I wish to acknowledge the assistance given to me by Mrs. Parley Fray Wimer: (Ruby Mick), for the names she gave me in this Wimer genealogy. Much of the information had been handed down to her by Mrs. William M. Wimer (Cora E. Crawford) with whom a lifelong association was had. Also she provided financial assistance for the pictures which accompany this material.

In addition a manuscript containing early Wimer history and the Morgan Wimer family history was provided by Mr. Wayne Hurd, the husband of Luella Wimer, granddaughter of William M. and Cora E. Wimer.

Also Mrs. Edna Calford Reeder provided access to the family bible of Mrs. Delia Wimer Hutchinson, daughter of Josiah "Joe" Wimer.

My part in this assemblage is limited to photographer and organizer.

Frederick Dixon Law, husband of Norma Lou Wimer Law, great-granddaughter of William M. and Cora E. Wimer.
