clerk of Randolph County, Va.

Stephen Bates,
Town Clerk of Charlemont,
Sworn Before me this 12th of February, 1847
Justice of the Peace

The following is a copy of the honorable discharge of James Tenney at the end of his service in the Revolutionary Army. The original is in the pension file in the National Archives in Washington, D.C.

"By Major General H. Knox, Commanding the Garrisons at West-Point and its dependencies.

"James Tenney- soldier in the First Massachusetts Regiment, having enlisted for three years is hereby honorably discharged from the service of the United States.

James Tenney was paid a pension of 80 dollars per annum. He was paid
retroactively from the time his pension application was approved to the day in 1832 when the pension act was first put into effect by the U.S. government until the time of his death, in October 1841.

Afterwards, his widow, Thankful Tenney, received a pension of the same amount until the time of her death in her 94th year.

James & Thankful (Shippee) Tenney are buried on a hilltop about a mile from Sago, in a cemetery called Elbon.

End of article, by Ralph L. Tenney of Buckhannon, W Va.

We are not too sure just when James & Thankful (Shippee) Tenney came to Middle Fork of the Buckhannon River, located near the place Queens now stands, at the time located in Randolph Co. Va., now Upshur Co. W. Va. But Ralph L. Tenney tells us that it was about 100 feet to the right of the Queen's road, traveling south about 300 or 400 yards north to where the Cutright store stands, or did several years ago.

One would suppose that James & Thankful Tenney came from Massachusetts to (W) Virginia about the same time that the Reverend John Rowan came. It was reported to Ralph L. Tenney by some of the Rowan descendants that the family (Rowan) settled on Roaring Creek. A Mr. Rowan lives in Mable, W. Va.

The James Tenney family is found in the 1810 census living in the Florida Community, just east of Adams, Berkshire Co., Massachusetts. This was located close to Deerfield River, and not too far from their original home in Charlemont, Mass. It would appear that they came from Massachusetts to Randolph County, Va. (W. Va.) with other families who lived in the same district or community with them. And leaving between 1810 and 1815. We find in "History of Upshur County, W. Va." by W. B. Cutright that there were several families who came to what is now Upshur County, West Virginia around that same time. John Loomis, a single man. Elijah Phillips and his family, David Phillips and his large family came from the unbroken forest of Florida, Massachusetts. (page 207). He says that they came by Ox carts from Massachusetts to Virginia in 1814. They settled in the community of what is now French Creek, Upshur Co., W. Va. One thing that we know is this; people who traveled in that point in time never traveled alone. And the Conestoga Wagon was popular at that time. Perhaps they had a wagon train of many families.

Many early settlers were victimised by shady characters, or land sharks, with fast tongues and were selling land in Mass. which had imaginary titles for land in Virginia. French Morgan tells about them in his book "Hist. of French Morgan of Buckhannon, W. Va."

Records on file in county clerk's office in Elkins, W. Va. contain an indenture between Daniel Barrett, acting as an attorney for Benjamin Ashley Jr., and Elijah Ashley, West Springfield, Hampshire County, Massachusetts, and James Tenney of Randolph County Virginia, and a quit-claim deed by Samuel Tenney to James Tenney for part of that land. These documents follow:

"This indenture, made between Daniel Barrett of Lewis County, Common-

26.
weal of Virginia, as Attorney for Benjamin Ashley Jr. and Elijah Ashley of West Springfield of Hampshire and Commonwealth of Virginia in the other part.

Witnesseth, that the above named Benjamin Ashley, Jr., and Elijah Ashley having bargained and sold to the said James Tenney a tract of land in the county of Randolph, Commonwealth of Virginia, being part of the Ely and Booth tract so called and on a map or draft is denominated No. 5; the part hereby conveyed is a part of said No. 5 and is described and bounded as follows;

"Beginning at a Chestnut the northwest corner of lot No. 18; thence running South forty minutes east on mile to a hemlock tree on the South bank of a branch of the Middle Fork, thence east forty minutes, north one mile to a heap of stones; then north forty minutes west one mile to a hickory; thence west forty minutes, South one mile to the place of beginning, containing six hundred and forty acres.

"Now Be it Known, that I, the above named Daniel Barret by the virtue of a Special Power of Attorney for me granted for the purpose by the said Benjamin Ashley Jr. and Elijah Ashley, dated April 28, 1818, do hereby contract of land.

"To Have And To Hold, the same with all the privileges and appenances thereto belonging free and all incumbrances and furthermore in the fore-said capacity do warrant and engage for the said Benjamin and Elijah Ashley their heirs, executors and administrators to warrant and defend the above granted premises to the said James Tenney, his heirs and assigns against the lawful claims of all persons whatsoever.

"In Witness Whereof in the aforesaid capacity, I do hereto set my hand and seal this seventeenth day of November, in the year of our Lord one thousand eight hundred and twenty in presence of Daniel Barrett, Lysander Root, and Ruhama Barrett.

Daniel Barrett
(Seal)

It is to be noted that a bound from the above named Benjamin and Elijah Ashley to James Tenney was for 750 acres, 110 of which is by consent of the parties conveyed to Samuel Tenney by Daniel Barrett.

"Know All Men By These Presents, That I, Samuel Tenney of Randolph County and State of Virginia have released quit-claimed and forever abandon unto James Tenney and his assigns all the interest, right, title, claim and demand whatsoever of, in and to a certain tract of land on the Middle Fork of the Buckhannon river, known by the name of the Tenney tract; it being the same that James Tenney formerly lived on and claimed by virtue of a title bond from Benjamin and Elijah Ashley to James Tenney, dated some time in 1814, and on which bond a suit has been commenced and is now pending in the Supreme Judicial Court in Springfield in the State of Massachusetts;
the said bond being for 750 acres of land; and,

"Whereas, James Tenney, Heretofore; to wit; on the (blank) day of blank sold to me a part of said tract of land and directed that a deed should be executed to me therefore by Benjamin and Elijah Ashley; and,

"Whereas, on the 7th day of November, 1820, one Daniel Barrett as the agent of said Ashley executed a writing purporting to be a deed; therefore now be it known to all whom it may concern: That I have received full satisfaction from James Tenney for all the interest I have or ever had in said land, and I have no claim or demand whatsoever to the same or to the bond of the proceeds thereof, or any part or part thereof.

Given under my hand and seal, this 20th day of August, 1835."

Samuel Tenney (seal)

Randolph County Court Clerk's Office August 20, 1835.

James Tenney and his husky young sons cleared the land of its virgin forest and in addition to the house, built a dam on the Middle Fork river and a water powered grist mill and sawmill. Only to find years later the title was worthless.

He then bought a tract of land which consisted of some 900 acres, was the founder of Mt. Carmel Church. This church is one of the oldest in the community of Tallmansville, Upshur, West Virginia.

Pictures of Tallmansville and Mt. Carmel Church will be on following pages.

1. Josiah TINNEY/TENNEY, the father of James TENNEY was born ca. 1734, and was a resident of Charlemont, Hampshire, Massachusetts in the 1790 U.S. Census. We cannot find a death rec. of him or a will or probate in Hampshire Co. One might shed some light on his life and family. We only know that he served as a Selectman for Shelburne, in 1777 (Sept.) and was discharged in October 1777. (D.A.R. rec. Vol. 13, p. 774. Little else is known. His son served in 1781 in his father's place, and names him as Josiah Tinney/Tenney. (Note, both Tinney and Tenney was interchanged, one time they would use Tinney and the next time Tenney. It was not until the family moved to West Virginia was the name changed by most to the name of Tenney. However you will still find a few who insist on using the old English way Tinney.)

DESCENDENTS OF JAMES & ABIGAIL (PACKARD) TENNEY

3. James Tinney Jr., son of James & Thankful Shippee Tinney/Tenney, b. 6 Jan 1786, Charlemont, Hampshire (now Franklin) County, Massachusetts; must be the one who we find living in Nicholas Co., Va., in 1830 census, in Braxton Co., Va., in the 1840, and the 1850 census. He is last found in the 1860 census living with his son Ancel Tinney in Lincoln Township, Braxton Co., Va. His wife was gone in the 1860 census, so we are supposing that she d. between 1850 & 1860 census. He does not show in the census in 1870 in Braxton Co., however he shows up in Washington District, Upshur Co. (Grim's Store Post Office is given for the location.) He is living at that time with his son Addison. He and his family seemed to have kept the name Tinney rather than changing it. He is buried in the Zickafoose Cemetery, Hemlock, Upshur Co., W.Va. We do not have the date of his death. He m. Abigail Packard either in New York or in Va. We do know that she was from New York, but have not found the name of the county. Perhaps not far from Charlemont, Mass. There are found in Vit. Records to 1850 c. Charlemont, Mass. some families by the name of Packard perhaps Abigail's relatives. We put the following family together from the census and from known family records compiled by Junior Tenney.

Among the pioneers of Randolph, Upshur, Barbour and Harrison Counties is found the German name Westfall (WestPhal), their ancestors came to America from Germany, that portion known as the Westfallen, and later known as the District of Westphalia, and settled in the German settlements of Pennsylvania and then to the country to the south branch of the Potomac.

In 1772, James Westfall and a large family of children and grandchildren, came from the south branch of the Potomac and settled in Tygart's Valley, selecting the site of the town of Beverly, and the sons settling in different portions of the country. This was at the time when Virginia was making the offer of exemption from taxation for fifteen years and 400 acres of land and a pre-emption to 1,000 acres more adjoining, if the settler built a log cabin on the land and raised a crop of corn.

Here the Westfalls found and buried the bones of the Files (Foyles) family, whom the Indians had killed nineteen years before, (1753).

Here also on the lands of Jacob Westfall was built the Westfall Fort in 1774.

Family tradition has it that Jacob Westfall, prominent in the early history of Randolph County as a member of the first county court, first sheriff, first county lieutenant of the militia and second county clerk, was a son of James Westfall, the hardy German pioneer, who settled at Beverly. Jacob was the father of Zachariah Westfall, and Zachariah Westfall m. Hannah Wolfe, an English girl in 1788. They were the parents of:

CURRENCE

William Currenee (1727-1780) was the paternal ancestor of the Currenee Family of Randolph County, W.Va. He was born in Ireland and immigrated to the Colonies when sixteen years of age. According to local tradition, he left his home in Ireland when a disagreement arose between himself and his step-mother, in the absence of his father. Believing that harmony was no longer possible, he at once entered upon his journey to America. When a short distance from home, he met his father, Samuel, who enquired where he was going. The son replied "to America." After finding admonition unavailing, the father dismounted and a foot race resulted. The young man finally leaped over a ditch which the parent could not cross and eluded his fathers pursuit.

William Currenee is thought to have settled first in Maryland, and possibly while there married Lydia Steele. His son William Jr. is thought to have been born in Pennsylvania.

The Currenee Family settled in Tygart's Valley about 1773-74, occupying the land now the town of Beverly. Believing the county seat would be located farther up the valley, he traded lands with Westfall family, obtaining six hundred acres where the town of Mill Creek now stands. He built a tub mill on the river, which was then known as Crickard. The mill was built by William Currenee Jr. 1794.

William Currenee Senior was killed from ambush by Indians on October 7, 1780. He was a soldier in the French and Indian War, and is buried in a cemetery near Mill Creek.

Letter of thanks:

Dear Family and Friends.

I want to thank each and every one that has sent, and has had others send their records of their families. And for the fine cooperation in doing so. Without your cooperation this book could not have been printed. Especially for the labor of Josiah & Lydia (Currence) Tenney’s descendants. Our labors were for a very worthy cause.

I am hoping that I did not miss anyone on the list.

Respectfully yours,
Arnold Delmer Tenney

CHAPTER VIII

DESCENDENTS OF NICHOLAS & AVIS (TENNEY) OURS

6. Avis TENNEY, dau. of James & Thankful (Shippee) Tenney, b. 5 Jan 1803, probably near East Adams or Florida, Berkshire Co., Massachusetts. Not too far from the original home of Charlemont. She married Nicholas Ours, who Cutright says is the son of Nicholas and Nancy Ours. (We think she was Nancy Crislip, because we find a will dated 14 April '1821 in Harrison Co. W.Va. of Jacob Crislip naming his oldest daughter Nancy Ours. His wife was also Nancy.)

"Family Records of Harrison Co. W.Va." by Tetrick.

(Tetrick states that Nicholas Ours father was Searchman (Sigmund) Ours.)
We find a Revolutionary War record of a Searchman Ours who m. Mary Simon, he is sometimes called Sicking, Sickman, and several variations of the name, in the tax records of Hardy Co. (W.Va.)

W. B. Cutright wrote his book in 1906 and we are inclined to go along with the first hand information of the Ours living at that time which supplied him with information for his book.

It is thought by the Ours family now living in the area of Tallmansville, W.Va. that Nicholas Ours I, who m. Nancy Crislip, was a brother of Searchman (Sigmund) Ours. And that there were other brothers who's names were Godfrey Ours, and Peter Ours. Legend goes this way, "four brothers came from Germany, close to the Dutch border, Peter settled in Grant Co. (W.Va.), another settled near Parsons, Tucker Co. (W.Va.), and the other two went to Upshur Co. (W.Va.)"

Nicholas Ours who m. Avis Tenney came as a child to Lorentz ca. 1794, and was a lad of 10 or 12 when the Bozarth family was murdered. (Yearbook of Upshur Co. W.Va. 1928 issue.) The family of George Casto lived in this community also. Nicholas Ours m. (1) Mary Ann Casto in 1815. It is thought that she had children James Ours and Mary Margaret Ours, and perhaps others. (Truby?) & Lucina "Sina" (Pringle) Cutright, gr-gr dau of John & Rebecca (Truby) Cutright, gr dau of John & Esther Truby. Lucina Pringle was the dau of William & Elinor "Nellie" (Rollins) Pringle, and she was the gr-dau of Samuel & Charity (Cutright) Pringle. Samuel Pringle was of "Pringle Park" fame. His wife Charity Cutright was the sister of John Cutright. Above mentioned John Truby was the son of Christopher & Catherine Truby of Hilltown Twp., Bucks Co., Pennsylvania. 235. xi. Daisy Bell Tenney, b. 16 Dec 1881, Pigeon's Roost, Upshur Co., W.Va.; m. (1) George Sloan, (2) Amos Queen.

Isaac Washington Tenney left home when Daisy was 2 days old, claiming to go after his pension check from the Government. He sold the farm which she was living on, and never returned. Theresa was left with no funds to raise the children, so she did the best thing that she could have done for those days, she placed them in the Poor Farm at Buckhannon, W.Va. Each child was reared in a different environment, all were taken by good families. My own grandmother, Barbara Ellen Tenney was taken into the home of Dr. Huff as a servant. She was 15 years old at the time. She had an upstairs room which had a separate entrance. She was very unhappy there. Dr. Huff was a Surgeon, and no doubt she assisted him at times. She married Joseph Marshall Miller in 1886 and moved to Oklahoma in 1906. She and husb. lived at Wheeling & Hampton, W.Va. till 1906.
The story told to the children of Isaac Washington Tenney was that he had been killed when he left home. We will never know if Theresa thought that he was dead, all we know is that her children always thought this and passed this story down to the grandchildren. Not until we found his Civil War record did we find out that he had run away with another woman. Her name was Sarah Frances Bowen, who claimed in Civil War deposition that she had married Isaac in 1877.

Issue by Sarah Frances Bowen, his alleged second wife:

i. Clark Tenney, b. 10 Sept 1878, b. Weston, Lewis, W.Va.
iii. Charles Tenney, b. 8 Aug 1884, Fairfield Co., Ohio.

Note: We have been unable to find the descendants of the foresaid children of Isaac W. & Sarah F. (Bowen) Tenney. We suppose that they lived at Lithopolis, Ohio where Isaac W. was buried.

In 1880 census of Freeman's Creek, Lewis Co., W.Va, we find Mary Margaret (Ours) Tenney in the household of Sampson Jorden as his housekeeper. Living with them was a young lady - Annie Shipman, who was b. ca. 1858. Annie Shipman also had children by Isaac Washington Tenney. (At least we feel that he was their father, but have not proven it yet.) They carried the name of Tenney.

He moved to Massachusetts in the spring of 1778 with his children. Through the courtesy of Mr. Thomas Davenport of Westboro, Massachusetts, copy of his late father's notes which were made available.

Elmer F. Davenport's notes state that Peter Shippee arrived at Notow Plantation which was located between Charlemont and Ashfield, Mass., in time that he and his son, Nathan, signed a petition for the incorporation of Buckland during December of 1778. These notes state that Peter purchased eighty-five acres in the east part of Charlemont on 10 Jan 1781, selling half of the land he lived on to his son Israel on 13 Sept 1784.

Davenport's notes indicate that Peter Shippee was to have purchased a house, barn, and fifty acres of land in Charlemont which is the present site of Indian Plaza during the month he married Catherine Hines and that he and wife Catherine sold that same property, which was described as on
the bank of Deerfield River and on Hines Meadow, in 1803. The notes say that Peter Shippee was to have purchased one hundred forty-five acres of land on Catamount Hill which is in Colrain, Mass. On 11 July 1801 and that Peter, Catherine, and her mother, "Granny Hines," moved to Catamount Hill between 1801 and 1803, living in a cabin on his son Amasa's place. A boulder monument is located near the Shippee graves in West Branch Cemetery, at Colrain, Massachusetts, which is dedicated to Amasa & wife.

William WHITE (1), a bricklayer, born probably in England, about 1600, died in Boston, Massachusetts, between 13 October and 30 December 1673, testate. He married probably in England about 1630, Elizabeth _, who was living in Boston 28 December 1676.

Of Boston, by 7 January 1646, he had previously investigated mines in Darbyshire; in New England, he was employed at the Iron Works, in Lynn, Massachusetts, going to Bermuda in the summer of 1638, and evidently witnessed a deed of the Mavericks, in Boston, 14 January 1649. He was next of Rhode Island, wintering at Warwick in Providence. The following year he supervised brick-making at the Winthrop place, Fisher's Island, then in Connecticut, and wrote from there for shoes for his sons etc. By 27 October 1656, he was again in Providence but returned to Boston, by 16 October 1656 he brought his family with him with the exception of the youngest, and was known as "Old White" as early as 1646. (In early Providence Records.)

He was granted land in Providence October 1656, adjoining Benjamin Hearndon's and had more grants in February 1657 and May 1658 there.

When he returned to Boston, William White bought a house, which stood upon common land and for which he had to pay rent to the town; 21 March 1664, Nathaniel Woodward of Taunton carpenter, with Katherine his wife, for £22, sold William White, of Boston, bricklayer, a dwelling house in Boston, standing on town land paying 8 s. per year rent; recorded (Suffolk Deeds Bk 7, pg. 110.) The next year he was granted more land in Providence.

14 March 1669-70, the town of Boston granted him the land on which his dwelling house stood. (B. R. C., book 7, page 53). A brief abstract of his will dated 13 October 1673 and proved 31 January 1673/4, follows:

William White, of Boston, provides that his wife shall have the "vissable estate his Soe longe as Shee keepeth her Selfe a widowe," but if she remarries
