The data which follow were obtained from the papers on file in pension claim R5183, based upon service of John Holt in the Revolutionary war.

John Holt was born March 6, 1764 in Chesterfield County Virginia; the names of his parents were not given. At the time he entered service, he resided in Cumberland County Virginia.

John Holt enlisted sometime in January 1781, and served 3 months as private in Capt Creed Haskins' Virginia Company; he enlisted July or August 1781 and served 2 months as private in Capt William Meredith's company, Col Henry Shipwith's Va regiment, from which he was discharged near Richmond, Va. He continued to reside in Cumberland Co Va after the Revolution.

John Holt applied June 23, 1824 for the pension which might have been due under Act of June 7 1832 (1852) on account of his service in the Revolutionary war. He resided then at Cumberland Court House, Cumberland Co Va. His claim for pension was not allowed as the service rendered by him was insufficient to entitle him to pension; that pension law provided for those soldiers who rendered service of at least six months in the Revolutionary war.

There are no data pertaining to the family of this soldier.
DECLARATION was made in this form: A letter addressed from LEESBURG, TENNESSEE (which I believe must have been meant for Va instead of Tenn, as the postal guide shows no town named "Leesburg Tenn"), dated November 30, 1851, to Hon A. Johnson, Washington, D.C., Sir:

I have undertaken a certain pension claim which is one of importance and one over which hangs a strange mystery; and you will do me and the parties concerned the favor of having a full and complete investigation made of the case, and in what condition it is in at this time and inform me at your earliest convenience, (AT LEESBURG).

This case is this; JOSEPH HOLT LIEUTENANT, belonging to the Va State Line of the Army of the Revolution died without ever receiving his due according to the decree of the court of Appeals of Va and which was payable out of the U.S. Treasury by an Act of Congress.

During the latter part of Hon John Blair's time in Congress, all the requisitions of the law had been had in this county for the benefit of Martha Glass, daughter and legal representative of JOSEPH HOLT, deceased.

In this case you will please if possible have an immediate investigation of the case with a report of its present condition and whether the case was made out according to law, and if so, was the money ever paid over and to whom, and upon what authority and what amount after John Blair service, the matter took a sudden stop, and no information has since been received in the case. If the case was made out according to law, and if ever paid there must be some evidence of such payment and to whom.

Please vouch for me at the department so that my communications may receive the attention of the Commission of Pensions.

The mystery which appears to veil this case should if possible be removed, that the parties interested may have their dues.

I am very respectfully,
signed R. Humphreys.

The one letter above is all the paper that was in the file.

Thomas Holt enlisted 1781, at the time Gen LaFayette was near Petersburg and served under Capt Francis Goode and Col Gaskins as a quartermaster, in all about 2 months. I desire may be given to my dear sister Elizabeth Oswald. I should be glad if my friends John & Henry Dixon would qualify as executors to this my last will and testament and do desire the court will allow them to qualify as such, without giving any security for the administration, knowing the trouble attending, that kind of business, and being satisfied they will do justice to my estate. Witness my hand this 24 Dec 1786.
