Reading This Book

If, while reading the following pages of this book, the reader will keep these few facts in mind, a much clearer understanding of the contents will result. The format or style used in this book is known as the **Modified Register System**, which has been refined by the National Genealogical Society.

Three types of numbers are used: one to uniquely identify the individual, one to indicate the generation into which that person falls, and one to denote his or her birth-order within the nuclear family. The identification numbering system used in this book is called **By Descendants, in Sequential Order**. The starting person is 1, his first child is 2, his first child's first child is 3, and so on. After all the descendants of the first child are listed, then the descendants of the second child are listed, and so on until 12 generations. The ID numbers are in sequential order.

When an individual is introduced in his/her separate sketch, the name appears in boldface letters with the surnames in all capital letters. The name is preceded by the identification number. The last given name is followed immediately by a superscript number indicating the number of generations from the starting individual in this book. In parentheses following the name is a list of direct ancestors back to the starting individual. Only the given name is listed, preceded by his/her ID number, and followed by the generation number in superscript.

When the list of children is presented, the plus (+) sign indicates that more about this child will be presented in his/her separate sketch. The ID number is printed, followed by M/F indicating the sex. Next a small roman numeral in front of the name designates birth-order. Next the name is followed by the birth and death dates.

The term "Spouse" may have several different meanings: husband, wife, partner, mate, parent, or significant other. The couple involved may not be legally married.

The index is arranged alphabetically by surname. Under each surname, the given names are alphabetically arranged. The name is followed by the year of birth and death in square brackets. The number to the right indicates the page where this name appears. The wife appears under her maiden name and under her married names with her maiden name in parentheses.
Acknowledgments

This book is the research of many others who shared their data with me. I would run out of space if I named them all. A lot was taken from books that I have in my genealogy room. But it would never have been published had Bob Erekson not volunteered along with wife Louise of Billings, Montana to do just that. I could never have got it all together and I must thank him for his patience when always solving the problems that arose. We edited my data at least four times and then once after it was in book format. Bob has more patience than anyone that I have ever known. Within the book, I have given credit to many who furnished their data. If I omitted anyone, I can only apologize for not being a good record keeper. Thank each of you for your interest and I hope you enjoy reading about our Greer family.

In this study we have listed only the descendants of Aquilla GREER, Sr., one of the great-grandsons of Sir James GREER (GRIER) of Scotland. We were limited by the capacity of our Computer Program which will not index a file larger than ten thousand names. Because of this limitation some of the names of the younger generation are listed without a number and are not included in the index. We are sorry for this, but felt it better to list people this way than leave them out.

We recognize there are still errors in the work. The file is open. Please send corrections and additions by E-mail to <berekson@bresnan.net>
Introduction

Love and interest of family has always been important to me. From the time I was a little girl about 4 years old, I began asking my Grandmother (Bertha Candler Greer) about her family; they were Candler's of England and one came from England to America in disgrace. Seems one of the sons of Capt. William Candler who had fought in the War with Cromwell had a son, Daniel, who married an Irish lass named Hannah (nothing is known of her, not even a last name but she lived to be over 100 years of age). In that day and time he could have been put to death for such an act. But Capt. Candler sent him to the new colony (America). Of course had this not been true, there would be no bottled or canned drink known as Coca Cola today.

My grandmother was quite a disappointment to her mother and father when she married Thomas Joshua Greer. I was too young to understand but I always had questions and she tried to answer them but little was learned of her family relationship. When I was 10, my father, Basil Henry Greer died, and genealogy became more important. I was hoping to find an answer as to why he died so young. I spent my summers with Grandmother Greer because she was alone in the old family home way out in the county. I learned a lot from her about our Greer family.

Every Friday before the fourth Sunday of July each year was dedicated as memorial Day at the Arcadia Cemetery when flowers were carried and placed on the grave sites of those Candler and also Greer members who had gone on to be with the Lord. Then Saturday after that Friday we went to the Hurricane Cemetery in Claiborne Parish to visit the Greer grave sites there. I loved these 2 days every year. It was then that I could get names, dates of birth and death from the tombstones of families all grouped together. And of course, Grandmother was always there ready to answer when I would ask her about the people in those graves. Each year new ones were there to enter into my little notebook. Somewhere today buried in the files of my genealogy and computer room is that little worn-out notebook. My teen years came and went with those two days visiting the two cemeteries; my married years, the times I dragged my husband and son to both of the cemeteries, came and went; now in our golden years my sister and I still go every year. I miss Grandmother not being there. She went to her grave at age 102 still able to supply me with facts and data almost to the end.

That was enough for awhile, but then taking care of my husband and mother with the help of nurses and holding a full time job with the U. S. Food and Drug Administration, I learned what one means when they say, "If you think you have problems take on another one." That is exactly what I did; I began serious genealogy. (that was genealogy outside the cemeteries). I phoned state genealogy libraries for records and visited Blue Bonnet Genealogical Library in Baton Rouge and the LSU Genealogy Library on the LSU campus and copied records from the Shreveport Times, which were on microfiche there.

I also found it fun to team up with other researchers searching for Greer families. I have met many people thru research, many of whom I still keep in touch. Mary Lee Barnes and I researched much together. I also posted to Ancestry GENFORUM and other forums and met a lot of researchers that way who were willing to share their data in exchange for mine. At first I thought I would just collect data on my own family; but I would acquire a lot of other data and found later that it really needed to
be entered into my data base because I was constantly needing information from someone who sent data that actually was a family within my group. I never dreamed of publishing my research.

Every census, marriage record, will, deed or any little fact obtained about my family was so interesting to me and still is. Because of retina problems that begun in the 1970’s I was unable to travel and decided that I would label my genealogy a “household hobby” add it to my household budget and allow so much monthly that I could spend on ordering records. I found a wonderful researcher in Atlanta, Georgia who would send me records that I requested at a very reasonable rate. Her name was Joan Pettengill. Many of my research records were provided by her. I am so grateful for having met her and for all the many records she copied from originals and sent them on to me.

Genealogy never ends, I will probably be researching as long as I can read the data or have someone read it to me. My son and grandsons have no understanding of or any interest in my genealogy and records. I, myself, cannot answer for my love and interest of family and wanting to know all about them. But every member of my family tree that I have discovered thru research has been a wonderful and worthwhile experience for me just to know about them. Although I some times cannot figure out what my exact relationship is to them they are my kin and they make me feel like I belong.

The Descendants of AQUILLA GREER, SR. 1719 - 1790

Listing 9368 descendants for 12 generations.

1. James1 Greer (GRIER), Sir was born about 1604 in Capenoch, Dumfriesshire, Scotland. He was the son of William, Sir GRIERSON and Nicholai MAXWELL. James, Sir died about 1666 in Dumfriesshire, Scotland. He married Mary BROWNE about 1626. She was born 1604 in Glencairn, Dumfriesshire, Scotland. She was the daughter of Rev. John BROWNE and Sara HOPE.

They had 5 children:

7941. F v. Anne Greer (GRIER), born about 1633.

"Sir James G. Grier of Dumfries and of Rock Hall, Northumberland, was ancestor of the Greers of Grange, Tullylagan, and Sea Park in Ireland, and of the Griersons of Meath and Dublin."

5. James² Greer (James, Sir¹) was born about 1627 in Capenoch, Dumfriesshire, Scotland. James died about 1688 in Gunpowder River, Baltimore County, Maryland. He married Ann TAYLOR 6 Jun 1681 She was born about 1660. She was the daughter of Arthur Taylor and Margaret HILL. Ann died 13 May 1716 in Baltimore County, Maryland.

They had 1 child:

The first known record of James Greer of Scotch origin in America shows that by June 6, 1687, in Baltimore County, Maryland he was married to Ann Taylor, daughter of Arthur Taylor of that county, whereas of that date Arthur gave James and Ann seventy-five acres of land "for natural love and affection" from a tract of land called Arthur's Choice located on the south side of the West Branch, of Bird's Run, of Gunpowder River in Baltimore County. Prior to this record James was married to Ann Taylor. (*Matter of Interest: Gunpowder River and Gunpowder Falls, according to an old legend, was given their names because the Indians in the vicinity planted some of their small store of powder and shot on the fertile banks of these waterways, hoping to obtain a plentiful harvest of the precious ammunition. Great must have been their disappointment when the gunpowder failed to sprout and bear seed and they learned they had only wasted their small supply of ammunition*. (From THE ORIGIN OF NAMES IN BALTIMORE COUNTY, by Jennie E. Jessop.)

"June 6, 1687, "To all Christian people, to whom these presents shall come...I, Arthur Taylor, of Gunpowder River, in Baltimore Co., Md. Planter, for and in consideration of natural love and affection which I have and do bear unto James Greer and Ann. his wife, as also for divers and other good reasons and considerations hereunto especially moving and do by these presents, give, grant, alien, and of their heirs and assigns forever, 75 acres of land, being a part of a greater tract of 300 acres belonging to the said Arthur, and called ARTHUR'S CHOICE, lying and being situated in Baltimore Co., and on the south side of a branch of the Gunpowder River, called Bird Run. Beginning at a Red Oak standing on the said river and running from said oak bounding with the .. run...east-northeast 53 perches by a line into the woods for length 300—thence by a line down west-southwest from the end south-southeast...east to line 53 perches". Signed Arthur Taylor (his mark), Samuel Sickleman, Amy Thompson (HALL OF RECORDS. Annapolis, Md. R.N.#H.S. Folio 261). NOTE: a "perch" equals 16 1/2 feet or a rod.

He was born about 1627 to Sir James Greer of Capenoch, Dumfriesshire, Scotland and Mary Browne, who was born in Glencairn, Scotland, the daughter of Rev. John Browne and Sara Hope. It is believed that this is our James Greer, father of John Greer; but no written proof can substantiate this to be the father of our John Greer.

From EARLY SETTLERS Book 18, folio 152, Hall of Records , Annapolis, Maryland, the following is noted: he was transported as an indentured servant by Samuel Gibbons of Bristol on the ship Batchelor of Bristol on 2 November 1674. A list of ninety persons were transported; and Dr. Clayton Alvis Greer in his unpublished GREER FAMILY MANUSCRIPT tells of pouring over the list and finding no hint of a link of any relationship of James Greer to the other indentured passengers. Samuel Gibbons was given rights to four thousand five hundred acres of land due to him for transporting the ninety passengers. During this period, Lord Baltimore offered land in the new colony, Maryland, actually 50 acres per person for those who came to settle the new colony of Charles Calvert. Since Samuel Gibbons transported them to the new colony at his expense, he was due the 50 acres of each aboard. However, he sold his rights to the land to Robert Ridgely of St. Mary's County, Maryland; he in turn sold it back to Charles Calvert. (From the research of Thomas H. Greer's OUR GREER FAMILY HISTORY, 1983, pp. 80, 81 and also from Dr. Clayton Alvis Greer's GREER FAMILY.)

On the Somerset and Wicomico MD GENWEB, SOMERSET COUNTY RECORD: List of Servants Transported on The Batchelor of Bristol, Samuel Gibbons, Master, 90 names make up the list transcribed by John B McGowan. James Greer is among the names. *Know all men by these presents that I Robert Ridgely of St. Mary's City for a valuable consideration to me paid by Thomas Selby of Somerset County do Assign, Sell and make over unto the said Thomas all my right, Title and Interest of, in and to Twenty-five Rights to Land to me due by assignment from Samuel Gibbons of Bristol, merchant, due the said Samuel fort transporting Robert Hutchins, Robert Mackabee, Agens Sinclair, John Grey, Thomas Mercer, Anthony Winslow, William Winslow, James Winslow, John Miller, James Greer, John Lynsey, John Keane, John Macknamerry, Jeffrey Mackvey, Matthew Shaw, John Bradshaw, John Tameck, Alexander Wallis, Daniel Henry, John Macklemam, Robert Orr, Hugh Maynard, James Fielding, Andrew Agnew, and Daniel
Macknel into this province to inhabit. To have and to hold the said Five and Twenty Rights to Land to him the said Thomas Selby, his heirs and Assigns forever, Witness my hand and Seal this Sixth of November 1674. Witness: John Blomfield, Robert Ellis.

"Judging from entries from The Bristol Registers of Servants sent to FOREIGN PLANTATIONS 1654-86" by Peter Wilson Coldham, the BATCHELOR OF BRISTOL was clearly picking up passengers from Bristol, England in the 1670's. The voyage from Bristol, England to St. Mary's, Maryland would have taken the ship around the south of Ireland, passing the ports at Dublin, Wexford, Waterford and Cork, all and any of which would be natural emigration ports, especially for Catholics, who would wish to go to Maryland, rather than Virginia, which was chiefly Church of England."

TAYLOR'S CHOICE, the plantation owned by John Taylor, an immigrant who had transported himself, his wife, Margaret, and a servant named Mary Gresham; for those two and himself, he received 150 acres of land on 22 April 1663. His son, Arthur owned 300 acres of land known as ARTHUR'S CHOICE, located on the south side of the west branch of the Gunpowder River. TAYLOR'S CHOICE was located on the west side of the Gunpowder River. (From Hall of Records, Annapolis, Maryland Early Settlers Book Folio 416). (Information from BALTIMORE COUNTY MARYLAND DEED-ABSTRACTS 1659 - 1750, by Robert Barnes)

Seven years after James arrived in America, he married 21 year old Ann Taylor, daughter of John and Margaret Taylor, on 6 June 1687, and who was born in Baltimore County in 1660.

James and Ann lived at TAYLOR'S CHOICE about a year, when James died in 1688 at the age of 61. (MARYLAND HISTORICAL MAGAZINE 18:21). He and Ann had one son, John Greer, born the same year that James died.

Ann Greer married as her second husband Lawrence Richardson; thus the 75 acres of Arthur's Choice came into possession of Lawrence Richardson at the time he held in trust these 75 acres for "John, ye orphans, son of James Greer". The use of the word "orphans" has caused controversy over how many children may have been born to Ann and James Greer. It is my belief and that of other researchers that the word "orphans" in the original document may have been "orphan" with a curve on the "e" making it appear to be an "s". However some researchers believe that James and Ann Greer had another son, Joseph Greer of Prince George, Maryland, whose will was dated 8 August 1715 and proven 14 December 1715. (Maryland Calender of Wills, Vol. 4, page 41). These 75 acres known as "Arthur's Choice" were sold 4 March 1714 by John Greer and his wife Sarah Day Greer.

The information regarding the son of Ann Taylor Greer Richardson and Lawrence Richardson is from BALTIMORE COUNTY FAMILIES 1659 - 1759. (Oliver Harriott entry), by Robert W Barnes, page 304.

Lawrence Richardson, son of Lawrence, died by 13 June 1705 in Baltimore County, Maryland. He was the second husband of Ann Taylor Greer. Her third husband Oliver Harriott, administration bond posted 13 June 1705 by the widow Ann Richardson, who administered the estate on 9 October 1710 and on 13 June 1711 (the second time by Ann, wife of Oliver Harriott.) Lawrence and Ann had at least one child: Thomas, born about 1692. (From BALTIMORE COUNTY FAMILIES 1659 1759 by Robert W Barnes, published by Genealogical Publishing Co Inc, Baltimore Co, Maryland 1995)

The names of the children for Ann Taylor and Lawrence Richardson are from The Bond Genealogy: I add them with no proof that I have been able to document.

Ann also married (2) Lawrence RICHARDSON. He was born in Anne Arundel County, Maryland. He was the son of Lawrence RICHARDSON and Sarah. Lawrence died before 1705 in Baltimore County, Maryland.

The information regarding the son of Ann Taylor Greer Richardson and Lawrence Richardson is from BALTIMORE COUNTY FAMILIES 1659 - 1759 by Robert W Barnes, Genealogical Publishing Co, Baltimore County, Maryland.

Ann also married (3) Oliver HARRIOTT before 13 June 1711. He was born about 1673.

Oliver Harrett, age 68 in 1741, Age 69 in 1742, states he lived with Thomas Jones about 50 years ago. (From MORELAND DEPONENTS 1716-1799, by Henry C. Peden, Jr., published 1992 by Family Line Publications).

It was on 6 June 1687 that Arthur Taylor of Gunpowder River, in Baltimore County, Maryland gave the 75 acres of Arthur's Choice to James Greer and Ann Taylor, his daughter, believed to be about the time of their marriage. She was the wife of Lawrence Richardson at the time he held in trust the 75 acres of land for "John, ye orphans son of James Greer."

She was the wife of Oliver Harriott (Harris) at the time he was custodian for these same acres for John Greer, March 14, 1714, at the time she released her dower rights of the land when John and Sarah sold it to Mark Guisard.

"Ann Harrit, wife of Oliver Harrit, died May 13, 1716" (ST. JOHN'S & ST. GEORGE'S PARISH REGISTERS 1696 - 1851 by Henry C. Peden, Jr., M.A., page 7, transcribed from microfilm in the Maryland Historical Society Library in Baltimore, Maryland and Published by Family Line Publications. Westminster, Maryland). Date of death for Ann Taylor Richardson Harriott is also found in BALTIMORE COUNTY FAMILIES 1659 -1759, (Oliver Harriott entry), by Robert W Barnes, page 304.

It is noted that Ann had children by each of these 3 husbands.

6. JohnGreer (5. James2, 1. James, Sir1) was born about 1688 in Gunpowder River, Baltimore County, Maryland. John died 1752 in Onslow County, North Carolina. He married (1) Sarah Day (See number 7961) 4 Mar 1704 in Joppa, Baltimore County, Maryland. She was born about 1689 in Baltimore County, Maryland. She was the daughter of Nicholas Day and Sarah. Sarah died Mar 1747 in Baltimore County, Maryland.

They had 10 children:

Sarah Greer and Ann Greer were twins, daughters of John and Sarah Day Greer. Sarah has been reported to have died young by older Greer researchers. If so, that is possibly why no information can be found for her. In John Greer's will probated in Onslow County, North Carolina, he names Sarah Armstrong as one of his three daughters. She may have died as a young wife. No marriage records could be located for any Armstrong who married Sarah Greer in Baltimore County, Maryland.

According to BALTIMORE COUNTY FAMILIES 1659 - 1759 by Robert W. Barnes, (Reprinted for Clearfield Company, Inc by Genealogical Publishing Company, Inc., copyright 1989) "John Greer was the son of James and Ann, was born about 1688 and was alive in 1747. In August 1718 John Taylor and John Rawlins deposed that John Greer was the reputed and supposed son of Ann and James Greer, and had been in bed-wrack; various depositions by John Greer state he was age 47 in 1732, 50 in 1739 and 58 in 1747, and that he was the nephew of John Taylor and James Smithers, and the son-in-law (i.e., stepson) of Laurence Richardson; he married Sarah, daughter of Nicholas and Sarah Day, some time before October 1730, when Sarah, widow of Nicholas Day made her will, naming her daughter "Sarah, w. of John Greer". Greer surveyed 100 acres "Greer's Park" in 1718, 58 acres "Greer's Improvement" in 1720, 92 acres of "Greer's Discovery" also in 1720; left issue: WILLIAM; MOSES, born 1716; JOHN, born 1718; AQUILLA, born 1719; SARAH, twin, born 15 February 1721; ANN, twin, born 15 February 1721; married 10 July 1738 John Starke; BENJAMIN; born 6 Jan 1727/28; JOSEPH, born circa 1728."

There was a deposition received by Ann Harriott in 1714, that she was the mother of John Greer, at the time he sold the 75 acres held in trust known as "Arthur's Choice" to Walter Bosley states: "John Greer of Baltimore County, Maryland., planter, has received rent from and sells to Walter Bosley 75 acres, being a part of Arthur's Choice, in Baltimore County on the south side of Gunpowder River, called Bird's Run ....." (The entire description is exactly as shown in the grant from Arthur Taylor to James and Ann Greer.)

In August of 1718, John Taylor and John Rawlins deposed that John Greer was the reputed and supposed son of Ann and James Greer and had been in bed-wrack. "John Greer testified of having been informed some fourteen or fifteen years before by his uncle, John Taylor, then deputy surveyor, that the beginning tree of Heathcoat's cottage was bounded by poplar trees which stood at the head of the first draft above Nicholas Day's plantation, near to an Indian cabin, and that at some small distance from where the head of a great drain on the third branch on the north side of the main falls of the Gunpowder River there appeared to have been formerly made an Indian cabin." (From OTHER HISTORIC SITES NEAR JERUSALEM VILLAGE: "Heathcote Cottage - In 1678, Nathaniel Heathcoat took a tract of land which ran from Sewcill's House to Big Gunpowder Falls, next to Sewcill's Fancy. Most probably, the small stone house on Mt. Vista Road, one-half mile west of Belair Road, is the remains of the first residence.")

Also GREER'S PARK, 100 acres, rent 4 shillings,
surveyed to John Greer, 3 February 1718, lying on the main Falls of Gunpowder River in Baltimore County, patented to said Greer, March 6 1732. This 100 acres was transferred to Mark Guishard, April 5, 1748 and Sarah, his wife, did not join him in the deed.

Also GREER'S IMPROVEMENT, 50 acres, rent 2 shillings, 6 pence was surveyed for John Greer January 4, 1720, lying on the north side of the main falls of the Gunpowder River. He also transferred this to Mark Guishard the same date, April 5, 1748 and Sarah, his wife, did not join him in the deed.

Still another was GREER'S DISCOVERY, 92 acres, rent on-3-8 1/2 surveyed January 24 1720, lying on the north side of the Main Falls of Gunpowder River, patented to Thomas Greer, and transferred to Mark Guishard 2 March 1747. No power right signed by Sarah at this sale. It is assumed by many researchers that Sarah Greer died prior to 1747.

Sarah Day was the daughter of Nicholas Day and wife Sarah, whose will states that her daughter, Sarah, was the wife of John Greer. John Greer and Sarah Day were believed to have married in St. John's Parish Protestant Church in Baltimore County, Maryland reported by several of the older Greer researchers. No proof has been located to verify that belief.

From BALTIMORE COUNTY FAMILIES, by Robert W. Barnes, page 281: "John GREER, son of John and Sarah was b. c.1718; m. Sarah Elliott; in Nov 1743 was summoned by the vestry of St. John's Par. for unlawful cohabitation with Chloe Jones; had iss.; Aquilla, b. 29 July 1737; John, b. 1740, m. Elizabeth (—)." NOTE: Robert W. Barnes was incorrect with this entry. First, John Greer, born 1685 who married Sarah Day, was the John Greer who cohabitated with Chloe Jones and married her according to his will left in Onslow County, North Carolina. John Greer, Jun. born about 1745 is his son by Chloe Jones. Second, Aquilla Greer born circa 1718 is the son by Sarah Day.

According to FROM BALTIMORE COUNTY FAMILIES, by Robert W. Barnes, page 374: "JONES, Cloe, was summoned by the vestry of St. John's Par, for unlawful cohabitation with John Greer in Nov. 1743, and tried for bastardy in Aug. 1745." By this record, we can assume that John Greer, Jr. was born about 1745. NOTE: Sarah Day Greer died or was divorced by John Greer before 1747; when her release of dower was not included on a land deal where John Greer sold land.

In 1747, when he was charged with cohabitation with Chloe Jones. NOTE: On the estate papers of 1753 for John Greer, Sr., John Greer, Jsr is listed as what appears to be "6 years old", which would make his year of birth as 1747. Chloe Jones had one child by John Greer, Sr. as listed in his will. The age 6 on the estate papers is not clear; it has been changed from some other number and written over.

A few estate papers for John Greer who died in 1753 were located. One shows Arthur Averitt as executor, it is undated except for the year of 1753. Listed are boarding and clothing for the child John, 6 years of age at 6 per year, totaling 24 and for schooling one year, 5 is listed. This is listed in English sterling pounds. It appears that Chloe Greer married Arthur Averitt shortly after John Greer's death and before the estate settlement.

Upon locating a copy of the original will of John Greer in Onslow County, North Carolina, I had more questions than answers; so I engaged Mr. Henry C. Peden, Jr., FMGS of Bel Air, Maryland to research the records and laws of that day. He has published many works, regarding Harford and Baltimore Counties, Maryland, many of which I have in my personal library; thus who would have more knowledge and understanding of the colonial period of Maryland. The following is a letter with information dealing with his research of John Greer and Chloe Jones: "Henry C. Peden, Jr., FMGS 707 Bedford Road Bel Air, Maryland 21014-4424

No. 2 Multiple Question: "Did Sarah Day, wife of John Greer, die or was there a divorce? Was it possible to get a divorce in Maryland at that early date: if so, would there be records available for such and where?" Answer: During the colonial period it actually took an act of the Maryland legislature to get a divorce. So you can imagine that most common people never went through the trouble and expense to get divorced; they simply separated. Sometimes a man might place a notice in the newspaper that his wife had left his bed and board, and he was no longer responsible for her actions financially or otherwise. The only newspaper that has survived this era is the MARYLAND GAZETTE, but I found no such notice in it for John Greer. As for a divorce case, the Laws of Maryland contain some of them; however, none was found for John Greer in Mary K. Meyer's DIVORCES AND NAMES CHANGED IN MARYLAND BY ACT OF THE LEGISLATURE, 1634-1867. I find no record of John and Sarah Greer getting a divorce, nor did I find any record of Sarah Greer dying between 1745 and 1749. And to leave no stone unturned, I checked the land records when John Greer sold land on 2 Mar 1747 and 25 Apr 1748 to make sure there was no mention of his wife Sarah releasing her right of dower. None was found. It would seem to me that if she were still alive at the time of the sales, and considering her disappointment and probable anger in John's adultery and bastardy case, she certainly would not permit the sale and her release of dower rights would have taken place and recorded; however, no such record appears. Did John sell the land without her knowledge, or was Sarah deceased? Probably the latter, but I don't know for sure. Quite frankly, it was "a man's world" back then and sometimes the wife's permission was not always considered or even sought. I even checked into the Provincial Court Papers, and Provincial Court Judgments Index, 1648 - 1766 (microfilm SR2284) and the Archives of Maryland (i.e., only the bound volumes that pertain to the colonial period), but I still found nothing.

No. 3 Implied Question "I need you from some info as to if and where records might be found for the court date of the Nov 1743 charge. And also for the "bast charges" against Chloe Jones. It is my understanding that she would have had to answer those charges in court and name the father or be sentenced to jail?" Answer: Punishment for committing bastardy changed over time, but in the mid-1700's the usual punishment for an unwed mother was for her to pay a fine or receive 10 to 15 lashes on her bare back until the blood came forth at the public whipping post. To add insult to injury, after being fined and/or whipped and publichumiliated, she was ordered to pay court costs. The father of the child was often times not named and it appears that identifying the father was not so much a priority as deciding who was going to take care of the bastard child. The county didn't want the responsibility placed on them. Unfortunately, court minutes during this period were quite brief and usually only a line or two was entered into the minute book. In the case of Chloe Jones and John Greer there are two records of interest, as you know, as follows: (1) In the register for St. John's Parish we already know the following singular entry, which I copied verbatim for you as follows (mispelling of words included and not corrected): "Lord Proprietary agst. Cloe Jones] Bastardy confest: In this case there was issue a capis directed to the Sheriff of Baltimore County against the said Cloe to answer into his Lordship concerning a bastard child latly bom of her body as by a presentment therefore found against her last court. Whereupon now on this first Tuesday and sixth day of August Anno Domini one thousand seven hundred and forty-five at the Town of Joppa here comes the said sheriff (to wit John Ristau. agent.) who returnes that he hath taken the body of the said Cloe which said Cloe accordingly appears and being askt as the manner is how she will acquit her selfe of the premises say that she is guilty thereof and pray that the sum of 30 shilling may be accepted as a fine in mitigation of the presentment which the Lords of this province doth inflict on such offenders, &tc. It is therefore commanded by the Court here that the said Cloe be

find the sum of 30 shillings for the offence aforesaid and that she the said Cloe, be taken, &tc. Thereupon the said Cloe is discharged upon paying to the several officers of this court their several and respective fees due to them from her by occasion of the payment thereof thereupon John Greer here present in Court undertakes to pay the same in case the said Cloe doth not."

That's it. No public whipping. No naming of the father. No stating if child was male or female. Nothing more. Why did she get off "so easy" and why didn't she name the father of her child? Was John Greer there because he was the father or was it because he was responsible for her because she was his servant? To these questions the record is silent and offers no answers. We can only speculate.

This is the extent of my exhaustive search. Before closing I would like to offer one thing for your consideration. You stated that when John Greer died in 1755 in North Carolina his son John Greer, Jr. was 4 years old as noted in the estate settlement. This puts his birth at 1749. Could it be that the bastard child of Chloe Jones and John Greer in 1745 has died in infancy and they later had son John Greer, Jr. in 1749? It would help clarify his birth year. (NOTE: after studying the copy of the document very carefully and with help of an attorney friend of mine, the birth year appears to be a "4* with a "6" marked thru it.)

Again, thank you for this challenging assignment. I do hope I have answered your questions satisfactorily, even though what you need cannot be completely documented. In that regard, I have also enclosed copies of some material from the files of the Historical Society of Harford County about the Day, Greer and related families as researched by various people. You may have this information, but I did not want to assume. Very truly yours, /s/Henry C. Pedin, Jr., Maryland Genealogist"

Why did John Greer and Chloe Jones Greer go to Onslow County, North Carolina? Was it because he left Sarah Day Greer, his first wife who some believe went to live with Aquilla and Elizabeth Lowe Greer at Chilimara, Virginia? Many believe the Sarah mentioned in the 99 year lease was the mother Sarah Day Greer although Aquilla had a young daughter named Sarah Mary Greer, was it the daughter or Mother? The available records do not tell us. Sarah possibly died before the cohabiting charges after the birth of their last child believed to be Joseph. However John Greer left his entire family behind to leave his home in Baltimore County, Maryland where all his loved ones were to go to a new land at an old age with a disgraced new wife and a child younger than most of his grandchildren.

Sarah also married (1) Obadiah PRITCHETT about 1703 in Gunpowder River, Baltimore County, Maryland. Obadiah died about 1704.

According to BALTIMORE COUNTY FAMILIES 1659 - 1759, by Robert W. Barnes, page 161: "SARAH, m. 1st Obadiah Pritchett, and 2nd after 1704 John Greer." It appears that she was married less than a year after Obadiah died.

Sarah Day was 15 years of age when she married John Greer. Richard Baker Greer of Fayetteville, Arkansas, dated March 1996: "Sarah Day Greer died March 1747; she and John were married 4 March 1704." He further stated that John left Baltimore County after Sarah died and that John and Sarah did not divorce. He gave no reference for his information.

John married (2) Chloe JONES about Aug 1750 in Baltimore County, Maryland.

They had 1 child:

Chloe also married (2) Arthur AVERITT.

1790 HEADS OF FAMILIES - NORTH CAROLINA, Wilmington District, Onslow County, page 195: Averitt, Arthur: 2 free white males 16 and upwards including heads of families; 2 free white males under 16; 3 free white females including heads of families; 2 slaves. It is believed this is the Arthur Avertt that Chloe Jones Greer married shortly after the death of John Greer, Sr.

Nothing is known of Chloe Jones, her parents, her age or anything to identify her before the cohabiting charges brought against her and the birth of John Greer, Jun.

No marriage record has been found for John Greer and Chloe (Cloe) Jones, but the will he left in Onslow County, North Carolina names his wife Chloe Greer as administratrix. However, in the record kept by Jacob Davis, his son-in-law, which lists the wedding amount owed on 15 August 1750, it may be correctly assumed that they were married on or shortly prior to that date.

7. Aquilla GREER, Sr. (6.John 2, James 3, James, Sir) was born 1719 in Baltimore County, Maryland. Aquilla died 8 Apr 1790 in Greene County, Georgia. He married Elizabeth LOWE (See number 7977) about 1740. She was born 3 Jun 1721 in Baltimore County, Maryland. She was the daughter of William LOWE, Jr and Sarah GROVES. Elizabeth died in Greene County, Georgia.

They had 8 children:
+ 8. F i. Mary Sarah GREER, born about 1740, died about 1830.
+ 3324. M iii. Aquilla GREER, Jr, born 1744, died about 1784. [See Page 301]
+ 6748. M iv. William GREER, Sr, born 29 Jan 1748, died 24 Sep 1812. [See page 559]
+ 6998. F v. Elizabeth GREER, born before 1750, died before 1790. [See page 573]
+ 7129. M vi. Vincent "Vinson" GREER, born 1750, died about 1805. [See page 579]
+ 7131. M vii. Asa GREER, born about 1756/1760, died 1828/1838. [See page 581]
+ 7627. F viii. Delia GREER, born 31 Oct 1758, died about 1838. [See page 616]

According to the Bible, the name "Aquilla" denotes "eagle". That name appears in every Greer generation from 1719 to date in our Greer family. Aquilla Greer, son of John and Sarah Day Greer, was born about 1719 in the fork of the Gunpowder River in Baltimore County, Maryland, also known as "Gunpowder Hundred" which denoted that the settlement had at least one hundred men who could fight and defend the settlement from Indian and other raiding groups.
Although no marriage record has been located, most researchers believe Aquilla married Elizabeth Lowe, daughter of William and Sarah Lowe. The late Dr. Clayton Alvis Greer, Professor of History at the University of Texas, did much research on Aquilla Greer and his descendants in his unpublished manuscript GREER FAMILY, copy in my possession. He descended through Lt. James Greer, eldest son of Aquilla and Elizabeth Lowe Greer. I will be quoting some of his research and logic as to why Elizabeth Lowe is believed without a doubt to be the wife of Aquilla Greer.

"The William Lowe, Jr and John Greer, Sr. families were neighbors living in the same vicinity in the Great Falls of the Gunpowder River. Their children grew up together and probably attended church together, as some of the children from both families are registered in the St. John's Parish Register as to birth, death and marriage data. In this register, we find the following: "Elizabeth Lowe daughter of William and Sarah Low was born June 3, 1721." We also find marriage data of two younger brothers of Aquilla, namely Benjamin and Joseph, who married younger sisters of Elizabeth Lowe, Ann and Rachel." (From unpublished manuscript GREER FAMILY by Dr. Clayton Alvis Greer, University of Texas)

The brother of Aquilla, Moses Greer, gives us the first record to be found regarding Aquilla. It is believed that Moses actually made a trip from Pittsylvania County, Virginia to Baltimore County, Maryland on 13 September 1755, and deposed that "about 45 years ago he was sent by his father (John Greer, Sr.) to go to a large oak tree and stay until Mr. Snowden, the surveyor came." He also stated that he and his brother Aquilla carried the chains, and that Mr. Snowden paid them 10 shillings for the work. Aquilla would have been about 13 years of age at that time. (From BALTIMORE COUNTY COURT LAND RECORDS - Deposition of Moses Greer, Charles E. Wittry, 1777 - Book W.G.A., pp 267-269)

No records or deeds have been located for any land owned by Aquilla or his brothers in Maryland. They probably lived on and farmed the lands of their father, John Greer. However, on November 16, 1743, Charles Carroll, of Annapolis, Maryland leased to Aquilla Greer 100 acres of land in Baltimore County known as Chilimara for the sum of 100 pounds of tobacco per year. The exact lease reads: "Charles Carroll, of Annapolis, Maryland, to Aquilla Greer of the same, 16 Nov., 1743, lease of land called Chilimara (spelled multiple ways in different translations) lying in Baltimore County, beginning at an oak, two bunches of cat's tails...100 acres for the use of the three following persons: Aquilla Greer, Elizabeth Greer, and Sarah Greer, yielding and paying Charles Carroll to Dec. 10th the quality of...good clear merchantable tobacco of fresh ground leaves to be delivered to a convenient landing in Gunpowder River in convenient casques...and two capons, should they be asked; not to sell of dispose of timber. The said Aquilla Greer also covenants for himself, his heirs and assigns, the mother, his heirs and assigns, shall not suffer more hands to work or till the demised premises than himself, his wife and children and one servant, and in case his children are incapable of work, then he take in two servants." The lease included house and plantation. (Copy of Robert M. Torrance Typescript, THE GREER FAMILY, page 9, citing LIB. 1S. No. A, Baltimore County)

NOTE: This lease with the mention of children and one servant, and in case his children are incapable of work, then he take in two servants. The lease included house and plantation. (Copy of Robert M. Torrance Typescript, THE GREER FAMILY, page 9, citing LIB. 1S. No. A, Baltimore County)

The noncupative will of Aquilla Greer, was written and signed 8 April 1790; and proved 30 October 1790. It was recorded 6 November 1790, Greene County, Georgia Will Book A-B, Pages 101 thru 103: "In the name of God Amen, I Aquilla Greer of Greene County being of sound sense and memory, thank be to God, for the same; but calling to mind the uncertainty of this sublunary world and that all flesh must yield when it pleases God of His mercy to call do therefore make and constitute this my last Will and Testament and desire it may be received as such. Nothing more has been found on Aquilla Greer, nor Elizabeth Lowe Greer since November 1790. The trip from Virginia to Greene County, Georgia had to be hard on them. At the time he wrote his will, he was about 71 years of age and died about 6 months later.

From ST. JOHNS AND ST. GEORGES PARISH Registers BALTIMORE AND HARFORD COUNTY, MARYLAND 1696 - 1851, page 60: "Elizabeth Low, daughter of William and Sarah, born 3 June 1721."

Since nothing is found on Elizabeth after Aquilla's death, it is believed that she died shortly before or afterwards.

8. Mary Sarah Greer (7.Aquilla, 6.John, 5.James, 1.James, Sir) was born about 1740 in Baltimore County, Maryland. Mary died about 1830 in Greene County, Georgia. She married (1) Adam BEATTY about 1758 in prob Baltimore County, Maryland.

They had 1 child:

+ 9. M. i. John Charlton BEATTY.
Again in the late 1780's and early 90's when Aquilla and Elizabeth and family relocated to Greene County, Georgia. Sarah and family were already in Wilkes County, Georgia. It is unclear as to who arrived in Georgia first since some children of the senior Aquilla Greer relocated before he and Elizabeth.

Sarah was living in 1810, when husband Henry Haynes, Jr. wrote his will which was filed in the Greene County Court of the Ordinary, Greene County, Georgia.

Mary married (2) Henry HAYNES, Jr. (See number 8992) 28 Apr 1760 in Bedford County, Virginia. He was born 1735 in Caroline County, Virginia. He was the son of Henry HAYNES, Sr and Mary SMITH. Henry, Jr died 14 Aug 1810 in Greene County, Georgia.

They had 7 children:

Father Henry Haynes, Jr. willed this son "Parmenas HAYNES the tract of land whereon I now live containing one hundred acres more of less". Thus we know he was alive in 1810, the year of Henry Haynes, Jr. death. See Henry Haynes, Jr. for copy of the will.

13. F iii. Sarah "Sally" HAYNES, born about 1762, died prior to 1814.

152. F iv. Elizabeth "Betsy" HAYNES, born about 1764, died 2 Feb 1806.

1688. F vii. Mary HAYNES, died 8 Oct 1851.

Henry Haynes, Jr. was a son of Henry Haynes and Mary Smith. The Haynes (Haines) families descended from an old Saxon family and were probably well established in England more than a century before the Norman Conquest took place. They were a strong, handsome tribe. (From GREER FAMILY, unpublished manuscript by Dr. Alvis Clayton Greer).

On 13 September 1777, Henry Haynes, Sr. (Note: This is Henry Haynes, Jr.) age 42, along with his father Henry Haynes, age 76, and Henry Haynes, age 19 all took the Oath of Allegiance in Henry County, Virginia. No proof has been located to identify the Henry Haynes, age 19, as a son of Henry Haynes, Jr., nor is he named in his will. If he were a son of Henry Haynes, Jr., he probably died young and unmarried; perhaps he was the son of a brother of Henry Haynes, Jr. (From GREER FAMILY, unpublished manuscript by Dr. Alvis Clayton Greer).

In the will of Henry Haynes, Sr., Henry, Jr. received "my negro woman Violet and child named Tobe and also two hundred acres of land that he now lives on to him forever." This will was written in Henry County, Virginia on 5 March 1784. Henry Haynes, Jr. and brother Parmenas Haynes were named executors of the will and estate of their father, Henry Haynes, Sr.

It is believed that all the children were born in Bedford County, Virginia. In late 1790, he and his family migrated to Wilkes County, Georgia. He left his will in Greene County, Georgia, signed 2 November 1809; LAST WILL AND TESTAMENT 1806-16 Will Book 3--Greene County, Georgia, Pages 92 & 93:

"In the name of God Amen I Henry Haynes of the State of Georgia & County of Greene being of sound sense & memory thanks to God for the same but to calling to mind the uncertainty of this sublunary world & that all flesh must yield when it pleaseth God of his mercy to call do therefore make and constitute this my last Will and Testament and desire it may be received as such. First I resign my soul to God from whence it came and my body to the earth to be buried at the discretion of my wife & other executors hereafter named Touching my worldly estate & dispose of it as followeth. First I desire and will that all my just debts be paid. Item: I give to my son Parmenas Haynes the tract of land whereon I now live containing one hundred acres more or less. Item: I give to Henry English my two negro boys Tom & Will during his life and after his decease my will that his son Henry English Jun have Tom and his son Stephen have Will and if either of the two boys die without him then the legacy left them be divided between the other and their six sisters Lucy, Nancy, Sally, Dinah, Polly & Jane. Item: I give to my daughter Sally English my negro boy named Tobe. Item I give to my daughter Delilah Greer my negro woman Jude and Her child named Violet with their increase. Item: I give to my daughter Mary Greer my negro man named Hall. Item: I give to my daughter Gene Hudson my two negroes Cult & Barn with their increase. In witness whereof I have set my hand & seal this second day of November one thousand eight hundred & nine. Henry Haynes (seal)

"Greene Court of Ordinary November Term 1810 Personally appeared in open court William Greer Vincent Harralson & John Decker three of the Witnesses to the within will and after being duly sworn dispeth & saith that they heard him acknowledge the within will to be his last will and testament and at the time of signing the same they concluded him to be in his proper senses." Sworn to in open court William Greer September 5, 1810 V. Harralson, V. Harralson, Jr. C.C.O. John Decker"

(Note: This William Greer may be the son of Aquilla Greer, Jr. and Elizabeth Bandy, husband and first cousin of Delilah Haynes Greer, the daughter listed as Delilah Greer in the will).
13. Sarah "Sally" HAYNES (8. Mary, 7. Aquilla, 6. John, 5. James, 1. James, Sir) was born about 1762 in probably Bedford County, Virginia. Sarah died prior to 1814. She married Parmenius ENGLISH (See number 8982) 1 Apr 1784 in Bedford County, Virginia. He was born in Bedford County, Virginia. He was the son of Stephen ENGLISH and Dinah HAYNES. Parmenius died 23 May 1826 in Oglethorpe County, Georgia.

They had 5 children:

15. M ii. George Lewis ENGLISH, born about 1790. He married Elizabeth HUDSON (See number 1758) 31 Oct 1826 in Greene County, Georgia. She was born about 1807 in Oglethorpe County, Georgia. She was the daughter of Mason Ward HUDSON and Irene HAYNES. 1850 CHICKASAW COUNTY, MISSISSIPPI CENSUS: George L. English, age 60, farmer, born GA; Elizabeth English, age 43, born GA.

+ 150. F v. Dinah ENGLISH.

Parmenas and Sallie Haynes English were married by William Johnson. Henry Haynes, Jr. willed to Henry English, husband of Sally Haynes "my two negro boys Tom & Will" during his life and after his decease my will that his son Henry English, Jr. have Tom and his son Stephen have Will and if either of the two boys die without him the legacy left them be divided between the other and their six sisters Lucy Nancy Dinah Polly & Jane.

Parmenius also married (2) Nancy STARKEY (See number 6999) 21 Nov 1814 in Oglethorpe County, Georgia. She was born about 1770. She was the daughter of John William Starkey, III and Elizabeth GREER.

The name Parmenas is spelled in more than one way according to different records: Parmenas, Parmenius and Perminey. I have used the spelling as it appeared in each document.

Parmenas English served as Ensign, 4th Company, 1st Battalion, 3rd Regiment (probably under state of Virginia) during the Revolutionary War. He migrated to Georgia along with related families immediately following the war. Parmenas located in the Macey Community and proceeded to raise his family there; he became quite wealthy owning a plantation consisting of several thousand acres of land.

The State of Georgia chartered a school system in 1785 to be known as the University of Georgia. This univerisy system was to establish an academy in each county in the state of Georgia. Due to lack of interest and internal conflict by those in charge with the development and creation of this great task, it was neglected until 1801, when the organization decided to finish the project and purchased land at some locations but were not able to succeed. In 1821 a decision was made to sell the land endowment and abandon the original school development plan. The Oglethorpe Academy was to be located in the Macey Community where Parmenius English lived. The University purchased 600 plus acres from Parmenius on 15 May 1818. (Book T. Deeds, Oglethorpe County, 1812-1818). When they sold the land in 1821, Parmenius purchased a large tract of land, over 5,000 acres. This combined with his other holdings created a very large plantation in and around the Sandy Creek and the Fishing Creek area. A copy of the sales contract between Parmenius English and the Trustees of the University of Georgia follows: "GEORGIA, OGLETHORPE COUNTY: This indenture made this the Fifteenth day of May in the year of our Lord one thousand eight hundred & sixteen between Parminey English of the County of Oglethorpe & state aforesaid of the one part, and the Trustees of the University of Georgia of the other part, witness that whereas the said Parminey English, & John Lin & Thomas S. The from thenceforth as will this present in out time and the estate hereby granted as the said obligation shall make binding & become absolutely null and void to all intents & purposes any thing herein before contained to the contrary, in any way notwithstanding. In witness whereof the said Parmenas Enghish hath hereunto set his hand and affixed his seal this day and year above written. Signed & Sealed & Delivered Parmeny English (Seal) in presence of Recorded Oct. 16th. 18th Gelveston Thornton, J. P. Isaac Collins, Cik John Hogue."

Parmenius English was appointed Lieutenant in the State Militia, State of Georgia, dated July 26, 1826. This was presented after his date of death.

Note: Parmenius English had great wealth but no explanation has been found as to what happened to that wealth; it just seemed to disappear. He
had purchased about 5000 acres of the University System property; this was around the Sandy Creek and Fishing Creek areas. He possibly died owing
much or perhaps his heirs could not manage the operations of such a large plantation and had to liquidate much lands to pay off debts. (From THE
ENGLISH FAMILY HISTORY by Margaret English Thurman, published July 1980).

17. Henry ENGLISH (13.Sarah 4.8.Mary 7.Aquilla 6.John, 5.James 1. James, Sir 1) was born 25 Aug 1793 in Virginia. Henry died 5 Aug 1863 in Locust Grove, Henry County, Georgia, and was buried in Bershba, Baptist Church, Henry County, Georgia. He married (1) Katherine MARTIN in Georgia. She was born 20 Apr 1794. She was the daughter of Joseph MARTIN and Ann. Katherine died 10 Jun 1828.

They had 4 children:

The name of this child is significant because he was named for both grandfathers: Joseph for Joseph Martin and Parlemas from Henry's father.
Joseph lived only nine years after his marriage in 1840 to Mary White. Family lore is that he could have gone to Mississippi. The name Parlemas or Parmenius has been spelled in numerous ways.

+ 19. M ii. George Lewis ENGLISH, born 10 Jan 1822, died 12 Sep 1895.

55. M iii. Steven Madison ENGLISH, born 16 Nov 1823, died 22 Feb 1839.

Steven died at 16 years of age. It is reported that he shot a deer and was running it down when his nose started to bleed and he died. The following November Henry and Lucy had a son born and they named him Madison.

It is family tradition that Henry English was a school teacher and that he taught school in Oxford, which is now part of Emory University System, and is located near Covington, Georgia. Henry was well educated and taught school to support his family. It is evident that he was not a farmer and disliked farming and probably never depended on the land for his livelihood.

Henry served as clerk of the Bershba Church of Christ and is buried in the cemetery of the church yard. The English family reunions were once held here yearly; I do not know as of 2004, if they still have them or not. Henry was a religious man, active in church activities and respected by his friends.

Katherine was under four years of age when her father Joseph Martin died. Joseph and Ann Martin, according to Joseph Martin's will, owned 240 acres of land situated on the waters of Millstone Creek which is located in the northeastern section of Oglethorpe County. She is listed as the fourth of five children. She died young at about 34 years of age, leaving four children, the youngest only about 2 years of age.
The Descendants of Aquilla Greer, Sr. 1719 - 1790

Henry married (2) Lucinda Williams 31 Oct 1828. She was born 16 Jun 1807. Lucinda died 17 Sep 1864 in Wilkes County, Georgia, and was buried in Bersheba Baptist Church Cemetery, Henry County, Georgia.

They had 10 children:

William H English disappeared immediately following the Civil War, possibly died.

"William H. English was the second child born to Henry and Lucy. We have no information on this son, other than detail records taken from his service record during the War between the States. It appears that he was constantly ill all during his army career. He failed to return home following the end of the war. We feel sure that he died with no record being made of his death. Details taken from his service records are as follows: William H. English enlisted as a private in Atlanta, Georgia, on June 30, 1861 in Company B, 11th Georgia Infantry C.S.A. A detailed review of his records indicate the following listed entries: January 17, 1862: admitted to Moore Hospital, General Hospital No. 1, Danville, VA. Complaint: (not legible). Records show that William H. English, private, company B. 11th Georgia Infantry C.S.A. enlisted July 3, 1861. A roll of company dated August 31, 1864 last on file. He was reported absent, taken prisoner May 6, 1864. Nothing additional relative to him has been found."

"John R. English, third child born to Henry and Lucy was probably born in Henry County; the only information on this son is his service record. Records show that John R. English enlisted as a private on July 2, 1861. Company G, 19th Regiment, Georgia Volunteers Infantry, Army of Tennessee C.S.A. He died of Typhoid fever on August 10, 1862 in an Army hospital located at Staunton, Virginia. He is buried in Thornrose Cemetery in Staunton. (Ref Card 2874-CH-6-599183). Lucinda filed for his personal effects on September 5, 1863, and received $36.66. (DESCENDANTS OF HENRY ENGLISH OF VIRGINIA, by Margaret English Thurman).

60. F viii. Mary Elizabeth "Betsy" English, born 22 Nov 1835 in Henry County, Georgia. She married Dr. James Crowley.

"James English enlisted as a private on March 2, 1862. Company C, 13th Regiment, Georgia Infantry C.S.A. He died of Typhoid fever on August 10, 1862 in an Army hospital located at Staunton, Virginia. He is buried in Thornrose Cemetery in Staunton. (Ref Card 2874-CH-6-599183). Lucinda filed for his personal effects on September 5, 1863, and received $36.66."

Madison English enlisted in the Confederate Army and was killed in service. No details as to war records or any other information.

Robert died from Typhoid Fever at age 10.

+ 64. M xii. Ebenezer "Eb" English, born 7 Dec 1846, died 11 Nov 1924.

147. F xiii. Louise A "Lucy" English, born 2 May 1847. She married John Boatright.

The date of birth for Lucy English is from the THE ENGLISH FAMILY HISTORY by Margaret English Thurman, published July, 1980. Quote: There is some question of this birth date. The 1850 Census lists her age as 2 1/2 years of age.

Henry married Lucinda only about four months after his first wife died. He had been left with young children and that was not unusual in that day. He needed someone to be his "help-mate".

It is believed that Lucy was a strong woman. She gave birth to ten children. Most of her married life she lived in Henry County, south of McDonough. Henry and Lucinda probably left Oglethorpe County in 1830.

There is a record of her filing for personal effects of her son James English on 5 September 1863, after he died of typhoid fever on 10 August 1862 in an army hospital located in Staunton, Virginia and is buried in Thornrose Cemetery. She received $36.66 due her son. He was one of her five sons who enlisted in the Confederate Army.

Henry County tax records list Lucy English as reporting one child under 18 years of age, one hired hand. furniture valued at $300. Amount of tax paid was $17.00. The land, acreage not reported was taxed at $12.36.

It is believed by Margaret English Thurman, author of DESCENDANTS OF STEPHEN ENGLISH OF VIRGINIA, that she died in the Rayle Community of Wilkes County which adjoins Oglethorpe, her home County. During the war she probably went there to stay with relatives for the safety of her daughter and herself. She reports of visiting an old cemetery located at Sardis Baptist Church and while there found an unmarked grave beside the grave of Mary E. Boatright. Her daughter Louise married John Boatright. There is no proof that this is the unmarked gravesite of Lucinda "Lucy" Williams English.

They had 8 children:

22. F iii. _______ English, born 1861, died 1861.

George Lewis was only six years of age when his mother died. He came to Henry County, Georgia with his father and step-mother and spent most of his youth and early adulthood there until he married Mary Crowley in 1856. Soon after his marriage he and Mary left Henry County and relocated to Alabama, Mississippi and Arkansas. Later they moved on into Louisiana. This trip was made during the winter months of 1856-57; George contracted to make a crop in Arkansas in 1857. After this crop was laid by, he earned more money by cutting cross ties for the Missouri and Pacific Railroad which was under construction at that time.

It was during the summer of 1857, while George was busy cultivating his crop and cutting cross ties that Mary became ill. She had typhoid fever and almost died. As a result, George decided to seek a healthier climate, so he gathered his crop and moved into northwest Louisiana and settled in the hill country of what is known now as Homer, Louisiana. George and Mary both loved living in the country and decided to spend the rest of their lives there. They worked hard and lived a frugal existence; they acquired much land and wealth; they owned 600 acres of virgin timberland which was gradually cleared and either placed in pastureland or cultivated. Later like so much of that North Louisiana region, it produced seventeen oil wells and two deep gas wells.

It has been reported by a grandson of George Lewis English that he never had his name on any ones credit books. Once he tried to borrow $50.00 but was refused because no one knew him. He is reportedly to have gone home and told Mary they would make it without any help. He did the plowing, his wife the hoeing and they bartered for their necessities.

This grandson also related of another time when George Lewis English was reported to have been "turned out" of the Sharon Baptist Church and was charged with setting fire to the school house. He was later cleared of this charge.

They had 1 child:

Evan was walking, with his four year old son J. C, in the woods inspecting a land clearance project when a tree limb fell and injured his head. His eyesight gradually faded away until he became blind. He remained on the old family homestead throughout his lifetime. The last twenty-five years of his life was lived in total blindness.

They had 1 child:

Elizabeth married (2) Robert KNIGHT.

They had 1 child:

27. F i. Donna Lynn Newton.

They had 6 children:

29. M i. Lewis Fowler.

Lewis died as an infant.

34. M iv. Steven Frank FOWLER, born Nov 1895 in Lincoln Parish, Louisiana
35. F v. Vera Etta FOWLER, born Oct 1899 in Lincoln Parish, Louisiana. She married Mitchell HERREN.
36. M vi. Osie Oley FOWLER, born 1901 in Lincoln Parish, Louisiana. He married Lura ROBINSON. Osie and Lura had three sons.

They had 2 children:
33. F ii. Mary Ruth FOWLER, born 9 Mar 1940.

It is from Ebeneezer English that Martha English Thurman descends; she published DESCENDANTS STEPHEN ENGLISH OF VIRGINIA in July 1980. Much of my information comes from many direct quotes from my copy of her publication.

"Eb was destined to endure some of the most heart breaking experiences; yet he was a well respected and honored man. At the same time he raised a large Christian family.

Three years after Eb's birth, his oldest sister Sarah K. married. Robert, the brother three years older than he died of Typhoid Fever. Eb was seven years old at that time. Another half brother, Madison, died of nose bleed while hunting deer. It appears that he shot the deer and was running him down when he was stricken and died.

Eb and four of his brothers enlisted in the Confederate Army. Eb was the only one to return from the war. He served as private, Company H, Regiment T, Georgia Reserves. He enlisted April 12, 1864.

At the end of the war he returned home with only one brother left alive; and his mother and father both had died. He was all alone in a very changed world.

After Eb and Melissa Jane Miller were married in 1871, they lived with her parents until they could establish themselves in a home. The property was owned by Melissa's Uncle Jim Brock and was located in District 2 of Henry County, Georgia. Eb later purchased these 1011/2 acres from American Mortgage Company, Ltd on February 25, 1898. This indebtedness was paid off March 4, 1902. "WILL OF EBENEZER "Eb" ENGLISH: Georgia Henry County: I E. English being of sound mind, do make this my last will and testament. I will that my entire property be left to my sons, Lon English and Jack English and to my daughter Martha Jane English each to share alike. I will each of my other children five dollars. Arthur English, Jim English, A. L. English, J. J. English, and (?) Jinks each to have five dollars. This 10th day of July 1924. Witnessed E. R. Moore his E. (x) English H. R. Childs mark G.G. LaGuinn, N.P."

8. WILL OF WILLIAM EDMONDSON, Georgia, Greene County: I William Edmondson of the state and county above written, being of sound mind and memory, do make this my last will and testament hereby revoking and making void all wills by me at any time heretofore made. Having given to each and all my children with the exception of my youngest to wit, James Thomas Edmondson, property amounting to eleven hundred dollars more or less therefore it is my will and desire, that as soon after my decease, my just debts (which are little or nothing as I pay as I go) shall be paid. Then my son the said James Thomas Edmondson shall be paid out of my estate, eleven hundred dollars in specie or its equivalent in other property to make him equal with my other children. The residue of my estate I direct and will to be divided into eight equal parts or legacies and one part to be given to the children of my deceased son Augustus Edmondson. One part to Adeline McWhorter (my daughter) if living at my decease if not to her children. One part to my daughter Elizabeth Garlington, if living at my decease, if not to her children. One part to my son Joseph H. Edmondson if living at my decease, if not to his children. One part to my son William F. Edmondson, if living at my decease, if not to his children. One part to my daughter Eliza W. Neal, if living at my decease, if not to her child. One part to the children of my deceased daughter Mary Caroline Armstrong and the remaining part to my son James Thomas Edmondson, if living at my decease, if not to his children. Be it understood that the said Elizabeth Garlington, the said Joseph H. Edmondson, and the said James T. Edmondson are to have a live interest only in any of the property they receive out of my estate and at their decease said property
THE DESCENDANTS OF AQUILLA GREER, SR. 1719 - 1790

shall go to their children, I have thought best to make this provision, for what seems to me to be good and sufficient reasons but not necessary to mention. Upon reflection I find I have not given James T. Edmondson a cow and a calf as I have to my other children. I therefore direct that he shall have one in addition to the legacies already specified. While I do not know positively that it shall be done, I nevertheless suggest that that part of my land that lies northwardly of the lane leading from the public road, near the Ware lot to E. R. Cheney's be sold to itself, and the rest of my land to itself. Should the parties named in this will as my Legatee or their legally appointed Guardians, those of them living in Georgia and Alabama, choose to divide my estate among themselves as directed in this will without going through the regular course of the laws of Georgia for settling estates, I consent and recommend them to do so, leaving the children of Augustus Edmondson, without voice in the matter, as they live so far off as to be nearly inaccessible, but I enjoin it upon all my other heirs, of whoever may settle my estate to see that the said children have their full rights under this my will. If however the said legatees do not choose this course or cannot agree upon a division I hereby make, constitute and appoint my son-in-law Geo. W. Neal, Executor of this my last will and testament, in the presence of us who at his request in his presence and in presence of each other have subscribed our names as witnesses thereto the day and year above written. It is believed that Ann Haynes first married James Greer about 1801 and further believed that Ann is one of the daughters of Henry Haynes, Jr. and Mary Sarah Greer Haynes. Henry named Nancy Greer in his will signed by him on 2 November 1809.

In the 1860 WALTON COUNTY CENSUS, Monroe Georgia, dated 29 Jun 1860. Ann Geer is living with her daughter Eveline Blasingame and husband John Blasingame; she is listed as 78 years of age at that time. She lived to be 94 years of age.

All these men were Greer kinsmen except Vincent Watts. I can find no record that shows him akin to our Greer family. From GREENE COUNTY MINUTES, 1799-1836, page 276: "Ordered that the Clerk grant letters of Administration to Henry Greer and Ann Greer on the Estate of James Greer, dec." (NOTE: Ann Greer is believed to be the widow of James Greer; Henry Greer is believed to be the son of Lt. James Greer; who was living in the same area of James Greer and Ann). From GREENE COUNTY GEORGIA COURT OF THE ORDINARY MINUTES 1810 - 1816, Drawer 33, Box 30: page 45, dated 12 March 1812: "Ordered that William Greer and James Greer have leave to advertise for letters of dismissory on the Estate of James Greer, decd according to law." (This James Greer who took leave to advertise for letters, etc is unknown at this time, but may be Lt James Greer, brother to Vincent Greer who had land in this same area.) From page 54, dated 2 November 1812 of same record stated above: "On petition of Henry Greer and William Greer Administrators of James, Dec. Ordered obtain letters of dismissal from the Estate of James Greer dec." From page 335, dated 3rd Nov. 1812 of same court record: "Greensboro 3rd Novr 1812 - Whereas Henry Greer and William Greer have applied for letters of dismissory from the Estate of James Greer decd. These are therefore to cite and admonish all and singulate the kindred and credition of T. James Greer decd, to be and appear at my office within the time prescribed by law to show cause if any they have why said Letters should not be granted. Given under my hand and seal this 3rd day of November 1812." This entry signed by Ebenezer Torrence, CCOGC. (NOTE: The wording of this order leads one to believe that James Greer had no living siblings in Georgia at this time.) From page 69, dated 3 May 1813 of same court record: "Ordered that Henry Greer obtain letters of dismissal from the Estate of James Greer, dec." From page 83, dated 3 May 1813 of same court record: "William Greer is by this Court appointed Guardian of the personal property of Elizabeth, Sally Sarah, Vincent, Henry H. and Nancy Greer, orphans of James Greer, decd and that John Browning, William Redd and Elijah Bradshaw be received as the Securities and bound in a bond of eight thousand dollars." The mother of these 5 orphaned children must have been living and them in her household, since guardianship papers were not issued until May 1813, 3 to 4 years after the death of their father, James Greer. Also the estate was not inventoried and personal items sold until November 1812.

Henry Greer and William H. Greer were administrators and at the home of the deceased James Greer divided and distributed the estate on 25 November 1812. A sum of $200 was allocated for the schooling of Sarah Greer, Henry F. Greer, and Nancy J. Greer, children of James Greer, deceased. In Greene County, Georgia in the May 1814 Court, William Greer (should be Geer), guardian for the five children of James Greer was paid $200 for board, lodging and clothing for Elizabeth Greer, Vincent Greer, Sarah Greer, Henry H. Greer, and Nancy J. Greer in the settlement of the estate of the late James Greer. (This $200 board was paid to William Greer) "William Greer (Geer) Guardian of the Orphans of James Greer decd: To His Wards For The Year of 1817: To Minors part of amt Sale of 187 1/2 acres land bot by Wm Geer Guardian due 25th Dec 1817 $709.00; To Hire Dick and Anack to Ward Hudson $182.00; To HireTony to Thomas Steward $100.00; To Hire Peter to James Swanson $93.00; To Hire Len to Zachariah Daniel $84.00; To Hire Violet to Frederick Hudson $25.00; To Hire Fanny to Guardian $20.00. In the March 1817 Court, Greene County, Georgia, William Greer, guardian of the orphans of James Greer, deceased, was given leave to sell 187 1/2 acres on Fishing Creek in Greene County adjacent to Jeremiah Ragan. (Ragan was the husband of Polly (Mary) Greer who was the daughter of William, Sr and Mary Jean (Jane) Haynes Greer. William Greer (should be GEER) on January 15, 1820, in Greene County, Georgia asked for division of the estate of James Greer among his five heirs. On 14 January 1828, David Greer was given a letter of administration on the estate of Vincent Greer who died in late 1827 or early 1828 in Greene County, Georgia. His bond was $2000 and William Greer (possibly Geer) was surety. This Vincent Greer was one of the orphans of James Greer, and grandson of Vincent Greer I. There have been no records found to identify a Vincent Greer, Jr. A noted Greer researcher, Mary Lee Barnes, and I have studied the estate papers of Vinson Greer, James Greer, Vinson Greer No 2 (not Jr. but the son of James Greer), William Greer, David Greer and a William Greer (probably error and should be GEER) with the date 1816 on the unbound estates records, the land deed records, and other papers for Vincent Greer and family. Mary Lee Barnes and I, after much study of the records believe that William GEER married the widow of James Greer, who was named Ann. In the will of William GEER, his wife is named Ann. Since there was no guardian for the 5 orphaned children between 1809 or 1810, date of death of James Greer, and 1813 when William GEER became Guardian, where were the children? We believe they were living in the household of Ann Greer: their mother Ann Greer and William GEER were possibly married about May 1813, when he was appointed guardian of the five orphaned children of James and Ann Greer. And the four children listed in the will of William Greer, are the children born to him and Ann Greer GEER after their marriage. We have studied the 1820, 1830 and 1840 Census records of Greene County for William GEER (GEAR, GEERE). The name is spelled differently in each Census; but we are sure they are the same individual.

From the will of Henry Haynes, Jr. copied from DESCENDANTS OF STEPHEN ENGLISH OF VIRGINIA - THE ENGLISH FAMILY HISTORY by Margaret English Thurman: "item I give to my daughter Nancy Greer". (NOTE: What Greer did Nancy Haynes marry if it were not James, son of Vincent Greer)? And the name Nancy Ann has been used in the earlier Haynes generations. Her sisters, Delilah married William Greer, son of Aquilla and Elizabeth Bandy Greer; Mary married David Greer, from Lt. James Greer line. All these families were very close. The will of Henry Haynes, Jr., dated 2 November 1809 is included in its entirety under Henry Haynes, Jr and Sarah Mary Greer. The quoted part above is entered because of what is believed to be the relationship of Nancy Haynes to James Greer.

Nancy married (2) William GEER. William died 1843 in Greene County, Georgia. They had 4 children:

- 365. M vi. James M GEER.
- 367. M vii. John L GEER. He married Mary WRIGHT.
- 368. F viii. Evaline C GEER, born about 1818, died 23 Sep 1887.
- 420. F ix. Emily GEER.

312. Sally Sarah GREER (310.Nancy, 8, Mary, 7, Aquilla, 6, John, 5, James, 4, James, Sr) was born 18 Dec 1805 in Greene County, Georgia. Sally died 20 Nov 1826 in Greene County, Georgia. She married David GEER 19 Dec 1822 in Greene County, Georgia. He was born 5 Apr 1791 in North Carolina. David died 22 Oct 1855 in Greene County, Georgia, and was buried in Geer Family Cemetery, Penfield, Greene County, Georgia. They had 1 child:

+ 313. M i. James Frederick GEER, Sr, born 21 Sep 1824, died 1 Mar 1905.

David Geer and Sarah Greer, seventeen years of age, were "joined in the holy bonds of matrimony" by Jeremiah Ragan, J. P., taken from copy of marriage record.

Sally Sarah Greer died at age 21, leaving only one heir, a son.

David also married (2) Helena LIGON 28 Jul 1833 in Oglethorpe County, Georgia. She was born about 1791. Helena died 24 Sep 1853 in Greene County, Georgia.

It is believed that Helen Ligon married a McWhorter first.

From CHRISTIAN INDEX, 20 October 1853, page 167, col 4: "OBITUARY. Where'er is love, or tenderness, or faith; Where'er is prayer, pomp, pleasure, pride; Where'er life is or was, is death. Died in Greene County, Ga., Sept. 24th, after a short illness, Mrs. Helen Geer, wife of David Geer, in the 62nd year of her age. Mrs. Geer was baptized in 1825, by the venerable Jack Lumpkin, at Antioch, though for many of the last years of her life, her membership was at Baird's. She died as she had lived, maintaining an unwavering trust in Christ. As a christian, a child-like trust in God seemed to be her most prominent characteristic. A few weeks before her last illness, a confidential conversation with the writer, she referred to a time many years ago, when in the deepest affliction, and all refuge seeming to fail her, the promise was suggested to her mind, as if spoken by an audible voice: "I will never leave thee nor forsake thee." Since that time she had been able to rest with calm reliance upon God's faithfulness to His promise... In her last hours, both by words and by signs when her speech failed her, she was able with confidence to declare that all was well—that Christ was with her in her passage through the dark valley of the shadow of death. "Blessed are the dead which die in the Lord, from henceforth; yea, with the spirit, that they may rest from their labors, and their works do follow them." Amen. (Copy in personal files)."

1830 CENSUS GREENE COUNTY, GEORGIA, page 282: David Geer, H/H, 30 under 40; 1 male 5 under 10; 1 Male 15 under 20; 1 male 20 under 30. No females are listed.

David Geer married McWhorter in 1833, and they had no children; Helen had sons when she married David GEER; Sarah and David only had one son before she died.

In the 1850 Greene County, Georgia, David Geer lists his age as 59 and was born in North Carolina. Was probably a son of Frederick Geer of Wake County, North Carolina, who had several children, one named William. (This is from Sam Geer: Sam Geer is a descendant of Sarah Greer and David Geer. Thus he too is a descendant of our Vincent Geer, son of Aquilla and Elizabeth Lowe Geer.)

Georgia Dept of Archives & History, Dr 46, Box 5: 4015, November 4th Henry H Greer and Sara Ann Nutt FACT OF CEREMONY. (Recorded page 117, Original Book "A"). Georgia, Oglethorpe County. I certify that Henry H Greer and Sarah Ann Nutt were duly joined in matrimony by me this 6th day of November 1828. /s/ Jack Lumpkin. It is believed that this is Henry Haynes Greer, son of James Greer.

There is a receipt dated 9 November 1816, for four dollars and twenty-five cents received from William GEER, payment in full for the schooling of Henry Greer for four and one half months at Shiloh School, signed by Wm. Browning, one of the school committee. This record was found in the Greene County Unbound Estate Records, Frame 994 No 305/98 for William Greer 1816. NOTE: The Estate Records in this group are identified for William Greer 1816; I believe that Greer was inadvertently written instead of Geer, since most of the records in this file are for William Geer.

On this census record, Grier is the spelling of the surname Greer; but it is my belief that this Henry H Grier is one of the five orphaned children of James Greer based on the age and state of birth of Henry H and the names of his children. (This census record was E-Mailed to me by Vivian Pridgen-Brockway.)

I have been unable to find any more information for Delilah after her children were born. She was deceased before 1850, when William Greer is listed on the Muscogee County, Georgia census. The date of death: Feb 1845 was found on a Web Page but could not be verified by me.

Estate records for Robert L. Hobbs, father of Nancy Hobbs including documents of executor assignment of Nathan Hobbs and John Holtzclaw, Robert Newsom and John Armstrong dated 8 September 1845, list a legacy of $121.56 paid to James GREER on 4 February 1846, a son of Henry Greer and Nancy Hobbs. (This estate record was from the research of Diane C. Finion by E-Mail, dated 21 October 1998.)
Henry married (2) Mary "Polly" Nichols 2 Mar 1845 in Greene County, Georgia. She was born about 1816 in Oglethorpe County, Georgia. Mary died bet 1860/1870 in probably Muscogee County, Georgia.

They had 5 children:

452. M ix. Agnell GREER, born about 1847 in Muscogee County, Georgia.

533. F xi. Nancy GREER, born about 1850 in Muscogee County, Georgia.

534. M xii. David GREER, born about 1856.

David Greer appears in the 1860 FEDERAL CENSUS SCHEDULE of CHATTAMOOCHIE COUNTY, GEORGIA, page 519, Household 524: Henry Turnage, age 45, Farmer; William, age 16, male; Nancy, age 18, female; Sarah, age 14, female; Larkin, age 12, male; Jefferson, age 10, male; David Greer, age 11, male.

Polly Nichols, second wife of Henry Greer and mother of five children, is not listed on the 1870 Federal Census Schedule for Chattahoochee County, Georgia. Her death occurred between 1860 and 1870. She would have been about 50 years of age at the time of her death.

424. Mary Ann* GREER (422.Henry1, 421.Delilah, 8, Mary5, 7.Aquilla4, 6.John3, 5.James2, 1.James, Sir1) was born about 1825 in Greene County, Georgia. They had 2 children:

It appears that Louisa A, age 16, and John Whiteside, age 18, were children of Andrew J. Whiteside at the time he married Mary Ann Greer. Elizabeth Greer is the younger sister of Mary Ann Greer, and a daughter of Henry and Nancy Hobbs Greer also. Since Nancy died when Elizabeth was about eleven years of age, she made her home with her only sister. At this time, Henry Greer, her father, his new wife, Mary "Polly" Nichols and his second family were in Muscogee County, Georgia.

The birth of Aquilla Greer is taken from the HENRY ENGLISH BIBLE, Greene County, Georgia, published by Jeannette Holland Austin in GEORGIA BIBLE RECORDS.

Like his older brother Henry, Aquilla also fought in the War of 1812 with Capt. Veazey's Company Georgia Military (Alleged) Capt. John Browning's Company, Georgia Military. Pension Papers File SO 27812 were filed with the Department of the Interior, Pension Office; Act of Feb. 14, 1871, by Aquilla Greer: "State of Georgia, Greene County - Before me personally came Aquilla Greer who on oath says that about (twenty years ago) he received a land warrant from the United States Government in consideration of service rendered by him as a soldier in the War of 1812 and that he sold said Land Warrant to William Edmondson now in life residing near Woodville, Greene County, Georgia. Dependent further swears that owing to the Death or removal of all the members of this company, he is unable to prove by two 'comrades' that he served the period of sixty days in said War of 1812."

Very heart-warming is the sworn statement of Jesse Mercer Greer, brother to Aquilla: "State of Georgia, Greene County - Before me personally came Jesse M. Greer who on oath says that he is a brother of Aquilla Greer and that said Aquilla served as a soldier in the War of 1812. Dependent further swears that he remembers when his said brother started to and returned from said war, remembers his mother crying when he went and rejoicing on his return. Dependent also swears that his brother Henry Greer was likewise a soldier and volunteer in Greene County and was a member of Capt Veazey's Mill (Alleged) Capt John Browning's Company, Georgia Military Company. War of 1812; and after his death was in receipt of a pension because of the service."

+ 964. F iii. Martha Elizabeth GREER, born about 1840, died 1896.
1647. F vii. Miriam GREER, born in probably Walton County, Georgia.

Miriam, daughter of Jesse Mercer and Nancy Hester Sappington Greer died at three years of age. (From the research of Ruth Greer Smith of Ozark, Arkansas, in a letter to Patsy Culver Greer of Hodge, Louisiana, dated in 1960).

The birth of Jesse Mercer Greer is taken from the HENRY ENGLISH BIBLE, Greene County, Georgia, published by Jeannette Holland Austin in GEORGIA BIBLE RECORDS. Gary Silverstein, on GARY'S DATABASE - ROOTSWEB.COM has the place of birth for Jesse Mercer Greer as Rome, Morgan County, Georgia. Copy of the Henry English Bible records shows Greene County, Georgia.

Jesse Mercer Greer was named for Jesse Mercer, the founder of Mercer University, first located in Penfield, Georgia; later moved to Macon, Georgia; this Jesse Mercer was a noted Baptist Minister.

The late Greer researcher, Ruth Greer Smith, furnished the marriage data for Jesse Mercer and Nancy Hester Sappington Greer. No record has been located in Walton County or any other Georgia County by this researcher. Many other researchers have copied this marriage data. It is my belief that it probably was taken from a Bible record or some other record and it is possible that the entry was hard to read or maybe copied in error. Many researchers thereafter reported the data as fact. Two children were born before this marriage date.

642. Caleb T. GREER (641. Jesse, 2. Delilah, 3. Mary, 4. Aquilla) was born 4 Nov 1833 in Walton County, Georgia. He married (1) Martha J. EDMONDSON 5 Nov 1856 in Walton County, Georgia. Caleb died 28 Nov 1902 in Hurricane, Claiborne Parish, Louisiana, and was buried in Hurricane Cemetery. Caleb and Martha had six children:

- Caleb T. GREER, born 1858 in Georgia.
- John GREER, born 1860 in Georgia.
- Jesse GREER, born 1860 in Georgia.
- Amanda Elizabeth "Mandia" GREER, born 1863 in Georgia.
- Mary GREER, born 1865 in Georgia.
- Mandy GREER, born 1867 in Georgia.

They had 4 children:
Caleb and his brother John Henry, with their families, migrated to North Louisiana from Georgia in the fall of 1880. They first settled on the Dugdemono River in Bienville Parish. (Some say Winn Parish; the small stream of water runs through both parishes.) They made a crop there on the Sebron James farm. The deaths of two of John Henry’s young sons were tragic; thus seeking greener pastures they moved on and relocated to another Bienville Parish area called Bryceland. Soon they moved again to a place about five miles from Arcadia called Hurricane in Claiborne Parish near the Bienville Parish line. (From the Research of Willie Marvin Caskey, a descendant of John Henry Greer and a professor at the University of Southern Mississippi.) It was here that Caleb and his brother John Henry and a sister Mary Frances Young who later joined them lived and died and are buried with most of their children and many descendants. There at the Hurricane Cemetery, it is not unusual to see the tombstones and grave sites in rows of three or four and even five generation descendants of Caleb and Amanda Edmondson Greer.

Hurricane is located in the southeast corner of Claiborne Parish seven miles from Arcadia, on state highway 519, amongst rolling red-topped hills. The cemetery is large, fenced and well kept. The Caleb Greer homestead in the late 1950s could be seen on a hill about a mile from the cemetery. Today, like most the old homes, it is gone. Every year, there is a memorial day which for many years was observed the Saturday before the fourth Sunday in July but recently was changed in about the year 2000 and is currently held the Saturday before Mother’s Day in May; descendants take flowers and place them in memory of their loved ones long gone to that “promised land”. On that day the cemetery looks like a beautiful flower garden.

As a young child, and even now, my sister and I and many of the descendants still visit that cemetery on a hill with two churches, Baptist and Methodist, surrounding it. Most of my Greer ancestors are buried there including my father and mother. Every one visits with distant relatives that they have not seen in many years and some who attend faithfully every year. They all leave with the promise and hope of returning the next year.

Caleb joined the Army of the Confederate States; Certificate of Disability for Discharge, dated 18 October 1862 at Knoxville, Tennessee: "C. T. Greer, Private, of Captain Mitchell's Company H. of the 42 Ga Regiment of Confederate States Infantry, was enlisted by Dr Bacon. The parentage of Martha J. Edmondson, after much research, has not been identified. Family lore is that Martha J and Amanda, second wife of Caleb T. Greer, were sisters. I could not verify that. The death information is from an individual record found at LDS Family Research for Martha Edmondson, no reference stated.

Caleb married (2) Amanda EDMONDSON 18 Dec 1864 in Morgan County, Georgia. She was born 21 Mar 1844 in Georgia. Amanda died 13 Jan 1914 in Bienville Parish, Louisiana, and was buried in Hurricane Cemetery, Claiborne Parish, Louisiana.

They had 11 children:

676. F v.  
   Rosa GREER, born about 1867 in Social Circle, Walton County, Georgia.

On the 1880 Walton County, Georgia census, Social Circle District 418, page 62, June 1880, Rosa is listed: "WF, age 13 daughter born Ga." Her birth year from this information is 1866 or 1867. Nothing more was found on Rosa. When Caleb and Amanda and their family came to North Louisiana in 1880, she did not appear on any Louisiana census. She could have been no more than 14 years of age at that time. Did she stay in Walton County with relatives; she had four half-brothers and sisters who were possibly married by this time; and three of them did not make the trip to North Louisiana; or maybe she was married at an early age? There is no one alive today who can answer these questions. Marriage and census records of various counties in Georgia and several parishes in North Louisiana have failed to identify her any further. I knew all the children and/or their families of Caleb and Amanda Greer, but never heard the name Rosa.

THE DESCENDANTS OF AQUILLA GREER, SR. 1719 - 1790

With all my effort and collection of much Edmondson data, I have been unsuccessful in identifying my Edmondson ancestors. I have found one that I am still pursuing by the name of Albert Edmondson, born 18 Jun 1807 in Tennessee and died 19 Mar 1886 in Comanche County, Texas. He had a daughter named Martha Edmondson, born about 1845 and one named Amanda Edmondson, born about 1849. This Albert also had a son named John, born 1830 and died in the War between the States. My Uncle, Earl "Buddy" Greer, related to me once after a trip with his wife and mother (Bertha Candler Greer) to meet our Tennessee Greers, that our Amanda Edmondson was from Tennessee; yet she and Martha were born in Georgia according to records that I have located. Albert Edmondson had a total of 3 wives and 19 children.

Beadie and Noah Parker lived in the following locations: Arcadia, Bienville Parish, Louisiana; Junction City, Arkansas; Jonesboro, Louisiana; Bernice, Arkansas and ended up West Monroe, Louisiana.

They had 1 child:

F i. Jessica Lynn PRICE.

Delona Greer first married Lee Johnson, brother to Cullin Johnson and Mattie Johnson. Mattie was the first wife of Charley Candler, father of Bertha Mary Candler Greer who was the wife of Delona's brother Thomas Joshua Greer. Lee fought in the Civil War and developed smallpox before he was discharged. He and Delona had about ten years together before he died. There were no children.

Secondly, she married James Thomas "Jim" Robertson of Elora, Tennessee. He was previously married and had two daughters; his wife died from complications of childbirth. He advertised for a wife and Delona saw the ad or someone told her about it; and she answered that ad. It was on a Christmas Eve in 1900 when he alighted from the train at the Arcadia depot. They met for the first time and left together to be married shortly afterwards in Elora.

Delona raised his two daughters and they had 7 children; among them, a set of triplets—a rare event for those days. All the children were raised as one close family.
THE DESCENDANTS OF AQUILLA GREER, SR. 1719 - 1790

The farm house where they lived was located in Alabama; but when the children reached school age, Jim built a big colonial style home for them in Elora, Tennessee, not far from the farm. Later they operated a store in Elora where some of the daughters worked even after the mother and father had died. This house is still owned by Leona Robertson, the oldest daughter, of Delona and Jim Robertson, but has been restored many times since Jim and Delona built it. Leona is, as of 1995 in her mid nineties, a very active member of her Baptist church in Elora and sent me a picture of her being honored as the oldest member of that church, with the Minister pinning a corsage on her.

This information comes by letter from Leona Robertson of Elora, Tennessee.

Lee Johnson fought in the Civil War, but I could find no records on him, too many Johnson's to identify him.

Delona married (2) James Thomas "Jim" ROBERTSON 1 Jan 1900 in Elora, Tennessee. He was born 23 Jul 1869. James died 18 Apr 1940 in Elora, Lincoln County, Tennessee, and was buried in Elora, Lincoln County, Tennessee.

They had 9 children:

678. F i. Jesse BERTAN HOWARD, born 8 Oct 1889. Jesse was one of the two daughters born to Jim Robertson and his first wife, unknown, who she was raised by Delona and Jim.

679. F ii. Mamie ROBERTSON, born 10 Nov 1897 in Alabama. She married Elliott R RYAN. Mamie was the second daughter born to Jim Robertson and his first wife, unknown, who raised by Delona and Jim.

680. F iii. Jessie Lorena ROBERTSON, born 28 Oct 1900 in Alabama. Lorena never married. She was the last of the nine children of Jim and Delona Greer Robertson to die.

As a young girl, she visited both her Aunt Jessie Harper and Uncle Arch Greer, sometimes spending most of the summer. Jessie Harper treated as the matriarch of the family after her mother and father died. Arch had two young daughters for her to pal around with.

Dolia died 12 Aug 1934 in Athens, Claiborne Parish, Louisiana, and was buried in Hurricane Cemetery, Claiborne Parish, Louisiana. She married Elijah Scott HOWARD. He was born 20 May 1869 in Athens, Claiborne Parish, Louisiana. He was the son of Tillman Wesley HOWARD and Elizabeth R MITCHAM. Elijah died 20 Aug 1930 in St. Joseph, Tensas Parish, Louisiana, and was buried in Hurricane Cemetery, Claiborne Parish, Louisiana.

The information dates of birth and death are taken from a photograph of the tombstone for J. Berton Howard, at Hurricane Cemetery.

Jesse Bertan Howard was a tall, stout man with black hair and light blue eyes. Judging from his signature on his draft registration card, he may have been left-handed. He gives his occupation as stenographer and bookkeeper.

On the 1910 census he was living in Bossier Village, Bossier Parish, Louisiana and working as a bookkeeper for a sawmill.

By 1912 he was living in West Monroe, Ouachita Parish, Louisiana and working for the Vicksburg, Shreveport & Pacific Rail Road. He married Carrie Williams whose father worked for the Monroe & Southern Rail Road. He was a homeowner and lived with his wife's mother, father, sister, brother, and grandmother.

By 1918 he moved to Shreveport, Caddo Parish, Louisiana where he was a bookkeeper for the La. Motor Co. He was living with his wife and daughter Doris and rooming in a hotel. Here he became ill with the Spanish Influenza and died two days before his 39th birthday. (From the research of Nancy Rinaudo of Shreveport, Louisiana, granddaughter of Bertan Howard.)

The birth and death dates for Jessie Harper, Charlie Anderson and James T. Harper are taken from photographs of their tombstones at the Hurricane Cemetery, located in Claiborne Parish, Louisiana.

Jessie Greer and her second husband, James T. Harper, owned a farm on the old Highway 80, between Gibsland and Arcadia, Bienville Parish, Louisiana. In the 1930 and 40 years, early every evening they could be seen sitting in their rocking chairs on the front porch until the darkness came. The old home site is still there; but the house has tumbled down from desertion and lack of care, but some of us family still like to go view it for the memories it holds.

Jessie loved her big family; and she was the one who kept tabs on all the brothers, sisters, nieces, nephews, cousins; and it was her home where they all would visit when they got lonesome for family.

Jessie had black hair, brown eyes, was tall with a big frame and obese in the later years of her life. It is my opinion that she must have favored her father, Caleb Greer from the military description recorded for him.

Jessie died at age 75 in a Shreveport hospital. Only one sister, Mattie Greer Candler and the two younger brothers, Arch and Lee Greer, survived her. At her funeral, many of the family were together for the last time; without her there was no one to keep them posted of births, deaths and other family events.

Charlie Anderson was killed when the wagon that he was driving through a river turned over on him and killed him instantly at age 29. (Telephone conversation between Ruby Gray Davis, a granddaughter, and Bea Greer O'Quin).

Jessie married (2) James T. HARPERS in Bienville Parish, Louisiana. He was born 19 Jan 1866. James died 30 Jun 1957, and was buried in Hurricane Cemetery, Claiborne Parish, Louisiana.

They had 2 children:

756. F ii. Martha Luda HARPERS, born 17 Aug 1915, died 29 Jun 1917, and was buried in Hurricane Cemetery, Claiborne Parish, Louisiana.

Arvin was four years of age, while at play in the back yard when he was crushed to death by a falling water tank.

Tommy Gray, born 1930 in Bossier City, Bossier Parish, Louisiana, died about 1942 in Bossier City, Bossier Parish, Louisiana, and was buried in Hurricane Cemetery, Claiborne Parish, Louisiana.

Tommy Gray, age 12, lived in Bossier City, Bossier Parish, Louisiana, with his parents. One afternoon about 2 P.M. according to a story by his friend, Russell Stewart, also 12 years of age, he rode him on his bicycle to the woods along the Red River just above the bend north of the Texas Street Bridge. Tommy got off the bicycle; and Russell rode on. When he returned for him a short time later, he found his clothes on the bank but could not find Tommy. After calling out to him "over and over", Tommy did not answer. Russell got frightened and rode home and told his mother; they went back to look for him. It was not until Tuesday morning that the police had a patrol boat and dragnet moved out of Cross Lake into Red River to aid in the search for Tommy's body. About three or four days later, his body was found about three miles down stream and was recovered by a black man fishing in the river. Tommy was slightly crippled from polio but a good swimmer; he probably was pulled under by one of the swift currents in Red River.

As a young lad, he spent the summers with his grandmother, Jessie Greer Harper on a farm not too far from our old Tom Greer home place. Tommy and I and my sister, Marie Greer, spent many hours playing under the pecan tree in the front yard; he helped us make mud pies and bake them on a rock in the hot North Louisiana summers of 1940 and 1941. He could climb to the top of that pecan tree with no problems going up or down; but my sister and I could only climb up.

My Uncle T. J. had to come help us get down out of the tree, only to get reprimanded by our mother and grandmother. Tommy was a kind, polite, gentle young boy who was missed by all who knew and loved him; I for one.

L. Crawford. Sworn to and subscribed before me this 28 day of Nov. A.D. 1910. E. H. Fortson, Clerk D.C. A true record of the above mentioned deed.

There is a land deed in Bienville Parish. Mrs Frankie Webb Brice and husband W. C. Brice to T. J. Greer resident of Claiborne Parish. This land today is still in possession of Greer descendants of Thomas J and Bertha Candler Greer. This property is referred to as "the old Tom Greer home place".

It is family lore that Thomas Joshua Greer took his life by drinking a poisonous substance used around the farm at the age of 43; he left a widow and nine children, eight still living at home. His name was never mentioned nor anything discussed about his life and death within his immediate family, until Bertha Greer grew older; in her eighties one day one of the granddaughters noticed that she had hung his oval picture on the wall of her bedroom. When someone commented about the picture, she hung her head and shyly said: "that was the prettiest man". He was forgiven but the hurt was always there.
Some say he was an alcoholic and went often to New Orleans on a boat that sailed from Shreveport on the Red River connecting with the Mississippi River to New Orleans to purchase his whiskey by barrels and went to bed at night with a jug by the bedside. Others say he was a very handsome man and attracted to other women. With much study and thought through the years, it is my personal belief that he suffered with severe bouts of depression, which has been inherited by some of the later generations. Whatever, the reason he chose death over life is buried in the family cemetery with him; and that is for the best for all who knew and loved him. It was Jesse Greer Harper, his sister, that blamed her parents for spoiling all four of her brothers. It appeared that she may have been a bit jealous of the attention the boys received; however, she probably was right. They were noted to leave the farm chores to the father and "share croppers" and "stayed in the road" always dressed in white shirts and dark slacks, which were laundered and ironed by the older sisters. A couple of them were noted to have been fined for "boot-legging" activities, with heavy fines paid by the father, Caleb T Greer.

Each year, because my Grandmother Bertha Greer, placed flowers on his grave and the graves of all the other related Greer's in the Hurricane Cemetery, my sister and I go and do the same in her honor and memory.

Greer family lore is that Mattie Calcote died from complications of diabetes and childbirth. The infant baby died also.

Thomas married (2) Bertha Mary CANDLER 15 Sep 1901 in Bienville Parish, Louisiana. From copy of Marriage for Tom Greer and Bertha Candler. She was born 28 Jul 1882 in Bienville Parish, Louisiana. She was the daughter of Charles H CANDLER and Angie Izora BREWER. Bertha died 27 Oct 1983 in Homer, Claiborne Parish, Louisiana, and was buried 29 Oct 1983 in Hurricane Cemetery, Claiborne Parish, Louisiana.

They had 9 children:

Bertha was the oldest daughter of Charles H. Candler and Angeline Brewer, both from pioneer families of Bienville Parish, Louisiana. Her entire life was spent on a farm in the approximate area of her birth, in Bienville Parish, Louisiana. In 1923, Tom Greer bought a farm located between Gibsland and Arcadia, in Bienville Parish, where she lived to raise her nine children and many years after they married and left home she was alone with the nearest neighbor about 3 miles away. She was a remarkable, fearless woman, never afraid of anything. When she grew older, some of the children talked her into moving into town near them; thus she lived at different times in Hodge, Arcadia and Cotton Valley, where three of her children lived. They thought they were taking care of her but she insisted she pay her own way. She was a woman who could change her entire life style, move to another town, and accept whatever fate prevailed without any fanfare or worry. She was never known to say "I wish" or "what might have been" or "if only"; her life seemed content no matter what came to pass. She was a positive person, never a complaining or nagging one; always upbeat. If Grandmother ever cried, no one saw her, yet I am sure there were times when left alone she shed tears of sadness when she saw 7 of her 9 children precede her in death.

She took care of the house, cooking, washing and quilting, a love as well as a necessity. She worked the garden, the pea and butter-bean patches, planted the potatoes, both Irish and sweet. With the help of the other women in the home, she canned and dried fruit and planted for the cold North Louisiana winter months. Another chore was the milking; others could help with the milking but not tending to the milk afterwards; this was a chore that was hers only; she had a system of doing everything. She did the churning also, and I can never remember a time without that golden rich butter.

She never actually plowed the fields, and did little tending to the crops in the field. The men did this but she advised them always of what had to be done and was always in the middle of scheduling and running everything. She would often take them fresh buckets of water to drink as they worked far from the house in the fields. Life was hard in those days; but she never complained.

As a teenager I spent many summer weeks with her and learned much. She could look at the sun and tell the time. We would go into the woods and pick blackberries and wild plums. Until this day when I buy jelly or preserves I always remember how that homemade mahaw jelly or the fig preserves tasted. Neither are marketed today.

At about age 100, she was watering and tending her dahlias, when she fell and broke a hip bone; she was bedridden for awhile; neither of her two remaining daughters were strong enough to care for her with the lifting, etc; so she entered a nursing facility in Homer, Claiborne Parish, Louisiana; and when one of her granddaughters was visiting her shortly afterwards, she was telling her about them placing her in a home; but she said, "That's ok". She had even accepted that as "what had to be" with a smile and no complaint.

She died at age 101, still alert and calling all her children and grandchildren by name. The women in the Candler family contribute their longevity to Hannah Candler who was of Irish descent and came to America from England and lived to be 102.

In the Charles and Angie Candler Bible, her name is listed as Marie Bertha Candler. She was the oldest of their children. And on the day of her death, it was a sad time just knowing even at age 101 plus, that she would not be around to talk with all the descendants anymore or just be there for them.

THE DESCENDANTS OF AQUILLA GREER, SR. 1719 - 1790

777. M ii. Jesse Lee GILMER, born 10 Mar 1920, died 2 Jul 1965 in Jackson, Hinds County, Mississippi. Jesse Lee was deserted by his father, Willie Jacks when he was a small lad. He never knew him; and when his mother married George Dewey Gilmer, he took the name Gilmer also. He was very close to his step-father. They worked together for many years.

In World War II, Jesse Lee was in the African Campaign, rank of S/Sgt in U. S. Army.

Jesse Lee, known as "Sonny" by all his Greer family, was killed in an automobile accident in Vicksburg, Mississippi on Friday, 2 July 1965, at 7:15a.m. He was enroute from Alexandria, Virginia to Bossier City, Louisiana to visit with his parents. He had relocated to Alexandria about four years earlier when he was married for a second time.

Birth and death dates are from a photograph of his tombstone in the Hillcrest Cemetery, Bossier City, Louisiana.

+ 778. F iii. Myrtis GILMER.

+ 782. F iv. Mary Lucille GILMER.

The marriage data for William J Jacks and Tometta Greer was found in Volumn L. (1916 - 1918), page 397, 1916 - 1918, BIENVILLE PARISH MARRIAGES, Arcadia, Louisiana. Her birth and death data is from a photograph of her tombstone at Hillcrest Cemetery located in Bossier City, Louisiana.

Tometta was fifteen years of age when she married twenty-one-year-old Willie Jacks of Bienville Parish, Louisiana. He worked for the railroad, company unknown; but they lived in a house near the railroad tracks in Farmerville, a small town in Union Parish, Louisiana. When Lucille, the youngest of her four children, was only a few weeks old, Willie Jacks left home never to return. They were driving home from Farmerville at that time. She sent word to Tom Stewart, a long time Greer family friend, to tell her brother Basil to come get her. Basil and Tom Stewart, a faithful friend of the family, went in a wagon and moved her and the four children back home to Arcadia. In Bienville Parish. Willie Jacks never saw his children again nor did he ever make any attempt to contact them or Tometta. These four children were reared by Tometta and her second husband Dewey Gilmer, whom they called Dad and, was a wonderful father to them, as well as her own children.

Tometta was named for her father Tom Greer and a family friend named Fred. When her husband Willie Jacks deserted her in probably 1927, she moved with her four children back to her mother's home, which already included her other 8 siblings, and Ethel, the wife of Basil.

A first cousin, Essa Gray, who lived in Bossier City, Louisiana played match-maker by introducing her to Dewey Gilmer, a recent widower who lost his wife in childbirth or shortly thereafter. He had three children: Violet, Beatrice, Wilmer and Charles. Charles was raised by someone else.

They were blessed with three children of their own: Thomas, Mary Lou and Bobby. In this family with the three sets of children, there was complete harmony and kindness. The words "yours, mine or ours" were never uttered when the children were considered. They were raised as one big family.

Tometta died about eight months before her mother Bertha Greer. She died from a vascular hemorrhage. Her death certificate obtained from Louisiana State Board of Health, Vital Statistic Bureau, New Orleans, Louisiana showed that she had arterio-sclerotic heart disease.

She and Dewey had a camp on Bistineau Lake; and both loved fishing. He developed bad eye sight as he grew older and frightened her the way he motored the boat. Helen once said you could hear "Mama yelling at Daddy all over the lake". Later they had "his and hers" boats; and she followed behind him in her boat but the fright of him running into a tree stump was ever present. One never went to visit without coming home with fresh water fish. They were one swell family.

OBITUARY from SHREVEPORT TIMES - Bossier City, Louisiana. "Funeral services will be held for Mrs. Tometta Greer Gilmer, 80, Bossier City at 2:30 p.m. Saturday July 3 at Rose-Neath's Bossier Chapel. Rev. Earl White, Pastor of the Shady Grove Baptist Church and Rev. J. R. Hearron, Pastor of the Central Park Baptist Church, will officiate. Burial will be at Hill Crest Cemetery. She died at 1:50 a.m. Thursday July 2, 1982 at the Bossier Medical Center after a lengthy illness. Mrs. Gilmer, born in Arcadia, Louisiana, and a resident of Bossier City for 54 years, was a member of the Koran Baptist Church. She and Dewey had a camp on Bistineau Lake; and both loved fishing. According to the Social Security Death records, William J Jacks died 3 March 1972, at the age of 75 at Haiti, Pemiscot County, Missouri. He was listed as a laborer and single. Cause of death was bronchial pneumonia; one leg had been amputated three years before death due to gangrene.

It appeared that he lived a very lonely life; one can only wonder if he ever thought of those four young children he abandoned so many years before. If there were ever any regrets, only he and the Lord knew.

An ambulance hit him, killing him instantly. He had accepted Christ as his Lord and Savior that Sunday morning in church.

+ 800. F ii. Dorothy Marie GREER, born 1 Nov 1930.

Basil had blond hair, blue eyes, fair complexion, tall and slim physique with height, 6 feet 2 inch; weight, 140 pounds. Most of his co-workers called him "Slim". His mother and siblings called him "Son".

Basil was Methodist and was baptized in a country church about two miles from his childhood home. The name of that church and the name of the preacher are no longer extant. He played the organ by ear.

Basil was 18 years of age when his father died in 1922. Hard times followed for the mother and nine children. It was his responsibility as the eldest son to help provide for the six remaining children still living at home and the mother. He was a farmer and loved the earth. One of his favorite past-times was on Sundays when he walked through the plowed fields to look at the cotton, corn and various other crops. Almost all the food supplies were grown with only the basic staples purchased at the J. W. Deas country store and paid for on a yearly basis when the crops were "brought in". Even after he left home to seek work in the oil fields of Texas, New Mexico and Arkansas, he was able to keep the farm free of debt, paid the homestead taxes yearly and bought, the mules, livestock and hogs until 1940, at the time of his death.

The marriage information is taken from the original marriage records in my possession, Vol. P BIENVILLE PARISH MARRIAGES 1925-1927, Certificate 534, issued in Bienville Parish, Louisiana by the Clerk of Court.

After Basil and Ethel were married, they moved into the Old Tom Greer country home located about mid-way between Arcadia and Gibsland in Bienville Parish. Already living there was Basil's mother, two brothers and two sisters. In an already crowded home, both their daughters Bertie Lee and Marie, were born and spent the first few years of their youth there. They were affectionately known as "Toobie" and "Sissy", a name given them by their father and used by most of the Greer relatives, including the Grandmother who called them that until her death in 1983, at the age of 101 plus.

Like most young women of her day, Ethel dreamed of her own home; so Basil built a three room cabin on the northern boundary line of the 120 acre farm. With her many sewing talents, and love of flowers and cooking, she made that small cabin a beautiful haven. Basil farmed the 120 acres, and like most all farmers of that day raised milk cows, hogs, and chickens. Ethel canned foods and helped with all the chores.

In early 1933, he moved Ethel and the girls to Hobbs, New Mexico, where he went to work in the oil fields to provide not only for his own family but also the mother, brother and sister left at home. Life then became one move after another following the oil fields of Texas, New Mexico and Arkansas. By 1936, Bertie Lee and Marie were enrolled in school, changing schools many times in one school-year. In 1939, the decision was made to rent a place in Arcadia near the school where Ethel and the girls lived during the school year, with Basil coming home whenever possible. This arrangement was brief; Basil came home the first week of December in 1939, with high fever and was never able to leave his bedside again.

After the first of the year, about the second week of January, he was transported to the Highland Sanitarium in Shreveport, where he was diagnosed with typhoid fever and died there a few weeks later. His brief life lasted a total of 36 years, five months and twenty-five days. He left a 28 year old widow Ethel and two small children: Bertie Lee, age 10; and Dorothy Marie, age 9. (Death Certificate File No 209, Registration 1964, Bureau of Vital Statistics Louisiana State Board of Health, Baton Rouge, Louisiana).

The birth certificate, a delayed one issued 14 July 1969, by the Arkansas Department of Health, Bureau of Vital Statistics, shows Mary Ethel Chrisman was born in Arkadelphia (Rural), Clark County, Arkansas. She came with her mother and sister Beulah to Louisiana to help her brother Charlie and his wife pick cotton. At that time Charlie and Jeffie Chrisman were living on the Arch Greer farm; Jeffie was a sister to Mamie, wife of Arch. It was there that Ethel met Basil Greer, nephew of Arch Greer, living on a nearby farm. They married within the year and had thirteen years together before Basil died. She then clerked in a store to help supplement the small Social Security checks that she got for herself and each child. They were some of the very first recipients to receive Social Security benefits, drawing their first check dated February 1940; the girls received monthly individual checks of $17.35 each and Ethel's was $34 and a few cents.

Ethel was to marry two more times; first to William Roberts KENNEDY on 11 February 1942. He was an older man who loved and cared for her and her two daughters, Bertie Lee and Marie. And Ethel worked together managing a store for a businessman from Arcadia, Louisiana, who had several stores located in the Bienville, Claiborne and Webster Parishes area. He adopted the GREER family as his own; and they included him in all the "get-togethers". Always on Sunday in the 1940s, at least five or six of Tom and Bertha Greer's children with some of their family, if not all, would gather.
for lunch at that old home site. Pa Kennedy, Ethel, Bea and Marie, were among those attending; the men usually played cards out under the sweet gum tree in the front yard until the sun started setting; the women sat around on the front porch talking, walking through the garden and gathering something from the garden or fruit trees to take home.

William Kennedy died at 137 Roselyn Park Place in New Orleans, Louisiana, at the home of Wilson and Bea O'QUIN. It was there that he had come to receive treatment from the noted Dr. Alton A. OCHSNER of the OCHSNER Hospital Network. (According to the death certificate No.55 911. State of Louisiana, Parish of Orleans, Office Of The Registrar of Births, Marriages and Deaths, he died from Cardio Respiratory Failure caused from Multiple Myeloma with severe anemia).

The third marriage of Mary Ethel CHRISTMAN GREER was to William Randell GRICE on 10 June 1957, of Mansfield, De Soto Parish, Louisiana, where they lived until his death on 20 March 1969. According to Certificate of Death File No. 117 4 808, State of Louisiana. State Department of Health, Bureau of Vital Statistics, William died from Myocardial Infarction. He was walking in the yard early one morning when he fell to the ground; death was sudden.

Ethel was not comfortable living alone so far from both daughters who had careers and children in school, making it impossible for them to visit as often as she desired. In 1971, she relocated to New Orleans to live with her daughter, Bea and husband Wilson O’Quin. In 1987, she was diagnosed with Alzheimers. Wilson had passed away in 1986, and it was almost impossible to hire a trustworthy sitter to stay with her at home; so for five years before Bea retired, she was a resident at the Woodland Village Nursing Facility, nearby. Soon after retirement in Dec 1979, Bea brought her home as an invalid to care for her where she could be near her loved ones for the rest of her life. (DHH - OPH State of Louisiana Death Certificate 605819).

They had 2 children:

William Basil, namesake of his step-grandfather, William Kennedy, and his grandfather, Basil Henry Greer, was also a premature (7-month) baby, weighing 4 pounds, 3 ounces at birth. He was 21 inches long. Because his weight was near 5 pounds two weeks after birth, his parents were allowed to take him home; but at 21 days after birth, he developed the streptococcus bacteria and died within 19 hours at the Old Hotel Dieu Hospital in downtown New Orleans. The autopsy report showed infection throughout his little body and underdeveloped lungs. Today, the diagnosis would be identified as SIDS (Sudden death syndrome). He was born in Baptist Hospital, Napoleon Street, New Orleans, Louisiana.

Basil was 25 and Ethel, 17 years of age at the birth date of Bertie Lee. She was born at 5 A.M. at the old farm home between Gibsland and Arcadia, Bienville Parish, Louisiana. In the early hours of the morning, Basil went into Arcadia to bring Dr. J. L. Wade, the Greer family doctor for many years, for the delivery. She weighed 9 1/2 pounds, and was bald-headed until almost a year of age. She was affectionately called "Toobie" by her father and most other members of her Greer family, including her grandmother Bertha Greer until her death in 1983, at age 101.

Bertie Lee accepted Christ at the age of 11 during a revival on the night of Wednesday, 16 July 1941, at the Gibsland Baptist Church, Gibsland, Bienville Parish, Louisiana, and was baptized on 22 July 1941 by Pastor Hogan Hunter, Minister of the church. She has been a member of the Oak Park Baptist Church, New Orleans, Louisiana since 1963. Her husband and son were baptized in Oak Park Baptist Church.

Bertie Lee was retired as Manager of Computer Operations on December 31, 1989, completing 31 years of government service with the Federal Food and Drug Administration, Health and Human Services, New Orleans District. In 1980, at the Federal Food and Drug Building in Parklawn, Washington D. C., she was awarded the Commendable Service Award for "outstanding meritorious service", the highest government award given to an individual. Some of her computer programs are still in use today, (1999). Her retirement was taken in 1990 because of serious eye problems, a condition known as macular degeneration, in addition to a tear in the macular of the left eye.

Bertie Lee was married 32 years to Wilson Avery O'Quin, Jr at the time of his death on 24 March 1986, the entire time residing across the Mississippi River in Algiers, known as the West Bank of New Orleans, in Orleans Parish, Louisiana.

Her hobbies are Bible study and church work, flower gardening, and genealogy. A neighbor once told the members of her Sunday School Class who were having a party at her home, that every time she saw a beautiful yard full of blooming flowers, she would always remember Bea.

According to his discharge papers, Wilson was born 30 November 1918, in Bunkie, Louisiana, and enlisted in the U. S. Navy on 9 March 1936, at age 17. For the entire service during WWII, he served intermittently on two ships: Battleship Tennessee and Training Ship Aragon, the ship he was assigned to at the time of the Japanese attack on Pearl Harbor. For the remainder of his life he was to suffer the effects of that terrible war. On 1 March 1951, he was released from active duty and transferred to the temporary disability retired list; and on 1 September 1955, he was permanently retired due to service connected disabilities with 16 years of active military service. His last duty was Chief Commissaryman at the Pensacola, Florida commissary store. Wilson held 2 Good Conduct Medals (2 stars), American Defense Medal(1 star), Asiatic Pacific Theatre(4 stars), American Theatre Medal, Victory Medal WWII, and European African Middle Eastern Theatre. The Pearl Harbor Medal was issued to the family in 1991.

Wilson was Methodist as a young lad, but was never active in that church. He and son Wilson, Ill accepted Christ in January 1963, in the Oak Park Baptist Church, New Orleans, Louisiana, where he was a member until his death in 1986.

Wilson died at 1:30 P.M. on Monday, March 24, 1986, at his home 2555 Holiday Drive, Westbank, New Orleans, Louisiana, following a four and one-half year comatose condition resulting from hip surgery after a fall in the home on 15 September 1981. The death certificate lists time as 3:10 P.M., the actual time the coroner's investigation was completed. Cause of death is listed as congestive heart failure, hypertensive cardiovascular disease and chronic urinary tract infection.

Funeral services were held at the Mothe Funeral Home Chapel at 11 A.M. on Wednesday, March 26, 1986, with Dr. Russell M. McNair, Pastor of Oak Park Baptist Church officiating. A graveside service was conducted by Dr. Arthur Edwards, Assistant Pastor of Oak Park Baptist Church, at the White Chapel Church Cemetery, Gold Dust, near Eola, in St. Landry Parish, where three Wilson Avery O'Quin's: grandfather, father and son are buried. The church and cemetery are located on Bayou LeBouef, within view of the old O'Quin family home.
Wilson is survived by a son Wilson Avery O'Quin, III, and three grandsons: Jonathan Avery O'Quin, Matthew Ryan O'Quin and Joshua Anthony O'Quin.

They had 3 children:

Wilson was a premature baby, weighing only 3 pounds, 14 ounces at birth in the Baptist Hospital, Orleans, Parish, Louisiana. He was in an incubator from 23 August to the latter part of October before he could be taken home.

He accepted Christ and joined Oak Park Baptist Church at age 9 and was baptized by Rev Nelson Price, Minister.

He and Cathy and the boys live on the West Bank of New Orleans in Algiers, Louisiana. Wilson works for Shell Chemical Company. In early 2003, he was transferred to the Shell Plant at Geismer, Louisiana. When the Taft Plant relocated to Holland.

Dorothy, like her father Basil GREER, is blonde with hazel eyes and is slim about 5'2" in height.

Dorothy is Baptist and has been a member of the First Baptist Church of Lake Charles since about 1965. She and her sister Bertie Lee (Beg) accepted Christ at the Gisland Baptist Church, Gisland, Bienville Parish, Louisiana on Wednesday, 16 July 1941, and were baptised by Pastor Hogan Hunter on 22 July 1941. She also was a member of the Haynesville Baptist Church, Haynesville, Claiborne Parish, Louisiana and served as Church Secretary for a number of years before moving to Lake Charles.

Dorothy was employed by PPG Industries for 20 years and was retired in 1989.

The dates of birth and death for Carl Edward Batts are taken from a photograph of his tombstone in the Old Town Cemetery, Haynesville, Louisiana.

Carl was always young; even his looks defied his age. He was one of the star football players for Haynesville, Claiborne Parish, Louisiana during the 1947-48 school term and always loved the sport. The pall-bearers at his funeral in Haynesville were members of his high school football team. He also enjoyed hunting and fishing. He never met a stranger and could be either a good conversationist or a good listener.

Carl was an only child when his mother, Alma Langsford Batts married Jay Kaylor of Haynesville, who had two older boys, Worth and Warren Kaylor. The three were considered as brothers and remained close even after marriage and many miles separated them.

Carl was a boiler-maker for Cities Service Company in Lake Charles at the time of his death due to Myocardial Infarction as stated on the death certificate. He had no heart problems prior to his death. He was survived by his son, Dennis Wayne Batts, and two grandchildren: Paul Wayne, age 3, and Julie Marie, age 20 days.

She had been temporarily living in Natalbany, Louisiana with her oldest daughter, Mary Lee Green Latino.

Jessie Fay had a medium frame, probably about 5' 6"; her blonde hair, blue eyes and a medium dark complexion with few wrinkles and beautiful skin caused many to take a second look. Of her 3 children, Grace was the only one who looked like the mother.

The dates of birth, marriage and death are taken from a photograph of the tombstone of Gordie T. Green.

She died at age 52 from brain cancer in the Minden Sanitarium, Minden, Louisiana. It is known that she had bouts with several different cancers before she was diagnosed with brain cancer.

Rena died in the Minden Medical Center, Minden, Webster Parish, Louisiana from terminal pneumonia caused by Multiple Myeloma. About eight months before her death, she fell and broke her arm; it never healed and the bone cancer rapidly spread.

She was a very neat person, and worked in several lady's shops in Minden, Louisiana. She loved to cook and she and my mother, Ethel Greer, were always exchanging recipes.

The following is taken from the obituary which appeared in the Shreveport Times on 8 December 1962: "City Officer at Minden Dies at Home - Minden--A patrolman for the city police department and a long time resident of Minden died at his home, 507 Slack St. Bryant (Red) Hammontree, 61, was found dead by his wife at 6:45 A.M. today. Webster Parish Coroner Dr. T. A. Richardson stated Hammontree died about 4 A.M. of a heart attack. Hammontree was born at Dubach, Louisiana, Feb 24, 1901 and had lived here (Minden) since 1942. He had served on the police force here the past 10 years. Hammontree had suffered several heart attacks in recent months and had been in ill health for some time. Funeral rites are pending at Green-Kleinegger Funeral Home in Minden. He leaves his widow; one son, L. T. (Dick) Hammontree and two granddaughters, all of Minden."

Uncle Bryant always voted for a "Long" when one ran for any Louisiana State or Federal position. He liked to argue politics and always following Sunday dinner he would push his chair away from the long dining room table at Grandmother Bertha Greer's and start up praising the Long's ( Huey or Earl, both former governor's of Louisiana). His love for them was not unanimous in our big family. But when he started his praise, that scattered all the men from the table; and the children got to seat themselves at the table and eat. I miss those old days. (From my memories of the happy family get-togethers every Sunday during the 1940 and 1950 era).

They had 1 child:

M i. SLAUGHTER, born 14 Jun 1940 in Homer, Claiborne Parish, Louisiana, died 14 Jun 1940 in Homer, Claiborne Parish, Louisiana, and was buried in Arlington Cemetery, Homer, Claiborne Parish, Louisiana.

Nell and Bob Slaughter owned a second home on Lake Claiborne, in Homer, Louisiana, where a few of the Greer reunions were held in past years. Nell had never even tried to cook until they moved out on the lake and she retired after having worked for the Bell Telephone Company for many years. Uncle Bob was a good cook so there was no need for her to learn.

She was driving along a country road and saw an old bar about to tumble down; inside was an old rounded oak bar with stools around it. She somehow got that bar, took it to the lake, restored it and built their lake home around it. It was in the center of the house with dormitory like rooms on each side. And she started cooking. Because of her love was fishing and hunting she was never home. If one went by to visit, she was off in the boat in the middle of the lake somewhere fishing, with an old straw hat covering her head and face cream an inch thick on her face and neck to keep her skin from drying.

And then she aged over night, it seemed. She lived alone in her home in town as long as she could take care of herself. In due time, she had to be placed in a nursing facility where she breathed her last breath on a Friday, July 14, 2000, when she went home to join her 8 siblings reunited with the dear mother and father once more.

The following is a memorial given by her nephew. Dr. Tom Greer, at the service for Nell Greer Slaughter:

MEMORIES AND ANTICIPATION: A TRIBUTE TO AN AUNT, JULY 16, 2000.

INTRODUCTION My father was the next to the youngest of the nine. He was the one born after the youngest. All of them grew up on a 120 acre hill farm in Bienville Parish, just off U. S. Highway 80 five miles southwest of Arcadia and five miles northeast, as the crow flies, from the parish road where Bonnie and Clyde became folk heroes. My father died before he reached thirty and saw only that part of the twentieth century prior to the second World War. She, on the other hand, lived out the century, having seen, depression, war, social upheaval and changes from agrarian to urban living. Both of them, however, were part of the Candler-Greer clan which migrated across upland South from Georgia and Alabama and settled in the red clay hills of North Louisiana, a terrain not much different from where they had been. My Dad was the second one of the nine to die, an older brother affectionately known as Son, died the year before. She is the last one to die, and her dying marks the end of something, maybe not something noted by the world, but something important to me and maybe the other cousins of the Candler-Greer clan. I am finding in the midst of the ten after the third score, with no promises aside anticipation. Retrospect, not prospect, seems to dominate much of my thinking and makes what was seen more important in defining who I am than what might be. Aunt Nell, along with Aunts: Lillian, Esther, Rena, Jessie Faye, and Tometta, coupled with the Uncles: Bud and Son and my father, T. J., have passed on a legacy for us, one which begins with a sense of place and continues in the values and ideals that continue to shape our lives and the lives of our children and grandchildren. What they gave to us on the platter of our lives is what comes to mind now that the last is gone. I recall in my youth and early adulthood how many times we gathered during the year for some celebration - Grandma's July birthday, graveyard working on the Saturday before the fourth Sunday in July at Hurricane Cemetery every year. Thanksgiving. Christmas and Easter. During those years, I defined myself in terms of those events and the people I saw there. It never dawned on me that such gatherings would not last and the people there would not be around forever. Of course, I knew they wouldn't, but I only knew it intellectually, not emotionally. Today I know it emotionally. Now, they are all gone, but what is it they pass on to us? First and foremost for me is what some might call ingenuity, but I would like to call it the ability to survive. That 120 acre farm was almost self-sufficient, except for some staples of coffee, sugar and flour, nothing came from the store that went into the hungry mouths of that large household. The land was not rich, and it grew mostly sage brush and pine trees, but they managed to produce enough cash crops of cotton and corn to buy what they needed, to feed the livestock, and keep the family together for another year. From those clay hills and poor soil, they found the crops that would bring the most production, and they survived. That ability to survive is important to me. In the midst of my journey, often one in the depths of despair and
838. Thomas Jefferson "TJ" Greer (772. Thomas⁸, 642. Caleb⁸, 641. Jesse⁷, 421. Delilah⁶, 8. Mary⁵, 7. Aquilla⁴, 6. John⁴, 5. James³, 1. James, Sir) was born 29 Oct 1916 in Arcadia, Bienville Parish, Louisiana. Thomas died 10 Jan 1943 in Minden, Webster Parish, Louisiana, and was buried in Hurricane Cemetery, Claiborne Parish, Louisiana. He married Mabel Dee Volentine 23 May 1936 in Arcadia, Bienville Parish, Louisiana. She was born 11 Dec 1919 in Homer, Claiborne Parish, Louisiana. She was the daughter of Grover Franklin Volentine and Elvie Dee Carter. Mabel also married (2) Floyd Steve Williams, Jr. He was born 1915. Floyd, Jr died 1970 in Homer, Claiborne Parish, Louisiana. Marriage information for Thomas J. Greer and Mabel Volentine is from BIENVILLE PARISH MARRIAGES, Volume U (1936-1938), page 34, Arcadia, Louisiana.

"TJ" accepted Christ as his Lord and Savior at the Gibsland Baptist Church, Bienville Parish, Louisiana on Thursday, July 17, 1941, and was baptized by Pastor Hogan Hunter on 23 July 1941. Baptized with him were his wife, Mabel Volentine Greer, his two nieces, Bertie Lee Greer and Dorothy Marie Greer, daughters of his deceased brother, Basil Henry Greer. Mabel was Methodist but when "TJ" wanted to join the Baptist Church, she decided to rededicate her life to Christ and was baptized in the Baptist faith with him. Less than two years, on 10 January 1943 at the age of 26 years, two months and twelve days, he departed this life to abide in his heavenly home promised by Christ that day in 1941.

"TJ", the youthful, younger son of Thomas Joshua and Mary Bertha Greer, died in the Minden Sanitarium, Minden, Webster Parish, Louisiana on 10 January 1943 from TNT poisoning, resulting in a condition known as "Agramlocytosis" as listed on the death certificate. He was one of the civilian heroes of World War II, not in the Military Service but in the Ammunition Depot where he was employed making bombs and shells used to fight the enemy. Just three years earlier his older brother, Basil had died at age 36. "TJ" was just 6 years of age when his father Thomas Joshua Greer died.

Those who knew "TJ" loved him; he was pleasant and mild-mannered. He and his brother Basil had many of the same features: light brown or blondish hair, blue eyes, medium complexion. TJ liked to strum on a guitar and at one time, played with a neighbor, Billy Linfield, in a country band.

As a young lad, it was related that he would rather stay home and plow the fields, pick cotton, or any farm chore in order to stay home from school.

Mabel also married (2) Floyd Steve Williams, Jr. He was born 1915. Floyd, Jr died 1970 in Homer, Claiborne Parish, Louisiana, and was buried in Arlington Cemetery, Homer, Claiborne Parish, Louisiana. Mabel Volentine Greer accepted Christ as his Lord and Savior at the Gibsland Baptist Church, Bienville Parish, Louisiana, and was baptized along with her husband, T. J. Greer, on 23 July 1941 by Pastor Hogan Hunter.

Mabel was a young 17 year old when she married "TJ" and he brought her home to the old Tom Greer home place in Bienville Parish, Louisiana. She learned to sew, crochet, quilt and cook from her sister-in-law, Ethel Greer, wife of Basil.

Also in May 1957, she graduated as valedictorian of her high school class; and that fall attended Northwestern University in Natchotches, Louisiana, where she received her Bachelor of Science in Nursing. Her year of practice was at LSU in Shreveport, Louisiana.

Her employment over a period of about 30 years included the Homer Hospital, Gladney-Haynes Clinic, and the Claiborne Parish Health Unit, serving as supervisor, for a period of 24 years in 1999, when she took leave to care for her ailing husband, Lynwood.

Ann and Lynwood both were members of the First Baptist Church in Homer.

by Homer Memorial Hospital, then the Gladney-Haynes Clinic, before becoming a public health nurse in 1975. It was at the home of Lynwood and Ann that the Tom and Bertha GREER reunions were held annually on the Sunday prior to Labor Day, after Bertha CANDLER GREER died in 1883.

The research data for the Calcote and Melton families was received in a letter from Mrs Lucille Melton (Emma Lucille Calcote), dated July 22, 1980, Shreveport, Louisiana.

The following information is from the research of Marcie Melton Masterson, of Houston, Texas, granddaughter of Homer Doster Melton, Sr. She also furnished the data on the later generations of Homer and Lucy Calcote Melton.

Homer was the sixth child born to E. B. and Carrie Melton.

Homer was called "Pop" by all his grandchildren and was a good grandfather. He would patiently play cards or games with them, or sit on the back porch playing his "juice harp" or making bird calls. He was great at that; and the birds would answer him back. He also took them fishing.

Homer fought in World War I. His shoulder was broken while in battle; and he lay on the battlefield overnight before he was found and brought to the medics. After the war he was shipped home and ended up arriving in Arcadia in the middle of a dark night. He had to walk several miles by himself and he was lonely and scared. As he neared home, one of the young field hands was up and about and called out to him: "Is that you Missa Homer?" Of course, he was overjoyed to hear a human voice.

Homer worked at several jobs over the years and had trouble with some because of his poorly healed shoulder. He was most successful in carpentry, and after retiring he became a school crossing guard. He was a Member of the American Legion and the Masonic Lodge.

Homer died of cancer at the Veteran's Administration Hospital in Shreveport, Caddo Parish, Louisiana.

Copy of marriage record from Clerk Of Court, Bienville Parish, Louisiana Marriages 1900 - 1908, page 12. The following information was furnished by daughter Lola Massey Pendery: "Alice Greer had brown eyes, dark brown hair, olive skin, 5' 1/2 " height - I remember she was very religious, a happy spirit and very lovable. She sang alot and was a wonderful mother and wife. I was eight years old when we lost my mother. She spoke to each of us before the end came and I remember so well her last words as she smiled the most beautiful smile and uttered: 'Oh Papa, listen at me singing to Jesus.' When I have doubted as we must all at times, those words make my faith strong again."

I have a photoraph of Alice and G. D. Craighead when they were first married. Her brief life was one of much tragedy; she believed in the Lord and his promises and I believe that is what sustained her through the sad times; but I hope she found some happiness with Mr. Massey and her three daughters before she went to her eternal home.

Alice died from typhoid fever at age 35.
The dates of birth and death of Dick Craighead are taken from a photograph of the tombstone for George Dixon Craighead. He was buried in the Craighead Cemetery, located at the Craighead homestead site between Arcadia and Homer, Louisiana.

At 3 o'clock in the afternoon of Friday, 21 October 1904, a horrible tragedy took place 12 miles southeast of Homer, Claiborne Parish, near a community known as Marsalis. Mrs. I. A. "Mollie" McKee and her 7-year-old son, Thomas Leslie McKee, were brutally murdered in their home with a younger son between 2 and 3 years of age left unharmed. Her throat was cut and the head was almost severed from the body, as was that of Thomas Leslie. Mollie had also been shot with a rifle with the ball passing entirely through her body; and her hand was also cut indicating that a struggle had taken place. The two bodies were found side by side on the floor and between them lay the rifle, property of Ike McKee, husband and father of the victims. Albert, the younger child was covered with the blood of his mother and older brother.

Dick Craighead, a half-brother of Ike McKee, who lived within a mile of the McKee home, was the first to discover the terrible double murder. He reported that he heard screams coming from Mrs. McKee, and upon hearing the house saw a negro, Will Pettit, inside the home and was unable to stop him. The negro supposedly cut his shirt as he ran passed him. Craighead then sounded the alarm, grabbed Albert up in his arms and started for the cotton field where Ike McKee and the older children were picking cotton. Having heard the screaming, Ike and the children had already started for home where they met Craighead with the baby, Albert.

The negro, Will Pettit, had been severely whipped for trying to break into the home shortly prior to the double murder; and this was the fact used as a motive for the crime.

News spread of the crime with scores of people coming to aid the grief-stricken family. Suspicion pointed to Dick Craighead; he was arrested, tied and taken by buggy to the Homer jail. A mob of nearly one hundred armed men gathered outside of the small town; but the sheriff had already requested the military group known as the Claiborne Guards to be ready for them. Early Saturday A.M. the sheriff slipped Craighead out of jail and carried him to Junction City, Arkansas where they took the train for Shreveport where he was placed in the Caddo Parish jail for safe-keeping. A Coroner's inquest was ordered; and on Monday, 31 October 1904, Dick Craighead was indicted with the trial scheduled for the December term of court. All evidence pointed to him as the murderer. Albert, although a baby, named his "Uncle Dick" as the one who killed his mother and brother. On Tuesday morning, 13 December 1904, the trial began and on Friday, 16 December 1904, the verdict of guilty was reached. A witness from Arkansas came forward to clear the negro, Will Pettit; and Craighead changed his story several times.

While he was in the Caddo Parish jail, he was visited by his wife (Alice GREER Craighead) who had just given birth to a son. George Dixon Craighead, Jr on 31 October 1904.

Craighead was granted a new trial by the Supreme Court, who ruled the first one a mistrial because of the way the jurors were housed at the time of selection. This trial never took place. On 26 April 1905, a mob succeeded in the early morning hours of Wednesday, 26 April 1905, of forcibly entering the Homer Parish jail and shooting to death Dick Craighead. He died claiming his innocence and is buried in the Craighead family cemetery at Marsalis or Crossroads, as the area is sometimes referred. This information covering the murders is taken from several of THE SHREVEPORT TIMES editions from The LSU Campus Library where all the old Shreveport Times are on microfilm.

Alice GREER Craighead was the daughter of Caleb T. GREER and Amanda EDMONDSON of the near-by area know as the Hurricane Community, where Caleb and his brother John Henry and their families settled in the early 1880's.

There is a deed in Claiborne Parish, State of Louisiana, filed Dec. 6/04 between G. D. Craighead and C. H. Greer which reads: "State of Louisiana Parish of Claiborne. Know all men by these presents that M.C. Craighead, a resident of the Parish of Claiborne, do by these presents, sell, transfer, set over and deliver, unto C. H. Greer, of same residence, his heirs and assigns the following described property, to wit: The NE 1/4 of NW 1/4 of Sec 10, Township 19, Range Six West, also east half of the NW 1/4 of North west 1/4, of Sec 10, Tp 19, Range 6 West, together with all improvements thereon, and thereto belonging, said land being situated in the Parish of Claiborne, Louisiana. To have and to hold said described property, unto himself, his heirs and assigns forever free from all incumbrances, of whatsoever nature, and do warrant said title and transfer said lands together with all rights and actions in warranty against all former proprietors. Now the consideration of this sale being the sum of Four Hundred and Eighty dollars cash in hand, a receipt of which is hereby acknowledged. And do by these presents grant, to the said C. H. Greer, absolute ownership of said property, and full seizing thereof. This deed was made by George D. Craighead while awaiting trial in the Caddo Parish jail for the murder of Mollie McKee, wife of his half-brother, and her son Thomas Leslie McKee. C. H. Greer was the oldest brother of George Dixon Craighead's wife, Alice Greer.

Alice married (2) Arthur Oscar MASSEY 2 Dec 1906 in Bienville Parish, Louisiana. He was born in Yantis, Texas. Arthur died 1952, and was buried in Pleasant Grove Cemetery, Pittsburg, Camp County, Texas.

They had 3 children:

Arthur also married (2) Annie COLLINS.

My father, Basil Henry Greer, was working on an oil rig in Henderson, Texas, in about 1936 or 1937, and one of his few days off, we went to visit Oscar Massey and his wife, Annie. They had a little bull dog that was very sick, and my father took it to the Vet. My sister and I were shown the huge pond on the farm, where they lived at the time, by Carroll.

Oscar was killed in an automobile accident.

They had 2 children:

G. D. was very generous with Oscar and Annie Massey; he had great respect for him and his second wife. And probably, Oscar Massey, was the only father he ever had. I assume it was a close relationship.

He remained close to only one of his mother's sisters, Jessie Greer Harper, and visited her a few times in her lifetime. Living with the knowledge of the tragedy of his father's act and his death was hard for him to bear; I do not think that he ever got over the shock from knowing the true facts of all that took place in his early life. He and my father, Basil Greer, worked on a drilling rig together at one time in the East Texas oilfield. Although I was very young, I remember him and his wife, Ethel, and young son, George, visiting us in the summer of 1937.

My mother, Ethel, corresponded with Ethel Craighead before she moved to live with me in New Orleans; they too lived in Gretna, on the West Bank not far from Algiers, where we lived. We invited them often to come have dinner with us and visit for awhile, but they never did but she talked often by phone with my mother.

I received a phone call from Ethel, the day he died in a New Orleans Hospital. They both were old; and my heart went out to her. I searched through the obituaries but never found one for him; I had thought I would go to his funeral service—but I am not sure he had a service. Many years after that, probably in the 1980's, her son George brought Ethel to visit me for a short while. We talked of family still living but nothing ever mentioned of the tragedy that took place before they ever knew the facts of G.D.'s father and the murder that was such a sad part of their heritage.

She became a good cook and in later years used this gift, cooking at various restaurants and a local drug store in Springhill, Louisiana. She was a loving mother and was loved in return by her family, including the children of her siblings. It was a happy time when her brothers and sisters would come for visits; fish fries on a lake were a fun time for all; with the men fishing; the women cooking and the children playing near the water, catching tadpoles. At nights, the floors were covered with mattresses for the children and many pillow fights and late night hours were a lot of fun for all.

From 1936 to 1938, Doyle and Evelyn lived in Arcadia, Louisiana; later they moved to Hodge, Louisiana, purchased a home and settled down for awhile. The WW II war years sent them to New Orleans where Doyle worked in the shipyards until 1944. Marriage data information is from County of Walton, Georgia: Marriage License Book E, page 155.

The dates of birth and death for Mary Frances Young are taken from a photograph of her tombstone at Hurricane Cemetery, Claiborne Parish, Louisiana.

Mary Frances applied for a Civil War Confederate widow's pension on 21 June 1916. The application also states that she was the widow of James Harrison Young and that they were married on 24 April 1866 by William N. Pendergrast, Justice of the Peace, at Monroe, Georgia.

James Harrison Young enlisted on 5 May 1862, at Madison, Georgia, Company G, Cubbs Legion, Georgia, CSA during the Civil War and served honorably until the end of the war. The War Department, Washington, D. C. in a letter to the Louisiana Board of Pension Commissioners, Baton Rouge, Louisiana, states that he was a private and lastmost served in Company D, 3rd Battalion, Georgia Sharpshooters. He was captured at High Bridge 6 April 1865, and was released at Point Lookout Mountain 8 June 1865, after taking the Oath of Allegiance. He was on the pension roll of Walton County and received a pension of $60.00 for 1915; the pension for 1916 was applied to his funeral expenses and last illness.

Like two of her brothers Caleb T Greer and John Henry Greer and their families Mary Frances and Jim Young moved to Claiborne Parish, Louisiana, around 1886 and were very poor; they served in the Civil War and returned home an ill and troubled man unable to work and support his large family. He later returned home to Georgia to be near his own family while she remained in Claiborne Parish, Louisiana. They seemed contented with the arrangement and he visited the family in Louisiana every few years. There was never a divorce. This information was furnished by a son, James Robert Young on 21 June 1916 at the time she applied for her husband's pension in Claiborne Parish, Louisiana. Pension was allowed in December 1916.

It listed cause of death for James Harrison Young as "dropsy" in February, 1916, near Monroe, Georgia.

An interesting letter was found in the Baton Rouge, Louisiana files regarding application for the pension grant to Mary Frances Young: "Monroe, Georgia, Oct 7, 1716 - Commissioner of Pensions, Baton Rouge, Louisiana. - Dear Sir: Mr. R. H. Young, a brother of J. H. Young who drew a pension in his arrangement and he visited the family in Louisiana every few years. There was never a divorce. This information was furnished by a son, James Robert Young on 21 June 1916 at the time she applied for her husband's pension in Claiborne Parish, Louisiana. Pension was allowed in December 1916. It listed cause of death for James Harrison Young as "dropsy" in February, 1916, near Monroe, Georgia.

At the time of his death, James Harrison Young had nothing of value nor did he own any property at that time nor at any other time prior to his death.

From the Minden, Louisiana PRESS-HERALD, 25 August 1995, KALEIDOSCOPE section. By Owen Perry, "When my sisters and I were growing up, we always dreaded those early August nights when Mama would take a thick catalog off the shelf and say, 'Come here, kids.' With what seemed (to us, at least) a diabolical gleam in her eyes, she would begin to select our 'fall school clothes,' always beginning with me, the eldest. Now, Mama meant well, but of all the folks who ever 'measured someone with an eye toward ordering clothes, she was probably the worst. For example, let's say that the ragged tape line read size 10 for any overalls. Mama would order size 12, always assuring me that I'd grow into them. Shoes? The same strange reasoning! Consequently, my 'school shoes' almost invariably were so large that they turned up at the toes, and (even worse) squeaked loudly when I walked into a schoolroom. Thus, is it any surprise that I have a 'thing' about shoes, to this very day.

They say that 'misery loves company,' and, oh how true that little maxim is! My sisters used to giggle so hard they turned red in the face, when Mama would place a big piece of clean tissue paper on the floor, then trace an outline of my two bare feet--Always adding something extra, to 'grow into.' I begged, I bawled like a wounded bull yearling. I faked the biggest tears I could master, but all to no avail. Mama was adamant!

'Son,' she would say pleadingly, you know money is scarce around here, so please understand. You kids are growing so fast that if I measured you exactly the way you are, your school clothes wouldn't last you 'til May. Who Knows somewh' all of you may be rich: then you can walk into one of those expensive stores and buy whatever you want. But for now, this is the way it has to be. Sorry!

After awhile, it was my turn to laugh...Mama applied that ol' 'sagging tapeline' method as she measured Sylvia and Dorothy, and they would give me the most helpless, hopeless look you could possibly imagine. That's when I would laugh uproariously, crook my finger at both of them in a cruel 'goody-goody' and keep it up until they would yell, 'Mama! Owen is laughing at us! And besides, he's giving us a 'goody-goody' when you're not looking.'

'Owen! Do you want me to get a persimmon switch to you, young man?" Mama would ask sternly.

'No mam,' I would answer meekly--heard me right: meekly, 'cause I'd had enough misery for one day. believe me!"

From: MINDEN PRESS - HERALD. Thursday, December 15, 1988, Page 3: "Minden Man Dies After Being Stranded All Night by Sonny Jeane, City Editor: Authorities are listing asphyxiation as the cause of death of a 22-year old
THE DESCENDANTS OF AQUILLA GREER, SR. 1719 - 1790

Minden man while on a fishing trip yesterday with a friend. The dead man was identified as Heath Young, of Route 2 in Minden. According to a spokesman with the Webster Parish Sheriff's Department, Young and another man, 22 year-old Robin Allen, also of Minden, had gone fishing Tuesday night in a wooded area off Shreveport Road just north of old Hwy 80. The late model Ford the men were in apparently got stuck in the water and the men decided to spend the night in the car. They left the engine running to stay warm, and it appears that the car's exhaust was under water. Allen woke up yesterday morning and tried to awaken Young, even attempting CPR, but was unsuccessful. Allen walked out of the woods and got a ride back to town to notify police. 'It appears to be asphyxiation from carbon monoxide...but I won't know until the autopsy comes back.' said Minden Fire Chief T. C. Bloxom. Bloxom also said there was no evidence of foul play found in Young's death. The body was taken to Bossier Pathology Clinic for autopsy. Funeral services are scheduled for Saturday at 10 A.M. at the Rose-Neath Funeral Home Chapel in Minden."

Bobby Young was a native of Minden and had resided there for the past seventeen years before his death. He was retired from the U. S. Army.

Ironically this same train with the same crew, just a few hours earlier crushed an automobile at the same crossing killing three persons. The truck, loaded with butane tanks, was headed for Chippewa Falls, Wisconsin. The train was enroute from Memphis to Helena, Arkansas. It was derailed and heavily damaged by the impact.

In testimony whereof I have signed this 22nd day of November 1887. /s/ Geo. E. Young, Notary Public with Public Seal" (Taken from copy of A-2, page 364.)

"John Henry Greer died in Arcadia, Bienville Parish, Louisiana, at the home of his daughter, Maggie Mae Gantt, where he resided from the time of his wife's death in 1913. His death was due to Meningitis and other contributing factors. He was a Methodist, a devout and dedicated Christian throughout his lifetime.

He fought in the Civil War at Vicksburg and was captured July 4, 1863.

He immigrated from Walton County, Georgia with his older brother Caleb Greer and their families in the fall of 1880, traveling in covered wagons. They first settled along the Dugdemona Creek or Bayou in Bienville Parish near Simsboro, Louisiana, on the farm of Sebron James. Here one crop was laid by before they moved on seeking greener pastures. No doubt the deaths within a week apart of two of his small sons: Johnny. B:3 Oct 1876. and Joe. B:18 Aug 1880, prompted this second move to the hilly section of Bienville Parish, near the community of Bryceland. The two sons died from "Bloody Flux" (dysentery). As long as his health permitted, he returned to the grave sites of these two beloved sons each summer to tend the graves. The grave sites are unknown today; the land was sold and new owners cleared the land for farming, destroying the little markers to identify the graves.

In 1885, he moved the last lime to a tract of land he purchased 5 miles north of Arcadia, but in Claiborne Parish, Louisiana where the family was living at that time. For many years after his death his father and other members of the family returned to care for the little graves.

The dates of birth and death are taken from the tombstone of "E. F. Wife of J. H. Greer", at Hurricane Cemetery.

Beauford Greer never married. He and my father, Basil Henry Greer are first cousins. They were both born in 1903. Basel dated my mother Mary Ethel Chrisman and Beauford dated her sister, Beulah Louise Chrisman. I have old pictures of them dated in the late 1920's. Once when my aunt Bea was visiting me, she asked me about some of the Greers that she knew—one was Beauford and another one was Cecil Harper, son of Cora Greer and Alonzo Harper. In those days, dating was spending an afternoon at the end of the front porch with all the relatives hovering nearby or walking up the hill out of sight to probably steal a quick kiss on the cheek. Beauford, in the pictures is dressed so neat with a black tie; I have been told that he was neatly dressed all of his life even unto death. But in the pictures of my mother and Aunt Bea they are dressed like they did in the "Flapper" age with a weird hairdo which defies the fact that they could turn the gent's heads. But that was the style in those days!

Beauford may be spelled Bufford.

Dallas and Lula Evertt were married in 1936. She had previously married Wyly Wood from whom she gave birth to one daughter named Cecil Alberta Wood. Cecil married Albert "Joe" Holloway, they divorced and she secondly married Ernest Gipson. After his death she remarried Albert "Joe" Holloway.

He married Lorena Hyde and Lillian Jessup. (III) Nina Lozenia Thacker who was born 17 October 1932. She married James Wade, born 26 November 1928, on 7 September 1948. He died 26 November 1960. They had 3 children: (1) Jo Beth Wade, was born 14 November 1949; she married Leroy Deyard who was born 29 November 1947. The following was written, compiled and contributed in loving memory of her grandfather, JOHN THOMAS GREER, 1847 - 1940, by Ruth Greer Smith - August 1972 entitled "A GRAND OLD MAN": "John Thomas Greer was born near Union Point, in Oglethorpe, Georgia, on December 11, 1847.

When John was three years old, the family moved to Floyd County, Georgia, near Rome in Ridge Valley District, where a hill is still standing called "Greer Hill".

John Thomas learned the carpentry trade from his father. John assisted his father in building a house for Mr. Abner Phillips Woodruff, near Rome, Georgia. While working on this house in Georgia, John met Mr. Woodruff's little girl, Alice. He later said she was the prettiest little blonde girl he had ever seen. He said she sat on his lap and he pinned shaving curls in her hair. She was only four years old at the time and he was fourteen. Mr. Woodruff moved to Ozark, Arkansas, during the Civil War. Later, he wrote to John and offered to let him build a house for him near Ozark, if he would build an exact replica of the one built in Georgia.

When John was three years old, the family moved to Floyd County, Georgia, near Rome in Ridge Valley District, where a hill is still standing called 'Greer Hill'.

Ebenezer Torrence Greer was a farmer and carpenter and was a corporal in Captain Means' Company Battalion from Georgia in the Indian Wars. Ebenezer, (Eb as he was called), served the Confederate Army by making gun powder on his farm.

John Thomas learned the carpentry trade from his father. John assisted his father in building a house for Mr. Abner Phillips Woodruff, near Rome, Georgia. While working on this house in Georgia, John met Mr. Woodruff's little girl, Alice. He later said she was the prettiest little blonde girl he had ever seen. He said she sat on his lap and he pinned shaving curls in her hair. She was only four years old at the time and he was fourteen. Mr. Woodruff moved to Ozark, Arkansas, during the Civil War. In 1872, John Thomas started to Ozark. There were no railroads through Ozark so he came as far as Lewisburg, which is now Morrilton, by train and then took a stage to Ozark. The stage started from Lewisburg at 1:00 p.m. and traveled all night. The following morning they ate breakfast in Clarksville with Dr. Paine who operated a stagecoach inn. Dr. Paine was the father of Mrs. Flora Eikenberger, who lived in Ozark. While in Clarksville, John ran upon Sam Bell whom he had known in Rome, Georgia. (At one time John, Sam and Sam's granddaughter Mary Willard Davidson, made a visit back to Rome to visit their relatives. They went by train.)

The stage reached Ozark on a Saturday afternoon at 3:00 p.m., in March of 1872. Did John take a few days to rest from his long trip? No, he began work on the Woodruff house on Monday. It was a tremendous task in those days. The trees were felled, planed and hand hewn. Wooden pegs were used for nails. John lived on the Woodruff place in a log house with the Woodruff family. He was about a year constructing the house. The house still stands two miles west of Ozark.

There were 800 inhabitants of Ozark when John came here. He said there was not a buggy in the entire section. Wagon oxen by oxen or mules were means of transportation. When he arrived there were no churches so the people worshiped together in the "Little School" where Dillon's Grocery Store now stands. The land west of this was all forested.

His father and the rest of the family followed John to Ozark within the next ten years. Ebenezer Torrence arrived here in 1880 and died March 29, 1881. There are five generations of Torrences buried in Ozark Highland Cemetery.

John's next contract was for the Perry Webb house. He again had little help on this job, which included cutting most of the timber. This house required 500 days for completion and Mr. Webb paid him about $1,200. The Webb house still stands and probably has the finest architectural lines of all the houses in town.

He then contracted for two brick buildings, both still standing. All of his buildings were very substantially built with good architectural lines and design.

In 1873, John Thomas married Alice Cora Woodruff, daughter of Abner Phillips Woodruff and Elizabeth Lawrence. Alice was the little girl he had known when she was 4 years old back in Georgia.

At the time of their marriage Alice was sixteen and John was twenty-six. The couple moved in a borrowed ox wagon into a log house situated on land just west of where the Ozark High School now stands. This settlement was called Logtown, as every house in this section was made of logs.

To this union was born eight children: first, Minnie Rebecca Elizabeth Greer, born January 22, 1874. She married Earl P. Nichols. Minnie died April 1, 1943; second, Mittie Ann Greer, born September 3, 1875, who married George W. Cox. Mittie died May 28, 1913; third, Talula Elizabeth, born July 11, 1877, and died from a spider bite May 24, 1878, while on a visit to Rome, Georgia; fourth, Abner Torrence Greer, born April 18, 1879, and died July 20, 1880; fifth, Farris Walter Greer, born June 9, 1881, and married Margaret (Maggie) H. Hendricks. Farris died June 17, 1935. Their sixth child was an infant, born in May and died the same day in April, 1882. Then, their seventh child, Hattie Reece Greer, was born October 2, 1883, and died September 2, 1884. Their eighth child was William Edgar Greer, born October 2, 1885, and died November 9, 1885, just nineteen days before his mother, Alice Woodruff Greer, who died November 28, 1888, at the age of only 28 years.

In 1887, John Thomas married Minnie L. Cook, daughter of Joshua C. and Mary Collier Cook. Minnie was born November 15, 1866, in Gwinnett County, Georgia.

To this union were born three sons: first, Charlie Howard Greer, born October 10, 1888. He first married Mildred M. Buck; second, Helen Myrtle Harris. The second son was Harold Cleveland Greer, born July 31, 1890, and died September 2, 1917. The third son was Eugene Lantar Greer, born August 17, 1895 and married Ida Bachman.

In 1883, John Thomas opened a furniture store in Ozark. Undertaking as a profession was unheard of at that time and carpenters were obliged to make caskets, which were called coffins then. John was a good hand at this, having learned the art from his father in Georgia, and soon found himself making caskets for the community. As he was a very sympathetic man and one who cared to render service to those in trouble, he grew into the undertaking profession, as such profession came into existence.

As caskets started being manufactured, he bought a few for stock in his store. As the years went by, and undertakers began caring for the bodies and rendering services at funerals, John Thomas followed these lines graciously.

During his lifetime few families in this section failed to have business dealings with him, and he helped bury most of the dead in Franklin County. At the time of his death, almost 93 years of age, he was the oldest funeral director in the South.

His business later became J. T. Greer and Son Furniture and Undertaking Establishment, and has operated continuously since then under the same name. The motto for the store's business was, 'For when the One Great Scorer comes to write against your name, He writes not that you won or lost, but how you played the game.'

Also, working as a contractor, he built the old red brick Baptist Church, the Matthews and Alston store buildings and the old Methodist and Presbyterian churches. He was commissioner for construction of the present Franklin County Court House, and served as one of the first road commissioners in the county.

John Thomas became a 'well-to-do' man in his day, especially since he had been deprived of education because of the Civil War and started out as a poor boy, all on his own.

Hardships hit him very hard during the 1920's and 1930's. First, he was a stockholder in the Home Telephone Company. This company failed and the stockholders were pledged to pay off the indebtedness. Many so called prominent citizens who were also stockholders, took the bankrupt law to keep from paying their debts. But John Thomas, this honest, noble, unselfish, courageous man, our ancestor, paid his debt and the debts of the other stockholders who refused to pay, because he believed this the honest thing to do. This blow, to him, was one of the hardest. He really never quite got over this grievance and the loss of his money, but over the loss of faith in his fellowmen who had begged him to take the bankruptcy law also.

Next, the Arkansas River was flooded causing many farms around Ozark to become ruined. Many were unable to pay their bills and John Thomas went collecting and often left a dollar to his debtors, instead of collecting.

Then, one of the greatest blows, the many bank failures. John, being a large stockholder in an Ozark bank, again had to double his stock.

By the time the depression came, John had practically lost his small lifetime hard-earned fortune. At this time of his life, he had only himself to depend upon, no Social Security, no one to nurse him over the rough places or subsidize his efforts. He was a rugged man - a man to be proud of particularly in the light of conditions today.

John Thomas Greer's influence still plays part in shaping the policies of the present firm. Those connected with the present J. T. GREER AND SON management strive to follow in the service of sincerity possessed by its founder.
John Thomas Greer was a true American. He put man above every consideration of property, class or dynasty. His grandchildren loved him and he was lovingly called Grandpaw, Gannie Greer, Papaw, Grandfather Greer and Father Greer. Many others in the community called him 'Uncle John'.

Children all loved him. For one reason, he always carried peppermint candy in his pocket, which he generously distributed to the store visitors, as well as his grandchildren.

John Thomas Greer died January 5, 1940, 92 years of age, lacking only six days before reaching his 93rd birthday. He possessed many attributes, which we today might well emulate. He had unshaken faith in God; he had courage to the Nth degree; he had fortitude to bear any hardships he was called upon to bear, he had integrity such as we are not familiar with today.

While scientists today do not believe that characteristics themselves are inherited and transmitted from one generation to another, nevertheless they do maintain that tendencies toward certain characteristics are inherited. The world is beginning to perceive that the life of each individual is, in some real sense, a continuation of the lives of his ancestors.

Some may call us 'ancestor worshippers', but as Oliver Wendell Holmes said, 'We are omnibuses on which all our ancestors ride.' The virtues, as well as the vices, of our forefathers have added to or subtracted from the strength of our brain and muscle. Our descendants, in turn, will have reason to bless us only if we hand down to them a pure, healthy, physical, mental, moral being, an untarnished name, and courage and stamina to meet the problems of this complex world in which we live."

NOTE: From the author of this GREER Family book: I never got to meet Ruth Greer Smith of Ozark, Franklin County, Arkansas; but my start in genealogy came from three family sheets, completely filled out by her and forwarded to me by a relative that she had sent them to. Hard as she strived, she could never prove the parentage of William Greer, son of Aquilla Greer, Jr. and Elizabeth Bandy of Franklin County, Virginia. When I resumed my family research in about 1988, after having stored it away for a few years, it took me three years to identify and prove his ancestry; and when I had the proof in hand, the first person I called was Ruth Greer Smith. By that time, she had grown older and stored her genealogy records away. Very sadly I hung up the telephone. A great researcher, the very best of her day, had finally ended her family research, after giving it her very best effort. That is all any of us will do. The story of our ancestors is never really completed; hard as we may try, we make our errors and leave many questions unanswered. Bea O'Quin - 15 Feb 1999.

Also from a lady in Texas who believes that her husband is thru their son, John Hudson, but lack's positive proof. Then from another in Texas who has the papers proving the children at the time of a land sale. It was this land sale that proved the daughter. Elizabeth, the one who married G. I. He married Nancy Ann HAYNES (See number 9044) 28 Apr 1767 in Bedford County, Virginia. She was born 2 May 1744. She was the daughter of Henry HAYNES, Sr and Mary SMITH. Nancy died 1832 in Lowndes County, Mississippi.

They had 12 children:

+ 1793. F i. Parsha GREER, born 17 Nov 1767, died bet 1825 and 1833.
James Greer was born in Baltimore City, Maryland, most probably at Chilmalira, shortly after 15 January 1742, and probably resided on the Chilmalira plantation leased by his father, Aquilla Greer, from Charles Carroll in 1743 and consisted of 100 acres including the plantation house. Since James Greer's birthdate is given as 15 January 1742, and the lease included Aquilla, Elizabeth and Sarah, it is believed by some researchers that the old date system was still being used, with March as the first month of the year. It is believed that he lived at Chilmalira with his father and mother until he was about 11 years of age, when the family moved to Lunenburg County, Virginia, the part that later became Pittsylvania, Bedford and Henry Counties.

He served as a lieutenant in the Bedford County, Virginia State Militia during the Revolutionary War. It was on the 24th of September 1781, that he was commissioned Lieutenant James Greer of the Bedford County Militia. On 23 November 1782, it is believed that the James Greer listed along with other Greers in Henry County in a petition to divide Bedford and Henry Counties further into Franklin County is this same Lieutenant James Greer.

James Greer married Nancy Ann, a daughter of Henry Haynes, Sr. who moved to Bedford County from Orange County, Virginia about the same time as Aquilla Greer and his family relocated to Lunenburg County, Virginia. They were married in the Bedford County Quaker Meeting House 26 April 1767. Parmenas Haynes, her brother was security. Nancy Ann Haynes was the widow of Samuel Lowe; they had 2 children: Stephen who fought in the Revolutionary War and Mary Ann "Polly" Lowe who married the brother of James Greer, Asa or Asel Greer. Polly was probably born in Orange County, Virginia 2 May 1744. Nancy Ann's father, Henry Haynes, Sr. left his will dated 5 March 1784 in Henry County, Virginia, proven 23 December 1784 in which he named his children by their married names and also granddaughter, Mary Ann Lowe. (From the research of Mary Lee Barnes).

The Greer and Haynes families, after the death of Henry Haynes, Sr. and the settlement of his estate began selling their lands for the migration to Georgia. At the estate sale held on 16 January 1785, both sons Parmenas Haynes and Henry Haynes, Jr., both married to daughters of Aquilla Greer, Sr., bought items.

In Franklin County, Virginia Deed Book 3, page 203 there is a deed between James Greer of Oglethorpe County, Georgia and Floyd Payne of Franklin County, Virginia. It reads: "On 15 November 1794 James Greer of Oglethorpe County, Georgia, sold to Floyd Payne of Franklin County, Virginia, 536 acres of land lying in Franklin and Pittsylvania Counties in Virginia on the waters of Little Bull Run and bounded by Aquilla Greer and Richard Greer, price 150 lbs; witnesses - John Smith, John Divers and James Greer." Mary Lee Barnes, a descendant of Lt. James Greer and a long time researcher of this family believes that this deed was probably recorded due to a default of a previous title.

From EARLY RECORDS OF GEORGIA, Volume One WILKES COUNTY, abstracted and Compiled by Grace Gilliam Davidson (Mrs. John Lee), 1932, page 8: "LUMPKIN, GEORGE and wife Ann to James Greer 600 acres on Buffalo Creek adj. Vines Collier and John Lumpkin. Apr 15, 1786."

George Lumpkin also sold lands to Vincent (Vinson) Greer, brother of James Greer, 150 acres on 22 April 1796.

James and his wife Ann of Oglethorpe County sold Edward Powell of same for 150 pounds sterling 320 acres, part of the tract James Greer had bought from Lumpkin described as being the upper plantation on the waters of Buffalo Fork of Long Creek, adjoining land of John Miner, Isaac Collier, John Gresham, Alexander Hawkins, Nicholas Hawkins and Parmenas Haynes. On the same day he sold John Powell 2800 acres, the lower end of the tract for 150 pounds.

OGLETHORPE COUNTY GEORGIA DEED BOOK B 1795-1798: "2-pg 28, Oglethorpe Co. Ga. 22 Apr 1796, James Greer & Ann, his wife, to Edward Powell, all of said county, for 150 l. 320 acres in part of tract James Greer now lives on & upper end of his 600 acres survey including the upper plantation on Buffalo Fork of Long Creek waters in said County, adj S by John Milner & Isaac Collier, W by John Grisham, N by Alexander Hawkins, Nicholas Hawkins & Permias Haynes, E by line agreed on by Edw Powell & John Powell, Jr is part of survey granted to George Lumpkin by Gov. "3-pg 51, Oglethorpe Co. Ga. 22 Apr 1796, James Greer of Oglethorpe & wife Ann to John Powell of same for 150 l. 280 acres in part of tract James Greer now lives on, the lower end of his 600 acre survey including the lower plantation on Buffalo Fork of Long Creek waters in said County, adj N by Permnias Haynes & John Hardeman, E by John Lumpkin, S by John Milner, W by line agreed on, by John Powell & Edw Powell is part of survey granted to Geo Lumpkin by Samuel Elbert, 15 Mar 85 (1785), in fee simple, signed: James Greer, Ann (x) Greer, Ack 22 Apr 1796, Jno Lumpkin, JP".

From Oglethorpe County, James Greer went to Jackson County proved by a deed dated 24 March 1800 when he bought a tract of land from John Cobb of Jefferson County, Georgia for $500, situated in the county of Jackson on the waters of Davis Creek, it being a part of a tract that Absalom Autry bought of John Cobb containing 550 acres.

Other deeds for James Greer were not recorded until 1838, probably upon the settlement of his estate. There was one from Benjamin Ward for 100 acres on the waters of the Appalachee River joining Phelps & Shepherd for the sum of $100.00. Witnesses were P. Haynes, Jesse Canida and H. Boling. J.P.

Also another deed adjoining his land on 14 January 1822, in which he is referred to as James Greer, Esq., and for 80 acres for which he paid Edmund $100.00. According to the unpublished papers of Judge James Micajah Greer, a great grandson of James, son of James Greer, Jr., the plantation of James Greer was 16 miles west of Athens, Georgia and Lt. James Greer was buried on the home place.

James Greer died in Clarke County, Georgia. His will was dated 13 June 1825 and proved 5 September 1825. His son, Aquilla, and son-in-law, Robert Stuart, were named executors. Robert Stuart was named "Ex'or of the estate of James Greer, deceased" appeared in court in Walton County, Georgia to claim lot 279-8 of Carroll County. Papers included appointment of Warren J. Hill as attorney with James Lindly, J.P. and Cornelius Helst as witnesses on 3 June 1843. (From the GEORGIA LAND LOTTERY PAPERS 1804 - 1914)

THE WILLS OF LT JAMES GREER, Clarke County, Georgia, dated 13 June 1825, Recorded 6 September 1825: "I James Greer of the county of Clarke and State of Georgia being sick of body but of sound mind and memory, thanks be to God for the same - But calling to mind the uncertainty of the sublunary world that all flesh must yield, when it pleaseth God of His great mercy to call. I do therefore make this my last will and testament as touching my goods I dispose of them in the following manner to wit:

"Item 1st. I give and bequeath unto my beloved Daughter Parsha Hawkins one negro girl named Sylvia, one bay mare one bed and furniture and cow and calf."
Nancy also married (1) Samuel Asa LOWE (See number 7981). He was born 18 Dec 1739 in Baltimore County, Maryland. He was the son of William LOWE, III and Ann DAVICE.

Nancy Ann Haynes was the daughter of Henry and Mary Smith Haynes. She was probably born in Orange County, Virginia. Her father, Henry Haynes Sr., left his will in Henry County Virginia dated 5 March 1784; proven 23 December 1784. He names daughters by their married names and also a granddaughter Mary Ann, daughter of Nancy Ann Haynes.

Nancy Ann Haynes was first married to Samuel Lowe. Samuel was born 18 December 1739, the son of William Lowe and Sarah Graves, as cited on page 413, BALTIMORE COUNTY FAMILIES 1659 - 1759, by Robert W. Barnes. There is a Samuel Lowe, son of William and Sarah Lowe, listed in St. John's Register, born 18 December 1739.

Ann Haynes first husband was Asa Lowe. (From HISTORICAL SOUTHERN FAMILIES, Volume XVIII, 1973, edited by Mrs John Bennett Boddie, page 77.) It appears that the name of the son of William and Sarah Graves Lowe from these two records was Samuel Asa Lowe.

Oglethorpe County, Georgia. He was born 1767. He was the son of Alexander HAWKINS. Nicholas died before 26 Aug 1833.

They had 10 children:

+ 1794. M i. John Alexander HAWKINS, born about 1796, died about 1872.

Parsha and Nicholas Hawkins were in Putnam County, Georgia, where Nicholas left his will dated 14 May 1828 and was probated 26 August 1833. (PUTNAM COUNTY GEORGIA WILL BOOK B, pages 130/131) Parsha is not named in the will. She probably died between 1825, when her father's will was written and recorded and 1833, when the will of Nicholas Hawkins was probated.

Nicholas also married (2) Dianna GREER (See number 2559) about 1832. She was born 9 Feb 1776 in Bedford County, Virginia. She was the daughter of Lt. James Greer and Nancy Ann HAYNES.

On 23 August 1832, Nicholas Hawkins relinquished his title to any property that Dianna Hawkins (sister of Parsha) had before they were married and was entitled to her children by William Cabiness. The will of Nicholas Hawkins was probated in Putnam County, Georgia in 1833. It is unknown where Nicholas died. But Tom Hawkins and probably other children were found in Chambers County, Alabama. (From MY GREER HERRITAGE, by Mary Lee Barnes, 1992, page 32).

He married (1) Susannah "Susan" Tillery 14 Dec 1795 in Oglethorpe County, Georgia. She was born 10 Sep 1777 in Culpeper County, Virginia. She was the daughter of Joshua Tillery and Susannah Ziegler. Susannah died 17 Jul 1824 in Monroe County, Mississippi.

+ 2279. M x. Seaburn Samuel GREER, born 18 Jul 1817, died before 1849 in Probably Lowndes County, Mississippi. Seaburn is not mentioned in the will of Henry Greer, Sr. thus it is believed he died without issue before the will was written.

The birth and death dates for Henry Greer, Sr. are taken from the actual copy of a page of the Bible of Stephen Greer, in possession of Mrs. Ollie Ruth Nabors, Bryan, Texas.

From Oglethorpe County Ordinary Court Minutes, 1794-1806, page 39,(pages are numbered through 41, then begin over again): "Henry Greer to Susannah Tillery, 14 December 1795".

Henry Greer was on the pay roll of Captain Ferdinand Phinizy's Light Dragoon Troop of Wilkes County, Georgia, 3rd Regiment stationed at Ft. Mathews from May 17, 1793 to June 14, 1793. He had the rank of "Gn (Guardian) Arms". This Captain Phinizy was a next-door or plantation owner neighbor of Henry Greer, Sr. and his father James Greer in Georgia. Henry Greer, Sr. served under Captain Phinizy in the Georgia Militia.

Henry Greer was on the Tax List of Oglethorpe County, Georgia in 1793, along with his father James Greer and Joshua Tillery, his father-in-law. Henry was in Marion County Alabama about 1816. On 6 December 1819, the Legislature of Alabama Territory passed an act whereby the home of Henry Greer, located two miles south of the Buttahatchie River, was made the county seat for Marion County. This residence of Henry was the official seat of government for the "Buttahatchie Settlers" from 1818 until the fall of 1821. The name "Buttahatchie Settlers" was given those by Mississippi historians to the 371 heads of households listed in the U. S. Census of 1820 for Monroe County of which Henry Greer was one of those 371 household members. On July 2, 1821, the Board of Justices of the peace and courts for the different seats of the county met twice quarterly at the home of Henry Greer.

Henry Greer was the head of a family in the U. S. Census of 1820 for Monroe County, Mississippi. Other members of the "Buffahatchie Settlers" were James Greer, son of Henry, and Edmund Greer, son of Asa and Polly Lowe Greer, first cousin to Henry.

On 9 February 1821, the Mississippi State Legislature passed a law with the approval of the governor (Leake) creating Monroe County. On Monday 4 June 1821, the Chief Justice, Gideon Lincecum, and 4 other justices( Wesley Harbin, Frederick Weaver and Ezekiel Nash) met at the home of Henry Greer and organized Monroe County, Mississippi. NOTE: This Ezekiel Nash was an uncle to Eusde Udoxie Nash Greer who married Henry Greer, Jr.

Henry was a witness to the signing of Joshua Tillery's will on 22 July 1820, in Morgan County, Georgia. (Morgan was formed from Oglethorpe and Clark Counties, Georgia) Joshua Tillery was the father of Henry's wife Susanah Tillery. They shared equally with the other Tillery children. (Will Book B, Morgan County, Georgia, page 128). We see Henry Greer as a man of considerable importance in the early days of Monroe County.

In 1825 Henry was listed owing a tax of $15.75 on one poll tax and twenty-one slaves in Monroe County, Mississippi. He was one of the highest-taxed persons listed.

February 17, 1829, a Deed of Gift by Henry Greer, Sr. conveyed to his son John W. Greer land in Monroe County, Mississippi. On February 23, Annis Greer, the wife of Henry Greer, Sr. executed a relinquishment of her right to dower to these 80 acres of land. This proved that Annis was a wife of Henry Greer, Sr.

Also there is a Deed of Gift to Martha Chappel, a daughter of my late wife A. Greer, formerly A. Chappel, a negro girl named Matilda, October 24, 1833. Later in the Deed Henry refers to this step-daughter as "Patsey".

Henry Greer and family and Isaiah Morgan and family became friends in Humphrey County, Tennessee; both families moved to Monroe (later Lowndes) County, Mississippi around 1820. They were next door plantation owners. Two of the Morgan daughters married Greer sons.

Henry Greer invented the "Mississippi Rifle" which became the official rifle of the Confederacy during the Civil War. (From family records of Mississippi Revolutionary Soldiers, page 128, among the research of L. L. McNees, deceased, Ebenezer, Mississippi).

Henry Greer lived on land that later became the Columbus Air Base. There is a small cemetery on this land; where Henry is buried. In the U. S. Census of 1840 for Lowndes County, Mississippi Henry Greer was head of a household.

The following Probate Records for Henry Greer, Sr. were taken from GREER FAMILY, by Dr. Claytcoin Alvis Greer in his unpublished manuscript. The will of Henry Greer is recorded in Probate Records, Lowndes County, Mississippi Court, Vol H, 1843 1849, page 511. "The Estate of Henry Greer Deceased LAST WILL AND TESTAMENT I. Henry Greer, Senr. being of sound mind and infirm in Body and Knowing that all flesh is mortal and must soon pass away, make this my Last Will and Testament on this 16th day of January One Thousand Eight Hundred Forty Nine, hem the First.

THE DESCENDANTS OF AQUILLA GREER, SR. 1719 - 1790

Record and file. /s/ Nathaniel E. Goodwin, Judge of Probate" (From Probate Minutes, Book Vol H, 1843 - 1848, page 511, Lowndes County, Mississippi).

"In a nutshell, the will was dated and signed Jan. 16, 1849, Henry having died by then, sometime between Jan. 16 and March 7; the will was witnessed by Andrew Flanagan, John M. Harwood, and William J. Rogers; Henry's children were to share equally in his estate, except his son David was to have his silver watch more than the rest; his slaves were to be kept in families among his children, were not to be sold, and were to be treated with utmost humanity and kindness, particularly the aged ones who had long and faithfully served him; his boy Sam was to choose his own master from among his children and Sam's family was to be kept intact; and he nominated and appointed three sons - Henry, Joshua and William Crawford - as his executors."

It is interesting to note that Henry's daughter Susan Trotter was dead by the time of the will. I wonder what happened to the Silver Watch that was to go to Henry's son David D. Greer. I wonder if Henry's boy Sam was allowed to choose his master from among Henry's children. On March 7, 1849, the day on which Henry's will was offered for probate, Joshua and William C. Greer were granted the power of administrators of their father's estate. I wonder why son Henry, Jr. was not one of the Administrators as called for in Henry Sr.'s will.

On the same day, March 7, 1849, bond for the administrators was fixed and accepted at $20,000, and the bondsmen were Joshua Greer, William C. Greer and John W. Davidson. John W. Davidson was a son-in-law of Henry, Sr. and Lemuel Westbrook. John W. Davidson was a son-in-law of Henry, Sr. and Lemuel Westbrook apparently was a close neighbor. (These above personal statements are from the unpublished manuscript of GREER FAMILY, by Dr. Clayton Alvis Greer).

The slaves and their value are listed below: "Jack $500; Dean, $700; Sam $800; Edmond $450; Nathaniel $700; Joseph $650; James $750; Ned $750; Fanny $400; Mariah $350; Nelly $300; Jane $600; Julia $600; Lucindy ___ __; Betty $500; Eliza $350; Lucy $175; Lewis $125; Joe $325; Susan $200; Andrew $700; Jefferson $700; Milly $250; Jimney $250; Rose $225; Sarah $150; Polly $275; Mary $500; Parry $400; Milly Jr; $500; Ginette $400; Ligh(?) $450; Elisha $425; Sawney $350; Marinda Jane $150; Milly Ann $300; Ht Sey(?) $175; Clarissa $100; Letty $150; Alice $250; Chaney $750; Fanny $400; Mariah $530; Nelly $300; Jane $600; Julia $600; Hettie $530; Clarissa $100; Letty $150; Alice $250; Chaney $300; Ginett(?) $275. From this, we see that Henry had 42 slaves with a total value of $17,200.00. Also listed for Value of Chattels, $2,820.25, making the Total Value of $20,020.25. (From Probate Minutes, Book I, page 1, Lowndes County, Mississippi).

1826. James GREER (1825. Henry, Sr., 1792. James, 7. Aquilla, 6. John, 5. James, 4. Greer) was born 16 Oct 1795 in Monroe County, Mississippi. He married Elizabeth MORGAN. She was born 16 Oct 1795 in Monroe County, Mississippi, and was buried in Morgan Cemetery, Coldwater, DeSoto County, Mississippi. She was the daughter of Isaac Morgan and Judith Smith. Elizabeth died about 1850, and was buried in Greenleaf Cemetery, Tate County, Mississippi. She was the daughter of Isaac Morgan and Judith Smith. Elizabeth died about 1850, and was buried in Morgan Cemetery, Coldwater, DeSoto County, Mississippi. In a nutshell, the will was dated and signed Jan. 16, 1849, Henry having died by then, sometime between Jan. 16 and March 7; the will was witnessed by Andrew Flanagan, John M. Harwood, and William J. Phoebe Greer died as a child according to Bob Davis in his Davis Family book.
THE DESCENDANTS OF AQUILLA GREER, SR. 1719 - 1790

The death information for James Greer is from GREER FAMILY, unpublished manuscript by Dr. Clayton Alvis Greer. He further states that this oldest child born to Henry Greer, Sr. by Henry's first wife, a wife prior to Susannah.

James Greer and his wife Elizabeth Morgan probably met in Humphreys or Sumner County, Tennessee, and moved along with the parents to Monore (later Lowndes) County, Mississippi.

James Greer loved nature and the land. He was traveling in Chickasaw Indian lands before the government formed a treaty with them. He was a trader with the Indians, once trading two ponies for as much land as he could walk off in a full days time.

Feb. 12th "Dearest one, I'll now tell you my & Nancy Levi rounds today. She stayed with me last night. We started early this morning to see Aunt Clarissa & found nobody at home, so we went down & spent the day with aunt Hetty, then back home & received a letter from you which was great relief to me to hear from you, for its a great pleasure to me to read one from you. If I could not hear from you it looks like that would be more than I could bear. I never knew how dear you was to me till since you left home. I often think that if you ever get home I never could bear to see you leave me again. No wife ever love a husband any better than I do. I sometimes think I never treated you as kind as I ought, but if you get home again I will do all in my power to render you happy. My Darling, pray for me that I may bear up under all my trials for they are many, but I try to bear them the best I can. God being my helper. I pray for you & that God may give you grace to bear up & spare you to get home again for it would be the happiest day of my life to be here with you. William you must try to get a furlough in the spring & come home for it seems like I can't do without seeing you any longer than that time. My dear I must tell you how I am getting along, my health is very good. I had the blues yesterday but Nancy stayed with me last night & getting your letter today has cured me. The children are all in good health. Little Lu looks better than I ever saw her, she says I must write to you that she is learning A.B.C. Molly says tell Papa she is as sweet as ever, and she is, she sings happy day when Papa comes back. Her & Lu spend their time visiting each other. Emma has been knitting some & helping me to spin. I think I shall start her to school in the morning up to the Duncan house to Olive R Stevens. Well I must tell you what sweet little Milly employs herself at. She sits down before the fire and plays with her little playthings. O she's a sweet little black-eyed babe & fat as a pig. William I could not hire no negro to suit me but sister Jody has give me Jane for her victuals & clothes & I think she can earn them & more to. She is a great help to me for we have to carry all the water from the branch, for one piece of curbing has fell in & I am afraid to draw out of the well till I get it fix, if I ever do, it looks like I can't get anybody to get out the curbing, they promise to do it but thats all. William I will send you a fine shirt by Abbt as it is the first chance I had since you wrote to me to send one. Well Darling it getting late & all the children asleep. I must quit, may God bless & protect you is the prayer of your devoted wife. M. T. Davis to W. A. Davis. "The above was typed from a typed copy of the original. Marian Kisman has the original. Josephine died 22 Aug 1870 in Lowndes County, Mississippi, and was buried in the Old Greer Cemetery, Columbus Air Force Base, Lowndes County, Mississippi.

They had 1 child:
2038. M i. James Carlisle GREER, born 22 Aug 1870, died 10 Nov 1870, and was buried in the Old Greer Cemetery, Columbus Air Force Base, Lowndes County, Mississippi.

James Carlisle Greer lived only 2 months and 19 days and is buried in the Henry Greer, Jr. family plot along side his mother.

Baalis Tillery GREER, was born in the old plantation home of his parents on the Buttahatchie River in Lowndes County, Mississippi.

On 5 November 1868, his 23rd birthday, he married Josephine Carrie Carlisle in Lowndes, daughter of James Carlisle, who came from Ireland and became a plantation owner and bookkeeper in Monroe County. They were married by the well-beloved Rev. Dr. James A. Peavy. Carrie was 24 years of age and had been married less than 2 years when she died. Her baby son James Carlisle Greer died at two months of age following her death. Almost seven years later he married Jackie Parker.

Baalis was a farmer on his part of the plantation on the Buttahatchie for several years; but in the early part of 1893, he and Jackie sold out all their holdings in Mississippi and moved to Caldwell County, Texas where other kin and friends had relocated. Their first home was in the Oak Grove School Community near Lockport, county seat of Caldwell and later in the Wattsville Hall School area of the county.
Dr. Clayton Alvis Greer describes his father as "small in size, about five feet seven inches tall and about 140 pounds in weight. When young he had beautiful coal-black hair and clear twinkling eyes. In his later years his hair was, completely, a silver gray, very distinguishing. He was a quiet, somewhat retiring sort of fellow, kind and cooperative, but could be provoked to anger and action if given sufficient cause. He was about the hardest-working man on his farm that I have ever seen. He loved to read his daily paper and some two or three well known farm journals. He secretly wanted all of his sons to be lifetime farmers, but as Fate would have it, not a single one of them did. He had great civic interests, and in his quiet, unassuming way, performed untold services for his community."

Baalis fought in the War between the states in Regiment 16, Company D, Confederate Cavalry of Mississippi under Colonels Spence and Armistead and Generals Nathan B. Forrest and Joe Wheeler. He enlisted at 16 and was 19 when he returned home. Memories are described by Dr. Clayton Greer, one while recuperating from the measles while in the service, he (Baalis) slipped away from the camp hospital to a near-by spring for a drink of cool water and almost got himself killed by a Yankee sniper out of Rome, Georgia, when his rifle was literally shot from his hands and the wood stock splintered.

Another memory told by his father was of him wanting to come home for his Mother's funeral. Although Baalis loved his mother dearly, he could not do so because of the exigencies of the War.

Back in Lowndes County, Mississippi, Baalis and his four sisters gave the land, in 1867, for the building of a Methodist Church, Andrews Chapel on the plantation belonging to his father, Henry Greer, Jr. During World War II, Mississippi discontinued its use and sold the land to the U. S. Air Force. (From the research of Dr. Clayton Alvis Greer's Unpublished Manuscript GREER FAMILY).

Josephine Carrie Greer is buried in the Henry Greer, Jr. family plot. She lived only a short time after her marriage, having only one child who was buried with her in the family cemetery, close to the Old Andrew's Chapel Church, near the Buttahatchie River. Dr. Clayton Greer in his unpublished GREER FAMILY also reveals that he has her personal Bible in which she marked many passages with notations in her own writing of the preachers who used the passages as texts for sermons that were preached. Names of some of the preachers who were preached. Names of some of the preachers: Shaefer, Cone, Perry Peavy(?), and Daniel Hearon. She also made comments after the sermons, such as "moving, refreshing", etc.

Baalis married (2) Jacqueline Mary "Jackie" PARKER 13 Feb 1877 in Lowndes County, Mississippi. She was born 17 Jun 1859 in Lowndes County, Mississippi. She was the daughter of John Priestly "Jack" PARKER and Sarah Crawford "Sallie" McKEOWN. Jacqueline died 19 May 1934 in San Antonio, Bexar County, Texas, and was buried 20 May 1934 in Luling, Caldwell County, Texas. They had 7 children:

2088. M viii. Clayton Alvis GREER, born 8 Oct 1897 in Caldwell County, Texas. He married Janie Mae Olivia JOHNSON 15 Sep 1928 in Corpus Christi, Texas. She was born 1901 in Caldwell County, Texas. She is the daughter of Gustave JOHNSON and Julia Etta COOPER. Clayton Alvis was Professor of English at Texas A&M College (Now A&M University) for 25 years and retired in 1963. He had no children.

When about twelve or thirteen, Jackie, Lillie and Wright (Rightman) were left orphans at the death of their mother, Sallie McKeown, in 1872. From then until her marriage she was under the care of a guardian, Mr. Abraham Botters, and an aunt by marriage, Mrs. Alvis Jonathan Parker who before her marriage was Jane Botters. She was seventeen when she married Baalis Greer and according to Dr. Clayton Greer, "was just a little beauty with dark brown hair and bright blue eyes. As she grew older, her hair turned gray, but she remained gloriously beautiful even in death, making her the most beautiful corpse I have ever seen.

She was a very religious woman, always insisting upon saying grace at the dining table and reading of the Bible and praying in the family circle at night. A leader in her beloved Methodist Church, she taught a Sunday School Class, attended church regularly, visited the sick and needy and contributing much to the church of her worldly goods.

Her greatest desires were to have been a writer especially of poetry and everything the very best for her children. She had hopes that one of "her boys" would become a big preacher of Methodism. Dr. Clayton claims that he almost fulfilled that dream of hers but just never got the necessary "calling from God".

The complete research for Nancy Haynes Greer and her family is from the unpublished manuscript of Dr. Clayton Alvis Greer, GREER FAMILY.

On 9 April 1824, Dan W. Ragsdale got by Patent the NW1/4 of Section 28, Township 16S Range 18 W in Monroe (later Lowndes) County, Mississippi from the U. S. Government. In 1825, he was assessed 1 poll tax and a tax of $16.50, on 21 slaves in Monroe County, Mississippi.

Daniel and his family moved to Aberdeen, Mississippi, between 1841-1845 where they lived in a palatial ante bellum home that covered an entire city block. Dr Clayton Alvis Greer remembers seeing the ruins of the old mansion when he was a child. At his death, Daniel W. Ragsdale owned 4,200 acres of land in Monroe, Lowndes, and Chickasaw Counties, as well as 156 slaves. Nancy Haynes Greer Ragsdale also came into considerable property from her father, Henry Greer, Sr.

The original records of Daniel W. Ragsdale's estate are in files 504 and 620 in the Chancery Clerk's Office, Aberdeen, Monroe County, Mississippi. Daniel W. Ragsdale in 1847 wrote and signed his will. He wrote a codicil to it in 1848. It was written by him in very good handwriting, according to Dr. Clayton Alvis Greer. He further states that he made Dr. Earl and Dr. Richardson, his son-in-law, trustees of his estate and stated that he did not believe in slavery even at its best. He further states that his children were not to marry full cousins or they would forfeit half of their inheritance. Only one child is mentioned by name in the will and codicil and that is Mary, who married Dr. Richard Harrison.

"1850 U. S. Census for Monroe County, Mississippi: Daniel W. Ragsdale, age 51, farmer, born in N. Memo from Mary Lee Barnes to Ralph Terry, dated 31 March 1998, Re: Mrs Rachel Williams: "Thanks Ralph for the information. I don't know that I have ever seen that Bracken was her maiden name. I was looking at both Jack Greer's LEAVES FROM A FAMILY ALBUM and Dr. Clayton's MY GREER FAMILY. They both quote the manuscript by Judge James Micajah Greer and both give her name as Rachel Williams. They married in Paris, Tennessee, in 1819 and that is Henry County isn't it? Clayton goes back & quotes the Judge: "my grandfather married Mrs. Rachel Williams, a widow who was poor and a near neighbor of my grandfather who was then living in the town of Paris, Tennessee. By her first husband she had two children: Isaac Williams and Miriam Williams. The former became a lawyer and lived for years in Paris, Tennessee." But you have copies of all these, I know. From GOODSPEED HISTORY OF TENNESSEE, Shelby County, written 1887, page 9734: "John R. Greer was born in Shelby County 10 Mar 1855.

John R. Greer was raised on a farm and received a thorough education in the schools at Memphis and has fine business qualifications, being the present business manager of the large and undivided estate belonging to the family, and consisting of over 6,000 acres of land in Mississippi and Arkansas, besides the home place in Shelby County, Tennessee. He has served the county as deputy clerk."

David S. Greer of Clark County, Georgia moved to Robertson County, Tennessee when his son John R. Greer was an infant. Later David S. Greer moved his family to Henry County, Tennessee and was the first mercantile merchant west of the Tennessee River. He assisted in laying off Holly Springs, Mississippi where he moved in 1837, and from there he moved to Memphis, Tennessee in 1843.

The following is entitled EARLY MERCHANTS AND OFFICIALS NAMED IN LETTER. "The following is from the historical collections of John S. Dunlap. It is a letter from David S. Greer to William Dunlap. It tells of the beginning of Paris, who the first merchants were, and also some of our first county officials. The library is full of similar information, and we are fortunate in having a staff that is ready and willing to assist in any way possible. In compiling the history of the founding of Paris, early day writers have used excerpts from a letter that was written from David Searcy Greer to this old friend, William A. Dunlap. It appears that all of the city records of the founding of Paris have been lost, probably during the Civil War, and somewhere down the line Greer's letter has been used to verify various dates and happenings. The letter was written while Greer lived in Memphis. The writer of this FOUNDING OF PARIS has used some of the contents of that now famous letter as a source of information in regards to the founding of Paris, in 1823."

He begins, and I quote: 'Little did I dream that after all these years a complete copy of this letter was in existence until, going through the collection of historical material gathered by John S. Dunlap, I found a complete copy of the letter in a magazine called THE GREAT SOUTH. This magazine was the official publication of the Paducah Tenn., and Alabama Railroad, which was later named the Nashville, Chattanooga and St. Louis that runs through Paris (Tennessee). During recent months, the N.C. as it was generally called was purchased by the Louisville and Nashville, and at this writing the transfer is almost complete. The April 1892 edition of THE GREAT SOUTH was devoted to a booster write-up of Paris, one of the larger towns on the new railroad. In addition to the famous letter in the Paris edition, it contains other historical information, ads of local merchants of that date, etc., which are included below:

"The Letter" "Written by an old pioneer, Jan 1, 1880" Dear William Dunlap, Paris, Tn. If you think this letter is worthy of a place in either of the papers published in your town, you are at liberty to use it. On the 14th day of August 1822, I crossed the Tennessee River at Thomas Gray's ferry, at the mouth of Big Sandy River-we camped there. Our company consisted of Mr. S. Ellis, who was the owner of the wagon and team, a young man by the name of Robeson, my father and myself. We were carrying a stock of dry goods to the Obion River. The goods belong to my father. On the next morning we took the road leading about a southwest course; about a mile we reached Crawford Bradford's. He came out and inquired of us where we were moving to, and sold us some corn. Nine miles further we come to Araby Brown's place, and eight miles further William Deloache's. The road was a plain wagon way. There we left the road and turned to the left in a trail no wagon had ever traveled, but the country was level, hickory barrens, and no hills. We reached the middle fork of the Obion River about sunset the second day after leaving the mouth of the Big Sandy. The stream was small; we dug down the bank and got across safely. This being our destination, we found our storehouse all ready and we at once unloaded. The wagon started back the next morning.

Our storehouse was a small log cabin. We made a counter of boxes, and shelves of common boards. It stood in the wild wood and high, dry grass. We commenced selling. There being but little money in the country, we exchanged the goods for furs, venison, hams, hides, beeswax and tallow. These were the first dry goods sold on the middle fork of Obion River, so you will see that I was a pioneer merchant of a large scope of country. My father only remained with us four or five days, and then went to the land office of the twelfth surveyors district to make some entries of land, and then he returned to his home in Robertson County, Tennessee, and the family came to our new home about the middle of November 1822. We moved up to our place near Paris about the first of February 1823. There was a large number of persons on the ground, considering the newness of the country, not less than from two to three hundred. The first lot sold was struck off to Daniel Culp; it was the same one on which Mr. T. Carney, where afterwards did business on so large a scale. But Culp built a log house immediately, and soon had a stock of dry goods opened, and Squire Jack Hicks, then the county court clerk, bought and immediately commenced building a frame house designed for a hotel, which he opened and kept for two or three years and then sold to Squire Dunlap. John C. McLemore bought two or three lots on the north side of the square and sold one or two of them to Armour & Lake who immediately commenced building a log store house of entertainment early in the fall of 1823, but sold out in two or three months. Henry League married the aunt of Governor I. D. Porter, and Miss Gerelean Horton came down on a visit to her sister. Dr. T. K. Porter just then settled in Paris, and soon became the husband of Miss H. John Brown, and started building soon after the sale of the lots on southwest corner of the square; and by fall had a stock of goods there. John Younger also built on the west side of the square and had a stock of dry goods on sale about the same time. In the fall of 1823, there were five stores, as Colonel Richard Porter built on the east side of the square and opened his store early in the summer of 1823. Samuel K. Carke commenced building his brick hotel in the fall of 1823. It is on the south side of the public square. Major William Stewart and his brother Charles, did the carpenter work, and if you will examine it at this time, you will find it to be not only handsome, but a fine piece of workmanship.

friend to Methodist preachers than was he. The writer feels better for having shared his fatherly advice and saintly benedictions. He was a constant and prayerful reader of his Bible. The following note, written by his own hand many years ago, and found in his Bible, gives a true insight to his religious experience: "I have read the Bible through twenty-four times, and it has become such a source of pleasure to me that it almost seems a part of my existence. I thank the Lord for such a great blessing, and pray that he may continue to make me a meek and humble Bible reader. "Truly, it was a part of his existence, for he feasted upon its precious truths daily, and fashioned his life after the highest type of Christian character therein portrayed. And his prayer was answered, for he told the writer, in a religious conversation a short time before his death, that he had read the Bible through consecutively thirty-seven times, and remarked that he always found something new. By many years of prayerful research in this rich mine of divine truth, he accumulated a large stock of that 'wisdom which cometh down from above.' For fifty years he had been 'growing in grace and in the knowledge of Christ.' He had tasted of the 'depths of the riches of the knowledge of Christ Jesus his Lord,' and had realized that 'the path of the just is as a shining light that shineth more and more unto the perfect day.' He lived in daily communion with God, and often spoke of his prospect of soon getting home to heaven. His death was quite sudden, but the summons found him ready. He quietly exchanged his long tired armor for a robe of spotless white, and mounted up the shining way, to be crowned a victor in the courts of Him whom he had so long and so faithfully served. Thus lived and thus died 'an Israelite in whom was no guile.' Earth has been blessed and heaven enriched by the gentle spirit of David S. Greer." /s/ R. N. Freeman, Memphis, Tenn.

The probate file #4640, of David S. Greer, in Shelby County, reveals that at his death he was survived by his widow, Martha and three sons (out of a family of ten children): Hugh D. Greer, David S. Greer, Jr. and John R. Greer, the latter of whom served as administrator of his father's intestate estate. The settlement was very modest, suggesting that he was 'land poor.' His widow, Martha Jane Greer, who died 15 May 1888, lies beside him, both in unmarked graves in lot 24-94 in Elm Cemetery in Memphis.

The names of the children for David Searcy and Martha Dunlop Greer are taken from the Goodspeed article and tombstones on the family lot at Elmwood. Buried among them is Martha's brother, William Claiborne Dunlap, a distinguished man who never married and lived in the Greer household until his death.

In 1880, David S. Greer wrote his recollection about the early settlement of Paris, Henry County, Tennessee; it was quoted in Goodspeed's HISTORY OF TENNESSEE, Henry County, 1887, pages 819, 825, 826. It was written that the Greers settled in Henry County in August 1822. Later in 1885 a son of James M. Greer named James Micajah Greer wrote a genealogical account, quoting much from the genealogical memorandum of his Uncle David S. Greer. This work is filed in the genealogical collection of Marshall County Library in Holly Springs, Mississippi.

2334. F ix. Martha Damaris CAMP, born 5 Jan 1836 in Dresden, Weakley County, Tennessee, died 12 Dec 1836 in Dresden, Weakley County, Tennessee.

2472. F xv. Margaret Henrietta CAMP, born 9 Nov 1848, died 9 Nov 1941.
The following data is from the research of Mary Lee Barnes of Knoxville, Tennessee:

Diannah met Williams Washington Camp in Tuscaloosa County, Alabama where they relocated after her mother's death. She was living with an aunt, probably Diannah who married William Cabiness. She married Williams Camp at the age of 16; he was 22 years of age. Their first 6 children were born in Tuscaloosa, Alabama. About 1833, Williams, Diannah and the 5 children moved to Weakley County, Tennessee, near Dresden.

It was in Weakley County that Williams Camp became a Mormon and was baptized in the church of Jesus Christ of Latter-Day Saints in 1841. Diannah was baptized in 1842. Seven more children were born in Tennessee, four died in 1835.

Williams and Diannah made a trip to Nauvoo, Illinois where they met the prophet Joseph Smith and other leaders in the Mormon faith. While there their son William Polk Camp died and was buried in Nauvoo. They then returned to Dresden, Tennessee to make preparations for the move to Nauvoo with the other church members. The Mormons were much persecuted, thus preparations were made to move west led by President Brigham Young. When they returned to Nauvoo with their belongings, the members under Brigham Young were already gone. They rested a few days and then joined them at Mt. Pisgah, Iowa. Their son, James Greer Camp, age 18, volunteered for service in the Mormon Battalion, under the United States Army. A battalion of 500 men were to march to California to help in the Mexican War.

In August 1846, the Camps arrived in Council Bluffs, Iowa. Their fourteenth child Richard Cecil Camp was born there. In early 1847, they travelled to Andrews County, Missouri where they purchased land to farm. They intended to raise crops to help other church members and themselves to have provisions for the trip west. Their fifteenth child Margaret Henrietta Camp was born there, and reported that she was so terribly bitten by mosquitoes that an abscess formed causing her to be crippled.

They returned to Council Bluffs about 1849, and on 15 August 1850, they arrived in Salt Lake City, Utah. They purchased land and Williams owned one of the early clothing stores in Salt Lake City.

In about 1852, Williams was called on a mission to Texas, and Diannah was called to Holly Springs, Mississippi due to the death of her father, James Greer, Jr. She returned to Salt Lake City with 10 or 15 wagons loaded with goods, her share from her father's estate. Her share was about 18 or 19 thousand dollars.

They built a large two-story home on Redwood road in Salt Lake City. Within the next 20 years, William Camp married six other women and had five more children by two of them, making a total of 20 children, 15 by Diannah.

In 1874, Diannah went to visit her daughter, Catherine Ellen Greer and husband Thomas Lacy Greer in Kimball, Bosque County, Texas. It was there that she died 19 March 1875, and was buried in Kimball Cemetery near Kopperl, Texas. Kimball is now a ghost town.

*Ellen Camp Greer (Catherine Ellen Camp) as a child passed through the mob violence in Nauvoo, the fright, terror and dangers with the early Saints forced to leave their beloved homes and flee. The City Beautiful, the preparations for a long (destination unknown) journey, then a trek of almost endless miles over plains and mountains, arriving a young lady in a budding city. Salt Lake City. She married Thomas Lacy Greer, a Texan, and went back with him to his much unknown, big, open country on a mission, called as so many Saints were to settle new places. Here they stayed twenty years. Ten children were born to them there, then back home to Utah they started but Arizona, with sociable people and the sight of a promising cattle ranch captured their travel weary hearts and held them in Arizona. It was new, just becoming settled, pioneers they, but they loved it. It was not all hard, they had money enough to get a good ranch, and they had bought a good start of cattle and horses. Her kind and loving husband and strong, helpful, capable, growing sons and daughters lightened the load.

They lived near and in the dangers of The Apache War and marauding warriors and daring desperadoes common in new countries. She may have even had these in her home as it was the oasis, in Apache Co. for travelers there. Desperadoes, to her, would have been misguided boys or men away from home and mother. She would have fed them and cared for them just as she would have wanted someone to care for her sons had they been away from home. She could not have been afraid of any of them. Those people had been trained to know that they could conquer not be conquered. Early she was left a widow with ten of her twelve children living.
For forty-eight years she faced life bravely, hopefully, and resourcefully. She was a woman of dignified bearing, energetic and forceful with an artistic touch as all who entered her home will testify. She will long be remembered for her hospitality and sympathy.

Born in Tennessee, 17 November 1837, the tenth child of Williams Washington Camp and Diannah Greer, they always said that she was their "tithing child" and she felt this so strongly that she tried to dedicate her life to The Lord.

When she was about six yrs. old during the trouble in Nauvoo, the Prophet Joseph Smith and his brother Hyrum held a meeting in her father's house. Ellen had been put to bed but she crept downstairs and hid under the table which was covered with a long table cloth that hid her from view. She remembered this incident well because her mother doubted her word when she told her next day that she had listened and she proved it by identifying two songs that were sung. She never forgot their titles. One was "The Pure Testimony" and the other was "Afflicted Saints of Christ Draw Near". One verse was:

"Should persecution rage and flame,
Still trust in Thy Redeemer's name:
In fiery trial thou shalt see
That as thy day, thy strength shall be."

Outside the mob came, they were burning houses and persecuting all who were favorable to the Mormons. 'Uncle Ike', one of their negro men was on guard with a shotgun and he told them if they came inside that he would shoot and they were persuaded to leave, without molesting anyone.

One time the Prophet put his hand on her head and said that she was a nice little red-headed girl. She never forgot this.

The elders were holding a meeting near their home. The children were amusing themselves jumping off the back of the buggy, she fell and broke her nose and they administered to her, which she always remembered as it was the first time that she saw anyone administer. Her mother was a charter member of the First Relief Society. When one of her Mother's children was ill and she was very worried because she had lost six children already, so besides using every remedy that she knew, she prayed earnestly.

An elderly man, a stranger, very clean, came to her home, she placed food for him to eat, he bowed his head and blessed it. He told her to use certain herbs and applications for the ailing child. Next morning the old negro came in and seeing the child standing by the fireplace, in terror he exclaimed, "Oh Misses, come quick, and see little David's ghost." the child recovered, the old man was never seen or heard of after he left the door. It was always thought that he was one of the three Nephites.

She went through the Nauvoo Temple, to see it and heard boasts that it would be destroyed as soon as the Saints left. Her brother William Polk Camp, next to her, 2 yrs. old, died and is buried in Nauvoo.

Her father arrived in Nauvoo in August. He planted turnip seeds, (under criticism because of the late season) and covered them with straw. they had greens, then matured turnips to feed the family and neighbors all winter. Wild nuts gathered to add to the food supply. before the eventful trek, across the plains, maple syrup and sugar were prepared in a 30-gal. barrel and crackers were baked on a slab by the campfire.

When living at Greer's Ranch years and years later, to get to church, she drove a team, taking her children each Sunday and usually arrived earlier than the people a block away.

On Easter she always hid lots of eggs, for all the children. The money from selling her stock (a neat sum) was placed in a store as capital stock to provide for her later lifetime. Unfortunately much of this was lost. When she prayed and that was often, it seemed like she was talking to a person right there by her. She invited anyone who was at her home at prayer time, to kneel and join with her, many not used to praying knelt there.

Although she lived ninety-two years she grew old gracefully maintaining to the end her alertness of mind and body and her cheerfulness of spirit and her strong testimony and great love of the gospel. (This comes from GREER MEN, compiled by Ellen Greer Rees, July 1953, For the Greer Reunion at St. Johns, Arizona, July 24 to 26, 1953).

Thomas Lacy Greer descends from another Greer family who was in Georgia at the same time as our Greer family. His father was Nathaniel Hunt Greer and Ann Terry Roberts. This Greer family is believed to be related to our John Greer and Sarah Day, but no one has ever been able to make the connection.

Thomas Lacy moved with his family from DeKalb County, Georgia to Texas in 1837, at about 11 years of age. In 1846 he volunteered and fought in the Mexican War as a member of the 6th Cavalry division of the Texas Volunteers. He fought from 1846 to 1848 in battles leading to the capture of Mexico City. A medal and citation were issued him for a shoulder wound in which the bullet was never removed, causing a partial disability and suffering in his later years. He served under General Winfield Scott in the drive to Mexico City. In late 1848 he received an honorable discharge from the United States Army.

After he and his family joined the Church of Jesus Christ of Latter-day Saints in 1854, his father decided they should join the Saints in Utah. In the spring of 1855 the family left Texas, with all of their possessions and livestock, traveled north to Omaha, then west on the Mormon Trail to Utah. It was a hard and very tragic journey. They lost much of their cattle and many possessions. Near Atchison, Kansas his father and two brothers died of cholera.

In Utah Thomas married Catherine Ellen Camp 25 Nov 1855, and after a very hard winter he returned to Texas with his own family and most of the Greer clan, except his brother Dixon.

Left for mission in Spring of 1886 going to Isleta and Acoma, N.M. later went to Papago Indians in Southern Arizona, where he stayed until Aug. 1887. Returning to St. John's where he was called as Bishop of the Luna Ward in the fall of 1889. He labored there until his death in 1895. The wife was left there with six small children, a farm wagon, in snow and cold of late January. She had a keen sense of humor, a courageous woman who always dealt justly and fairly with everyone. He was a man devoted to his religion and loved by all. Deseret News, (his daughter) speaks of him beloved and able, 7 years missions record-keeper, modest in manner.

"She was lovely and fair as the rose in the morning, but it was not her beauty alone that won me. no, it was the truth from her eyes, ever beaming. Yes, she was all this and more to me, besides being sister she was one of the best friends that I ever had. She was coaxed away from home when but a child of thirteen by an unprincipled, man teacher who dealt her a miserable existence for four years. Then through the love and kindness of Uncle Gil, she followed her folks to Arizona where she remained and was the source of great joy to me as an eleven year girl.

It was so nice to have a sister to be with me on visits and at home and make my dresses and make me more presentable.

Dixon also married (3) Tabitha Ann JERRELL 25 Nov 1908 in Salt Lake City, Salt Lake County, Utah.

The life of Dixon Hamlin Greer, was one of wide experiences with many ups and downs, both financially and in family relationships. He was the eighth child of Nathaniel Hunt Greer and Nancy Ann Terry Roberts. The family originally settled in the state of Georgia, then moved to Chambers County, Alabama where Dixon was born 25 February 1834. They moved to Washington County, Texas when Dixon was about 4 years old. The Mormon Missionaries came to Texas in late 1853 and the whole family accepted the Gospel and were baptized members of The Church of Jesus Christ of Latter-day Saints. Dixon was baptized on 9 Aug 1854. In Texas his parents acquired a plantation, and for a time slave owners. His father became a merchant and they were considered well-to-do. Early in 1855, the Greer family joined the Seth M. Blair Company, which later joined with the Texas Company on this epic march across the plains, to migrate to Utah. They had several wagons loaded with goods to start a store when they reached the valley. They also had a large herd of cattle and horses they were taking to their new home. The Company traveled north nearly one thousand miles to Omaha, Nebraska and then another thousand miles west on the Mormon Trail to Utah. A repeat story of the sufferings, hardships and heartaches of the first pioneers who came to Utah, is also the story of Dixon and his family.

After a few weeks of travel, cholera broke out. The father, Nathaniel Hunt Greer, died of the dread disease at Grasshopper Creek near Atchison, Kansas on June 23, 1855. Two sons and a grandson also died of the same disease. They were buried in a shallow graves with nothing to mark their lonely resting place. The remainder of the family continued the lonely trek and endured many hardships. Dixon recalled later to his children how he foraged for food and wood for his family and how very often the children gathered buffalo chips for fuel to cook their meager meals. Illness continued to plague the entire company, but finally after losing much of their worldly goods, the surviving Greers reached the Salt Lake Valley on Sept, 10,1855. The next month on 25 Nov 1855, Dixon's older brother Thomas Lacy Greer married Catherine Ellen Camp.

As was planned by the father, Dixon and his brothers opened a store on First South and Main street. The winter of 1855/1856 was very hard and most of their remaining livestock perished. In the spring Thomas Lacy Greer and many of the Greer family returned to Texas. Later some of the family moved to Arizona and established the Greer Ranch.

Dixon met and fell in love with the beautiful Harriet Diannah Camp, the 13 year old younger sister of Catherine. She was also a southerner, born in Tennessee and came across the plains when she was just eight years old. She grew up in Salt Lake City. She was very talented -- sang beautifully, played the piano and was a very fine artist. She returned his love and after a courtship of several years, they planned to marry. "Of all sad words of tongue and pen, the saddest of these- it might have been", fate intervened and because of a "lovers Quarrel", they separated.

On 9 Feb 1858, Dixon married Mary Vernisa Sprouse in the Endowment house. Dixon and Mary had a son, Dixon Nathaniel Greer born in 15 Feb 1859. In 1861 Dixon and his little family decided to go to Texas for a visit. While in Denver, Mary gave birth to a premature baby girl, they named Catherine. Both the mother, Mary, and the new little baby died, leaving Dixon a widower with young son to raise. He returned to Utah with his son.

Meanwhile, on Dec. 16, 1860, Harriet Diannah Camp married Mark B. Murphy in the Salt Lake Endowment House. She had one daughter Mary Ellen born Sept. 23, 1861 and on Dec. 19, 1862, Harriet's husband, Mark Murphy, died leaving her a widow with a small child before she was twenty.
Harriet and Dixon were reunited after the tragic ending to their first marriages and were married Feb. 25,1864. The only sadness in an otherwise ideal marriage was the sorry way they felt that a foolish quarrel had prevented their earlier marriage, and some contention over "his child", "her child", and their children.

Shortly after their marriage, they were among the first settlers in the small town of Wallsburg, Wasatch County, Utah where he purchased 40 acres of land, built a house. They became the parents of 11 children. Dixon taught school at Heber City, Utah in 1862, and then in Wallsburg in 1864. He was the first school trustee in Wallsburg and helped to build the first school house there. He was a well educated man, as was Harriet. It was said of him that he could spell and tell the definition of almost any word in the dictionary. One of their most valued possessions was a large cupboard of precious books. Each of their children was given the opportunity for a good education, and early in life were taught the principles of the Gospel. Later he bought a lot in Heber City, built a house where they lived until 1900.

A baby boy, John Columbus Greer, their first child born was the first baby born in Wallsburg. Tragedy struck their home in 1868, when their second child, a girl, died; and again when two small daughters died within a week of each other of diphtheria. All of the children were ill with this dread disease, but the others recovered. Because there were no doctors available to them, the parents both felt that their faith and prayers had saved their other children. In 1875, twin boys were born to Harriet. Two weeks before their birth, she was running and fell on a stick. She became very ill. When the babies were delivered, one was dead and the other very sickly. He lived for six years but never grew or developed properly.

Of the eleven children born six of them died in childhood. Those who grew to maturity were: John C. Greer, Stephen D. Greer, Alice G. Duffield, Wilmerth G. Boshard, and Grace G. Nuttall.

Dixon and Harriet were both very religious and held many responsible positions in the church. They often drove to Salt lake City and Provo for conferences. He did much to help his friends and relatives. He was very ambitious, always arose at 5 a.m. and was always busy working or studying. He returned to Texas as a missionary and was also served in the Black Hawk War. Occupations that he followed were varied and many, including mail carrier, farmer and cattleman, merchant and school teacher.

His grandchildren remember him as a jolly man, who always had a story to tell. He wore a goatee in his later years. He loved to dance and was a very good cook. He was especially famous for the making of good apple cider.

In 1900, Dixon and Harriet moved to Provo. She preceded him in death on 14 July 1908 at the age of 66. He spent two of his remaining years in Santa Monica, California, with his daughter Alice. He died in Provo, 29 July 1918 at the advanced age of 84. Surviving at the time of his death were 5 children, 36 grandchildren, 92 great-grandchildren, and 121 great-great-grandchildren.

Judge James Micajah Greer writes the following about his father: "My father was named James Madison Greer. He was about five feet and nine and one-half inches in height, had blue eyes, held himself erect, with florid complexion and was a lawyer by profession. He was born a slave holder and in DeSoto County, Mississippi, had a plantation. He did not actively practice law but a few years and this was in Holly Springs, Mississippi, near which village he owned a "Place". He was not a college man, but had been thoroughly taught, was a good Latin scholar, a man of much reading and a lover of Scots and Burns and above all, Shakespeare. He was of a hasty temper and above all a man that I ever knew despised sham and pretense in his fellow men."

"In the early 50's (1856) he was a member of the Mississippi legislature elected from DeSoto County, Mississippi. He was a Democrat in politics, religious in temperament and leaned to his wife's church - the Episcopal, though he never became a member. I recall with enjoyment his frequent declaration made in all seriousness and utter absence as to their being of Irish Bull order that he would be damned if he didn't join Mary's church - Mary being his wife."

"Of course it will not be believed that I can speak impartially of him. But at least I may say in a very strictest of Justice; he recorded his name clean and out with a charge of dishonor and he hands it down the same way to his children. I would tell something of his kindess to his slaves of his glorious sense of humor - in which Irish Bull came out - of his intense love of country. Probably he was provincial - at all events he was sectionaJ - but before his death in 1879 out yonder in Texas, he came back to his old love the Union, into which he was born. Of course, I cannot write of him, so as to interest you a generation or yet of another who will come after, but let me say that he loved loyalty and lived honorably and he died without any man doubting his integrity, his honesty or his courage. On Dec 23, 1841 he married in Holly Springs, Mississippi, Mary Elizabeth Autry. She was then but a child, having been born on 10 Feb 1827 in Nashville, Davidson County, Tennessee. Mary died 25 May 1915 in Beaumont, Jefferson County, Texas, and was buried in Magnolia Cemetery, Beaumont, Jefferson County, Texas."

"Elkanah Greer received a good education. He was a tall, lean, red-haired man with piercing blue eyes and known for his temper. At the time he was brought up, his father, James Greer, Jr. was in sound financial circumstances; and the children by James, Jr. and his second wife Rachel Bracken Greer were brought up in better conditions than the ones by his first wife. Although, it was reported by Judge Micajah Greer that she never showed favoritism among the children".

"GREER, ELKANAH BRACKEN(1825-1877). Elkanah Bracken Greer, soldier, planter, and politician, was born in Paris, Tennessee, on October 13, 1825, the son of Capt. James and Rachel (Bracken) Greer. In 1845 he joined the First Mississippi Rifles as a private under Jefferson Davis for service in the Mexican War and participated in the battles at Monterey and Buena Vista. Greer served as major general of the Mississippi militia soon after the war was ended. He moved to Marshall, Texas in 1848 and returned briefly to Tennessee in 1851 to marry Anna Holcombe; the couple had four children. During his antebellum years in Marshall he was a merchant, a planter, and a lawyer in the firm of Pope, Stedman, and Greer. He also served for a time as superintendent of the Southern Pacific Railroad in Marshall. Greer was an ardent states'-rights Democrat and became grand commander of the Knights of the Golden Circle in 1859. He organized support for the filibustering program of the KGC. and in February of 1860 he offered Governor Sam Houston a regiment of mounted volunteers to invade Mexico. Later that year Greer attended the Democratic convention in Charleston as a delegate, and he was among the "bolters" who refused to accept Stephen Douglas's platform. In Texas he urged the calling of the Secession Convention after the Republican presidential victory. He entered the Confederate army in May of 1861 and raised the Third Texas Cavalry by June. With Brig. Gen. Benjamin McCulloch's Army of the West, he commanded his regiment at the battles of Wilson's Creek (Oak Hill), Missouri, and Chustoahah, Indian Territory. At Pea Ridge (Elkorn Tavern), Arkansas, despite sustaining a slight wound, Greer temporarily succeeded to the command of McCulloch's division after McCulloch and several other senior commanders became casualties. During the spring of 1862 Greer commanded a cavalry brigade that included the Texas regiment. After participating in the evacuation of Corinth he resigned the command on June 1, 1862, but later returned to service and was appointed brigadier general on October 8, 1862. He eventually became chief of the conscription bureau for the Trans-Mississippi Department and head of the Reserve Corps. He worked with Gen. John B. Magruder to reconcile Confederate conscription laws with Texas state laws. After the Civil War Greer lived in Marshall in semi-retirement. In 1875 he was a member of the reception committee for Jefferson Davis's visit to Marshall. He died while visiting his sister at Devall's Bluff, Arkansas on March 25, 1877, and was buried next to his parents at Elmwood Cemetery in Memphis, Tennessee." Marriage information from Volume B, page 55, Erath County, Texas.

From Nina Marie Cosper Fuller's WILLIAM CABANISS OF TEXAS AND HIS WIFE LYSANIAS A.M.E. STANDIFER: QUOTE: Fact and fiction about Pole have so intermingled down through the years we can not draw a true picture of him. Family tales passed down frequently contradict each other. We have him as a Texas Ranger through one and as an outlaw in another. His father-in-law thought he was a "never-do-well" and didn't provide for his family, but tradition did not indicate his family endured hardship conditions in excess of those normal for that period. Within the family he is reported to have killed three men, one a negro, but this may have been a misinterpretation when Pole was relating some of his adventures to his grandchildren. The only record found which might clarify this is found in Case number 171 of the fall term 1869 on the Criminal Court Docket, Caldwell County (1869-1870) which shows Napoleon Cabaniss arrested for murder but we find him judged to be "not guilty" as shown in Book C Minutes. District Court.

Napoleon came to trial on 8 June 1870: "In this cause came the State by District Attorney & the Defendant for person by attorney announced themselves ready for trial. Whereupon came a Jury of good and lawful men of Caldwell County, to wit: J. Stroud, Foreman, Jesse Barchie, J. B. Cole, Joseph Kuhnson, H F King. Jas Alexander. Wm Palland. Dan Miseuherman. Henry Ackham. B. A. Daniels who after being impaneled & sworn and after hearing the evidence due & argument of counsel & charge of the Court. Retired to consider of their verdict and coming again into open court returned the following verdict to wit - "We the Jury find the Defendant Not guilty" J. C. Stroud foreman. It is therefore ordered and decreed that the Defendant Napoleon B. Cabaness go hence discharged without delay June 9th AD 1870." As the case documents have not been located, we must revert to Texas history during this period of time, a time of turmoil and in some Texas counties oppression by the Reconstruction forces who chaired the local governments. We note the members of the jury were not close friends and relatives of the defendant therefore more likely to consider all evidence without prejudice.

When attending Texas University, Freda Nutt, grand daughter, visited in Lockhart with a school friend and met Mark Withers who gave her the following: Pole and Mark, taking their horses and Pole's slave ran away from home and joined Company I. 36th Regiment, Texas Cavalry. Captain Thomas H. Ellison commanding. The slave was sent home but Pole and Mark along with their horses were kept until the end of the war. A disposition by the local governments. We note the members of the jury were not close friends and relatives of the defendant therefore more likely to consider all evidence without prejudice.

interrogations (sic) to each of said witness. Can't locate assessment." His last application was filed November 7th, 1911, approved June 1st 1912 with pension allowed from September 1st 1912. A statement by Dr. Taylor Hudson dated 15 February 1908 says Napoleon was suffering from an old wound in the right forearm. In one of his applications, Pole said he had been shot in the arm. Most grandchildren of Napoleon were told that he was twenty years older than Columbia and every resource was utilized to determine his birth year. Census beginning in 1850 and through 1910 showed an amazing lack of consistency in his age for we find him 3 in the 1850 census, 1860 reads age 12, 1870 shows age 29, 1880 has his age as 30 (aged one year in a ten year span), he is aged 33 in the 1900 and 71 in the 1910 census. With this variation, we next tracked the ages of his one brother and sisters in census and other acceptable records. Each of these gracefully aged 10 years in each decade and were consistent with every census. After evaluation of the census, August of 1847 was accepted as correct for the birth of Napoleon as shown on 1900 census.

Pole collected his inheritance of $99.36 from his mother in 1866 and had increased it to $2000 in personal property as a stock raiser by 1870. He, his sister Josephine with her husband Alvin and son William were living with Alvin Haynes' parents, William and Sarah Haynes, per the 1870 census of Caldwell County. This sedate life proved too much and he soon began trail drives only to be robbed of his money enroute home according to Marvin Cabaniss, grandson. Napoleon regained his two oldest grandsons, Marvin and brother Bonner, with tales of the past. In an interview with Marvin, he recalled telling him of Napoleon riding his mule around the country side with a coffee pot and makings, that when he met a friend he would stop, make coffee and settle down for a chat. Apparently from the many things Marvin related, Napoleon had many friends who enjoyed meeting with him.

We can only surmise Pole met Columbia Ann Bonner who later became his wife when she lived with her family in Caldwell County. The Bonners probably moved from Caldwell County where they are shown on the 1870 census shortly after for family tradition has Columbia's mother dying at "Big Elm Creek", now Troy, Texas, and records show her father married his third wife in 1875 in Bell County. According to Columbia, she and Pole "ran away" and were married in Erath County. Why they travelled the hundred plus miles from Bell County to Erath County to marry is anyone's guess, but some Cabaniss' were living in Erath County during that time according to deed books and marriage records.

Family tradition is vague and does not indicate what Pole did in the first years of their marriage but do place them in Rockdale, Texas in 1878. The 1880 census locates them in San Saba County with Pole shown as a cattle herder and shown in the census as "Jesse". An assumption is made that they attended the "home place" in the Cedar Knob community, described in land records as being on the Lampasas River although it was actually on a hill some distance removed, in 1881 or 1882. This assumption is based on the deed showing Lysanias Hunter, Pole's mother, of Edwards County, Texas bought this property from H. S. Cottle in 1882 and sold it to Pole in January 1890, Lysanias still a resident of Edwards County when she conveyed the title to Napoleon.

Napoleon married "Columbia Ann Bonner in Erath Co., TX, 19 January 1876. Columbia was born in Tuscaloosa County, Alabama, 16 July 1856." Columbia was the daughter of C Earl Foster Bonner and Margaret Marjorie Robertson. Columbia died 28 April 1942 in Belton, Bell County Texas, at 85 years of age. She was buried in the Cedar Knob Cemetery.

We do not know when Columbia moved from their home place in the Cedar Knob community but assume it was probably after the marriage of her two youngest sons, William and Jack. Grandchildren remember visiting her in Belton where she first lived on South Main Street in the first house southeast of the Nolan Creek bridge in the late 1920's moving to West Avenue D into a two room apartment either in the late 20's or early 30's. She 'broke up' housekeeping about three years before her death and was cared for by granddaughter Mae Cabaniss Taylor until another granddaughter, LaVerne Cosper Ratliff, took over her care. Whether before or after her husband died or she moved from the home place, Columbia undertook to provide more revenue to contribute to the living expenses and probably took the form described in a letter from one of her daughters who wrote that Columbia should break her buggy around the country side 'paddling pots and pans'. All her children told of an accident she had with her buggy in which her shoulder was broken and which they attributed her slightly slumped shoulders. In this day of more reliable medical knowledge one wonders if perhaps her collar bone rather than shoulder was broken and if the slight shoulder slump in her elder years was actually osteoporosis or old age shoulder fatigue.

Columbia encouraged her grandchildren to learn of their ancestors by making a game with her memories of days long past. She kept a tapestry covered album, which had a raised enamel emblem surrounded with a gold decorative work, on a table in her sitting room filled with pages of tintypes of her two youngest sons. William and Jack. She kept a tapestry covered album, which had a raised enamel emblem surrounded with a gold decorative work, on a table in her sitting room filled with pages of tintypes and earlier pictures annotated with names. The granddaughter would pick out a picture for Columbia to identify the relationship and give a history. The location of her family Bible and her picture album is a mystery which will probably remain unsolved. From the family stories with which she entertained her grandchildren, using both for references at these times, a wealth of information was recorded here for which records are no longer available. One can only hope they have not perished and will someday surface with recognition of their importance, and disposition in an archives for future research.

According to family tradition, her father did not think "Pole" provided for her as he should and apparently this remained a bone of contention until her father's death. One account says C. Earl Foster Bonner, made a visit with the intention of shooting Pole, but when he pulled the trigger, the gun would not fire. Whether he and his son-in-law had words at this time to trigger his attempt to shoot Pole was not revealed. As this was never passed down by Columbia or any of her children but came from another Bonner family descendant, we have no way of knowing whether this is fact or fiction. She did admit once that she and Pole ran away to be married and since she was nineteen years old at the time, permission would not normally be denied unless her father had some objection to the young man.

She was a small woman, only five feet one inch. Most of her grandchildren thought they would be "grown" when they reached her height. Since her father was over six feet, her height may have come from her mother's family. She was living with her granddaughter, La Verne Cosper Ratliff at her death.

Annie was quite a politician, Bible student and a philosopher. But perhaps her most noted quality outside her immediate family was her mathematical genius. In the days prior to the advance technology we know today, she was frequently called upon by businesses and friends to figure their compound interest on long time notes, or for other mathematical solutions of problem areas. Annie was an extremely religious person, loved her family and kinsmen who could do no evil as far as she was concerned, and was extremely intelligent. She was an advocate of "women's lib" long before such became a popular political movement and actively supported the constitutional amendment which gave women the right to vote by brow beating all the local politicians until they agreed to back the amendment. Although she never actively entered the political arena, she studied all candidates, local, state and national, and would support her favorite in such a manner no one would admit voting for an opponent. Annie instilled reverence of God in her family using scriptures from the Bible which she quoted from memory, having a verse for every occasion. Her philosophy was to look for the good in a person regardless of the circumstances. She said everyone could and did find the bad in a person, but would never be able to do "it". The latter expression with its "there's no such word as can't" caused trouble for this writer on four separate occasions with school teachers when those teachers were struggling to teach contractions in the class room. Unfortunately either the teachers were not familiar with this quote or did not
understand the philosophy intended, for this writer had to "begin at the beginning" to instruct her own children that "can't" was no excuse to prevent achievement in their endeavors.

She was a diabetic, diet controlled until the last year of her life when cancer racked her body and she had to use insulin. Annie always looked much younger than her age and by those who did not know, her oldest daughter was frequently thought to be her sister. She aged rapidly though from October 1956 to August 1957 after cancer assaulted her body and rapidly reduced her to less than one hundred pounds in weight.

Annie was no paragon and like many other Texas women being her faults, an extremely high temper was just one. What ever her faults, they were out weighed by her charity to others and the Christian principles she instilled in her children.

Cotton Broker, Ginner, farmer and rancher, Frank had also undertaken many other forms of providing "money in his pocket." When still a young man at home, he and a cousin made a contract with the City of Belton (Texas) to plant Hackberry trees on both sides of Main Street. In the story related to his children, they cut down the trees on the Lampasas river banks near Youngsport, hauled them into Belton to plant, and guaranteed all to live. He stated they only had to replace one tree. And until his death, he monitored the trees seeking the cause and solution if one died. Hackberry trees are notorious for their short life span in comparison with Oak, but few of these trees may still (1989) be seen as you travel north and south Main streets in Belton.

Frank had a patience and persistence to rival a Saint and an inventive mind. He devised and built an irrigation system which "ran water uphill" from the Lampasas River to The Gardens, his home at that time, to water his truck garden. This achievement was related to his daughter, who had never been told of this, by some of the neighbors at the time who had watched the building of the irrigation system. This was verified by her oldest brother when she questioned the truth of these 'tales.' Younger generations must realize that water pumps in the early 1900s were a luxury item few could afford and other methods must be utilized to accomplish the same purpose.

Frank was far in advance of time with his safety knowledge and practice which he taught all his children. Gun safety, medicines out of reach of children, automobile safety were only a few and in those days of a Safety Director as a common industrial position, it is hard to believe someone must be on the job to instruct any person about safety. Not only was Frank in advance of times with safety instruction, he was always hunting ways to do anything better and in a shorter period of time which the present generation will recognize as Time and Production management.

Possibly a mechanical genius Frank built many a "Whoopie," a term he coined and used every time he succeeded with one of his rebuilt vehicles. He bought old junked cars, mainly vehicles named Overlands, promptly cut off the back seat and built a flat wooden bed to replace it. The engine and other mechanical parts underwent a complete overhaul until the vehicle was in condition to be driven. He taught his children to drive in these vehicles and allowed them to drive over the field in them. His daughter, Nina Marie, was even given one to drive to school in Belton though he sold most of his rebuilt cars.

Living in a remote county area in the 1930s which precluded obtaining electricity from the newly established Rural Electric Authority, Frank built what he called a "Delco plant" to generate electricity and provide electric lights in the house. The "Delco plant" which made quite a noise would only generate electricity while running so was placed some distance from the house. Each evening at dusk Frank would start the generator and turn it off at bed time.

Frank was a Cotton Buyer and in business with A. H. Soffold and Tom Bowles. In 1929 they built two cotton gins, one in Belton and one in Nolanville. A. H. Hook took a seat on the Cotton Exchange, Tom took the gin in Belton to manage and Frank moved his family to Nolanville and managed the gin there until he developed what was called in the cotton ginning industry 'lint fever,' today known as asthma. He sold out his interest in the gin in Safford and Bowles, purchased a ranch at a 'Sheriff's Sale, located on the Lampasas River southwest of Belton. The prior owner of the ranch had operated a whiskey still in the house which was probably one of the earliest houses in Bell County. He, the owner, was chased home by the Sheriffs when purchased by Frank, it was said that whiskey fumes would alone make a person drunk. That the house dated from the early days of Bell County was determined from the square nails in its construction and from the material used to construct the stone fireplace in the house.

Too old for military service in World War II, he contributed to the war effort by immediately going to work at Camp Hood as a Vehicle Inspector with the Ordinance Department. He continued there until the close of the war when he returned to farming.

She was born 6 Mar 1919 in Williamson County, Texas. He is the son of Willie Davis FULLER and Cora Alice HALL.

They had 4 children:

Nina graduated from Belton high school in 1941 and from the University of Texas at Arlington in 1973 with major in history. She did post graduate work in education at the University of Mary Hardin-Baylor but did not complete the degree requirements as a schedule for practice teaching conflicted with her regular employment.

Nina began her Civil Service career, from which she retired in 1985, in July 1943 at Camp Hood after returning from Massachusetts when her husband Harlan departed for overseas. The war created a manpower shortage in the civilian work force and Camp Hood was paying the unbelievable
salary of $1200 a year for non-experienced help. She applied for employment and was hired as a CAF I. CAF grades were renamed as General Schedule, or GS about 1949). In an "on again off again" working career with Department of the Army Civil Service, she managed to accrue thirty-three years of service for retirement purposes.

A member of the Bell County Historical Commission since 1976 Nina served four years as the chairman. She was the second docent of the Bell County Museum Committee from 1979 through mid 1989. In 1985, she served as job foreman for renovation of the first floor of the Museum building, using "work release" crews from the Bell County jail for all work except that which was required to be contracted. In addition to the renovation of the Museum her other activities with the Historical Commission were to serve as the first chairman of the Museum Acessions committee, as a consultant to the first Museum board of Trustees and as advisor during the beginning stages of the final renovation of the Museum. Nina was appointed to chair the formation of a Book Committee in which E. A. Limmer was elected Book chairman, to prepare Bell County history which was published in 1988.

Nina was awarded a Certificate of Appreciation by the Bell County Commissioner's Court 4 April 1988 and again 28 February 1991 for her work with the Bell County Museum. She was also cited in the Texas House of Representatives in May 1991 and presented a Certificate of Citation by the Chairman of the Texas Cultural and Historical Resources Committee, State Representative Ralph Wallace III.

In other activities, Nina organized and established a City Library at Morgan's Point Resort City where she and Harlan built their home when they returned from Mineral Wells. She donated, either from her personal library or by buying books needed, over 1800 books coordinating all efforts with the Texas State Library system to assure a balanced Library to serve the community. She served on the board as secretary of the Morgan's Point Water district. Nina had in 1948, with the help and advise of Eleanor Rose Wilson, secretary of the Belton Chamber of Commerce, arranged for and called the organizational meeting of the Belton Garden Club. Nina is currently a member of numerous Heritage Societies in which she has held local and state offices.

Graduating from Troy (Texas) high school in 1938, Harlan helped his father with farming, in addition to part time work, until he was mobilized with the National Guard. He had joined Company L, 143rd Regiment, 36th Division in June 1940 and as he tells the story, he and some friends were sitting on the Court House steps in Belton when two of their members asked if they would like to join the Guard. Harlan asked how much they paid and when told one dollar a drill, he immediately joined up.

The 36th Division was mobilized in November 1940 and sent to Camp Bowie, Brownwood, Texas in January 1941. Later the 36th was relocated to Camp Blanding, Florida where Harlan was transferred to Anti-Tank Company of the 143rd Regiment. From Florida, the 36th was transferred to Camp Edwards, Massachusetts where Harlan was one of a group selected to undergo Commando Training. He shipped out with the 36th from Staten Island, New York for Oran, North Africa in April 1943. He made the Salerno Beachhead with the 36th on 9 September 1943, and the Anzio (Italy) Beachhead and landed with the Division in southern France on 6 August 1943. When the war ended, Harlan was still with the 36th and near Munich, Germany from whence he was returned to the US for his discharge at Fort Sam Houston, Texas on 26 June 1945 as Tech Sergeant. He was the recipient of the Combat Infantry Badge, Good Conduct Medal, American Defense Medal, EAME Medal with 7 major battles, 2 beachheads, Bronze Star, Silver Star and the French Croix de Guerre.

Harlan's discharge from active military duty did not terminate his military activity. On 7 April 1947 he and Ray Mulhollan of Belton were instrumental in reorganization of the Belton unit of Texas National Guard, Service Battery, 239th FA Battalion with Harlan as First Sergeant and Ray as Commanding Officer. The unit was later reorganized as the 649th AAA, Auto Weapons Battalion of the 49th Armored Division. He was recalled to active duty with the 49th AD in August 1961 during the Berlin Crisis and sent to Camp Polk, Louisiana where he was promoted to Master Sergeant. He was released from active duty in October 1962 and retired from the 49th in May 1964 as Master Sergeant. He was commissioned 1st Lieutenant in the Texas State Guard in May 1965 and served until he was discharged in the same grade on 15 October 1976.

Harlan and Nina moved back to Bell County from Mineral Wells, building their home in Morgan's Point Resort City where he served fourteen years as Municipal Judge. Harlan has been active in civic and Heritage Society activities. He was a charter member and past president of the Mineral Wells Optimist Club, past president of the Temple Optimist Club. He also helped organize Optimist clubs in other cities and served in various offices and chairmanships in both local and District Optimist. He is a member of the VFW, Sons of the American Revolution and Sons of the War of 1812, Masonic Lodge and Scottish Rite.

A gifted salesman. Clifford began his trucking career in his teens, buying cedar posts in Bell County and trucking them into east Texas and Louisiana. According to family members, he proved his ability as a salesman when with his sister Nina and brothers Tommy and Puck "peddling" roasting ears in Belton he returned from his assigned area to sell only to find their most dependable customer did not buy this time. This customer was Pucks assignment but would not buy so knowing the customer well. Tommy made a try with no more success. Nina thought her brothers were too tired to present a good sales talk so took over, but again with no more success. Clifford didn't believe them and approached this customer. When he was also turned down, he told the lady of the house because she was such a good customer he would make her a special deal. He was selling the roasting ears for a penny each but would sell her a dozen for fifteen cents. She bought a dozen!

After building a fleet or trucks, he operated an Interstate Trucking Business out of California until he retired. After he returned to Central Texas and not comfortable with an inactive life, he began to sell cedar posts again, but this time from his place of business rather than on the road.

They had 1 child:

3080. Elizabeth Greer (1792.James, 7.Aquilla, 6.John, 5.James, 1.James, Sir) was born 12 May 1779 in Bedford County, Virginia. Elizabeth died 1845 in Oglethorpe County, Georgia. She married John BEASLEY about 1813. He was born about 1777. John died before 1825.

They had 1 child:

3081. F i. Nancy BEASLEY. She married John HINER 1830 in Clarke County, Georgia.

Mary Lee Barnes writes in E-Mail, dated Tuesday, November 26, 2002: "I have Elizabeth Greer born 12 May 1779, married a Beasley; who was deceased before 1825, had one daughter Nancy Beasley who m. John Hiner in Clarke County, Georgia. In 1830; he was a buyer of things in James Greer's estate sale. I have she married John Beasley, but no proof of that, and she is not the Elizabeth m. to John Beasley and had 4 children, left will in 1845 in Oglethorpe and several children went to Noxubee County, and m. Greer and Hudsons. There were several Beasleys in Clarke County, living close to James on 1820 census and I think he was one of them."

3082. Sarah Greer (1792.James, 7.Aquilla, 6.John, 5.James, 1.James, Sir) was born 10 Nov 1780. She married McCoy.

They had 1 child:

3083. F i. Nancy McCoy. She married COOK.

Sarah is named in her father, Lt. James Greer's will; also her daughter is named.

3084. Aquilla James Greer (1792.James, 7.Aquilla, 6.John, 5.James, 1.James, Sir) was born 5 Jan 1782 in Bedford County, Virginia. Aquilla died before Aug 1844 in Marshall County, Mississippi. He married Martha "Patsy" ARNOLD 1 May 1810 in Oglethorpe County, Georgia. She was born 23 Oct 1792 in Georgia. She was the daughter of Zachariah ARNOLD and Charlotte TARVER. Martha died 27 Nov 1859 in Mississippi.

They had 9 children:

+ 3085. M i. James R GREER, born about 1810.
+ 3120. F iv. Emily GREER, born 12 May 1820, died 5 Apr 1887.
+ 3131. F vi. Elizabeth Jane GREER, born 20 Jul 1824, died 14 Sep 1865.
3238. M ix. Buckner GREER.

Carolyn Beal, in her ROYAL HERITAGE OF THE GREER, 1993, PAGE 177, lists this child. He was not listed in the 1846 guardian papers; if a son of Aquilla and Martha Greer, he probably died before 1846.

1830 CENSUS Oglethorpe COUNTY GEORGIA, page 87: Aquilla Greer: 2 males under 5 years of age; 1 male of 5 and under 10 years of age; 1 male of 40 and under 50 years of age (Aquilla); 2 female under 5 years of age; 1 female of 5 and under 10 years of age; 1 female of 40 and under 50 years of age (Patsy).

(Much of the research for Aquilla Greer was done by Mary Lee Barnes, of Knoxville, Tennessee. She is a descendant of Jabez M Greer, youngest known child of Aquilla and Martha Arnold Greer).

The marriage license for Aquilla and Patsy was applied for on 10 January 1808; however Oglethorpe County records do not show the return of it. On 31 May 1809 Zachariah Arnold, father of Patsy, sold 100 acres of land to Aquilla Greer located on the road leading from Lexington to Washington near Richard Haynes' property. Martha Arnold is listed in Zachariah Arnold's Bible records; and in his will, a slave was left to her.

It is believed that this Aquilla Greer is the same one found on the list of infantrymen who fought in the War of 1812 from Clarke County, Georgia. He is described as 30 years of age, 6 feet tall with light hair and blue eyes. (THE GEORGIA GENEALOGIST, page 36 MILITARY RECORDS OF 1812, no date of publication.

His father, Lt. James Greer, died in 1825, leaving Aquilla much land; and Aquilla is shown in Clarke County on the census records for 1830 and 1840.

In 1816, Aquilla was named as guardian of his sister, Delilah Greer George's children, after the death of her husband, Bailey George.

He is also named as executor of his father's estate along with his mother and a brother-in-law, Robert Stuart.

In 1842, Aquilla decided to leave Georgia and obtained a lawyer, David H Griffith, to represent him in land transactions and other legal needs, such as possibly drawing up his will, which has never been found; but there are estate records in both Marshall County, Mississippi and Clarke County, Georgia which named his heirs. He died before 26 August 1844, when "The last will and testament of Aquilla Greer, late of Marshall County, Deceased was this day exhibited and duly proven in open court by the oath of Ephraim Hollowell, one of the subscribing witnesses thereto and ordered to be filed for further proof." (From Marshall County Court Minutes Book 2, page 290)

On page 300: "Patsy Greer Executrix and Robert S Greer Executor of the last Will and Testament of Aquilla Greer, deceased, having filed and presented for audit and allowances for the 1st day of September last and the court having since audited and examined the same, and cause to be properly stated and being now satisfied that the same is in all things correct, and that all the charges therein contained for which they crave allowance are fully supported by proper and valid vouchers; it is thereupon ordered that the said account be and the same as hereby allowed and ordered to be recorded." On 27 April 1846, Aquilla - Jabez Greer wards Infant children of Aquilla Greer Dec'd. Upon reading the inventory of the real and personal estate of Aquilla Greer and Jabez M. Greer filed in this court by Robert S. Greer Guardian of said minors, the court being satisfied that the same is made and sworn to in strict conformity to the estate in their behalf does thereupon order that the said inventory be approved, confirmed and recorded. (NOTE: This is the first proof that Jabez M. Greer is a son of Aquilla and Martha Arnol)

IN THE MATTER OF THE SETTLEMENT OF THE ESTATE OF AQUILLA GREER DEC'D "Patsy Greer Executrix and Robert S. Greer Executor of the last will and testament of said Aquilla Greer deceased this day rendered a final account of their administration for audit and allowances, and upon opening the matter thereof it appears to the court that Patsy Greer the Executrix, Delilah Ann Vanderford, wife of Allen C Vanderford; Elizabeth Stuart wife of David D Stuart; William A Greer, James Greer, Emily Cook, wife of John W. Cook. Martha Jackson and William Jackson are non residents of the state of Mississippi and reside beyond the jurisdiction of the court so that the process thereof cannot be served on them. It is ordered by Gazette, a newspaper published in the town of Holly Springs in the State of Mississippi, citing about absent legatees to be and appear before this court on the fourth Monday of March next to then show cause why the said account should not be allowed and a , made themselves accordingly and because it appears to the court that such a publication did appear in the paper dated December 1846. There are also court records pertaining to the land that the older children received which included land in Georgia that Aquilla owned including some he inherited from his father and also lands in Mississippi which he had gotten from brother James. It is unknown what he left his wife Martha, the two younger children: Aquilla and Jabez. On the 1860 census after Martha's death, both Aquilla and Jabez have real estate valued at $2000 or more and Personal estate at $9-9,000, probably slaves. On the 1890 census there are quite a number of blacks named Greer following Jabez who was probably still living on the land.

Annie Lou Houston, Granddaughter, reports that Aquilla died in 1843.

Duke Wright Greer reports that he and Martha had a son named Robert, who was called "Book"; but there are no records to prove this; and he certainly is not listed in the estate records. If this son did exist, he probably died young. (Research of Mary Lee Barnes).

E-Mail from Troy Rushing gives the dates of birth and marriage for Martha "Patsy" Arnold.

Martha (Patsy) Arnold Greer was evidently the Martha listed in the household next to William A Greer, the second eldest son, with his wife and family, and her two younger sons Aquilla and Jabez in the 1850 Marshall County Mississippi census, age given incorrectly as 36. Records of a granddaughter, Annie Lou Houston, gave her birth as 4 Sep 1790; but the records of Duke Wright Greer gives the date as 1793. The birth record of Zachariah Arnold's daughter was 23 October 1792. This would make her age as 58.

On the 1859 Marshall County Mississippi Mortality schedule it is listed as having died June 1860 of Cholera at age 56; however, family records state she died 27 November 1859. It is unknown where the gravesites of Aquilla and Martha Arnold Greer are located.

3085. James R. GREER (3084.Aquilla, 1792.James, 7.Aquilla, 6.James, 5.James, 4.James, 3.James, 2.James, 1.James, Sir) was born about 1810. He married Mary WILKES 1836 in Green County, Alabama. She was the daughter of Francis WILKES and Mary THOMAS. Mary died before 1850 in Greene County, Alabama.

They had 3 children:

3086. M i. Aquilla GREER, born 1837 in Greene County, Alabama, died in Richmond, Virginia.

Aquilla Greer enrolled in the Civil War in Sumter County, Alabama. He enlisted in the Confederate Infantry, 5th Battallion, Alabama Infantry Volunteers.

3087. F ii. Roxana GREER, born in Alabama. She married E A WILSON in Green County, Alabama.

Roxane Greer married E A Wilson in Greene County, Alabama; he died in the Civil War.
In a letter dated 31 December 1865, to his brother in Arkansas, Robert F. Stuart states that Roxie (Roxanne), daughter of James N. Greer, is living with him at that time; her husband E. A. Wilson was killed in the war, and her child died about the same time. He also stated that her brother, Aquilla Greer, was killed at Richmond.

1850 GREEN COUNTY ALABAMA Census, dated 21 November 1850: James R Greer born in Georgia; Aquilla; Roxana; Robert. These same children are also listed in the Marshall County Mississippi Census, dated 20 November 1850, in the household of Martha Greer. (NOTE: Mary Lee Barnes, researcher of the family of Aquilla Greer and Martha Patsy Arnold Greer believes these children were visiting in the household of their Aunt Martha, after their mother's death; and were counted in both households.)

In 1859, Robert F Stuart is named guardian of Aquilla and Roxana, Robert is probably the son of Robert and Priscilla Greer Stuart, sister to Aquilla Greer.

Mary Wilkes was a sister to Martha Wilkes who married Robert F. Stuart. He was named administrator of Mary Wilkes Greer's estate about 1844, and later in 1859 guardian of James Greer's children in Greene County, Alabama.

3089. William Arnold Greer (3084.AquillaGreer, 1792.JamesGreer, 7.AquillaGreer, 6.JohnGreer, 5.JamesGreer, 1.James, Sir) was born about 1815 in probably Clark County, Georgia. William died 13 Feb 1885 in Marshall County, Mississippi. He married (1) Mary Louise Griffith about 1833. She was born 1818 in Mississippi. She was the daughter of David Hannah Griffith. Griffith. Mary died 27 Mar 1856 in Mississippi.

They had 8 children:

+ 3092. M ii. David A. Greer, born about 1835 in Georgia.

3099. F vi. Nancy Greer, born about 1846 in Marshall County, Mississippi.

William and Mary Greer were living in Marshall County, Mississippi by 1850 and were there also in 1880. The following children are listed in the Household: Sarah A, born ca. 1833 in Georgia; David A, born ca. 1835, in Georgia; Martha, born ca. 1838 in Georgia; Mary, born ca. 1841 in Georgia; William, born ca. 1843 in Georgia; Nancy, born ca. 1846 in Mississippi; James, born ca. 1849 in Mississippi.

Delilah died 1883 in Robertson County, Texas, and was buried in Bald Prairie, Robertson County, Texas. She married Allen C VANDERFORD 18 Jun 1839 in Clarke County, Georgia. He was born about 1816 in Georgia. He was the son of Richard VANDERFORD and Nancy BONNER. Allen died Nov 1872 in Marshall County, Mississippi.

They had 7 children:

3106. M iii. Henry Aquilla "Quill" VANDERFORD, born about 1845 in Mississippi.

This Joshua may be William.

On 8 July 1837, Allen bought 125 acres on the Appalachee River in Clark County, Georgia from his father and Lewis Arthur for $1000. In 1840 census of Clark County, Georgia, Allen and his wife and Martha Jane were listed. On 14 June 1841, Allen sold 20 acres of land on the Appalachee River at the mouth of the Oldersaw in Clark County, Georgia for $700. On 26 January 1842, Allen sold the 125 acres on the Appalachee River that he bought in 1837 for $500. On December 20, 1845, the estate of wife Delilah's father was divided. The children of (Aquilla) James Greer living in Mississippi were William A. Greer, Delilah Ann Vanderford (wife of Allen C.) and Elizabeth Stuart (wife of David D.) and James Greer of Alabama shared the undivided half of Section 19, Township 6, Range 1 East on Tippah River and the land of his brother James Greer on Tippah River. His children in Georgia: Emily Cook, wife of John W. Cook, and Martha Jackson, wife of William were to share his land on Davis Creek in Clark County, Georgia. Elizabeth Greer and Allen C. Vanderford appear with the four children: Martha, James, Aquilla and Elizabeth in the 1850 Marshall County, Mississippi Census; also listed are Cornelius Tucker, born in Tennessee; and James Cook, born in Georgia, age 22. James Cook is possibly son of Emily Greer and John W Cook. Allen was farming in Marshall County, Mississippi; the value of his property was $800.

In 1860, Allen was still in Marshall County and his personal property was valued at $15,800. This probably included Delilah's share of her father's estate.

1850 MARSHALL COUNTY, MISSISSIPPI Census: Allen C Vanderford; Delilah Ann Vanderford, age 32; Martha J. Vanderford, age 8; James Vanderford, age 6; Aquilla Vanderford, age 5; Elizabeth Vanderford, age 2; Cornelius Tucker, born Tenn (relationship imknown); James Cook, 22 born Ga.

THE DESCENDANTS OF AQUILLA GREER, SR. 1719 - 1790

3191. F ix. Clara Lee RIVERS, born May 1900 in Marshall County, Mississippi.

Duke Wright Greer of Potts Camp, Mississippi wrote that Aunt Emma Lee was "a lovely, kind, gracious and affectionate person, most generous". He remembered the first piece of jewelry, gold cuff links, that he owned was a graduation gift from Aunt Emma. He further states that she was a collector of cut glass.

MISSISSIPPI: COMPRISING SKETCHES OF COUNTIES, TOWNS, EVENTS, INSTITUTIONS AND PERSONS, etc., 1907, Volume III, pages 724-725, by Dunbar Rowland: L. N. Rivers, Sheriff of Marshall County, is a native of Holly Springs, where he now resides. His father was Capt. Joel Lewis Rivers, who entered the service of the Confederacy during the Civil War as a private and was mustered out a captain. He was for many years probate clerk of Marshall County. The mother was Mary Ford, a daughter of William Ford, who for many years was a prominent and influential figure in Marshall County. After completing a scholastic course in the Blue Mountain Mississippi schools, Mr. Rivers embarked in the Bridge business and has been successfully engaged in it ever since. Many of the best steel and wooden bridges over the state and county are evidences of his handiwork. In 1899 he was elected to the office of assessor and four years later was made sheriff of his county, which office he still holds. Fraternally he is widely and favorably known, being prominently identified with the Free and Accepted Masons, the Knights of Pythias and the Independent Order of the Odd Fellows. Mr. River's wife was formerly Miss Emily Greer of Marshall County. To Mr. and Mrs. Rivers have been born nine children. Bertram Dare, the first born, is now a student in a college in Natchez, and Mabel Clare, the third in order of birth, died at the age of six years. The others, Clyde Everett, Guy, Joseph, Lewis, Aquilla, Jennie May and Clara Lee, are all at home. Mr. Rivers has filled the office of public trust to which he has been elected with eminent satisfaction to all concerned."

Jabez died 17 Mar 1893 in Potts Camp, Marshall County, Mississippi, and was buried in Marshall County, Mississippi. He married Louisa WHALEY 31 Jan 1861. She was born May 1844. She was the daughter of Alford WHALEY and Mary Caroline SMITH. Louisa died 1 Sep 1900 in Potts Camp, Marshall County, Mississippi, and was buried in Bethlehem Cemetery, Marshall County, Mississippi.

They had 4 children:

3193. M i. Lee Jackson GREER, born 27 Nov 1862 in Bethlehem, Marshall County, Mississippi, died 29 Aug 1869 in Potts Camp, Marshall County, Mississippi, and was buried in Bethlehem Cemetery, Marshall County, Mississippi.
3194. F ii. Martha Carolyn "Callie" GREER, born 14 Feb 1867, died 9 Dec 1935.
3236. F iii. Annie GREER.
3237. M iv. Truman Alford GREER, born about 1877 in Potts Camp, Marshall County, Mississippi.

Truman Alford Greer is listed on the 1880 census. but must have died very young.

Mary Lee Barnes, a descendant of Jabez Marshall Greer, believes that his parents Aquilla and Martha "Patsy" Arnold Greer had to be Baptist to name a child Jabez Marshall, probably after the noted Baptist minister named the same. Some say he was called "Jabe", (Jabez is a Biblical name. He was a son of Ashur, and God was very pleased with and honored him more than his brothers. (see Bible: I Chronicles 4: verse 9). He was first identified on the 1850 census living with his mother and brother, Aquilla Greer, all in the household of older brother William A. Greer. On the 1860 census he was listed as J. M. Greer, 28, single, living in the same household with his brother Aquilla and family. He had real estate valued at $2,230 and personal property valued at $9,000. Most of the personal property accounted for mostly slaves; on the 1880 census there were a
number of black families enumerated below him with the name Greer. Other researchers failed to identify him as a son of Aquilla and Martha Arnold Greer; but Mary Lee Barnes with much research and determination was able to find estate records in Marshall County, Mississippi which proved his identity.

He married into another Georgia family, the Whaley's who migrated into Mississippi about the same time as the Greer families.

On 22 August 1861, he enlisted in the Confederate States Army at Ituka, (Tishomingo County) Mississippi at age 29. He was Corporal, Company H, 22nd Regiment, Mississippi Infantry. The company muster roll for July and August 1864 shows him absent. He was "wounded near New Hope Church May 31, 1864 and furloughed for 60 days from June 22, 1864, a private." His name appears on a roll of prisoners of war who reported at Memphis and received parole, for 5 days ending May 20, 1865. Roll not dated; and date of parole, not stated. C. H. Bridges, Major General, The Adjutant General. (This report was received from the War Department, Washington, November 8, 1932).

After the war, Jabez and Louisa moved from Bethlehem to Potts Camp. The house they lived in is still standing although it has been bricked over.

He was buried in the Bethlehem Methodist Cemetery and has a stone with the Confederate emblem carved upon it.

3194. Martha Carolyn "Callie"* Greer (3192 Jabez*, 3084. Aquilla*, 1792 James*, 7 Aquilla*, 6 John*, 5 James, Sir*) was born 14 Feb 1867 in Bethlehem, Marshall County, Mississippi. Martha died 9 Dec 1935 in Hope, Hempstead County, Arkansas, and was buried in Rosehill Cemetery, Hope, Hempstead County, Arkansas. She married John Wesley Anderson 12 May 1883 in Potts Camp or Bethlehem, Marshall County, Mississippi. He was born 15 May 1854 in Oxford, Lafayette County, Mississippi. He was the son of Wiley Bird Anderson and Louisa Greer. John died 13 Sep 1926 in Memphis, Shelby County, Tennessee, and was buried in New Albany, Mississippi.

They had 4 children:

3235. F IV. Ruth May Anderson, born May 1890, died, and was buried in Rosehill Cemetery, Hope, Hempstead County, Arkansas.

In the 1900, 1910, and 1920 Census records her name is listed as Ruth. When she is buried the name is May.

Burial data E-Mailed 8 Dec 2000 from Mary Lee Barnes: "Grandmother Callie Greer Anderson. Annie Lou and May Anderson are buried in the Rose Hill Cemetery, Hope, Ark. This is the same cemetery that Pres. Clinton's mother is buried in, My sister and I were there a few years ago and found their graves".

Martha Carolyn Greer was born in Bethlehem, Marshall County just a few miles from Potts Camp, Mississippi.

On the 1880 census, she is just 13 years of age in the household of her father and mother with sister, Annie, and younger brother, Truman Alford Greer. She married John Wesley Anderson, who was at least 15 years older than she. Since she married a circuit minister, they probably travelled a lot and in one of her letters she mentions living in Blue Mountain, Mississippi and also in Tupelo in 1897 and New Albany in 1900.

Duke Wright Greer in his memoirs describes her as being outgoing and amiable. A small, slight woman, she loved wearing white. After John Wesley's death, she continued to live in Hope, Arkansas where her daughters lived, and died there in 1935. She is buried in Rosehill Cemetery.

According to his Memoirs in the Journal of the North Mississippi Methodist Conference, he states he was born at Oxford, Mississippi, May 15, 1854 to Wiley Bird and Louisa Greer Anderson. However his obituary states that he was 74 years old at the time of his death, 13 September 1926, in the Baptist Hospital in Memphis, Tennessee. This would make his birth year 1852; and that is the year engraved on the tombstone in New Albany, Mississippi, where he is buried.

The memorial further states that his mother died when he was only 4 years of age, and the father died when he was 7 years of age. Despite the loss of both parents, "a kindly providence brooded over his young life," and he was brought under gracious influences that turned his life to God and to the ministry. At fifteen years of age, he lost one arm, a terrible handicap to suffer throughout his life.

"Raised by someone in Cornersville where he attended school, he felt the call of God to preach and nothing could swerve him from that. Later he went to Booneville in 1870 and to Hiseuse College in Tennessee where he finished his schooling in 1882. When he was 20 years of age in 1874, he was licensed to exhort which capacity was used to good advantage to his church and to himself."

In 1876 he was licensed to preach at Booneville, Mississippi. He was admitted into the North Mississippi Conference in 1880 and was ordained deacon by Bishop Paine. He was received into full connection in 1882 and ordained elder by Bishop Hargrove at Kosciusko in 1885. He served the following charges: Waterford Circuit, 1882; Booneville and Rienzi, 1883; Pine Mountain Circuit, 1884; Myrtle Circuit, 1885; New Salem Circuit, 1886; Marshall Circuit, 1887-93; Booneville and Rienzi, 1883; Pine Mountain Circuit, 1884; Myrtle Circuit, 1885; New Salem Circuit, 1886; Marshall Circuit, 1887-93; Kosciusko and Durant, 1894-95; Houston and Wesley, 1896-97; Verona and Nettleton, 1898-99; Buena Vista, 1900; Byhalia, 1901-02; Ripley and New Albany, 1903; New Albany and Ingomar, 1904; New Albany Station, 1905; Supernumerary, 1906; Supernannuate, 1907-26.

He had at least one sister, Sarah Wiley Anderson, born in 1855 who married James Anderson Booker, son of Benjamin Booker in Tippah County in 1870. They had only one son John B who married Dora Wise, daughter of Lawson Wise. Johnny Booker died in a train accident in 1927 with several members of this family. Jim Anderson Booker died 3/23/1933; no further information on Sarah Wiley Anderson Booker. She may have lived in the household of Clayton Nix, a son-in-law before she died. There may have been other brothers and sisters to Sarah and John Wesley."

Records in in Marshall County, Mississippi show that J. W. Anderson dealt in buying and selling land as well as preaching.

"In 1909 he moved with his family to Mt. Pleasant, Texas, and in 1919 they moved to Hope, Arkansas where he lived until his illness in 1926 when he was taken to the hospital in Memphis where he died 13 September 1926. He was buried, at his request, in New Albany, Mississippi where he spent his last active ministry "among devoted friends of his childhood, manhood and ministry. The services were conducted by the pastor, Reverend T. H. Dorsey, assisted by Rev. J. H. Holder and Rev. M. H. Armour of the Christian Church (MY GREER LINEAGE, 1992 By Mary Lee Barnes, pages 89-91, as per information from family records; obituary of J. W. Anderson in the Athens Review, 1926; death certificate of J. W. Anderson from Memphis, Tennessee; Memorial of J. W. Anderson published in The Northeast Mississippi Methodist Conference publication; interview with Mr. Duke Wright Greer, Potts Camp, Mississippi; Cemetery records of Hope, Arkansas and Marshall County, Mississippi)."

From BIOGRAPHICAL & HISTORICAL MEMOIRS OF MISSISSIPPI, Vol 1, Pages 770-771, published by Goodspeed Publishing Company, 1891: "Prominent among the medical profession of Carrol County, Mississippi, is Dr. Thomas W. Fullilove, Vaiden, Mississippi, whose history will occur the following space. He was born in Carrol County, Mississippi July 31, 1851, and is a son of Thomas Jefferson Fullilove a native of Oglethorpe County, Georgia, born August 20, 1807. The father of Thomas Jefferson Fullilove was John. His grandfather was a native of England, and was the only member of his family who emigrated to the United States. Thomas Jefferson Fullilove removed to Autauga County, Alabama, when he was still a young man, and there married Miss Adeline Taylor, who was born, reared and educated in that state. After a few years he removed to Nocookee County, Mississippi, and at the end of two years, about the year 1843, he moved to Carroll County. He settled on a plantation on which he lived until his death. He passed out of this life in October 1888. His wife had died in 1856. He was a worthy member of the Methodist Episcopal Church and was a Royal Arch Mason. He was a man of great integrity of character, had excellent business qualifications, and no one of the community stood higher than he. He lost heavily in personal property by the war, but was enabled to retrieve his fortunes. His family consisted of 3 sons and 3 daughters: J. H. Fullilove is at present a farmer in Texas; A. B.Fullilove resides on the old home farm in Carrol County, Mississippi; Mrs. S. T. Harston (Wife of Dr. S. J. Harston) resides in Ozark, Arkansas; Mrs. M. A. Weems is the wife of Dr. H. Weems of Van Buren, Arkansas; Thomas W. received his education in the University of Mississippi and in Emory and Henry College, graduation from the latter institution in 1871 with the first honor in the class. He then began his medical studies, taking the first course of lectures the Medical Department of the University of Virginia, in the session of 1873-74. In the fall, he entered Bellevue Hospital Medical College, New York where he practiced and for one year received instruction from the leading physicians of New York City.

In 1876 he returned to Carroll County, and in July of that year he located in Vaiden and began the practice of his profession. He has built up a large practice and has met with much more than ordinary success. His honesty and integrity has won him the respect and confidence of all. He takes an active interest in the proceedings of his profession and is a member of the State Medical Association and the American Medical Association. In addition to his professional duties, he finds time to direct a fine plantation which is located near Vaiden. In the spring of 1890 the Doctor spent three months in New York, taking a supplementary course in lectures. He has left nothing undone in his power to fit himself for the duties of his profession and well deserves the reputation he has won. Dr. Fullilove was united in marriage in Memphis on March 13, 1879, to Miss Annie Rivers Knot, of the Methodist Episcopal Church,. She is a fine musician and highly accomplished in art. The Doctor and his wife have an adopted daughter Annie Rivers, a bright little girl of nine years. They are both worthy members of the Methodist Episcopal Church. Dr. Fullilove belongs to the Knights of Honor."

"On last Saturday afternoon Dr. and Mrs. T. W. Fullilove left our town to make their home in Solomonsville, Arizona. They leave here hosts of friends who feel that their places can never be filled, and the people of Solomonsville are to be
congratulated upon the acquisition of such noble citizens. Dr. Fullilove is a genial and dignified gentleman, gently, quietly, but unmistakably influencing everything for good, and showing himself faithful, upright and kind and true in every relation of life. As a physician, he possesses a mind strong in its grasp and analysis of the difficult problems of disease, and he always brings back into the sick room a sympathy so deep and tender for the suffering that his very presence is a quieting tonic to the weak and nervous, and does good to the patient like a medicine. His most estimable wife is a lady, fitted to grace any position, possessing to a remarkable degree or transforming power that brightens all with whom she comes in contact and a happy, cheerful disposition which lightens all care. We regret their departure and envy the people of Solomonsville, yet we feel that we have been fortunate to have known them, and the good wishes and earnest prayers of many devoted friends follow them to their new home. McNees, Greene County, Alabama, and Noxubee County, Mississippi, both in the possession of Lucien L. McNees, Lexington, Mississippi. James was a merchant in Hashuqua, Mississippi after moving there from Shuqulak. Then in 1898, they moved back to Shuqulak, where both he and Leona died.

3324. Aquilla GREER, Jr (7. Aquilla, 6. John, 5. James, 4. I. James) was born 1744 in Baltimore County, Maryland. Aquilla, Jr. died about 1783 in Bedford County, Virginia. He married Elizabeth BANDY (See number 9072) about 1767 in Bedford County, Virginia. She was born about 1750. She was the daughter of Richard BANDY and Elizabeth CARDWELL. Elizabeth died after 1808. They had 8 children:

- William GREER, born 6 Apr 1768, died after 1850.
- Asa GREER, born about 1772, died about 1845.
- Richard GREER, born 1773, died 1806.

- Elijah GREER, born about 1775, died about 1841.
- Elisha GREER, born 1777, died 5 Jan 1838.
- Aquilla GREER, III, born 1779, died about 1869. [See page 522]
- Elizabeth GREER, born 1781, died Nov 1860.

Aquilla Greer, Jr. was born in 1744, so stated Aquilla Greer, Sr. in the pension papers according to William TORRENCE in his Typescript. THE GREER FAMILY. He furnishes no reference. Numerous researchers have searched and found no pension papers for Aquilla Greer Jr., in the Revolutionary War or any of the Virginia Militia groups in the wars and skirmishes prior to the Revolutionary War. However, it should be noted that he was of age; and the two older brothers and his sister's husbands all fought in that war.

He married Elizabeth Bandy, daughter of Richard Bandy (1720-1795) and Elizabeth Cardwell, daughter of Thomas Cardwell. They had 8 known children, two daughters and six sons.

A copy of a will written by Richard Bandy, filed and probated in Botetourt County, Virginia September, 1795, lists "Eliza Greer, reliek of Aquilla" identifies Elizabeth Bandy Greer as his daughter (Will Book A, page 406, Botetourt County, Virginia). This proves that Elizabeth Bandy married Aquilla Greer.
There is a SURVEYOR BOOK 1, page 325, Henry County, Virginia, where 336 acres of land on the North side of Little Bull River and bounded by William Greer's land and Greer's (Aquilla) old line. This William was the brother of Aquilla, Jr. This record is dated 11th day of August 1783, signed by (?) Griffith Dickerson and John Dickerson.

This land was granted to Aquilla Greer "by virtue and consideration of part of a Land Office Treasury Warrant Number eighteen thousand two hundred and seventy two" issued the fourth day of August 1783 and signed by Beverly Randolph, Esquire, Governor of the Common-wealth of Virginia.

There is a deed in Franklin County, Virginia, Book 3, Page 627, dated 7 November 1798, between "William Greer, son of Aquilla Greer, of Oglethorpe County, Georgia, and Samuel Arrington of Franklin County, Virginia"... (Same land description of the above 336 acres, more or less), it being the land that Aquilla Greer Jun owned and left to his heirs at his decease". No date is given for Aquilla's death; and thus far, no record has been located. Nor were the names of the children and wife Elizabeth listed in the deed between William Greer, eldest child of Aquilla Greer, Jr. and Samuel Arrington.

According to the research of Rev. James William Dupree, retired Methodist Minister of Columbus, Muscogee County, Georgia, he has records showing that Aquilla was a tax-payer in Bedford County, Virginia for the year 1782. The following year 1783 shows Elizabeth Greer listed as "widow". Therefore, it may be assumed that Aquilla died between 1782 and 1783. Nothing more can be found of him following this last deed record where his son William sold the land.

Elizabeth also married (2) Samuel ARRINGTON 27 Dec 1800 in Franklin County, Virginia. He was born about 1746 in Virginia. He was the son of John ARRINGTON. Samuel died 11 Feb 1802 in Franklin County, Virginia.

Elizabeth Bandy is believed without doubt to be the daughter of Richard Bandy and Elizabeth Cardwell who was probably born in Cumberland County, Virginia.

Richard and Cardington, Bedford, England and Elizabeth Cardwell were the parents of Elizabeth who married Aquilla Greer, Jr.; also parents of Thomas, Richard, Jr., George, Mary, Elizabeth, Sarah, Ann and Nancy. Richard named "Eliza Greer, widow and relict of Equilla Greer" among his other children and a grandson in his will dated "21st day of July 1795" which was exhibited and proved in September 1795 Botetourt Court.

It is believed that Elizabeth Bandy married Aquilla Greer about 1767. William, the oldest child was born in 1768. Eight children have been identified. William, the oldest was about 15 years of age when his father died. The youngest, Elizabeth, was about 6 years of age.

The Rev. James William Dupree, retired Methodist Minister of Columbus, Georgia identified Bedford County, Virginia and the year 1782 as the last place and year that Aquilla paid taxes; and the next year 1783, Elizabeth was listed as "widow", in Bedford County. For the years 1784, 1785 and 1786, in Bedford County, she is also listed as "widow". In 1787, because of county boundary changes, she is listed in Franklin County, Virginia by herself. In 1788 and 1789, she is listed with white males over 16. On 17 July 1790, son Asa is listed as "white male over 16" next to Elizabeth, widow. On 16 July 1791, Richard and Asa are listed next to Elizabeth, widow. On 7 July 1792, Richard and Elizabeth, widow, are listed together. Elizabeth, widow, is listed with "Lige" (Eliza); and Asa in 1793 and 1794. Asa and Elizabeth are listed for years 1796 and 1797.

In the 1787 tax list published as the 1787 CENSUS OF VIRGINIA FRANKLIN COUNTY, taken from the Franklin Tax List A - District of Moses Greer, gentleman and Commissioner: "Elizabeth Greer was visited 4/2/1787, page 639. On page 625 of the same Tax List A, Elizabeth is taxed for self, 4 horses, mules, etc. and 7 cattle" but noted "widow, not taxable".

Although her husband Aquilla had died, Richard Bandy, her father had died and left his will in 1795, Elizabeth elected to stay on in the home she and Aquilla had shared with their 8 children, and did not join the Senior Aquilla and Elizabeth, all the brothers and sisters of Aquilla, Jr. and their families and many other Greer related families on their relocation to Georgia, which began shortly before 1790.

In his will dated April 1790, the Senior Aquilla left his grandchildren, children of Aquilla, his son, money but did not name them nor relate the number.

William appears to have been very close to his grandparents; he probably made the trip with them to Georgia. He is also believed to be the William Greer who witnessed his grandfather's will, written on 8 April 1790, after they arrived in Greene County, Georgia. Whether he returned to Franklin County, Virginia before 1798, when the land of his father and mother was deeded to Samuel Arrington, is unknown. He did marry Delilah Haynes, his first cousin, in Greene County, Georgia in 1797.

Elizabeth raised all the children, and when the youngest one, Elizabeth was married and the land sold, she married Samuel Arrington. "Listed in the FRANKLIN COUNTY VIRGINIA MARRIAGES, Samuel Arrington and Elizabeth Greer were married on 27 December 1800 in Franklin County, Virginia, with the Rev. Horatio Burns, officiating minister." From OVER THE MOUNTAIN MEN by Anne Lowry Worrall. Also there was found in the marriage records, the following: "Know all men by these presents that Samuel Arrington & John Coleman are held firmly bound unto James Monroe Esq. Governor or Chief Magistrate of the State of Virginia or to his Successor in the sum of One hundred Fifty Dollars to which payment will & truly to be made we Bind ourselves our heirs (?) personly by these presents. Sealed with our seals & dated this 20th day of December 1800. The condition of the above obligation is such that whereas a Marriage Shortly Intended to be had Solemnized between the above bound Samuel Arrington & Elizabeth Greer Now if there shall be No Lawful Cause to Obstruct the Same then the above obligation to be void Else to remain in full force power & Virture. /s/ Samuel SA Arrington (his mark and seal) , John Coleman (his seal)."

My first thought was that the Samuel Arrington she married was the Samuel, born about 1750, and married to Judith, with possibly Judith dying shortly before they were married. She received money left by her father in his will in October 1808, her name was noted as Elizabeth Greer.

3325. William GREER (3324.Aquilla, Jr², 7.Aquilla¹, 6.John¹, 5.James², 1.James, Sir¹) was born 6 Apr 1768 in Bedford County, Virginia. William died after 1850 in Muscogee County, Georgia. She was the daughter of Henry HAYNES, Jr and Mary Sarah GREER. See number 421 listed above for the descendants of this family.

3326. Asa GREER (3324.Aquilla, Jr², 7.Aquilla¹, 6.John¹, 5.James², 1.James, Sir¹) was born about 1772 in Bedford County, Virginia. Asa died about 1845 in White County, Illinois. He married Rebecca NEIGHBORS 25 Jul 1791 in Franklin County, Virginia. She was born about 1775 in Virginia. She was the daughter of Francis NEIGHBORS. Rebecca died after 1850 in Illinois.

+ 3328. F i. Rebecca JOHNSON, born about 1815, died after 1880.

It has been reported that William was living in Hamilton County in 1860. In our research we were unable to find a William Johnson that matched his age and family, in any Illinois census reports. Even his marriage is in question. A marriage of a William Johnson was found in the Illinois Marriage Index on 13 Jul 1845, but the bride listed was Marilda Minor.

HAMILTON COUNTY ILLINOIS CENSUS FOR 1860: Johnson, William, 35 year old male, born in IL; Rebecca, age 34; Sarah, age 5; Lydia, age 6; Charles, age 3 1/2; Rebecca Johnson, age 68 (NOTE: Rebecca, has not been identified; She could be is either a sister to William's father or his second wife) Greer, Charles, age 13 male, farm laborer, born in IL.

(This has to be the mother of Mary "Polly (Greer)" with an incorrect age; she would have been about 70 years of age)

They had 5 children:

3329. F. i. Sarah GATES, born 1841 in Gallatin County, Illinois.
3333. M v. Charley GATES, born 1853 in Gallatin County, Illinois.

They had 1 child:

3339. Lucy Ann JOHNSON (3327.Mary, 3326.Asa, 3324.Aquilla, Jr, 7.Aquilla, 6.John, 5.James, 1.James, Sir) was born about 1832 in Illinois. She married William GREER, Jr (See number 3650) 7 Jan 1849 in Gallatin County, Illinois. He was born 31 Aug 1827 in Wilson County, Tennessee. He was the son of William Bird GREER and Nancy GREER.

They had 8 children:

3340. F i. Eliza J GREER, born about 1853 in Illinois. She married ________ MURRAY.
3341. F ii. Mary E GREER, born about 1855 in Illinois.
+ 3342. M iii. James GREER, born 12 Jan 1858, died 1 Mar 1930.
3363. M vii. George P GREER, born 29 Jan 1869, died 1897.
3364. F viii. Lucy O GREER, born 1874 in Gallatin County, Illinois.

Although it has been reported that William and Lucy Ann Greer had three daughters and four sons, Lucy O, appears listed as a daughter, 6 years of age on the 1880 Gallatin County, Illinois census records, making a total of 4 daughters. She does not appear on the 1900 Gallatin County, Illinois Census.

The marriage data for William Greer and Lucy Ann Johnson is from the Archived Marriage Records Index for Gallatin County, Illinois, Volume 2, page 64.

William Greer enlisted at Shawneetown, Gallatin County, Illinois on or about the 13th day of October 1847. This information he swears to be true on his Bounty Land Claim Form of Declaration for Surviving Officer or Soldier, dated 12 May 1855. He served as a Wagon Master in the Quartermaster Department under command of Wagon Master George W Grehar in the War with Mexico. As Wagon Master, he drove government teams from Monterey to Saltillo.

On his pension papers dated 22 May 1887, he states that he is 59 years of age, having been born in Wilson County, Tennessee on the 31st day of August 1827. Because of this statement, it is my belief without any written proof that he is the son of Nancy Greer, daughter of Aquilla Greer, Ill and Elizabeth Smith Greer of Gallatin County, Illinois. The families of Aquilla, Elijah, and Asa, all brothers and sons of Aquilla and Elizabeth Bandy Greer, were in Wilson and/or Davidson Counties, Tennessee between 1810 and 1820.

Nancy was born about 1812/1813 and married Archibald Robinson in Gallatin County, Illinois on the 26th of May 1831. She was probably deceased by the time her youngest brother, Peyton M Greer, died in Gallatin County at age 28 when he was sent home because of injuries sustained in the Mexican War. His estate settlement names all his siblings and the siblings of those deceased prior to the settlement of his estate. For Nancy, she had two children: William Greer, Jr and Elizabeth Robinson. This indicates that a William Greer, Sr would have been the father of William Greer, Jr. I have been unable thus far to positively identify the father of William Greer, Jr. However it was a common practice in that era for cousins to marry; and many of the
Greers married their first cousins from the Aquilla and Elizabeth Bandy Greer families. Asa had a son named William Bird Greer, who was born about 1795 in Franklin County, Virginia. No information has been located on this William Greer, who possibly died young. Could he have been the William Greer who was the father of subject William Greer, Jr.? After much research, I do not believe proof is out there to be found. None of the descendants interviewed by Louise Erekson had ever known who the parents of William Greer, Jr. might be.

He also states in the pension request that he is disabled "by reason of the loss of my left hand which said disability was not incurred while in any manner voluntarily engaged in aiding or abetting the Rebellion against the Authority of the United States, but that said injury incurred at my home in Gallatin County, Illinois, in or about the month of November 1874, and was the result of a felon."

He further stated that he was married to Lucy Ann Johnson, in her home in Gallatin County, Illinois, on the 7th day of January 1849. He further states that he did apply and received a bounty land warrant for 160 acres of land.

A grandson named Alton Greer, son of James, who was a son of William Greer, Jr. in an interview with researcher Louise Erekson of Billings, Montana about 25 years ago, said that William was 6 feet tall, raw-boned. He also stated that William had an uncle named Berry. Nancy Greer, believed by me to be his mother, had an older brother named Greenberry Greer, called "Berry". He also said the Greers did alot of "hoedown fiddling" and much singing and dancing.

From ONE ROOM SCHOOLS IN GALLATIN COUNTY, ILLINOIS, by Lucille Lawler: "Greer School was located in Eagle Creek Township near Greer Cemetery which is in Section 10. It is thought the school was named for William Greer who was born in 1827 and who served in the Mexican War. He and his wife, Lucy Ann, had three daughters and four sons. In the 1870 Census, a school teacher Thorn Kinney, lived in the Greer home. Lucy Ann, the mother, was listed as not being able to read or write; but it is a safe bet that all the children learned at school. A grandson, Alton A. Greer, taught school for twenty years, worked as a lawyer for forty years and was the State Attorney in Gallatin County for several years. There were other gifted descendants who came from the area."

   *AQUILLA GREER, Former Junction Resident Dies Unexpectedly in Ohio: He succumbed to a heart attack while driving home from work at the Tower of the B. & O. Railroad Co. in Cincinnati, Ohio, Tuesday morning of last week. He had been employed as a telegraph operator for the B. & O. for 40 years. He assumed the duties of train dispatcher in the Tower at the Cincinnati railroad yards 25 years ago. On the day of his unexpected passing he had left his office at 7:00 a.m. and started for his home about two miles from the office. At about the halfway mark he succumbed, a passerby seeing something was wrong with the driver of the car jumped from his own vehicle and succeeded in stopping the Greer machine a few yards from a steep bluff and sharp curve. He leaves his wife, Reba, two sons, Charles of Akron and Gilbert of Cincinnati, and a daughter, Mrs. Mary Elizabeth Miller, also of Cincinnati. Also surviving are three sisters, Mrs. Nellie Knight, Mrs. Bertha Mitchell and Mrs. Randall Dillsworth, all of Norris City; and a brother, Roy A. Grover, of Denver, Colo. He was the son of William and Mollie Greer.*

   Mr. and Mrs. Randall Dillsworth, Mr. and Mrs. Elmer Mitchell and Mrs. Nellie Knight attended the funeral and burial at Cincinnati." The year 1957 is written in ink on the obituary.

They had 1 child:

+ 3650. M i. William GREER, Jr, born 31 Aug 1827, died Feb 1901.

I can find no proof that William Bird Greer, son of Asa and Rebecca Neighbors Greer, married Nancy Greer, daughter of Aquilla, III and Elizabeth Smith Greer; but the timing and location connect. Many of the Greer men married their first cousins in this generation. It is my belief that was the case of William Bird Greer and Nancy Greer. No marriage records have been found nor any other records for William Bird Greer; he possibly died young in Wilson County, Tennessee. It is known that Nancy Greer had a son named William Greer, Jr. indicating there was a William Greer, Sr. This William, Jr. was born in Wilson County, Tennessee. It is my personal belief that William Bird Greer and Nancy Greer are the parents of William Greer, Jr.

Nancy also married (2) Archibald ROBINSON 26 May 1832 in Gallatin County, Illinois. The marriage data for Archibald Robinson and Nancy Greer is from the Index of Archived Marriages for Gallatin County, Illinois. Volume 1, page 31.

3650. William\(^8\) GREER, Jr (3649. William\(^7\), 3326. Asa\(^6\), 3324. Aquilla, Jr\(^5\), 7. Aquilla\(^4\), 6. John\(^5\), 5. James\(^3\), 1. James, Sir\(^1\)) was born 31 Aug 1827 in Wilson County, Tennessee. William, Jr died Feb 1901, and was buried in Greer Cemetery, Gallatin County, Illinois. He married Lucy Ann JOHNSON (See number 3339) 7 Jan 1849 in Gallatin County, Illinois. She was born about 1832 in Illinois. She was the daughter of John JOHNSON and Mary "Polly" GREER. See number 3339 listed above for the descendants of this family.

3652. Seth Asa\(^7\) GREER (3326. Asa\(^6\), 3324. Aquilla, Jr\(^5\), 7. Aquilla\(^4\), 6. John\(^5\), 5. James\(^3\), 1. James, Sir\(^1\)) was born 15 Jul 1801 in Franklin County, Virginia. Seth died 29 Sep 1854 in White County, Illinois, and was buried 29 Sep 1854 in Rice Cemetery, White County, Illinois. He married Laura Lavina "Viney" NAPIER 17 Jul 1823 in Davidson County, Tennessee. 1860 WHITE COUNTY, ILLINOIS CENSUS: Reeves Greer in household of George S. McCarthy.

**+ 3719. F viii. Harriet Ellen GREER, born 22 Dec 1842, died 15 Aug 1884.**

**+ 3799. M x. Benton Hugh GREER, born 12 Jun 1847, died 5 Jun 1921.**

**3806. F xi. Amanda GREER.**

Amanda does not show up on any census record that I found; she is however listed as the last child in Carl Shelton's DESCENDANTS OF AQUILLA GREER, DATED 26 August 1998.

Asa is sometimes listed as Seth Asa or Asa Seth; it is believed that he was called "Seth" because his father was called Asa; and it was to differentiate between himself and his father in a community where they both lived.

The marriage license for Asa Greer and Lavina Napier is recorded in Davidson County, Tennessee Marriage Book I. Page 271

1850 CENSUS WHITE COUNTY, ILLINOIS, dated 31 October 1850: Asa Greer, age 50, born VA; Lavina, age 46, born TN (Lavina); Reeves, age 12, born IL; Ellen, age 9, born IL; Joseph, age 7, born IL; Vinson, age 3, born IL. (NOTE: This child is Benton H Greer).

The birth and death dates for Asa "Seth" Greer are taken from his tombstone in White County, Illinois.

On 18 August 1864, Benton volunteered as a private in Company D, 29th Regiment of the Illinois Infantry at Camp Butler, Elizabethtown, Illinois. Shortly after he enlisted he was sick and in the hospital. He was discharged 31 May 1865.

In the 1850 Census State of Illinois, White County list this child with name of Vinson; however in the 1860 Census for White County, he is listed as Benton. On 1850 census, he is listed in the household of Asa Greer and wife, Levina (Lavina). In the 1860 Census, Benton is listed in the household of Lavina Zimmerman, age 55, born in Virginia, H/H 619/609, with his sister, Ellen Grier, and brother Joseph. Lavina may have remarried a Zimmerman. No other male is listed. Benton is listed as age 12, born in Illinois.

The marriage information for Benton H Greer and Artemissa Ferrill is from ILLINOIS STATEWIDE MARRIAGE INDEX 1763 - 1900. In 1919, Benton was living in Creal Springs, Illinois.

In his "Declaration for Pension" his physical features were listed as 5'8" tall, dark complexion, light hair and brown eyes. While in the Civil War, he suffered from measles and typhoid fever. In later years he suffered with liver problems.
Benton married (2) Serilda PANKEY 26 Jan 1871. In Saline County, Illinois. They divorced. They had 5 children:

- Walter GREER, born 1873.
- Maggie GREER, born 14 Jan 1875.

- Daisey GREER, born 27 Dec 1882 in Saline County, Illinois.

Benton married (3) Mrs Mary E. PATTERSON 31 Aug 1895 in Williamson County, Illinois. She was born Apr 1864.

3807. Abraham Greer 7 (3326.Asa 6, 3324.Aquilla, Jr 5, 7.Aquilla 4, 6.John 3, 5.James 2, 1.James, Sir 1) was born about 1804 in Franklin County, Virginia. Abraham died before 1850 in probably Tenn. He married Margaret Ann "Peggy" Kinney 13 Aug 1825 in Williamson County, Tennessee. She was born about 1801 in South Carolina. She was the daughter of Benjamin Kinney.

They had 2 children:

- Francis Marion GREER, born 1830.

The research of this family is from the research of E. Annette Rose, Dinuba, California 93618; who has spent years searching for her Greer ancestors; she actually has two separate Greer lines in her family.

Was this son of Asa and Rebecca named Thomas Abraham Greer?

The information for Abraham Greer has not been proved; there is a marriage for an Abraham Greer and Peggy Kinney in Williamson, Tennessee, but no proof that it is this Abraham. Abraham's maternal grandfather was Francis Neighbors; he named his son Francis Marion. The names Francis, Marshall and Marion appear in the Asa Greer line. The first male Neighbors in America was named Abraham born in 1692; he had a son named Francis who had a son named Francis.

In the 1830 CENSUS WHITE COUNTY, ILLINOIS, Abraham, believed to be the son of Asa and Rebecca Greer, is listed between the ages of 20-30, wife 20-30, 3 males 0-5.

The family moved to Tennessee in 1834 and then on to Morehouse County, Louisiana in 1848. The 1850 census of Morehouse Parish, Louisiana shows Margaret Ann Greer as the head of the household. E. Annette Rose states that "Uncle Jim states in his memories' that the family moved to Louisiana in 1848, or rather, when F. M. Greer was 18. A check of land records shows that a family with the name of Kinney purchased land in the same area, in 1848, that we later find our F. M. Greer, along with Margaret Greer as head of the household, in Morehouse Parish, Louisiana, in the 1850 census. This rather indicates that if we have the correct lady, she followed her family to Louisiana from Tennessee.'

They had 5 children:

- Thomas Abraham "Abe" GREER.
- Francis Marion GREER, Jr, born 15 Feb 1859 in Morehouse County, Louisiana, died in Rochester, Haskell County, Texas. He never married.
- William Jefferson GREER, born 30 Apr 1861 in Louisiana, died in Rochester, Haskell County, Texas.
- Rebecca Mae Ann GREER, born 31 Mar 1866, died 1904.
- James Allen GREER, born 18 Feb 1868.

After the death of Francis Marion Greer, his wife and family moved to the area of Mexia and Hubbard, Texas.

They had 3 children:

The name Rebecca is the name of Asa Greer’s wife, Rebecca Neighbors; therefore Rebecca Mae Ann Greer is probably named for her great grandmother.

There was an appraisement of the estate of Richard GREER, deceased, recorded on 7 February 1806, by Douglas WATSON, Woodson HEARD, and Blake JACKSON. On 12 December 1806, Asa GREER bought one lot of hogs from the estate sale; Nancy GREER, probably the wife, bought 1 feather bed; George CABINESS, Jr. bought one cow and yearling; Elijah GREER bought 1 grubbing hoe; 1 lot of hogs to William ARRINGTON.

GREENE COUNTY COURT OF THE ORDINARY MINUTES 1810-1816, page 45 dated 12 March 1812: (Georgia Department of Archives & History, Dr. 33, Box 30) "Ordered that James Reynolds and Robert Watson Administrators of the Estate of Richard Greer late of Greene County, deced have leave to sell a tract of land in said county containing one hundred acres belonging to the Estate of said deceased to be sold for the benefit of the heirs and creditors." Nancy also married (2) Robert WATSON 12 May 1818 in Morgan County, Georgia.

It is believed that this Robert Watson married Nancy Reynolds Greer; he was one of the administrators, along with Nancy's father James Reynolds, of Richard Greer's estate.

There is an 1827 Georgia Land Lottery record, Page 215 for Nancy Watson, widow. Captain's District: Sanders, Number 113, District 12, County Troup. (NOTE: This appears to be Nancy Reynolds who first married Richard Greer, who died in 1806).

There is no doubt that Richard Greer Watson is the grandson of Richard Greer, son of Aquilla and Elizabeth Bandy Greer. One researcher has found Richard Greer Watson’s birth date to be 14 Dec 1822.

There is a "Lige" appearing on a tax record in Franklin County, Virginia in 1793, next to Asel Greer, brother; his father Aquilla, Jr. died between 1783 and 1784, but the mother Elizabeth Bandy Greer continued to live on the farm until 1798.

From Franklin County, it is believed he next went to Kentucky probably around 1797, county unidentified, where he married Mary ACORS (AKERS) while there. With much research of the known Kentucky counties of that day no record of their marriage has been located in Kentucky, nor the surname Acors.

From GOODSPEED - 1890, HISTORY OF ARKANSAS, WHITE COUNTY, page 168: an article pertaining to Alfred Greer, son of Elijah and Mary Acors Greer gives some information about Elijah: "His father Elijah Greer was a Virginian by birth and when about twenty-two years old migrated to Kentucky, where he married Miss Mary Acors, of that State. To them a family of fourteen children were born, twelve of whom grew to maturity, Alfred being the thirteenth child. Elijah Greer manifested a great interest in politics, and served in the War of 1812 as a fife-major (a fife is a high pitch instrument used by the military). He was a farmer by occupation and moved from Kentucky to Tennessee in 1810, going in 1830 to Georgia, and settling in Pike County. He resided in that state until his death, in 1841, his wife surviving him only three years*.

By 1801 Elijah, Elisha and William, all brothers and sons of Aquilla Greer, Jr., were in Greene County, Georgia in the same district. Gr/Pt. all four would have been 21 or older to be taxed, therefore, all were born before 1780.

Elijah is one of the purchasers at the sale of the inventoried goods of James Greer, deceased, on 29 January 1811. James was the son of Vincent Greer, uncle of Elijah Greer.

Elijah Greer enlisted in the War of 1812, from Greene County, Georgia in the 2 Regiment (Jenkins, Georgia Vols & Militia) Fifer Private. Three "Company Muster Roll" records make up his complete file in the National Archives & Records Administration, Washington, D.C.: (1) for: August 23 to September 30, 1813; Roll dated September 30, 1813; he was present; (2) for: August 23, 1813 to March 10, 1814; Commencement of Service: 23 August 1813; Expiration of Service: 10 March 1814; Term of Service: 6 months, 23 days; Pay per Month: 8 dollars; Amount of Pay: 54 dollars, 09 cents; Remarks: Absent with leave. (3) September 30, 1813 to March 10, 1814; Roll Dated: Milledgeville, March 10, 1814. He was absent with leave. No Bounty-Land Warrant Application could be found.

In 1830 Federal Census Schedule of Pike County, Georgia, Page 130, Elijah Grier (sic) is listed as male between 50 to 60 years of age. The following are also enumerated: 2 males 10 to 15, 1 male 20 to 30, 1 female 40 to 50, (possibly Mary) 1 female 5 to 10, 1 female 10 to 15.
By 1830, Elijah and Mary were in Pike County, Georgia, where he died in 1841 and Mary in 1843. (History of White County, Arkansas.) In the 1840 Pike County Census, No 4 Division allotted to William N Mills, Assistant, page 142: Elijah Greer is listed as 1 male 60 to 70 years of age; Mary is listed as one female 60 to 70 years of age; also listed is a female 20 to 30 and 1 male under 5.

Much time has been spent on research to identify Mary Acors, resulting with nothing more than her name in the Goodspeed 1890 History of White County Arkansas.

Mary Acors, born 1805, died after 1850. She was the daughter of John COOK and Rebecca WRIGHT. Elizabeth died after Jun 1850 in Tennessee. He married Elizabeth COOK 13 Sep 1821 in Nashville, Davidson County, Tennessee. She was born about 1831.

They had 11 children:

- **4600. M ii. Asa GREER, born about 1827, died about 1912.**
- **4632. M iii. John A GREER, born about 1829 in Tennessee.** He married Louisa HUMPREY 20 Oct 1849 in Nashville, Davidson County, Tennessee. She was born about 1831.
- **4634. F v. Martha A R GREER, born 3 Oct 1833, died 2 Dec 1920.**
- **4843. M vi. Charles Marion GREER, born about 1835, died 18 Feb 1863.**
- **4859. F viii. Elizabeth GREER, born about 1840 in Tennessee.** She married Clement H STOCKARD about 1859. He was born 25 Feb 1835 in Gibson County, Tennessee. Elizabeth died about 1860 in Christian Co, Missouri.

(From A REMINISCENT HISTORY OF THE OZARK REGION, published by Goodspeed Brothers. Publishers, 1894): At the time Clement Stockard was married to Elizabeth Greer, he was a young farmer, 24 years of age, living in Tennessee.

After Elizabeth's death, he married three more times; secondly, to Miss Lavina Robbins of Arkansas. They had one child; but mother and child died while he was away serving in Company H, First Wisconsin Calvary in 1862, during the Civil War. He suffered an almost fatal wound in the head in Dandridge, Tennessee and was left deaf.

He later married Miss Patience E. White in Tennessee and bought a farm in Christian County, Missouri. They had six children before she died in 1884.

After he married Miss Mary Jones and was blessed with three more children.

All the information found including the marriage data for Elizabeth Greer and Clement Stockard is taken from A REMINISCENT HISTORY OF THE OZARK REGION by Goodspeed Brothers Publishers, 1804. It states that she was a daughter of Elijah Greer of Tennessee; and it is assumed that this Elijah Greer was her father, since he was in Davidson County, Tennessee at that time.

**4860. M ix. Abram M GREER, born about 1839 in Davidson County, Tennessee, died 1870.**

"Abram M Greer is an oddity. Also a private in the 18th Tennessee Infantry Regiment; he deserted and was captured again during the Chattanaooa campaign on 13 December 1863, and returned to federal prison at the Louisville Military prison and later Rock Island, Illinois. On 14 October 1864, while he was still a prisoner, he took the oath of allegiance, and joined the federal army. In doing so he became what was referred to as a "galvanized yankee." Abram went west to fight in the Indian wars and was last tracked to Kansas as a member of the U. S. Army. He was a drinker and a brawler, and according to Mary Ann Greer, daughter of Calvin Greer, no one in the family ever heard from "Uncle Abe" again. She thought he had been killed in the war, as I did until I found his service record years later. I would be interested in knowing just where he is buried since you (Bertie G O'Quin) show him dying in 1870. Whoa wait, I just found something—the
family thought he had died in captivity in Arkansas." (From the research of Thomas E. Jones, Wilson County, Tennessee, E-Mail to Bertie G. O'Quin, dated 13 August 1999).

The following records are the research of Bertie G O'Quin: No 1874, Greer, A. M. Co K, 18 Tennessee Infantry, Confederate, Private. This Regiment was also known at different times as Captain Grayson's Company, and Captain Bandy's Company. The 18th Regiment was ordered for State service 11 June 1861, and service of the Confederate States on 7 August 1861. It was on 7 August 1861 that the first Company Muster Roll was issued for the 22 year old A. M. Greer at Camp Trousdale, by Lieutenant Smith for period of 9 months, 18 days. He was enlisted 26 May 1861 in Gallatin, Tennessee. There are Muster Roll records for January and February 1863, March and April 1863, July and August 1863. There is a Muster Roll, dated January 26 1864, showing him, "Absent - Deserted 9th 1863". The next Roll of Prisoners of War is dated 13 December 1863, showing him captured at Chattanooga, Tennessee. On that same date, he is listed "For exchange". Also on that same date there is a Prisoner of War Roll showing him discharged at Rock Island, Illinois. He next appears on a Register of St. Mary's Hospital in Dalton, Georgia, admitted 28 May 1863; returned to duty 4 June 1863.

There are church records listed in Wilson County, Tennessee Little Cedar Lick Baptist Church 1871 - 1969: "Greer, Alexine: 1848. 1861. Aquila V. 1849. 1852. E. 1772, Elijah 1848, d. 1867, Elizabeth, 1873". The dates probably represent membership date, unless identified.

Marriage data from GREER FAMILY, by William Greer Peck, copy in LDS.

The 1850 - TENNESSEE (Index to the Surname GREER) Transcribed and Indexed by Byron and Barbara Sistler, Evansville, Indiana, 1872. There is also a note saying that Rev. Elijah Greer, was born 1795 and in the 1850 Census of Davidson County, Tennessee was listed as a Baptist Minister. Davidson County, Tennessee: Elijah Greer, age 55, born Tenn, Eliza, age 45, born Tenn, Martha A R, age 17, Charles, age 15, Elijah, age 13, Abram, age 11, Joseph, age 7, Calvin, age 4.

(DAVIDSON COUNTY WILL BOOK 16, page 227, Will of John Cook, lists daughter Elizabeth Greer and three sons: Charles Cook, John H Cook and James H Cook. Much of the information for this family is taken from DESCENDANTS OF CHARLES WRIGHT, by D.G. Jones; I am unable to identify the person who sent me this data; the data is accurate, much I have checked out.

They had 12 children:

Asa Greer was a blacksmith in Lagardo, Wilson County, Tennessee.

1860 WILSON COUNTY, TENNESSEE CENSUS: Asa Greer, born about 1823, Tennessee; Margaret, wife born about 1853, Virginia; William, age 4; Elizabeth; age 3; James, age 1; Abram, age 21, was also in the household and listed as a blacksmith.

According to the 1880 Davidson County Tennessee Census, Alex Jones was born in Virginia. The death date also agrees with the data on his wife's Civil War pension records at the State of Tennessee Archives. The marriage date also agrees with the data on his wife's Civil War pension records at the State of Tennessee Archives. The pension record states that Alexander Jones enlisted in Washington Institute on Murfreesboro Pike in Company D of the 30th Tennessee Infantry, CSA on 22 October 1861. It further states he was taken prisoner at Fort Donelson four months after he enlisted, and taken to Camp Butler in Springfield, Illinois. Witnesses to the pension application, C. J. Ellis and B. R. Johnson, state that they were captured at Fort Donelson at the same time as Alex Jones. It may be assumed that since he enlisted in October 1861 and was captured four months later in February 1862, that he remained in Federal prison for about three years. It is not known whether or not he was wounded or what physical condition he was in when released. There are records at the State of Tennessee Archives, Roll 21 Selected Records of the War.
Department relating to Confederate P.O.W.'s 1861-1865 for Camp Butler. There is an Alex Jones of the same regiment and company who was captured at Fort Donelson on the same date as on the pension application and taken to Camp Butler in Springfield, Illinois. Martha Greer Jones, his wife, stated on the pension application that she and Alex Jones were married on 28 October 1852 at the New Hope Church in Davidson County, Tennessee by Peter Fuqua. Charles Marion Greer died from pneumonia in a hospital at Tunnel Hill, Whitfield County, Georgia. At the time of his death, he was a private with Company K, 18th Tennessee Infantry Regiment. The 18th Regiment was a "hard luck" infantry group, having participated in some of the most fruitless campaigns of the Civil War; surrendered in its entirety at Fort Donelson in February of 1862; imprisoned at Rock Island, Illinois; and exchanged back to the Confederacy in time to be shot to pieces at the Battle of Murfreesboro. (From GREER FAMILY, by William Greer Peck, page 84, and from the research of Thomas E Jones, of Wilson County, Tennessee; E-mail to Bertie G. O'Quin, dated 13 August 1999).

There are 3 Card Nos: 49934007, 49934066 and 49934256 in Charles Marion Greer's Confederate file. One shows that he was enlisted on 9 November 1862, in McMinnville, by Col. Wright for 12 months. This company was also known at various times as Captain Grayson's Company, Captain Bandy's Company, and Company K, 18th Regiment Tennessee Infantry. On 26 January 1864, Roll dated "Near Dalton" shows he enlisted 9 December 1862 in Murfreesboro by Col. J B Palmer for 12 months.

Register of Officers and Soldiers of the Army of the Confederate States who were killed in battle, or who died of wounds or disease shows that Charles Greer, Private Company K, 18th Regiment died p.m. 18 February 1863 at Tunnel Hill Hospital, Georgia. He left in money $45.75; his clothing has since been sold by Council of Administration. Money $45.75 + Clothing sold for $9.25 = Total $55.00 "This statement was signed by B.M. Mible, Surgeon T.A. C. S. in charge of Hospital. It is dated 8 June 1863.

4868. Martha Jane Greene GREER (4867.Aquilla, 4597.Elijah, 3324.Aquilla, Jr, 7.Aquilla, 6.John, 5.James, 1.James, Sir) was born about 1819 in Pike County, Georgia. Martha died 1884 in Centre, Cherokee County, Alabama, and was buried in Hebron Church, Centre, Cherokee County, Alabama. She married Frederick HOWELL 24 Dec 1833 in Pike County, Georgia. He was born about 1810 in Georgia. He was the son of William HOWELL and Elizabeth SIDES. Frederick died 26 May 1864 in Atlanta, Georgia, and was buried in Oakland Cemetery, Atlanta, Georgia.

They had 12 children:

+ 4869. M i. David M HOWELL, born about 1834.
4948. M iii. Thomas A HOWELL, born 1836 in Cherokee County, Georgia. He married Susan THOMAS. Thomas died May 1864 in Elmiria, New York.

Thomas A Howell was in Company K, 64th Regiment Georgia Infantry, serving under General Robert E. Lee in Virginia on the James River. He probably enlisted at the same time as his father and brothers on 14 May 1863 at Atlanta, Georgia. He was captured at Deep Bottom, Virginia, in "a sweep to capture Richmond" on 16 August 1864. He also was taken prisoner and sent to Elmiria, New York prison and died in captivity on 18 April 1865. He is buried there in Grave No. 1399.

+ 5121. M xii. Francis Marion HOWELL, born 18 Feb 1863, died 27 Jan 1902.

It is my belief that Martha Jane Greer was a daughter of Aquilla and Althenia Yates; however the father of this Aquilla Greer was Elijah Greer who married Mary Acres; both Elijah and Aquilla fathered children during the same time frame. Both were in Pike County, Georgia at the same time. Both of these Greer men have been very hard to identify, especially Aquilla Greer; and much of the last 4 years of my research has been seeking information on the fourteen children of Elijah, one also named Martha.
The 1870 Cherokee County Georgia Census shows Martha Jane Howell lived with her three youngest children: Mary Jane, Frederick and Francis Marion, in the Cherokee Mills District. Down the road lived sons: Elijah R and James Jefferson and their families.

In 1884, Martha Jane moved with her daughter and son-in-law, Mary and Jack Morgan, from Cherokee County, Georgia to Cherokee County, Alabama. That same year Martha Jane passed away. She had suffered extreme difficulties trying to raise her several small children after Frederick was killed. Martha Jane's grandson, Levi Morgan, drove the covered wagon for Martha to relocate to Alabama; he was about 8 years of age at the time.

The research for Frederick and Martha Jane Greer Howell is from the research of C S Howell.

Frederick Howell and his brother, Simpson Howell, were listed together in the 1850 and 1860 Fulton/Dekalb Counties, Georgia. In 1860, Frederick moved to Acworth, Cherokee County, Georgia. By 1864, he was killed in the Battle of Atlanta and is buried in the Military Section of Oakland Cemetery in Atlanta, Georgia.

Frederick Howell was enlisted at Thunderbolt as a private, Company E, 63rd Regiment, Georgia Infantry on 11 Dec 1862, by Captain Black for 3 years. He was present on the Company Master Rolls for January/February 1863; March/April 1863; May/June 1863; July/August 1863; September/October 1863; November/December 1863; and January/February 1864. There is a Register for Effects of Deceased Soldiers, showing a five dollar amount due him, undated. In ROSTER OF THE CONFEDERATE SOLDIERS OF GEORGIA 1861 - 1865, Volume VI, by Lillian Henderson, he is reported "Died at Atlanta, Ga., May 26, 1864. Buried there in Oakland Cemetery."

Frederick fought in the Civil War along with his sons: Isaac T. Howell, Thomas A. Howell, Stephen W. Howell and James Jefferson Howell. They were in Company K, 64th Georgia. Frederick was in Savannah, Georgia and manned the artillery that defended the city of Savannah. After that he was sent to South Carolina where he was a part of the defenses at Fort Wagner and helped repulse the 54th Massachusetts colored troops. He was then sent to fight Sherman in Atlanta. He was killed in the Battle of Atlanta and is buried in the Military Section of Oakland Cemetery in Atlanta, Georgia.

  iii.  George Howell, born 1871 in Cherokee County, Georgia. George died about 1892 in Cherokee County, Alabama. George died from public hanging; he and two others were convicted of murder in Centre, Alabama. The courthouse burned before the trial.

Little is known of James Jefferson Howell. He left Cherokee County, Georgia and settled in Floyd County, Georgia. Alice Gamble, born 22 April 1885, the youngest child of Mary Elizabeth Howell Frady remembered her mother going to Floyd County, Georgia to attend the funeral of James Jefferson Howell. Alice was a young girl seven or eight years of age at the time. No records could be found in Floyd County for James Jefferson Howell. According to Alice, "Jeff wasn't strong in character".

James Jefferson enlisted in the Civil War as a private in Company K, 42nd Regiment Georgia Volunteer Infantry. A brother Elijah R. Howell was also enlisted in this same company.

In the 1850 Fulton County, Georgia Census, James Jefferson is listed as James J. Howell and also in the 1858 Tax Digest of Fulton County, Georgia.

The 1870 Cherokee County, Georgia Census indicated that Martha Howell lived with her youngest two children down the road from her sons Elijah R and James Jefferson Howell and their families.

1870 Cherokee County Census, Cherokee Mills District: James Jefferson Howell, 35 years of age, Farmer. Birth in Georgia Margaret, wife, 29 Years of age. Born in Georgia Mary Elizabeth, Daughter 10 years of age, Born in Georgia John Henry, Son, 4 years of age. Born in Georgia.

James Jefferson moved his family from Cherokee County, Georgia to Cherokee County, Alabama after 1884. His grandson, Albert Howell, was born in Cherokee County, Alabama in 1890. Thus the move for James Jefferson and family was made between 1884-1900. James Jefferson is buried in Walker County, Georgia beside his wife Margaret and son George.

James married (2) Adelaide 1899 in Walker County, Georgia.

John Henry and his wife Martha moved from Floyd County, Georgia to Centre, Cherokee County, Alabama, shortly after their marriage in 1889. Their first two sons were born there. Then they relocated to Cleburne County, Alabama where the next 3 children were born. By the time David was born, they had moved to Cedar town, Polk County, Georgia. They were living there when Martha died. John Henry was pastor of the Liberty Grove Methodist Church in New Hope, Alabama, where he was living when he died. This church was still standing as of the year 1984; however, it was moved to Woodlawn, Alabama, after the new church was erected. The old building was used for several years as a cafe. The house were John Henry Howell died is also still standing, located in a pasture across the road from the Liberty Grove Methodist Church. The road has been changed down through the years.

John Henry Howell died from stomach cancer at the age of sixty-two.
THE DESCENDANTS OF AQUILLA GREER, SR. 1719 - 1790

Martha Ann Jarrell was raised by a McGraw family. Her mother was living 15 December 1865 in Cherokee County, Alabama. It is believed that Martha Ann Giles (Jarrell) was one half Cherokee Indian. Her mother, probably a Jarrell, had a child by the Indian. Her grandfather Jarrell refused to raise a half breed. He made the daughter (Martha Ann's mother) give the baby away. She went by the name Giles, although it is not known why she used that name. On her marriage certificate she listed her maiden name as Jarrell. (From the research of Wiley Alston Jarrell, information supplied by Charles Quentin Howell, dated 2 November 1999)

She was fifty-six years of age at the time of her death and is buried in the Cedartown City Cemetery.

She was listed in the 1880 census of Coosa Community, Cherokee County, Alabama.

Ernest Howell and Flora Sadonna Chappell were married in the middle of the road on the Georgia and Alabama State Line near Bowden, Georgia. Ernest Henry Howell is buried in the Lawrenceburg Cemetery.

The first child, Mattie Erline, was born in Bowden. Later the family moved to Randolph County, Alabama near Wedowee to be near Ernest's family. Eva Doris, James Durward (Duck), Roy Lee and Bervin Fred (Chick) were born in Randolph County. At an early time in their marriage Flora's sister (Dola Chappell Hornsby) became very ill and died leaving two small children. At Dola's funeral, Theodore Hornsby asked Ernest if he would take the two children. Ernest replied, "You will have to ask Flora she is the one who will raise them." Flora's answer was yes. Theodore left the two small children and was not heard from for several years. He was located later in Arab, Alabama. at this time in their lives Ernest and Flora had four children age four and under. Royal was four, Erline and Violet, two and Doris on the way.

It was in Randolph County, Alabama that Ernest became involved in the KKK. After several years events changed his status in the organization. These events led to the decision to move to Round Pond, Arkansas, near Forrest City, Arkansas in 1932. Albert, Ernest's brother, had already moved to Forrest City.

Ernest, Erline and Durward contracted malaria fever while living in the swamps of Arkansas. One day Armon Brown, a truck driver hauling watermelons from Round Pond to Lawrenceburg, Tennessee told Ernest how flat and wonderful the farming ground was in Tennessee, Ernest along with his family moved to Lawrenceburg in 1934. The family lived on and farmed the Skitberg farm in the Park Grove Community near Ethridge, Tennessee. It was on this farm that Charles Quentin Howell was born 11 January 1938. NOTE: Charles Quentin Howell furnished most of the Howell research.

In 1942 Ernest and son-in-law, Elmer Pope bought a three hundred twenty acre farm in Mars Hill Community. The farm was purchased for six thousand dollars, a lot of money at that time. It had only been ten years since the Great Depression. Not knowing how they would pay for it, the decision was made to sell the farm for eight thousand dollars. Today, 1998, the farm has been appraised for three hundred thousand dollars. Charles and Sandy Howell live across the road from the farm on the Mattoxtown Road. In 1943 Ernest bought eighty acres adjoining the original farm located on the Tingle Trap Road. This was home until 1965 when the house was completely destroyed by lightening. Ernest built and operated most of the cotton gins in Middle Tennessee and Northern Alabama. Ernest also worked several years in the maintenance department with the Toledo State Hospital in Toledo, Ohio.

Flora Sadonna Chappell Howell was a housewife. She spent her life raising children, grandchildren, nieces, nephews and caring for her elderly father, John Henry Chappell who lived to be ninety-six years of age. She managed and took great pride in her herd of cattle and milked several cows by hand. There were no modern conveniences most of those years. She raised chickens, made her own garden and canned between five and six hundred items each year. She was truly a woman described in Proverbs twenty-eight.

Flora's father died in 1935. He is buried along with his wife Cora Skinner Chappell and infant son in the Macedonia Cemetery near Heflin, Alabama. Flora's mother died at the age of thirty-eight, probably of stomach cancer. She left behind ten children: Dola Chappell Hornsby, Robert Chappell, Oliver Chappell, Lena Chappell Henderson Forrester, Lenora Chappell, Daniel Cooper, Zora Chappell Akins, Flora Chappell Howell, Johnnie Chappell Benefield, Jewell Chappell, Knowles Owens.
Flora died at the home of a daughter, Erlene, in Yorktown, Indiana. Ernest and Flora are buried in the Mars Hill Cemetery on the Weakly Road near Lawrenceburg, Tennessee. Flora was a member of the Mars Hill Baptist Church. Ernest was a Methodist.

Ernest Henry Howell married Retta Thigpen Pettus Moses 22 July 1972 by Brother James Brown; she is buried by the side of her first husband, Wheeler Pettus, in the Mars Hill Cemetery.

Ernest died from a stroke, hypertension and diabetes.

Flora Sadonna Chappell also died from a stroke, hypertension and diabetes. She had female cancer surgery in 1959.

They had 3 children:

F ii. Frances Erlene Pope, born 10 May 1946.

M iii. Franklin Elmer Pope, born 10 May 1946.

Elmer and Mattie met at a small country store in the Hudson Community, near Ethridge, Tennessee. Erlene was thirteen years of age at this time and Elmer was twenty-three. Elmer's father, Fred Pope, owned and operated a grist mill in a place where corn is ground and cornmeal used for cornbread, muffins, etc.

Elmer's first trip to Muncie, Indiana took place in 1929. The years 1929 and 1930 were bad years for manufacturing jobs. The Great Depression had its grip on people's lives. Elmer, like so many others were back and forth from Muncie, Indiana to Lawrenceburg, Tennessee. He worked at Borg Warner in Muncie, Indiana but could never build enough seniority to hold his job.

Elmer and Erlene were married 4 January 1940, in the home of Magistrate Pettus, Ethridge, Tennessee. Immediately following the ceremony the newly weds left for Muncie, Indiana. The weather was extremely bad, snow and ice covered the roads from Ethridge to Muncie. In Muncie, a two room apartment on Sixth Street was rented from Kate Thomberg. Elmer reported to work the following day to be laid off again. He then went to work at the Beach Grove Cemetery in Muncie for forty-two cents an hour. This amount was far from the seventy-two cents he had been accustomed to at Warner Gear.

While in Muncie, a daughter named Doris Ruth was born at Ball Memorial Hospital on 14 March 1942. Later in 1942 Elmer and Howell bought a farm in the Mars Hill Community. In 1943 the farm was sold. Elmer worked construction for a few years.

On 10 May 1946, the twins, Franklin Elmer and Frances Erlene, were born at the old Seven-Day Adventist Hospital in Lawrenceburg, Tennessee. Elmer and Erlene and family lived in a house on Jester Lane owned by Sallie Cox across the road from Richard Comers. Later they moved to a house owned by Roy Basham located on the Community Road. While living in this location and working in Columbia, Tennessee, Elmer's stomach burst. He was operated on by Dr. W. O. Crowder. After recovery from the surgery, the Pope's moved to Cedartown, Georgia in 1947. There he worked as a carpenter on construction. He was called back to Warner Gear. Erlene returned to Lawrenceburg, Tennessee where she worked in a pant's factory until Elmer's job became secure.

In 1950 Erlene graduated from the School of Cosmetology in Muncie, Indiana. She and Dorothy Boyle owned and operated a beauty shop in Yorktown, Indiana for several years until the shop was destroyed by fire. Erlene then moved the shop to her home and continued to work until 1971. Elmer retired from Warner Gear on 1 May 1971. After retirement Elmer and Erlene moved to Lawrenceburg, Tennessee and built a house on Gimlet Road in the New Prospect Community. After retirement Elmer worked for Parks Lumber Company in the cabinet shop. Erlene worked in the cafeteria at the Lawrence County High School. In 1977 they continued to live on Gimlet Road. Erlene is a member of the Mars Hill Baptist Church on the Weakly Creek Road in Lawrenceburg, Tennessee.

In the 1850, 1860 and 1870 Census records, the place of birth for William Greer is listed as South Carolina, Tennessee, and Alabama, in that order. Other researchers have reported the first wife of William as Lucinda Gray, thought to be a sister of a Tempy Brown; but after much research it is believed that this Lucinda Gray married William Grice on 7 July 1831 in Pike County, Georgia. (Genealogy records of the Gray, Grice, Greer families are on file in files of Bea O'Quin).
William Greer divorced Tempy Greer in White County, Arkansas, on 14 January 1861, after almost 30 years of marriage; but the records are recorded in book labeled 1857 - 1859. The divorce records state William and Tempy were married in May 1838 in Tennessee. That is the only useful information obtained from copy of the divorce.

1850 BENTON COUNTY, ALABAMA CENSUS, 29th Subdivision, H/H 335, page 352: Wm Greer, 45 Farmer, born in SC (S C must be an error for place of birth); Tempy, age 28, born in NC; Thomas J, age 20, blacksmith, born in TN; Henry A, age 18, farming, born in TN; Nancy I, age 14, born in TN; Emelene, age 11, born in TN; Elzy, age 9, born in TN (NOTE: This is Elizabeth); John, age 7, born in TN; Ozias, age 5, born in TN; David, age 4, born in AL; Mary C, age 1, born in AL.

1860 WHITE COUNTY, ARKANSAS CENSUS, Marshall Township, H/H 94, page 387: William, age 50, born in AL; James, age 46, farmer, born in AL; Tempy, age 27, born in AL (Note difference in age from 1850 Census); E., age 19, born in AL (This is Emeline); E., age 17, born in AL (This is Elizabeth); Ozias, age 15, born in AL (This name is unreadable, but is "Ozias"); D., age 12, born in AL (This is David).  

William Greer is listed on the tax rolls for T7N, R9W for the E 1/2 of the SE 1/4 of section 30 for the years 1860 and 1865. He was also listed with the E 1/2 of the NE 1/2 of the NE of the same section for 1860. D. Greer bought the same piece of the SE 1/4 from W R Thompson in 1881. (It may have been lost temporarily for taxes or a loan) This property is today in the Coffee Township. Marshall Township, known to be the home of William, is just west of the Coffee Township.

William Greer sold 10 acres in SE 1/4 of the SW 1/4 of section 19 which property is 1/2 mile NW for the property listed above. This was in 1867. Ozias is listed with 80 acres about 1/4 mile South of this property in 1869. This property adjoins the property on the west side of that listed for William Greer in 1860. (Tax and property information from James E. McAllister, researcher of Searcy, Arkansas)

1870 WHITE COUNTY, ARKANSAS CENSUS, Marshall Township, H/H #5, page 387: William, age 60, born in AL; David, age 21, born in AL; E., age 19, born in AL (This is probably Mary C); Tempy is not present.

1880 WHITE COUNTY, ARKANSAS CENSUS, COFFEE TOWNSHIP, page 173C: SAPPINGTON, Sam D., 37 farmer, Ga, Ga, Ga; Farlenia, 38 wife, Ma, AL, NC; Laura F, 9 daughter, Ar, Ga, Ms; Piety L, 8 daughter, Ar, Ga, Ms; Marcilet, 8 daughter, Ar, Ga, Ms; GREER, William, other, 75, farm laborer, NC, NC; NOTE: Living one page from son David's household (D.G. Greer, p 172).

William is not listed on any other census for White County, Arkansas. In 1880, his age was given as 75; however in the 1850 and 1860 Census records, his birthdate would have been 1805, making him 65 years of age in 1870; it is believed that he died after the 1880 Census, and is buried in White County, Arkansas.

On the Romance Cemetery, Romance, Arkansas, information and listing, Greer, W, with no data, is listed directly below Greer, T, with no data. O Greer (Ozias) is listed directly above Greer, T. I believe that these markers or whatever records produced these names, denote the gravestones of Tempy and William Greer, buried in the same area as their son Ozias Greer.

This Elisha J has been identified as Elisha I or Elisha G; the census records are not clear. Earlier researchers reported an Elisha G Grice married to Margaret Frasers on 20 September 1855, in Pike County, Georgia. The Grice family entered them into the index of their research but never entered him into the tree. After studying the marriage record very closely, it was determined to be "Greer" or even maybe "Grier" instead of "Grice" by me and two other researchers, namely Mary Lee Barnes and a neutral one, not from the Greer family.

Elisha Greer and Margaret Frasers were in Lowndes County, Alabama in 1840 and in Tallapoosa County, Alabama in 1850 and 1860. He was in Clay County, Alabama in 1870. All of the children of Elisha and Margaret were born in Alabama.

After much study, the five census records from Alabama and one from Arkansas appear to be the same Elisha J. Greer.

Elisha and Anna Greer went to the Cadron District of White County, Arkansas about 1877. (E-Mail dated 10 May 2001 from Rosanne Kaylor.)

Elisha J Greer had a saloon in probably West Pangburn, Arkansas.

Annie also married (1) William Van dever WALLS in Randolph County, Alabama. He was born about 1830 in Franklin County, Georgia. He was the son of Jeremiah WALLS. William died 1863 in Port Royal, Virginia.

William was in the Civil War and wounded at the Battle of Chickamauga and died at Port Royal, Virginia in 1863, during battle. He was elected Lieutenant of Co H, 8th Alabama Calvary, C.S.A.

LETTERS SENT TO ANNIE UPSHAW FROM HUSBAND W. V. WALLS: "Montgomery, Alabama, 15 March 1862 to Anna Walls: Dear Anna: I am well at this time and hope this finds you enjoying the same good health. They never hurl me for staying at home over my time. We are going to move to Huntsville (Ala) Tuesday next. Slaughters Company has already gone. I have no time to write now as I did not know that Galaway was going home until he was ready to start and you must excuse me for not writing more. I sold Charles (Voss) the cart, I will write you a letter as soon as I get to Huntsville. Your humble husband. W. V. Walls" (Turn over) P2...S.P. Herd: if Bidy comes to swap horses with you, ask him $10.00 to boot, if he want give it; swap even. Give my love to Prudy....Your Brother, W. V. W "S, P Herd (Porter Herd) was a brother-in-law." "Grandfather was appointed Lieutenant of Co. H. 8th Confederate Regiment (Calvary) - Later letters inform us that this appointment was temporary by his own men when they reorganized in August." NOTE: "These letters (with notations) were shared with Walls family by Coleman Richard Walls. From the research papers of Rosanne Walls Kaylor.

Holly Springs, Mississippi, August 2, 1862: "Dear Wife: I received your kind letter yesterday and was much pleased to hear from you. It found me well and hearty and I hope this may reach you enjoying the same good blessings. I had just returned from Tenn. when I received your letter. I had been out on a bridge and supply burning expedition and taking Union men. We went about 75 miles into Yankees lines. We traveled night and day and would slip by their camps by night going and coming, without much difficulty. We had a few squirmishes and once they hemmed our men in and drove them into the Tuscumbia River and drowned 18 and killed one or two. I had taken a squad of six men and gone out to take a Union man and was not with them at the time. They took five or six of our men, but we whipped them the next day and got all our men back and took 10 prisoners. I had a man I went after but pushed him so hard that he left his horse and I got it. We get about 30 horses and mules on the trip. We are going to Chattanooga now--we will start in the morning. We will have to travel about 300 miles to get there. When you write continue to direct your letters to Tupelo (Miss.) until I write to you where I am. The letters will follow where I go. I am now about 90 miles north of Tulipo, but get all the letters you write, and I am happy to think we can have a regular correspondence and I hope we ever may have. Anna I was sorry to hear of the disaster among the neighbors at Richmond and can sympathize with them, but a dead cow in that neighborhood would create more excitement than a dead man here. Charles Voss has been in the hospital 4 months and I don't know where he is, only that he is somewhere in Miss. Anna, I have nothing more of importance to write about at present. Tell my little boy (refers to my father who was then 14 months old) that I want to see him and his mother the worst of anybody. If I could come home to stay 10 days I could do very well three months longer. Anna I believe we will meet again in the course of two months. If I can't come home then you can come to see me. If I get to Chattanooga you can come there, and then you can get to stop and see Aunt Sally Stumps and your sisters. Get ready to come and as soon as I get there I can write to you and you can start. You would get to see the country by coming and it would cost no more than for me to come home. If you are in condition to travel I would rather for you to come than for me to come home. If it were not for you I would not come if I could, for it is a difficult matter to get off from the army now, especially the cavalry. Porter (Herd) and the rest of the boys are sure in a plight for not coming to this company, though I hope they are well satisfied and doing well. If I go to Chattanooga I will get to see Jessie Hanson (brother-in-law). We will be there for a month if our order is not countermanded. We are now in the best country I have ever seen in my life for good land and water and plenty to eat. The ladies of Tenn. would shout until you could hear them for a mile when they saw our troops riding into town. We went to several places in Tennessee and within 10 miles of Memphis (Memphis was then occupied by Federal Troops). When we were at Somerville the ladies followed us all over and one of them gave me a Confederate flag and some apples, and slapped her hands and said: God bless the little soldier—she said; I could hug the ugliest man in the regiment. The Yanks had run her father off and he came home while we were there. Your obedient husband W. V. Walls"

"Rome, Georgia Sept 1, 1862: Dear Wife: I am now seated at desk in this city to drop you a few lines to inform you that I have reached here safe and am in good health. I received a kind letter from you yesterday, which gave pain to hear that you are in bad health (a second son was to be born the following month ...). Anna I know you are tormented almost to death and I hope to God I will soon be with you to help you bear your affliction. The happiest day that now anticipate is the day I shall be permitted to see you. It has been a long looked-for enjoyment with me and I have no other idea but that you have been looking forward to the same day for enjoyments of love and peaceful happiness, as much as this world can afford, I think I will meet with an opportunity of coming home in a few days. Lieutenants Ray and Gay have gone home and will soon return and then I and the Captain will have a chance for leave. You know that I wrote you I was beaten in the election, but it was a mistake. After examining the tally sheets we found that one of the Prices men had voted twice and when that was taken off it made a tie and the Colonel told me to take command, and again on yesterday, we ran the
election over and I was reelected. There were three candidates, Quattlebaum, Price and myself and I got 20 votes more than Quattlebaum and Price together... Ann I feel very thankful for the confidence my friends have in me and I will loath to leave them when I have so to do, but I know I have a friend sitting in a cottage on a pine-clad hill in Talladega County whose prayers are daily ascending to a throne of Grace, petitioning to the most High God to preserve me and restore me to her again and I believe her prayers will be heard. I feel confident that we will meet again before long and I hope you will be of good cheer and the request you made of me will be sealed in your bosom and carried out and I recommend you for the course you suggest. I have had a tiresome trip from West Tennessee to this place, though nature beemed to smiled on us daily. We had very pleasant weather all the time and plenty to eat all the way (a 300 mile ride that took place from the 3rd. Aug. to the 1 Sep.) While in Mississippi the valleys were covered with produce of every kind and in the woods the tall oak trees, with waving branches, presented a lively scene and once in a while there was an artesian well with cool water flowing from it as though nature had attainted it purposely to winch the thirst of the weary soldier. When we reached Alabama, the lofty hill and monstrous forests, with running streams, attracted the attention of all, while the little silvery streams rolled over their gravelly beds, rattleing along playfully. It appeared to me as though they were rejoicing because they had made their escape from the mountains. All these things tickled my fancy (sic) when they were first presented to my view, but my second thought was always that I wished Anna was here help me survey these beautiful scenes; after which I would be wrapped in deep thought, whilst the voices of the others were echoing through every hill and dale and all seemed to take life easy, and I believe most of them do. Anna I have run out of time and must close by saying good bye my love until I see you again. Your affectionate and obedient husband, W. V. Walls

PS. Anna, you wrote me about your little mare and colt; you will please do the best you can for them, so as to keep them in good condition as possible. Be sure to hire Mrs. Cox's negro girl to stay with you as long as you want her, even if you have to pay two prices, and if you need more money let me know and you shall have as much as you want. W.V.W. To Mrs. A. E. Walls, Bluffsprings, Alabama"

"Camp Wheeler, Dec. 3, 1862 Dear Wife: I take my seat to drop you a few lines to let you know that I am well; hoping these lines may reach you enjoying the same. I have but little to write that would interest you, though H. M. Smith was discharged and going home and I can send by hand and you will be sure to get it; therefore I will write. I am now 6 miles north of Murfreesboro on the Pike and will remain here for some time. We are having little skirmishes every day, but little damage done on either side. We had a pretty heavy fight the other day at Laverne. The Yanks attacked our cavalry and one battery and drove us out of town before we could get our infantry in position. They set the town on fire. When our infantry came up we advanced on them and drove them back near Nashville. Our losses were small. A cannon ball fell close to me, and I was within a few feet of being killed; but I was not hurt, but much. I have got used to them until they are as familiar as any other sound. There is not 12 hours passing without. We have had a very tite spell of weather for some time and it is not over yet. The weather is very disagreeable tho this morning is warm. I have taken a horse has gone without 4 days at a time, only getting a bite when crossing creeks and sometimes a little fodder and a bite at a time. I have had the best kind of luck. Tell mother Murry to write whether her son is in the Inf. or not. Anna write to me to let me know and you shall have as much as you want. W.V.W."

"December 17, 1862 Dear Wife: I will send you a horse; she is the best trained nag you ever saw and if Quill (Hanson) wont take her you tell him to let little Jess have her. She looks bad now, but she is one of the finest stock in Tenn, no doubt, and I want her taken care of. Henry N. Smith will deliver her to you and let her out immediately if you can. If Porter will, I want him to put her to his horse and if he has not got him, to some other horse. Anna I am well. I have not heard from you for some time and I am getting uneasy. I wrote you to let Mrs. Ahebies have some money. If you did, tell me how much, so we can settle accounts. I will send you a fine Yankee halter with the money and you keep it for your own use. The mare works fine to a buggy and plow and wagon. I will close. Your husband, W. V. Walls"

"Camp Mulberry, Lincoln County, Tennessee...Jan. 1863. Dear Wife: I take my seat to drop you a few lines to let you know I am in tolerable health, hoping these lines may reach you enjoying the best of health. I have nothing of importance to write to you more often than we have had a very tite spell of weather for some time and it is not over yet. The weather is very disagreeable tho this morning is warm. I have taken a cold and have been grunting around for a few days, but I am getting alright again. I heard Lieut. Ray read a letter from home this morning that bothers me very much. His wife wrote she could not get corn at all. People that had would not sell and I am now afraid that you will not be able to get any. Anna that bothers me worse than anything else for I am beginning to believe that women and children will perish if the war continues very long. The army can live by running into Tennessee and Kentucky once in a while and driving out livestock and getting all the bread stuff they can, but the women have no place to resort to unless the others in of the county will see that metvide all they can spare. Anna I want your to pay $5.00 or $10.00 a bushel for corn to keep corn to do up until wheat. I think that Henry can find corn if he comes for you. Anna I have never yet been half so uneasy about you since I left. I would jump for joy if it could get a letter from you. I have not got one since Capt. Thompson got back to the Company and I have written a dozen since then, but the promise is to the faithful it is said and I am now making an experiment of that matter. Anna, I must say something about the ring I started to you by letter for fear you will never get them. They were rings I made myself out of guata percha buttons. I did not finish them off for I had no tools only my knife. If I come home any time soon I will finish them for you. It was a poor looking present but being I made them I thought them more valuable than the finest ring of the North. I have nothing more to write about I believe, only our Brigade took five transports and one gunboat on the Cumberland River the other day. I was not with them but that is the report and correct I know for they sent five negroes to camp that they had taken at the same time, three of which are Northern free bucks and the others have been taken from our country. We capture them constantly around the rear of the army. The cavalry is from the 3rd. Aug. to the 1 Sep.)

doing more good than all the infantry now and Wheelers is now excelling any in the world. John H. Morgan has had a name that excelled, but Wheeler is climbing him fast. I will close, I remain your kind husband. W. V. Walls*

These letters are from the Research of Roseanne Walls Kaylor; I do not know who sent them to me but Glen Sherrin and I worked on his genealogy for a long time before we got it all completed and Anna Upshaw Walls Greer is from his line. I think it must be an honor to possess beautiful letters written from the heart, as these. There is much sadness in the fact that W. V. Walls died in battle and never made it home. Had he survived, we would never have had Anna in our Greer family.

Much of the research for Elisha Greer and Anna E. Upshaw was submitted by Glen Sherrin of Bakersville, California. He is a descendant of Annie E. Upshaw Walls Greer.

Anna E Upshaw Walls Greer is listed as Annie Greer, age 58, born in 1842, on the 1900 White County Arkansas Census for E E Shearin and wife, Rhoda Shearin.

On the 1880 Census Schedule for White County, Arkansas, there is a son listed as G E Greer, age 19, born in Alabama. It is my belief that this is a daughter named Georgia Ann Aley Greer. This could possibly be a mistake by the Census taker.

5887. M x. Alfred Hiram Greer, born 14 Apr 1863 in Tallapoosa County, Alabama. He married Cordelia Ann COFER 22 Nov 1885 in White County, Arkansas. She was born 17 Jun 1871. State of Arkansas, Bureau of Vital Statistics, Certificate of Death File No 1014, shows A. H. Greer's father: Alfred Greer born in Tennessee; mother: Warters (Waters?) born in Alabama; and was reported by his brother E J Greer, Searcy, Arkansas; date of death, 30 June 1918; place of death, White County; Township, Gray; City, Searcy. Diagnosis was "Abscess of Lung". Place of burial listed as Smyrna. He was 53 years of age and occupation listed as "farming". No wife or children listed although the death certificate shows him "married".

Biography of Alfred Greer, copied from Goodspeed - 1890 Eastern Arkansas. History of Arkansas. White County, obtained 2 Jan 1994 from Presley Research, page 168: "ALFRED GREER enjoys a deserved reputation as a prominent planter of White County. Born in Davidson County, Tenn., February 22, 1820, he received his education in Alabama, near Fayette County. Alfred was married Oct 13, 1839, in Alabama, to Miss Elizabeth J. Waters, a daughter of William and Feriberry Waters, and their union has been blessed by the birth of ten children, three boys and seven girls: William V, Elisha J., Hiram A., Mary F., Nancy, Feribey, Lucinda, Susan F., Georgia F. and Margaret E. who died in 1846. Mr (Alfred) Greer owns 160 acres of land, with seventy-five under cultivation. He is a member of the Wheel in which he has held the office of Chaplain for three months. He served in the late war (Civil War), and enlisted in 1864 under Capt. Choshea, as a home guard. Mr. Greer and his wife are members of the Baptist Church in which the former has acted as deacon. He was one of twenty-four who organized Mount Olive Church, and many other enterprises, which have proven of substantial worth, may be attributed in a large degree to his energy and support." (This was received from the research of Glen Shearin, a Greer descendant, who paid for a fee to Presley Research, Mrs Leister Presley, 1700 West Center, Searcy, Arkansas 72143, for the copy.)

Alabama died 13 Feb 1958 in Valparaiso, Porter County, Indiana, and was buried in the Graceland Cemetery, Garden of Devotion, Lot 93. Valparaiso, Porter County, Indiana. Burnell never married. She was involved with I. C. Rhew, the brother of her sister Edith's husband. He killed her at age 33 during a heated argument.

Alabama and Walter lost two children during their marriage: one, a baby girl named Mabel, was a Christmas baby; and Dolphus (probably Adolphus) who lived to be about 11 years of age, until the year 1910/11. Both these children are buried at Floyd, Arkansas.

It was reported that on Walter and Allie's wedding night, Allie told him: "If you touch me, I will jump out that window!" Nine children later...this is their story.

Loretta Liles described Walter as a kind, generous man—as long as he wasn't drinking. He liked to get his children drunk just for the amusement.

He was known to have a temper, and took his anger out on man, beast and child. He is said to have treated his children "like mules". He was a farmer by trade, and a hard working man. I can't help but wonder if he suffered the same abuses. Lorene offered a story to attest to his sense of humor: "When I was a little girl, Grandpa offered me a nickle to drink some castor oil. Now I didn't know what that was, but it didn't take long to figure out." Walter was quite proud of that one. Eric Rhew said he could remember his granddad sitting on the porch, telling dirty jokes, and dipping snuff.

Walter was buried in overalls, just as he was seen everyday.

Sherry Bramlett Donohue of Tulsa, Oklahoma, furnished the information on the family of Walter B Bramlett and Alabama Vaughan; and states; "I find it curious that in Walter's obituary, there are no family members as pall bearers for his service. Where were they? Have we always been such a scattered family?"

They had 5 children:

- **5535. F i. Lorene BRAMLETT.**
- **5536. F ii. Evelyn BRAMLETT.**
- **5537. M iii. Sonny BRAMLETT.**
- **5538. M iv. Sidney BRAMLETT.**
- **5539. F v. Yvonne BRAMLETT.**

He owned the Restaurant & Liquor portion of the HILLTOP INN in Searcy, among other businesses. Otha paid off the local sheriff in order to bootleg moonshine.

5542. F i. Elizabeth Ann WRAPE.

Elizabeth Ann's mother, Elizabeth Wrape, died in childbirth. She was adopted and raised by her Aunt Blanche, sister to Elizabeth, and Uncle Earl Lite, in Valparaiso, Indiana.

5545. F i. Betty LITE.

Blanche and Earl adopted Elizabeth Ann Wrape and raised her as their own.

5547. M i. John Lawrence RHEW.
5548. M ii. Eric RHEW.

5550. M i. Anthony STATHIS.

All the stories told reveal that W. L. had a rough life on the farm with his father. Apparently Walter found it amusing to get his children drunk. This remained as a way of life with the children, as W. L. and all his brothers and sisters had a problem with alcohol.

It is also believed that W. L. had a wife before Kay; the family lore was that he never divorced his first wife before marrying Kay. He was reported to have been in the SEABEES, the U. S. Navy Construction unit for the Navy during World War 11. This was not verified. W. L. spent a lot of his life in prison. Both Eric Rhew and Elizabeth Ann gave the same information: "He had a habit of stealing cars. He was a petty thief, stealing what he could to enable himself to keep a supply of his ever-present bottle of wine. He was often appointed a trusty in jail. He was an excellent baker, and was often sent to "boys schools" rather than prison, because of this talent. He would be in charge of the kitchen at these places. Inez. Taylor of Judsonia, Arkansas, recalled a time when she and her husband came home one night to find their heating stove red hot and someone sleeping in their bed. It was "just Dub". He had hopped a boxcar from Benton Harbor, Michigan to Judsonia, Arkansas.

When W. L. worked, he was a good machinist, always in demand at the factories in Benton Harbor, Michigan. As far as can be determined, "W. L." was indeed his given name; however, he often signed his name as Walter or William. Jewel Kayrene was known as Kay.

One cold night in 1890, during a snow storm, the family dwelling caught fire because of a spark landing on the shingled roof. Bud rushed up the ladder and put out the fire, but on his way down a ladder rung broke causing Bud to fall and break his neck. The accident was fatal.

Some referred to Bud as the old man who operated the ferry, but in reality Bud was only 38 years old at the time of his death. Lucy and her daughter, Lou Ella, continued to operate the ferry and apparently stayed busy as Tumbling Shoals was a focal point in Cleburne County. It was also a favorite fishing spot for area fishermen.

Lucy remarried in 1891. Her second husband was William Heigal. Children born to this marriage were Isham Marion Heigal and Callie Bell Heigal. William left Lucy and she returned to the Formosa area so she could be near her parents, Isham and Minerva Bowling. Lucy was the second daughter of Isham and Minerva to be named Lucy. Their first daughter was named Lucy Ann who died at the age of two, and she is buried in Marshall County, Mississippi. Lucy’s third husband was Aaron Thomas McKuin. Children born to this marriage were Thomas Allen McKuin, Cordelia McKuin, Arizona McKuin, and Joseph Henry McKuin. Lucy died in 1934. She is buried in the Mt. Pleasant Cemetery in Conway County.

President John F. Kennedy came to Arkansas in 1963 and dedicated the Greer’s Ferry Dam in memory of the little boat that once ferried passengers at Tumbling Shoals."

From BUD GREER; THE MAN WHO RAN THE FERRY by Bill Wellborn: "The U. S. District Corps of Engineers conducted a study of possible locations when the dam was first being considered and designated each location by the nearest landmark. "The nearest landmark to the present location of the dam was the place where a ferry had run during the late 1800's and early 1900's and its original operator was a man named Bud Greer." "One person familiar with the original Greer's ferry is Mrs. Wayne Wright, who stumbled across the information while conducting a genealogy study of her father's family name - GREER. "After countless hours of searching for the origins of her family, Mrs. Wright discovered the Greer who ran the now-famous ferry. He was William Vincent Greer, nicknamed 'Bud', and was born on November 22, 1850."

"Greer ran his ferry near the Tumbling Shoals area of Greer's Ferry Lake during the 1880's. The exact starting date of his enterprise is unknown, but the final year he ran it is certain. "He was killed in 1890 when he fell off a ladder. His wife and his daughter ran it for a couple of years after that."

Wellborn further cites an old timer named Walter Fry who remembered the ferry boat but not the first operator: "It was named after the old man that ran the ferry boat. The man that run 'em had to know what he was doing or the ferry would turn sideways and hit the bank."

William married (2) Lucy Lee BOWLING 15 Feb 1880 in Lick Mountain, Conway County, Arkansas. She was born 1855 in Middleton, Hardeman County, Tennessee. She was the daughter of Isham BOWLING and Minerva. Lucy died 10 Apr 1934, and was buried in the Mount Pleasant Cemetery, Plummerville, Conway County, Arkansas.

They had 3 children:

The marriage information for Bud Greer and Lucy Bowling was obtained from Joe Bowling, a descendant of Lucy Bowling's brother. Lucy was only 15 years of age when she married Bud Greer.

Lucy also married (2) William HEIGAL 1891.

Lucy also married (3) Aaron Thomas McKuin.

The family of Lucy Lee Bowling lived in Marshall County, Mississippi, a border town of Middleton, Tennessee, before moving to Arkansas, where they lived in Conway and Van Buren Counties.

Thanks to Emma Greer of Salem, Oregon, for the entire research of this family for George Washington Greer of White County, Arkansas and his descendants. Her husband John Virgil Greer is the Greer descendant.

George Washington was known as G. W., age 6 is listed as a son of Alfred on the 1880 White County Arkansas, Coffee Township Census. G. W. is the son of William Vincent "Bud" Greer and Mary Wallis. It appears that Alfred is raising this grandson as his own son.

The marriage information for G. W. Greer and Emma Coffey is taken from a White County, Arkansas Index of Marriages, Book I, page 305. G. W. and Cindy divorced in 1917 in Cookeville, Texas. Cindy packed her belongings into the car of the train and moved her family to Polk County, Arkansas. G. W. and Cindy remarried in 1920 in Polk County, Arkansas.

It is believed that G. W. and Emma Coffey, his first wife, remarried after the death of Cindy. There is a record where he and Emma bought some property from Mrs. Rachel Sexton for $100 on 13 October 1937 in Polk County, Arkansas.

George married (2) Cindy Magdalene Neal 14 Dec 1897 in White County, Arkansas. She was born about 1877 in Arkansas. Cindy died 20 May 1936 in Vandevoot, Polk County, Arkansas.

5922. F vi. Artimissia "Melissa" PERRYMAN, born about 1851 in Alabama. She married NIXON in Franklin County, Tennessee.

5967. M ix. James PERRYMAN, born about 1856, died after 1890 in Mississippi. No doubt that Louzana Greer Perryman named this child after her father Elijah Greer.

5968. M x. Elijah PERRYMAN, born about 1859.

Zana is believed to have died from an epidemic of Black Plague in Tallapoosa County, Alabama. Her oldest daughter is thought to have died from the same ailment. The remainder of the children were sent to live with relatives. The three youngest boys (William, Harry and John) were sent to Northeast Texas to live with an aunt and uncle, but when they were older it is said that they walked back toward Alabama. Harry (Harvie) stayed and married in Mississippi; he was killed when he dropped his gun on the railroad tracks. William ended up in Limestone County, Alabama and John ended up in Jefferson County, Alabama.

In the 1840 PIKE COUNTY GEORGIA CENSUS, NO 4 Division allotted to William N Mills. Assistant, page 142: Elijah Greer and Harvey Perryman are living next door to one another. The census shows 1 male (Harvey Perryman), age between 20 and 30 and one female (Louzana Greer Perryman) between 20 and 30.

*1860 FEDERAL CENSUS of TALLAPOOSA COUNTY, ALABAMA, Davidston District, Harry Perryman, 44 born Georgia (This is Harvey Perryman): Zana, 37, born Tennessee; Mary, 19, born in Georgia; Francina, 18, born in Georgia; Louisa, 16, born in Georgia; William, 13, (first child born in Alabama, found later in Montgomery County); Sarah J, 12, born in Alabama; Artimissis, 9, born in Alabama; Harry W, 8, born in Alabama (this is Harvie V); John S, 6, born in Alabama (this is John Simmons Perryman); James, 4, born in Alabama; Elijah, 1, born in Alabama. (probably named after Elijah Greer)."

Also in this 1860 FEDERAL CENSUS of TALLAPOOSA COUNTY, ALABAMA, Elisha Greer, born in Georgia and wife Margaret, born in South Carolina were living two houses below Harry and Zana Perryman. It is believed that Elisha Greer is a brother to Zana Greer Perryman.

The data listed below is from the research of Mark Akerman, a descendant of Louise Dallas Perryman. Harvey Perryman was believed to be of Indian descent. Many Perrymans are listed on the Creek Rolls. After much research of these rolls, I could not find him listed.

Harvey Perryman entered the Civil War as a substitute for a fellow named F. P. Bibby, who paid him $3,000 to serve in his place. He was a member of Co. K, 14 Alabama Infantry. One Company Muster Roll shows May and June and further shows him enlisted 4 June 1863, at Fredericksburg, Virginia by Captain Taylor. The next Company Muster Roll shows September and October 1863 and shows him "missing in action" at Gettysburg, Virginia 2 July 1863. He died as a prisoner of war in the Gettysburg General Hospital. He is one of several hundred dead that is recognized on the Gettysburg Death Roster. His family never heard from him after he left to fight and did not know what happened to him. (Copies of these Company Muster Rolls made from the National Archives, Southeast Region Compiled Confederate Records 14th Alabama Infantry, Company K. M311, Coll 236).

He and Louisa lived in Tallapoosa County, Alabama.

Elisha Paschal Greer died during the Battle of Gettysburg in 1862 and is buried in a private grave on the Fort Benning reservation. His grave is not in a cemetery and there is no one else buried around him. This information was received from Wayne Greer of Matawan, New Jersey, who is a descendant from another Elisha Paschal Greer, born in 1848, son of
Henry and Mary Nichols Greer of Muscogee County, Georgia. He spent much time researching Elisha trying to establish a connection between the two with the same name. He personally believes that the body of Elisha Paschal was returned to his home and buried under a tree in what was then the family's back yard. He visited the grave site in Fort Benning and found it in a small fenced-in area near some army barracks.

5984.  M xii.  Nobel Devotie CHAMPION, born about 1862 in Muscogee County, Georgia.

Nobel Devotive Champion was believed to be named for the Rev. Noble Leslie Devote, Chaplain of the "Selma Company" CSA, son of the Rev J H Devotie of Columbus. The young Chaplain drowned at Fort Morgan in February 1861, at the age of 23, and is buried at Linwood Cemetery in Columbus.

Noble Devotive Champion smothered to death in a pile of cotton on their Harris County farm when he was a small child. He was buried next to his father on the farm. (Both items above are from A FEW MORE CHAMPION REUNION NOTES, dated September 28, 2000, by Lillian Champion as she plans for the Green Cabiness and Champion reunion on 21 October 2000 at the Pine Mountain Gymnasium).

The research for Sandal Bailey Greer and James Philemon Champion is from the research of Lillian D Champion of Harris County, Georgia. Family lore and old letters within the family reveal that Sandal's mother died when she was quite young; her Granny Greer (Hannah Cabiness Greer) raised her.

Sandal and Philemon Champion lived in Muscogee County, Georgia until 1864, when they moved to Harris County, Georgia. On the old Bethel Baptist Church on Flat Rock Road, east of Columbus, you will find names of the Greens and Champions from 1834.

Sandal and Philemon had 12 children, all born in Muscogee County, Georgia, 10 of whom left descendants.

E-Mail, dated 16 October 2000, from Lillian Champion to Bea O'Quin: "The Philemon Champion and Sandal Bailey Green (born in 1819 in Putnam County, Georgia.) mentioned in the Muscogee county census are the family my husband is descended from. They were married in 1837 and thereafter lived in Muscogee County. They are: (1) Georgia Rebecca (m: W. Wm. H. Hallmon), (2) Frances Elizabeth (m: William Matthew Rodgers), (3) Sandal Ann Eliza (m: Benjamin Albert Stripling), (4) Elias Fort William (m: Georgia Ann Middlebrooks), (5) Bashisa Conley (m: Wm. C. Teel), (6) Martha California (m: James B. Reeves), (7) Nancy Mary Ann (m: James Davis Lyle), (8) Josephine Green Lynch (m: John Randolph Cornett), (9) James Philemon Layfette (m: Lula Anthony Thompson). (10) George Edgar Dawson married (m: Mary Emma Koone) Two unmarried were John Thomas Jefferson Champion and Devotie Champion. Elias Fort Champion and Batsheba Cauley Champion were the parents of James Philemon Champion. I know there were other Champions and Griers/Greers and Greens living in the same area of Muscogee County, Georgia, in the 1850s and 1860's. They all seem to be related. We know that Sandal had two brothers, William and Moses Green. William went to Texas and taught school and held the office of ordinary at the courthouse there - according to a letter written in 1937 from Lula Champion Thompson to Essie Rodgers. Lula also mentions that she stayed with her grandmother (Sandal) more than any of the other granddaughters and often heard her speak of the two brothers. William and Moses Green, and of Grandmother Green (believed to be Sandal). I have visited Grandma often for I heard her tell of the first train that left Columbus for Macon how the cylinders shown. 30 years ago I saw cousin Ida Tillman (married name) in Columbus, she was the only child of Uncle Moses Green."

In 1994, she went on to write: "My father was named for William Green and he gave Pa his leather covered trunk when Pa was a boy. Pa gave u to me because he said I was the only one of us that would keep it. I still have it.*."

They had 1 child:

It is family lore that members of the Webb family established Auburn College. (From HISTORY OF CHATTANOOCHEE COUNTY, GEORGIA by N. K. Rogers)

Isaac H. Webb was a resident of Jasper County, Georgia when he drew land lots 36 and 96 in the 10th land district of original Muscogee County, Georgia in the land lottery.

From a General Name File Georgia Department of Archives and History, the following card was found: "WEBB, ISAAC H. CAPT., Jasper County, Sep. 2, 1822-Mch. 20, 1823 Muster Roll, 1808-1829, page 92: Webb, Isaiah Hill, Senator Chattahoochee County 1857 - 58; Justice of Inferior Court Chattahoochee County, Mch 11, 1854 1856; On the bottom of the card is the following notation "Moved to La. after Civil War, where he died. M Palatye Greer b. 1801 - signed Miss Kate Rogers, Casseta, Ga. June 27, '32."

From JOURNAL OF THE SENATE of the STATE OF GEORGIA, Wednesday, November 4, 1857: "From the County of Chattahoochee the Hon Isaac H Webb at the Biennial Session of the General Assembly of the State of Georgia and held in the State House in Milledgeville, on Wednesday, the fourth day of November, one thousand eight hundred and fifty-seven, and of the sovereignty and independence of the United States the eighty-second year, was sworn in as State Senator."

Isaac Hill and Paletiah Webb and most of the children relocated to Natchitoches, later Red River and Bienville Parishes, Louisiana. Isaac Hill sold all his lands and settled in Sparta, Bienville Parish, Louisiana, where he died and is buried.

ISAAC HILL - PALETIA GREER WEBB: (From HISTORY OF BEINVILLE PARISH, Volume II by Billie Gene Poland, published by The Everett Publishing Company, P. O. Box 5376, Bossier City, Louisiana 71171-5376): "Judge Isaac Hill Webb (1795-1869), son of Thomas Webb, Jr. and Mary Ann Hill left Georgia where he had been a Senator and Justice of the Superior Court in Georgia and moved to Louisiana. He bought 1,000 acres in Red River Parish on January 10, 1860. He sold his home place in 1864 and moved to Sparta to be near his son, Isaac Perrin Webb, who was a Doctor."

His son, John Hill Webb, also bought in Red River Parish in 1860, but he later sold his land and moved to Tennessee.

Another son, Organ Tatum Webb, also bought land in the parish where his parents had homesteaded but after their deaths, he sold this land and moved to Hanna, La. and bought land in 1880, that his grandchildren still own.

Still another son, Dr. Isaac Perrin, bought a house in Sparta, the county seat.

Isaac Hill Webb died October 12, 1869 and his grave is located on property that he had owned near the main highway between Ringgold and Coshatta. His wife, Paletiah Greer Webb (b: 1801), born in Greene County, Georgia, died 7 October 1867 and is buried by his side.

Isaac Hill Webb's succession is on file in Arcadia, La., county seat of Bienville Parish. From it we find the following children who inherited their share of his estate: Organ Tatum Webb, born December 20, 1841 and died July 16, 1828, buried in Springville Cemetery in Coshatta, La.; E Paxton Webb, born in Muscogee County, Ga.; John Hill Webb, born on June 6, 1830, in Marion Co., Ga. and died in Tennessee July 13, 1892, married Sarah Rebecca Gordy who was born March 14, 1834 and died January 23, 1879; both are buried in Friendship Cemetery, about five miles from Pinson, Tennessee; Isaac Perrin Webb (administrator of the estate) born 1832 in Muscogee County, Ga.: Richard Thomas Webb, a Baptist minister, died September 16, 1892 in Wood Co., Winnsboro, Texas and is buried in Hopewell Cemetery; Miranda Webb Walters; Mary A. Webb Horne; Sandal Webb Sims; and the wife of another son and his children who signed their receipt as: Mrs. Martha Webb, Miss S. J. Webb, G. W. Webb, Miss G. E. P. Webb, Miss Sallie Webb, Miss Mae Webb on January 13, 1876. Isaac Perrin was appointed Administrator of the I H Webb succession on 25 January 1870.

Also from the succession there is an itemized list of materials purchased to build his coffin on October 12, 1869 at Sparta, La., then the county seat of Bienville Parish; the materials to make the coffin cost a total of $24.31 plus $15.00 for making coffin and box paid to J. H. Anders; $24.31 on 14 Oct 1869 and $15.00 on 19 October 1869.

Also of interest is a receipt of three dollars paid to Aron Mock for hauling I. H. Webb, deceased to his grave January 20, 1870. He died on the 12th day of October 1869.

On 8 April 1871, Mark J. Lindsay bought 480 acres in sect. 9, twp. 13, range 9, Natchitoches Parish, from I. H. Webb (Red River Parish, DB A, 69). From MARK LINDSEY HERITAGE, page 46A, there is a transcription of the deed. This shows that the tract was the "e 1/2 of the ne 1/4, sw 1/4 of the ne 1/4, e 1 of the se 1/4, sw 1/2 of the se 1/4 of sect. 8 and the nw 1/4 of the nw 1/4, se 1/4 of the nw 1/4, w 1/2 of the sw 1/4, ne 1/4 of the sw 1/4, and nw 1/4 of the se 1/4 of sect. 9, twp 13, range 9. The deed suggests that the land may have had a house and other buildings on it; the land sold for $1200. the deed says that Isaac P Webb sold the land for the succession of Isaac H Webb, with W. J. Pearce, Henry A. Booth, and M. J. Lindsay.

witnesses. The deed notes that Isaac H. Webb was of Bienville Parish, and Mark J. Lindsey of Natchitoches Parish. The deed was recorded 19 July 1871. Note that Red River Parish was formed on 22 April 1871. This land is on the Ringgold Road (highway 7) north of Coushatta and about half way from Coushatta to the Bienville Parish line. It is south of Hall Summit and just west of the Martin lookout tower.*

Burnell went to grade school in Hanna and high school in Coushatta, Louisiana. He lettered in basketball and track and was on state championship teams. After graduating in 1936 Burnell attended Northwestern State College in Natchitoches, Louisiana. During his freshman year he participated in football and basketball but acting on Coach Turpin's advise he moved on to track. Burnell set a record for the 220 yard dash at 20.6 seconds. When World War II broke out, he tried to join the Air Force; he wanted to fly a P51 or P38; but he was too tall and color blind; he was drafted into the Army and trained at Camp Beauregard in Alexandria, Louisiana, Camp Chaffee in Arkansas and went on maneuvers at Camp Polk, Louisiana before going overseas to the South Pacific. He was in the 773rd Amphibious Tracker Battalion which was attached to the 1st Marine Division. They hauled troops and supplies in the South Pacific. After four years, eight months and thirteen days in the Army he was discharged in El Paso, Texas. After his return home to Red River Parish he worked for an Esso distributor for fourteen years and also sold cars and farmed. He and Louise lived in what was once "the Clubhouse" on Hollingsworth Lake, an old cutoff lake made by Red River changing its course. In 1947 Burnell and Louise were at home with three others, when they heard a storm coming; and the house was shaking. Due to a problem opening the door, they barely got out of the house before it was blown away, leaving only the blocks. To save their lives, they had to crawl on the ground because the wind was so strong. After the storm was over, Burnell had to use a broken hose handle to move the electric lines around them. Today he has a scar on his forehead where he was hit by flying debris. After losing their home they moved to their current home site where Burnell's Uncle Jimmy Nix built a four room house for them. Over the years they have added on and remodeled to accommodate their family. (From RED RIVER PARISH OUR HERRITAGE, sponsored by the Red River Parish Heritage Society, "Burnell Allen Webb, Sr. submitted by same").

OLD TIMERS OF SABINE COUNTY, by Virgie Speights, pp 41-2: "MRS PEARL CHAMBERS LORD GREER...January 30, 1964: Mrs. Pearl Chambers Greer, who will celebrate her 80th birthday February 18, 1964, is a most amazing woman. Living alone since the death of her husband, George C. Greer, in 1953, she tends her cow, pig and chickens, keeping her big double-penned house with its wide open hall, and long front and back verandas, neat as a pin and always ready for the nine children and their families, for the five step-children and their families and numerous grandchildren and their families who visit her often. Born in a log cabin at Time, Texas, then a thriving place, she attended school at Time, where her teacher was her uncle, Emmit Bennett and later at Bethel school in the Isla community when they moved there. Her teacher was Joe Mason. She is the daughter of the late Nathan and Margaret Louise (Mittie) Bennett Chambers, the oldest daughter of a family of 11 children. Her grandparents, Adam and Mary Jane Elizabeth Harvey Bennett, came with their slaves from Louisiana, just ahead of the sheriff. He was chasing them to take away the slaves in connection with some sort of treason between the estate of Mrs. Bennett and her brother, the Bennett Field, just on the Texas side of the Sabine. The Louisiana authorities camped on the opposite side of the river before frustratedly returning home the next day. Then Adam staked his claim atop a nearby hill with gentle sloping fields toward the river. The place is still called 'The Bennett Place'. There is a family graveyard nearby. The elder Bennetts had come to East Feliciana Parish, Louisiana from Alabama, and his father, a silversmith, had come from Germany. Mrs. Greer's father, Nathan Chambers, came from Georgia with his parents, Mr. and Mrs. Allen Chambers in middle 1800's and settled Chambers Hill, north of Milam, where they built a log cabin. When they decided to move a mile or so further north, they also moved the cabin, in which they lived until they could build a new, huge, handhewn, square logged house, which still stands after a hundred years or more, as sturdy as ever. Mrs. Greer's father, Nathan Chambers, came from Georgia with his parents. A cousin of Mrs. Greer, Elzie Chambers, now owns the place, and the original house is now used as a corn crib. The Nathan Chambers' built a house which was also sturdy, square logged, with open hall and an attached kitchen with an open fireplace on which cooking was done in huge black cast iron kettles and pots. As the oldest daughter in a large family, Mrs. Greer early took over the housekeeping and baby tending duties to free her busy mother for the unending tasks of making a living on a farm, which also included a gin and sawmill. She doesn't remember playing much, and early learned to take pride in her accomplishments, such as knitting, cooking, sewing, etc. Also, before her father died at the age of 40 when she was 13 years old, she had learned to help with the field work, milking, sugar cane grinding, and syrup making. She says she never remembers being unhappy or overburdened even when her father died and really had to take over in earnest. Her mother took the older children to the field while she cooked and tended the little ones, including one who was three weeks old at the time Mr. Chambers died. She learned to spin and weave, make soap and to teach out for it. In 1903, she married Ernest Lord and settled nearby on the place where she now lives. There was a son, Milton, who lives in Lufkin now. In 1905, Mr. Lord died. She was married to George Greer on December 12, 1909, to which 6 sons and 3 daughters, all of whom are living. There along with her 28 grandchildren, and 31 great grandchildren, all call her "Mama Pearl" affectionately and visit her often, and have so much love-things money cannot buy. She lives alone and attends church regularly at New Hope Baptist Church, the church she joined when a girl and in which her father was a deacon and outstanding leader. The church formerly called Bethel is one of the oldest Protestant churches in Texas." This is from the research of Annette Feemster of Montgomery, Texas.

"Mrs. Clara Pearl Greer, 94, died Tuesday morning at 2 p.m., Feb. 1, 1979, in a San Augustine, Texas Nursing home, after a long illness. Chambers of Milam; one stepson, Bud Greer of Milam, three stepdaughters, Onie Chambers of Nacogdoches, Bell Cellatly of Zwolle, and Neva Harroll of Florida; 31 grandchildren, 51 great grandchildren; and five great-great-grandchildren. + 6266. F ii. Addie Mae Chambers, born 30 Mar 1914, died 1 Apr 2002.

6270. M iii. Julian Bosco Chambers, born 3 Aug 1916 in Isla, Sabine County, Texas. He married Tommie Strickland. She was born 17 Jan 1908. Tommie died 12 May 1987 in Nacogdoches, Nacogdoches County, Texas. Julian died 11 Feb 1894 in Nacogdoches, Nacogdoches County, Texas, and was buried in Nacogdoches, Nacogdoches County, Texas.

Julian was 6 feet tall, with blue eyes and black hair. In about 1939 Julian lived with his sister Addie and her husband in Nacogdoches, Texas. It is reported by Annette Feemster that his father sent him to his sisters to live because he did not like the girl he was dating. It was in Nacogdoches that he met Tommie, the woman he married. They had no children.

He was baptized on 20 Apr 1952 in the Fredonia Hill Baptist Church in Nacogdoches, Texas. He is buried in the Oak Grove Cemetery.

6272. M v. Nelson Berrian Chambers, born 21 Nov 1923 in Isla, Sabine County, Texas, died 8 Apr 1925, and was buried in Bennett Cemetery, Sabine County, Texas.

Nelson died in the arms of his sister, Addie who was about 10 years of age at that time; he died from "flux", a disease similar to our influenza and killed many babies in the 1920's.

After the death of Jack, Onie Mae was a governess to a couple of families, first caring for the children of Eleanor Butt Crook whose father, Howard Edward Butt, was founder of the HEB Stores in San Antonio. Her husband was a minister in Corpus Christi. Later Onie became governess to the children of Dr. Pennington (Nacogdoches). She never learned to drive but rode buses for many years. She was a good cook, had a green thumb—grew some of the prettiest houseplants. She had problems with high blood pressure and an irregular heartbeat. (NOTE: these are memories from Annette Feemster, daughter) Further Annette states: "A changing life she lived from Depression years through a time when men walked on the moon."

"According to Addie Chambers Irwin: he was called U or Jack. In 1919 he moved his family from Isla to Milam. For 3 to 5 years he contracted to clear right-of-way for roads. He also build bridges. He was working in Leesville, Louisiana, when their son Nelson died. Someone had to go tell him about it. He farmed in Sabine County, (mainly cotton) until 1941. In 1941 he lost the farm in Milam (there was a problem of $2500 in back taxes—the taxes were owed on a portion of the farm he didn’t know he had bought, but the deed records showed it as part of what he owned, and there were 20 years of unpaid taxes.) He went to Appleby and leased a dairy farm. He suffered from arthritis. At one time it was thought that arthritis was caused from bad teeth, so he had all his teeth removed. Right before his death he had swelling and ‘weeping’ from an old scar. He died from heart disease (his heart being weakened by a bout with rheumatic fever as a child.) He died a few weeks before the family got the news that his son Martin was a POW in a Japanese prison camp. They had known that he was MIA for the last 4 years. His kids say he was hot-tempered but got over it quickly. His temper showed in tongue lashings rather than physical lashings. (Taken from quotes from the research of Annette Feemster, daughter)

Annette Feemster and I shared our research many years ago; and she has given me permission to use much of her data. It’s strange, I did not really know anything personal about her family until recently when she sent me some more of her data for use in MY GREER FAMILY.

Finished college (Dec 1963) at Stephen F Austin University in Nacogdoches, graduating with an English major, history minor, and a teaching certificate. She has worked in the trading room of a brokerage house; worked as a claims processor for American Family Insurance Company. She has lived in Port Arthur, Texas, Tonnawa and Ponca City, Oklahoma, Lincoln, Nebraska, Torrance California, Port Neches, Texas, Houston, Texas; and settled in Sugar Land, Texas where she has a home-based proofing business.

Bill is a graduate of Thomas Jefferson High School, Port Arthur, Texas. He graduated from Lamar University in Beaumont, Texas with a BBA. He received his master's in business from Arizona State University, Tempe, Arizona in 1962. He then served as a loan officer with 1st. Marriage data for Peyton Greer and Rosannah McSparing from ILLINOIS STATEWIDE MARRIAGE INDEX 1763 - 1900.

Rosanna was a widow in 1848.

Peyton M. Greer died intestate at Equality, Gallatin County, Illinois. From his Mexican War Papers it is known that he was 27 years of age when he enlisted 12 August 1847 at Equality as a private in Captain Lawler's Company Illinois Volunteers. His estate provides a list of his heirs. He was only 28 years of age at the time of his death; therefore his heirs are too old to be children and appear to be his siblings. In the next paragraph, there is a brief history of the company that Peyton M Greer served in.

521
Captain Michael K Lawler was one of the heroes of Gallatin County, Illinois to organize troops to fight in the Mexican War for the purpose of annexing Texas to the Union. He and his regiment known as the "3rd", composed of 10 companies known as the Company of Dragoons. This first group of men were mustered into service on 8 July 1846 and were discharged on 21 May 1847 at New Orleans, Louisiana. Captain Lawler went to Washington and later returned to Gallatin where on 13 August 1847, he organized a second unit, an independent company of mounted troops that called themselves the MAMALUKE LEGION and known as the INDEPENDENT COMPANY OF DRAGOONS. This group was made up of 114 officers and men; one of those men was Peyton Greer, about 27 years of age. It is believed that he was wounded in one of the skirmishes fighting Mexican guerillas in 1848. only months before the company returned home to Gallatin County. It is however, believed that Peyton was injured and sent home, where he died intestate in Equality, Gallatin County, Illinois in October 1848. This brief history of the INDEPENDENT COMPANY OF DRAGOONS is taken from the 1887 HISTORY OF GALLATIN COUNTY, page 78.

The heirs of Peyton M. Pension file for Marcus Halterman - National Archives
This is a very thick file containing a lot of documents pertaining to Thomas Finchum's 2 widows.

Marcus Halterman died 11 November 1864 in Overton Hospital, Memphis, Tennessee of chronic diarrhea. Lydia Elizabeth J. Greer Halterman received a pension as his widow until her remarriage to Daniel M. Treece on 21 Sept 1865 in Union County. Treece died 12 August 1870. Lydia remarried to Thomas Finchum 12 December 1874 in Hardin County, Illinois. After Finchum's death on 26 Feb. 1888, Lydia received a pension for his Civil War service. The problem was that Finchum had another wife, Nancy Jane Beard Finchum, in Tennessee. When Nancy Finchum filed for a pension as his widow, there was an investigation. It was determined that Finchum that never legally divorced his first wife Nancy, and she was entitled to the pension. Lydia was later reinstated to her pension as the remarried widow of Marcus Halterman under the name Lydia E. J. Treece.

Lydia E. J. Halterman age 22 of Union County, Illinois, appeared in Union County Court on 6 Dec 1864, to apply for a pension as the widow of Marcus C. Halterman, Private Company F, Regiment 11 Ills Vols. on 24 Aug 1865. Halterman died at Overton Hospital, Memphis, Tenn., November 12, 1864, no child or children surviving.

Volunteers on 4th Oct 1863 at Cocks Co., TN; he mustered out near Knoxville, Tenn. on 11 Sep 1865. Lydia J. Finchum, age 48, filed a claim for a pension as the widow of Thomas on 16 July 1890, Hardin County; allowed 7 Apr 1891. Finchum served Co. C 8th Reg. Tenn Cavalry Vol. en. 14 Oct 1863 to 11 Sep 1865; he died at his residence in Hardin County, Illinois, Feb 6 1888. [An affidavit in November corrected his death date to Feb. 26, 1888.] Married 10 Dec. 1874 in Hardin County to Lydia J. Treece by Rev. James R. Oxford. Lydia was previously married to Daniel M. 17 Nov 1892 Nancy J. Finchum of Jefferson County, Tennessee, was married to Thomas Finchum on 29 Dec 1862 by Joseph Rutherford near Newport, Cocke Co., Tenn. In a 1894 disposition Nancy says they were married at Squire Joseph Rutherford's on Jan 31, but cannot remember the year.] Thomas and Nancy had 2 daughters: "Elizabeth Thomas born June 17 don't remember year and Mary born Aug. 26 2 years after the first." In 1894 both daughters were widows, Elizabeth with 5 children and Mary with 2. Nancy who was "very illiterate" had an illegitimate son born about 1870-71, probably son of a man named Hampton for whom Nancy kept house. The child only lived about 2 to 6 months. Otherwise, Nancy had led a "proper life." Cocke County records burned in 1876, but Joseph Rutherford aged 84 was still living, and confirmed their marriage. Nancy and Thomas lived as man and wife 7 or 8 years. From 1894 disposition: "My husband was a wild drinking kind of man and went off with another woman named Liza Veal, Veel. I don't know that she and my husband were ever married, but I was told they lived together as man and wife a while and then he left that one and married another woman named Oxford." While they were together, Nancy and Thomas first lived in Cocke County, then in Sevier County for about a year. Nancy went home to Cocke County to be confined, and was there when Finchum "took about everything but some bed clothes and my clothing and left me, and I never saw him after." Soldier married Mary Ann Oxford in Hardin County, Illinois, but had never been divorced from Nancy.

Nancy was age 57 at the time of her disposition on 10 July 1894
Lydia was age 54 in disposition given 11 June 1895. Lydia was age 59, resident of Rock Creek, Hardin County, in disposition given 10 July 1901.

Lydia was dropped from rolls as widow of Finchum on Jan. 18, 1896.

Daniel M. Treece "came to Union County in fall of 1861, and reported to affiant and others that he formerly lived in the southern part of Tennessee, from which place he was forced to join the Rebel army (Cav.) and after a short service he deserted and came to Union County, Illinois, to which place his parents had preceded him a short time." The following additional information is from other records:

Lydia was married a 4th time (between her marriage to Daniel Treece and Thomas Finchem) to Samuel Houston Tripp on 12 Jan 1871 in Union County. Lydia lied about this to the pension board, claiming that she was only married 3 times. In later records pertaining to Lydia (except for the pension file) her last name is consistently given as Finchem-Finchem-Finchem.

Union County Divorce Records by Darrel Dexter: Samuel H. TRIPP vs. Lydia TRIPP, granted 14 Sep 1875. Lydia accused of adultery with Thomas Linchem [should be Finchum], whom she md 23 Aug 1873 in Hardin Co., Illinois. (Circuit Court Book N p287)

Thomas Finchum was illegally married to Mary Ann Oxford and Lydia Elizabeth J. Greer Halterman Treece Tripp. Lydia was the aunt of Thomas' "wife" Mary Ann Oxford.

The marriage license for Mary Ann "Polly" Pickrell and William Greer is believed to be for William Jesse Greer. The Pickrell family and the Greer family were living in the same area at the same time in Wilson County, Tennessee. Also one of the sons is named James and a daughter named Lydia, after the father and mother of Polly Pickrell.

William Greer is listed in Wilson County, Tennessee on the 1820 Census. (From GREER FAMILY by William Greer Peck).

Peyton Greer and Mary Elizabeth C McIntosh were married by R. S. Smith, Minister of God.

The following description from the military records were listed as "five feet, six inches; hair, light; eyes, blue; complexion, fair and occupation, farmer."

1860 HARDIN COUNTY ILLINOIS CENSUS: Peyton C. Greer, age 16, is listed with his Uncle and Aunt, James and Sarah Greer Oxford.

"William H. Carter Petition for dower vs Jackson and Thomas Greer" was filed in 1896 (Chancery Papers found loose in Chancery Box: Carter VS Greer, March 1896). He makes claim that "he and Mary E. Carter (Mary Elizabeth McIntosh Greer)intermarried Oct 1889 and she departed this life on 1 Feb 1895, leaving real estate in Johnson County, Illinois the SE 1/4 of SW 1/4 Section 35 Township 13 R3 East 40 acres". He states that he, Jackson and Thomas Greer are the only heirs. (NOTE: this case filed in W. J. Carter Probate Box 78, died 28 March 1915; Charles Carter Administrator and only heir).

Mary was only 48 years of age when she died; and her husband Peyton was only 40 when he died.

According to Louise Erekson of Billings, Montana, it was believed by some that Mary Elizabeth C McIntosh was a full blooded Cherokee, surname of "Blackeagle". She has spent much effort with the aid of a genealogist trying to prove this, but as of 25 February 2005, it remains unproven.

Sophronia died 24 Dec 1914 in Cypress, Johnson County, Illinois, and was buried 25 Dec 1914 in Fain Cemetery, Johnson County, Illinois.

The marriage for Albert Greer and Sophronia Rikard is from ILLINOIS STATEWIDE MARRIAGE INDEX 1763 - 1900.

Albert Jackson Greer married two young step-children, when he and Sophronia married: Marshall Madison Rikard, age 7, and Martha Elizabeth Rikard, age 5.

PRECIOUS MEMORIES of Louise Erekson about her grandparents: "Grandpa Greer was five feet, seven inches tall; weight: 180 pounds. He and Grandma (Sophronia Elizabeth Roden Bear) bought a log house three miles east of Cypress, Illinois with seventy acres of land. After Grandma Greer died, 30 acres were sold to Uncle Jim Bear. Grandma bought a log house three miles east of Cypress, Illinois with seventy acres of land. After Grandma Greer died, 30 acres were sold to Uncle Jim Bear. Grandma built a house in front of the log house and it was finished in Dec, and burned the next March. The fire was started in a closet upstairs that was near the chimney. Uncle Tellus (Sherman Tellus Greer) went up to find some overalls for patching and struck a match to see; he dropped the match in a box of cotton and it caught on fire and he wouldn't tell anyone the house was on fire. Everything burned. This happened about 1910. They lived in Jim Bear's old log house while they rebuilt the house.

Grandma Greer was about five feet six inches and weighed about 140 pounds, she had pneumonia about every winter for nine years. They always had Dr. Frank Smith, he always gave her whiskey and pneumonia medicine.

She sewed for everybody and she received no pay for it. Sam Finley and his family moved to Arkansas and went broke and couldn't get back and so Grandma went from neighbor to neighbor and collected fifty dollars and sent it to them to come back home.

Every Christmas she would have a huge Christmas tree for all the neighbors and they would all come to their house and everybody would receive a gift. When she died they found presents in the house that she had bought for all the neighbors to give on Christmas morning. She died Christmas Eve and was buried on Christmas Day. (This is from an interview with and in the words of James T. Greer, from James Heed Greer to his sister, Louise Erekson).

"AJ. had a forumla that kept his hair black. Some said it was an old Indian recipe--all I remember is that he had black hair".

From the memories of Louise Greer Erekson, Billings, Montana:
Sherman Tellus Greer, called "Chuck", was divorced from both of his wives and lived the last few years of his life in Vienna, Illinois. He went to the Senior Citizen's Center to eat and talk.

He was a factory worker most of his life; some records show that he was born 19 Feb 1899 in Cypress, Johnson County, Illinois. He claims that his father, A. J. Greer was born in Oklahoma and was shot and injured by the Mexicans and/or the Indians—that he was brought back to Southern Illinois in a sling between two horses. He was sure that A. J. had Indian blood and was a half-breed. After more than 60 years of research it has not been proven...

Family lore is that during prohibition days, he was a "bootlegger"; he would pick up his wares in Southern Illinois and take them to Chicago.

OBITUARY: "Martha Greer Stokes Oxford (Sent to Louise Erickson by George Moore who got it from George Barnes, his wife is a descendant of Martha Greer) "The sad news of the death of Aunt Martha Oxford was carried by telephone or traveler to all parts of the county last Sunday morning, her death having occurred Saturday night in the home of son John R. Oxford's near Cave in Rock, Illinois. Her maiden name was Martha Greer, one of the younger members of a large frugal family, born in Union County, Illinois, January 23, 1830 which would make her 74 years and 2 days old at the time of her death. Her childhood days were spent on the farm a few miles east of the Mississippi River in the early thirties during which time southern Illinois was practically a frontier state with very meager opportunities for modern education, but then, she received a training which is sometimes sadly neglected by our boasted civilization of the present. At the spinning wheel, loom, or sugar camp, she learned the two most important lessons of life - industry and frugality, and developed a physical constitution that lasted through more than three score and ten years of useful living. Such a foundation for the structure of life is far superior to that imbecile weakness, and irksomeness developed in modern parlors with sunlight and fresh air-excluded and a ten cent novel and lap dog for company and instruction. Many great writers claim the weakness of modern womanhood to be one of the greatest problems that pertains to the hygiene of the human race. It speaks well for the educated part of our young men that they are learning to distinguish between delicacy, pale-faceness and real beauty which glows with ruddiness of health to which the marks of sunlight or tan of fresh air adds only deepness and strength. Uncle James Oxford, the son of John and Nancy (Gwin) Stokes, who came to this county before marriage. The parents had ten children, viz; Jones, Martha, Alfred, William, Calvin, James, J. B., Mary A., Dallas, Elizabeth, Rufus, Julia A. McIntire, native of Kentucky, and daughter of John and Nancy McIntire, also natives of Kentucky." Alfred appears to be the third child.

From the book, HISTORY OF ALEXANDER, UNION, AND PULASKI COUNTIES, ILLINOIS, pages 195/6: "J. B. STOKES, farmer. P. O. Mount Pleasant, was born February 19, 1838 in Union County, the son of John and Mary (Gwin) Stokes, who came to this county before marriage. The parents had ten children, viz; Jones, Martha, Alfred, William, Calvin, James, J. B., Mary A., Dallas, Elizabeth, Rufus, Julia A. McIntire, native of Kentucky, and daughter of John and Nancy McIntire, also natives of Kentucky." Alfred appears to be the third child. He was a bugler and died in the Civil War.

The name Vincent, sometimes written "Vinson" is a prominent and oft-repeated name in the Lowe family, probably originating early in the seventeenth century with Vincent Lowe, Sr. of Denby, Derbyshire, England, who married Ann Cavendish of London, and appearing several times thereafter among their descendants, including Vincent Lowe, Jr. of Talbot County, Maryland. The fact that Elizabeth named a son Vincent, further attests to the unproved fact that Elizabeth was indeed a Lowe. (From Dr. Clayton Alvis Greer, Professor Texas A&M, College Station, Texas, unpublished manuscript GREER FAMILY, page 129).

Vincent Greer, son of Aquilla and Elizabeth Lowe Greer, is first found as a tax-payer in Bedford County, Virginia, 1782-1787. He owned property near his parents, brothers, sisters and their families. He is shown with 1 Free Male over 21, no slaves, no horses, 3 colts, 10 white tithes over 16 and 1 black tithe above 16.

From VIRGINIA REVOLUTIONARY PUBLIC CLAIMS, VOL 1, compiled by Janice L. Abercrombie and Richard Slatten. Iberian Publishing Co., Athens, Ga., page 116, Bedford County List II 1780-1781, a "certificate was given Vinsin Greer for '3 beeves' on 16 December 1780". He also filed a claim for furnishing "900 pounds weight of beef on 24 February 1783 to John Ward, commissary, for the Army of Bedford County, Virginia. (Copies of these two Public Claims filed in my records)

Why Vincent was not a soldier in the Revolutionary War is unknown since his brothers, Lt. James and William, both fought in that War. He certainly was of age.

On September 22, 1784, Vinson Greer, along with Richard Radford, Henry Woodcock and Henry Harper, witnessed the sale of 280 acres in Bedford County on the north side of the Stanton River by James and Ann Greer to Thomas Farrar and Julius Sanders.

Also Vincent Greer, Henry Haynes, Henry Woodcock and Joseph Payne were witnesses to the sale by James and Ann Greer to John Moody of 290 acres in Bedford County, Virginia on September 23 and 27, 1784. (This James Greer was Vincent's brother)

On August 22, 1785, in County Court, Bedford County, Virginia, there is a case "Vinson Greer vs Thomas Marcum, security for Abner Marcum; this action is unclear and with little information entered; but is used to show timing of his whereabouts. (Copy of page referring to this case, in poor condition.)
Vinson was in Georgia by 1787 when he purchased 150 acres of land from George Lumpkin and wife, Ann, on the Buffalo Creek adjacent to Moses Young and Daniel Bankston. Vincent paid Twenty Pounds Sterling to George Lumpkin. In Wilkes County, Georgia. (Deed Book C-C, page 7, dated 1787) This land later was a part of Oglethorpe County. Copy is dark along the outside edges as if something were spilled on it and every sentence from the middle to the right hand side of the paper is impossible to read.

From EARLY RECORDS OF GEORGIA, Volume One WILKES COUNTY, Abstracted and Compiled by Grace Gillam Davidson (Mrs. John Lee), 1932, Deed Book C C (Badly Worn - No Index 1787: "LUMPKIN, GEORGE and wife to Vincent Greer 150 acres on Buffalo Creek adj. Moses Going and Daniel Bankston, orig grant 1785."

In October 1790, Vinson is mentioned in the will of his father, Aquilla Greer in Greene County, Georgia. In 1793, he bought land from Walton Harris in Greene County, Georgia.

Next we find Vincent Greer for "Self and 3" receiving a headright in Oglethorpe County, Georgia, "for one hundred and fifty acres, one his family Headright". This was signed 3 April 1797, by (?) Bledsoe, J. P., Wm Sprotcher, J. P., Philip Wray, J. P. (Copy of record from RG 3-4-5 UNBOUND HEADRIGHT AND BOUNTY GRANTS DOCUMENTS, Loc 8055-12-a, box 95).

Vincent Greer paid taxes in Oglethorpe County, Georgia in 1795.

In 1797, Vinson Greer (Greer) is listed in the Georgia Tax Digest in Greene County in the same district as his brother, Asel Greer.

There is a deed in Greene County, Georgia between Vinson Greer and Henry Haynes, husband of Sarah Greer, sister of Vinson Greer, dated 15 March 1804, and recorded 4 May 1810, after the death of Vincent Greer. (GREENE COUNTY DEED BOOK 5, 1808 - 1810, page 407) The land was located in Greene County on Fishing Creek. He was paid one hundred and fifty dollars by Henry Haynes, Witnesses were Henry English, J.P., Shelton Standerfe, and William Greer.

On 19 October 1805, "As Greer applied for letter of admn on the estate of Vinson Greer, deed". (33/38 GREENE COUNTY APPRAISEMENTS: ANNUAL RETURNS, BOOK E, 1798 - 1806, Page 188, copy on file.

The appraisal of his estate was made by Henry English, William Greer and Henry Haynes in Greene County, Georgia and recorded on April 1, 1806. (Henry Haynes is, Jr. and the father of the wives of Henry English and William Greer and Nancy Greer believed to be the wife of Vincent's son James Greer.) The slaves totaled: 4 women named Anna(?), Chloe, Nannie, Luck; 2 men named Dick and Jack; 1 small girl belonging to Anna; and 3 boys: Toney, Sam and Peter. They totaled $2160. The 6 head of horses, 13 head of cattle and 42 hogs totaled $558. Four head of geese totaled $25.75. There were numerous barrels of grains, salt, household items, 1 stage wagon and plantation tools. (Book E GREENE COUNTY APPRAISEMENTS: ANNUAL RETURNS, Book E, 1798 - 1806, page 444)

No marriage records for Vincent Greer have been located in Bedford County, Virginia or Oglethorpe or Greene counties, Georgia; he is known to have fathered at least one son: James Greer. Some have reported a William Greer, married to Ann with children James M, John L, Evaline and Emily as a son of Vincent; but this William is a Greer and not Greer, taken from a copy of WILLIAM GEER WILL Greene County Will Book G. 1840 - 1877, page 21, filed 24 Nov 1843, in which he names wife Ann, still living at the time he filed his will and all four of the above mentioned. One interesting item was land left his grandson, Frederick, "son of James GEER, a lot of land in Cobb County containing forty acres drawn by H H Greer", this is believed to be H Greer, one of the orphans of James Greer.

Some have claimed that Vincent married Susannah Sales in Wilkes County, North Carolina; not true! They have even claimed her as the mother of his unknown children. Vincent was about 50 years of age when he migrated to Georgia with his family; his children were probably born back in Henry or Bedford Counties, Virginia. I located marriage information for a Susannah Sale and Vinson Greer, dated Dec 1811, in Wilkes County, North Carolina. (This information is posted on ROOTSWEB WORLD CONNECT PROJECT. Re SALE FAMILY Genealogy) Vincent Greer, son of Aquilla and Elizabeth Lowe Greer, was dead at that time. John Greer, brother to Aquilla Greer, born 1719, and his family were in this area of North Carolina at the close of the Revolutionary War, and remained there for a number of years before relocating to Kentucky. I have searched many records on Aquilla Greer and Elizabeth Lowe and can find them at no time in North Carolina. Even Dr. Clayton Greer in his unpublished manuscript on the GREER FAMILY, was somewhat confused on this subject and the family of John Greer, brother of the Senior Aquilla Greer.

James Greer, son of Vincent, died circa 1810, only four years after the father. His estate was appraised by John Peters, Asel Greer (brother of Vincent Greer), A. Greer and Henry McCoy in 1810.

On November 4, 1811, Henry Greer and William H. Greer were listed as administrators of James Greer's estate. The estate was divided and distributed on November 25, 1812. The sum of $200 was allowed for the schooling of Sarah. Henry H. and Nancy J. Greer, children of James Greer. There are five known children for James Greer: Elizabeth, Vincent, Sarah, Henry H. and Nancy J. (Who are Henry Greer and William H Greer? Since the year is 1811, it is not possible that this Henry Greer is one of the orphaned children of James Greer; but it might be Henry, son of James Greer. William H Greer, unknown to me at this time, is probably also a member of Lt James Greer family or a grandson of Asa Greer). Vincent Greer, son of James Greer and grandson of Vincent Greer died 19 November 1827, according to the Letters of Administration by Joseph Bledsoe on 25 November. (See reference under notes for Vincent Greer, son of James Greer) His estate was administered by David Greer (this should be BEG) and William Greer (Geer) as surety.

The name Greer and Geer is so alike, that even back in that day, in the early 1800's, the name was written in error in many instances.

The names Asel, Asbell and Yell have also been found to identify Asa Greer.

Asa was living in Henry County, Virginia where he paid taxes for the years 1783-1785.

Asa married Mary Ann "Polly" Lowe, daughter of Samuel Asa Lowe and Ann Haynes, a daughter of Henry Haynes, Sr. and Mary Smith Haynes. Ann Haynes Lowe married for her second husband, Lt. James Greer, son of Aquilla and Elizabeth Lowe Greer, and a brother to Asa Greer.

Asa was one of the appraisers included with John Peters, A. Greer and Henry McCoy in the estate of James Greer, son of Vincent "Vinson" Greer in April 1810, in Greene County, Georgia.

On the 1820 Greene County, Georgia Census: Asel is enumerated with one w m 26-45; 1 w m 45 over; and females ages 1 un 10; 3f 10-16; 2f 16-18; and 1f 16-26. Mary Ann is not in household, but she is not deceased and it is unknown why she is omitted in the census.

Estate papers are on file in Clarke County, Georgia 1828/37. The following were paid: Mary Ann Greer (widow), Aquilla Greer, S. S. Jarrell, Thompson, Sturdivant and Lowe were sons-in-law. John Sturdivant did not marry Mary Greer, Asel's daughter, until 10 May 1832; therefore this payment was not being paid because he was an heir to the estate but for some other unknown reason. The research for James Asel and Frances Carr Greer and their descendants was sent to me by a direct descendant of this family: Dale Westfall. Asel and Frances Carr Greer are both buried in the Greer Cemetery. The cemetery is located about 1 mile north of Hilltop Lakes on Greer Ranch. When Asel came to Texas between 1850 and 1854, from Tippah County, Mississippi, he brought with his family an Indian Chief and the Chief's son. Could this be the family of Asel Greer's wife Francis Carr, who is believed to be of half Indian descent?

A letter to Mack and Judy from Charles W Hackett Jr. dated 16 Oct 1983, states that it is believed that Frances G Carr was born in Illinois and half Indian. He got this information from a Mrs. Furman Greer, Normangee, Texas 77871 in October 1982.

THE B. F. GREER FAMILY AND GREER RELATIVES: "Benjamin Franklin Greer (1815-1865) married Sara Ann Ellis (1832-1910) in Mississippi in 1847, and this family crossed the Mississippi River in 1857 in route to Texas where they settled briefly near Beaumont and then moved to Carolina area of Falls County near present day Chilton. Three children had been born in Mississippi and the others in Texas. Ben left for the Civil War in 1863 but died in May 1865 from typhoid fever as he was returning home through Tyler. After Ben's death, Sarah began the task of farming the 313 acres which they had acquired north of Deer Creek in 1860 and 1861 and continued to rear their children as best she could with the help of neighbors and relatives. In 1866, John Wilburn Greer purchased from the estate his cousin Ben's half interest in his farm, selling it back to the heirs in 1868 for $100. In the 1870's, Sarah married John W. Crawford, a widower 22 years her senior, but the union did not last beyond 1880. After the marriage of her youngest daughter Mittie Matilda to James Franklin Hackett in 1881, she made her home with the young couple until her death.

Sarah completed the rearing and education of her six children who were Fannie Ellen (1850-1903), Lou D'Aubra (1853-1937), Mattie Jane (1855-1905), Henry Franklin (1858-1911), John Crawford (1860-1955), and Mittie Matilda (1863-1949). All six children married and raised their own families in Falls County. In early 1962, an incomplete survey of Ben and Sarah's descendants disclosed 233 individuals. Today many of these people's heirs live in the Marlin and Chilton areas, except for Mit's. Fannie married Luther S. Strother, Lou united with Elijah H. Hailey, Mattie exchanged vows with William D. Reiff. Henry married Blanche Adams. John married Gennie Shook, and Mitt united with Frank Hackett. Two couples are buried in Chilton, two in the Union Cemetery, and one couple each in Carolina and Martin Cemeteries.

Why did the family move to Falls County? Aside from economic conditions, it appears that the earlier westward movement of both Ben's and Sarah's kinfolk contributed. Ben's older brother Asel, Jr. had moved to Leon County prior to 1850 and various cousins had migrated from Mississippi to the Brazos Valley and elsewhere in Texas prior to the Civil War. Sarah's sister Lou and her husband James Loffin had settled near Moorville in 1854, and three of her brothers in the next few years gravitated from Mississippi to San Saba, St. Marys on Copano Bay, and Beeville. In addition, some of Ben's cousins had acquired land in Falls County. Second cousins John Wilburn Greer, William Crawford Greer, and David Dixon Greer were at Cedar Springs, Pond Creek, and Navasota. Crawford at his death owned 3,333 acres of land in the W. L. Hannum League in Falls County south of present-day Rosebud which at one time had been known as Greer's Horse Lot. These people were descendants of Henry Greer who helped to found Columbus, Mississippi prior to 1820 and near whom Ben lived as a small boy with his father Edmund's family. Henry was both Edmund's first cousin and uncle. Another of Henry's descendants was Elkanah Greer in Marshall who became a Confederate General, and other cousins, lived in Milam County. Later Charles W. Rush came to Falls County, he too being one of Henry's lineages through a granddaughter. About 1870, Ben's youngest brother Edmund Pettus Greer moved from Mississippi to Lavaca County. Ben had been born in Tennessee as his parents Edmund and Frances Greer were moving from Clarke County in Georgia to Columbus in then Southern-Monroe County, Mississippi. Here Ben met Sarah whose parents Alfred and Elizabeth Sutton Ellis had relocated from Lenoir and Dublin Counties in North Carolina in 1842. Following their marriage in 1847, Ben and Sarah moved with his parents to the families plantations in Carroll and Attala Counties. We do not know about their educations, but Sarah's precise and legible handwriting suggests that she had been an observing student. Further, her father was a Primitive Baptist minister. Ben is said to have been a physician and a farmer, perhaps serving the plantation population.
and the Confederate forces. The Greers emigrated from England in the late 1600s to the Gunpowder River in Maryland north of Baltimore and thence into Virginia, Georgia and Mississippi. They had married offsprings of Henry Haynes (born 1701) in Virginia and Benjamin Hodnett (1761-1820) in Georgia. Edmund Greer (1788-1852) and Frances Hodnett (1791-1859) were married in 1810. Various generations of these three families - Greer, Haynes, Hodnett - had similar migration patterns, moving westward with the frontier and locating in Texas along the Brazos River between the late 1840's and 1860. Others arrived after the Civil War. Ben's descendants experienced almost every difficulty possible in a fatherless home during part of the Civil War and in reconstruction, discord between their mother and step-father, early deaths, and contagious disease, which claimed Sarah three weeks after the demise of a Hackett grandson and a year before death of a Hackett granddaughter, all from the same malady. Despite poverty and heartaches, Ben and Sarah's descendants had strong personalities, determination to improve their lots in life, and an ability to make contributions to early-day Falls County while gaining additional respect within their communities.

Sarah also married (2) John W. CRANFORD

7276. Mittie Matilda\ Greer (7269.\ Benjamin, 7158.\ Edmund, 7131.\ Aquilla, 7,\ James, 1\ James, Sir) was born 1863 in Falls County, Texas. Mittie died 1949 in Chilton, Falls County, Texas. She married James Franklin HACKETT

From FAMILIES OF FALLS COUNTY, compiled and edited by Falls County Historical Commission James Franklin Hackett biography submitted by Charles W. Hackett, Jr., page 206, column 1, page 207, column 1 and 2 and page 208, column 1, with permission granted to Theresa Carhart for printing the biographies of these Falls County Families to the Web.

"James Franklin Hackett (1849-1937) married Mittie Matilda Greer (1863-1949), a native of Falls County, at the home of her widowed mother north of Deer Creek near present-day Chilton in January 1881. During most of her remaining years, Mit's mother, Sarah Greer, made her home with the Hacketts. Frank and Mit reared the following six children and two grandchildren in Falls County: James Elliot (1819-1910), Sallie Ellis (1884-1911), Bess Greer (1886-1965), Charles Wilson (1888-1951), Mary Lucille (1891-1970), Frank Ernest (1898-1971), and Sallie Frances Steele Shelton and Seth Hackett Steele. Frank and Mit's forebears generally came from England in the 1600's to the Chesapeake Bay area, settling on the eastern shore of Maryland and Virginia and in Delaware and the Greer ancestors in the western bay area north of Baltimore on the Gunpowder River and in Virginia. Her mother's people entered the U.S. at New Bern, North Carolina. Frank was the first Hackett to come to Texas and traveled by himself while the Greers and related families journeyed either together or followed relatives as they gravitated through Virginia, Georgia, and Mississippi before reaching the Brazos Valley. All were farmers. Frank's antecedents in the U.S. were Thomas I, Thomas II, Thomas III, Luke, and James Madison Hackett. Mit's forefathers in America were James, John, Aquilla. Asel, Sr., Edmund, and Benjamin Franklin Greer, her father, who married Sarah Ann Ellis in 1847. Departing from Maryland's Dorchester County in 1875, Frank spent the winter in Kansas. In 1876, he crossed the Red River from Oklahoma in a boat by himself during a flood which had destroyed all bridges. He settled briefly in Giddings before moving to the present-day Chilton area where he first worked for one of the Gaters. Charles Trice, another Dorchester native, worked for Frank when he first arrived in Falls County before settling in Lott. The Hackett's first home from 1881 to 1884 was a log cabin. Next, they relocated to their newly acquired farm northeast of Chilton and began obtaining other land, ultimately owning 483 acres including a 150-acre tract presently held by three of their grandchildren. From 1887 to 1917, Frank and Mit lived on their farm between Mooreville and Dot, and after 1917 they resided in the town of U.S. S. 77. While near Mooreville, the family was active in the Mooreville Methodist Church. The family which included her widowed mother was deeply religious. Mit's grandfather Alfred Ellis had been a Primitive Baptist minister in North Carolina and Mississippi, and her great-grandfather Benjamin Hodnett's early conversion to Methodism about 1785 in Virginia deeply influenced his heirs. Although Mit was a Baptist and Frank a Methodist, they felt at home in all churches and generally served as the host family for visiting revivalists of all denominations after returning to Chilton. Between 1899 and 1909, four of the Hackett's children attended the University of Texas. Jim enrolled in 1899, Sallie in 1901, Bess in 1903 and Charlie in 1905 after graduating from Marlin High School. Jim married Cyrene Whitaker and established his law practice in Midland, where their daughter Tilda lives today in Dallas. Sallie married Seth R. Steele, a minister, and lived in Arkansas and Arizona; their daughter Sallie F. Shelton resides in Edmond, Oklahoma, but son Seth is deceased. Bess became a teacher first in Reagan, next Corsicana, and then in Dallas where she taught from 1924 until her retirement. Charlie taught at the University of California in Berkeley while completing his Ph.D. degree and became a professor at the University of Texas at Dallas starting in 1918. He subsequently filled visiting professorships at Harvard, Stanford, Columbia, and the National University of Mexico. He married Jean Hunter of Austin, and their daughter Frances H. Clark now lives in Cleveland, Ohio and son Charles Jr. in Austin. Daughter Lucille married Albert G. Hubby, and he first farmed in Mooreville, then moved to Waco where they reared two children. Bess Hubby now lives in Hillside and Albert Jr. in Dallas. Ernest married Garnet E. Van Norman of Dot. He farmed in Chilton for many years and also held positions elsewhere in Texas, California and Colorado with railroads and hotels. Their children Ernest Eugene and Elizabeth H. Crites are deceased, and daughter Mary H. Mathis recently moved to the Athens area from Colorado. About 1928 the Hacketts built a two-story Dutch colonial home with commodious south front porch having a commanding view across old U.S. S. 77 of the Deer Creek Valley and the Carolina Hills. This breeze-swept porch became a popular gathering place for their many friends and relatives in summer evenings. Their barn was particularly popular with the grandchildren who always looked forward to visiting "Mammy" and "papaw". By 1962, Frank and Mit's descendants had increased in number to 35, none of whom now lives in Falls County. However many of the descendants of Mit's brothers and sisters still reside in the Marlin and Chilton areas. The Hacketts made a permanent impression upon everyone who knew them because of their honesty, sincerity, and loyalty to friends and relatives. Older Falls County residents remember them fondly."

Most of the information below is taken from PAT GARRETT THE WEST'S UNLUCKIEST LAWMAN, by Bill Kelly. This information may be published in book form which covers much more detailed information.
Pat Garrett was born in Chambers County, Alabama and raised in Claiborne Parish Louisiana. It was there that Pat went to school and grew up. He has been described as a tall, thin, angular man with prominent cheek bones. He went west in 1869, when he was 19 years of age, to participate in the slaughter of the buffalo herds on the High Plains of Texas. He moved on in 1878 to Fort Sumner, in eastern New Mexico, where he was wed to Apolonaria Gutierrez.

"He arrived just as the fabled Lincoln County War was drawing to a close. That deadly conflict, essentially an economic turf battle between rival gangs, climaxed in mid-July, 1878, in a five-day shootout at Alexander McSween's house in Lincoln, a small community about thirty miles down the valley from Carrizozo. It helped bring about much lawlessness and violence which would envelop southeastern New Mexico for the next two decades. It unleashed a nest of killers and outlaws - including Billy the Kid. The governor of New Mexico, Lew Wallace, put a price of five hundred dollars on Billy's head, through a newspaper notice, dated December 15, 1880."

Pat Garrett was a Democrat and gunman; got himself elected sheriff of Lincoln County, which covered all of southeastern New Mexico at that time. Pat Garrett captured Billy the Kid and two of his cronies. "Sheriff Garrett is the hero of the hour" claimed the NEW MEXICAN newspaper.

Garrett delivered Billy to Mesilla, New Mexico for trial. A jury convicted him; and Judge Warren Bristol sentenced him to hang in Lincoln which was the county seat. Pat Garrett's deputies took Billy to Lincoln, where many of his crimes took place; and locked him in the county jail. Billy escaped killing two guards, James Bell and Bob Olinger, along the way.

Within three months, Pat Garrett had tracked Billy down to Pete Maxwell's one-room rock house on Stinking Springs, near Fort Sumner. At midnight on 20 December 1880, Pat hid in Maxwell's darkened bedroom, waiting for Billy. When Billy entered the room he saw Garrett's shadow and asked, "who is it?" Those were the last words uttered by Billy the Kid. Pat Garrett shot him in the heart.

Garrett, instead of becoming a hero, became a villain because he had killed a favorite son. It caused him to lose the next election as sheriff of Lincoln County. He never received the five hundred dollars reward money, according to Sear Crockett and Ward Leslie of Carrizozo, two men interviewed by Bill Kelly for his PAT GARRETT THE WEST'S UNLUCKIEST LAWMAN. He also lost the election for state senator in 1884.

Pat Garrett moved from Lincoln County to Tascosa, the Cowboy Capital of the Plains, a settlement in the Texas Panhandle and served as Captain of a unit of Texas Rangers, whom Texas Governor John Ireland had assigned to protect ranchers from cattle rustlers. After a few weeks, Pat Garrett quit the Rangers and returned to Roswell, Southeastern New Mexico. Like the Lincoln County War, the double murders brought lawlessness and violence to the area. William T Thornton remembered Pat Garrett and his capture of Billy the Kid. He brought him back from Uvalde to New Mexico. Pat Garrett was installed as sheriff of Dona Ana County, where the Fountain murders had taken place. The murder grew out of a personal and political feud between Colonel Fountain, a Republican allied with the Confederate States of America. The murder was the catalyst for the New Mexico Stock Growers' Association, and Albert Fall, a Democrat associated with cattle thieves.

Pat Garrett was brought back from Uvalde to New Mexico and was installed as sheriff in Las Cruces, Dona Ana County, New Mexico. Two more terms, he served as sheriff.

Theodore Roosevelt appointed Garrett as the El Paso Collector of Customs on 20 December 1901; but because of embarrassment brought on by Garrett's friendship with a shady character known as Tom Powers, refused to reappoint him. Garrett gave Powers the Colt 44 that he used to shoot Billy the Kid as a symbol of their friendship. Later, about 1882, the Colt 44 showed up in the hands of a man, Jarvis Garrett, who sold it for an undisclosed amount. It is unknown as to how and when the gun found its way back into the hands of the Garrett family.

Pat Garrett was now fifty-seven years of age, and needing the money for his large family and to pay off debts to his creditors, put his Bear Canyon Ranch, up for sale. He previously had leased land to one Wayne Brazel, a cowboy, who worked for a neighbor rancher, W. W. Cox, and who stocked Garrett's land with eighteen hundred goats. His land would not sell because most buyers wanted no part of a lease that permitted goats. Brazel would only break the lease, if he could find a buyer to purchase the goats. He and Garrett had words and Garrett told him that he would get him off the land one way or another.

On 29 February 1908, in spite of the lease with Brazel, Garrett found a buyer, a cowboy named Carl Adamson. Garrett and Adamson started out for Las Cruces in Adamson's buggy. As they drew close to Las Cruces, in the valley of the Río Grande, they came upon Wayne Brazel, riding horseback. Adamson stopped the buggy; Garrett got out to urinate, the last conscious act of his life. Brazel shot him in the head. Adamson and Brazel rode into Las Cruces in the buggy with Brazel's horse tied to the buggy and notified Sheriff Felipe Lucero.

Sheriff Lucero sent a posse, led by Major Eugene Van Patten, to the site of the shooting. Garrett's body was there slumped in a ditch, his face half shot away and his unfired shotgun beside him.

Both Adamson and Brazel claimed "self-defense". Brazel was indicted on a charge of first-degree murder; a year later the trial opened; Brazel still claimed self-defense. The trial lasted one day; Brazel was acquitted by the jury.

It was suspected by many that a conspiracy had occurred; but no truth was ever uncovered to prove such. Pat Garrett lived his life as a lawman labeled THE WEST'S UNLUCKIEST LAWMAN.

"In December 1958, Clyde and Jane lived in Eclectic, Alabama. Uncle Clyde and Uncle Johnny were avid hunters. Once they went 'possum hunting and a 'possum went into a hollow log. Uncle Clyde reached in and quickly jerked his hand out, the 'possum had bitten his hand pretty bad. He just looked at it, shook it a couple of times, and reached back in..."
the log. He said the 'possum would be turned around in his hole by then. Sure enough, he pulled the 'possum out by its tail.

"One time a friend of Uncle Clyde's wanted to go 'coon hunting, so Clyde took him. The 'coon ran towards Clyde, so Clyde told the man to get ready to shoot the 'coon. Clyde kicked the 'coon towards the man, and just as he kicked the 'coon the man shot Clyde in the foot. He almost lost his foot as he would not go to a doctor when the foot became infected." It is believed that Grandma Langley was living in Chidester, Arkansas. The funeral and burial services were held at Easley Cemetery. She was in her 80's at time of death. He was born 6 Oct 1808 in Madison County, Georgia. He was the son of James S JARRELL and Martha Locklin GRIFFITH. Matilda Greer Jarrell evidently died between 1833 and 1837, when Stinson Jarrell married Susan Thompson. She possibly died from child birth complications from the birth of her son, James S Jarrell, who is believed to have died also.

Stinson also married (2) Susan Mildred Thompson DAVENPORT 19 Jan 1837. She was born 5 Mar 1815 in Charlottesville, Virginia. Susan died 1 May 1898 in Athens, Clarke County, Georgia, and was buried in Point Peter, Oglethorpe County, Georgia.

From Athens, Georgia BANNER; "JARRELL - Mrs. Susan Thompson Jarrell, relict of the late Stinson S. Jarrell, died in Atlanta, Ga., May 1st. 1898. She was born in 1815 at Charlottesville, Va., and was descended from the well-known families of Thompson, Lewis, Meriwether and Davenport. In 1821, her widowed mother, Mrs. Davenport, moved to Georgia, settling at "The Glade" in Oglethorpe County. The family were Episcopalians, but finding no church at their new home, they soon entertained the building of a house of worship, which was set apart as the first Methodist Church in this old community. The mother led the daughter into the membership of the new church for the erection of which she had largely contributed, and neither removed from its fellowship until transferred to the "house not made with hands." At the time of her death, Sister Jarrell had been a Methodist for more than seventy years - the oldest member of "The Glade" church, and one of the oldest Methodists in Georgia. Though changing her residence for a brief
seasons to Clarke, Madison, and Greene counties, she clung to the old home altar in Oglethorpe, where as a child she had given her heart to God. It was
fitting that at the close of her long, useful life she would have her last resting-place in the quiet graveyard of the church of her early love. She was a lady
of the oldest type, quiet and dignified in demeanor, yet of commanding, positive character. Her religious life bore the impress of the former days. She
knew that Christ the Lord had formed himself within her the hope of glory, and every day she enjoyed the exhilarating grace of conscious acceptance.
Modest of her attainments, she was greatly emboldened by the assurance of faith and always able to give a reason for the hope she had. The sweetness and
beauty of her religious confidence gave a glad cheer to the daily duties of home. And all who came in contact with her knew the comfort of her life and
whence it came. Her children rise up to call her blessed, and cherish her memory as God's legacy of love to give them strength and hope. They know
where she has gone, and must themselves enter the city of God if they can see her again. J. W. H.

The information for Stinson Smith Jarrell and his families is from the research of Bebe Oetjen. The dates came from a Bible copied by a Davenport
researcher in the 1970's; the Bible has since been lost.

Stinson S Jarrell lived in the Oglethorpe County, Madison County and Clarke County areas of Georgia. He was buried in the Glade Baptist Church
Cemetery, Point Peter.

The 1880 Census, Stinson is listed as age 71, living in the home of his son, William in the Glade District, Oglethorpe County, Georgia.

7627. Delia8 GREER (7.Aquilla7, 6.John6, 5.James5, 1.James, Sir') was born 31 Oct 1758 in Halifax County, Virginia. Delia died about 1838 in Georgia. She married Parmenas HAYNES, Sr (See number 9014) 2 Dec 1781 in Bedford County, Virginia. He was born 17 Jul 1742 in Orange County, Virginia. He was the son of Henry HAYNES, Sr and Mary SMITH. Henry probably never married; when he died he left his property to his brother Jasper. (From ROYAL HERRITAGE OF THE GREERS, page 184, by Carolyn Beal).

The name Delia is sometimes seen as "Delila"
The information on Delia GREER is from MY GREER AND RELATED FAMILIES, unpublished manuscript, by Clayton Alvis GREER, page

The information for this Haynes and Sharp family was furnished by Zoanna Williams Curry, Great-great Granddaughter of Emily LeSuer Haynes Sharp and her first husband, William Glynn Haynes. She is the daughter of Nora Bell Haynes and Joseph "Joe" Samuel Williams.

In 1846, William Glenn Haynes, son of Parmenas Haynes, Jr., and his wife, Emily LeSuer Haynes (who was born in Georgia and who he had married in 1842 in Russell County, Alabama when she was 18 and he was 24), moved to Harrison County, Texas to be near Parmenas Haynes, Sr., who had moved there earlier. Emily LeSuer Haynes was from a wealthy family with French ancestry and was related to Napoleon Bonaparte.

For three generations the Haynes were large land owners, with slaves. William Glenn and Emily Haynes were no exception. By 1849, William Glenn owned cotton mill and gin near his home in Elysian Fields. Family history passed down from generation to generation states that William Glenn went on a river boat trip to Alabama in 1849 to collect money owed him and was murdered on the return trip for his money. Emily who had a "6th sense" about things had begged him not to go because she felt something was going to happen to him. So at the age of 25, Emily LeSuer Haynes was a wealthy young widow with 3 children, William Parmenas "Pompy" Haynes, Samuel Grant Haynes and Mary Jane Haynes. Emily's second son, Samuel Grant Haynes, married Mary Case. They lived on a portion of the farm nearer the cemetery. Samuel Grant Haynes and his wife later sold their portion of the farm and moved their family to DeLeon, Texas, where they are both buried. They had eight children.
Emily also married (2) Augustus V Sharp 1859. He was born 27 Aug 1810. Augustus died 31 Mar 1868.

Emily moved with her second husband to Bell County and settled the land along the Lampassas River.

William died 5 May 1925, and was buried in the Sharp Cemetery, Bell County, Texas. He married (1) Adaline Cole 10 Mar 1870 in Bell County, Texas. Adaline died 13 Aug 1876, and was buried in the rock enclosure at Sharp Cemetery, Bell County, Texas.

They had 1 child:

7634. F i. Mildred Adaline Haynes, born 6 Aug 1870 in Texas, died 8 Dec 1876 in Bell County, Texas, and was buried in the rock enclosure at Sharp Cemetery, Bell County, Texas.

William went off to fight in the Civil War when he was 16 years of age. He was reported killed in action, but Emily's "6th sense", told her different. She kept setting his place at the table and believing that he would return. One day as she was at the river getting a bucket of water, she heard him call to her and she looked up and he was coming across the field to her.

The home that William built for his family is owned by Churchill Duncan family and even though it has been deteriorated, its ruins still stands at the intersection of SH 195 and the Sharp Cemetery Road.

William married (2) Sarah Elizabeth "Sallie" Gould 23 Mar 1877. She was born 1 May 1860. She was the daughter of Uriah Gould and Anne Elizabeth Lentz. Sarah died 20 Aug 1942 in Bell County, Texas, and was buried in the Sharp Cemetery, Bell County, Texas.

CHAPTER 2

Listing the descendants of Nicholas DAY

(about 1630 - to 4 Feb 1704/1705)

7942. Nicholas\(^1\) DAY was born about 1630 in Wales. Nicholas died by 4 Feb 1704/1705. He married Sarah. Sarah died by 28 Dec 1736.

They had 5 children:
+ 7943. M i. Nicholas DAY, Jr, born 1685, died by 25 May 1739.
+ 7961. F iii. Sarah DAY, born about 1689, died Mar 1747.
+ 7962. F iv. Elizabeth DAY, born about 1691, died after Apr 1725.
+ 7970. F v. Diana DAY, born bet 1684/1700, died after 1727.

Nicholas Day originally came from Wales and was born about 1620-1630. On 22 February 1658, he and seven men (all named) and 2 women, Elizabeth Gaibe and Catherine Roads, who were bound out to Richard Owens who granted them their freedom and thus notified his 'Lordship Grace,' the Crown of England that they were entitled to 50 acres of land. The custom of that day was for those who could not pay their way to be transported in exchange for seven years of indentured labor, thus we believe that is how Nicholas Day was transported to America. His assets in Wales were not enough to cover his expenses for transportation to America, and the actual trip to America took place 7 years prior to his freedom when about the age of 21. His oldest child, Nicholas Day, Jr. was born about 1685, when Nicholas, Sr was about 55 or 60 years of age.

Next on 6 June 1693, he is listed as Nicholas Day, Sr. of Anne Arundel County, Maryland, and purchased 200 acres of land at Gunpowder Falls on Gunpowder River, northeast of Baltimore, for 1200 pounds tobacco. The same year for 3000 pounds of tobacco, he purchased 150 acres of land from Thomas Bruins called LESSER CHANCE. On 5 November 1693, he bought a part of the tract known as WILLIAM THE CONQUEROR. Evidently, he came to the Gunpowder River location as a prosperous man, by this time he was approximately 63 years of age. There are no records to show he owned land in Anne Arundel County during the 36 years between 1658 and 1693; but he lived there and became prosperous enough to buy the lands in Baltimore County.

He paid taxes for land on the north side of the Gunpowder River from 1699-1706.
The will for Nicholas Day was dated 1 December 1704 and proved 2 February 1705. It is on file in the HALL OF RECORDS, Baltimore County, Maryland. Sarah Day was 15 years of age when she married John Greer.

Richard Baker Greer of Fayetteville, Arkansas, dated March 1996: "Sarah Day Greer died March 1747; she and John were married 4 March 1704." He further stated that John left Baltimore County after Sarah died and that John and Sarah did not divorce. He gave no reference for his information.

Another source states that the will provided for his wife Diana, executrix, to have half of the land during her lifetime; should her unborn child be a son, he should be named Joshua and possess the aforesaid tract at Diana's decease; she would have half of his personal estate during her widowhood; and should she marry, she would receive a child's portion. CHAPTER 4

Listing the descendants of Henry HAYNES, Sr
(24 Dec 1701 - 2 Dec 1784)

8928. Henry1 HAYNES, Sr was born 24 Dec 1701 in Wales. He was the son of John HAYNES. Henry, Sr died 2 Dec 1784 in Henry County, Virginia. He married Mary SMITH 1726 in King & Queen County, Virginia. She was born about 1702 in Henry County, Virginia. She was the daughter of Guy SMITH and Ann. Mary died 2 May 1782 in Henry County, Virginia.

They had 8 children:

+ 8929. M i. William HAYNES, born 1727, died 1813.
+ 8945. M ii. John A HAYNES, Jr, born 1731, died about 1802.
+ 8979. F iii. Dinah HAYNES, born about 1733.
+ 8994. F v. Mary HAYNES, born 1739.

Much of my research on Henry Haynes, Sr. is from the unpublished manuscript of Dr. Clayton Alvis Greer and THE ENGLISH FAMILY HISTORY, by Margaret English Thurman, published July, 1980.

THE Earliest HAYNES found in America: (1) William Haynes, Jr got a headright in Virginia in 1621. (2) Michael Haynes, age 21, was to be transported to Virginia on the GLOBE OF LONDON. (3) Richard Haines (sic) and William Haynes patented land in Virginia in 1653. (4) Samuel Haines, master of the ship WILLIAM GALLEY, was a Welsh emigrant to Pennsylvania. His intention for including this information was in hopes of obtaining more information that might fit into our Haynes lineage. In Munsell's AMERICAN ANCESTRY, Vol 9, page 28 it is stated that the Haynes family were of Welsh origin. Henry Haynes was possibly a brother to William Haynes of Bedford County, Virginia and Jasper Haynes of Culpepper County, Virginia. The foregoing transcripts of land transactions tend to show Henry Haynes as a restless man, tiring of each location he settled in and always seeking 'greener pastures'. The name Haynes or Haines is said to have been ancient Saxon of Welsh origin and claimed by some authorities to mean "Height" or "Pinnacle". Dr. Clayton Greer defines them as a handsome people.

In the Virginia QUINT RENT ROLLS of 1704 published in VIRGINIA HISTORICAL MAGAZINE, Vol 32 (1924), pp 149 155, 340, the following is written: "Guy Smith. Abbington Parish. Gloucester County. 30 acres; William Haynes. King and Queen County. 494 acres; Austin Smith. Gloucester County. 4000 acres. This William Haynes is believed to be the father of Henry Haynes, Sr. Guy Smith was the father of Mary Smith, wife of Henry Haynes, Sr. Austin Smith could have been the father or a brother to Guy Smith. Then on 19 December 1711. Alexandria Spotswood. governor of Virginia, granted "320 new acres in King and Queen County to Guy Smith, clerk.

From WILLIAM AND MARY QUARTERLY, Vol. 9, (1900-1901), pp 44. 45: "Rev. Guy Smith was minister of Abbington Parish and died about 1720. Rev Guy Smith had the following issue: (1) John Smith. baptized 3 Jun 1701; Mary Smith, wife of Henry Haynes, Sr.; Guy Smith, Baptized 2 Dec 1704; Joanna Smith; Ann Smith; Susanna Smith; Constance Smith, born 16 September 1717; Lawrence Smith, born 16 September 1719." It may be assumed that Mary Smith was born about 1702. Also in the Bible of Parmenas Haynes, son of Henry and Mary Haynes. Mary's birth year is the same.

"On March 25, 1731 Henry Haines (Haynes) of Spotsylvania County, Virginia to Thomas Hubbard of the same county for 1000 pounds of tobacco, it being a part of a patent granted the said Haines on Sep 28, 1728, on the branches of South River, adjoining lands of Robert Stubblefield, Robert Baylor, and William Pruets. The witnesses were William Waller. John Talbert. and John Nalle, and Mary, wife of Henry Haines. acknowledged her dower".

SPOTSYLVANIA COUNTY RECORDS, page 118).

In 1731 Henry Haynes is a Caroline County, Virginia. constable; also a juror from 1732-1745. In 1738 he was charged with not attending church for two months and fined. He was in Caroline County until about 1745. He did not move from Spotsylvania County to Caroline County; the boundaries had changed. (Campbell's COLONIAL CAROLINE. pp 353, 361 and 435).

"On Nov 4, 1734. Henry Haynes of Caroline County, Virginia, planter. sold to Thomas Dillard of Spotsylvania County, planter, 170 acres in Spotsylvania County on the Branches of Mattaponi, and part of a patent granted the said Haines on Sep 28, 1728, Roger Quarles, John Stubblefield and John Dickenson acting as witnesses and Mary, wife of Henry Haynes of St. Margaret's Parish, Caroline County, acknowledged her dower".

SPOTSYLVANIA COUNTY RECORDS, page 118).

In 1739 Patent BK. 18:262. 25L. Mary, wife of Henry, relinquished dower." Henry signed deed in his own handwriting. Note: These 150 acres are the ones bought from Thomas Moorman.

On 26 June 1749, Henry Haynes in Fredericksville Parish, Louisa County, Virginia, bought 100 acres from John Dowell of the same parish and county. (LOUISA DEED BOOK, A, page 350).

In 1752, Stephen English and John Haynes were taxed two tithes each in Lunenburg County, Virginia. This Henry married Dinah Haynes, daughter of Henry and Mary Smith Haynes. John Haynes was a brother of Dinah Haynes, a daughter of Henry Haynes, Sr.

1752 ORANGE COUNTY, VIRGINIA. Deed Bk: 12:88. "In 1752 Henry HAYNES and wife Mary of Louisa County, on the one part and Joseph Phillips of the other part, of said county for and in consideration of 120 L (pounds) current money of Virginia, to him on hand, paid by same Joseph Philips for a certain tract of land lying in Orange County and bounded as followeth; To Wit: Beginning at corner of William Heaton's fence, thence 12 poles above said Red's corner thence along his line S. On the same day, of the Motion of William Mead who was granted Letters of Administration of the Estate of John Mead, Dec., he together with HENRY HAYNES, his security, entered into acknowledged bond...It was ordered that HENRY HAYNES, Stephen English, William Veredman and John Richardson, or any three of them, appraised in Current Money the slaves (if any) and Personal Estate of John Mead." (Evidently HENRY lived in Bedford County for a few years, then moved to Prince Edward County, because he left it by will to his son, Parmenas.

1756 PITTSYLVANIA COUNTY, VIRGINIA. Recod Bk. 1737-1770, p. 240. "On June 24, 1756 HENRY HAYNES entered 400 a. on Cedar Creek, joining John Good's on both forks. Also 400 a. on the East Ford of Bull Run, adjoining David Wilson." (There is some belief that these 400 a. could have been Henry Haynes, Jr, born 1735. They bear the same date as the 400 a. entered by William Haynes on Ruddy's Creek recorded in Pittsylvania County.

1758 PATENT BK. 33:438. In consideration of 15 s. HENRY HAYNES was granted on June 2, 1758, 150 a. on Blackwater River against the mount of Bull Creek." (This transaction did not give Henry's residence. The land was in Bedford County. In 1759 it was deeded to Samuel Smith.

At the session of court, held the 23rd day of June, 1784 in Henry County, Virginia, the last will and testament of Henry Haynes, dec., was exhibited by Parmenas and Henry Haynes (Jr.), the Executors. The marriage date for Richard and Jane Cummins Bandy was furnished by a Bandy researcher, the name unknown since I cannot locate the record in my files. I leave the date there in hopes it might help someone else researching Richard and Jane Bandy.

Probably the first record located for Richard Bandy in America is a land purchase in 1775 in Cumberland County, Virginia. From BANDY GALLIMAUFRY: "24 March 1755: Richard Bandy purchased 200 acres of land from Samuel Phelps for the sum of thirty pounds. (Taken from Deed Book 2, page 202)."

According to family tradition, Richard and Jane Cummins Bandy came to America in the middle 1700's. The tradition is that Richard was born in Liverpool or Dublin for Richard and Jane. The Bandy name has been linked to the French Huguenots who left France because of religious persecution. The Bandeaux family from France moved to Scotland and England before the French Revolution. Part of the family who came to Scotland changed their name to Bandy to keep from being traced; the other group who moved to England changed their name to Bundy.

Richard was married to Elizabeth Cardwell by 1756. She was named in her father's will in Henrico County, Virginia, Chancery Court, Case Number 1789-2.

+ 9248. M ii. Andrew BANKSON, Jr, born 1672, died 1750.
+ 9335. M iii. Peter BANKSON, born 6 Mar 1677, died 1708.
9338. F iv. Catherine BANKSON, born 29 Jan 1679 in Philadelphia, Philadelphia County, Pennsylvania. She married John Van COLIN. Catherine died 27 Sep 1735, and was buried in Racoon, Gloucester County, New Jersey.

Daniel of Bensalem Township, Bucks County, Pennsylvania left a will dated 30 March 1727 and was filed 11 April 1727. It lists wife, Elizabeth as sole legatee and executrix.

Andrea (Andrew) BENGTSSON was born on Hanstrom farm in Faxarm, today Fuxerna Parish, Alvsborg Ian, northeast of Gothenburg, Sweden, in 1640. His father was probably the son of Peter BENGTSSON of Gothenburg, who supplied cash and merchandise for Admiral Fleming's sixth expedition. Andrea came to America in the year 1656 on the Swedish ship "Mercurius" and settled in Philadelphia County, Pennsylvania. He married Gertrude RAMBO in Philadelphia, Pennsylvania on 22 November 1663; Gertrude was born 19 Oct 1650, the daughter of Peter Gunarssen RAMBO. Andrew wrote his name as Andreas BENGSTON and was known in English records as Andrew BANKSON; his descendants are known as Bankson or Bankston. Andrea BENGTSSON was a long-time warden and lay leader of the Wiaco Church which was on the site of the present day Gloria Dei (Old Swedes) church located in Philadelphia. He also served as a court justice for the periods: 1681-82, 1693 and 1701-03; and was elected to the Pennsylvania Assembly in 1683, 1686 and 1698. He held many positions of honor and importance in the Colony.

He was accidentally drowned in the Delaware River and was buried 13 September 1705. (From THE 1693 CENSUS OF THE SWEDES ON THE DELAWARE, by Peter Stebbins Craig, J.D. (1993)).

His will was dated 30 August 1694; was probated 2 September 1706 in which he named his wife Gertrude, his sons: Banct (Benjamin), Andreas, Jr (Andrew), Peter, John, Jacob and Daniel; his daughters: Catherine and Briggetta. A codicil was added naming his son, Joseph, born after the writing of his will. Andrew Bankson, Sr. named as his executors his wife, Gertrude and his sons, Benct and Andreas.

Witnesses to this will were: Swan Sawnson, Lasse (Lawrence) Cock, John Cock & Robert Longshore. The will of Andrew Bankson, Sr. is recorded in WILL BOOK 2, page 238, City Hall, Philadelphia, Pennsylvania. This information is from PENNSYLVANIA MAGAZINE & BIOGRAPHY, Vol II, page 227.

Gertrude Rambo was still living in 1706 when her husband died.

9245. Benct (Benjamin)² BANKSON (9244.Andrew¹) was born 1669 in Philadelphia, Philadelphia County, Pennsylvania. Benct died 1748 in Philadelphia, Philadelphia County, Pennsylvania. From an old deed dated 6 March 1746 in Philadelphia, Pennsylvania, Benjamin is referred to as "the oldest son of Andrew and Gertrude R. Bankson". In 1693, Benjamin is listed with two in his family from a list of the Swedish families residing in New Sweden. They lived at Hollander's Creek, near Moyamensing in 1698 and have one son "then living aged 3".

9248. Andrew² BANKSON, Jr (9244.Andrew¹) was born 1672 in Philadelphia, Philadelphia County, Pennsylvania. Andrew, Jr died 1750 in Chester, Pennsylvania. He married Gertrude Lars BOORE 1694. She was born 1678 in Philadelphia, Philadelphia County, Pennsylvania.

Andrew Bankson, Jr., the second son of Andrew Bankson and Gertrude Rambo, according to extracts from the "Gloria Dei" church 1697-1699 by Rev. Rudman, was living above the church with four in the family and was living in the division of Pasqueing at the time of his father's death in 1706. He was made one of the Executors of his father's will. In 1746 he executed a deed in Philadelphia County, Pennsylvania, and described himself as "Yeoman" living in Chester, Pennsylvania. He left a long line of descendants who were prominent and influential in the new counties formed in Pennsylvania; & the Southern States they settled in. Andrew married Gertrude (Boore?). Though the "Philadelphia County Births 1644-1765" by John T. Humphrey lists Andrew Bankston Jr. and Gertrude as the mother and father of Magdalen Bankson and Magdalen lived in their household, Andrew Jr. would be only 16 years of age when she was born. There may be other children. This is a quote from Anne Martin Haigler in her BANKSTON COUSINS 1656 1996 Copyrighted 1998.
