Declaration made 1853 March 12, by George Washington Hurt a resident of Washington county Virginia, in behalf of himself and the other surviving children, applied for any pension that might have been due them on account of service of their father; ZACHARIAH HURT, who George Washington Hurt alleged was a Revolutionary war pensioner.

In said claim it appears that Zachariah Hurt married June 8 1787 in Prince Edward County Virginia to Frances Mitchell. He died August 11, 1841, or Aug 11 1845 in Washington County Va, having lived there five years or more before his death and prior to that time he lived in WYTHE COUNTY VA. His widow Frances, died April 30 1845 or April 30 1845.

In 1853 George Washington Hurt stated that Zachariah and Frances Hurt left the following children; Berry; James; Rhoda, the wife of James Eastwood, Steven; Calvin; John; Margaret wife of George Felty; Mary wife of Templeton Baldwin, Meredith and George Washington Hurt.

In same year, Meredith Hurt, brother of the soldier Zachariah Hurt, stated that his brother died leaving the following children; Washington, Frank, Stephen, Liberty, James, John, Berry Peggy, Polly and Rhoda and that Frank and Liberty had died since the death of their father.

There are no further data relative to the soldier's family and none whatever in regard to his service.

The claim was not allowed as the records of the Pension office did not show that a claim for pension had ever been made by either Zachariah Hurt or his widow. and there was at that time no provision of law under which children of soldiers of the Revolutionary war were entitled to pension.
