The Family Genealogy of William Miller and his Descendants of Henry County, Kentucky

Preface

My reasons for writing this book has been for the recognition of my husbands ancestor’s and the roll they played in the lives here in Kentucky. Their lives need to be a part of history and not be forgotten. We want them to be remembered. We have searched for facts and records of them for the generation to come. We want these generations to come to know about their heritage. The love of county, family and freedom should not be forgotten values. There is a need to know for what they did and how it might have effected our lives today. The Wars that they were in and how it may have changed our lives. It is interesting how little they may have had compared to what people think they need today and yet are we any happier then what they were in 1850? This will tell you a little of what was happening with their lives so long ago.

Most sources for this family are included within the facts about the individual person, but some are included as source footnotes.

I dedicate this book to my husband, Charles A. Miller and his father, Willie D. Miller.

Churches of Henry County, Kentucky

Some well known churches that the Miller attended:

Pictured here is Drennon Chapel Church as it stands today with its Cemetery to the right and behind the Church.

The Franklinton Church is also one that many of the Miller’s and other relatives attended. Micro-film is available for this church at the Filson Club in Louisville, Jefferson County, Kentucky.

There was also a Port Royal Baptist Church with a Cemetery. However, most if not all of the stone are no longer there.

The small town of Drennon has a lot of history. There is much known about the old Drennon Springs, it is just a group of sulphur springs. Buffalo traveled here for the salt in the springs and this made paths. It was in 1820 that they discovered the curing qualities of the sulphur springs. My husband, Charles can remember back in the 1950’s that the family used to bring his great-Uncle Omer to the spring so that he could get bottles of the spring water to drink. It had a loud terrible smell of rotten eggs. I guess that was the smell of sulphur. It was in 1840 that Dr. Robert Hunter developed the springs and built a hotel. In 1849 it was purchased by A. O. Smith who hoped to make it big with the watering hole. However in 1849, Cholera broke out in Kentucky and neighboring states. This was a panic situation and began the end of the big springs. However, it was tried again later with bathhouses and all, but still failed in the end. Even today you can drive near this area and smell the sulphur all around. The water in the creeks and branches are of green color. I can not even think today of how people could drink or even take baths in this terrible smelling water. But life was different many years ago. People did a lot of things to keep from being sick with a deathly disease.

Chapter 2

First Generation: William Miller of Henry County, Kentucky

1. William MILLER was born about 1788 in what he always says was Kentucky. Of course Kentucky
was not a state in 1788 if that is his true birth date. He was living in 1840 in Henry County, then on the
1850 Henry County census his age is 57 years old and it says he was born in KY and he was a farmer.
Now in 1860 he is 72 years old and again born in KY and now he is living in Cain Township,
Hillsborough Post Office, in Fountain County, Indiana. He was always listed as a farmer. Then by 1870
he is back in Drennon Ridge Precinct, Port Royal of Henry County, Kentucky and he is age 82 and
living with Joshua Miller age 44 and his wife Margaret, and Joshua's sister Polly age 48. Joshua is
believed to be a nephew of William Miller, yet unproved. He would have been back in Henry County by
1863 when he first shows back up on the tax list of Henry County, KY. In 1880 William is 92 and living
with his daughter and son-in-law Samuel and Rachel Kelly. Now to make it a bit more confusing about
his age lets look at the records of his death. His tombstone reads that he died April 1884 at the age of
102. But let's look at the obituary in the Newspaper of the Carrollton Democrat: June 27, 1885, Page 5,
Column 4: Neighboring Counties: Henry County: “Wm Miller, the oldest inhabitant of Henry County,
died near Lockport last Sunday. He enlisted in the army in 1814, being at the time a married man with
one child. He was buried on the farm where he had been living for 71 years.” Now surely it did not take
over a year to get this obituary in the newspaper!! So it depends on how you do the math here as to his
birth date. It could have been born anywhere from 1782 to 1793. Now I wonder when or who had the
stone made. The stone is just like his daughters' Rachael Kelly's stone that died in 1893. Both stones
have the same verse. I believe that they put both stones up at the same time and it may be they forgot
the month and year by that time. His tombstone is located on what is known as the Miller grave yard.
There was a deed made on 5 April 1894 from H. S. Adams and Margaret Adams of the first part and The
Miller heirs and their relatives & friends Witnessed, that the said party of the first part, in consideration
of Five Dollars cash in hand paid the receipt of which is truly acknowledged. “A certain track of land in
Henry County, KY on the North side of H. S. Adams farm adjoining the land of Wm. Roberts. The said
land is to be used as a burying ground for the neighborhood. There is one quarter of an acre of said
ground.”

On the 10th day of June 1850 on his military pension records he
mentions that he was 65 year old and that his discharge papers
were destroyed in the burning of the house. So now we know
that their house had burned sometime before June of 1850. He
was in Captain Ziba Hott's in the Kentucky Regiment of
volunteers commanded by Col. Gray in the war with Great
Britain, usually referred to as the War of 1812. He participated
in the battle of New Orleans, LA on the 8th day of January 1815.
He was drafted at Port Williams on the 15th of June 1814 for the
term of six months. He was then discharged at Nashville
Tennessee on the 15th of May 1815. On 19 June 1882 he
personally appeared before the Clerk of Henry County and on a

matter of Pension Claim 34747 he stated “When I made my application for pension I was under the impression that I was about 90 years old. But since I learned that in 1855 when I made application for a Land Warrant I then stated I was seventy-six. I am certain that I am now one hundred and three years old. I am certain of this because I know my memory in 1855 was much better than it is now.” William could not write because he signed with an X. William had two Survey Certificates 34747 and 25632. These land warrants could only be used in some other states beside Kentucky. This may have been the reason William and his wife, Lydia and several of their married children went to Fountain County, Indiana in 1858. We knew that they left Kentucky in the year 1858 and for some reason William came back before 1870. His wife remained in Fountain County with daughter and son-in-law Nicholas and Caroline Cline. In 1882 on his military claim for service, William was listed as bring 5 feet 9 inches tall and had black eyes, black hair and dark complexion. This would mean that at his ripe old age he still had black hair, not gray hair as we might expect for someone in their 90’s to 100 years of age. Also in his military Declaration for Pension he state that he married Lydia Razor in Vevay, Indiana, which would have been Switzerland County. This would have to be in or about 1812 or 1814. To this date no marriage record has been located for this marriage. However he may have got a license in Dearborn, Indiana.. Switzerland County was formed out of Dearborn County. The area that was Vevay was I believe in Dearborn County in 1803 when Dearborn became a county. However all the records burned in 1826, so there are no marriages records for our time period. He was always listed on the census as a farmer. On March 9, 1878 he stated on his military pension record that he lived in Lockport, Henry Co. KY, where he has lived most of his life.

It is at this time believed that William had a brother named John Miller. John had 4 children and they were Catherine born about 1819 who marked Andrew Kelly on July 15, 1860 in Henry Co., Polly born about 1821 and died after 1883, Joshua born July 1828 and died after 1900 who married Margaret Ann Linn on August 30, 1849, Sarah born about 1831 who married 1st to Christopher “Charles” Razor and they had 4 children; John w. born Feb 10, 1841, died July 23, 1932 and Joshua F. born Sept 10, 1848 and died June 5, 1919 and Abraham born Dec 1846, Mary Jane born 1863, she married 2nd to Thomas Kelly on Dec 28, 1882 in Henry County. There is a reference in Military files to the relationship of this family. John is the father of these children as indicated by marriage records. William did live with Joshua in 1880 indicating some relationship between them.

William MILLER and Lydia RAZIER OR RAZOR were married before Nov 1812 in Vevay, Dearborn County, Indiana. This marriage date could be Feb 14, 1814. This came to me in a dream in the middle of the night. No marriage record date or location has been found. Lydia RAZIER OR RAZOR married about 1813. She was born about 1786 in VA. She was with William on the census years of 1850 & 1860. Then in 1870 she is living with her daughter Caroline Cline. She must have died before 1880. However there are no death records available before 1882 in Fountain County, Indiana. In Henry County, KY Lydia had been a mid-wife and attended a number of child births in the area in Henry Co. KY. Lydia received land in a deed dated 18 April 1836 from Edmond P. Thomas.² It is unclear as to why she received this land but it was for her and her children. “This indenture made this 18th Day of April 1836 between Edmond P. Thomas of the first part and John Adams trustee of Lydia Miller wife of William, Betsy Miller, Abram Miller, Caleb Miller, Rachel Miller, Henry Miller, Adaline Miller, Caroline Miller, James William Miller, Emeline Miller, children of Lydia Miller of Henry County Kentucky of the other part Wittness’ that the said Edmond P. I, E. P. Thomas Clerk of Henry Co. Court do certify that this deed from Millers Heirs to Henry S. Adams was on this day produced to me in my office and a acknowledged by Lydia Miller, Will Johnston and Betsy Johnston, his wife, Frank Hartman and Malane Hartman his wife to be each of their act and deed, and recorded. E. P. Thomas Clerk.

The Tax list shows that in 1837 the first time that William Miller shows up on the tax list in Henry County, it is listed for his children and there are 100 acres. Then in 1848, 1850 and 1851 William Miller Sr. is listed but Lidia Miller is claiming the 100 acres. Also there is a William Miller Jr. which is their son-in-law. In 1849, 1852, and 1853 William Miller Sr. is claiming the 100 acres. I could not find them in 1855. Some of the children are still listed but not with the 100 acres except in 1854 Henry Miller has 100 acres.

William MILLER and Lydia RAZIER or RAZOR had the following children:

When I made my application for pension I was under the impression that I was about ninety years old, but since I have seen that in 1855 when I made application for said warrant I then stated I was seventy-five. I am certain that I am now one hundred and three (103) years old. I am certain of this because I know my memory in 1855 was much better than it is now. I knew Dr.一把 and two John Adams but do not know where any lie except one John Adams, he lives in this county I think.

Again here is his application on 19 June 1882.

Second Generation

2. Elizabeth (Betsy) MILLER or STEPHEN (William-1) was born about 1813 in VA. She died after 1865. It is unknown if she was a Miller or a Stephen’s. William Miller’s military records indicate that he had one child in 1814. So is that Elizabeth or Abraham?? She states in the census that she was born in VA., and that would be where her mother was from so Lidia may have been married before she married William Miller to someone named Stephen.

Elizabeth (Betsy) MILLER or STEPHEN and William JOHNSON were married on 16 Oct 1828 in Shelby Co. KY. She is listed as a Stephen on that marriage and no one signed for her age. William JOHNSON (son of Charles (Charlie) JOHNSON and Ann CARTER) was born in 1805 in Clinton, Georgia. He died before Apr 1865. Will of Sam Johnson his brother Owen Co. Ky. The deed in Book 27, pg 22 it has him signing the deed dated Feb 26, 1857, in Henry Co. KY. Elizabeth (Betsy) MILLER or STEPHEN and William JOHNSON had the following children:5

+19  viii. Mary Elizabeth JOHNSON was born on 31 Mar 1852 in Owen Co. KY. When Mary was born, her family lived in Owen Co. and the person attending the birth was her mother Ledy "Lydia".

3. Abraham MILLER (William-1) was born about 1814 in Henry Co. KY. He appeared in the census in 1850 in Henry County, KY. He then appeared in the census in 1860 in Fountain Co. Indiana. He again is in the census in 1870 in Fountain Co. Indiana. He apparently was not happy with living in Kentucky and was one of those who had a yarning to go west to look for bigger and a better life for his family. He died before 1880 in ILL or Indiana. In 1860 when Abraham and his family moved to Fountain Co., the Indiana taxes were taken and this is a list of their taxable things. Four swine at $8.00,

Caleb MILLER and Mary CARR were married on 23 Jan 1845 in Henry Co. Ky. Martin Stodghill signed the bond. He was her stepfather. Mary CARR (daughter of Joseph CARR and Sarah BRUCE) was born in May 1823 in KY. She died after 1900. In 1900 she was living with Mary Ditto and her son Joseph Ditto. She was also hired to work for the Bryant's in 1900. To the best of my knowledge they never had any children.

5. Rachael MILLER (William-1) was born about 1820 in Henry Co. Ky. She died on 19 Jan 1893 in Franklinton, Henry Co. KY. She was buried in Miller Family Cemetery, Henry Co. KY. Inscription on her stone reads---

Rachael MILLER and Samuel KELLY were married on 28 Dec 1837 in Henry Co. KY. Samuel KELLY was born in 1816 in KY. He death date is unknown but believed to be 1895/96 from the administrator's book of Henry Co. KY. Rachael MILLER and Samuel KELLY had the following children:
Descendants of William MILLER

6. Henry MILLER (William-1) was born in 1825 in Henry Co. Kentucky. Henry also was a farmer and remained in Kentucky. No death date has been found for him. Some believe that he was married 3 times but I have not located but two marriages.

Henry MILLER and Nancy Ann DEAKINS were married on 8 Apr 1858 in Henry Co. KY. Nancy Ann DEAKINS (daughter of Peter DEAKINS and ? ?) was born about 1835 in KY. This is her first marriage and his third. It is believed that in 1850 she and a sister Sarah, lived with R. W. and Elizabeth Chilton. Robert W. Chilton married Elizabeth Deakins on 12-21-1847 in Henry Co. Ky. Henry MILLER and Nancy Ann DEAKINS had the following children:

Died, Aged 103 Years.

Mrs. Adeline Miller Babbitt, wife of Jasper Babbitt, died at her home near Mt Gilead on Saturday March 23, from infirmities due to old age. She was 103 years old, according to well authenticated statements. She was a good woman, and in her younger days was remarkably handsome. She was first married to a man named Miller, and there are several living children who were born of the union, among them being the well known citizen, Mr. Amos Miller, of Mt. Gilead. The funeral was preached Monday by Mr. C. O. Woodward, and the remains were laid to rest in the churchyard at Drennon Chapel.

Couple Married 50 Years Joined By Kin As Anniversary Held

Mr. and Mrs. James E. Miller will celebrate their 50th wedding anniversary at 7:30 o'clock this evening at the home of their daughter, Mrs. Callie Miller, on Fourth Street. Mr. and Mrs. S. J. Miller, friends and relatives of Mr. and Mrs. Miller, 2833 South Fourth Street, took part Friday in a celebration of their 50th wedding anniversary. They were married September 27, 1884, in Frankfort. They have three children and fourteen grandchildren. Mr. Miller is 74 years old and Mrs. Miller is 73.

The citizens of Bedford and vicinity were sorely shocked last Thursday when they learned that Mr. William M. Miller, one of our oldest and most highly respected citizens, was found dead about noon on the farm where he lived, less than two miles south of Bedford.

Mr. Miller, who was 79 years of age, made his home with his brother, Mr. Amos Miller, and nephew, Mr. D. B. Miller, who own the place across the highway from the John J. Young farm. He was busy preparing to raise a crop of tobacco, and left home early Thursday morning to weed a plant bed. When he failed to return to the house at noon hour, his brother went in search of him and found him near the plant bed. He had pulled the weeds and replaced the canvas. He started home, it is supposed, but made only about one hundred and fifty yards of the distance. When found he was lying with his head on a sack of straw which he used in weeding the bed. There was no evidence of a struggle, and he is supposed to have taken ill and expired in a short time. It is thought he had been dead two or three hours.

Funeral services were held at the home Saturday morning at 10 o'clock by Rev. J. B. Hahn. Burial was in the I. O. O. F. cemetery.

Mr. Miller was twice married, but has no children. The only surviving members of the family are two brothers, Mr. Amos Miller, with whom he made his home, and Mr. J. E. Miller, of Louisville. He reared a nephew, Henry Miller, of Eudora, Ark., whose wife is seriously ill.

Familiarly known as "Uncle Bill," Mr. Miller was a good citizen and well-liked. He often came to Bedford, where he visited the home of his nephew, Omer Miller. His fondness for children made him the friend of all the little ones to whom he was known. On his last visit here to the home of his nephew he lingered at the door before leaving and, waving his hand to the three children, told them they might never see "Uncle Bill" again. He seemed to have had a premonition of something unusual occurring, although he appeared to be in normal health. The sudden passing of this good man is one of the several recent sad events which remind us of the uncertainty of the certainty of
